Don't try to move your chain up quite well little man

Jane and Beau...

She opens her robe. And his mind could bare comprehend the goddess before him

Ready to have your tiny body destroyed?

He looked at his surroundings and he felt a sense of danger.

Wait... wait why am I tied up? Where Am I? How did I get here

Ahh didn't your mother always tell you to never leave your drink unintended? There are a lot of predators around
