# Amaz2k12 - Bimbo Transfusion

*Trixie Belle – the ditzy blonde bimbo dream – just finished her daily workout. After a steamy, skin-glowing shower and slipping into her barely-there outfit in the locker room, she struts out with hips swaying and curves begging for attention. She's not just ready for the day... she's ready to be seen.*

*Omigaaawd,  
that was, like, suckkk  
a hawt workout...*

*All those  
sweaty, beefy guys totally  
pumping and grunting all  
around me...*

*...and I'm  
just, like, smack in the  
middle of it all!  
"Giggles"*

*I just  
loooooove how  
they check out my  
big, bouncy boobies  
in this teeny-tiny  
spandex top...*

*...and my  
juicy lil' booty  
shaking all over the  
place!*

*Ugh, I  
just adore being  
me~! tehehe!*

Yeah, and  
you're basically  
giving every random  
guy a free show,  
Trixie.

You're a  
total embarrassment - and  
the worst part? You don't  
even notice.

# Amaz2k12 - Bimbo Transfusion

While Trixie Belle radiates bubbly charm and unfiltered sex appeal, not everyone is impressed. Especially not Riley Monroe, who's about as amused by bimbo giggles as she is by leg day slackers...

# Amaz2k12 - Bimbo Transfusion

Being a bimbo doesn't mean being unintelligent - we just think a little differently. Y'know... more relaxed, fluffy, and full of feel-good sparkles and stuff.

Ugh, that girl is, like, sooo uptight... totally unhappy and, like, mega unbalanced.

And the worst part? She takes it out on me... and babes like me!

I'm, like, a totally happy bimbo girl, and negative vibes are sooo not my thing!

Vibes... OMG that's, like, such a genius thought! YAY! BIMBO VIBES!

Bunn, like, I totally need two more babes for that. Let's call the girls~!

Yo babes, it's me, Trixie!

Huh? You knew it was me 'cause my name showed up on your little phone thingy?

That is, like, sooo cool! "giggle"

Now listen... can we meet in, like, 30 minutes in front of Riley Monroe's house?

Kay? See ya there, babes! Mwah!

# Amaz2k12 - Bimbo Transfusion

You can always count on your girls... just not on their timing. They agreed to meet in 30 minutes - so naturally, each one showed up 30 minutes late. But hey, that's just how Bimbo Time works. And now, 60 sparkly minutes later, the squad is finally together. And why?

Cherry

Ughhhh, Riley was, like, sooo meanie to me earlier an' stuff!

I think... we should totally share our vibes with her~

Destiny

Mmmhmm... this lil' thing we 'bout to do? That's called a Trans-FU-sion, honey.

...ya mean we're gonna turn Riley into our Bimbo Sistah, huh?

Like, tootally! That girl's been tryin' ta kill me uibe for ages, babes.

But, pfft - she's barkin' up the wrong pair o' heels, if ya ask me. \*giggle\*

We passin' them sweet Bimbo Vibes straight into Riley's fine-ass body... slow 'n thick, like syrup.

She gon' soak it 'all up... like a sponge in the summer heat.

So let's werk it, girls

Cherry couldn't decide which latex dress matched her eyes... (spoiler: they all do, and they're all at least two sizes too small).

Oh great. The three plastic Stooges.

Sorry girls - don't have time for your cartoon - level nonsense today.

Josh is coming over and I've got actual things to do.

So... bye-bye, and please stay gone.

Ooooh, Riley sweetie~ slow down, babe. We've got, like, the cutest lil' gift just for you! \*giggle\*

\*Klaack!\*

One should never make the mistake of underestimating others... Especially not the way Riley loves to do.

What the hell...? Hey!

You've always been, like, sunnier meanie to us, Riley...

But I'm gonna tell ya a lil' secret, kay? Just between us girlies~

Let me guess - you're gonna pull out your glitter kits and give me a makeover?

Mmmhmm... How, you ask?

Baby, it's called a Trans-FU-sion, bitch~

Oh please. Unlike you three, I keep my makeup minimal...

We passin' our sweet, juicy Bimbo Vibes straight into you...

You gon' soak it all up... like a sponge on a hot summer day

'Til your body starts respondin'

...and then, sugar? Your body gon' do the rest. mmmkay?

There are Vibes, baby. Bimbo Vibes. They're what, like, turn a girl into a bimbo girly-girl, duh~

Seriously? And how, exactly, is this supposed to work?

You are a BIMBO, love...

Just like us.

And look! We're, like, three bimbo babes - so that means extra pure Bimbo Vibes~ teehee!

a BIIMBO...

...like us~

This is a joke, right?

"Bimbo Vibes"? Are you hearing yourselves?

Ain't that just... delicious?

You can't actually believe in this...

Like a sponge... soaking up every sweet, naughty vibe... And it shows - her nipples tighten, perky and alert...

Carefree...

Pink, fluffy clouds in your mind...

Nonstop fun and party...

Ohhh... you gonna love bein' a Bimbo...

Too blissed out for deep thoughts...

My nipples - why are they so... hard?!

N-no! What the hell is - ?!

Boys...

Ohhh god, something's happening to my...

Clothes...

My chest... it's tight... and heavy...

Looking hot...

A soft, swelling heat builds in her chest... Her breasts plump and push outward...

WHAT ARE YOU BIMBOS DOING TO ME?!

Giggling, always giggling... "giggle"

Words are, like... too long anyway~

BIGGER IS BETTER...

PLASTIC IS PERFECT...

Barbie doll brain...

A Bimbo like Lolly Popz-teehee

...as if her body wants to believe it.

# Amaz2k12 - Bimbo Transfusion

The Trans-FU-sion is complete...but something far deeper has begun. Riley doesn't realize it yet - every word, every vibe... is still working inside her.

What the hell is wrong with my chest... it feels... tight.

And... warm? And why the hell do my lips feel... puffy?

GOOD VIBES

Soo... feelin' any different yet, Riley?

It took, like, a few hours for me, but then... teehee

But whatevs, babe! Maybe you should, like, go shopping or somethin'?

You know what they say... plastic makes it perfect

Alright! That's enough -

Get your glittery asses outta my house!

Kay~ no problem, babe~!

I don't need your stupid Vibes, or your... whatever the hell that was!

You'll, like... figure it out soooooon enough.

Seriously. Just... leave.

Her breasts now fill out a snug B-cup... Her lips, soft and swelling, tingle with a pressure she doesn't want to admit feels good. The words echo in her head like soft, sugary mantras...

# Amaz2k12 - Bimbo Transfusion

The girls have done their part... Now, it's just a matter of time.

Ugh...  
what the hell was  
that ridiculous  
show?

Those three  
bimbos and their weird  
little chant... *llke.*  
seriously? So  
dumb.

Finally!  
They're gone - now  
I can focus and get  
ready for my date  
with Josh.

Okay...  
shower, *makeup.* find  
an outfit...

Maybe... *llke.*  
something a little  
skimpy? That could  
be, *um... totally*  
cute.

And as we're starting to see - the first little mental shifts are already setting in.

# Amaz2k12 - Bimbo Transfusion

Of course, Riley can't help but notice... Her formerly flat A-cups are now soft, full... and squishy.

Huh? Since when do I have enough up here to squish?

Wait - what the hell? Are my lips... swollen?!

What happened to my mouth? It feels so weird - *like, totally* not mine!

*Teehee...*  
but it's, *like... super soft... and kind... mmm, nice?*

Maybe  
it's just, like...  
my imagi -

Ima...  
ima - ugh! What  
was that word  
again?!

As she turns, unaware... her pixie-cut stretches into a soft, glossy bob - brushing the nape of her neck like spun sugar. Just the beginning...

I should,  
like, tates check  
the mirror in the  
bathroom...

Why does my  
brain feel, like... all  
candyfloss and  
sparkles?

# Amaz2k12 - Bimbo Transfusion

In front of the mirror...comes a moment of clarity. Or, like... something kinda like that.

What the heck is, like... even happening right now?

My lips are, like, sooo huge... and super juicy?!

And my hair? Umm... since when did I have, like, these long blonde streaks?

Even my boobies...?

Was I always, like, this top-heavy?

Like, no... right? Or... maybe? Teehee

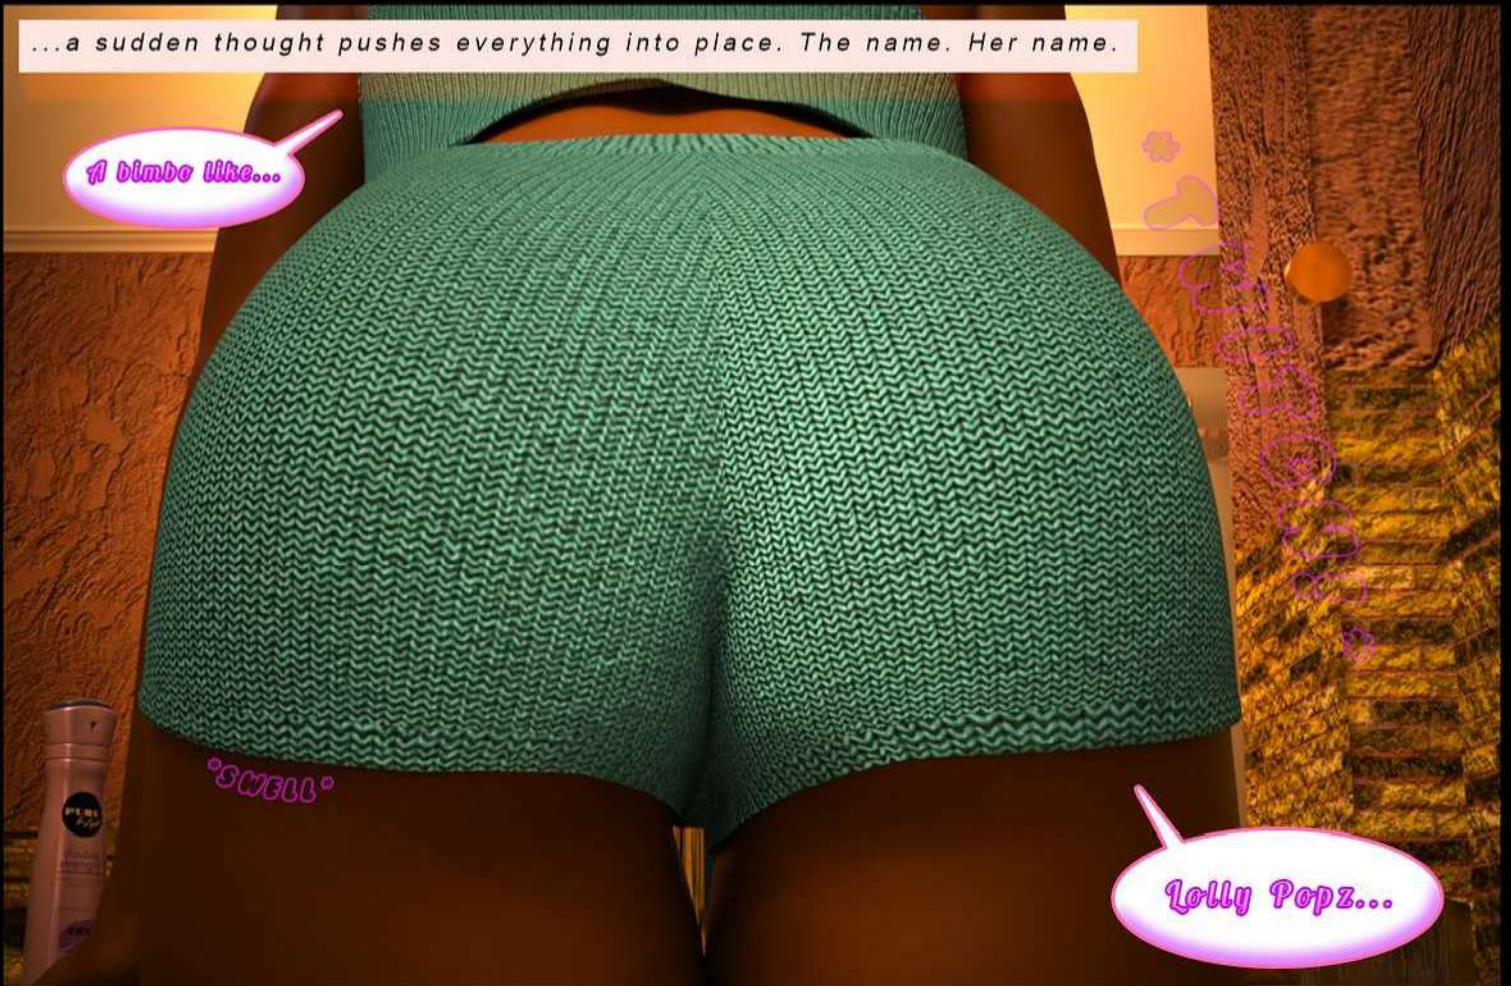

# Amaz2k12 - Bimbo Transfusion

The transformation continues - without her even realizing. Tendons in her feet shorten, forcing her comfortably onto tiptoes...

Her balance shifts. Her hips swell. And as something starts happening back there...

...a sudden thought pushes everything into place. The name. Her name.

# Amaz2k12 - Bimbo Transfusion

Right after the Vibes took full effect... something big was about to bounce.

# Amaz2k12 - Bimbo Transfusion

Sometimes, the vibes just gotta stop... so you can admire your own upgrade.

Like...  
holy bubble booty.  
Batman!

Did that  
thang really come  
from meee?

It's sooo  
big... and bouney...  
and-OMG. I totally  
love it!

Teehee...  
Is this what they  
mean by 'rear view  
goals'?

•wobble•

•wobble•

Ummm...  
wasn't someone, like,  
totally coming over?

Oh! Yeah!  
Like, he's gonna help  
me study or whatever?  
"giggle"

Nahhhh...  
Buuuuut... a hottie bimbo  
like me can't greet a boy  
without makeup!

Like,  
duh! I need some  
glam-glam. Like,  
NOW! Teehee

"SMILE"

"MOBBLE"

"GROO"

"GMBLE"

Uh-uh,  
this is, like, a  
total no-go! A girl  
without makeup?  
Nah-uh!

Were my  
hair tangles always this  
wild 'n messy? Duh - an fff  
bimbo needs bomb-shell  
blonde!

...and a few sparkly minutes later...

Ahhh!  
That feels, like, sooo  
much better!

Nothing  
beats extra-sparkle  
glam and a pair of  
super-binky  
braids!

Now I just  
need some wickedly  
ultra-short clothes... and  
I'm, like, ready!

Half an hour later... and zero sensible clothes in sight.

Aww, like - my closet is so useless, swear!

All these basic tops, pants, an' skirts? Booring!

And not one bra fit these mega girls - talk about uncool!

Whatever... time for a savage shopping trip.

Gonna link up with my bimbo besties and get, like, all the cute stuff!

Wasn't I s'posed to do... something? Eh - whatever, it'll come to me.

Shop first, think later... teehee!

Did we, um, have a date or somethin'? Stilly me, totally blanking!

Uke, oh-em-gee-hey there, Jeshy!

R-Riley? What the -

So you wanted to work on some boring case?

Huh-uh... that's, like, sooo not a Lolly olde.

Let me just - check the specs, mmkay?

Hey - wait - what are you - ?!

Duuuude... that's not Lolly-Popz equipment.

I go for big, thick, an' veiny, y'know?

Riley - wait! We have to - ugh... never mind.

Sorry, babe-wrong dimensions. I'm off to find my bimbo beetles and, like, a real shopping haul!

Byee-byeec... whatever your name was!

Josh is ancient history. Thirty glittery minutes later - outside the city mall -

Is THAT even legal...?

Yooo, girls!  
Trite, Cherry, Beating  
-over here!

It's me,  
Lolly... like,  
Lolly Popz!

O-M-G,

Girls,  
I'm soooo sorry I

Look who's  
tot-ally totterin'  
over in six-inch  
heels!

Feck me-  
she looks  
stunnin'!

Girl,  
that was  
fast!

I could  
be jealous, but  
nahh-jealousy's  
boring!

Wait-  
uhh... forgot what  
I was sayin'.  
Heehee!

Guess you  
had waaaay more  
Bimbo Vibes in you  
than you thought,  
Aha?

Totally  
just jealous of all  
this fabulousness!

Doesn't matter-  
glad you're here,  
sweet-thing.

But not

Lolly Popz!

Shopping  
spree with our  
brand-new bestie?  
Count me in!

...a brand-new squad of  
Bimbo Besties is born.

Bimbo vibes aren't a curse. They're a choice - their choice. Ultimate freedom, zero shame.

Like, who says brains and big boobies can't coexist, huh?

Ohhh yeah - bimbo 'n proud!

Yay! Bimbo Besties forever!

E'mon, girls - let's pop these babies out just like lolly!

Mmm-hmm. We pick our vibes, not society.

You said it, girls! Together we're, like, the... ummm... oh-

The Fucktastic Four of jiggle power! teehee

Turns out, a "bimbo" is only powerless if you tell her she is. Lolly Popz and her glitter gang kiss who they want, wear what they please (or don't), and giggle as loud as their jiggle.
