BLOOD WIDOW 2

SUITS

PART 3

Damn! I can't believe
what I'm about to do...

With my best friend.

I curse this Swamp
Goblin costume!

And yet... the more I think
about it... the more I love it.

I notice that the more I wear this costume,
the more I want to be a Goblin...

I can't help it... now it's the
Goblin inside me that's in control.

Calm down, James... remember
I'm wearing "High Heels"!

And here we are... in our...
personal suite. Who would have
thought we'd end up here again.

Oh gods... I can feel how his
essence makes me forget that
he's a Goblin...

And makes me want
this even more...

Oh Yes! A quickie!

Let's not waste any time, before the girls notice we're gone.

Oh James... if only you knew that I had this all planned... Although I feel bad betraying Luna... I mean Lisa... With this outfit and your essence, I'll never be your friend Tony again...

What's wrong?

Okay, I'm ready... huh!?
But how? Where did you get that?
JESSICA!!

Where did you get that?

This little burlesque slut outfit?

Oh James, honey, have you forgotten that I'm Jessica, a cartoon character?

Don't you like it? Do you want me to wear something else... Or something less...?

But...

NO! You're perfect just the way you are. Come here, let's not waste any more time.

MEANWHILE, DOWNSTAIRS IN THE OLD LIBRARY

Oh, I appreciate this song.

Debora really knows how to move, despite those heels and that suit that fits her so...

Oh, I'm thinking like a man... It must be that James and his Goblin suit...

OH YES... I love that we have the dance floor all to ourselves!

NOOOOO!!

THAT DAMN SWINE!

You can't do this to me, James!

Oh, Tony... if you let him lay a single hand on you...

That swine James!

What's going on, Lisa?

PUFFF GUYS...

Hey, calm down,
maybe... maybe...

Maybe what? Did they
go out for a smoke?
To play Cube?

We're talking about James!

I hate to speak up for James,
but Tony is his best friend...

I don't think...

OH FUCK!!

YES!!

YES!!!

Oh gods... if she keeps sucking me like this, I'll stop being me... I don't know how she does it, but... the more she sucks me...

The more I feel like I'm merging with this skinsuit...

Don't stop. Don't Stop!

That's wonderful...

Mmm...
...schlurp...
Mmm...

...schlurp...

I can't stop... what is this smell that makes me want to suck him more?

Mmmmm, Hell... it stinks to high heaven and yet!

And on top of that, it feels so real the more I suck it...

As if it were real Goblin skin and flesh...

That damn swine is
taking advantage of
Jessica...
...I mean Tony!

Rose was right! We shouldn't
have let that degenerate come.

Oh! I can't believe he's taking
advantage of his best friend...

Be careful, Luna. His swamp Goblin essence could be very strong if he was able to trick Tony.

That's it... I'm going up there and that damn freeloader is going to find out what I'm capable of!

What? Don't go! We should call the police or the Sisters of the Purge!

And leave my sister... I mean brother in his clutches?

No way!

Gods, I hope they're not doing what, I think that swine is clearly doing to Jessica...

Damn son of a bitch!

On top of that, I'm wearing his fetish character's costume!

By the way...

... Is it normal that I don't feel the skinsuit anymore?

Okay, okay... I know that sometimes
I speak without thinking about the
damage my words can cause...

Oh Rose, please...

Stop pretending to be
the feminazi victim...

I know everything!
That you're a lesbian
and... You know...

What do you mean?

WHAT???

Oh yes, honey, and even though right now I want you to stop playing the bitch...

It makes you look so... damn overwhelming, that's what turns me on about you...

Especially when your sister told me about the poster of Queen Carmilla* retouched into a bimbo version.

Just admit it already, and we'll save ourselves some time...

That bitch... Debora, I don't know what she told you, but I...

Okay, okay... fine, I think you're pretty, even attractive, but...

*SEE THE FILM LESBIAN VAMPIRE KILLERS

No butts!

SNAP!!

grow

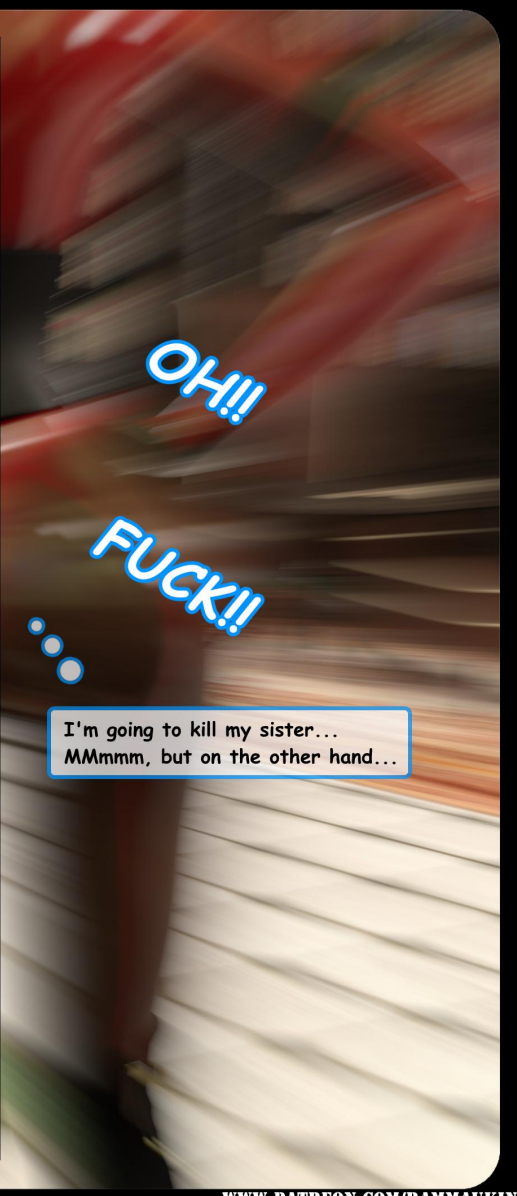

shriek

shriek

If I have to become
the Lesbian Vampire
Queen Carmilla...

Porn version, fantastic
super bimbo...

OH FUCK!!

Oh fuck! OH FUCK!!

I'm totally...

IN LOVE!

Deeper, stick that
stuff deeper, Mommy!

Do you like my extra
piece of the suit?

I feel so stupid and stuffed.

Oh gods, seeing you like this is better
than masturbating to my Carmilla poster!

Mmmm, Yes, you are...
and I love you that way.

Or rather, I love you
even more bimbo...

Oh fuck... I'm jealous.
How I wish I had those
same tits and her ass and...

And everything...
GODS! What an idea!

Debora and Rose...
The two new latex lesbian
bimbo girls at the university!

Yai! I feel it... my stuff isn't empty...

Soooo good...

Mmmm, I'm totally a vampire bimbo now...

Oh! Does Mommy want to be a total bimbo like me too?

MORE, my dear bimbo, transform yourself more for me...

Then I'll do the same for you.

YES!!

Argh, how I wish I could catch him...
When he's taking advantage of Jessica...

Damn you, James!
It's me you should be
taking advantage of...

Intoxicating me with your
addictive Goblin essence...

I wanted to be your Luna
forever and let your own
lust trap you in that...
Horrendous Form!

Why, James?! Why did
you do this to me??!!

Uuh!

When did we put up those decorative
spider webs... And why here?

You better be just helping my
sister choose a new outfit...
because if not...

Oh James... you don't know
what this bitch is capable of
when she gets pissed off!

Delicious... Don't you think so, honey?

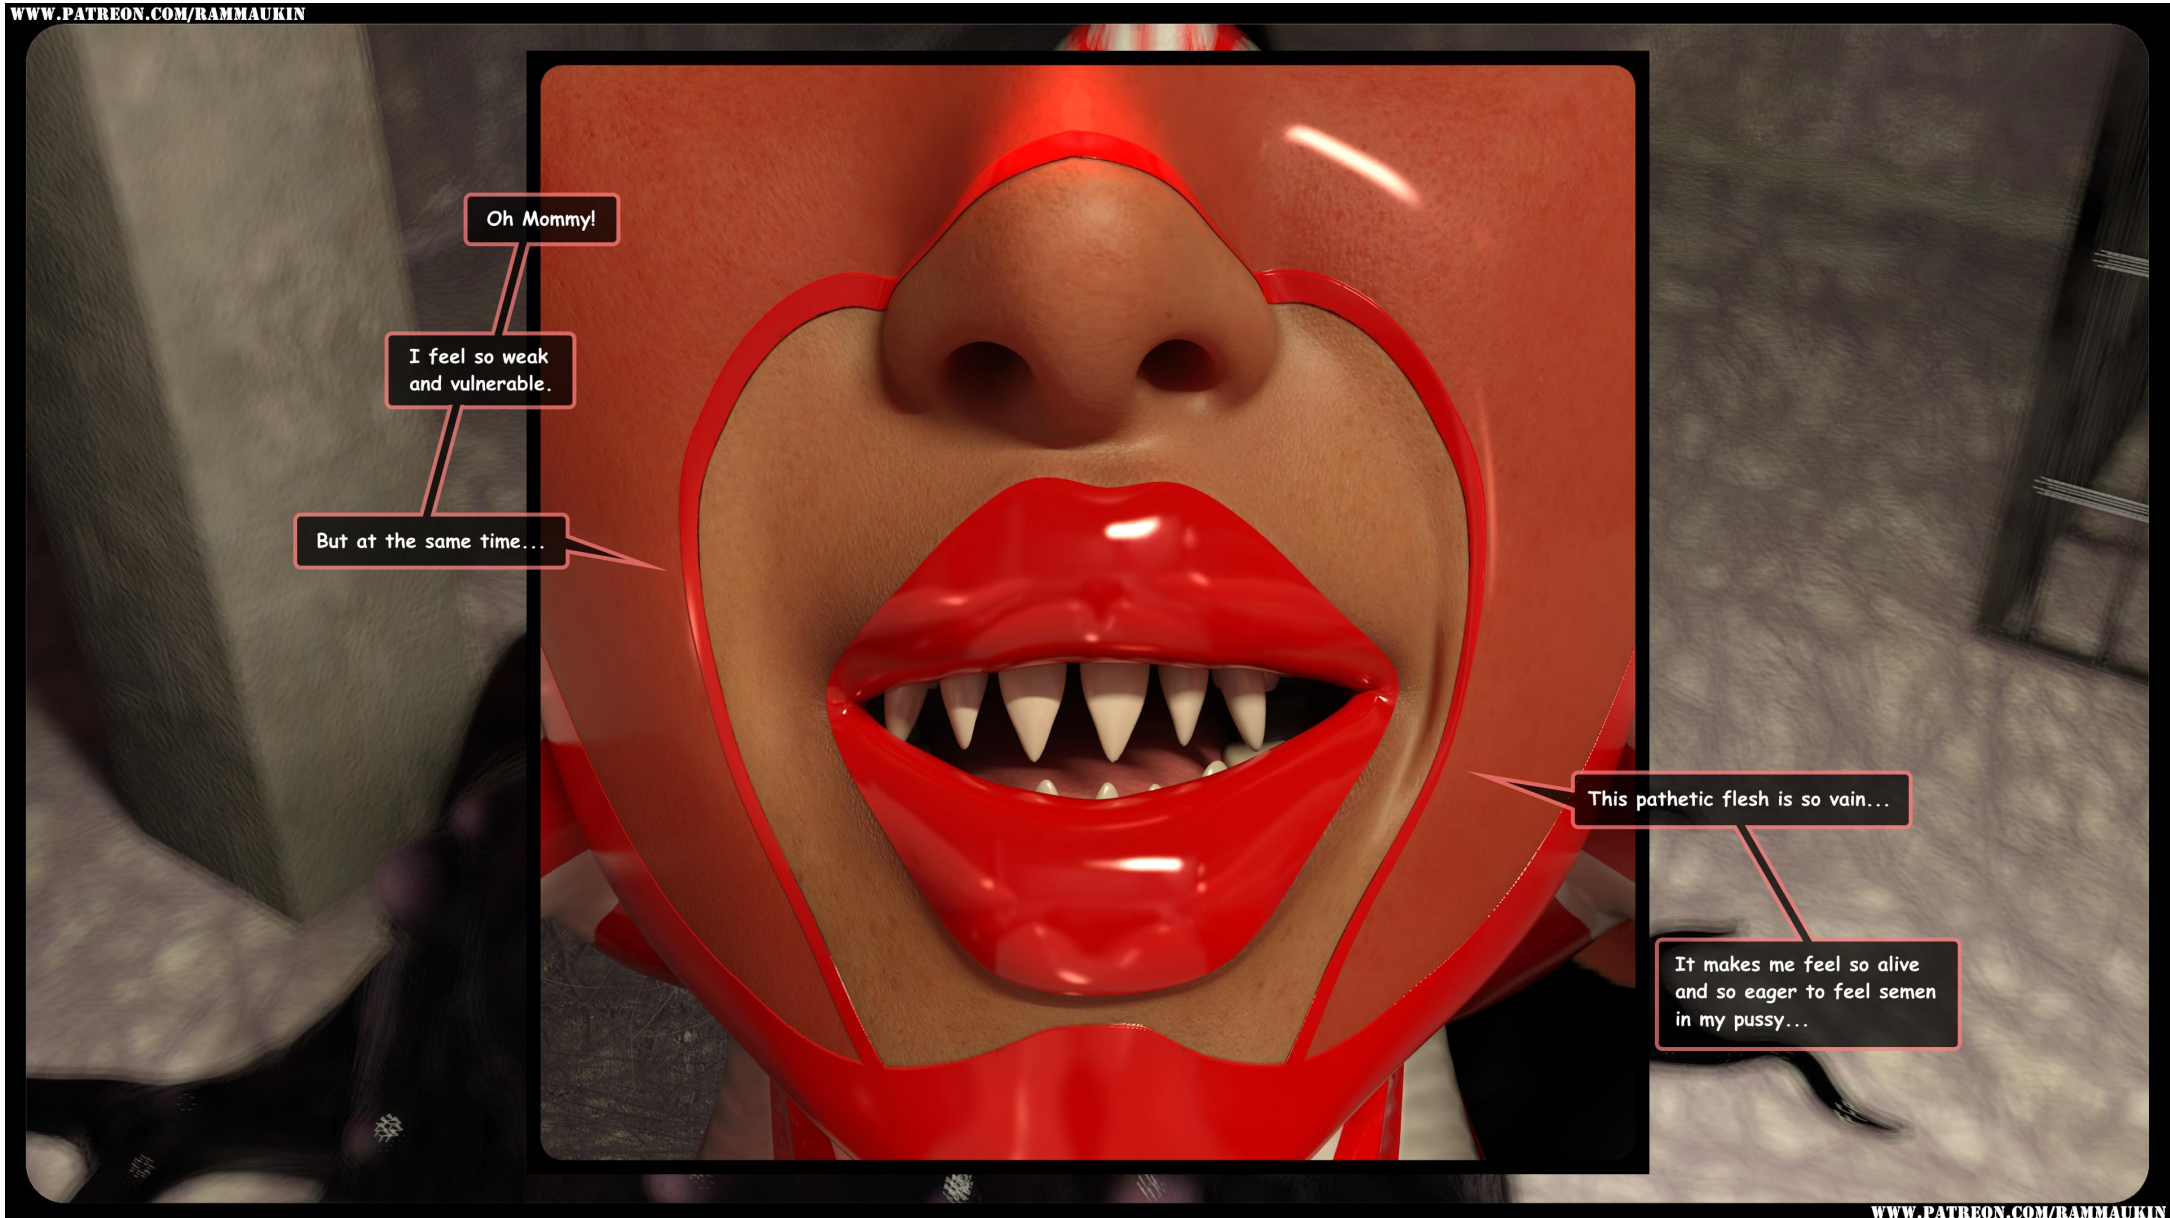

Mmmmm, it is a shame, but his sacrifice was necessary.

Yes, yes, I could have had a little fun before satisfying my newly awakening appetite for blood...

And then later using his flesh to prepare my own cocoon from which I would emerge fully as a spider...

Freeing myself from this mundane flesh...

Oh, but how inconsiderate of me... How does it feel to be a Human Drone now?

Oh Mommy!

I feel so weak
and vulnerable.

But at the same time...

This pathetic flesh is so vain...

It makes me feel so alive
and so eager to feel semen
in my pussy...

I can't wait to see how all these puny mortals in this miserable world become livestock for your brothers and sisters...

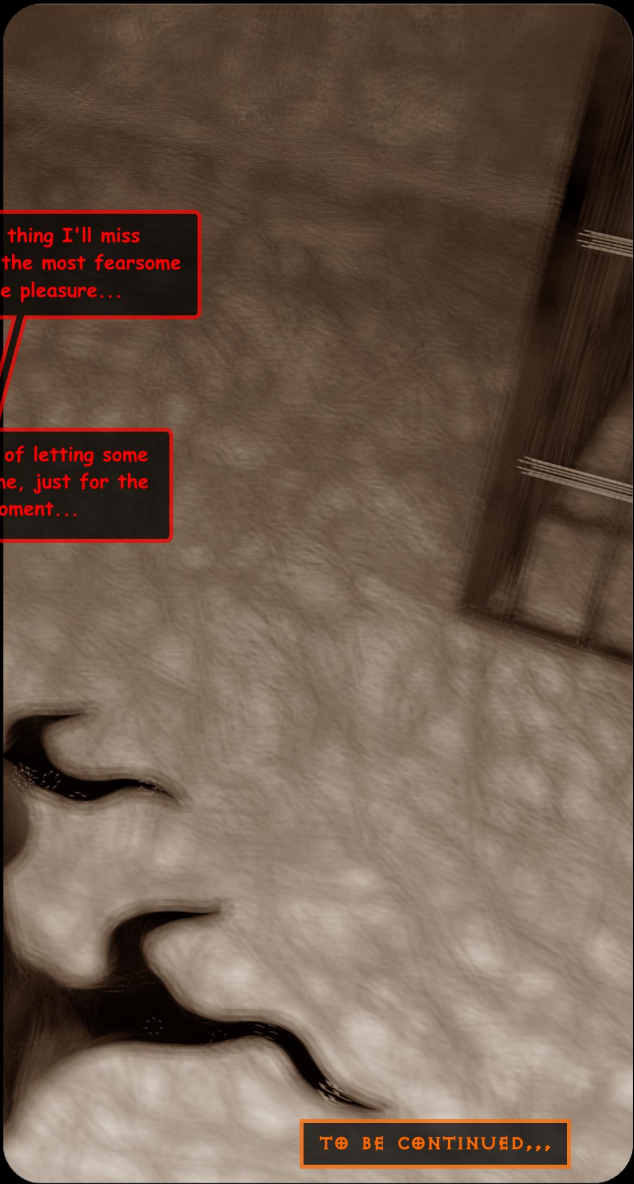

But being dominated by the instinct to lay hundreds of eggs, almost every new moon... it's so irresistible...

Really?!

That's the only thing I'll miss when I become the most fearsome of spiders... the pleasure...

The mundane vice of letting some males mate with me, just for the pleasure of the moment...

TO BE CONTINUED...
