

Part-2

HALLOWEEN NIGHT ~ IN THE ATTIC OF THE OLD MANSION

Oh gods! OH GODS!!!

All our friends...

But what happened to Mia?

The Suit! She has succumbed to the magic of the Suit.

She now is the Blood Widow.

There are stories about her aunt Bianca...

But until today I didn't believe them...

I thought it was envious gossip, since her Suit is unique...

UFFff!

Made it by a little bit...

Well apparently, what they say about her aunt is true!

Have you seen the SIZE of those spiders?

Get your filthy hands
off my little sister...

I mean BROTHER!

How dare you...

Taking advantage of him
while he's trapped in that
easy going girl outfit...

Using the skills of a
dirty swamp goblin??!!!

What's going on ??

Calm down! Will you!!!

I didn't do anything to him,
let alone take advantage of
him wearing Jessica's skinsuit.

Luna... I mean Lisa... it's not what you think... I...

Don't defend him because he's your friend... but can't you see he's a pervert?

Why else would he bring that Swamp Goblin costume?

And you don't try to lie to me, I just heard you clearly, calling her a slut!

If I see you trying to sleep with him so that he gets trapped in this slutty shape...

I swear... oh yes, by the gods...

I swear to you, I'll cut off your ears and that cock bulging in your pants!

If anyone here has forced someone to have sex with somebody and call them a slut...

It's your 'now New Sister' Jessica.

Don't lie to me you pervert!

What he says is true,
I used it on him...

I WANT to be
trapped in this body!

OH YOU...

YOU!!

Exactly, it was all his idea, knowing
that wearing this suit I wasn't going
to be able to refuse...

Sorry Luna... Lisa (damn skinsuits)...
talking about James, I know deep down
you liked him...

She what?

AND YOU...

SHUT UP...

How could you...

YOU FUCKING PIG...

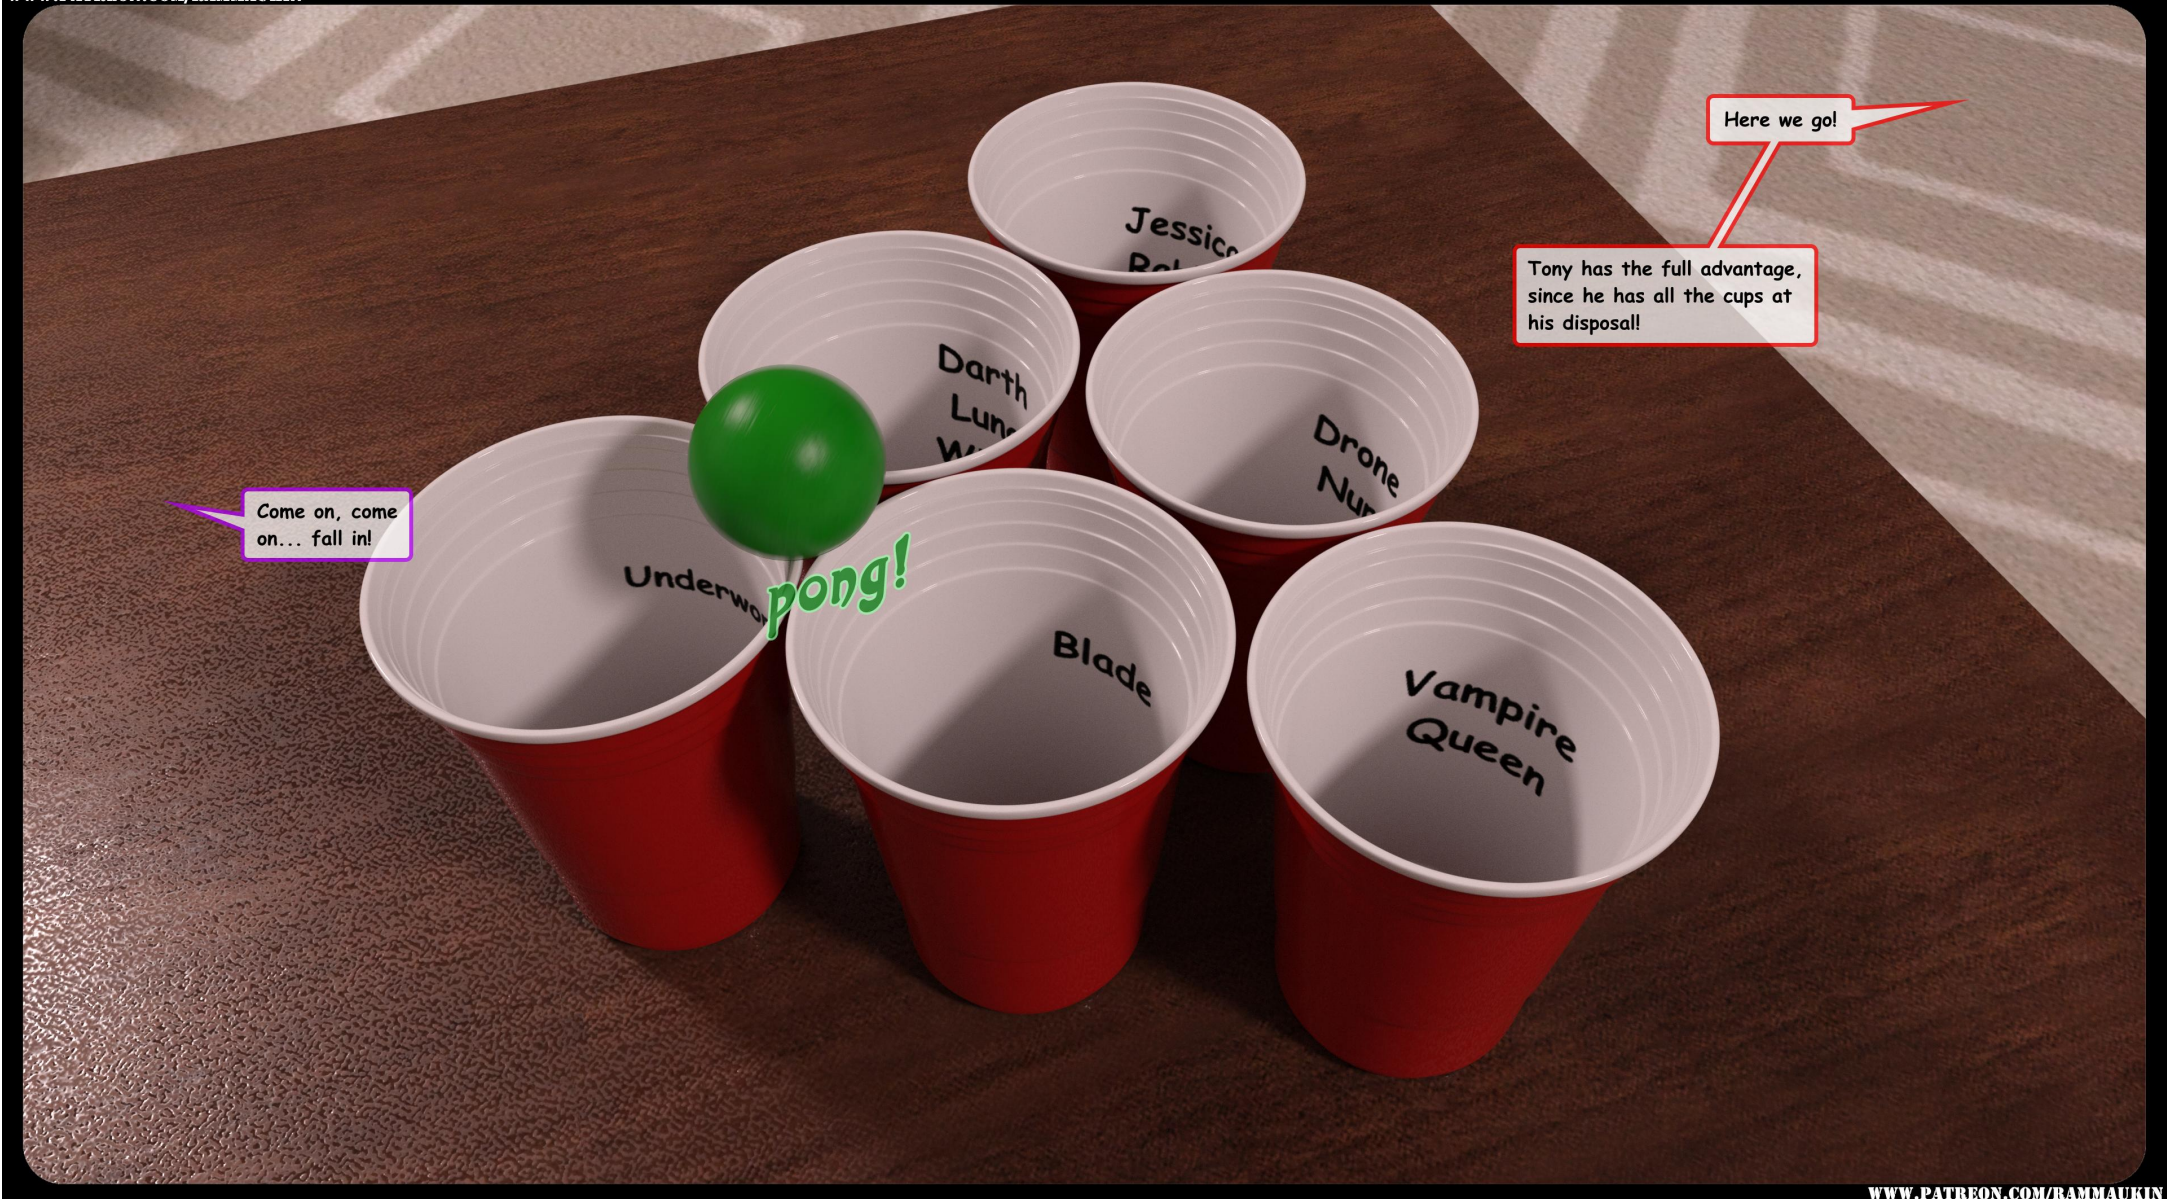

Not now master, this bitch is talking... Luna...
Uh... I didn't want to take advantage of him
tonight... but... I... I... I... I've always been
envious of you... and gods, this desire I have
with Jessica's skinsuit... Fuck, it's so irresistible,
and I like it, I love being this slutty.

A FEW HOURS BEFORE...

Ok Tonny, you know the rules.
Are you ready to begin?

Spare me your TV
presenter imitation...

What?

How?!

Oh NO!!
Jessica Rabbit.

UuH!!

Fortune doesn't want
you to be Blade!

Hehe, you will be sure to leave us with our mouths open!

IMPOSSIBLE!!

That ball is rigged! I don't know how you did it!

And what a temper tantrum the macho man is having!

Haha, what's the matter, Tony are you afraid of losing your manhood?

Come on Rose, don't piss him off even more.

Come on Tony, don't be like that, it'll be fun to see you as Jessica.

It's Halloween, no one will question you for dressing up.

Yeah Tony, it'll be good not to see you from your permanent grumpy side for once. Hihi.

Yeah, and if you want I can give you one of my Femme Fatale makeovers! Hahaha.

Come on girls, give it a rest, we have to keep handing out the costumes Debora brought us!

What? NO!! Not Selene!

I wanted the Vampire Queen!

Not a sexist latex costume!

Leave her alone, her
indoctrination speaks.

And in a twist of Fortune, your
teasing, my dear Isla, has cost
you being Selene!

What are you saying?

Are you seriously telling
me that the Vampire Queen
costume is less sexist?

Girls, leave politics out...

Mmmh...

Who comes next?

You lucky fucker...

YES, YES, YES!
Fucking love it!

The DRONE NURSE!!

I'm sure you'll
be awesome Isla!

Come on, now me, before
you take away my chance
to be Blade.

Objection! It's clear
he's got a trick ball.

Tony, please, how could he
trick the ball? With magic?

ME!

DAMN IT!

Hey, I wanted to
try it myself!

Now I get what's left.

OH YEAH! Got Blade!

Who is the master of the
universe of cup pimp?!

Overruled!

Who's going now?

Oh gods!

OH GODS OF VINGOLF!!

Darth Witch Luna,
my favorite!

It's not fair...

Because she got
the costume she
always wanted!

That leaves me with the
Vampire Queen, oh well.

HI GUYS!

Look at who the
Goddess of Fortune
is smiling at!

Tony, you should be
happy for your sister...

You're making me
regret inviting you...

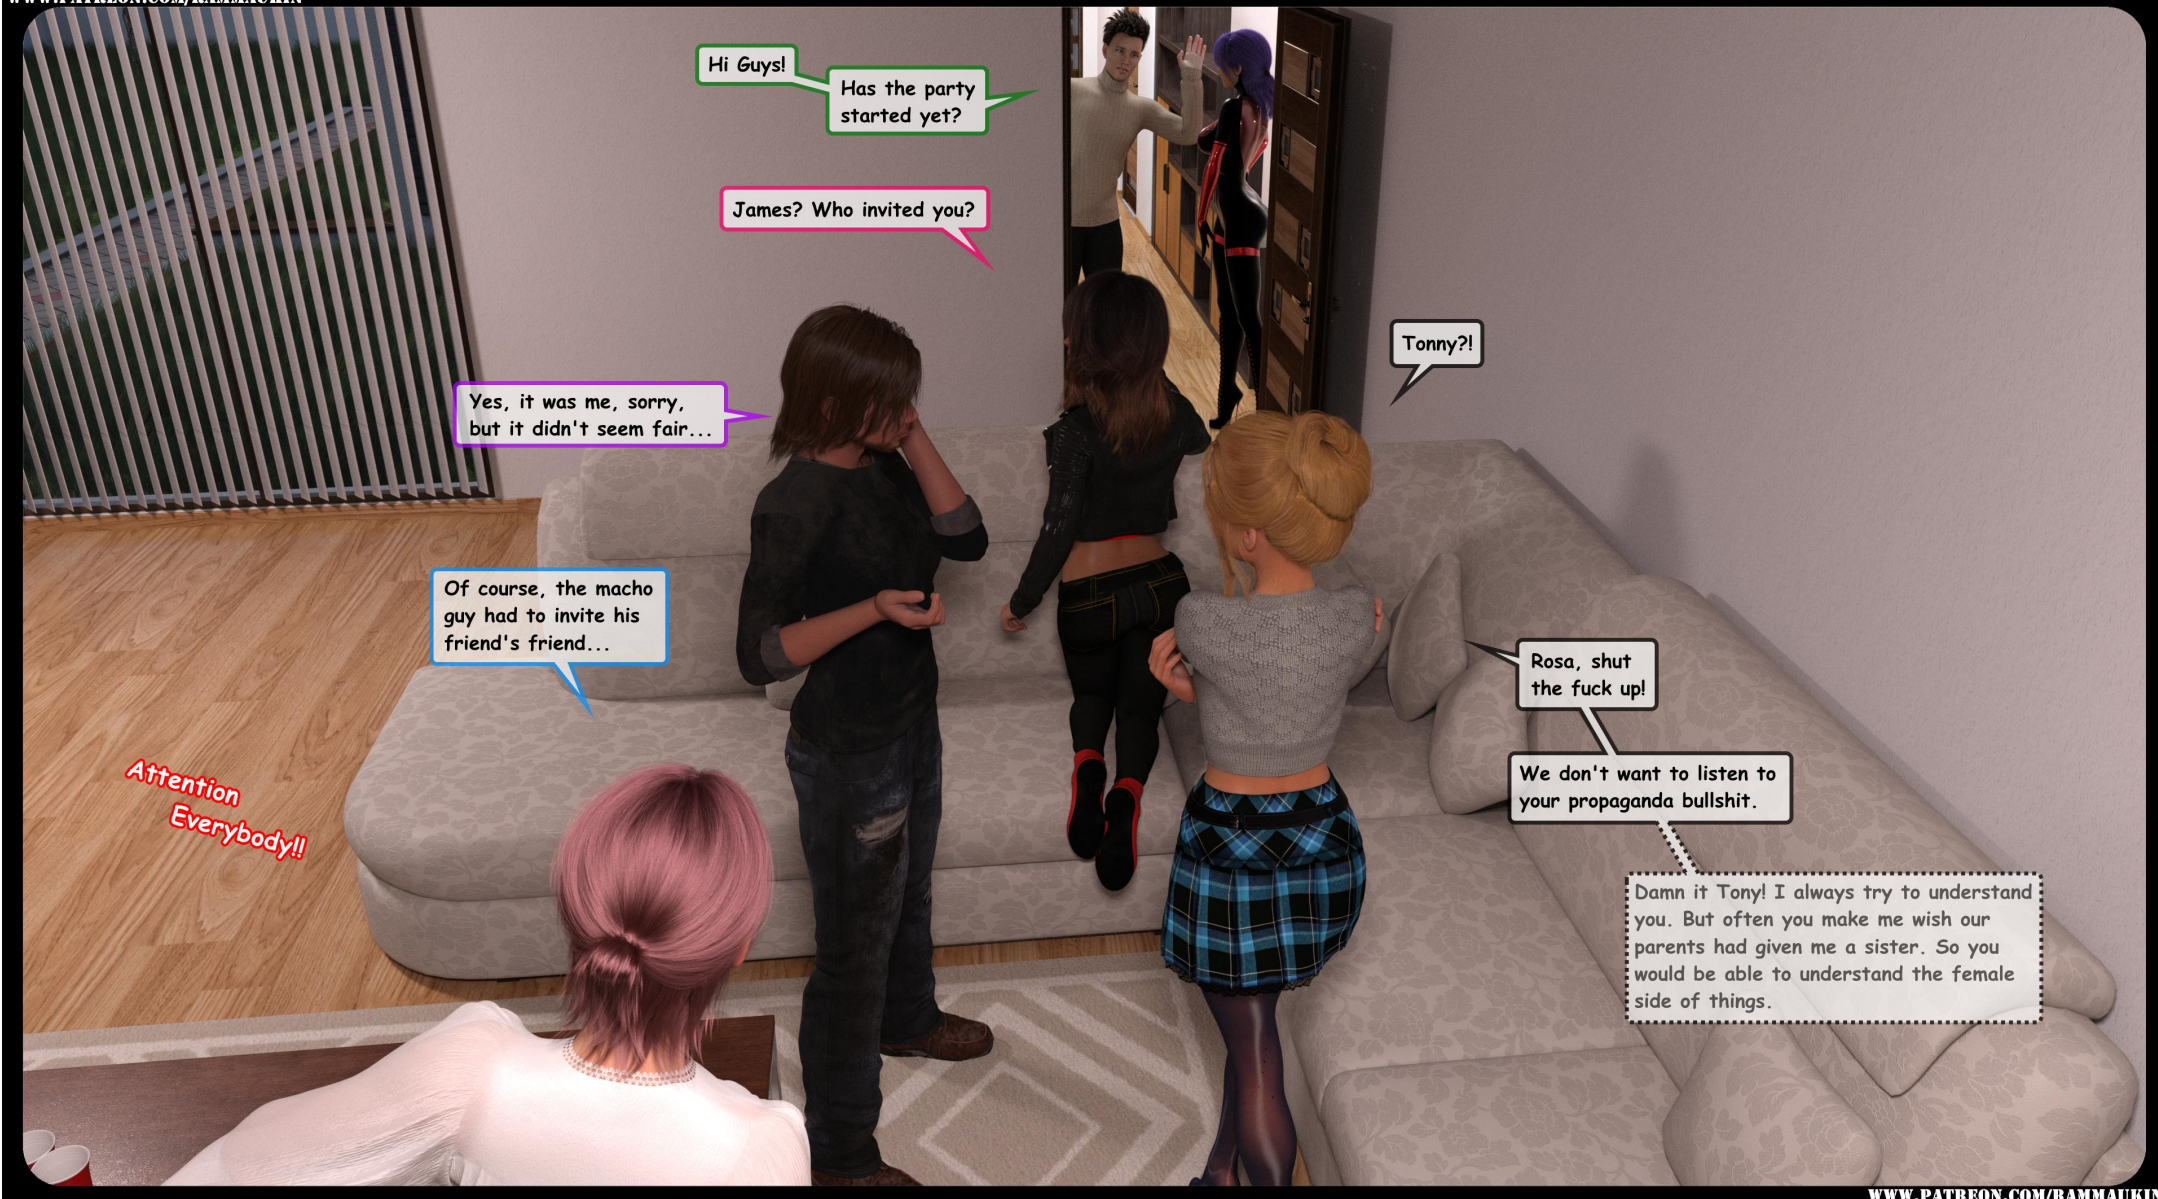

That's the authentic
Blood Widow costume?!

Fuck! Mia, you look so HOT!

How did you get your aunt to
let you borrow the costume?

O gods... the magic of the
costume has to be powerful.

Mia looks like the
hottest girl in town.

Isla has come up
with a great idea!

The mansion... of
the tombstones?!

YES! It's the perfect place
for our Halloween party!

It's secluded from the
whole town, and the police
won't bother us...

Not even for playing
the music very loud!

I thought that instead of
having the party here...

We could go to my
grandmother's mansion!

James... there is no costume for you,
and if you want to come to the party...

You'll need one, but a
magical one, like ours.

HA! I've got one!

SHORTLY AFTERWARDS, AT THE OUTSKIRTS OF THE VILLAGE

WOW!

This house... Impressive...

More like creepy...

Fuck, it's a perfect place for Halloween.

What are we waiting for, let's get everything inside and get ready for the party!

I can smell it from here...

The musty smell of old,
damp rotting wood...

The stale air of being
abandoned for years...

This place is ideal...

I'm going to make my
own den right HERE!

AFTER AIRING THE HOUSE, IN THE GIRLS ROOM

I don't know how you can want to wear something created by the patriarchy.

Rosa look!

Don't you think it's amazing that such a small thing can fit a person?

What patriarchy Rose? That was designed by Lascivia, and I know for a fact that now almost all of them are women.

HEY! We had agreed on no ideologies tonight, just party!

AT THE SAME TIME IN THE BOYS ROOM

Gods... I can't believe
I'm going to wear this...

OK. I'm out of here,
see you downstairs.

Can you stop pretending Tonny!
We both know you paid Brian,
to use his "rigged" ball.

What, how do you know...?

Gods... Does that monster really belong to James or to the suit?

How do I know? How long have we been friends? Well, let's just say I know...

And now, could you stop having doubts and get dressed...

I'm looking forward to the party.

And I'll need you to uhem... you know...

Please, stop playing this Dram Queen, and enjoy being a woman, ok?

ok... ok... but...

What if the suit turns me into a Jessica I don't want to be?

Is that really what you're worried about?

I think it's the fear of letting out the girl hiding inside of you. Let her out, and BE her...

Look Tony, it's a temporary thing, enjoy tonight. Let her out, and be her.... and tomorrow...

If you have to regret anything you do, you can blame it on the skinsuit...

And if it helps you... the more I wear this goblin suit... the more I notice that I'm becoming less and less human, and more and more a true swamps goblin, even my mind becomes goblin, my impulses, my desires. And the best thing is, I find it harder and harder to take it off, and I am more and more anxious to feel its control over me and hope that one day... I will not be able to take it off... and be for the rest of my life a goblin...

Is that supposed to cheer me up or scare me?

SOME MINUTES LATER, DOWNSTAIRS AT THE PARTY

WOW!

Gods! I love
this song!

OH Yeah!!!

About everything, this place is
perfect and the girls... uff. Those
outfits are amazing...

Tonny... well... I think
he needs some time...

Are you saying that
because of the party
or because of the girls?

Speaking of amazing...
What about Tony?

What's taking him so long?

I'll say "Here's to the best Halloween party ever!"

By the way... do you know where Isla and Mia have gone?

Mmmh This feels so real!
So good, and it makes me feel so hot and horny...

... and I feel this latex suit like my own skin. Uh, I can smell the blood of Lisa and... Oh! What a delight!

And that reminds me...
"Here's to partying!"

Hi guys!

I think the magic of the suits is taking control over us... I don't feel the skinsuit anymore...

Sorry it took
me so long...

OH!

OMFGs!

That's Tonny?! Gods!

FUCK!

This skinsuit, apart from being very difficult to put on...

It's very influential...

It has made me discover sensations that have been blocked inside me...

Please, don't look at me like that and tell me that at least I've done a good job on the make-up...

And that I don't look like a Picasso...

MEANWHILE, IN THE BASEMENT

OH GODS!

OH GODS! THIS
IS CRAZY!!!

I can't believe
this is happening...

What? Why does she
squeeze me so hard...

What is this... that I feel
coming out of her mouth!!

MMMMMMPPPPhh!

Yuck! It's crawling
into my mouth!

It feels hairy
and tastes awful!

Oh gods... this suit is making
me betray my friends...

Fuck! I like the way it feels! I
know it's because of the suit...

But I want more, it makes me
feel so horny and so bad...

I want to feel
like this forever!

What is she doing to me?
It's in my throat!

I have trouble breathing! What's
going to happen to me?!

cough

cough

cough

Eeehhhhjjjj Helli Helli...
Pppfff Aaaahh

Hihihihii!

Don't fight it Isla...

This was what you wanted after
all, to be an obedient drone...

Now you can
be one forever...

Although, I admit it, watching you
fight makes it all the more exciting!

I wonder... will you be strong enough
and be able to resist my little girl?

I'm dying to know how long it will take
her to take control of your brain?

I'm sorry Isla, deep down, I'm
so sorry to do this to you...

But doing it to you
makes me feel so good!

Let me make things a little
bit more fucked up for you...

Fuck, you can't imagine how horny
it's making me to see you like this...

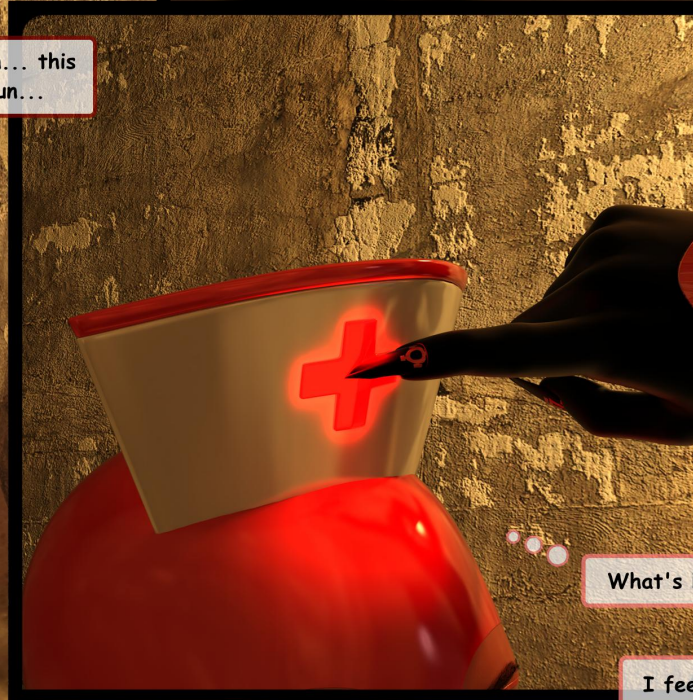

Miajjjj! Help me... pleassjjs...

And enjoying it is a better sensation than just
feeling this suit, which is like having sex...

So it's not only a little pleasure what
I feel, it's a never imagined delight.

Ssssh, calm down... this will be a lot of fun...

What's happening to me?!

I feel the suit vibrating...

And my body, so hot...

I... I... my mind... I...

Mmmmmmm!!

I... no... no... no...

I... I obey... Mia...
Obey Blood Widow...

Mistress...
Obey Mistress...

As much as I enjoy this...

I must do some little things
down here... it's more than
perfect for making my den...

Oh Isla! You don't know how
much I'm looking forward to
this place being more dangerous
than my aunt's basement...

And if you obey me well, I'll let
you be a drone and my slave forever.

BACK TO THE PARTY

Please guys, say something...

Fuck!

Tony...?!

Is it really you?!

Fuck, fuck, FUCK!!

Fuck, the hottest chick
at the party turns out
to be Tony...

YYYEEEEAAAA!!!

BROTHER!!

WOW! I love your costume!

Seriously...I don't look ridiculous!

Not at all!

I need a drink, and then more beer...

HOT chic... Jessica...
I mean... Tony is a hot CHIC...

The kind... the kind that I...

OH SHIT!!

What? Rose?! No wait!

Was that really Tony...?

Fuck... you're accessing
him just like me...

Come on! I want
everyone to see you!

You'll see how Rose will
choke on her words!

Come on SIS, I
fucking love it!

How strange, I feel
so excited that Tony
now is my sister...

What's wrong with me?

For some reason... it's
like I always wanted it
to be like this...

Yes she's my sister... she
always has been and she's
what I've always wanted...

Fuck... why does she
have to be so much
more perfect than me?!

My sister... that I can
now be jealous of... of her
charm... of her body...

GIRLS!!! Look, she's finally joining us!

Hi girls!

Is it just me... or when we were looking at Jessica...

We both couldn't stop drooling?

She's gorgeous...

WOW! Jessica, I love how the costume turned out for you!

DAMN HOT...

I love it! Can I borrow it later?

Totally and irresistibly gorgeous...

She must be mine...

Something's going on... I can't stop...

Shit, the magic of the suits...

But I feel something else...

I think... this house... has something that increases the effect of...

Brian, I think something's interfering with our suits...

No, I'm serious... the magic of our costumes...

It gets more...

Damn... I must get to fuck her...

Well good luck finding out...

For me, don't stop yourself... I won't judge you...

Isla, what about you honey...

James, you want me to hunt?

Then, stinky goblin,
you'll have to wait...

First I must give this
naughty Drone her due!

Hunt what?

Brian!

I'm telling you...

Deb, do the butt thing, so my
little sister can learn it!

Fuck, since when do
I find her so sexy
and irresistible?

OH YES!

Like this honey, see if you can
wiggle your little butt like mine!

Fuck it...

If the others don't care about my suspicions...
who am I to stop what happens...

Just thinking about
it... I might...

I could use some more magic to
strengthen the pheromones in this suit...

Maybe this way, I'll be
forever trapped in this form.

Hey Swampy, would
you buy me a drink?

MEANWHILE DOWNSTAIRS IN THE CELLAR

You know what, since you wanted to become a Drone so badly, I'm going to...

What is that?!

Mmmm

Gods... you girls all look so sexy... totally covered in latex...

Especially you!

Mmmmm

What the
hell... Mia?

This is your and
Isla's thing?

Mmmmmppp

Do you like it?

Isla has been a bad
and naughty girl...

Yeah, and well, I was wondering if you...

If you, my drone and I could do some bad things together?

No need to say anything, just come in and find out.

Naughty, uh? You mean?

Wow, I don't know what to say, I...

BACK UPSTAIRS AT THE PARTY

A cold beer for
the Lady...

You don't... you don't
want a beer?!

Then a wine?
A calimocho?

Thanks... but I wasn't
thinking of a beer...

Jessica... I didn't mean to...

I don't know what the suit is doing to me, but I like the way it makes me see you now.

I see you so different now... I know what those freaks see in you...

You don't want to break the magic... do you?

Gods... you shouldn't have let me see you naked...

Now all I can think about is the monster you have between your legs...

Shit... what's
happening to me...

And why are my pheromones
affecting Tony so much?

gulp

Wouldn't you like to
show it to me again...

And use it, and bury it
deep... inside... me?

AAAAah! At least the
big goblin... yes...

I can feel
him waking up.

Don't look at me like that, we both know it's because of you, that's what you wear this suit for...

Oh James... you make me feel so feminine, so sexy, so hot, so unrestrainedly horny...

Gods... James, if you don't take me upstairs, I'll drag you down right here...

Don't make me beg you Swampy, let's go already!!

Jes... yeah... ca... I...

Wow

But...
