Bon Clay Escapes

I've spent enough time here...
It's time to escape

This place still feels like hell even after a few years

I have a plan... But I need to be careful

Arhh... Why do I have to guard this inferno area

Crap it's a guard! If he notices I'm trying to escape... Then my entire plan is out the window

Wait!
That guard
is male...
I'm sure he will
give in to his own
desires...

If I give him a bit of a push towards that outcome!

Huh? What was that noise just now?

Hey if anyone is there show yourself!

This body should be perfect! No way that man can resist these curves

Woah!
She is super hot!
Did we always have a prisoner like her?

Hold on! What are you doing out of your cell prisoner!?

Ohh~ Hello there handsome... I was getting bored and wanted to walk around a bit

Say~
Why don't you help me cure my boredom handsome...
I promise it will be worth your time~

I erhm...
I...

Yeah!
Thats more
like it!
Take off
those sweaty
clothes

Just so
you know
you are
going
right back
to your
cell after

Ohh...
We will
see about that...
After we're
done you
might get
addicted
to my
body

Holy!
This is the
biggest ass
I've ever felt...
I'm going to
put it in

Don't
hold back
on me now
soldier

Wow you're soo tight... Is this your first time!

Ahhh... I can feel you inside of me

Mpmmh...
Ahhh...
Yes...
Harder!
Don't hold back

This is the best sex... I've ever had in my life

Yes... Punish me like the dirty criminal I am

Ahhh....
You're soo
fucking
hot

Ahh...
Mmmph...
Your cock
is throbbing
so hard
inside of
me

Ahh..
I'm
cumming...

Ahhh...
Fill me up....
Shoot all
of you hot
cum into
me

Ahhhh!

Huhh...
Ahhh...
That was intense...
But incredible

Phew...
Now it's
time for you
to go back
to your cell

We can do this again another time

If you weren't a criminal I would probably ask you to marry me

We should get dressed quick... Before anyone sees us like this

Now where did I put my uniform?

Hmm...
The chest is quite tight...
But it should be fine

Sorry buddy... I need to borrow these clothes for a while

What the! You can't just steal a guards uniform!

Take those clothes off right now you criminal!

Asking me to undress again so quick... Was one round of sex not enough for you

Sorry...
But I need you to stay quiet...
While I make my escape

ARGHHH!

Could probably have done this to start with... But where is the fun in that

Step 1 has been completed... Find a disguise to blend in with

Also to make sure they have no idea that I'm Bon Clay... I should probably stay transformed

I will need to change my disguise again at some point.. To someone in a higher position

Huh...
I don't
recall
a female
guard being
stationed
here

Ohh...
It's domino

I don't recall ever seeing a guard like you stationed here before

I'm a new guard... I was stationed here as a guard as of today ma'am

If we really got a new guard today... I should have known about it

I guess there is no point in trying to fool you... Plan B it is

I want to see if I can change more than just someones appearance

Get your hand off my face right now!

Ohh
don't worry
it won't be
your face
much longer

What the hell are you talking about?

Huh?
Wait...
This doesn't feel like my face!

Wait... My voice is also different from my normal voice

This is not my body! Why do I look and sound like that guard!?

Hope you like the body of Nami from the Straw Hats

I for one will enjoy using your body to help myself escape from this place

But before that... I need to make sure that you are taken care off

That
was too close...
Who is this?
They must
be a devil
fruit user

Come on no need to dodge... This is the whip you love using so much

I knew you couldn't dodge forever...

Let me go... And give me my body back to me right this instant

This is perfect! Now I can hand you over to the guards

GUARDS!
GET IN HERE
RIGHT NOW!

You called Ma'am!

Took you long enough! I need you to throw this prisoner into an empty cell

Yes Ma'am we will handle it

Don't listen to her she is an imposter!

GET YOUR HANDS OFF ME! I'M THE REAL DOMINO!

With this body's authority I should be able to easily escape from this hell hole

The communications room should be nearby

I should be able to throw my new power around and get myself off this prison

I need to speak with the warden... Where is he?

It's great to see you again Ma'am... The warden is still on the toilet!

How typical!
Listen up...
I need you
to prepare me
a ship!

I have
some very
urgent
business
I need
to handle

I expect the ship to be ready in the next 20 minutes

Yes Ma'am we will make sure it's ready
