And that's pretty much it. So, what happens now?

Mr. Jackson, like I said when this started, you aren't in trouble.

Yes, you did have sex in a public place, with five different women. That said, the sexual activity took place at said public place after hours, with no witnesses until the arrival of the two police officers. While we'd rather you'd have stayed home to engage in these activities, we have no reason to hold you and no reason to prosecute.

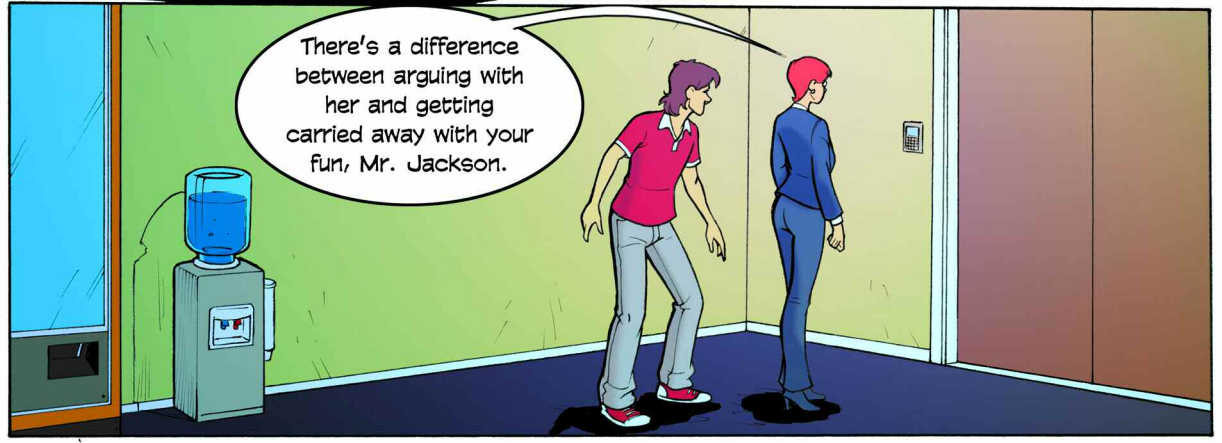

That's not for me to answer, sir. Kindly go with them for now.

Then who...?

That's a relief. But what about Jane and the others? I mean, are they okay?

Okay, so what's going on? I mean, was this supposed to happen?

The growing? Yep

But how...?

It's complicated, you don't need to worry about the details like that. All you need to know is that your girlfriend and her friends are going to be back to normal within a few days at most. Karen, for example, is now at her new normal; you can expect the others to end up at similar heights.

All you need to know is that the drug's effects on you will wear off in twenty-four hours or so. If you don't want to make a girl bigger every time you have sex with her, then don't take the pills. We'll happily take them back anyway.

Yeah, I'm gonna have to think about that.

But why make something like this?

There was a market for it. Small, but the clients are high-paying, so it evens out.

How else do you think we can afford to hand out checks for two-thousand dollars?

Well, it was fun while it lasted. I just wish I'd gotten a little bigger, y'know?

If it helps, once we're all back to normal, you'll be one of the tall ones.

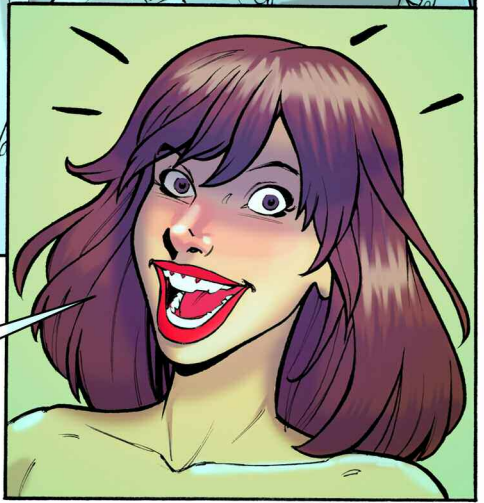

I just hope I don't go back to being my flabby old self. I like my pounds where they are now, not where they were before.

Actually, odds are that whatever excess fat you had was burned up as part of the growth. Assuming you take care of yourself, you should be fine.

Really? That's a relief.

Bikini season, here I come.

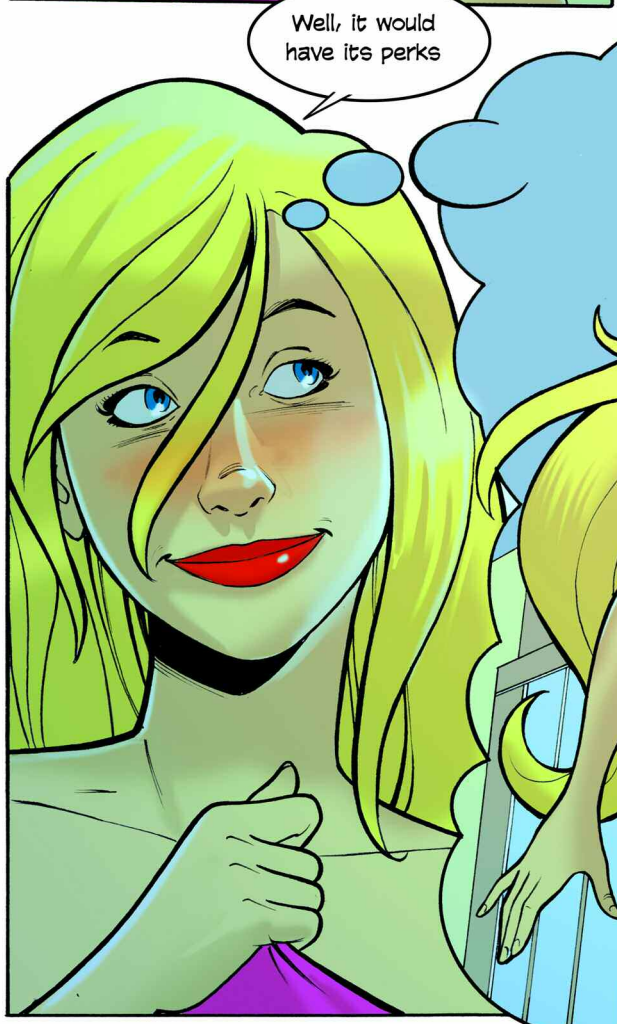

Well, you might be happy about us going back to normal, but I'm not.

Wishing you could stay this big, Jane?

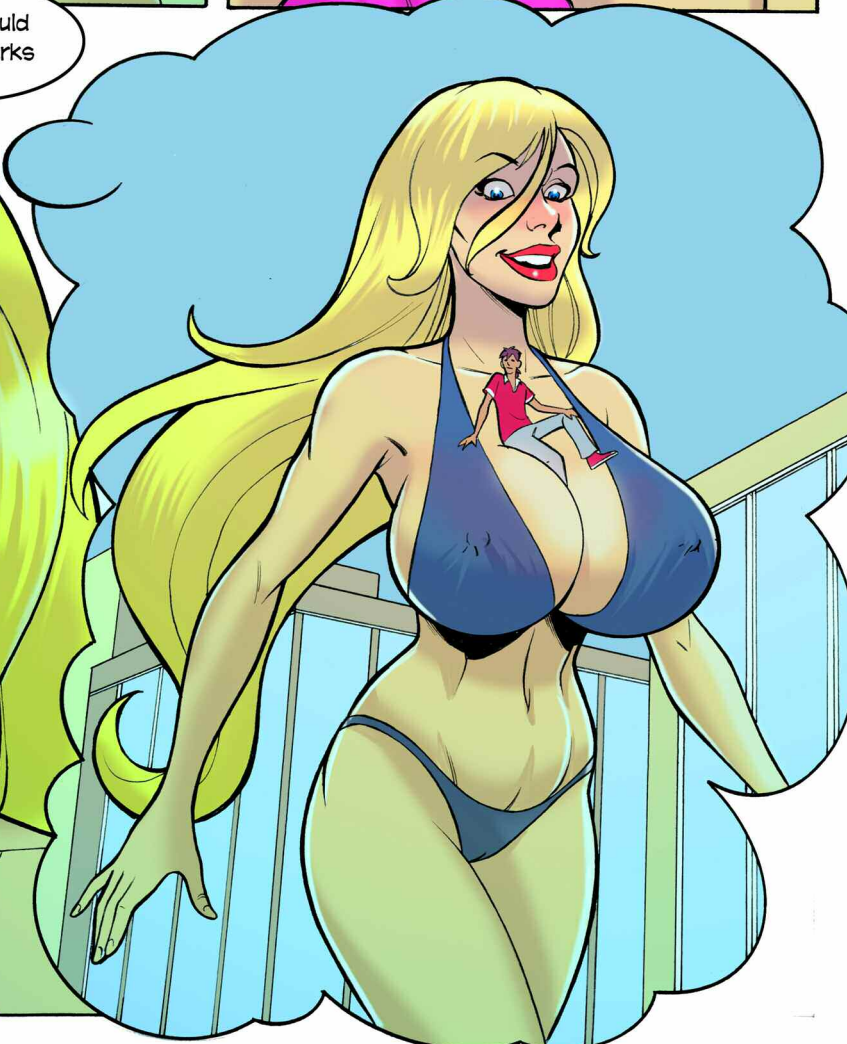

Yeah, what of it?

Nothing! I'd just think being big as this would be a problem is all.

Well, it would have its perks

No kidding. Being tall is more fun that you'd think. I just wish we'd all gotten more fun with Neil before all of this ended.

Aw. I'm gonna miss being the tallest of us.

Seven feet even. You're still on the decline

Look at the bright side. You and I had about the same amount of boost, so maybe we'll come out even.

That's a pleasant thought, yeah. Still, I liked being the tall one.

Hey all!

Neil! Please tell me we're up for Round Three soon!

Round Three or Round Two, whichever

Yeah, no more rounds. They've been kinda clear about this.

Aww.

Look, I'm sorry about that, and about all this.

Maybe we will girls, but remember, I get first crack.

He's all yours.

You've got nothing to apologize for. The boosts we got were worth the needles and exams.

Yeah. I just wish we could do it all again.

"Later That Day

I'm gonna miss being that tall. It was fun. Would've been nice to be bigger, though.

I know I wouldn't have complained.

Eh, better to have had and lost than never to have had at all.

Jane, don't exhaust him, huh? He's not gonna have the little pills boosting him anymore.

Oh, don't worry, we know how to pace ourselves.

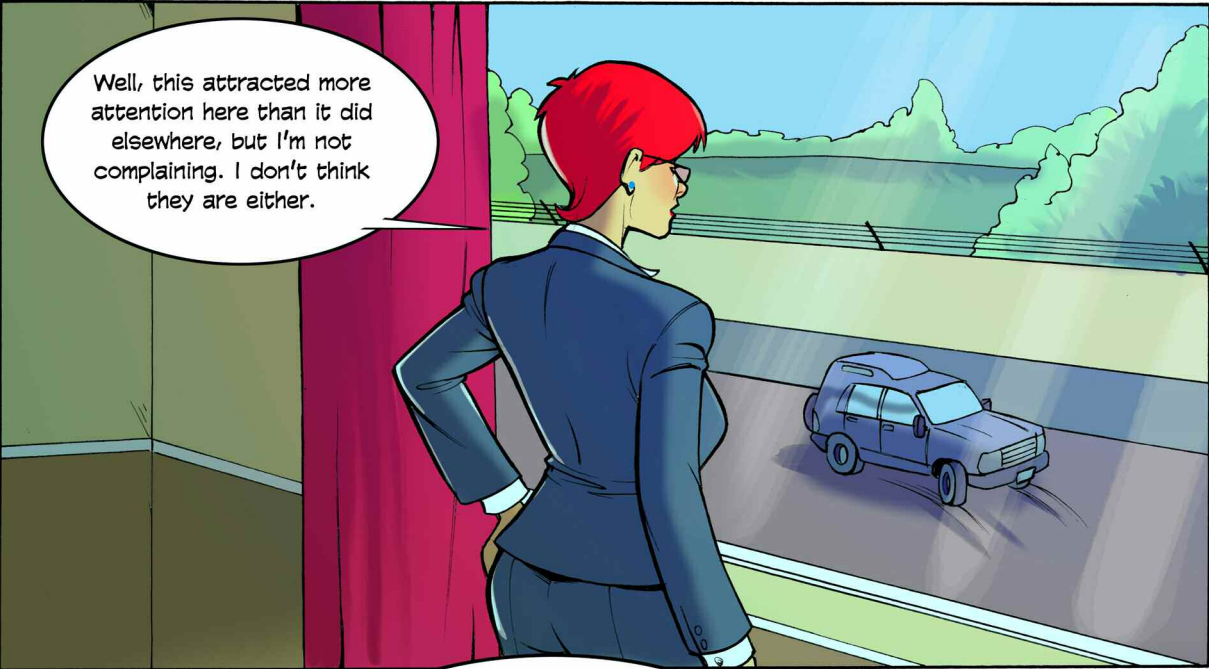

Besides, now we don't need to worry about finding clothes.

They even got our cars out here. That's convenient.

Yeah, but you know what'll be more convenient? Getting home.

After all this, you want to keep the fun going?

What can I say? You know how to show a lady a good time.

Well, this attracted more attention here than it did elsewhere, but I'm not complaining. I don't think they are either.

So a guy plays slut and makes some girls grow huge, and he gets two thousand dollars and a hotter girlfriend for his trouble.

He's certainly not objecting.

Yes, but it makes life seem far more unfair than normal.

Oh, don't worry about it. This is just the first step. Soon enough, we'll make the effects permanent, and then, we'll see about how to make men bigger. After all, what's the fun in things not being equal opportunity?
