Any resemblance to actual people and events is purely coincidental.
This is a work of fiction.

Published in the United States of America

Of course, I didn't know what was coming at the time. I went to work, she had a day off, it was business as usual. Y'know, considering.

Wow. You look good.

Oh, you're just saying that.

Now come on. You're taking your medicine, we're having dinner, and then, we're having ourselves a special treat out tonight.

Oh, you'll find out.

Out? What do you mean, out?

Jane being in a rush to go off to the community center should've been my first warning. Granted, we both enjoy a good swim every once in a while, but we tended to save it for the weekends rather than do it on a Friday night. Still, I wasn't about to question things. If she wanted to do it then, fine, no complaints from me.

What I saw when I arrived, however, should've been my second warning.

Why are they here?

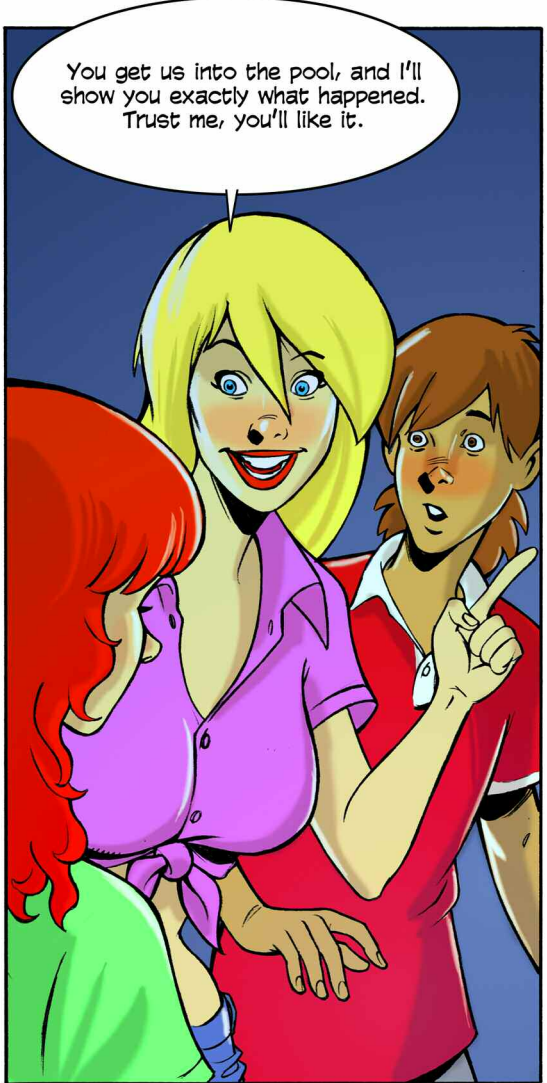

Why not? Hi girls!

Hey girl! What kept you?

More to the point, what happened to you?

You get us into the pool, and I'll show you exactly what happened. Trust me, you'll like it.

And that's how the other women got involved.

Pretty much.

And you didn't say no, knowing what had happened before?

Could you blame me?

...Let's just keep going, shall we

I still don't believe it. He took some pills, you two had sex, and you grew? Sounds like something out of a bad porno.

Oh, you'll believe it in a minute.

You're gonna do it in the pool?

The chlorine'll clean it up. Come on, Neil, let's show them what kind of fun they've missed out on

No problems with an audience, I hope?

A little late to have them, isn't it?

She's got to be kidding. No way is this gonna work.

Well how else do you explain her suddenly being taller and everything?

Here we go. Give me some sugar, baby.

Oh holy crap.

I don't know, but no way is it...

Well, do you believe me now? Come on in, girls, the water's fine and the sex is even better!

Jane, not that I'm complaining, but you got even bigger that time.

Yeah. Awesome, isn't it?

Well Rose, you want to give it a spin?

Hell yeah! I just hope it doesn't only work with you!

Only one way to find out, right?

Just don't go at it too hard, alright?

Don't worry, Neil's plenty gentle.

And definitely worth it, even without the extras.

How soon until it...?

Trust me, you'll notice. Who's next?

Not yet, I want to...oooh...

Whoa! I'm definitely going again!

Oh come on! We know it works now, and you've had your turn!

Girls, relax, we've got plenty to go around.

You think she's right?

Only one way to find out.

Oh, this is definitely as good as advertised.

Glad you're having fun. Now what about us?

Have fun. I'm good for now.

So, how do I look?

You've got me jealous. After everyone else has a shot at him, I think I'll need to go a couple more rounds just to catch up.

Catch up? You already had the head start, Jane.

Fair enough. Still, he's my boyfriend, and you won't have trouble getting a guy's attention looking like that.

True, but they won't be as much fun, now will they?

Then again, maybe I just need to give them a couple of those little blue pills you were talking about. Lighting might strike twice, y'know?

If it was, I'd think we'd have heard of it by now. Let's just have our fun, huh?

Speaking of, how you holding up there?

Never better! I can keep this up all night!

Woo! Hello cleavage!

Wow! This is incredible!

I told you, didn't I?

Yeah, you did! Oh, we need to get another spin with this.

Hoping you two can catch up?

Hey, you got two turns with him, and Jane's had what, seven since yesterday? It's only fair that we all get an equal share, right?

Oh, that's a good point.

Of course, if we all made a mad dash over, it'd just be cruel. Not to mention dangerous. So we need a democratic way of settling who goes first.

What about Rock-Paper-Scissors?

Sounds fair to you, right?

Sure, that's fine.

I guess that could work.

No complaints from me.

I know it sounds silly, but...

I can deal with it. Continue.

Anyway, we kept it up. Amusingly enough, Rock-Paper-Scissors proved really effective. If more than one tie cropped up, we just did eliminations.

I didn't tire, which was the amazing thing, and neither did the girls. Definitely not complaining about that, by the way. Anyway, we kept it up for another thirty minutes...

...until finally, we took stock of everything we'd done.

Wow. Look at all of you.

You all look great!

Damn right! And I've never felt better either!

All thanks to you, Neil.

I still think the two of you cheated somehow.

Hey, no one can predict the outcome for Rock-Paper-Scissors, especially at this scale.

You're lactating? Holy crap!

Besides, there's nothing stopping you from getting a little bigger...oooh...

You know, I wonder...

Ooh...oh, that feels good!

Why did you do that?

Got curious. Can you blame me?

Not bad, actually. Kinda tasteless, but...oooh...

To be continued...
