Any resemblance to actual people and events is purely coincidental.  
This is a work of fiction.

Published in the United States of America

Anyway, that kept up for a while. While Rachel and Karen kept on growing through the indirect method...

Rose took the direct approach, with Jane just sitting back and watching it all.

Springfield West Community Center

Of course, no one knew what we were up to, but obviously someone noticed something was up.

Obviously. Go on.

Please tell me that was as good for you as it was for us.

Oh, definitely. But I think my well's run dry for now, so to speak.

Looks like Neil's well's still got some water in it. Think he'll be up for more?

Let's wait until he's finished.

Oh, this is fantastic! I've never felt better! Hell, I've never looked better!

I'll say! Up for another round?

Thanks, but no thanks. A girl's gotta know her limits, and this is mine.

Aww. And you could go so much further.

Well, she might be done for the night, but I think the rest of us can go a few more rounds.

What do you say, Neil? Ready to keep going?

How can I refuse?

So who goes first?

Hold on. I'd like to try something out.

Whoa! What...?

Don't panic, I'm just curious about something. If Anna's producing milk, then maybe I am too.

And what would happen if I had sex while you two sucked me?

Ooh, that's a good question.

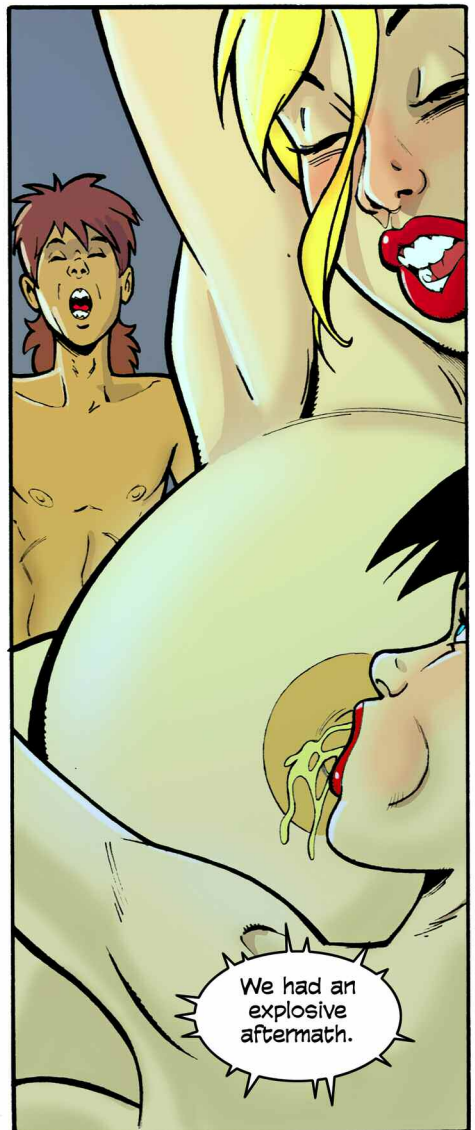

Come on, Neil! Let's figure this out for science!

For science then!

We went slow, but I'll tell you right now...

We had an explosive aftermath.

Sorry about that. You two okay?

Give us a second!

Guess that wasn't one of my better ideas...oooh, I know that feeling!

Here she grows again!

Well, how do I look?

In a word? Breathtaking

Oh, this is great!  
Look at me, I'm  
Daryl Hannah!

But with  
better  
boobs!

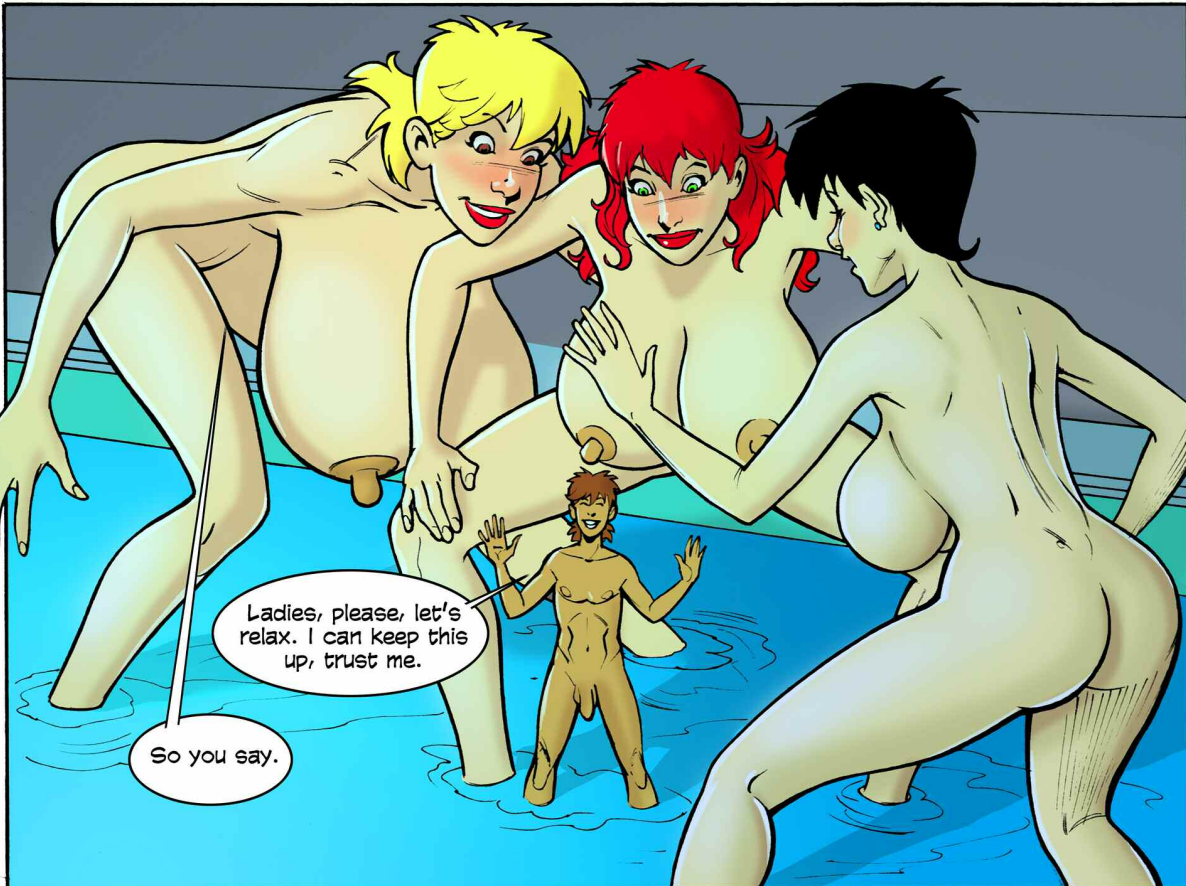

Oh, please tell me you've still got more in you. No way that's gonna stay at the top.

Don't pressure him, Anna, or he'll never keep it up.

Oh, say it ain't so! Just because Rose is done with the fun doesn't mean the rest of us have to skip out!

Yeah! We've caught up a little, but come on, a little more of a boost would be welcome.

Ladies, please, let's relax. I can keep this up, trust me.

So you say.

So I can attest. Some nights, I get exhausted before he does.

Really? So this is a rare gift. Gotta love it.

Well, can't complain about getting the bang for our buck.

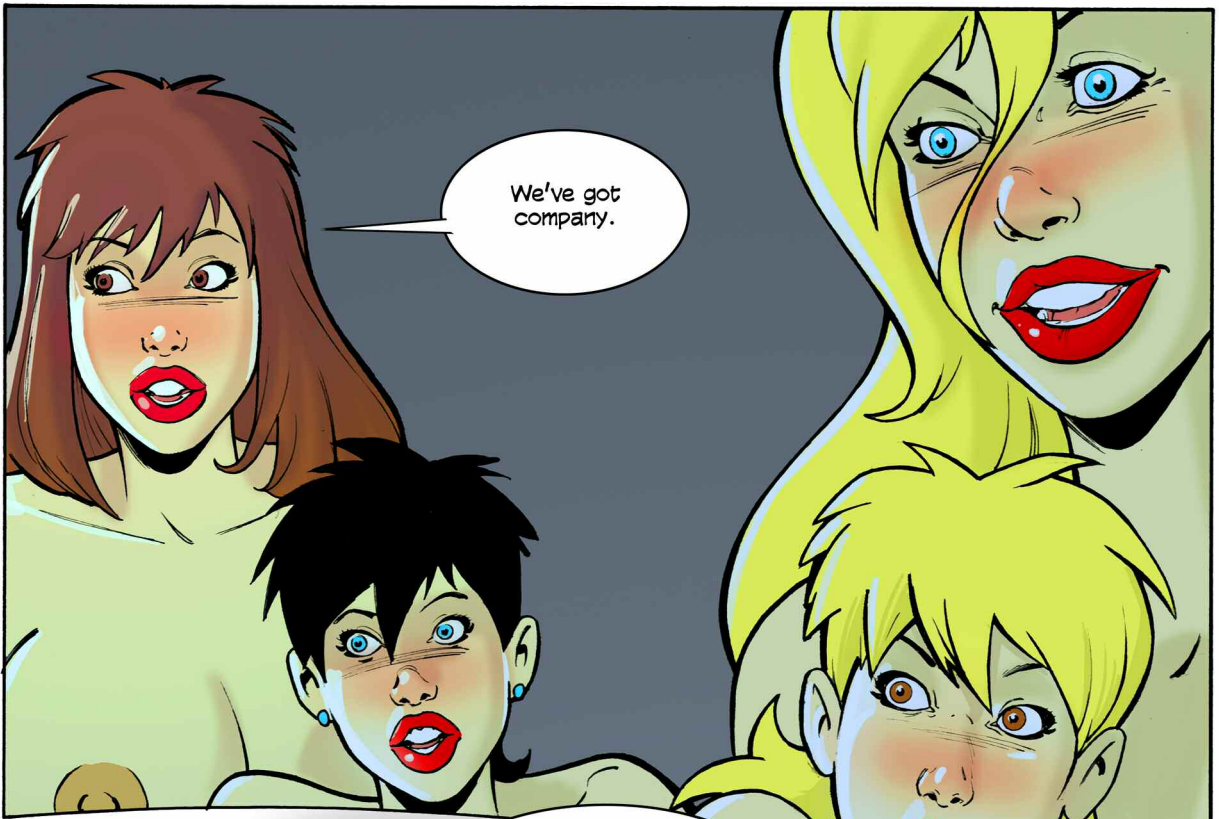

Well, I don't like to brag.

So big guy, ready to see if I can get any bigger?

Well, let's just...

Um, guys?

We've got company.

Um, evening, officers. This doesn't count as public indecency, right?

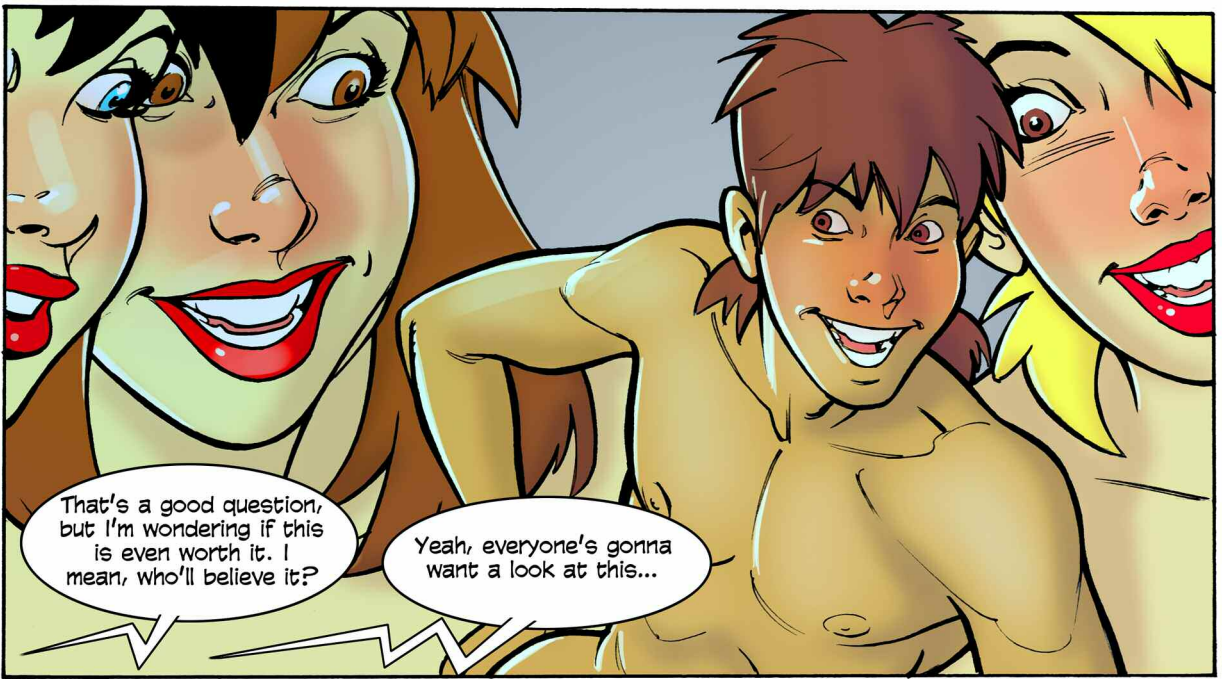

Well, the pool is closed and you're the only ones here.

You're worried about a public indecency charge? Those women are huge! That one girl must be twelve feet tall!

Yeah, that does make arresting them a problem. I don't think we make handcuffs that big.

How the hell did they get that huge in the first place?!

That's a good question, but I'm wondering if this is even worth it. I mean, who'll believe it?

Yeah, everyone's gonna want a look at this...
