On another dimension,
a battle takes place...

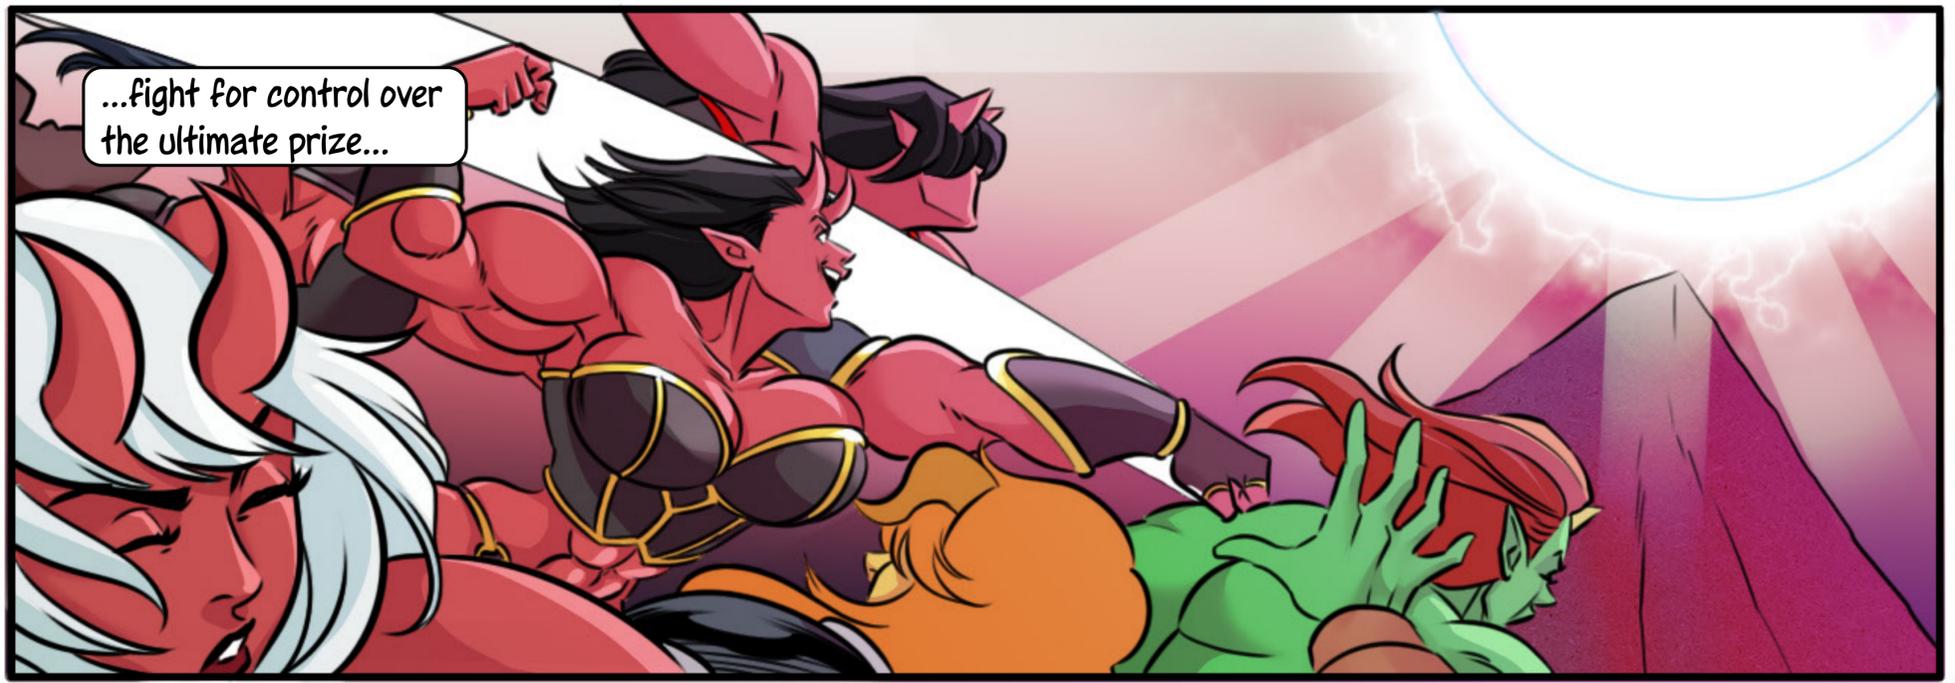

...demons...

...and angels...

...fight for control over the ultimate prize...

...a new, pure and powerful...

...human soul!

Arianna and Calynn, go to your new assignment; Milannia!

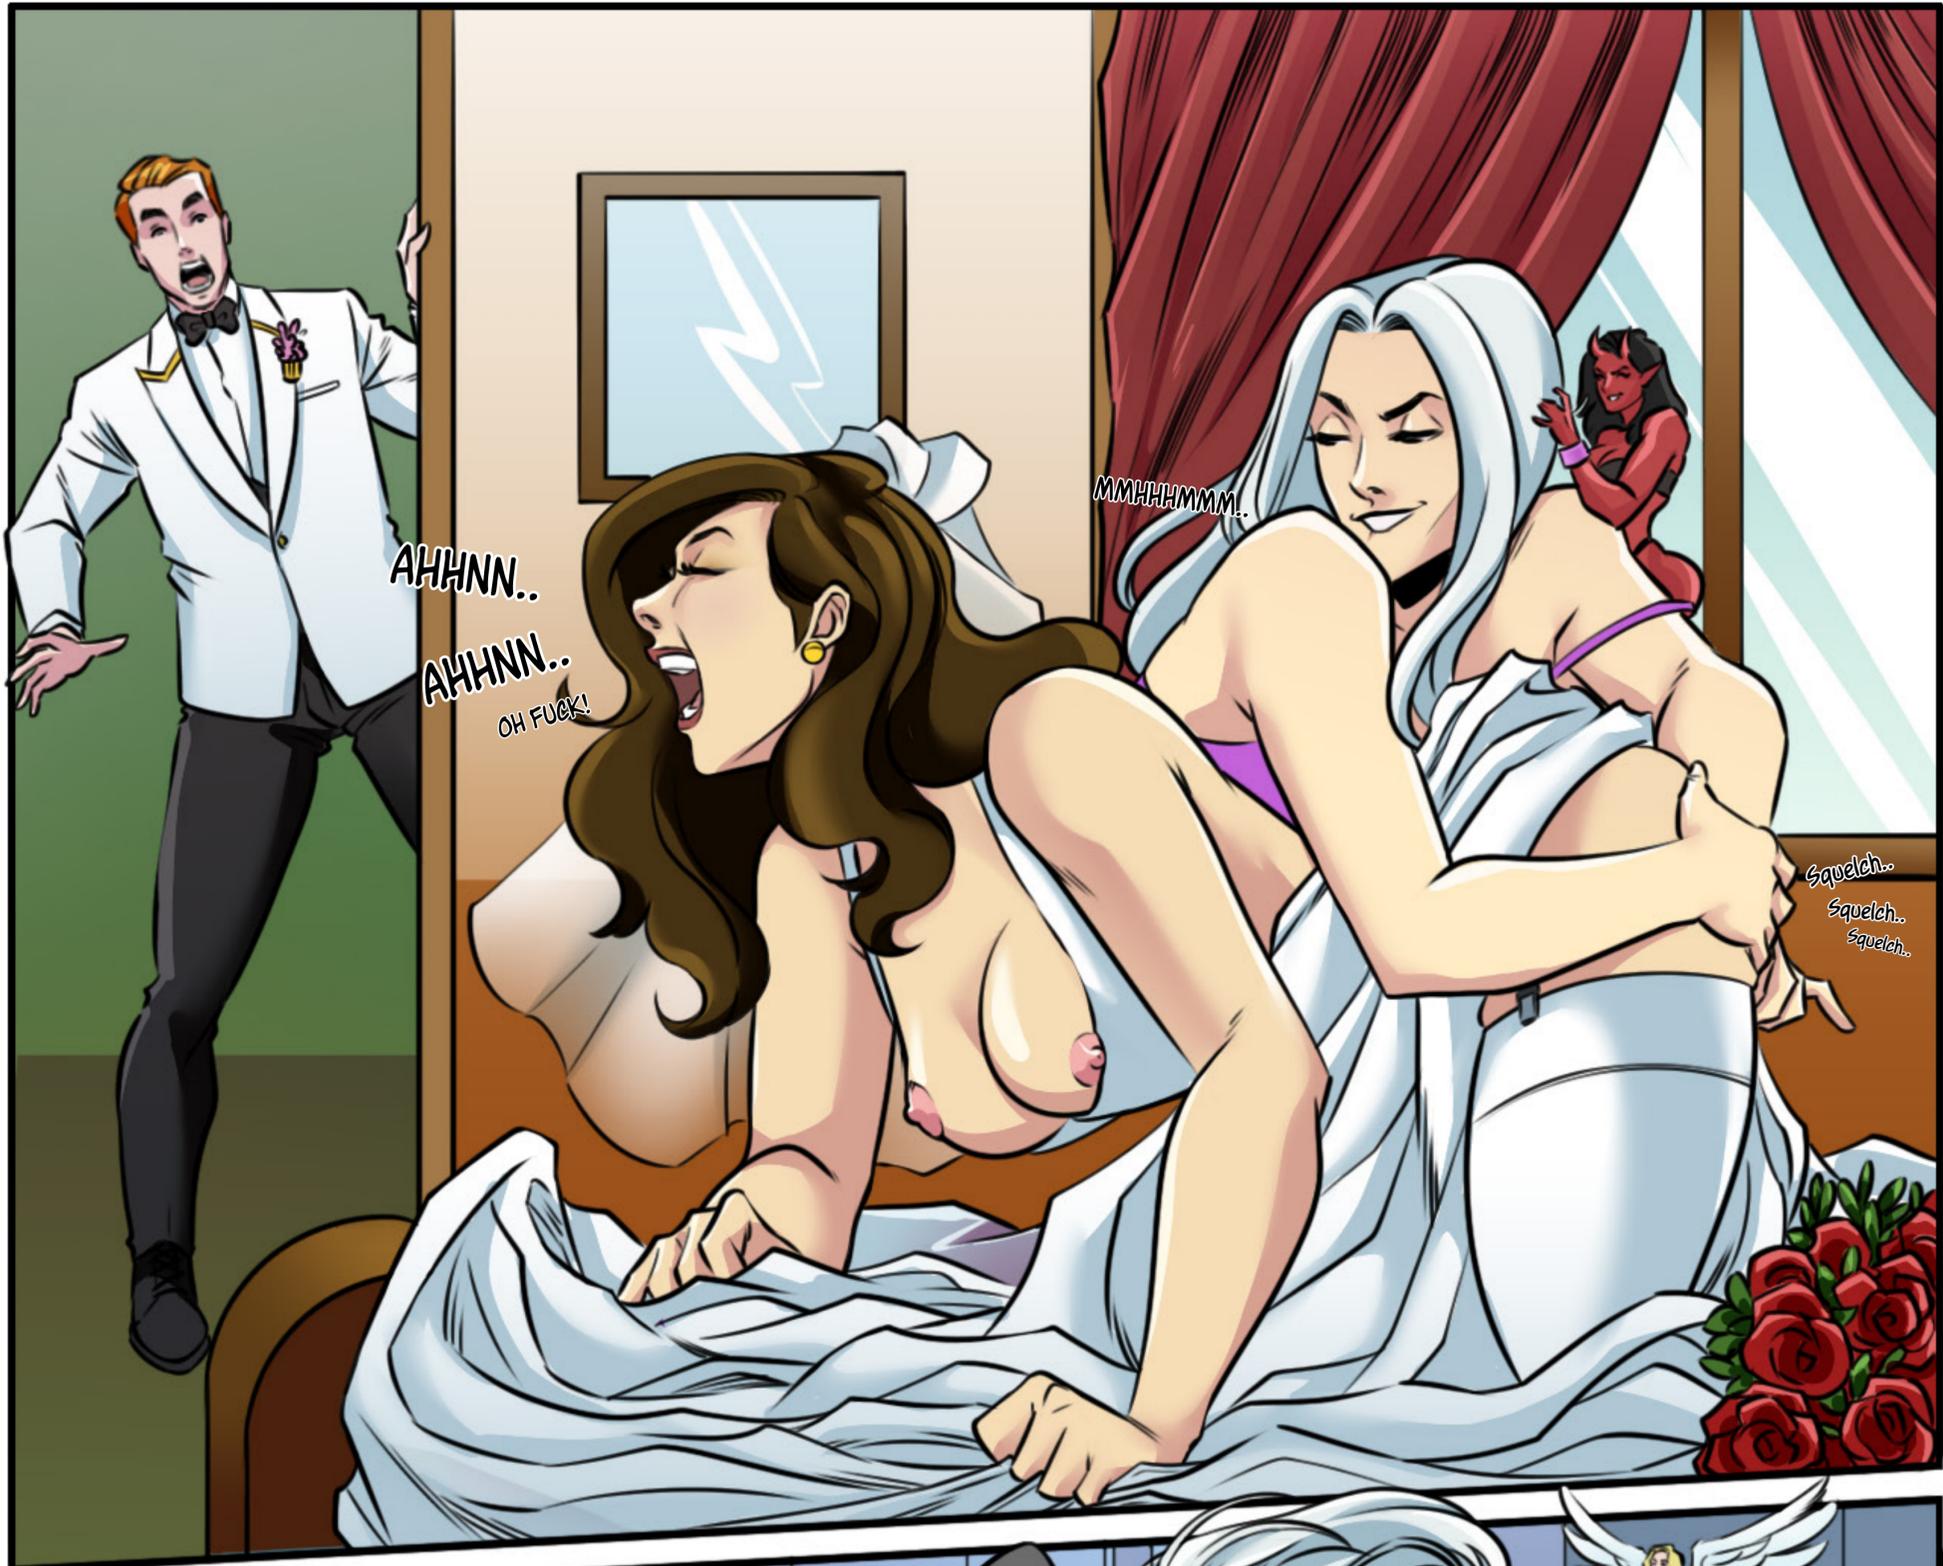

22 years later...

Oh no, please don't..no!

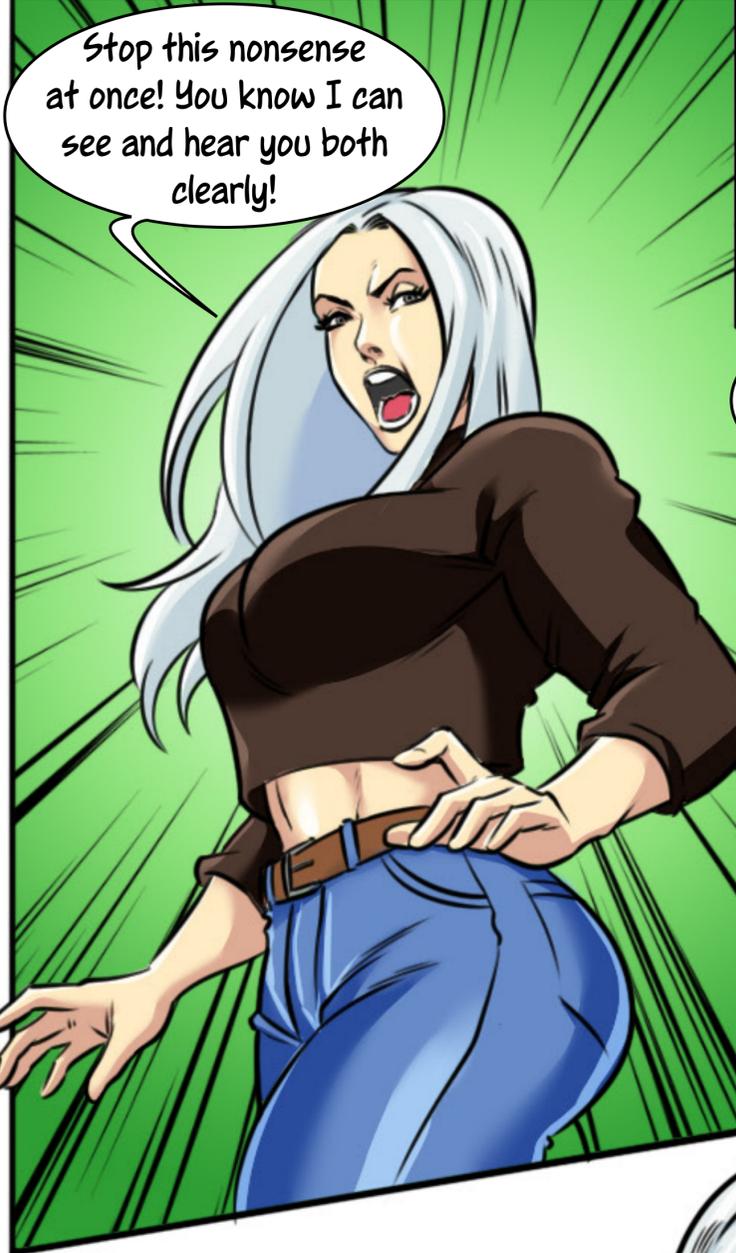

Oh, it looks like there's a wedding...
Hmm...

Go for it!
Just do it!

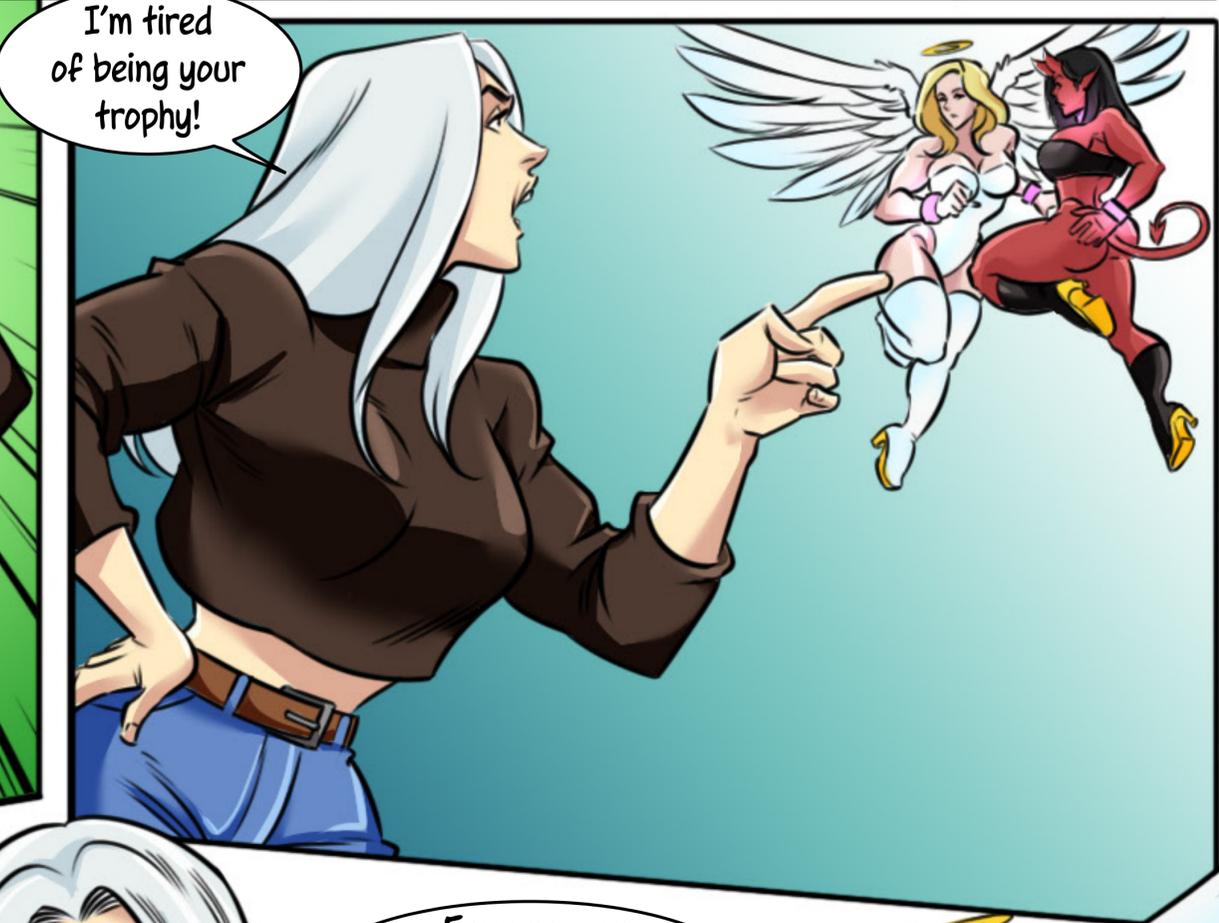

Despite Milannia talking to them since she was a child, it was the first time she defied the sacred rules!

Stop this nonsense at once! You know I can see and hear you both clearly!

I'm tired of being your trophy!

From now on you help ME, and you'll both be rewarded for it.
