Breaking His Back Door Cherry For Breaking Her Friend's Heart!

Vivvy rubbed Carin's back as her best friend cried over how her boyfriend cheated on her. Vivvy's thoughts rushed to how Carin could seek revenge on the man.

"Tell me what happened," Vivvy asked.

Carin blew her nose into a tissue. "Okay, so you know I said he'd been coming in late to our dates. Well, the past two times he didn't show at all until the next morning."

"Seriously? And did you try calling or texting?" Vivvy asked.

"Both. He texted that he was helping a friend with car troubles. He showed up the next day and said they had to wait two hours for a tow truck. He didn't want to bother me because of how late it was." Carin looked down, her eyes brimmed with tears.

"And did you confer with this friend?"

"Wally's friend Alan always agrees with whatever Wally tells him. I knew better," Carin said.

"Okay, so that was a good excuse. How do you know he's actually cheating?" Vivvy narrowed her eyes at her friend.

"Well, that's the thing. The second night we were supposed to go to the club and dance. He didn't show up. He didn't answer my texts. He didn't pick up the phone when I called. I went out driving to look for him, you know in case he'd had an accident or something," Carin said. Vivvy nodded for her to continue. "That's when I saw his vehicle in the parking lot. I went to the club looking for him. I showed his photo to the server taking the cover fees. She said he'd been there and then he left with some short-haired blond chick. I investigated and sure enough, that was his vehicle. I hid my car where he couldn't see it and waited. I waited three hours and kept texting and calling. Finally, he showed up. Some blonde chick dropped him off. He kissed her before getting out of the vehicle and got into his. I watched him pull out his phone. Probably for the first time and saw all my texts and missed calls. He sent me a text with an apology. Seems his friend's father was in the hospital out of town and needed a ride. It was an emergency and he needed to drive him there fast. It was touch and go and he had to offer his moral support to his friend. He texted me saying it was late and he was sorry it took so long for him to text me back."

"Well, this is unacceptable. He lied to you. Did you confront him about it?"

"No, I didn't need to. He cheated, that was obvious. It's over," Carin cried.

"Have you broken up with him yet?" Vivvy asked.

"Not yet." Carin ground her eyes with her fingers. "I'm trying to think how I want to do this."

Vivvy smiled. Her friend wasn't going to lie down and take it. She had something in mind. "And you're thinking about doing it in a way that will make him think twice about cheating on you or anybody ever again?"

Carin blew out a breath. "Yes, he doesn't deserve an easy out. I want to get revenge on him. I want him humiliated and thinking twice about doing something like this. I want him to know how it feels," she said.

"Like, perhaps having him walk in on you with some other man?" Vivvy liked the idea.

"Eh, no. See he thinks we're still together. I'd like to do something that would shock him. And then when it's over, tell him goodbye. I want revenge," Carin said.

"Okay, so scratch you being with another man and him walking in on you," Vivvy said. She frowned

"Why do you act so disappointed that I'm not doing that?" Carin asked as she laughed.

"I don't know. I'd love to walk in on you and snap pics and show him. I want to see the look on his face," Vivvy said.

"That's disgusting. I don't want you watching me do something with another man," Carin said.

"But you'd be okay with me watching you with Wally?" Vivvy asked as she laughed.

Carin's face stretched into a smile. Vivvy furrowed her brow as she watched her friend come up with an idea. "Well, you know, maybe that wouldn't be a bad idea," she said.

Vivvy's eyes widened in surprise. "What? How is that getting revenge?"

"No, listen. I have a plan. Yes, this would work, I know it would. If you're willing," Carin said as she grabbed her friend's arm and gently shook her.

"What?" Vivvy laughed. She loved it when plans came together.

"This is perfect, actually. Yes. I could have Wally over, you know pretend everything is good. I can let him think we're going to play. Okay, so it gets him going to chain me up and do things to me," Carin said and blushed fiercely.

It really didn't come as a shock to hear Carin enjoyed chains and being tied up. She'd spoken about it before. But her idea intrigued Vivvy, especially the part with how she could be involved in it. "Okay, what is it? I'm game," Vivvy said. She hoped it wasn't something too far-fetched, but she loved it when her friend felt better even if it involved risqué behavior.

"I'm glad to hear that. I'll have Wally over, act like I know nothing. He likes for me to go first if you know what I mean. So, uh, you can wait outside the door while that's happening. I mean it's okay if you see me naked, I really don't care for you to watch me get off," Carin said and blushed.

"Hey, it's all good. May as well get one good last big O from the man before booting him out of your life. I'm no judge," Vivvy said.

"Okay, good. Well, after I go, then we do him. So, he chains me up and gets me off. He willingly allows me to chain him. That's when you can come in. That's when you can get him," Carin said.

"Okay. So, you want me to do him? Like, see if he'll let that happen?" Vivvy asked.

"Stick with me here. I have a vibrator. We play with it some, but there are times when I tease him about pegging. I've never actually done it. But there was a time when I jokingly said I'd peg his ass if I ever caught him cheating."

"But did you get proof of the catch?" Vivvy asked.

"Yes," Carin said and she showed Vivvy the photos she took with her phone when the blond-headed chick dropped off Wally, including their kiss.

"Okay, good! Wow, okay, I'm listening," Vivvy said wanting to hear more.

"I'll do something to him while he's chained. He can't move. In fact, he'll have on a blindfold. What I'd like for you to do is come in while I'm giving him head. I'll start it, get him worked up really good. Trust me, he has a tough time stopping once he's good and horny. So, I'll be in the middle of sucking him off and you show up. Peg his ass while I'm blowing him. I'll tell him to take it or I won't finish the job. Trust me, he'll be willing to finish. Then after he comes, and you've pegged his ass, we'll remove the blindfold. He'll be humiliated because he'll see you pegged him. And that's when I'll show him the photos and kick his ass out of my life," Carin said.

"That's brilliant. Work his ass up and I'll peg him good. But I don't know about doing this against his will. I mean I know he cheated. Still, it's almost like, you know the R word," Vivvy said.

"Oh no. We're not raping the man. This wouldn't be rape. We'll do nothing against his will. This will be him begging for it. Trust me, he'll be so turned on if I don't finish him he'll have blue balls. He'll let me cut off his fingers to come. Which I'm sure that's what got him into trouble in the first place. He just couldn't resist little Ms. Blondie. He likes anal sex and I guarantee you, she let him have her ass. So, he's getting it in return," Carin said.

"Okay, as long as we're not hurting the man. But I like the plan. He'll be humiliated and begging for it all at the same time," Vivvy said.

"Yes, and to make doubly sure, I'll have a hidden camera to prove it, in case he should ever claim otherwise. I don't think he will. But trust me, he'll be begging for it," Carin said.

Vivvy loved how her friend stopped being sad and settled on the plan for revenge. A cheating boyfriend should not get away with it without some form of retribution. It was a perfect plan.

"Okay, then I agree with the plan. You'll have him come over and get him worked up and chained up," Vivvy said.

Carin had her phone out and was swiping her thumbs across the screen lightning fast. She smiled and nodded. "Okay, I asked him to come over tomorrow night. We'll see if he takes the bait." Carin set her phone down and it dinged indicating she received a text. She picked it up and her eyes widened.

"That him?" Vivvy asked.

"Indeed. He'll be here at eight. You can come in at nine-thirty. Wait just outside my second bedroom. I guess you'll hear it all, but that's okay. When I have him in chains and blindfolded you come in with this," Carin said as she jumped up and rushed to her room. She produced the vibrator and a small tube of lube. She grabbed her purse and dug into a hidden pocket within. After producing a key, she thrust it into Vivvy's hand.

"House key?" Vivvy asked.

"Yes. Come over around nine. I'll plan it out to where we're already having some action in the bedroom. You can listen at the door. Come in when you know we're not right here. I'll try to send you a text first," she said.

"Sounds like a plan. I say nothing though when I come in, right?" Vivvy wanted to be sure.

"Correct. You'll come in while I'm sucking his cock. But I'm making sure I won't

suck him to completion until he's pegged," Carin said.

"Okay, I'll see you tomorrow night around nine then," Vivvy said.

Vivvy looked forward to pegging Wally all day Saturday. She and Carin texted a few times detailing and finalizing the plans. Vivvy worried that Wally would stand Carin up again. If that were the case, she didn't know what they'd do to get revenge on the man. It didn't matter, because at eight the text came from Carin.

He's here!

Good. The man hadn't cheated that day. But he did cheat and Carin had the proof. Vivvy made sure to carry the vibrator and tube of lube back to Carin's house. She tested the device making sure the batteries were fresh and fully juiced. It whirred to life and Vivvy giggled as she clicked it to the off position. Mr. Wally was in for a major surprise.

Vivvy drove around the block twice before she pulled her car around and parked on the other side of Carin's car. Wally's small truck sat along the curve in the front like he expected to make a quick getaway. It brought on a bout of giggles as Vivvy imagined the man trying to run away from Carin.

It was dark outside, thankfully, when Vivvy exited the car. She patted her handbag, making sure the device was neatly packed within along with the tube

of lube. Soft light glowed from Carin's living room window. No one else noticed Vivvy walked quietly to the front door of her friend. She needed to ensure no one was in the living room before she opened the door. Pressing her ear against the door she listened intently for any sign of a person in the living room. She only heard soft music coming from the bedroom. Just then her phone dinged. She quickly pulled it out and before checking the message, she silenced the volume. The text from Carin came through just then.

"I'm in the room with him. Come on in now."

Vivvy fished in her bag for the key and very quietly inserted it into the doorknob. It slowly turned and clicked open. She very quietly turned the knob and entered Carin's home. She heard muffled sounds coming from the second bedroom just up the hall. She blushed as she heard moaning coming from her friend. Carin had asked her to wait until she finished and had Wally chained up before coming up the hall. Vivvy quickly looked around and spied the coat closet. If need be she could duck inside the closet and hide if Wally came out.

Vivvy waited and couldn't really hear much. She stole on down the hall to the second bedroom where Carin and Wally were. Luckily, Carin had left the door open just a touch, so Vivvy could see within. The scene shocked her, but also mesmerized her. Carin's hands stretched close to a corner, her hands cuffed to a chain that was latched to a loop on each wall. Her feet were equally tethered apart. Her naked body in full view. Wally was working his way down as he paused at a nipple and sucked. Carin moaned as his other hand found the other nipple and tweaked it. Wally moved down her body, kissing and licking.

Vivvy knew she should step out of the way and let her friend come in peace, but she couldn't take her eyes off the scene. It was sexy and lusty. Wally came to her

patch of pubes, as she kept a landing strip neatly trimmed between her legs. Wally buried his face in her muff and Carin cried out in pleasure, bucking her pelvis into his face as he noisily lapped at her slit. Vivvy's hand slid down into her pants as the scene unfolded. She may as well enjoy it too. Her fingers found her hard knob and rubbed, causing it to swell. She widened her legs and arched her back as she watched her friend writhe in pleasure under Wally's tongue. Part of her wanted to enter the room and join in the fun, but she'd live with her swirling fingers instead.

Carin suddenly arched her back and ground into Wally's face, coming. Her moans were loud and sent Vivvy over the edge too. Her fingers swirled around her clit until she too arched her back and quaked through the pulses of pleasure rushing through her body. For a split second, she didn't care if Wally or Carin caught her with her hand down her pants masturbating. The orgasm waned, and she pulled her hand out and rested against the wall catching her breath. Inside the room, Wally had let Carin down and she too was panting while perched on the side of the bed. Vivvy needed to wait until Carin had him secure and had given his cock a few deep sucks before she came into the room.

Carin turned Wally so that his back was to the door. Vivvy watched from the shadows as Carin secured Wally's hands and feet in the chains and cuffs. Lastly, she put the blindfold over his face. Her eyes darted to the door and Vivvy stepped into view. Carin grinned and nodded and mouthed, "Wait." Vivvy understood. Carin moved down on Wally's body, kissing and caressing until she came to his mid-section. She pulled the head through her lips and he moaned loudly. She licked the tip and sucked the head back in and licked some more. She continued until she grasped the base and pulled his head to the back of her throat. He lurched forward and groaned deeply as she sucked and suck. She nodded and motioned for Vivvy to enter the room.

Vivvy squirted lube onto the vibrator and flipped the switch. As Carin was

sucking she approached and touched it to his ass. He flinched and jerked forward but all that came out was a groan, as Carin kept sucking. When Vivvy penetrated his ass, he yelled.

"What the fuck? Uh, oh," he said.

Carin pulled back long enough to speak. "If you don't take it, I won't finish. So, shut up and take the pegging," she said. She nodded to Vivvy.

Wally groaned and whimpered but didn't refuse it. He wanted to come, so he let Vivvy insert the vibrator into his ass. She fucked his ass with it in rhythm with Carin's sucking. When Carin sucked his cock to the back of her throat, Vivvy shoved the device deep and only pulled out when Carin's mouth slid to the tip of his head. She kept up with it until he cursed and lurched forward. Carin's eyes widened as Wally's cock filled her mouth full of cum. She swallowed and swallowed until he finished. Only when she pulled her mouth from his cock, did Vivvy pull the vibrator from his ass.

Carin removed the blindfold as Wally took in Vivvy standing behind him holding the vibrator. She waved it in his face. "This was for cheating on Carin," Vivvy said.

Carin showed him the photos of him cheating on him with the blond. His face reddened as Carin undid his bonds.

"Fuck me," he said angrily.

"Hey, I made sure you got off. But I also made sure you paid for cheating on me," Carin said as she stepped back.

"Fine. You caught me. I'd say I paid for it with the butt fucking," he said as he turned his eyes to Vivvy.

She held up her hands and backed away as she shook her head. "I'll leave you two to discuss it. I'm out," Vivvy said.

As she walked away, Wally was begging for forgiveness. The last words she heard from him before she left the house were, "Look, Carin, we're even now."
