

Hey man, are you kidding me?

And now, even during breaks, you ditch me to cuddle with this one?

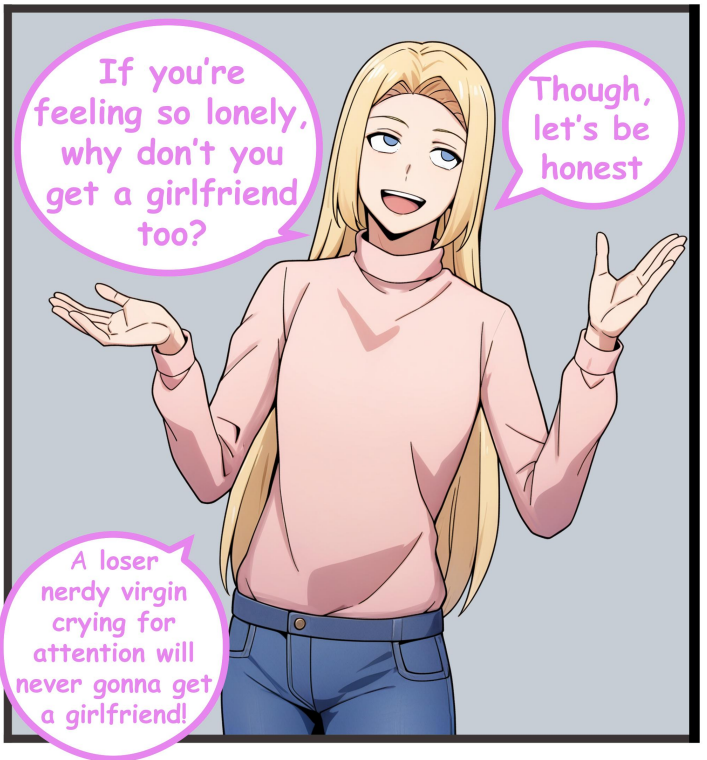

It's been months since you've barely talked to me outside of college

"This one"?

Listen here you weirdo!

I'm his **GIRLFRIEND!** He doesn't need time for anyone else but me!

If you're feeling so lonely, why don't you get a girlfriend too?

Though, let's be honest

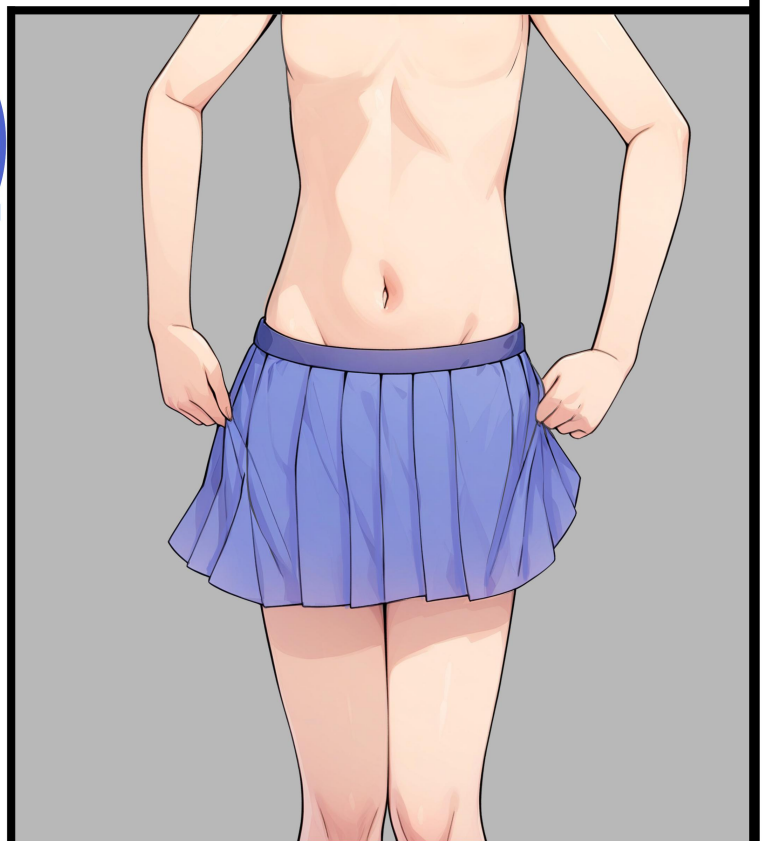

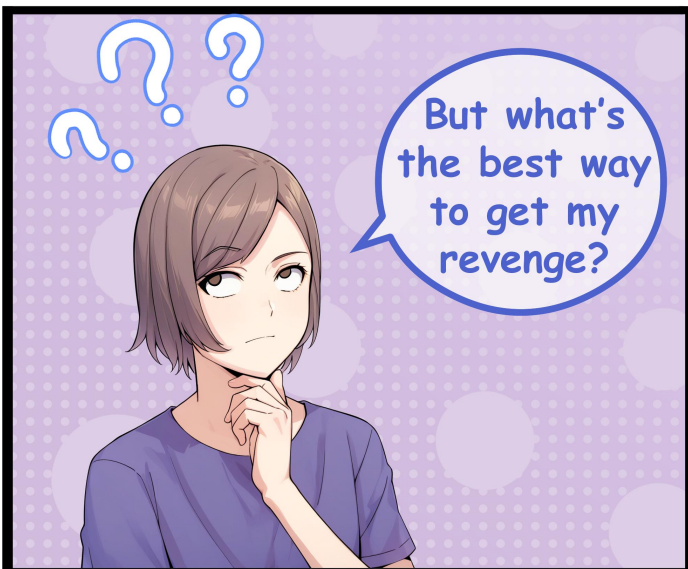

A loser nerdy virgin crying for attention will never gonna get a girlfriend!

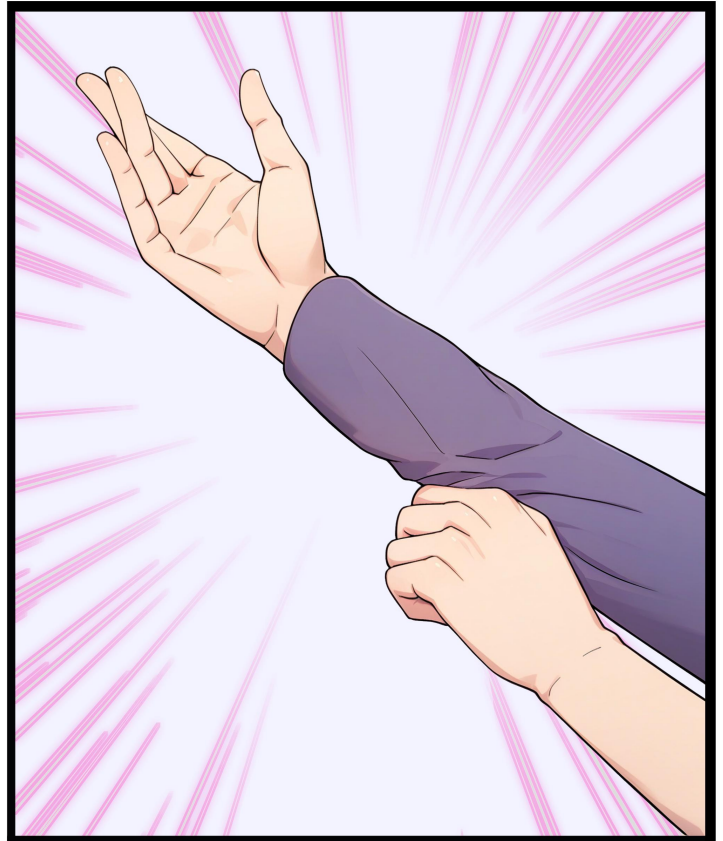

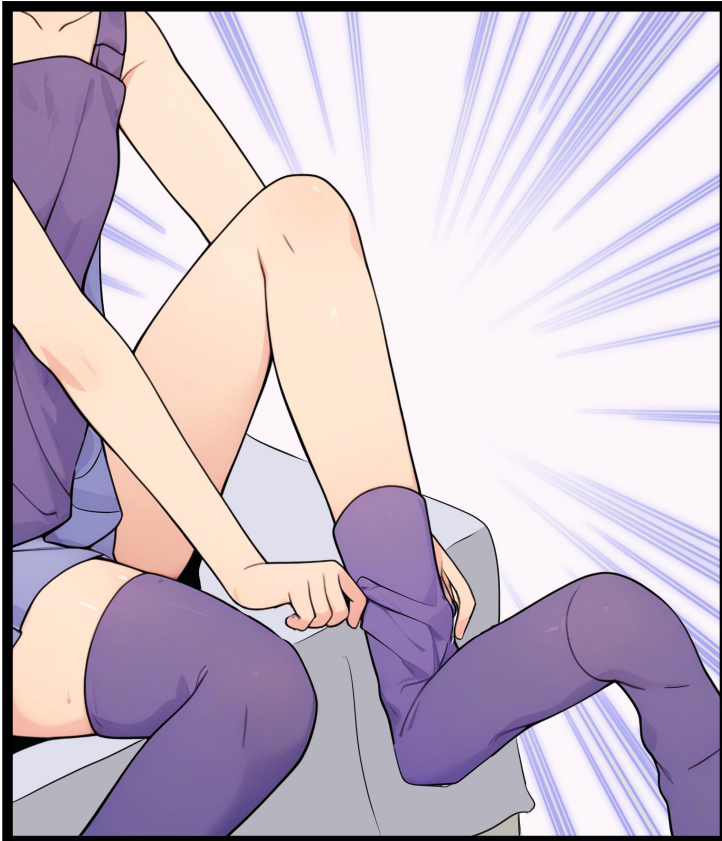

You... you... you'll pay for this...

Sorry, man. Let's talk better later

Next week

Hey man,
I need your
help!

I think
I'm in love!

Isn't falling
in love a good
thing?

Hehehe,
It's working!

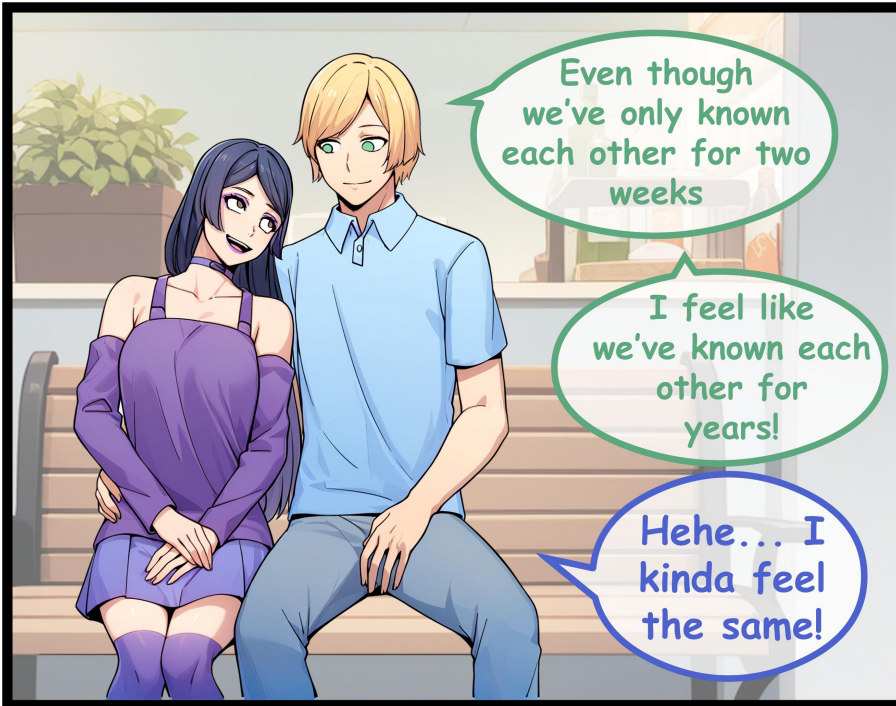

Well, it's
just that I met
someone else...

she doesn't
respect my
space...

And I'm not
really happy
with my actual
girlfriend

But I don't
want to hurt
anyone!

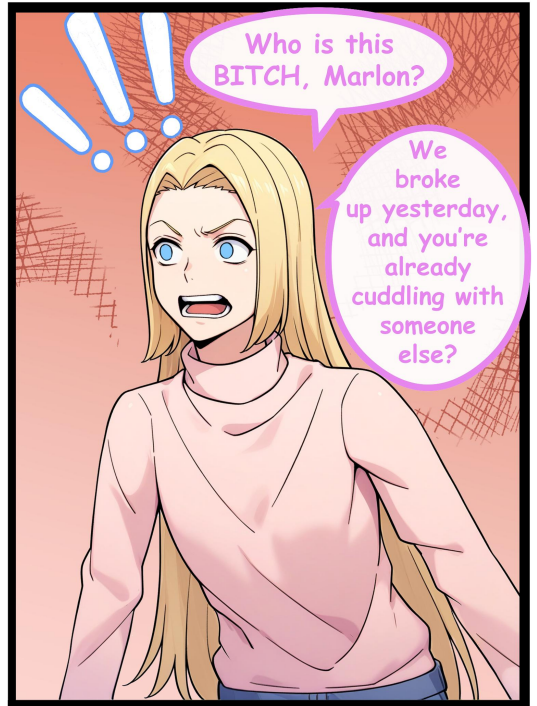

Just follow
your heart

Even though we've only known each other for two weeks

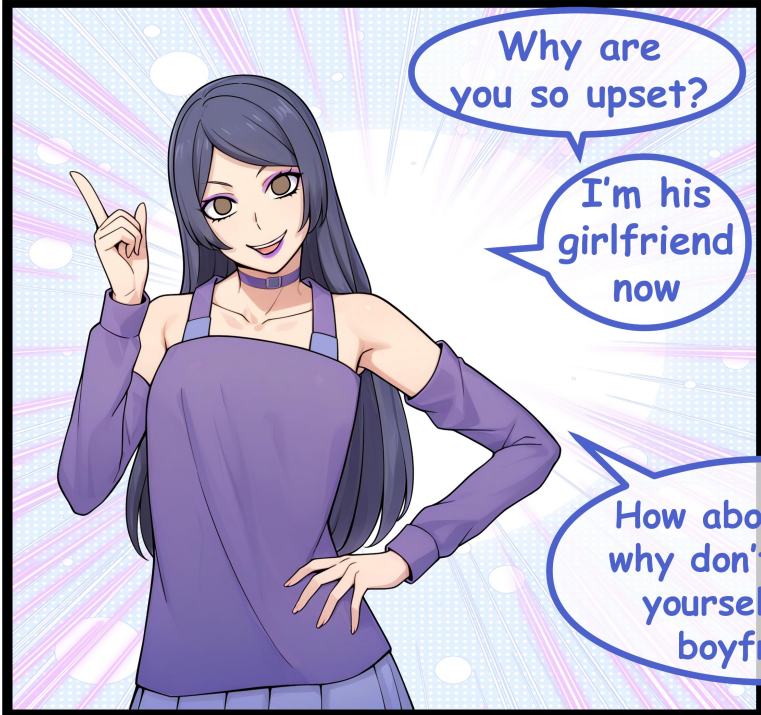

I feel like we've known each other for years!

Hehe... I kinda feel the same!

Who is this BITCH, Marlon?

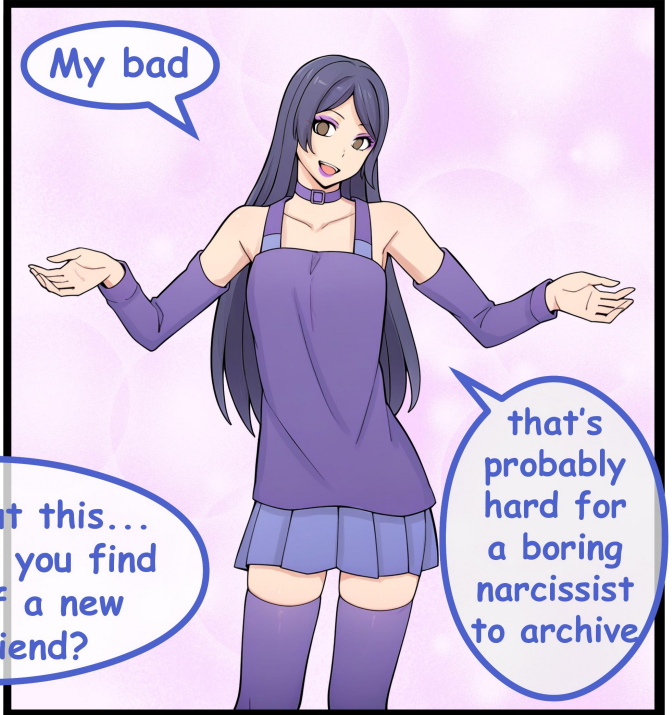

We broke up yesterday, and you're already cuddling with someone else?

Why are you so upset?

I'm his girlfriend now

How about this... why don't you find yourself a new boyfriend?

My bad

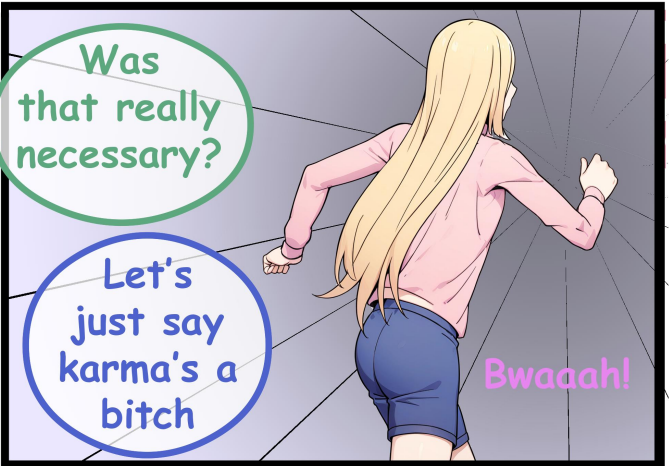

that's probably hard for a boring narcissist to archive

You... You...

YOU?

You'll pay for this!

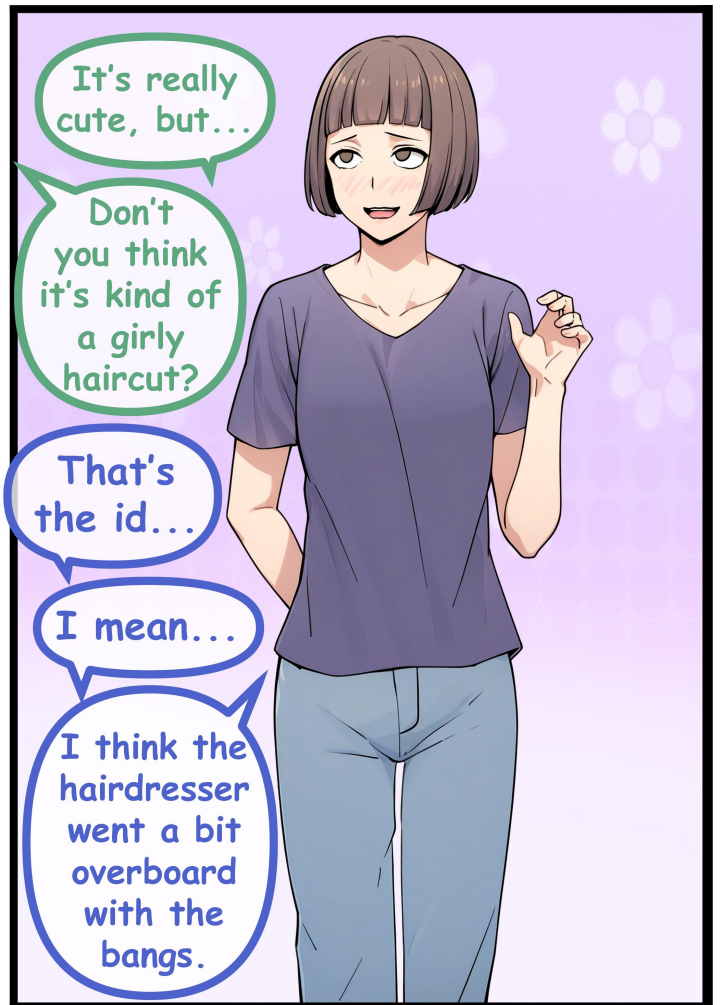

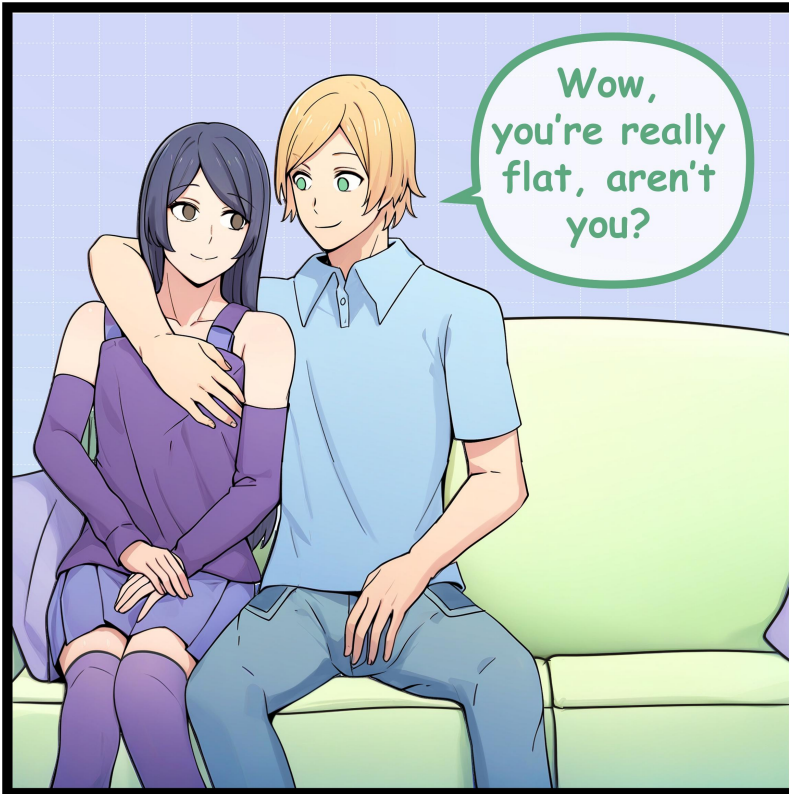

Was that really necessary?

Let's just say karma's a bitch

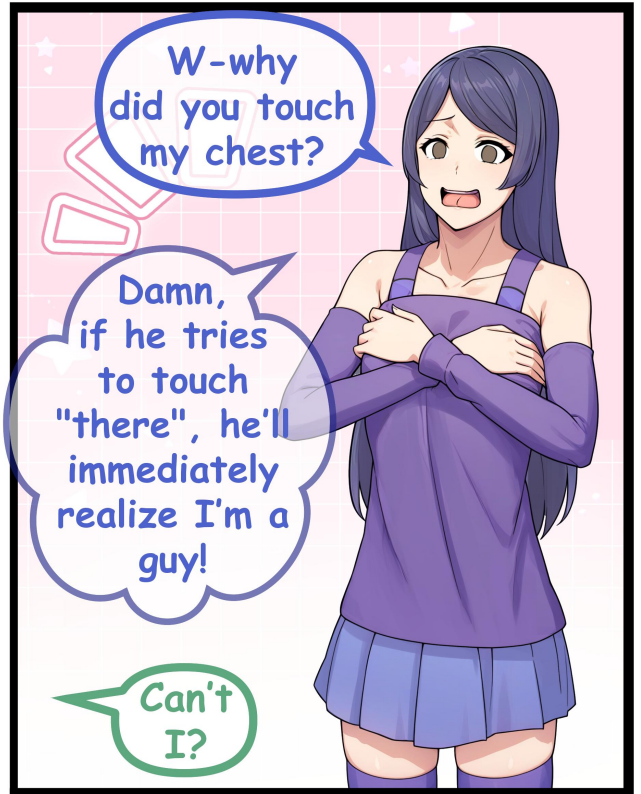

Bwaaah!

Wow, you're really flat, aren't you?

W-why did you touch my chest?

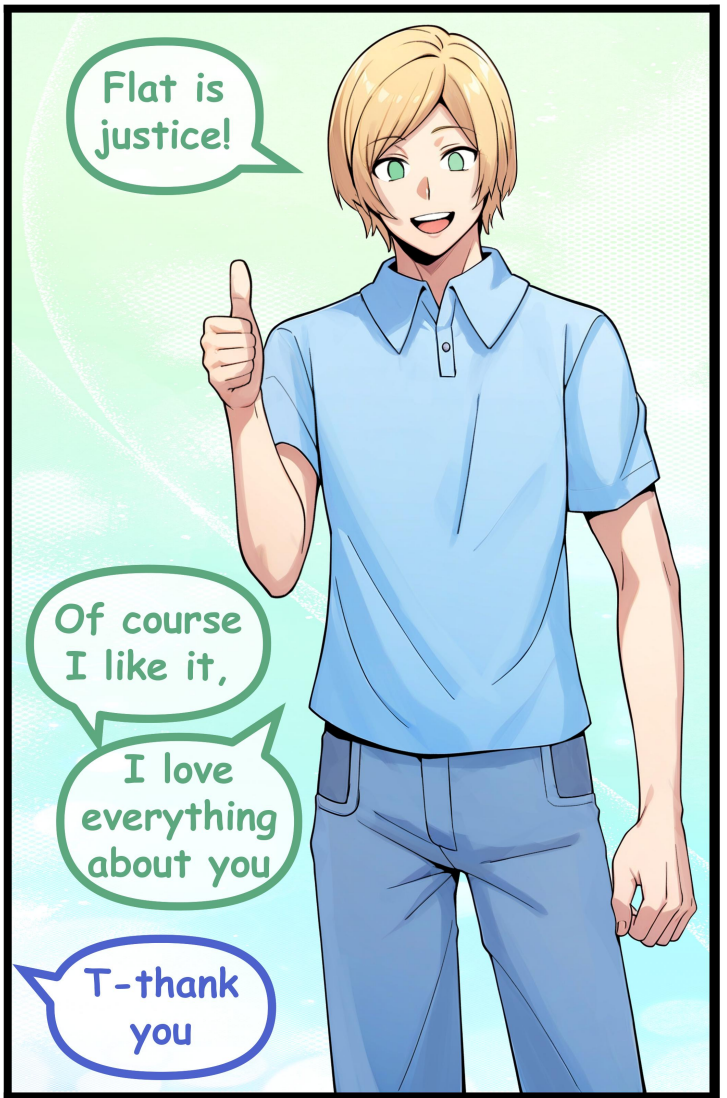

Damn, if he tries to touch "there", he'll immediately realize I'm a guy!

Can't I?

O-of course you can!

So... you don't like flat girls?

Flat is justice!

Of course I like it,

I love everything about you

T-thank you

Alice, is it really you?

H-hi Marlon, do you like it?

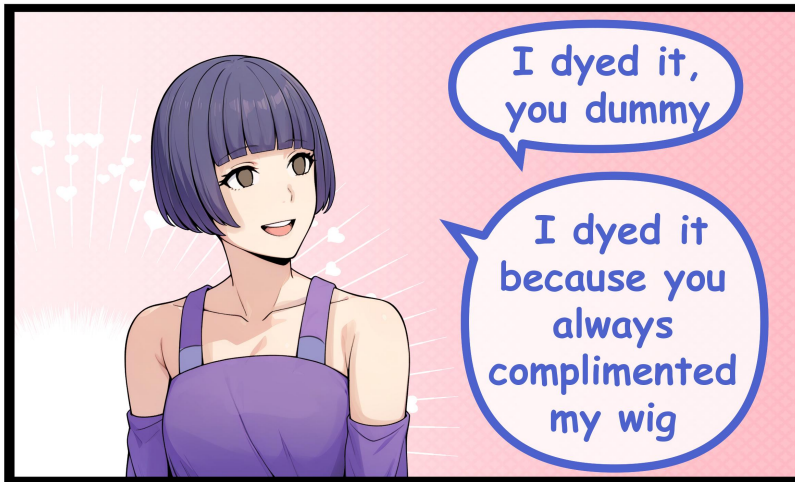

Of course! But didn't it feel bad cutting off all that long hair?

Actually... that was a wig

The truth is... your ex was right I'm Gabriel

Wait... Gabriel doesn't have black hair!

I dyed it, you dummy

I dyed it because you always complimented my wig

Hmm, are you being serious?

I'm sorry... but I really like you and didn't know how to tell you...
