WHEN IT SEEMS TOO GOOD TO BE TRUE..

The life of a delivery driver wasn't easy, especially during the summer. However, Nolan never complained. It became easier after he got the hang of things, and even if he was always rushing around, he still had time for himself.

He kept the same route for a long time, and it was during his deliveries that he got acquainted with some of the people living there, including Vanessa. She was a mature woman in her fifties but still incredibly beautiful. She looked elegant and refined despite being in casual and comfortable clothes at home.

It was natural to become friends with a lot of people during his deliveries, but there was something different about Vanessa. She was educated but still easy to talk to, and she always offered him a smile whenever he delivered his weekly packages. He noticed that she had a dominant and assertive aura, which wasn't common to find in women her age in the area. As if she wasn't dominant enough, the woman was also 6 feet tall. Imposing, assertive, intelligent, and gorgeous; she was the whole package.

During one of his deliveries, Nolan noticed that she looked exhausted and sweaty. They were friendly and he wanted to know, so he asked her about it.

“Oh, I was out on a hike earlier,” she said.

“I didn’t know you were into it.”

“I like to go sometimes. It keeps me in shape and I enjoy having a greener setting around me. Not that I dislike the city, but being surrounded by nature is calming.”

“It sounds like a good time.”

“It was. Unfortunately, now my feet ache, but it’s a natural consequence of it.”

Nolan noticed that the last sentence was charged with some kind of intent.

“I hope you feel better soon,” he said. “You should rest.”

“Mhm, what about you come inside and rub my aching feet? That would make me feel so much better.”

“I’m not sure if I should do that,” the man hesitated. “I don’t think your husband would appreciate that either.”

“I’m divorced. If that’s your only objection, hurry up and get in here.”

Nolan hesitated again, but the woman was so serious and demanding, yet still friendly, that he had no option other than accepting. He walked into her house. It was beautiful; fancy yet somewhat minimalistic in its design.

She guided him to the living room and sat down on a couch. She tapped the couch next to her with her index finger to tell him to sit down as well, and she placed her legs on his lap when he did.

“Thank you for this, by the way,” she said, smiling at him warmly.

He felt like he didn’t have much choice, but he nodded and smiled.

He took off her shoes and placed her sexy feet on his lap again. Gently, he started massaging her left foot. Her skin was a bit wrinkled and rough, but

that was to be expected of a woman of her age. However, he noticed that her feet were pretty and taken care of. Sure, she was sweaty and dirty, and there was a slight vinegar aroma coming from her long toes.. but it made sense because she got home not too long ago from hiking.

Vanessa closed her eyes and rest her head on the couch, looking relaxed. Nolan continued gently massaging her foot, applying pressure here and there. The skin was red, but she didn't seem to be in pain. Maybe her shoes were tight or it was a simple consequence of hiking a lot. She seemed to be in shape, so perhaps she liked longer trails.

Nolan had always been good with his hands. He never went pro or anything like that, but he enjoyed giving a massage here and there to his loved ones. He would never imagine himself in the beautiful house of a mature woman, rubbing her feet.

“That’s it,” she said with her eyes still closed. “This is exactly what I needed. Keep going.”

The man still had some deliveries to get to, but he figured it was okay to take a few more minutes. He'd just call this his break for the day.

The divorced woman kept the conversation going by asking him personal questions, but they kept getting more personal as time passed to the point that he felt he was being interrogated.

Questions about his family, his past, his friends, his work, and his co-workers. The woman was relentless and she was always in control of the conversation. Nolan was still a guest in a house of a woman he barely knew, so he kept the peace by answering whatever she wanted to know. There was no risk in it, he decided.

Before he knew it, 30 minutes had passed. His hands were getting tired and the older woman seemed satisfied, so he stopped. She finally opened her eyes and a smile adorned her face. She let out a sigh.

“That was the most relaxing thing ever,” she said.

“I’m glad you liked it.”

Despite acting respectfully towards each other and not doing anything inappropriate, the event was so intimate and private that it got Nolan’s heart going faster. Vanessa kept her usual poker face and kind smile during the ordeal, so she was impossible to read.

“You should leave now, I don’t want you to get in trouble for missing your deliveries.”

“Yeah, I should go. I still have a few to do.”

“I’ll see you next week. Let me walk you to the door.”

Nolan thought it was cute how Vanessa was always so formal despite being in her own home. They waved each other goodbye once he walked out the door before he got on his truck and continued delivering the goods.

The delivery driver spent the rest of the shift thinking about the mature woman and the intimate moment they shared together. He didn’t really know much about her but there was something endearing about her, which got him curious. He initially thought about declining any further invitations, but he changed his mind during his drive.

The man had to admit that Vanessa’s commanding voice and demeanor made him feel a certain way. It was different, and he wanted to explore it some more.

The days passed quickly and he found himself knocking on the woman’s door again to deliver her weekly package. Unlike the previous week, this time the mature woman looked well-rested.

“No hiking this time?” he asked.

“I wanted to be home. It would have been rude of me to invite you and then be somewhere else, don’t you think?”

The woman offered him a warm smile. Nolan returned a smile of his own and got lost for a second admiring her; she looked gorgeous that day. She was wearing a pair of shorts and a plain top, nothing fancy, but she looked amazing. His eyes trailed off and ended up on her feet as he wondered if she was going to ask for another foot massage. She noticed.

“Where are you looking at?”

Her words brought him back to reality. His cheeks turned red when he realized that he had been caught staring at her. He stumbled over his words trying to come up with an excuse, but the woman found it adorable. She shook her head.

“Don’t worry about it,” she said. “Why don’t you come in? You must be thirsty, let me get you some water.”

“Thank you,” he said.

It wasn’t his first time in that house but he was still impressed by it. After looking around, it seemed like Vanessa lived there alone. Nolan brought it up.

“Home alone today?”

“Today and every day,” she said. “Why do you ask?”

“I just thought that maybe you lived with someone else.”

Vanessa led Nolan to the couch in the living room while she went to the kitchen for a glass of water.

“Someone else? You already know I’m divorced.”

“Yes, but maybe you have a boyfriend.”

“Ah, so you’re curious about my love life now. That seems a little invasive if you ask me.”

Nolan squirmed in his seat, thinking that maybe he fucked up. The woman walked up to him and handed him the glass of water.

“Don’t get so serious, I’m just messing with you. I’m single if you really want to know.”

“I was just wondering, I hope I didn’t-”

“No apologies. Words are meaningless and they’re easily forgotten. I’d much rather get another one of those wonderful massages.”

She raised her eyebrows with a side smirk, which made Nolan feel at ease again. She could be so assertive that he found himself stuttering a little.

The woman took off her slippers and placed her feet on the man’s lap, which made him question himself if the situation was appropriate again. She wiggled her toes, a subtle push to get him started already.

“Do you have some oil?” he asked. “Or maybe some lotion. My skin isn’t too smooth today and I don’t want to give you a bad massage.”

“Sure, I do. Upstairs, bedside table. I have some body lotion there.”

Nolan was surprised that she would readily let him enter her bedroom, but he nodded and went upstairs. He asked for the body lotion to stall the situation and tried to decide what to do with the time he bought himself. On one hand, she was a gorgeous woman and he was about to have his hands all over her perfect feet again; on the other hand, he was breaking every company policy imaginable and HR would chew him out and spit him out, leaving him fired and broke. Was it worth it?

He found the body lotion and went back downstairs, going slower with every step, still trying to decide what to do. Vanessa, being the observant and intelligent woman that she was, noticed it.

“Hurry up. It almost seems like you’re walking slower on purpose, and it’s going to make me mad.”

Nolan sat back down on the couch as if he was being pulled by a set of invisible strings. He forced a smile.

“My bad, I couldn’t find the bottle at first.”

The woman placed her feet on his lap again as soon as he sat down. He couldn’t help but stare at her feet. The skin looked so smooth and soft, and his eyes trailed off towards her ankles and thighs. He had a great view of her body thanks to their posture and her outfit, which was quite revealing. Her thighs had the perfect amount of thickness to them without looking out of place in her mature body. She had some wrinkles, imperfections, and stretch marks here and there, but that only made her more attractive.

“Are you enjoying the view?” she said with a chuckle.

Nolan stuttered again trying to get a response out there, but she stopped him by placing her index finger on his lips.

“It’s okay. It’s just me and you here, there’s no reason to get so nervous.”

She was right. He had already been there the previous week, but this time it felt even more intimate. Was it because it was planned? Whatever it may have been, he couldn’t back out anymore. He poured some oil directly on her gorgeous shapely, size 10 feet and some on his hands before rubbing them together and grabbing one of her feet.

It felt different this time. The lotion turned the awkward friction around and now it was a pleasant but still strong enough grip to rub her feet. He started slow, almost sensual. He went up to her ankle and down to her sole, applying gentle pressure along the way. She wasn’t hurting this time because of a hike, but the experience was still pleasant and relaxing. Almost too pleasant.

She wiggled her toes as she did before. Nolan nodded, focusing his attention on them. He interlocked his fingers with them, going up and down to spread the lotion all over them and between them as well. The closeness, her hot body, and the almost taboo experience were enough to get him excited. He fought it and was able to contain an erection, but it was a matter of time before he would succumb to it.

Her toes were cute and touching them all over felt as good to him as it did for her. She closed her eyes and rested her head on the couch like last time, but she was way more vocal this time. Soft moans and gasps escaped her lips as the man rubbed her in different places, getting her skin hotter and hotter with his expert movements.

Nolan's breathing got faster when she noticed how much the woman was enjoying his touch. Her toes curled up from time to time. She never complained about any accidental tickling either, but he was still trying to avoid it. He was once again caught in those thoughts when Vanessa opened her eyes and looked right at him.

He didn't notice because of how focused he was. That's when the woman moved her free foot around, placing it so close to his crotch that she was touching the base of his cock through his pants. He successfully fought against another erection, but the victory didn't last long when the woman deliberately rubbed her sole against his cock's head. It was obvious that it wasn't an accident this time.

"I'm sorry, I can't do this," he said.

All his insecurities came back: he would get caught, fired, evicted, and so on. It would be a catastrophic chain of events that would end with him being homeless. Perhaps accepting the woman's invitation to come into her house again wasn't the best idea.

"Do you like my house?" Vanessa asked.

The question came out of nowhere, confusing Nolan. Trying to remain calm, he nodded.

"Yes, I think it's really nice."

"I was able to afford it easily because I've always been excellent at my job."

"Okay," Nolan was still confused, where was she going with this?

"I'm a lawyer, that's what I do. I'll be blunt with you, I can get you in some serious trouble for this. Getting you fired would be easy, but if you're

unlucky enough, you could even get some jail time. I'm close friends with several judges."

Nolan was confused and stunned. He stopped in his tracks. A triple of sweat forming on his forehead.

"What? Why?"

Fired. Jail time. Those words made him dizzy when he realized that she meant it. She didn't seem like the type of woman to bluff about her skills or connections.

At the same time, a raging erection had already formed in his pants thanks to the woman's efforts. She pointed at it.

"Sexual harassment, right there. You're done for... unless you do as I say from now on. If you're a good boy, I won't report you. That's a great deal, so you better play along."

No words came out of the man's mouth, which suddenly went dry with anxiety.

"Say 'yes, mistress' if you understand," she demanded firmly.

"Yes... mistress."

His voice trembled with fear and anxiousness. She smiled from ear to ear, knowing that he played right into her hands. He belonged to her.

Everything else was a blur to the man on that day. His first set of instructions was to get her naked, which he did without complaining. He took the pair of shorts along with the top and threw them behind the couch, leaving her in her underwear. He slowly took that off as well before falling to his knees under her command.

"Eat me out. Eat my pussy, now. Make me cum., hard" she demanded of him, in a firm boss like tone of voice.

Her words were the law. He was conflicted because the raging erection never went away, and his cock throbbed more than ever despite the difficult situation he found himself in. There was something about being dominated and berated by this tall, mature woman that drove him crazy.

Nolan spread her legs and gave her multiple little kisses on her inner thighs. She was soaking wet, but he was taking his time. He then moved on to her pussy, kissing and licking it. He received a positive response, which encouraged him to continue doing the same since she seemed to like it. Her forbidden spot was smooth and tender. She was very sensitive after a couple of minutes of his tongue playing around her pussy, so he decided to go further. He found her clit and pinched it gently between his fingers, rubbing and teasing it.

“Oh, fuck!”

She came almost immediately after he worked her clit, with a loud explosion that rocked her whole body. The wave of intense pleasure coursed through her whole body, but it wasn't enough; she wanted more.

“Don't stop. I want to cum more.”

Nolan got on the couch and focused on her nipples. They got hard quickly when he placed his tongue on them, coating them in saliva and sucking on them. He used one hand to finger her and the other one to put her tits into his mouth, where his tongue would flick and lick her hard nipples.

He was better than she expected. His actions were deliberate and passionate, which made her feel like the second orgasm would arrive at any second.

She brushed his hair with her fingers as she sucked on her nipples and pulled him towards her, kissing him passionately. Their tongues danced around while their moans got louder and louder. It had been way too long since a man made her feel like that, and she was going to make the most out of it.

“Your cock must be in pain,” she said. “It's been hard for a while, so why don't you take it out?”

“Yes, mistress.”

Nolan unbuckled his pants and unzipped them, releasing his cock from its prison. It was red, hard, and angry, with its veins popping and precum oozing from the tip. He was ready to explode at any second, and she licked her lips at such a sight.

“Get on the couch, I’m going to use you,” she ordered.

She climbed on him as soon as he sat there, slowly lowering herself on him. Her pussy lips tightly wrapped around his cock and it entered her until she had swallowed it completely. It felt so good and she was so tight that he almost came right there, but things were far from over. She placed her hands on his chest to steady herself as she moved her hips in circles, getting his cock to pound her at different angles and depths.

His chest was covered in scratches. His mistress rode him like a wild animal, with the kind of energy that you wouldn’t expect from a mature woman. He grabbed her ass and squeezed it as she kept moving back and forth. It was too much to handle, and he finally came inside of her, flooding her tight insides with his warm cum.

It was a divine feeling. She could feel his pulsating cock emptying itself inside of her pussy. His seed was abundant and it inevitably spilled out of her.

“You’re nothing more than a human dildo,” she said, mocking him.

He lowered his eyes, defeated. He was being used and she loved every second of it. She came again after feeling how his hard cock became limp inside of her, and only his semen remained. She put a finger inside of her pussy to grab some semen before tasting it; thick and salty.

The mature woman stood tall in her living room after getting off the couch. She looked down at her human toy, his chest going up and down with exhaustion. She could barely stand straight since she was still recovering from her multiple orgasms.

“You’re going to come here every week and we’ll do this again and again. Make no mistake, you’re still at risk of getting your life destroyed if you don’t keep me happy, so make sure to be on time.”

She got closer to him to kiss him on the cheek. The warmth of her lips was comforting in a way.

“I’ll milk that cock of yours until you can’t walk, so make sure to eat and sleep properly. You want to keep me happy, don’t you?”

“Yes, mistress.”

Nolan’s life took a turn, but he was ready to fulfill his mistress’s desires. Even if he got mocked or degraded, he would always do his best. To be honest, he couldn’t wait until next week to be able to taste her and be inside of her again. This new life wouldn’t be that bad.

For my fellow sexual deviants.. Keep having fun ;)
