*Good timing.*

*This is Rin.*

**So, is the job done?**

I'm about to put on the finishing touches.

아아  
♡

I just wanna tweak a few more of her core memories for good measure, then I'll send her back to you.

오빠야  
♡

There's no need to send her my way.

?

I'm gonna be outta the country for a while,

just erase the memories of tonight and cut her loose.

Put her to work as a prostitute or pass her around for free, whatever you want.

I want her to be as slutty as possible and get better at fuckin'.

Are you really okay with letting her be defiled by a bunch of other men?

It's not like I wanna sette down with her, my goal has always been,

to break her down completely and remake her in my image.

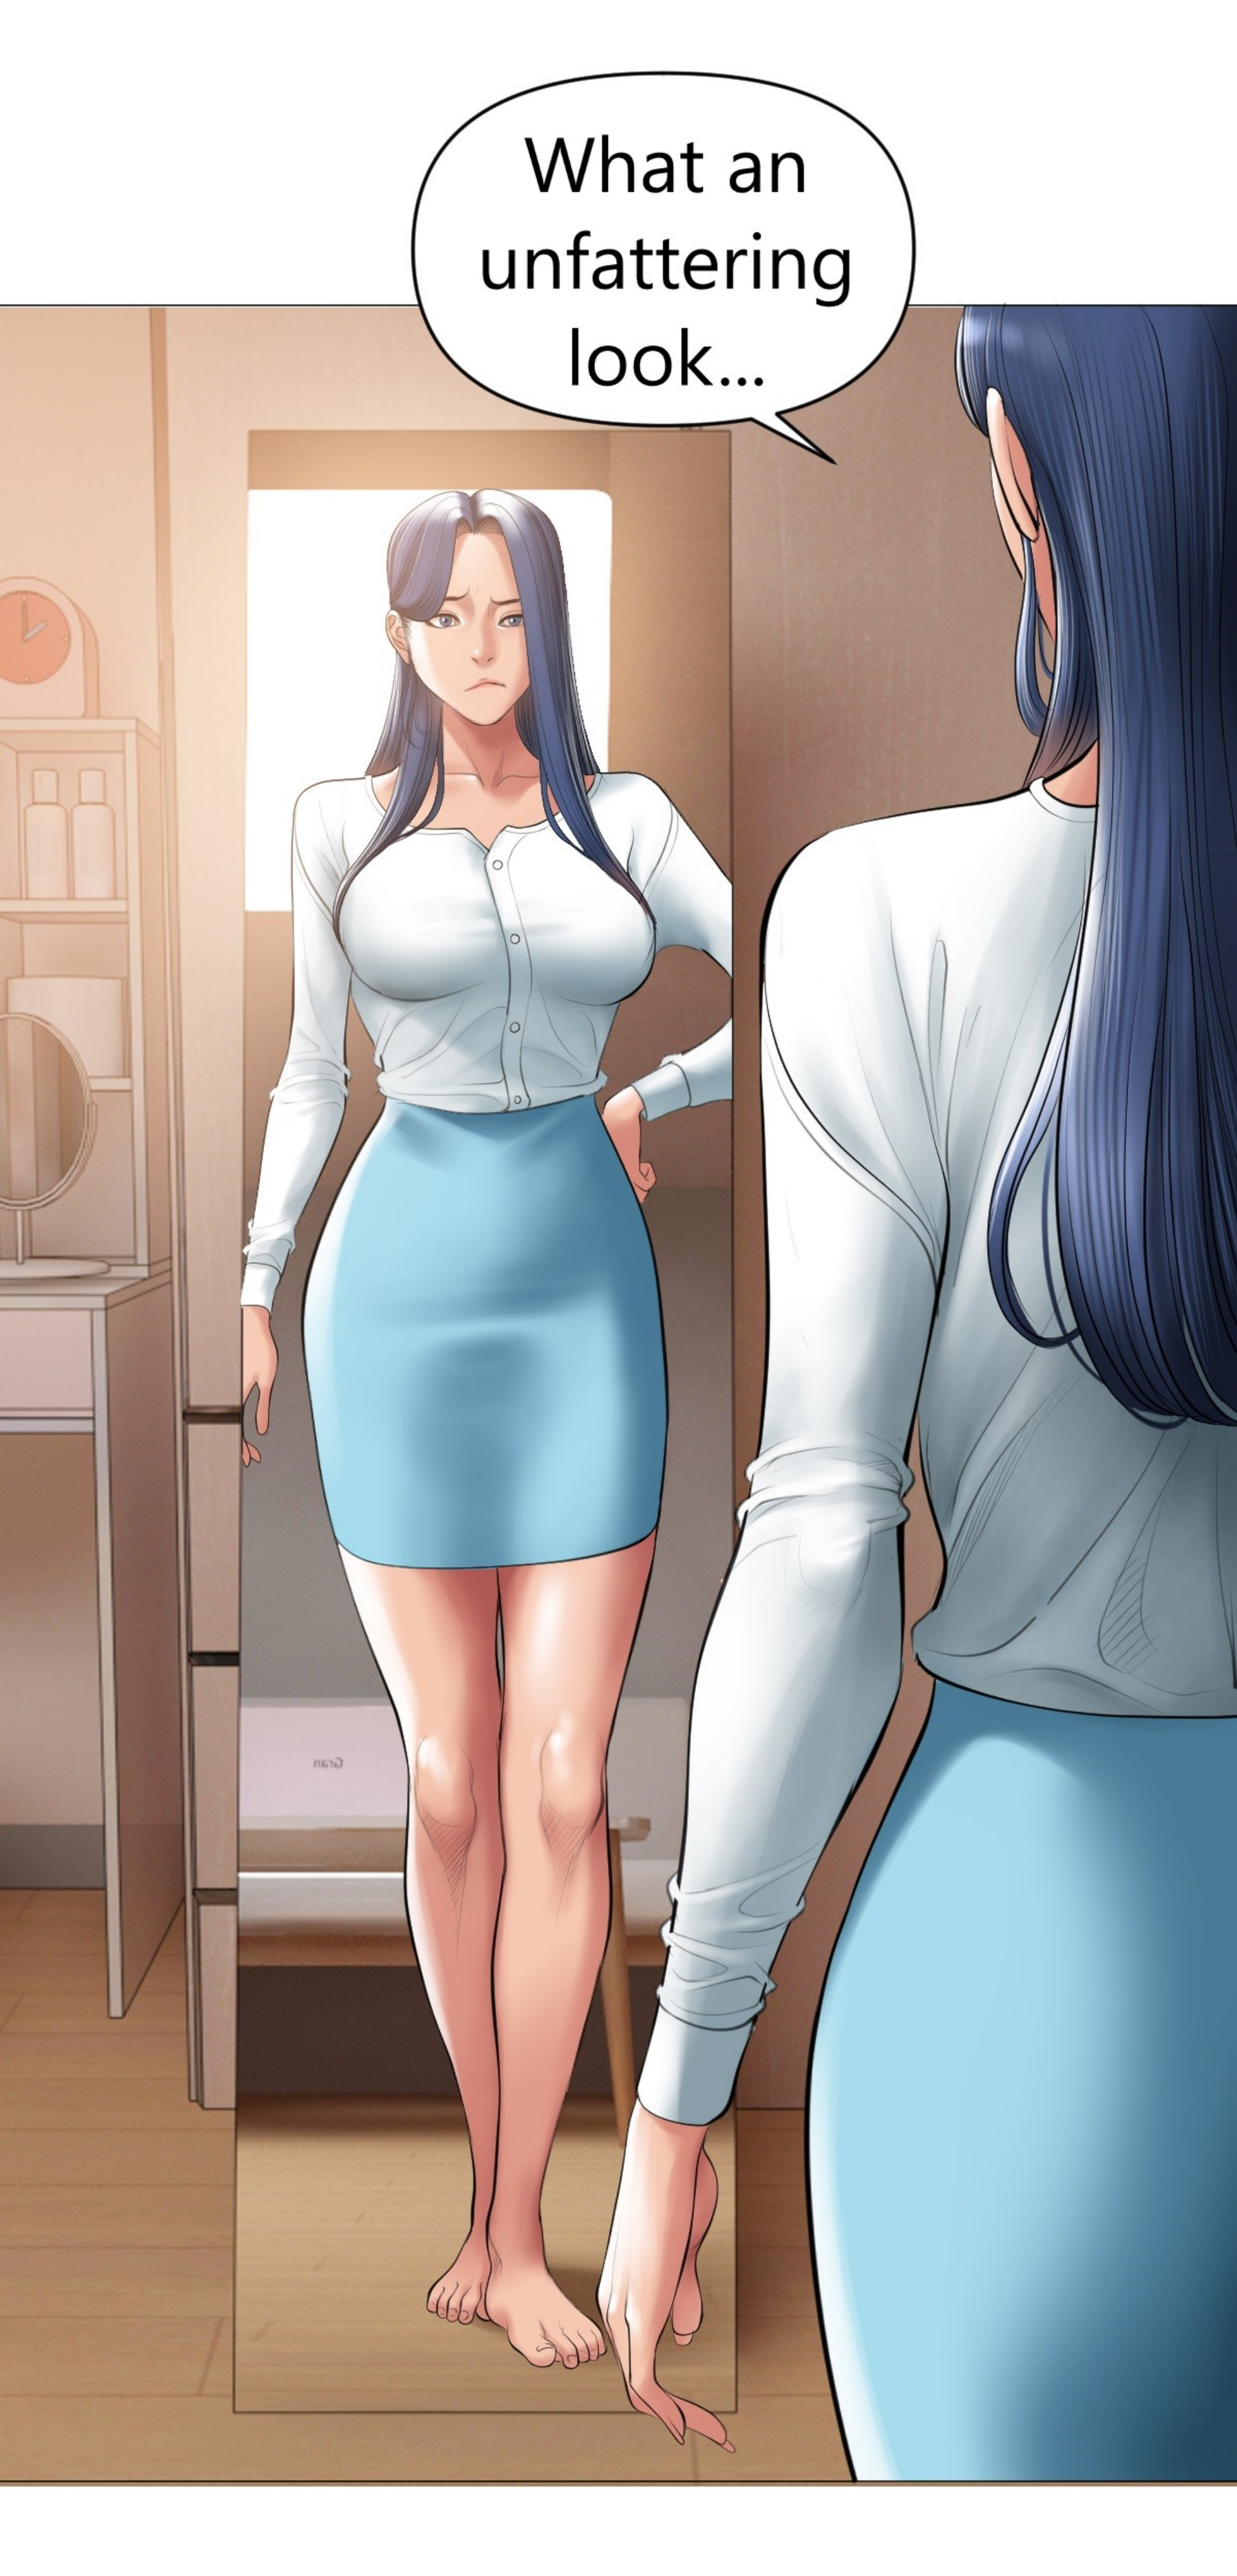

THAT WILL BE THE PERFECT REVENGE FOR HER AND THAT DUMB PIG!

- A few days later -

Hmm...

What an unfattering look...

I've worn this outfit a million times, but it just doesn't look right now.

Why have I never noticed how bad my sense of style is?

My closet is full of clothes an old lady would wear...

Huh?

That's right,  
there's one thing  
I haven't tried on  
yet...

I totally forgot that  
I impulsively  
bought that outfit  
the other day!

I don't usually buy  
such skimpy clothes,

but I couldn't take my  
eyes off of this one, I  
just had to have it.

It's hardly appropriate for school though...

But...it would be such a waste of money not to wear it.

There's nothing wrong with trying something new, right?

Wow...

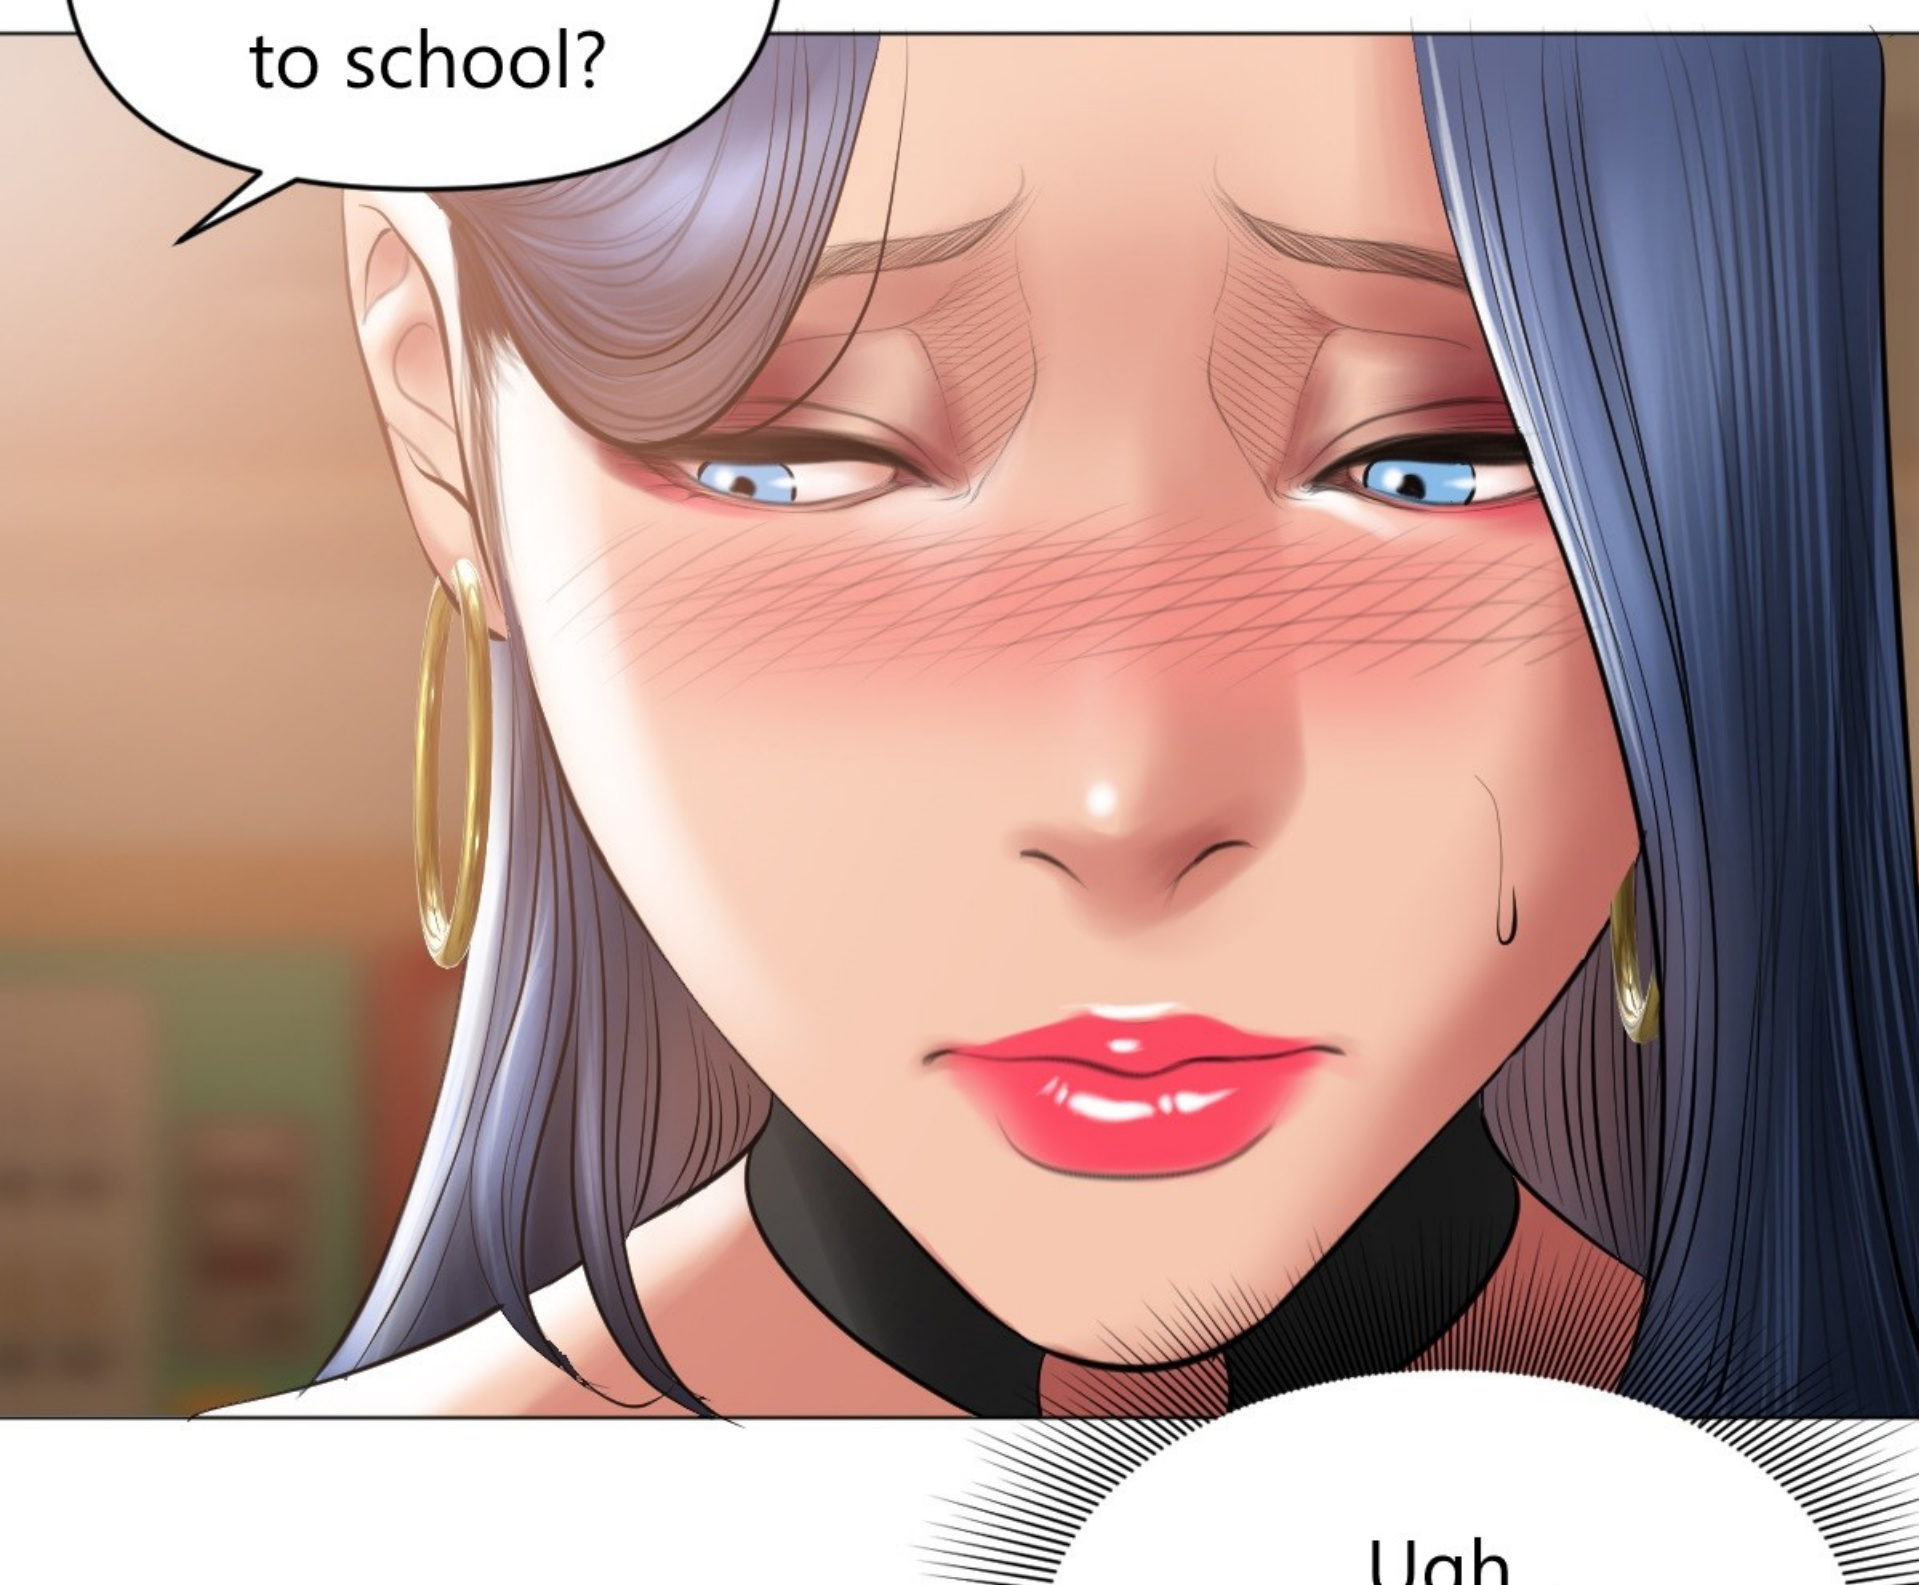

또각

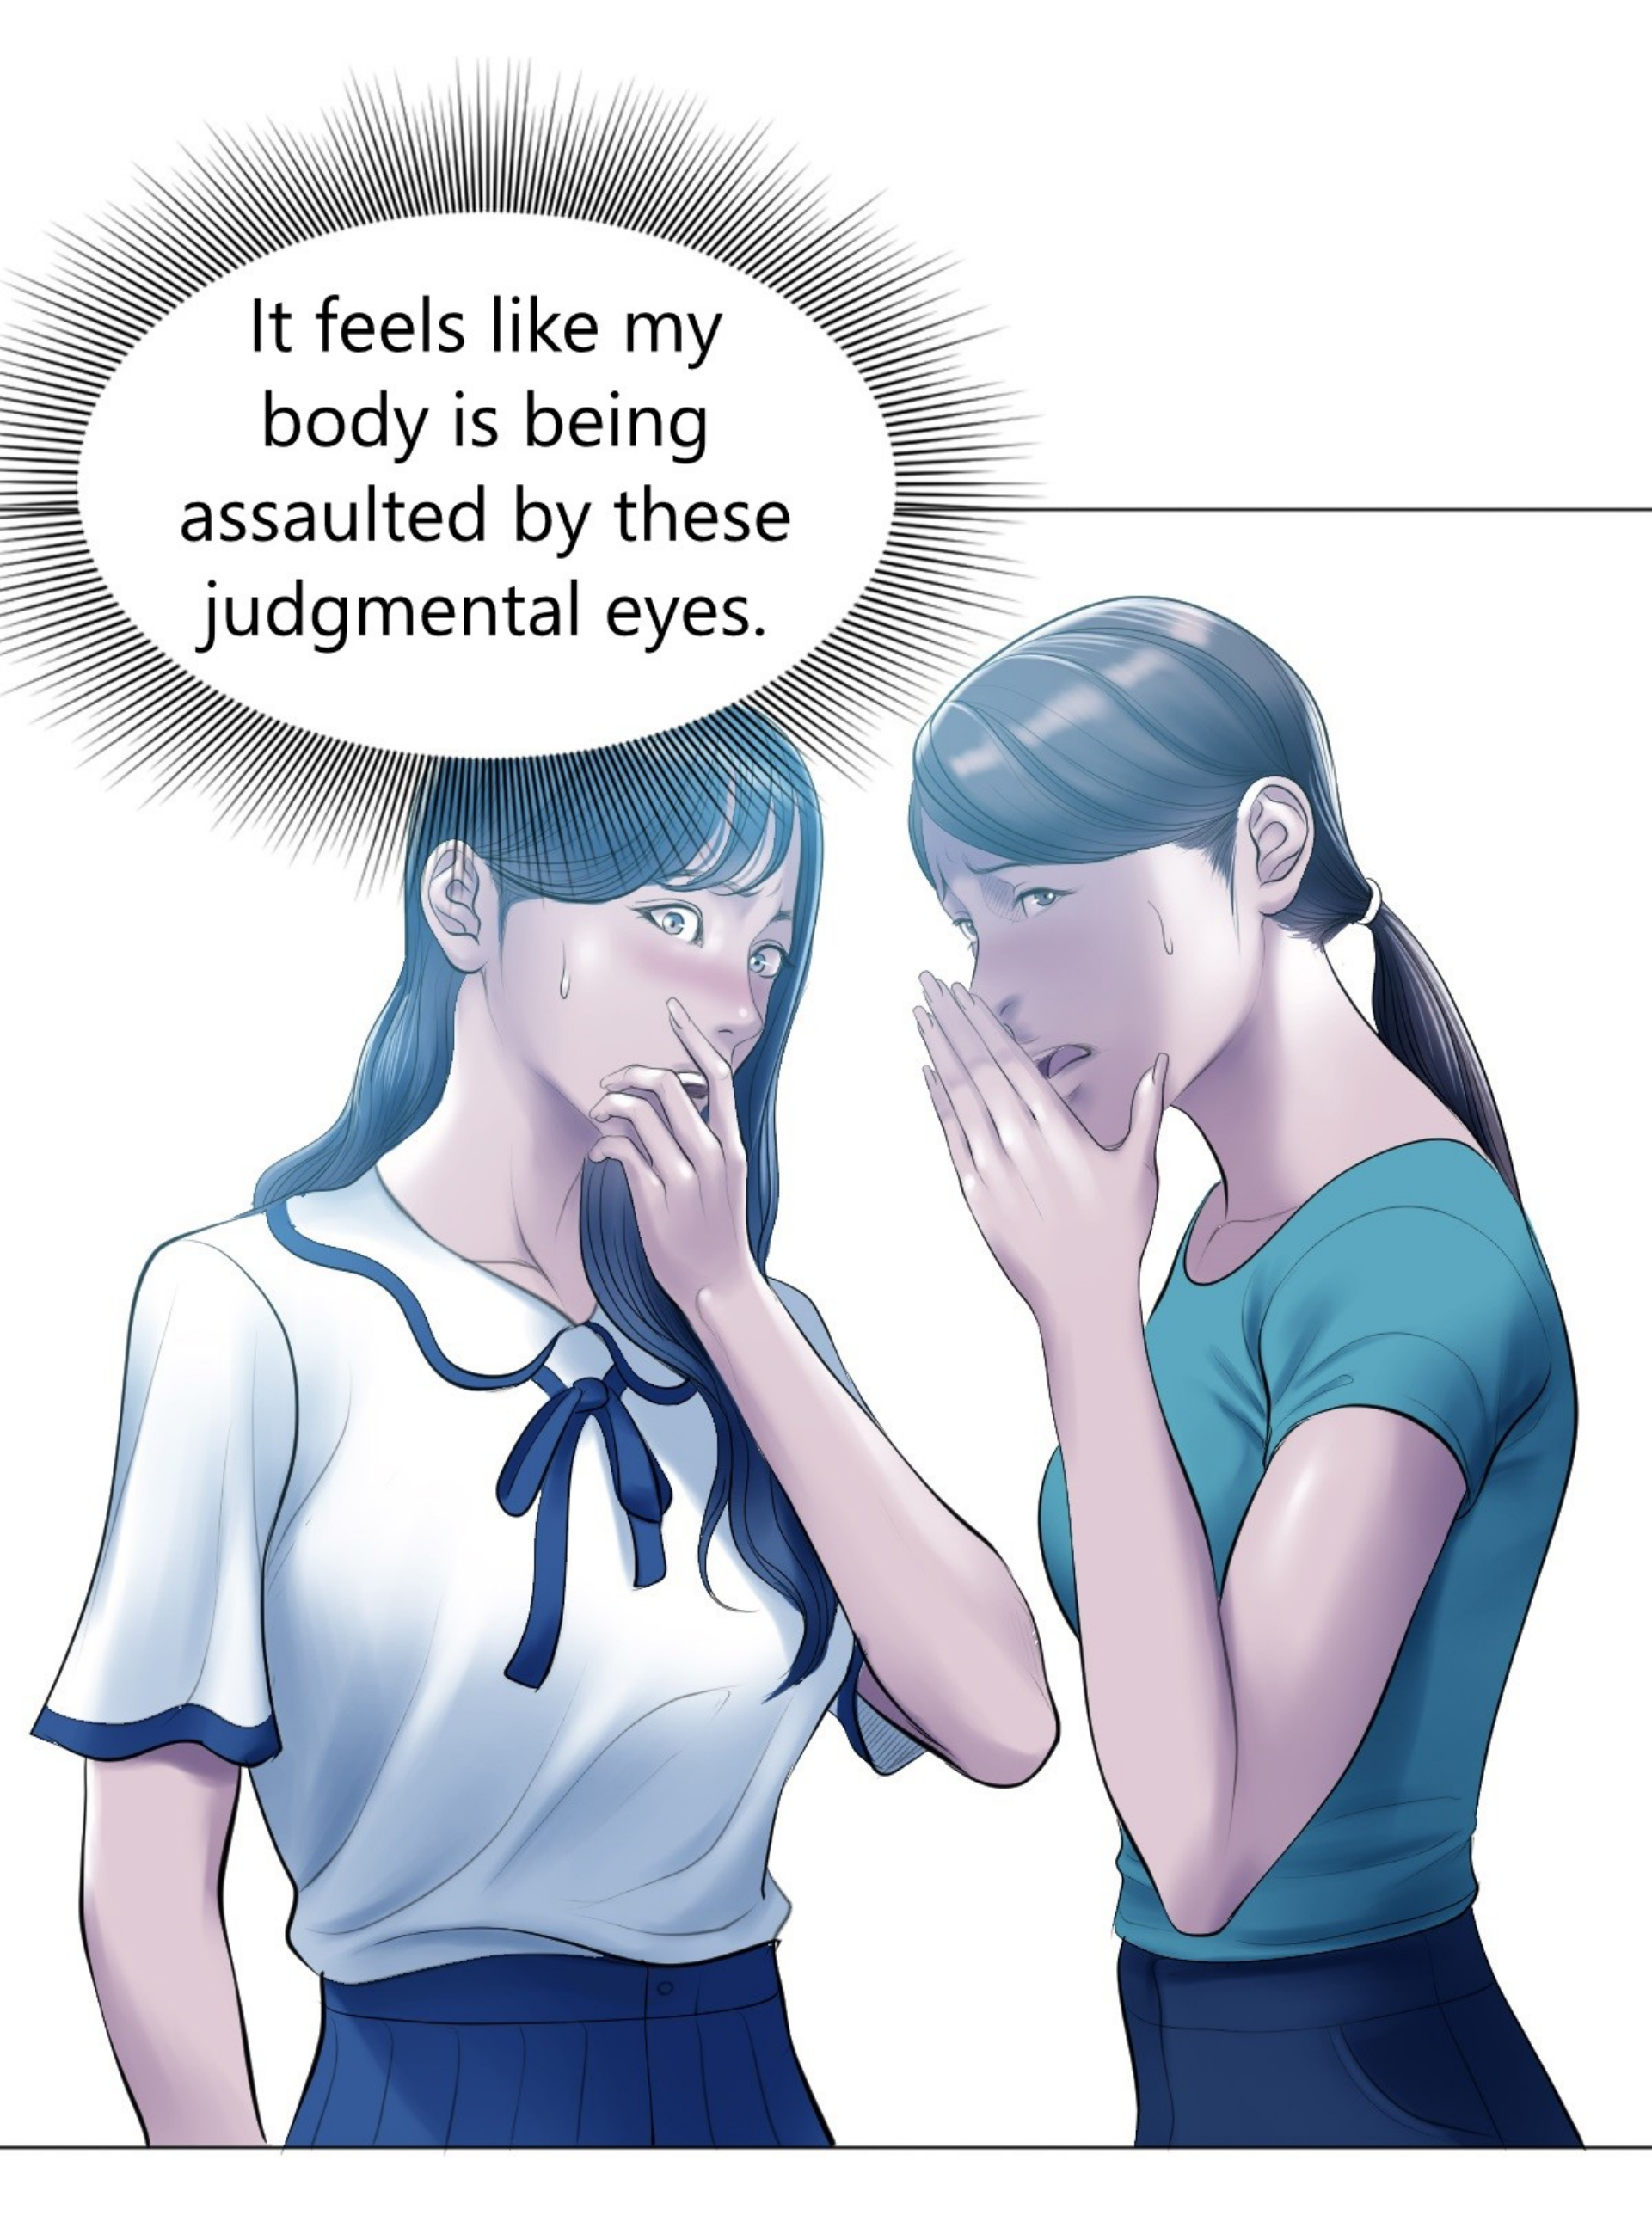

Oh my god!!!

She's so hot!

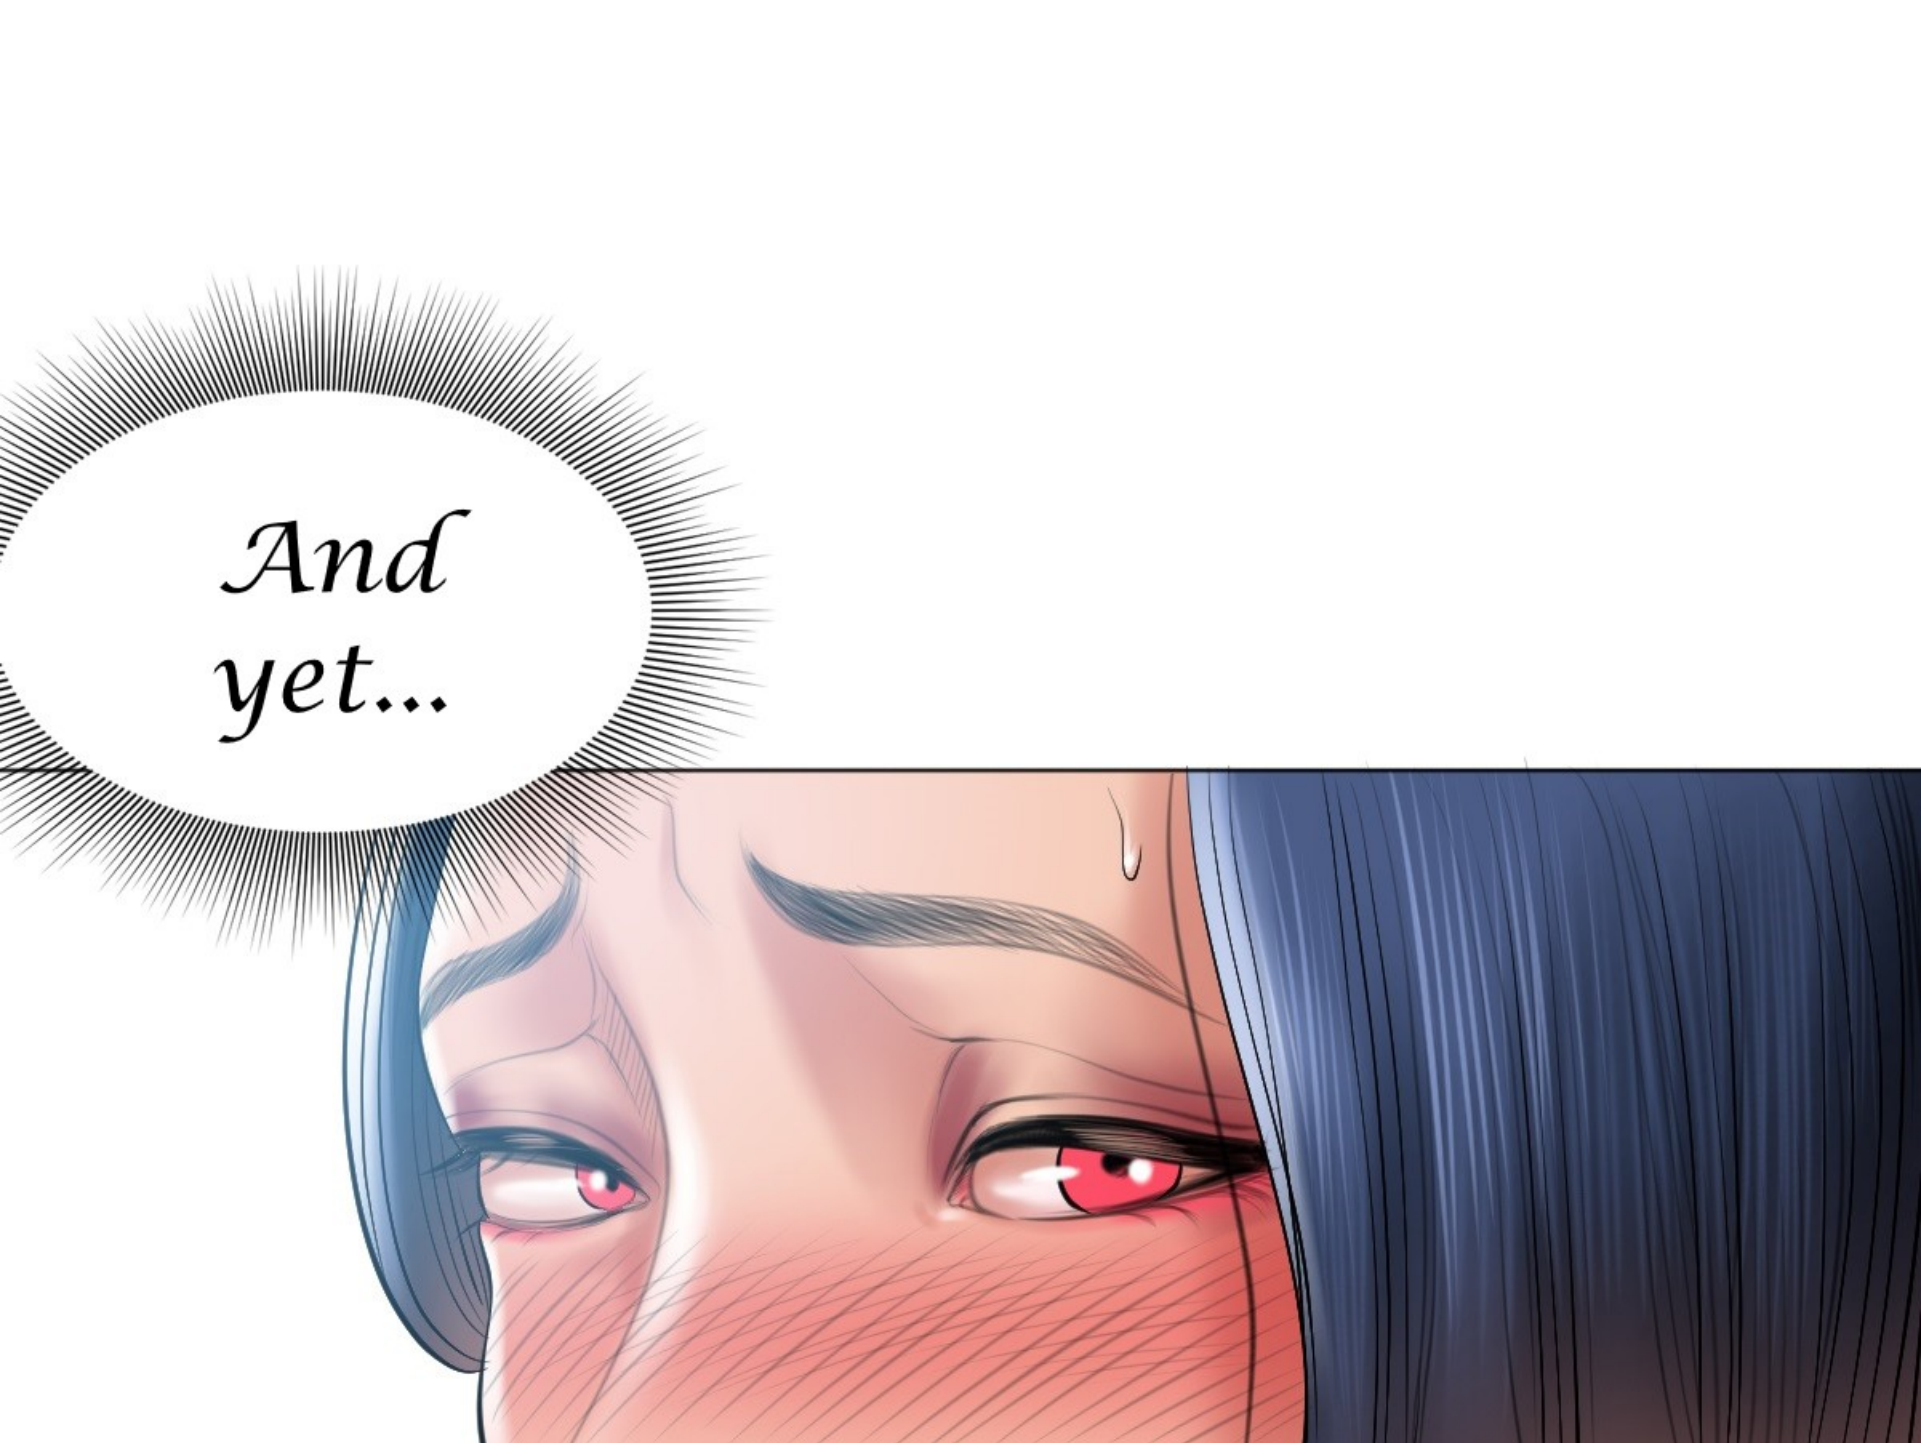

What kinda crazy bitch wears that to school?

Ugh... So embarrassing...

It feels like my body is being assaulted by these judgmental eyes.

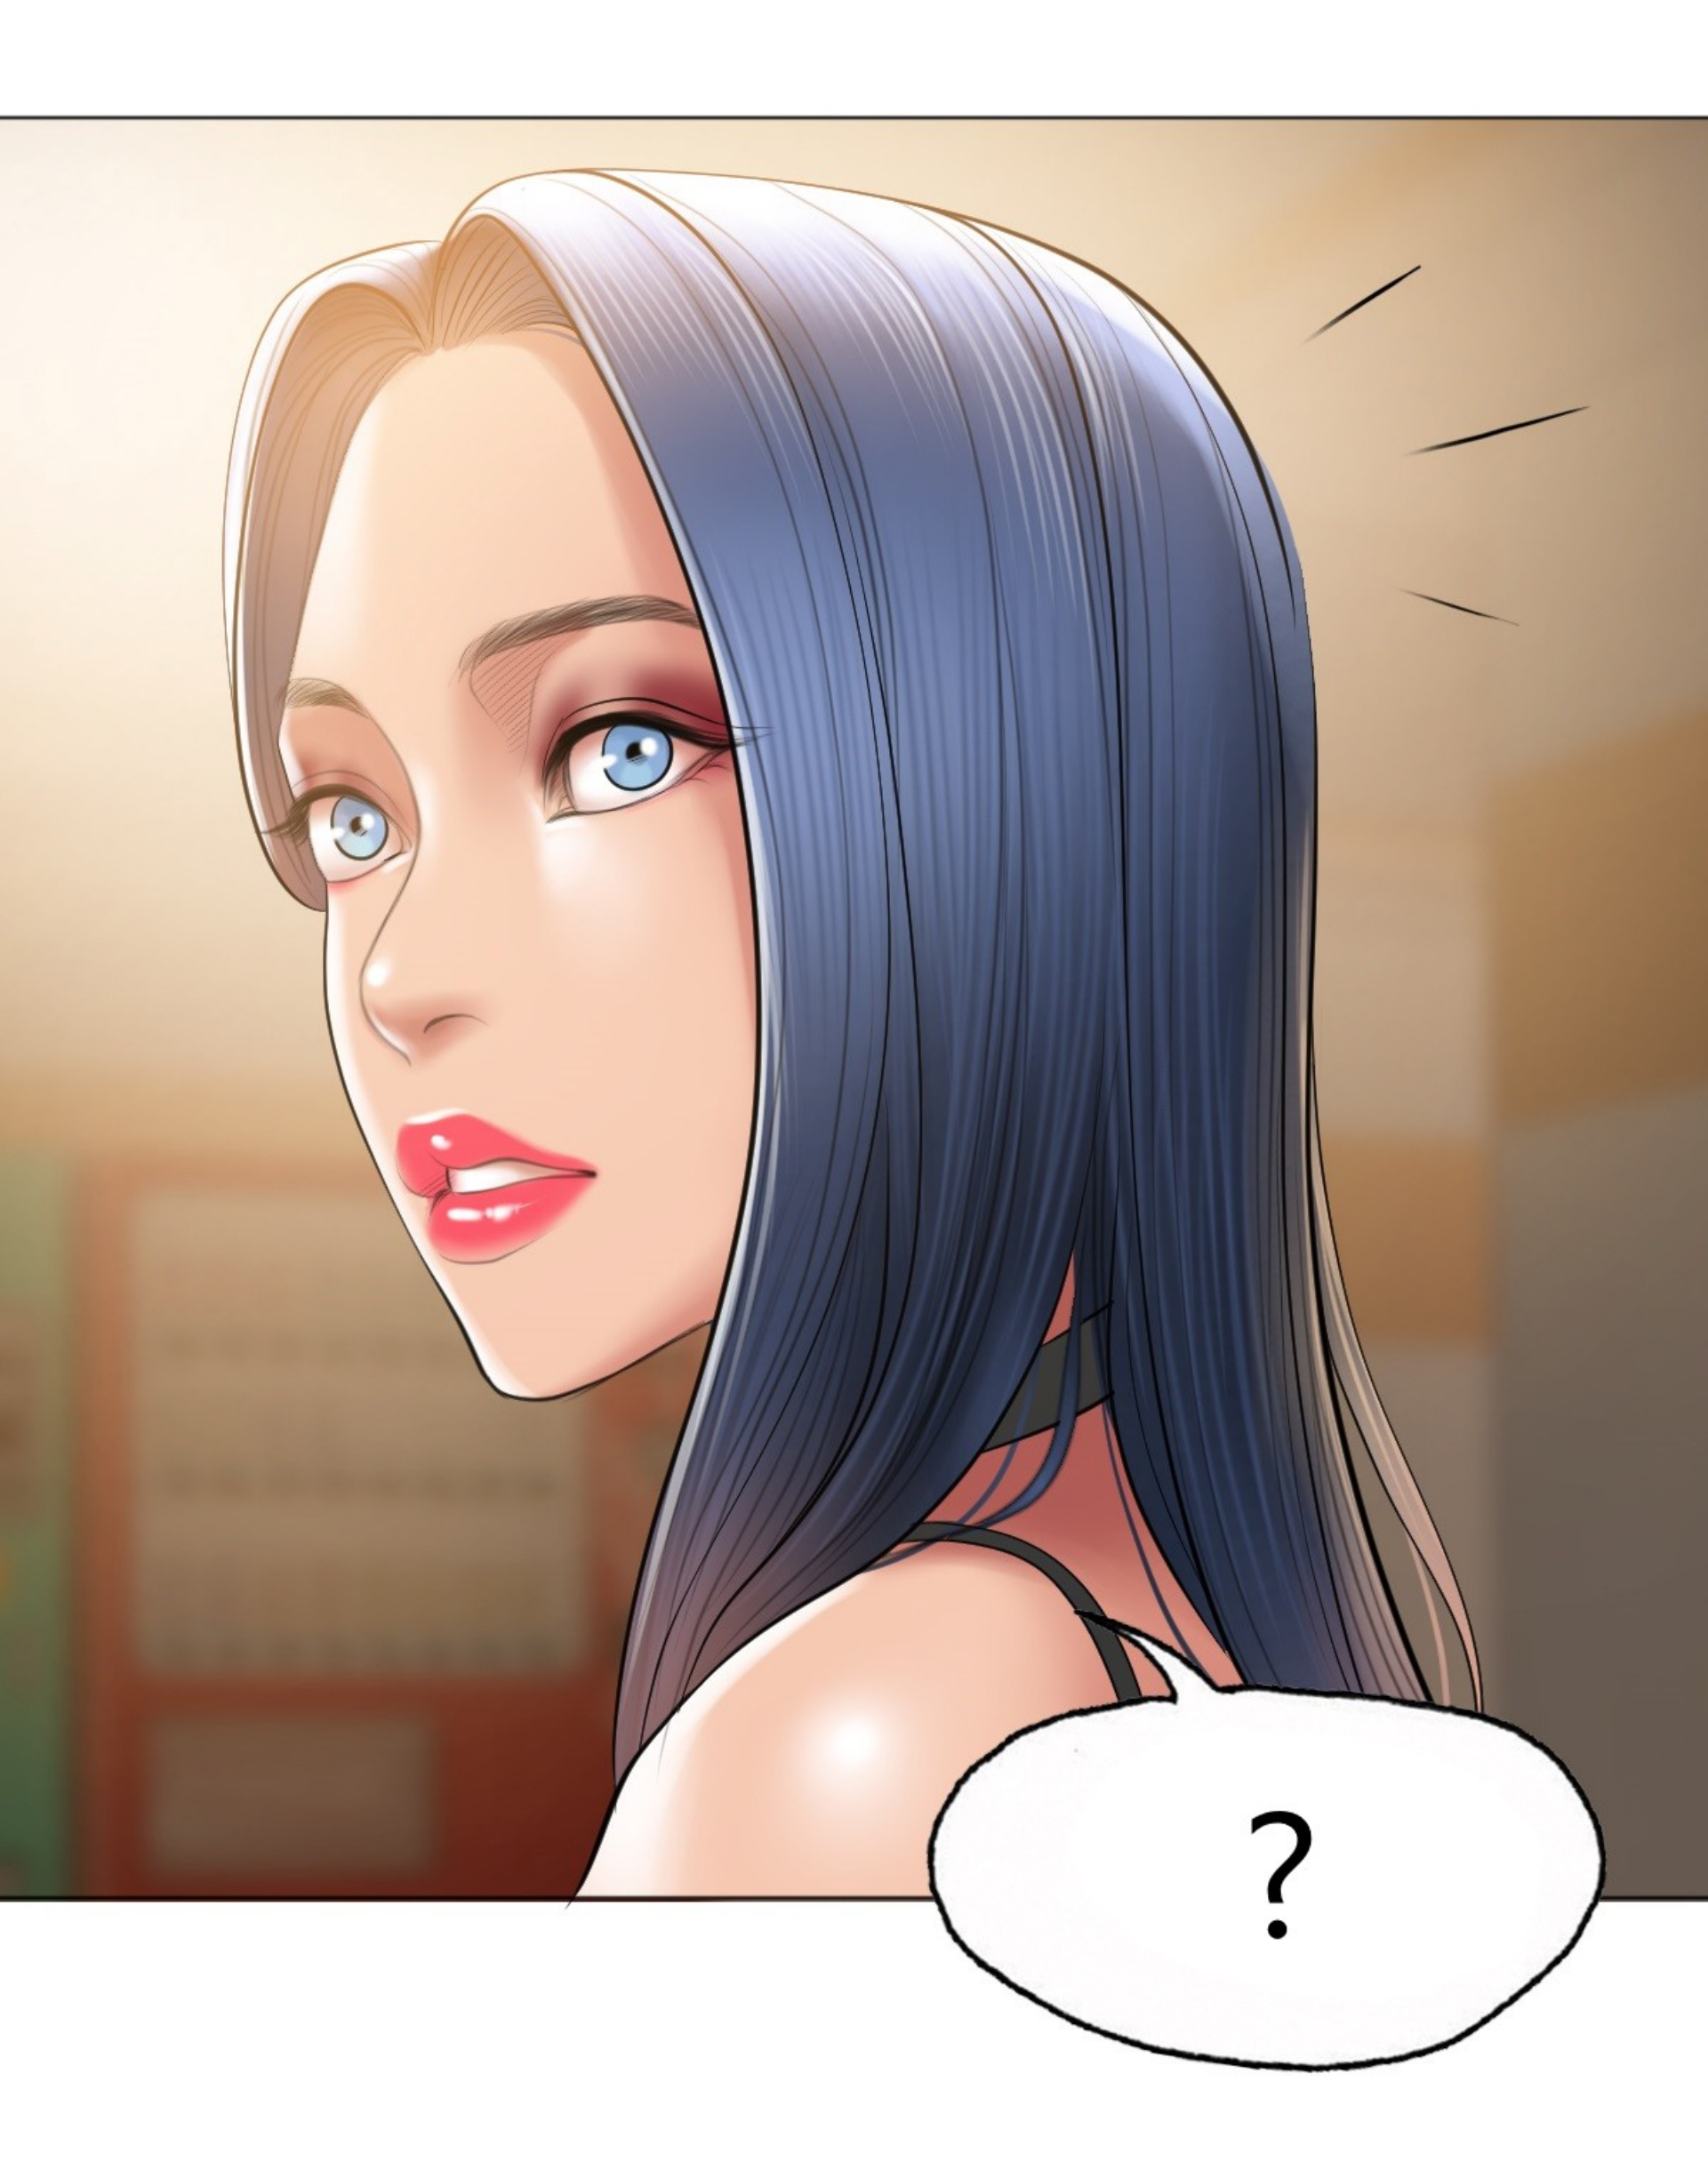

*And yet...*

*All these dirty looks*

*are so stimulating♡*

Mia!

?

Oh, Steve and Jessica!

Long time no see! How are you?

.....

Is that all you have to say after ghosting me?

We've been working nonstop trying to save this project and make up for you going missing!

How could you be so careless and let your team down!

.....!

What is this unpleasant vibe?

It's definitely my fault, but I'm not sorry at all.

*You are so irresponsible!*

Oh I see, it's her voice!

I don't want to hear it anymore.

Has she always sounded this irritating...

Mia!

Are you listening?

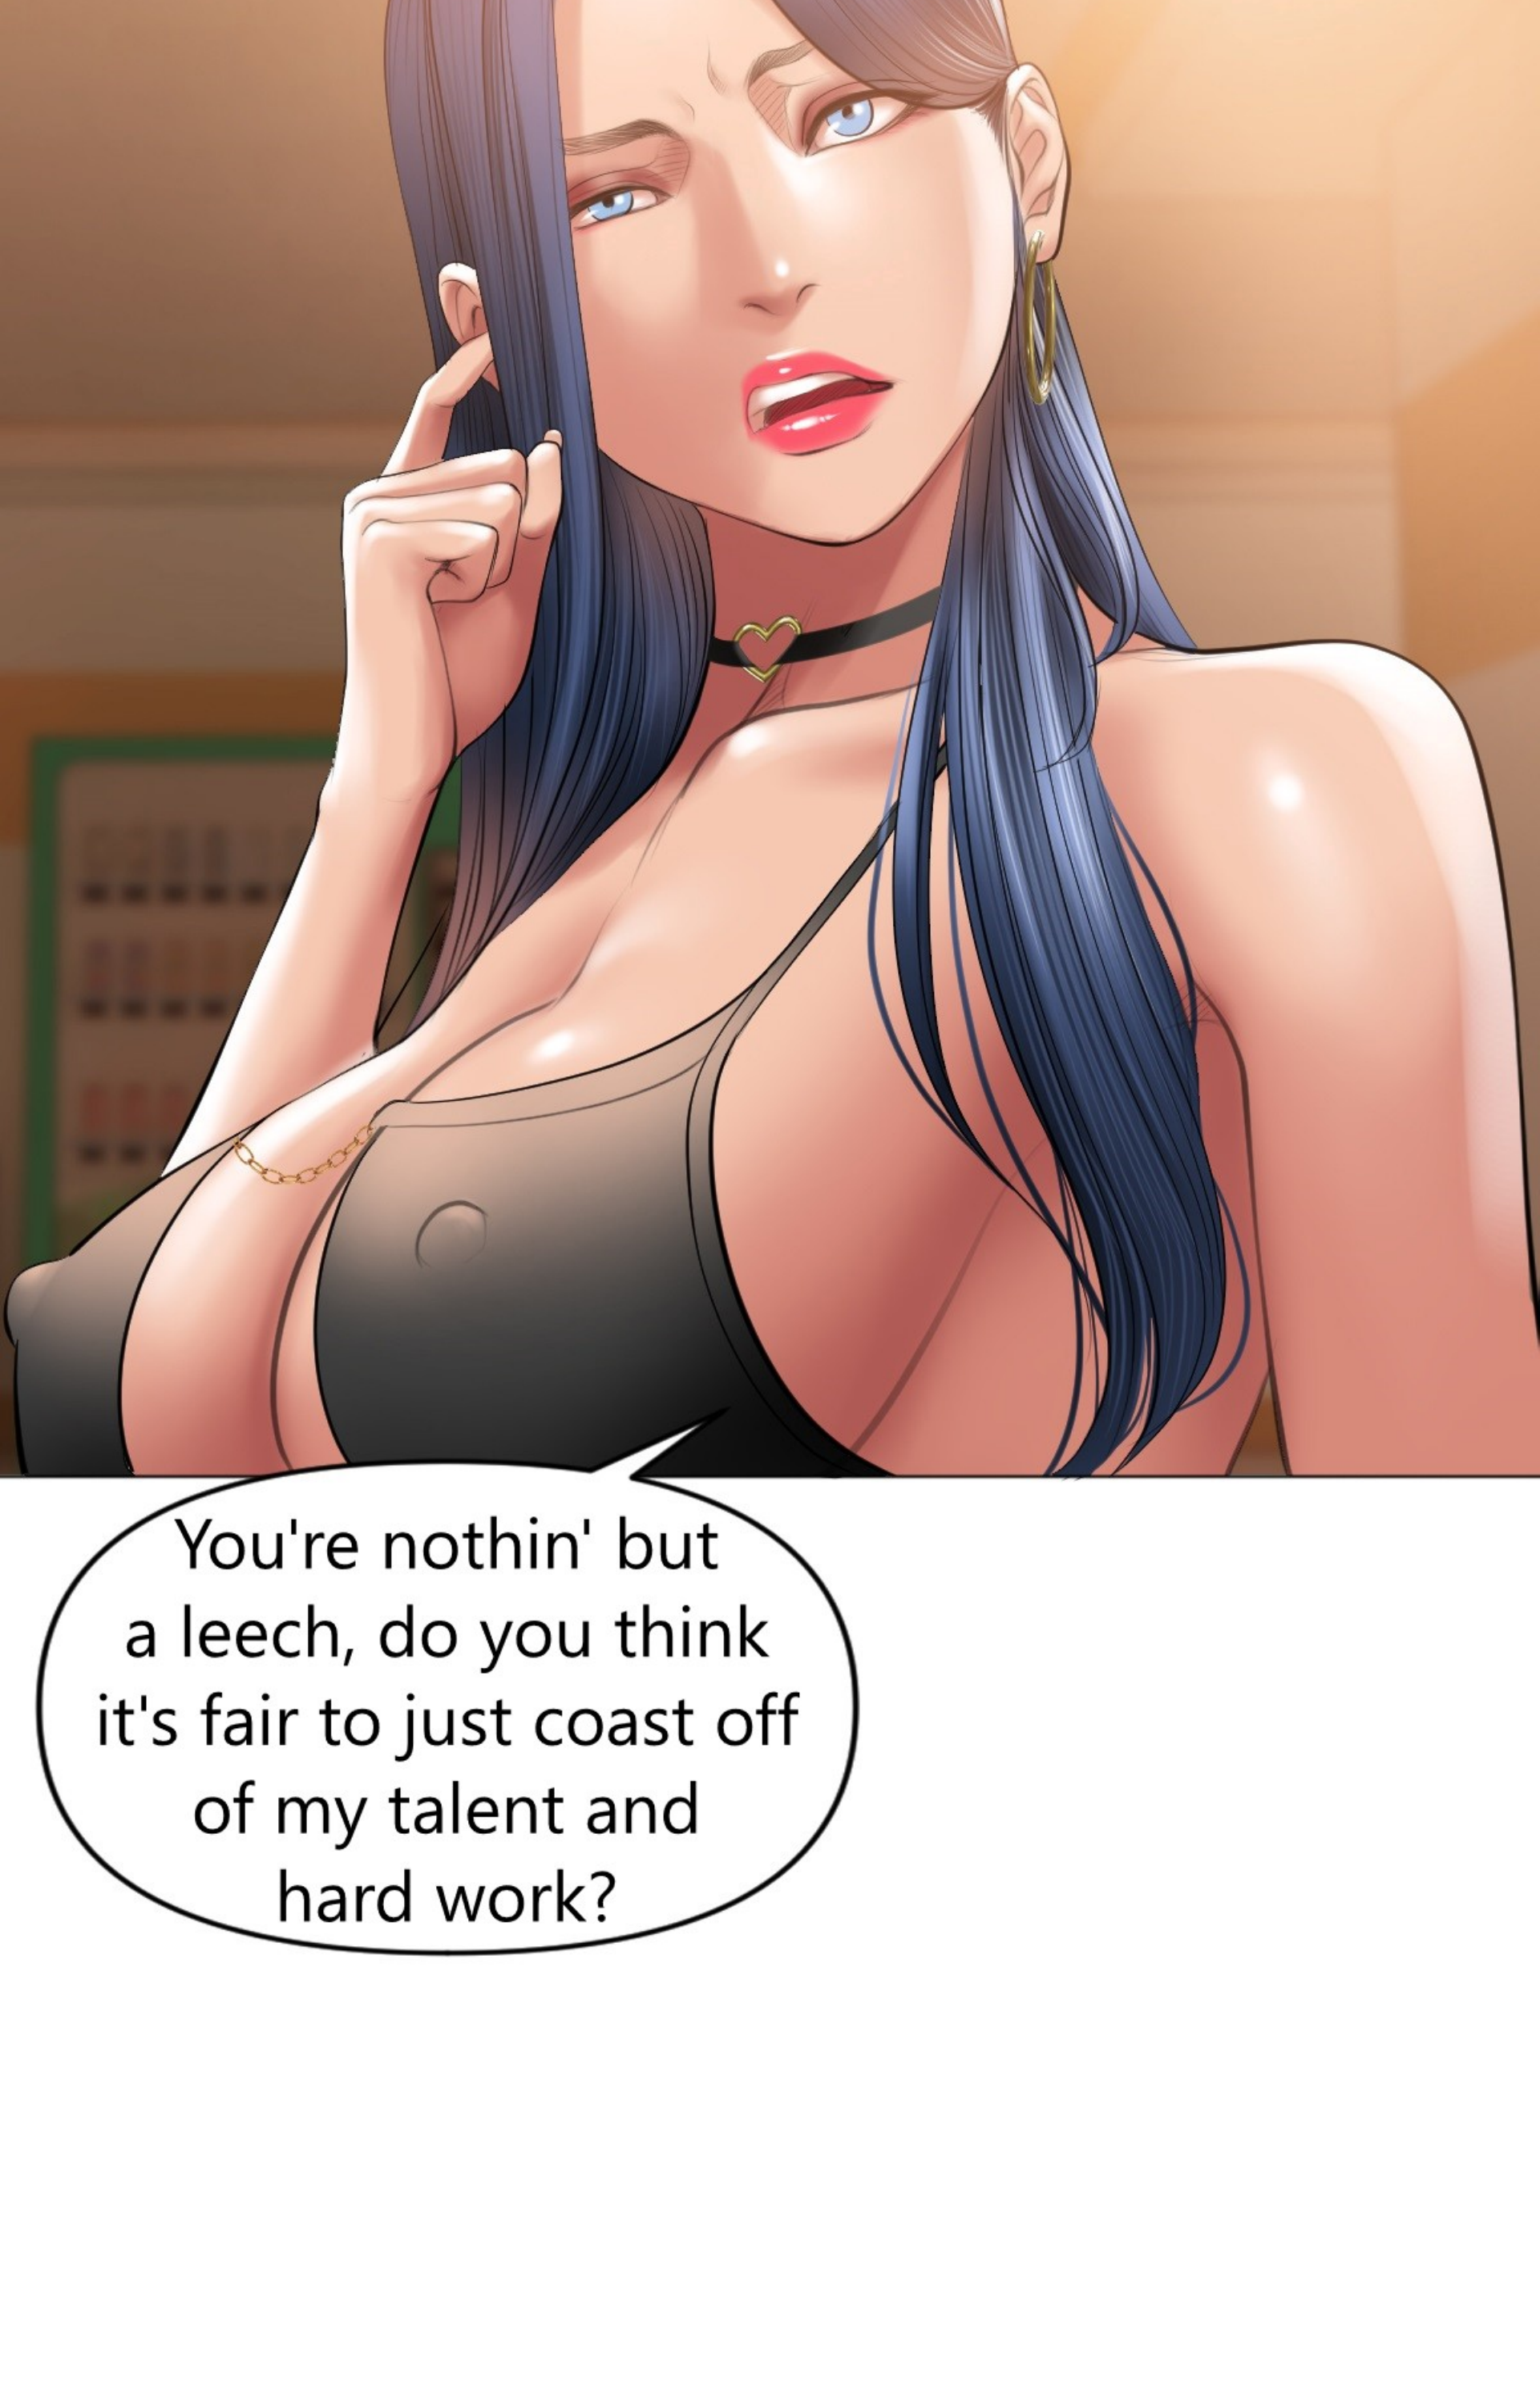

Yeah...  
And all your bitchin' is hurtin' my ears...

So please, shut the fuck up.

!!

We both know you're just mad that I didn't work my ass off so you could get an easy A.

You're nothin' but a leech, do you think it's fair to just coast off of my talent and hard work?

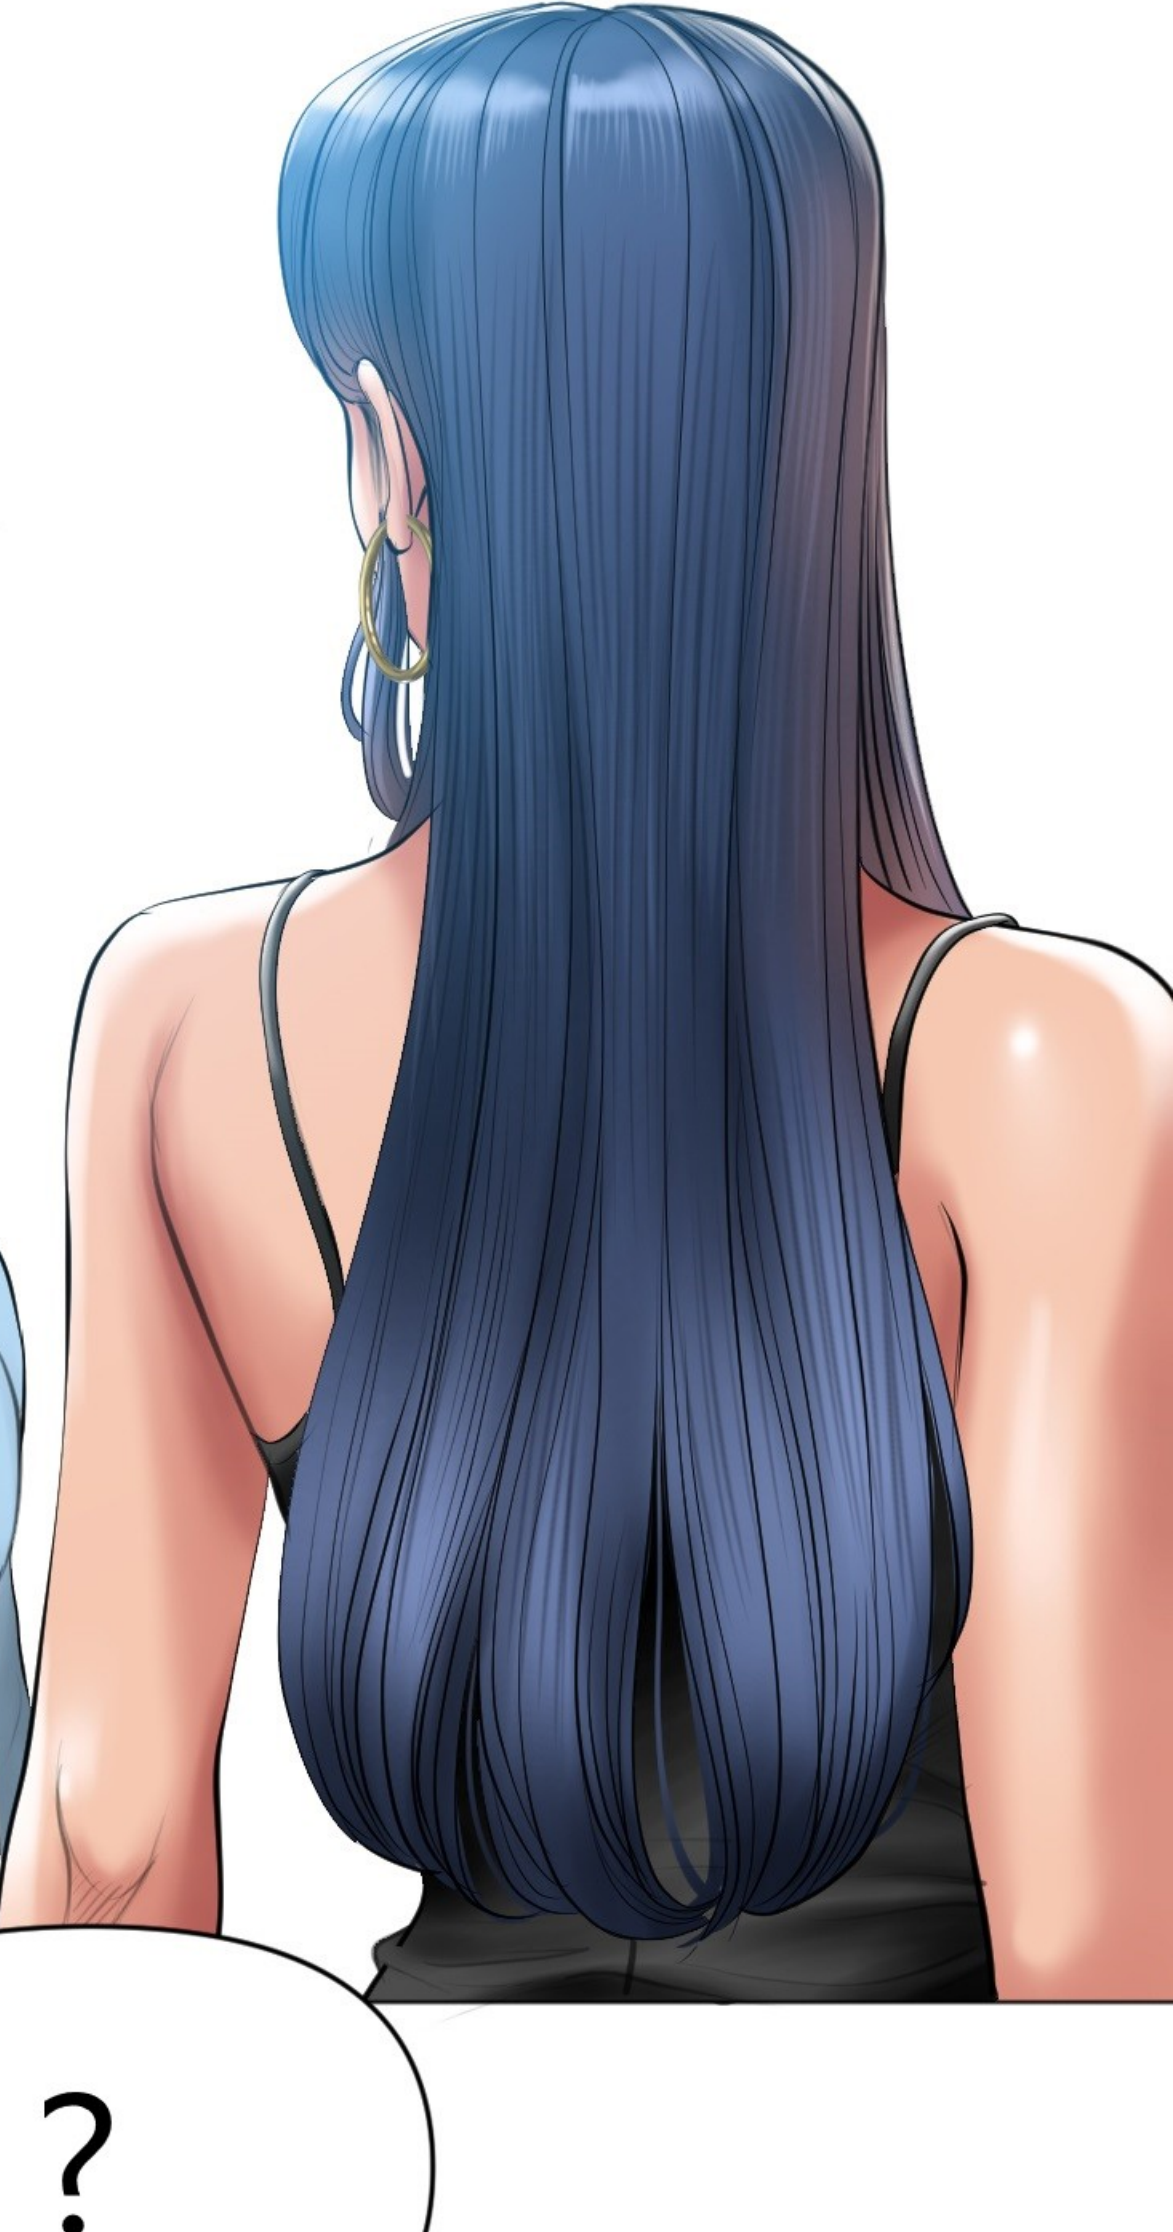

Well I'm done lettin' useless idiots walk all over me.

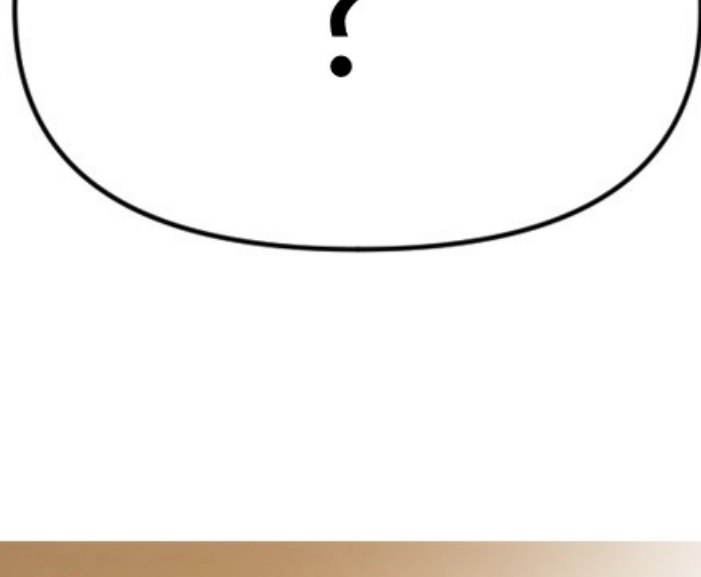

W-What?!

You got somethin' to say steve?

?

*Or are you just gonna keep starin' at my boobs?*

Huh?!  
N-NO!  
I haven't....!

*Tee-hee...  
Your lovin' girlfriend is right there,*

*yet your eyes are glued to my luscious tits!*

Is it 'cause Jessica's are too small?

You could do so much better...

뚜각

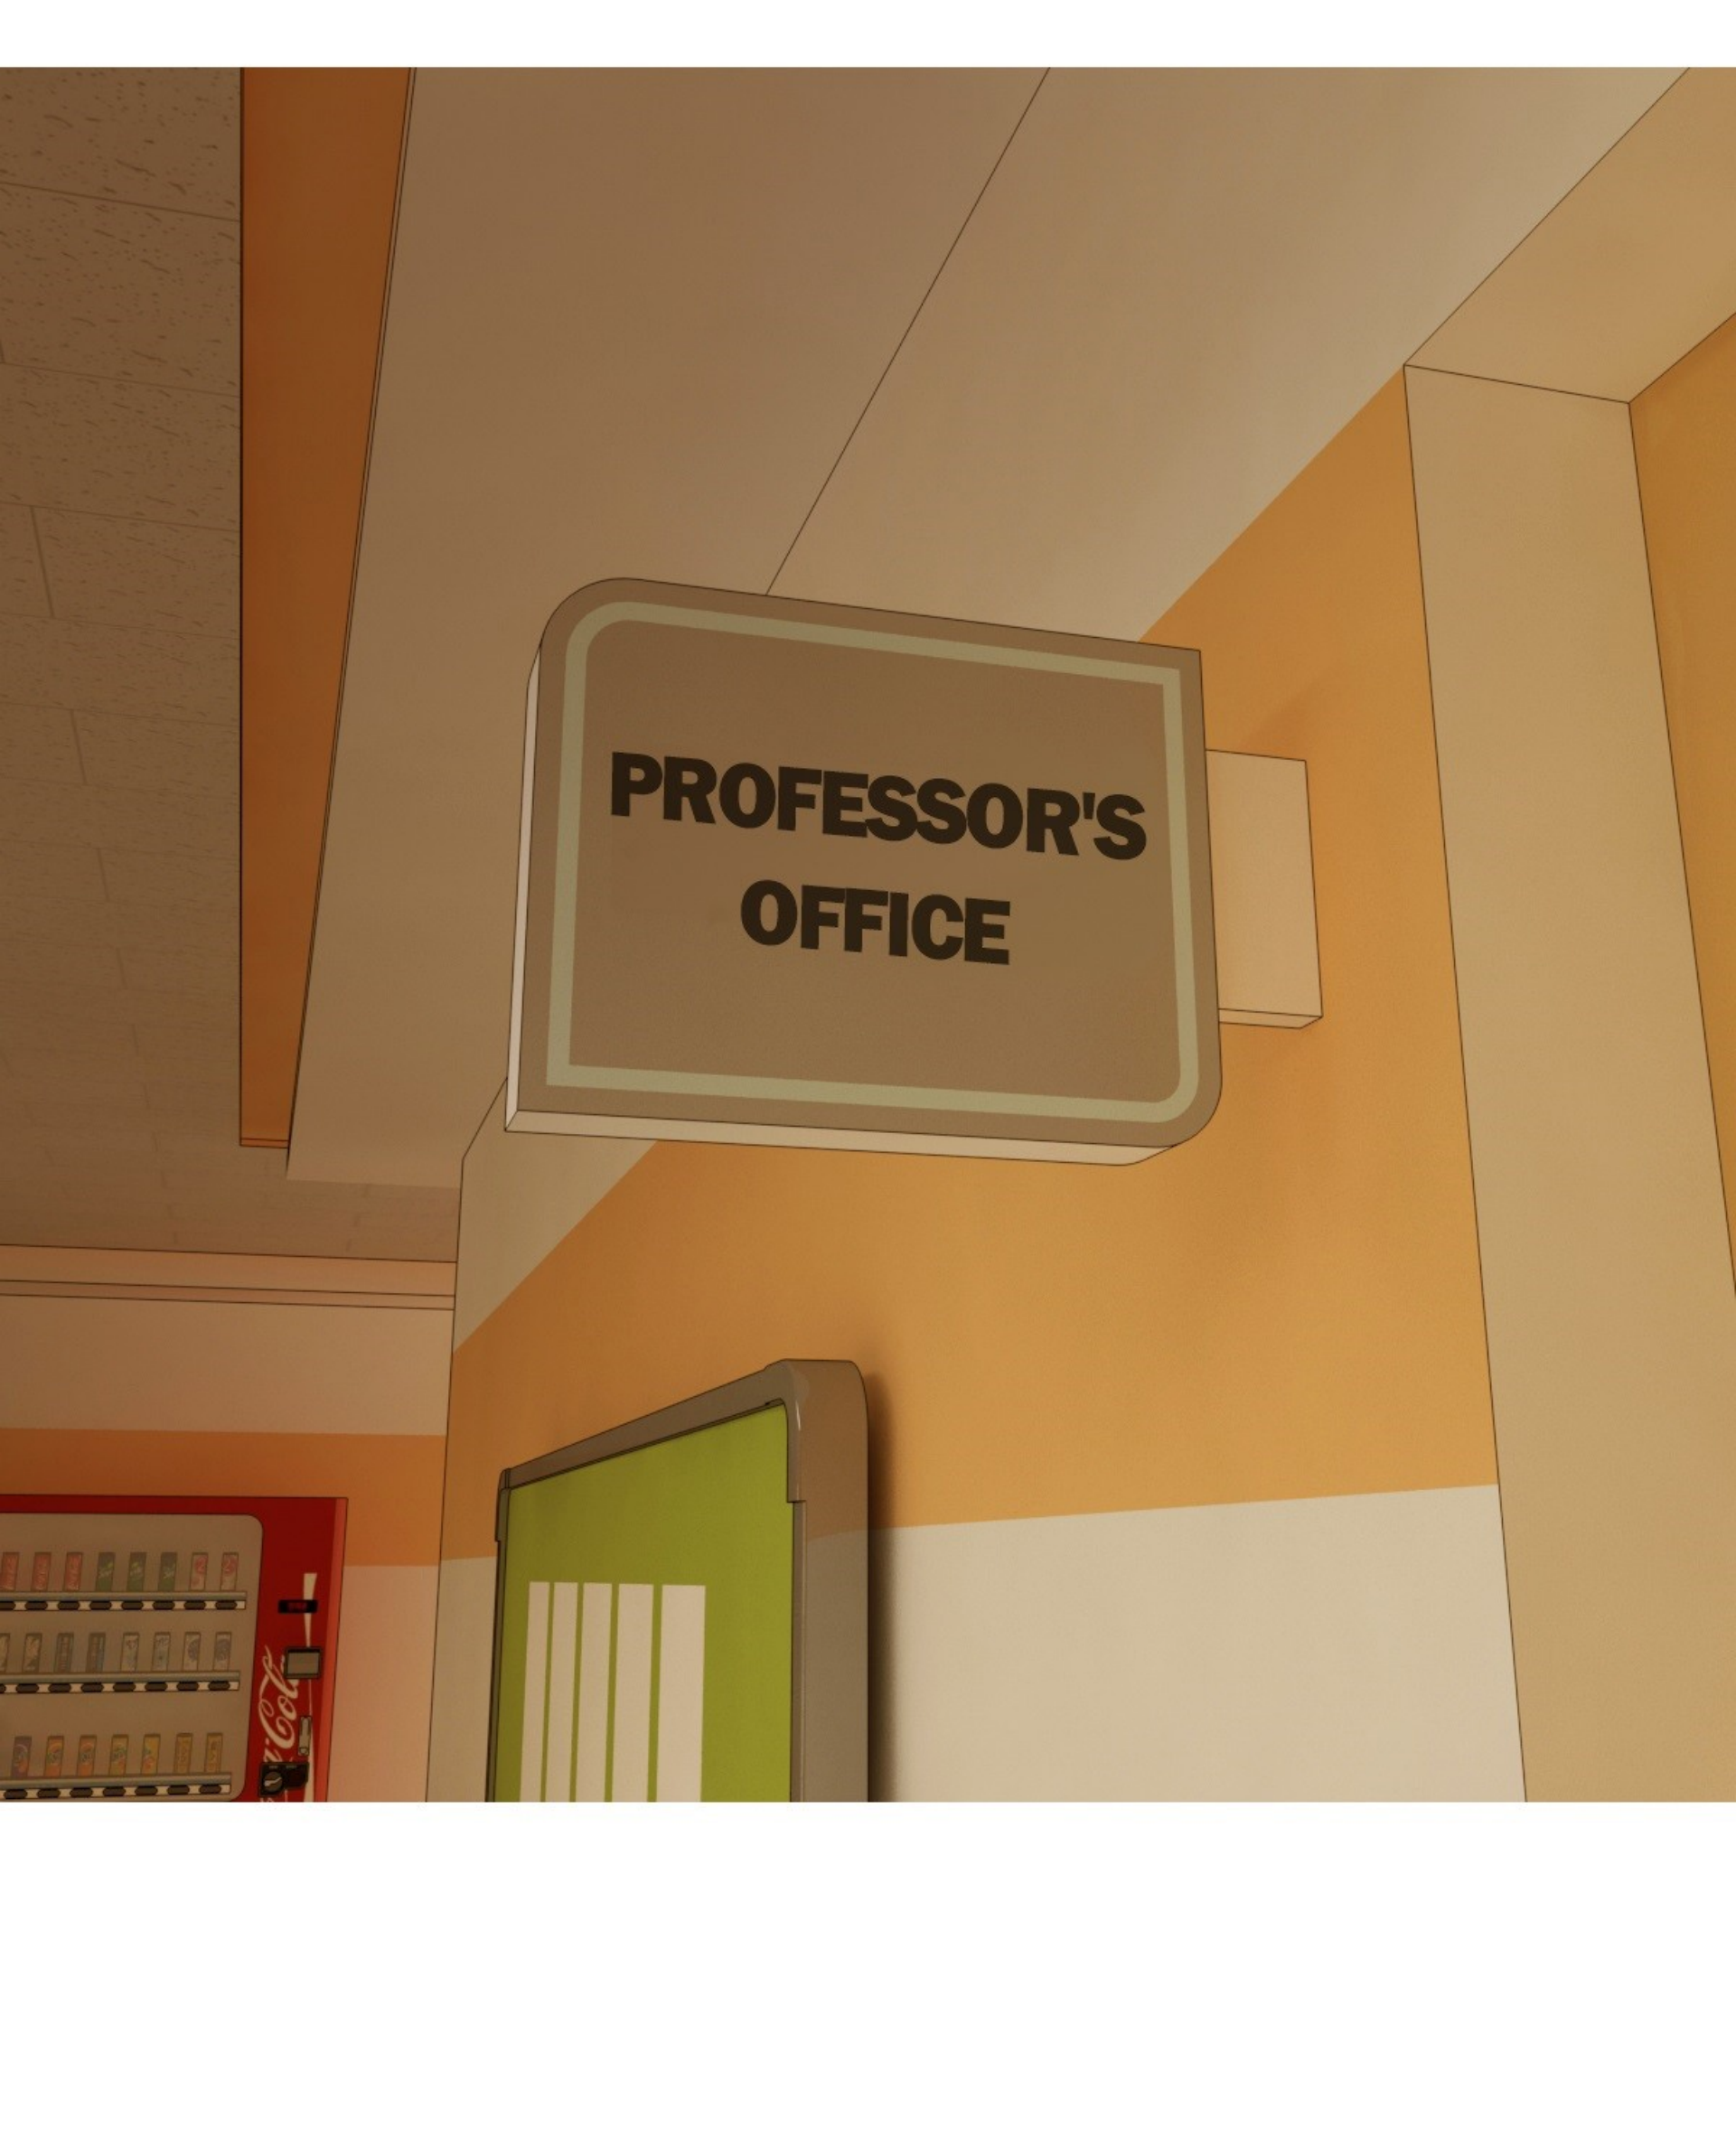

...!

뚜각

What the hell has gotten into her?

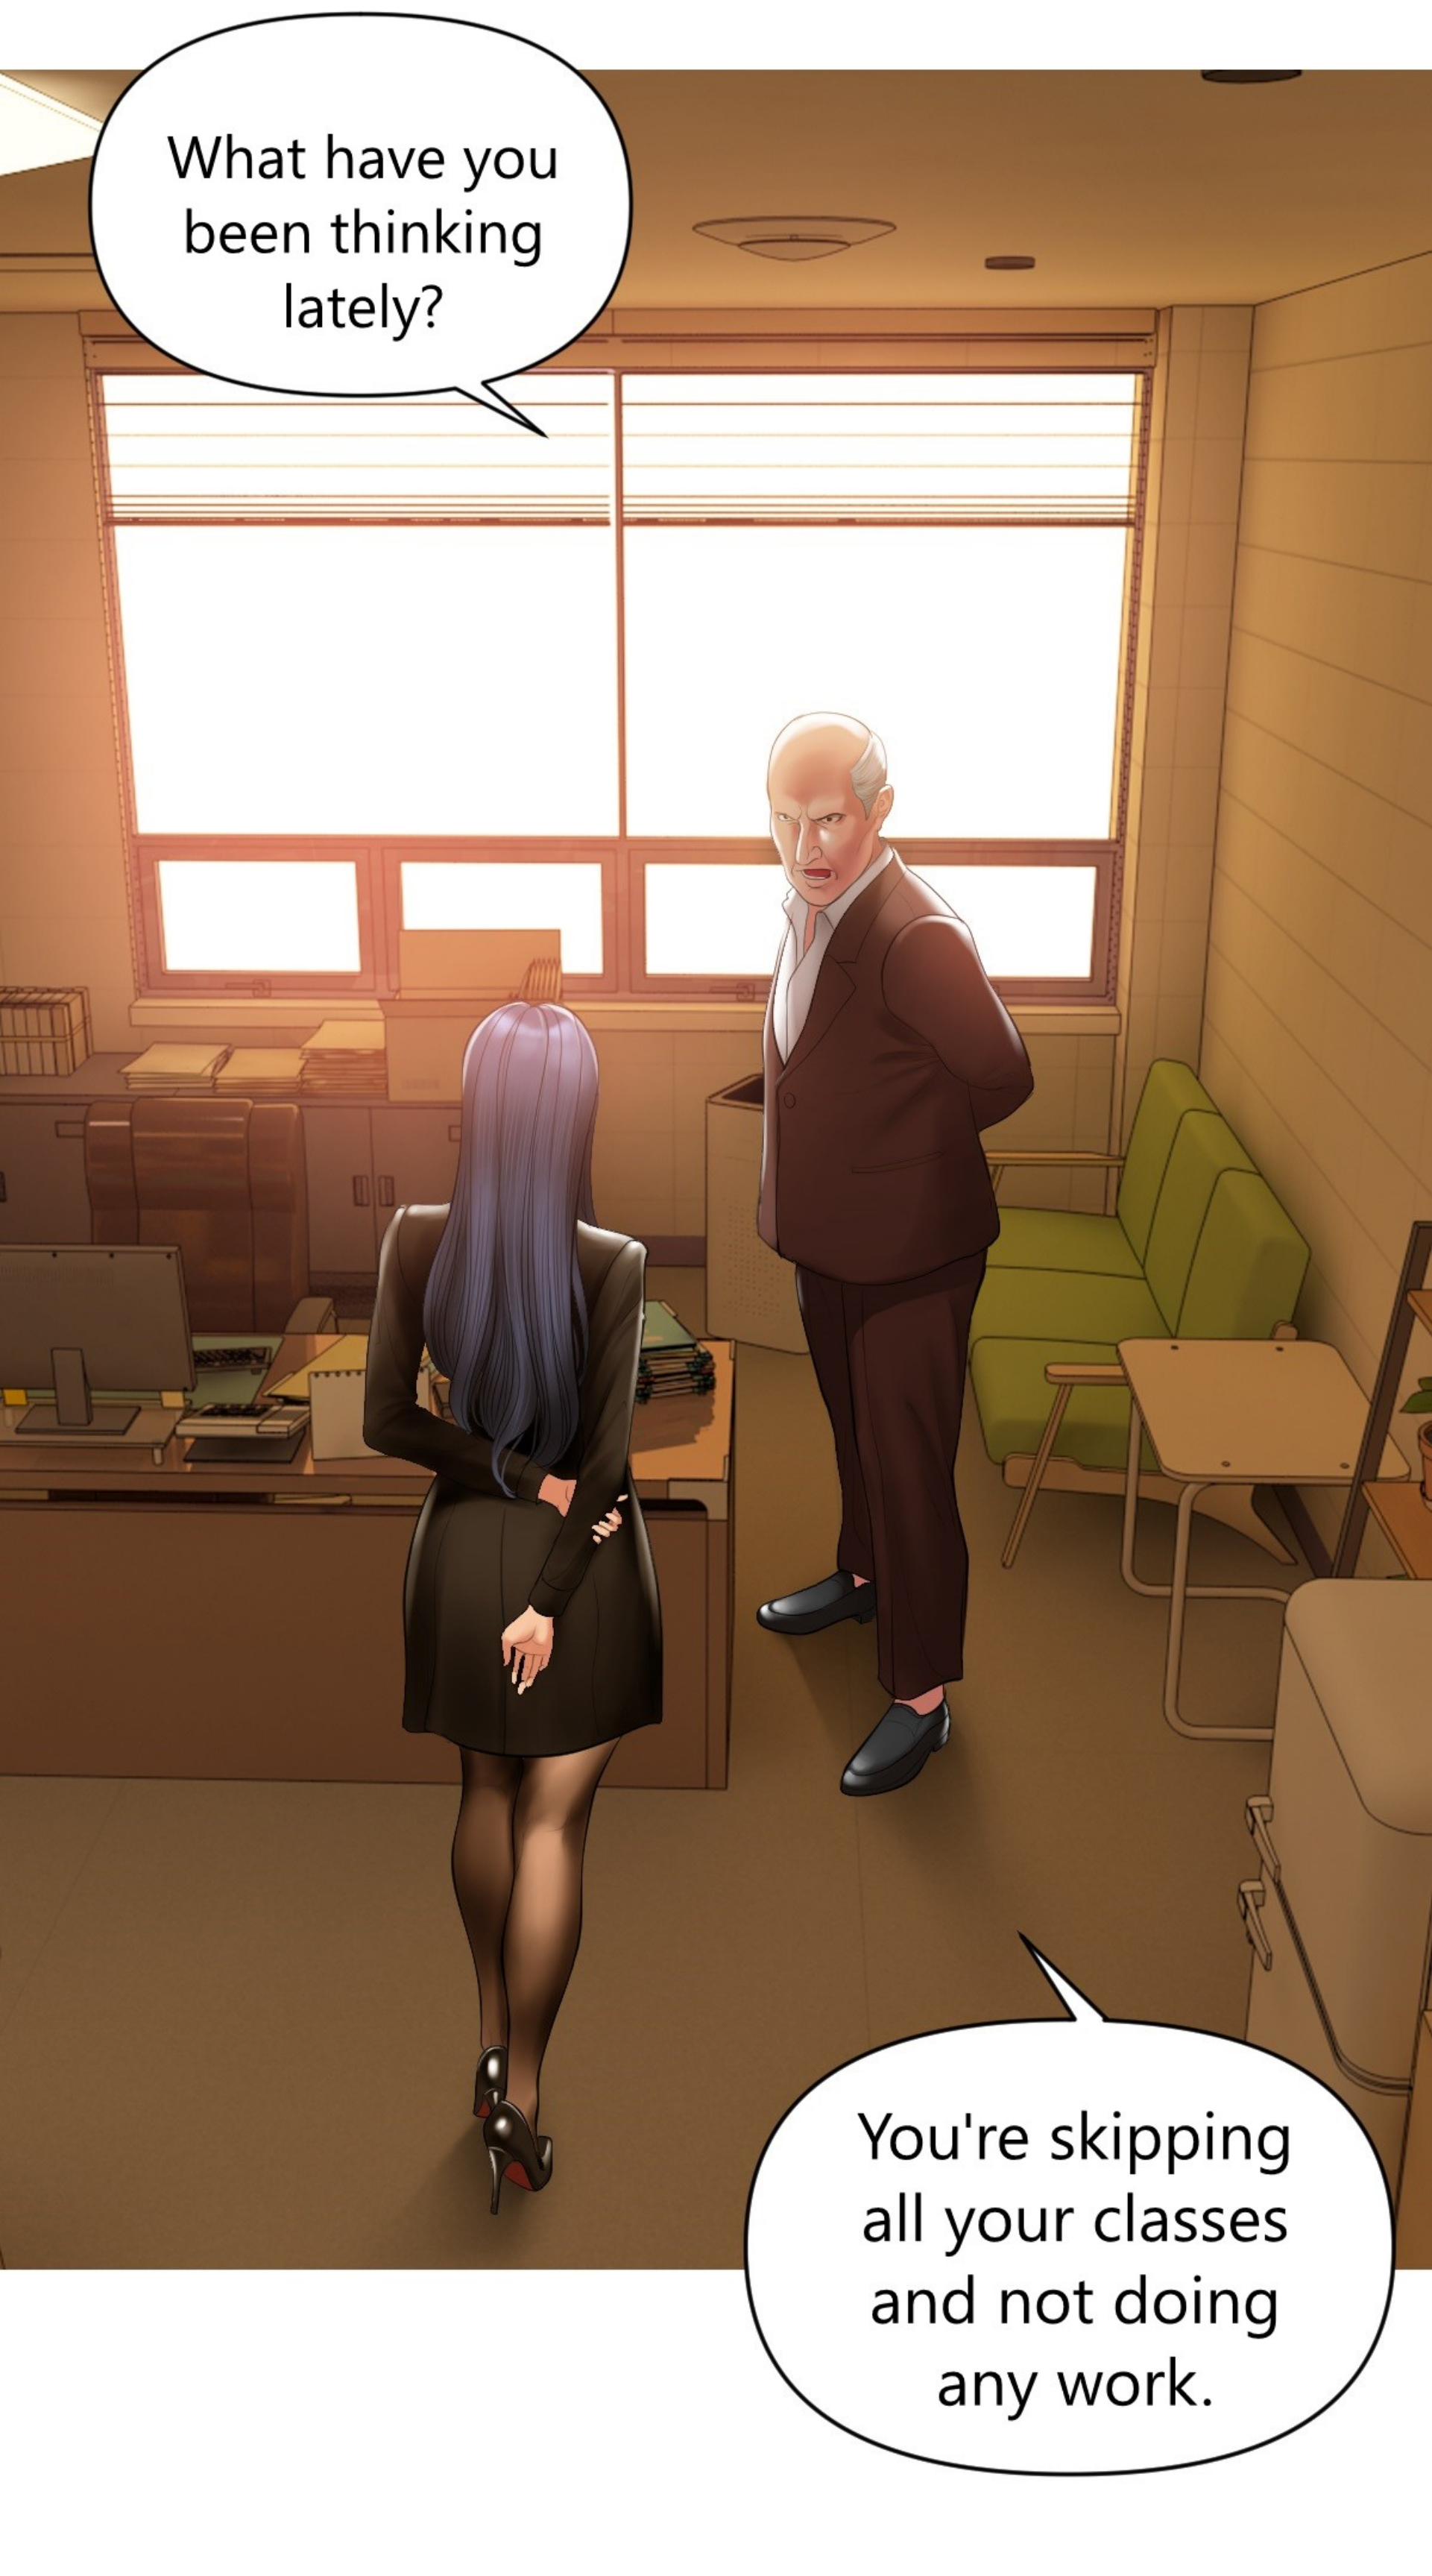

I've never seen someone pull such a 180, she's like a totally different person!

PROFESSOR'S OFFICE

You've always been such an earnest and model student.

What have you been thinking lately?

You're skipping all your classes and not doing any work.

I'm sorry... My mother has been sick lately, so I went back home to care for her.

**HOW DARE YOU LIE TO ME!**

I asked around and students have seen you still in the area!

You've been skipping school doing god knows what!

This many unexcused absences are grounds to fail a class. I've got no choice but to report you.

!

I'm sorry professor!

You have to give me one more chance!

Enough! You really expect special treatment after lying to my face?

.....!

.....

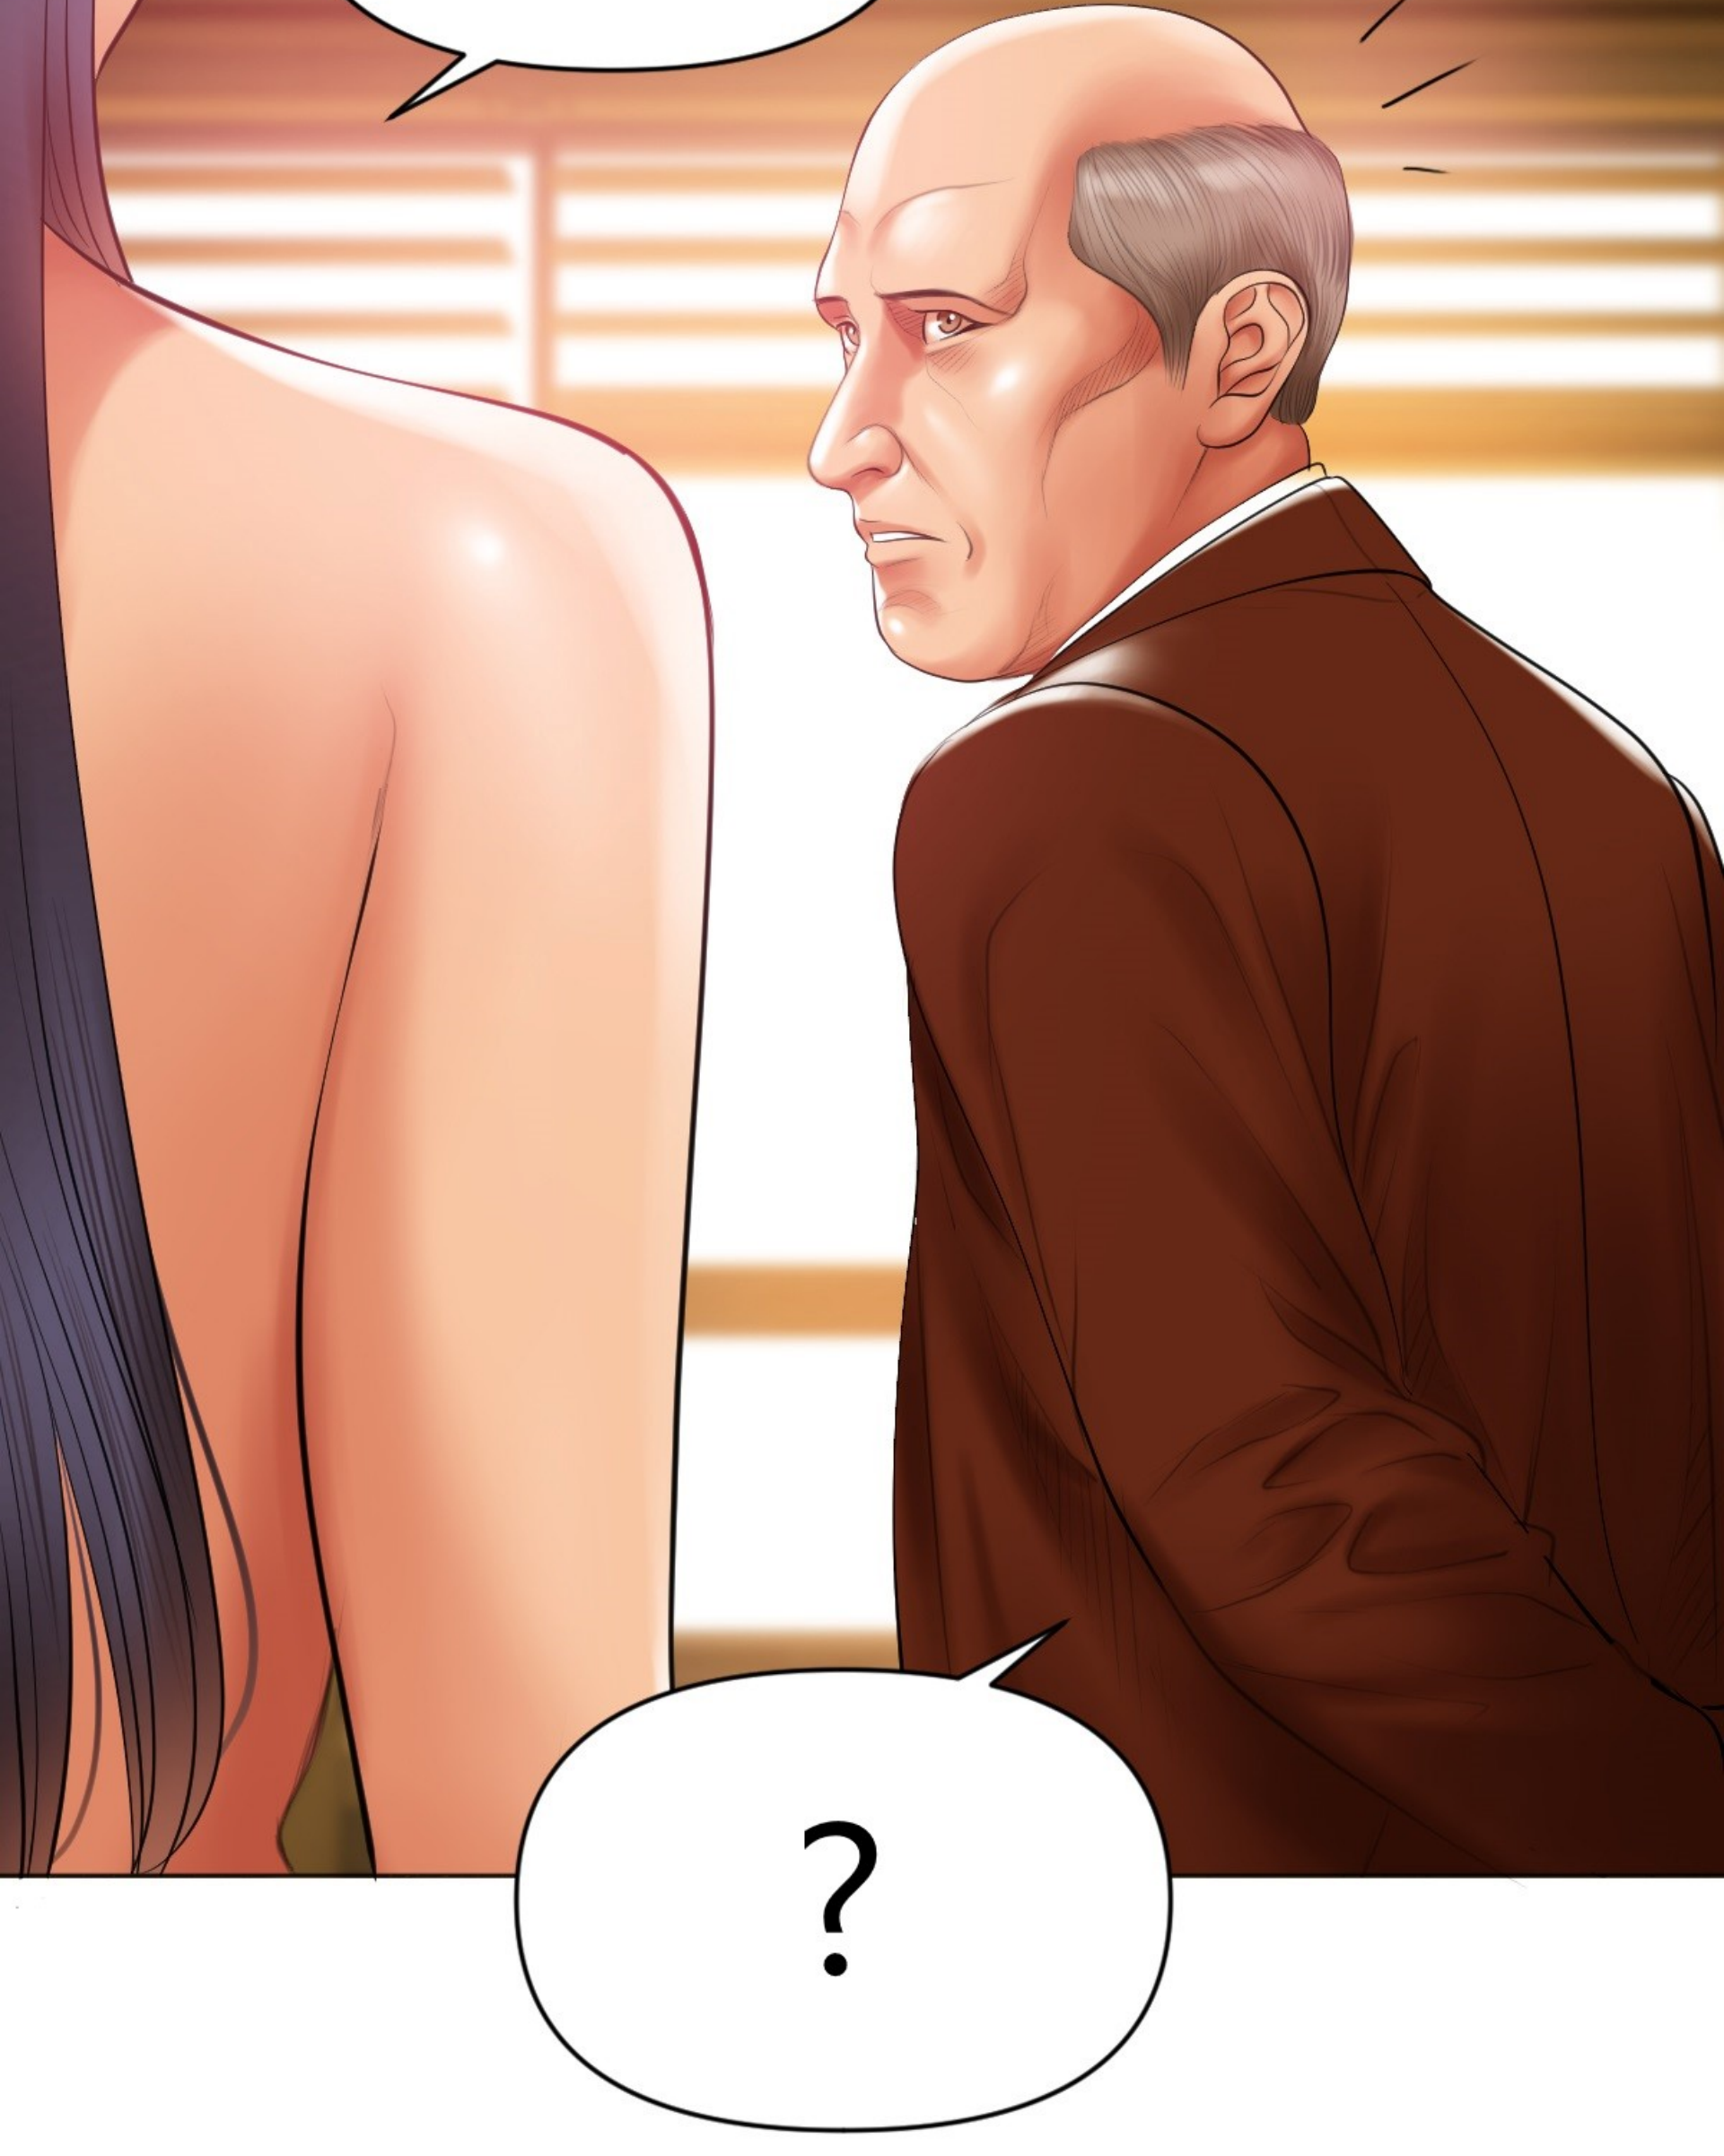

I'm so sick of being a pushover.

I try and be the good girl everyone expects, and this is how I'm treated!

*I'm done livin' my life tryin' to please these assholes.*

Um, Professor Kim...

?

W-What the hell?!?

What on earth are you doing!?

*I've known all along, professor.*

*I've seen the way...*

!!

*you stare at my body, with those lust filled eyes...*

to be continued....
