BULLY OR MOTHER

Oh...
You must be one of Mathew's friends
What can I do for you?

Friends? Hahaha... It's actually the complete opposite

Your idiot of a son got me into trouble... So I need your body for some sweet revenge

Wait! Could you be the guy that keeps bullying my dear Mathew?

Correct Ma'am! But it is to late

What is this green light?

What...
My body...
It feels...
Almost
empty

What did... That green light... Do to me?

Seems like that gun I got from that weird antique store actually worked

This is very exciting... I should be able to wear her body now that she is deflated

Her body is still warm... My body is taking her shape as I wear each piece

The rest of her body was easy to wear...

But her face is tricky... I need to adjust her face so it looks perfect and not saggy

I think
I'm almost
there...
A little tug
and I should
be good

Mmph...
Hmm...

Phew...
That should
do the
trick

Wow!
I'm actually
that idiot's
mother now

So this is what having huge breasts is like...

I can't wait to explore all that this MILF's body has to offer

She doesn't just have huge tits But also this juicy firm ass

Hi Mom!
I'm home

Mom...
Are you
home?

Aww...
How dissapointing
I thought it was
my perfect darling
daughter Erica
that came
home...

But it's just my faliure of a son instead... How did I even give birth to such an idiot

What the hell are you talking about mom? Are you feeling okay... Is something wrong?

Oh...
My dumb...
Stupid
dissapointment
of a son...
I've never felt
better
