Previously on „The lost Temple“:

Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic, but Mika realises she is very dangerous.

Last time, we saw how Mika and the young camp crew set out to save Velia‘s sister. Thanks to Mika‘s inside knowledge, they find Demon General Lies‘ hideout, and the missing women, but as Velia rushes to her sister and the others try to keep up, Lies appears behind them, knocking out Liz and ripping a hole in Mika‘s stomach, who falls to the ground in pain. The situation seems pretty dire. Can Vadim and Velia defend against the demoness?

Last time on TIT, we tracked down the missing woman... and found an ancient dimensional rift-gate-kinda thing!

What is that?

It's a portal!

That is my sister!
Velia! No!

As Velia rushes toward her sister...
I'm here, sis.

Lucy and I try to keep up with her and Vadim, who went after Velia.

But as we reach the bottom of the pit, we get ambushed...
Looking for me?

Lucy, our secret trump card, with powers beyond compare...

Gets knocked out instantly...

And I'm not faring any better...
Hey, boy! Eyes up here!
Lucy!

rip

Tsk - Humans. So, easy to break.

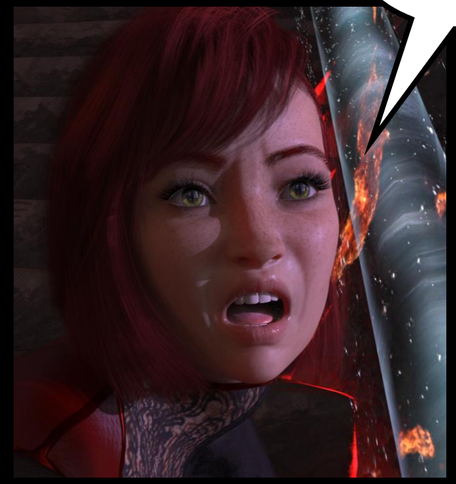

And that's how I ended up in this particular bad spot...
Lucy...

Groan

Well then... who is still left to disappoint me?

We continue from here...

Well then... who is still left to disappoint me?

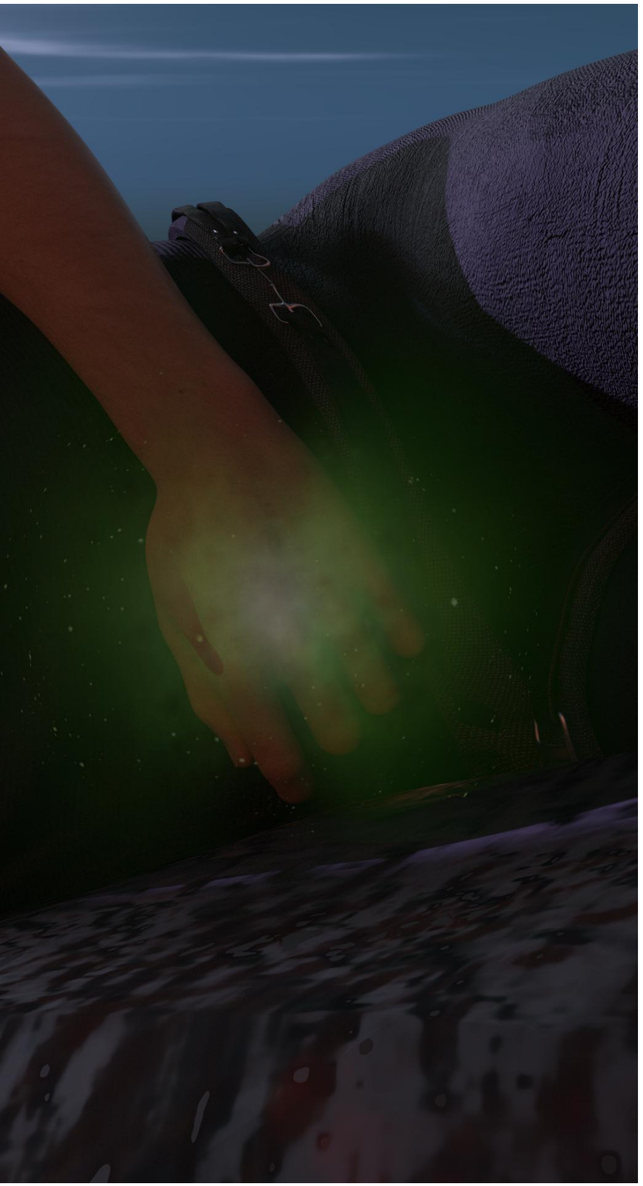

You will pay for that!

Ha-ha-ha
I'm gonna kill you!

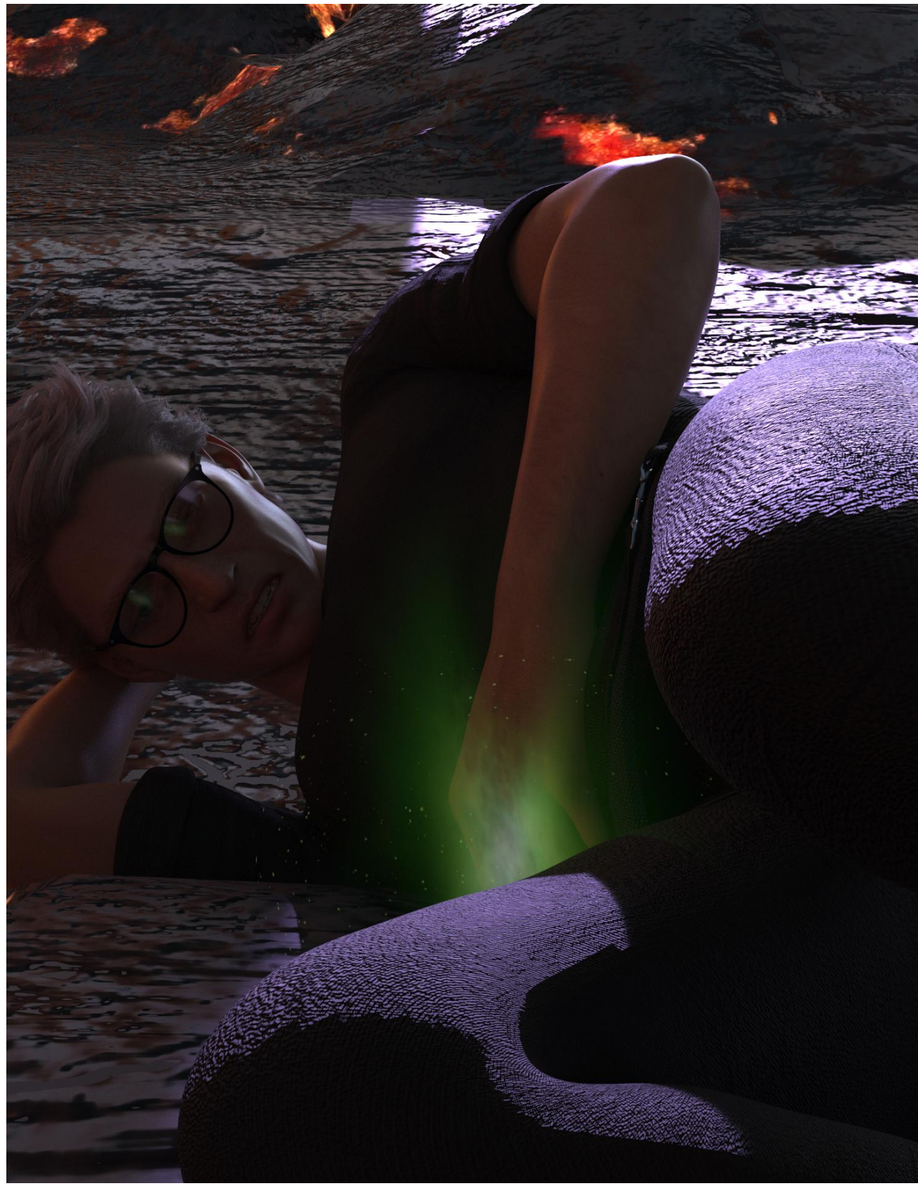

Try it, girl.
Don't let her provoke you. Concentrate!
Gimme your best shot. I won't even budge from where I stand. Promise.

Meanwhile, a few dozen meters further back with Mika...
Groar
Fuck!
I can't die here!
Medeo!

It's hard to concentrate on a precision task like healing somebody while being in pain that almost makes you faint, and constant fear of bleeding out...

But somehow, I made it work.
Wound's gone, but I lost a lot of blood.
She's just unconscious... but I don't know how to heal that. Fuck!
Medeo

Haa

Haaa

Haaaaa!

Uhh... A fireball. My knees are already buckling from fear!

Die!

Ignis Fatus!

Well... it is an impressive fireball...
Ignis Fatus!

Huh?

Hey, girl, your aim is kinda off.

If you think so!

We know about your powers!

clench

Try dodging this!

What the...

BOOM

The fire engulfed her!
It's a hit!

Ha!
You've got her, Vel!

sizzle

Soo...
Err...What was that all about?

But! BUT!
Your powers! You can retarget spells aimed at you!
1
We trained for this...
Errr.. Nope. That's not how it works, girl. *chuckle*
2

Fuck!

But she must have a weakness!

She would be the supreme leader of the Zermankai if she were unbeatable! Not just a general...
