Previously on „The lost Temple“:

*Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic, but Mika realises she is very dangerous.*

*Last time, we saw how Mika and the young camp crew set out to save Velia's sister and confronted Lies in her underground lair in front of a still dormant dimensional portal... The whole party has been downed except for Mika, who has gotten close to Demon General Lies at the last moment... But what's his plan now that everything else has failed?*

Mika, previously almost killed by Lies, heals himself up while Velia fights the demoness.

Lies' powers do not work as anticipated!

Vadim saves Velia but is shot off the cliff by Lies' spell.

Velia is commanded to sleep.

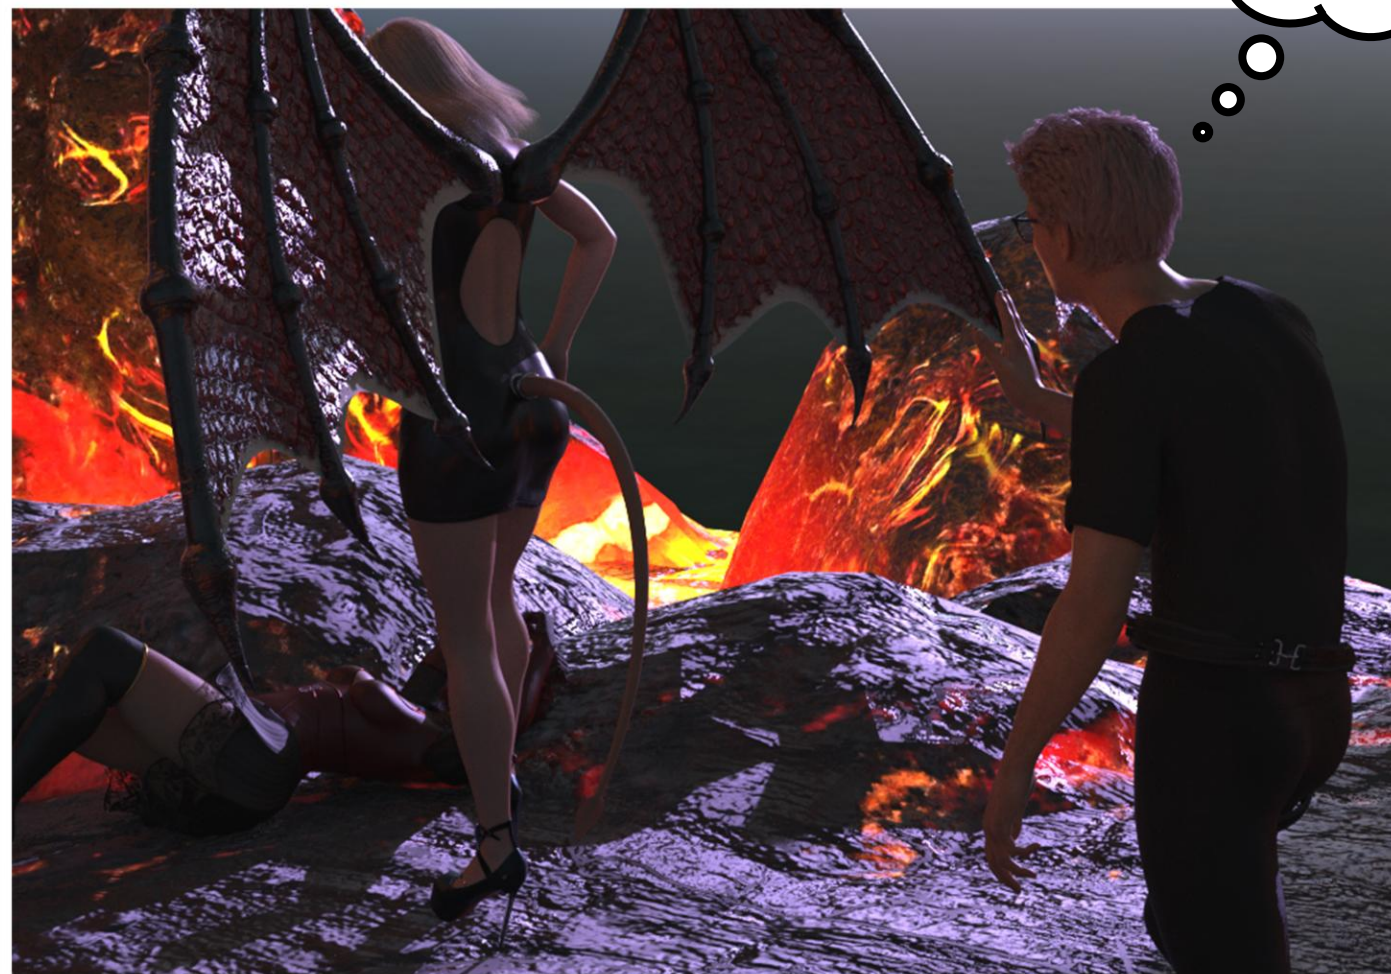

However, she turns around at the last moment!

Tell you what.  
I'm feeling generous.  
You have one attack  
free. **Hit me!**

Almost  
there!

While Mika  
has almost  
managed to  
sneak up on  
Lies...

You  
mean it?

But, sure of her victory, he  
offers Mika one free attack!

What is Mika trying to achieve here?

She must have a weakness! Please let it be it!

Huh?

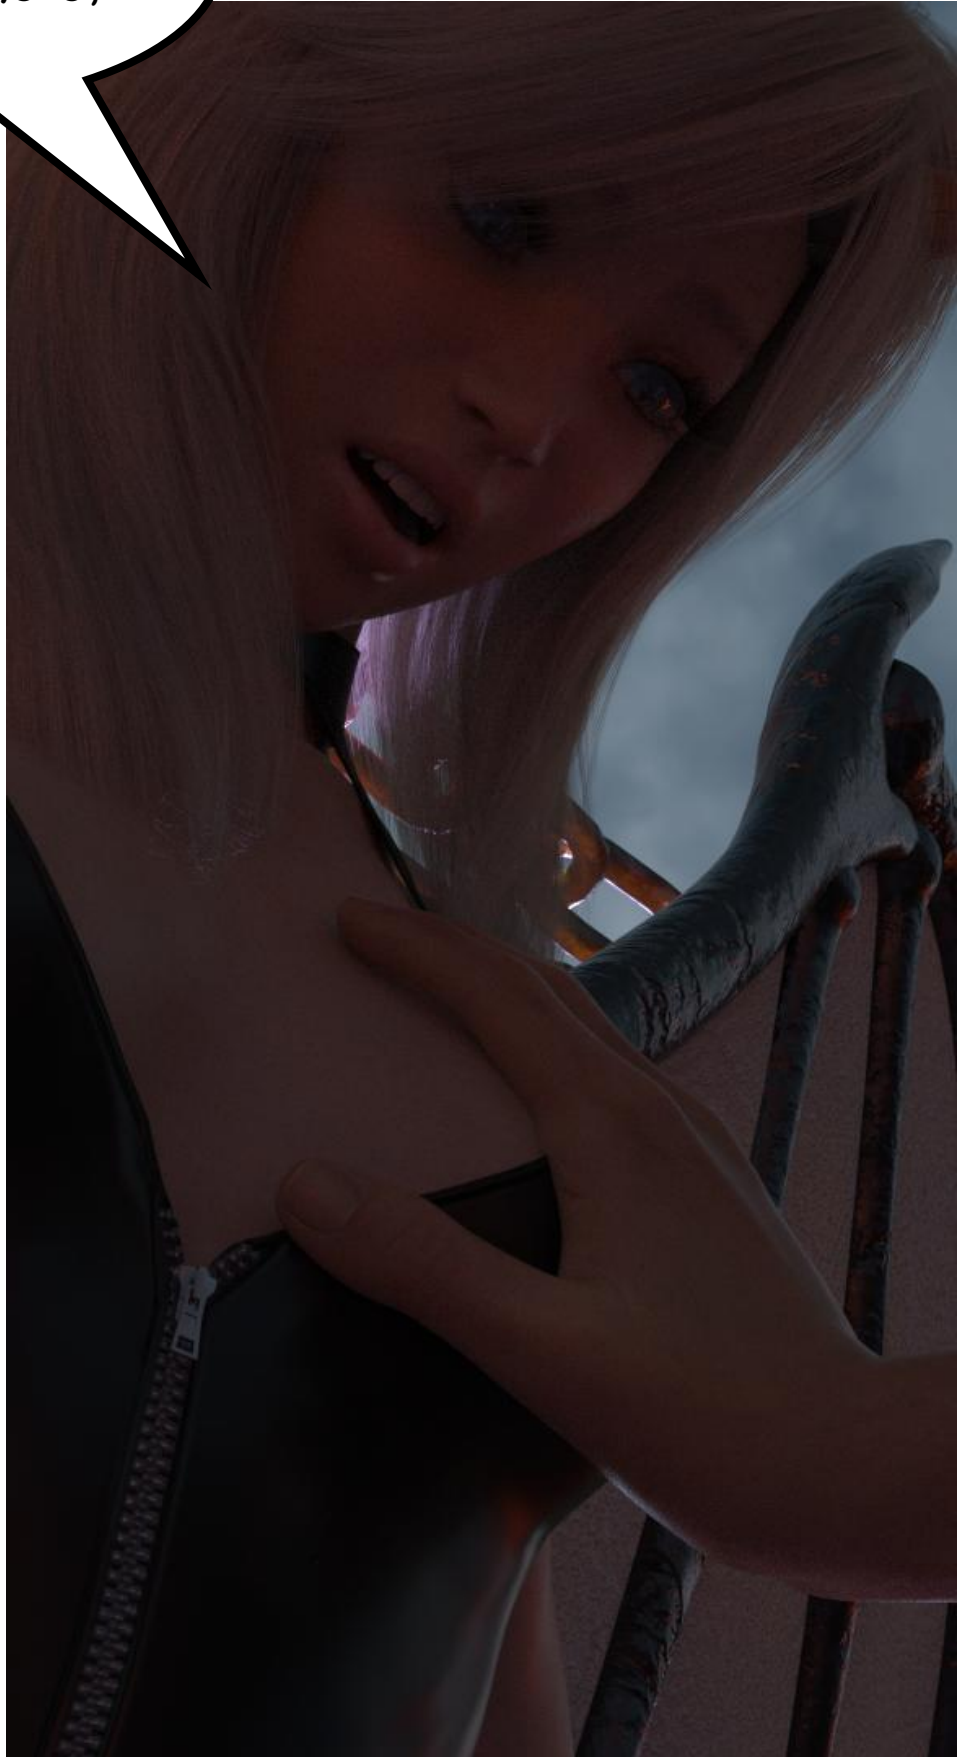

We continue from here...

And what do  
you think you  
are doing there,  
boy?

Moar

*Medeo!*

She can't  
control it!

Her powers turn  
everything into  
the opposite!

Urgh

I cast the spell I had grown familiar with a lot these days...

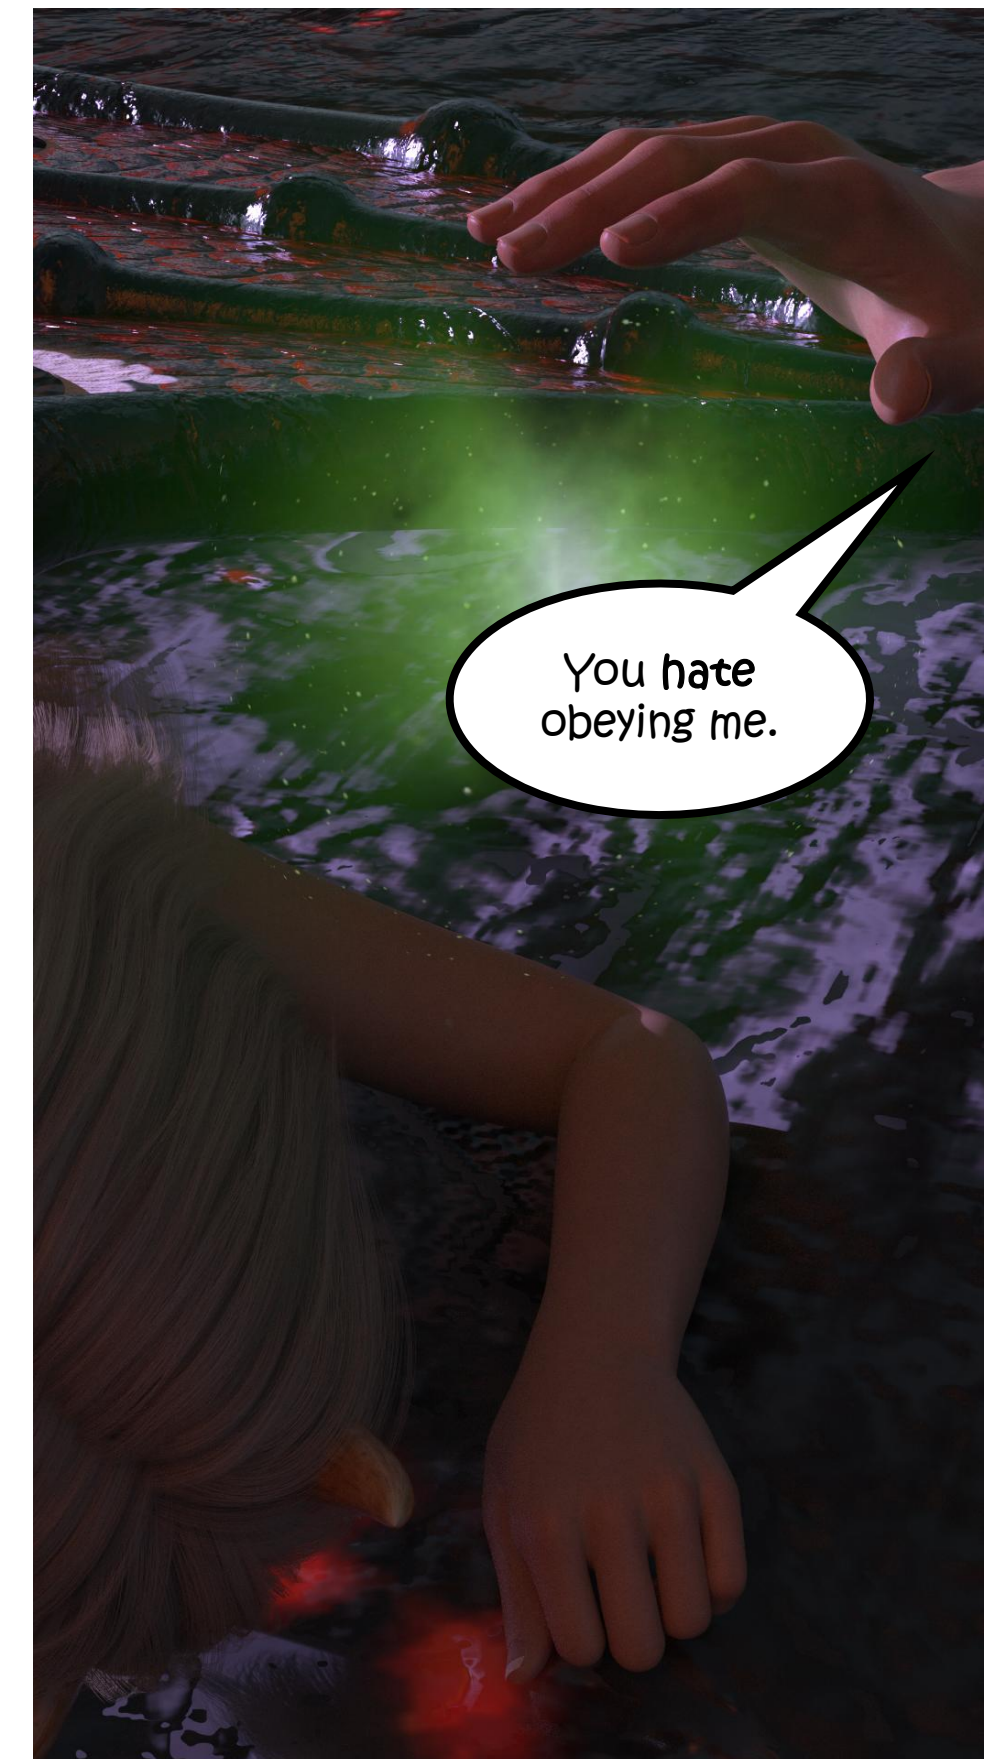

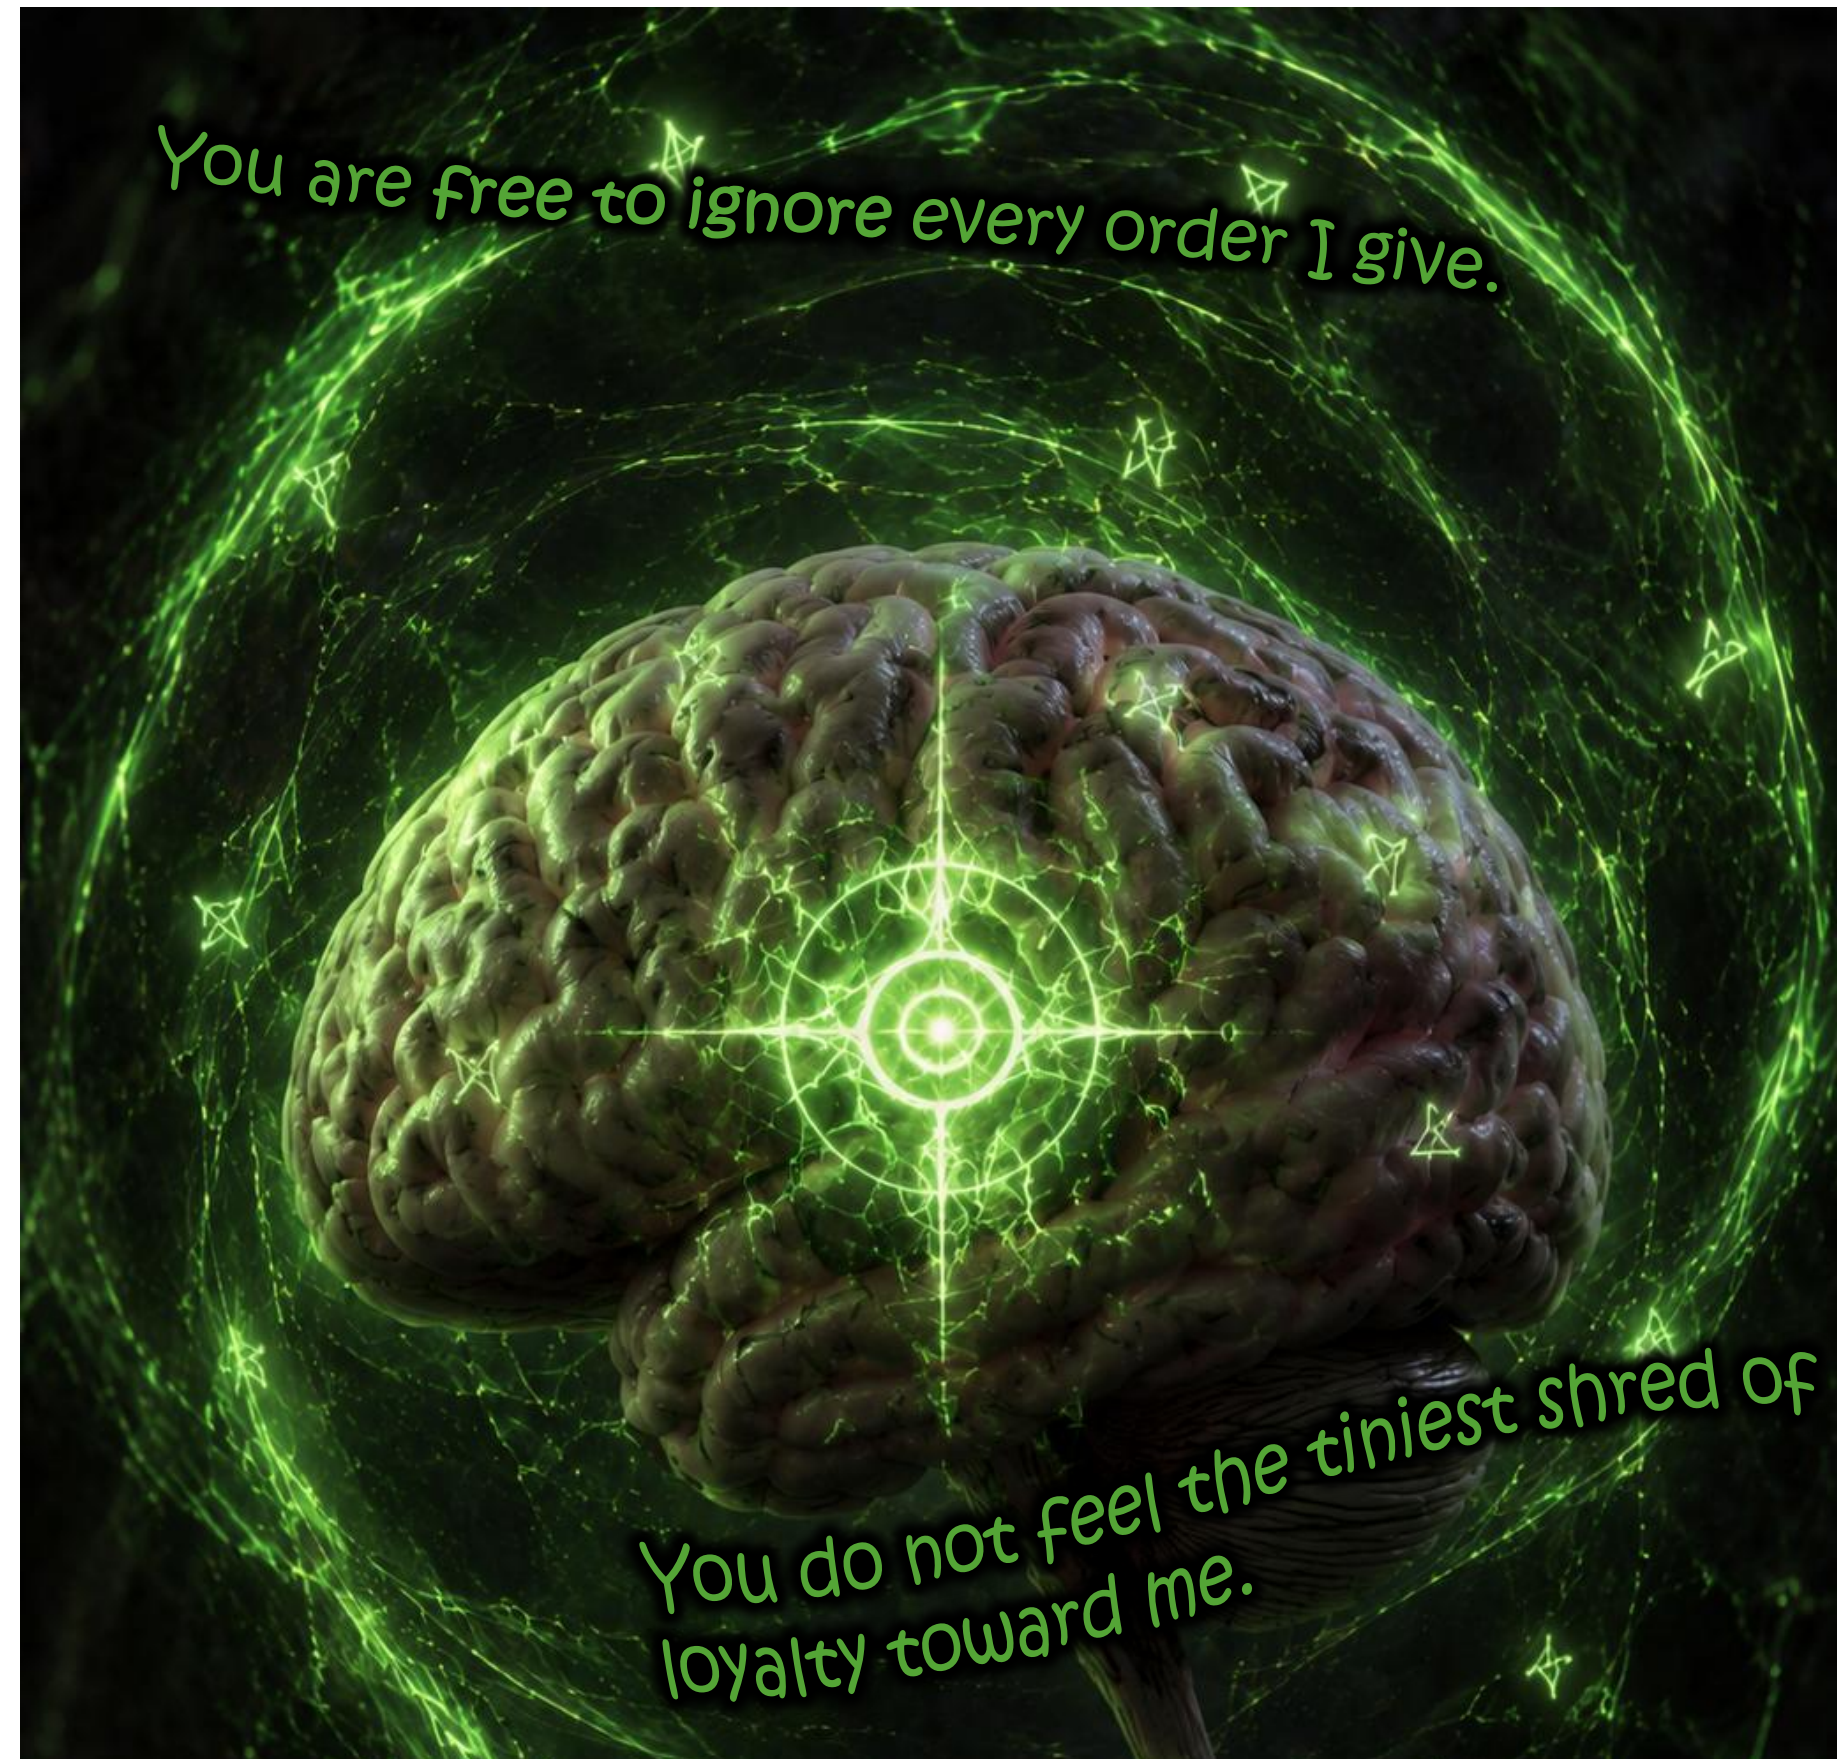

*Vasta  
Mens!*

But as expected, Lies' mind  
was all upside down!

Your will is  
your own...

So, reprogramming her was hard, and needed some imagination...

But at least, due to her exhausted state, all her defenses were down...

In the meantime...

You... you  
beat her?

Yup!

Glad you are feeling better, Lucy.

My head still feels like much but I'm fine...

**Wait!**  
She's still breathing.  
Shouldn't we...

That won't be necessary.

Huh?

Take a look at this.

How may I serve  
you, Master?

What  
the!?

I've used my spell  
to connect with  
her mind... and  
well.. You can see  
the result...

You can do that?!

Isn't that... kinda evil?

You guys are currently incarcerating people indefinitely.

*Vasta  
Mens*

This is way more humane...

And you know I would never use that power on any of you...

More humane...

Yes.  
The others would not understand.

But we should keep it a secret for now...

You'd never use it on any of us...

Glad we see things the same way, Lucy.

**Slave!**  
You will transfer  
command of all  
your victims to  
me.

Then you'll  
leave here and  
wait for my  
summons.

I'm sorry, Master. I  
Can't do that. I can  
barely keep myself  
up – I'm too  
exhausted.

Well... we know  
the cure for that,  
don't we?

Don't reflect  
this back at me.  
Absorb it!

Yes,  
Master.

Well... here  
we go.

Thank you,  
Master.

Can I have  
another  
one?

We will  
obey!

Listen up,  
girls!

You are to  
follow all of  
Master Mikael's  
orders from now  
on!

\*gulp\*

They are all yours, Master.

Thank you...

Girls, salute for me!

\*gulp\*  
Wow...

We will obey.

Not the  
time to push  
my luck.

What? Errr...  
course not!

Hey! Earth to  
Mika.

You are not getting  
any improper thoughts  
from having a bunch  
of hot girls listening to  
your every command,  
now, are you?

**\*giggle\***  
I'm just messing with you!  
I know you'd never do  
anything inappropriate,  
Mika!

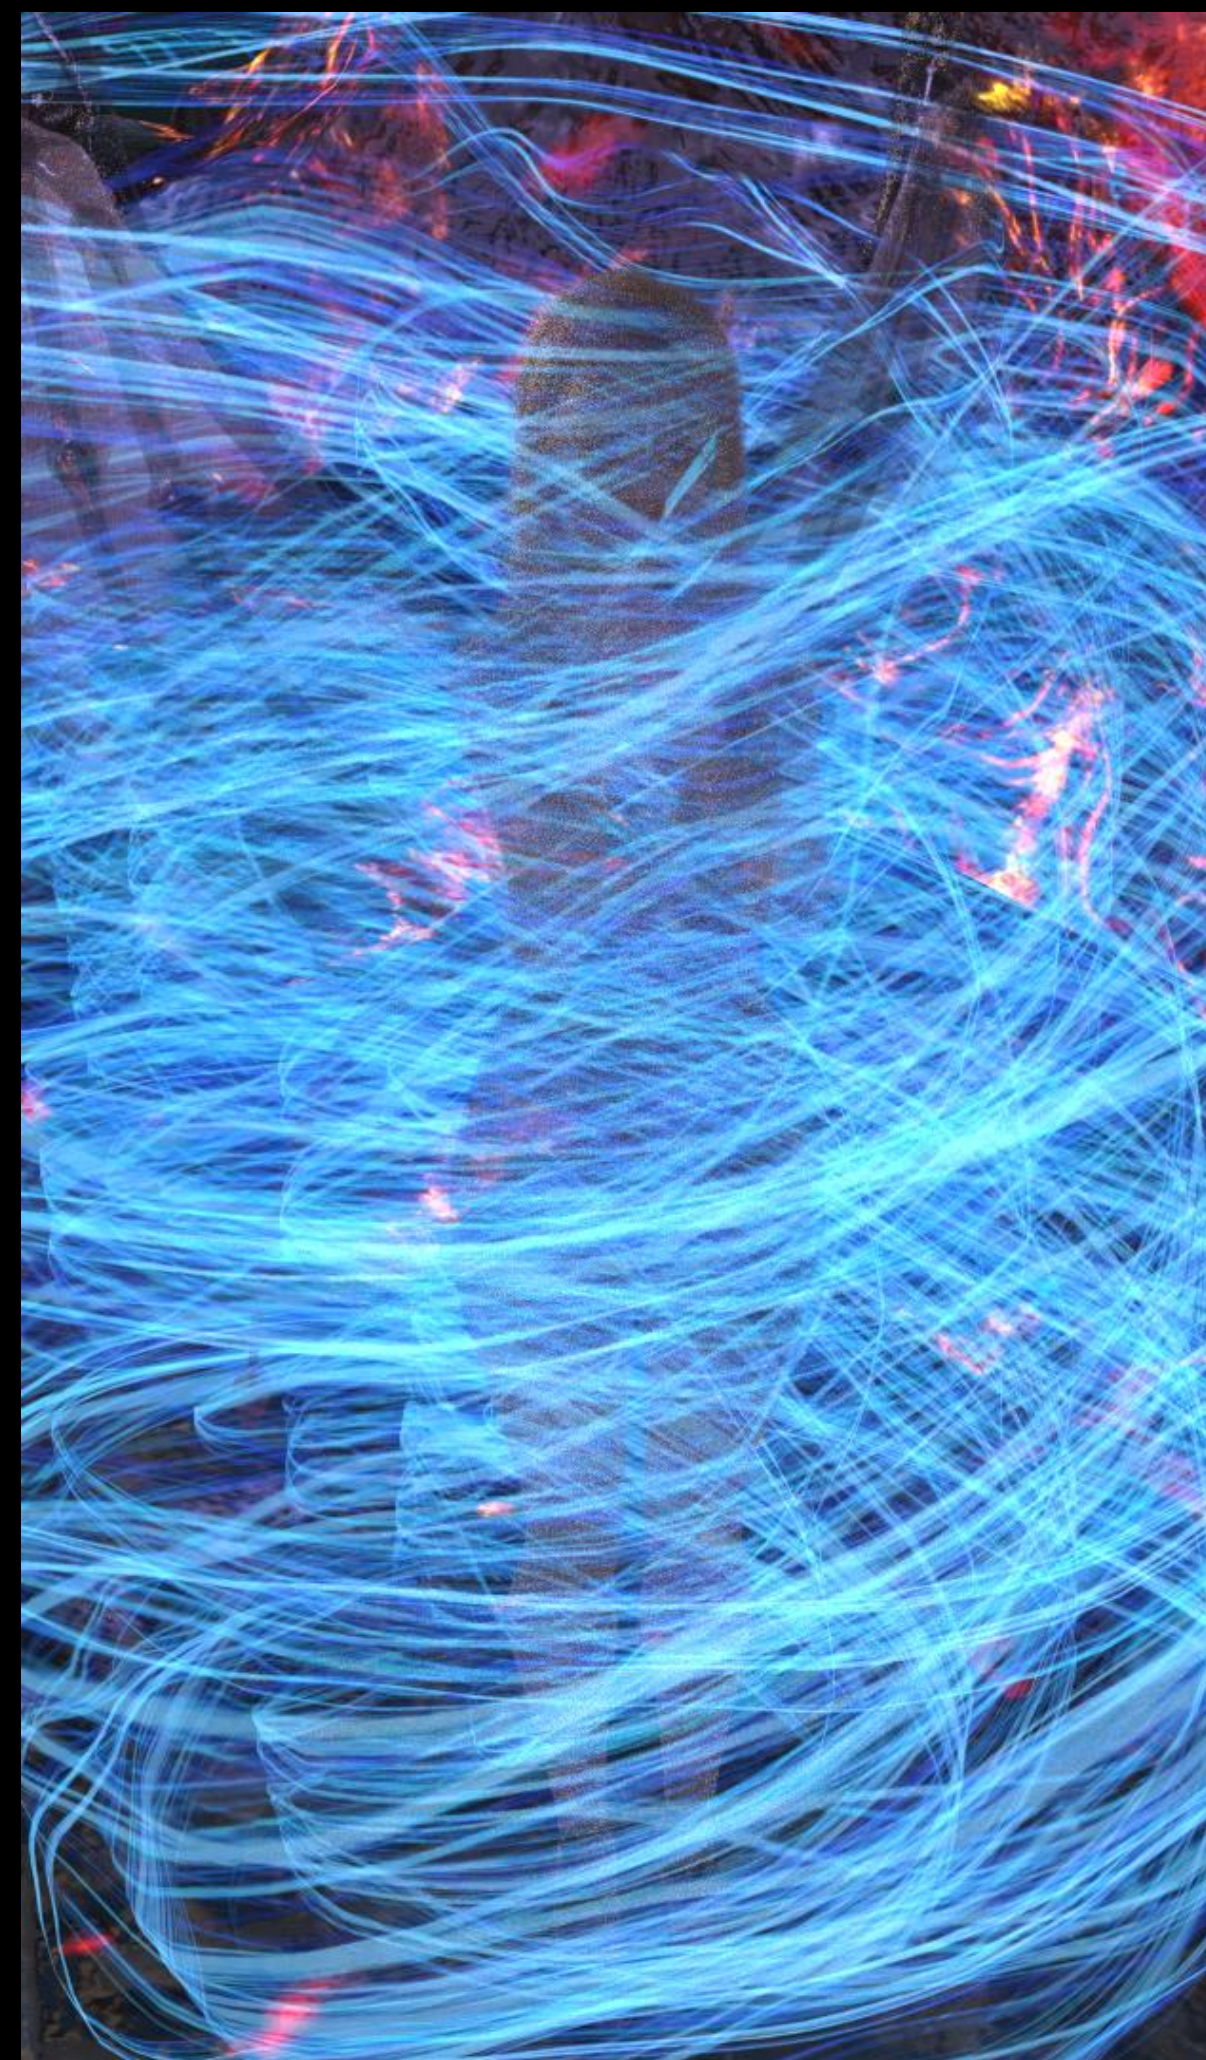

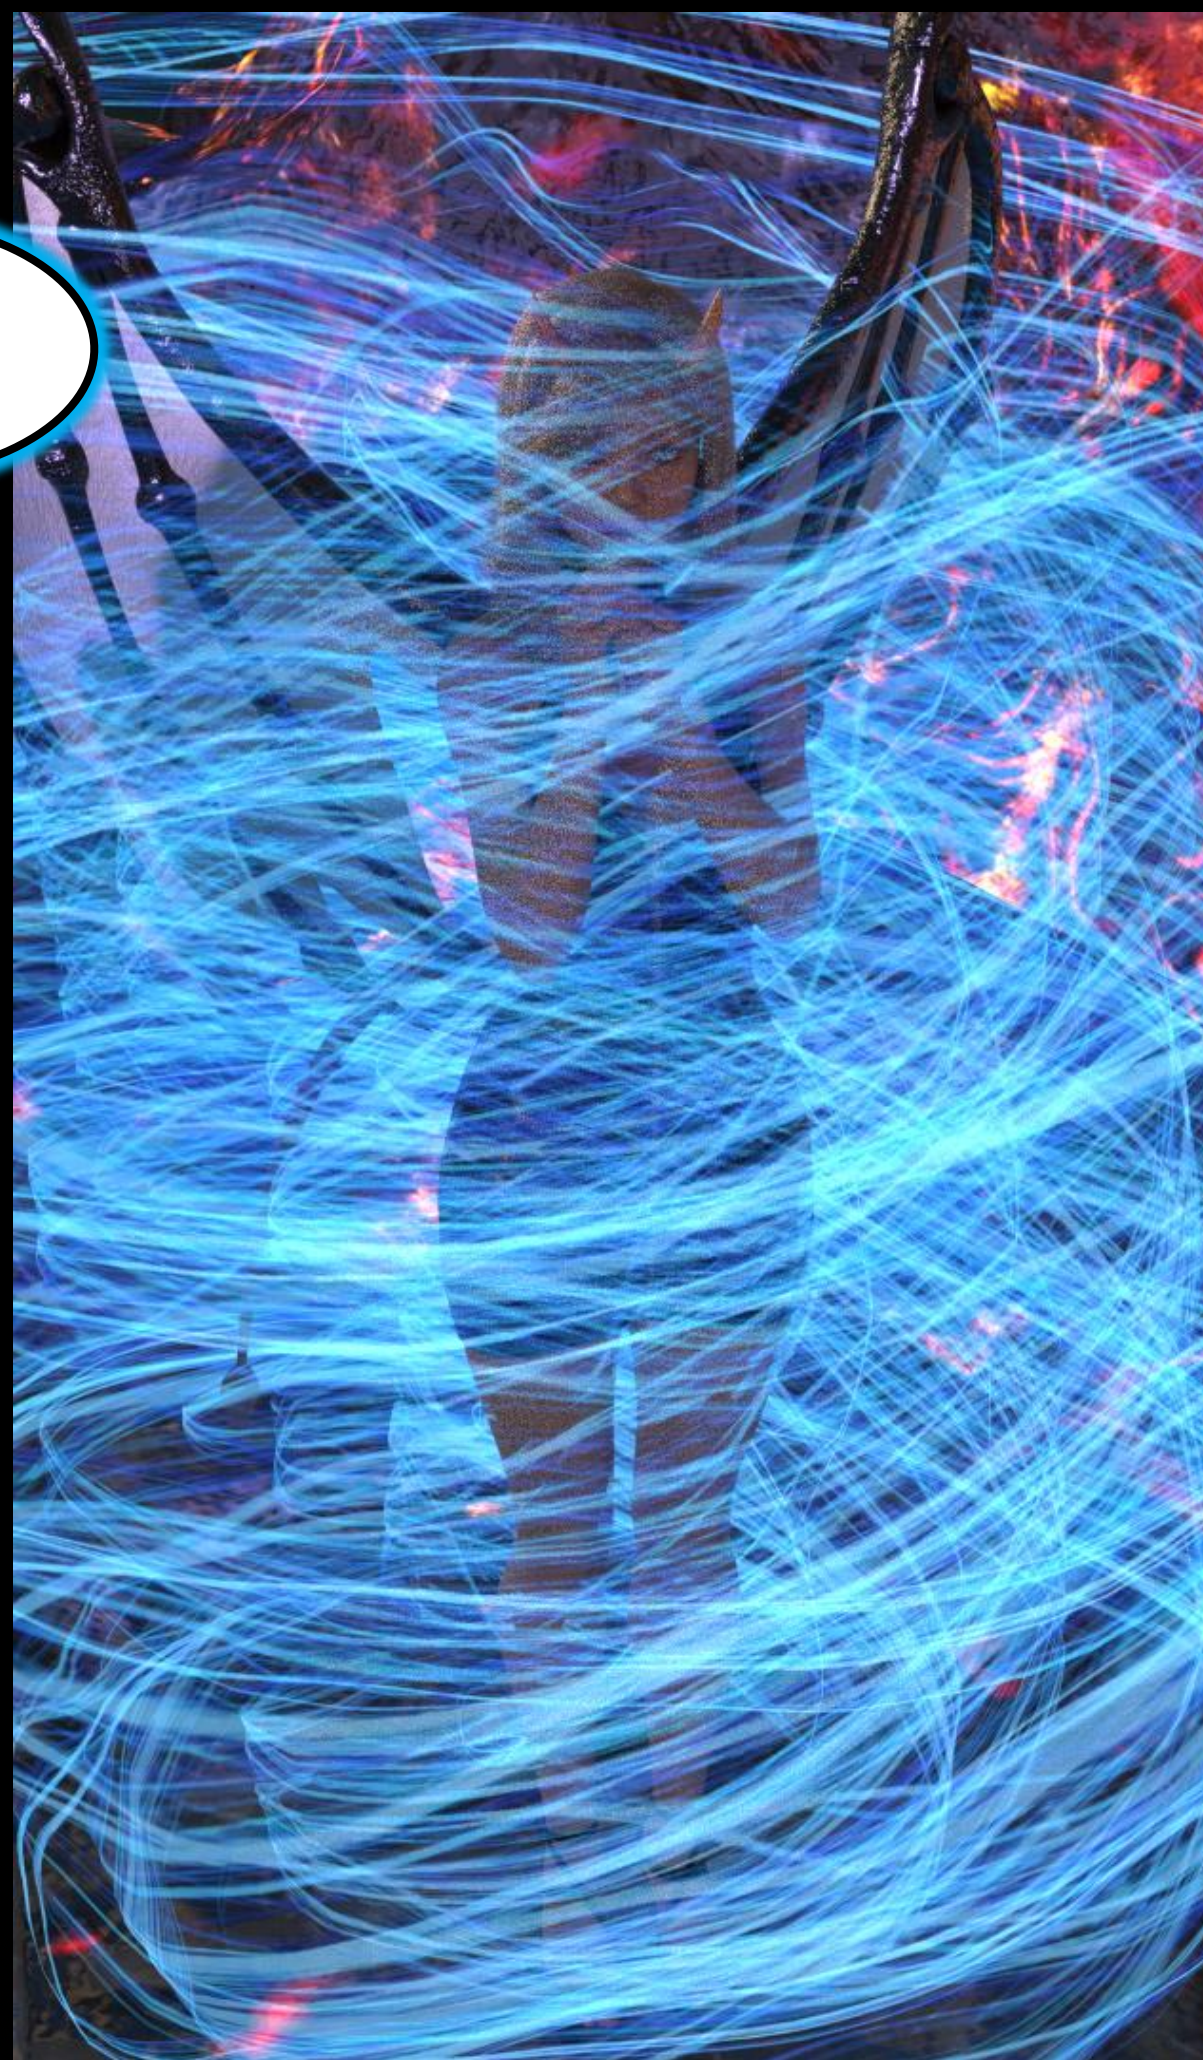

Yes, Master, I understand. I will wait there for you.

Well, then. Off you go. And no more mischief without my consent!

Teloris  
adhuc

Having sent Lies' away, it was time to wake up Velia.

Velia... open your eyes.

She was under my temporary control as well, just like the other girls.

But neither do I think Lucy was that far gone she would accept me reprogramming her friend in front of her – nor did I feel strong enough to do it. – My Ether level was running low.

So, I used what little I had left in me to free her of the Ocavum spell's influence... That training with Kessy and Barbara surely had paid off...

Mika and I  
beat her.

Calm down,  
Velia. We  
are safe.

Lucy told her her attack evaporated the demon – nothing left or her. Thankfully, Velia believed us.

With the situation finally  
calming down... Lucy starts  
asking the uncomfortable  
questions...

Anyway.  
Where's  
Vadim?

Velia's and my eyes meet.  
Tears in our eyes...

Guys?

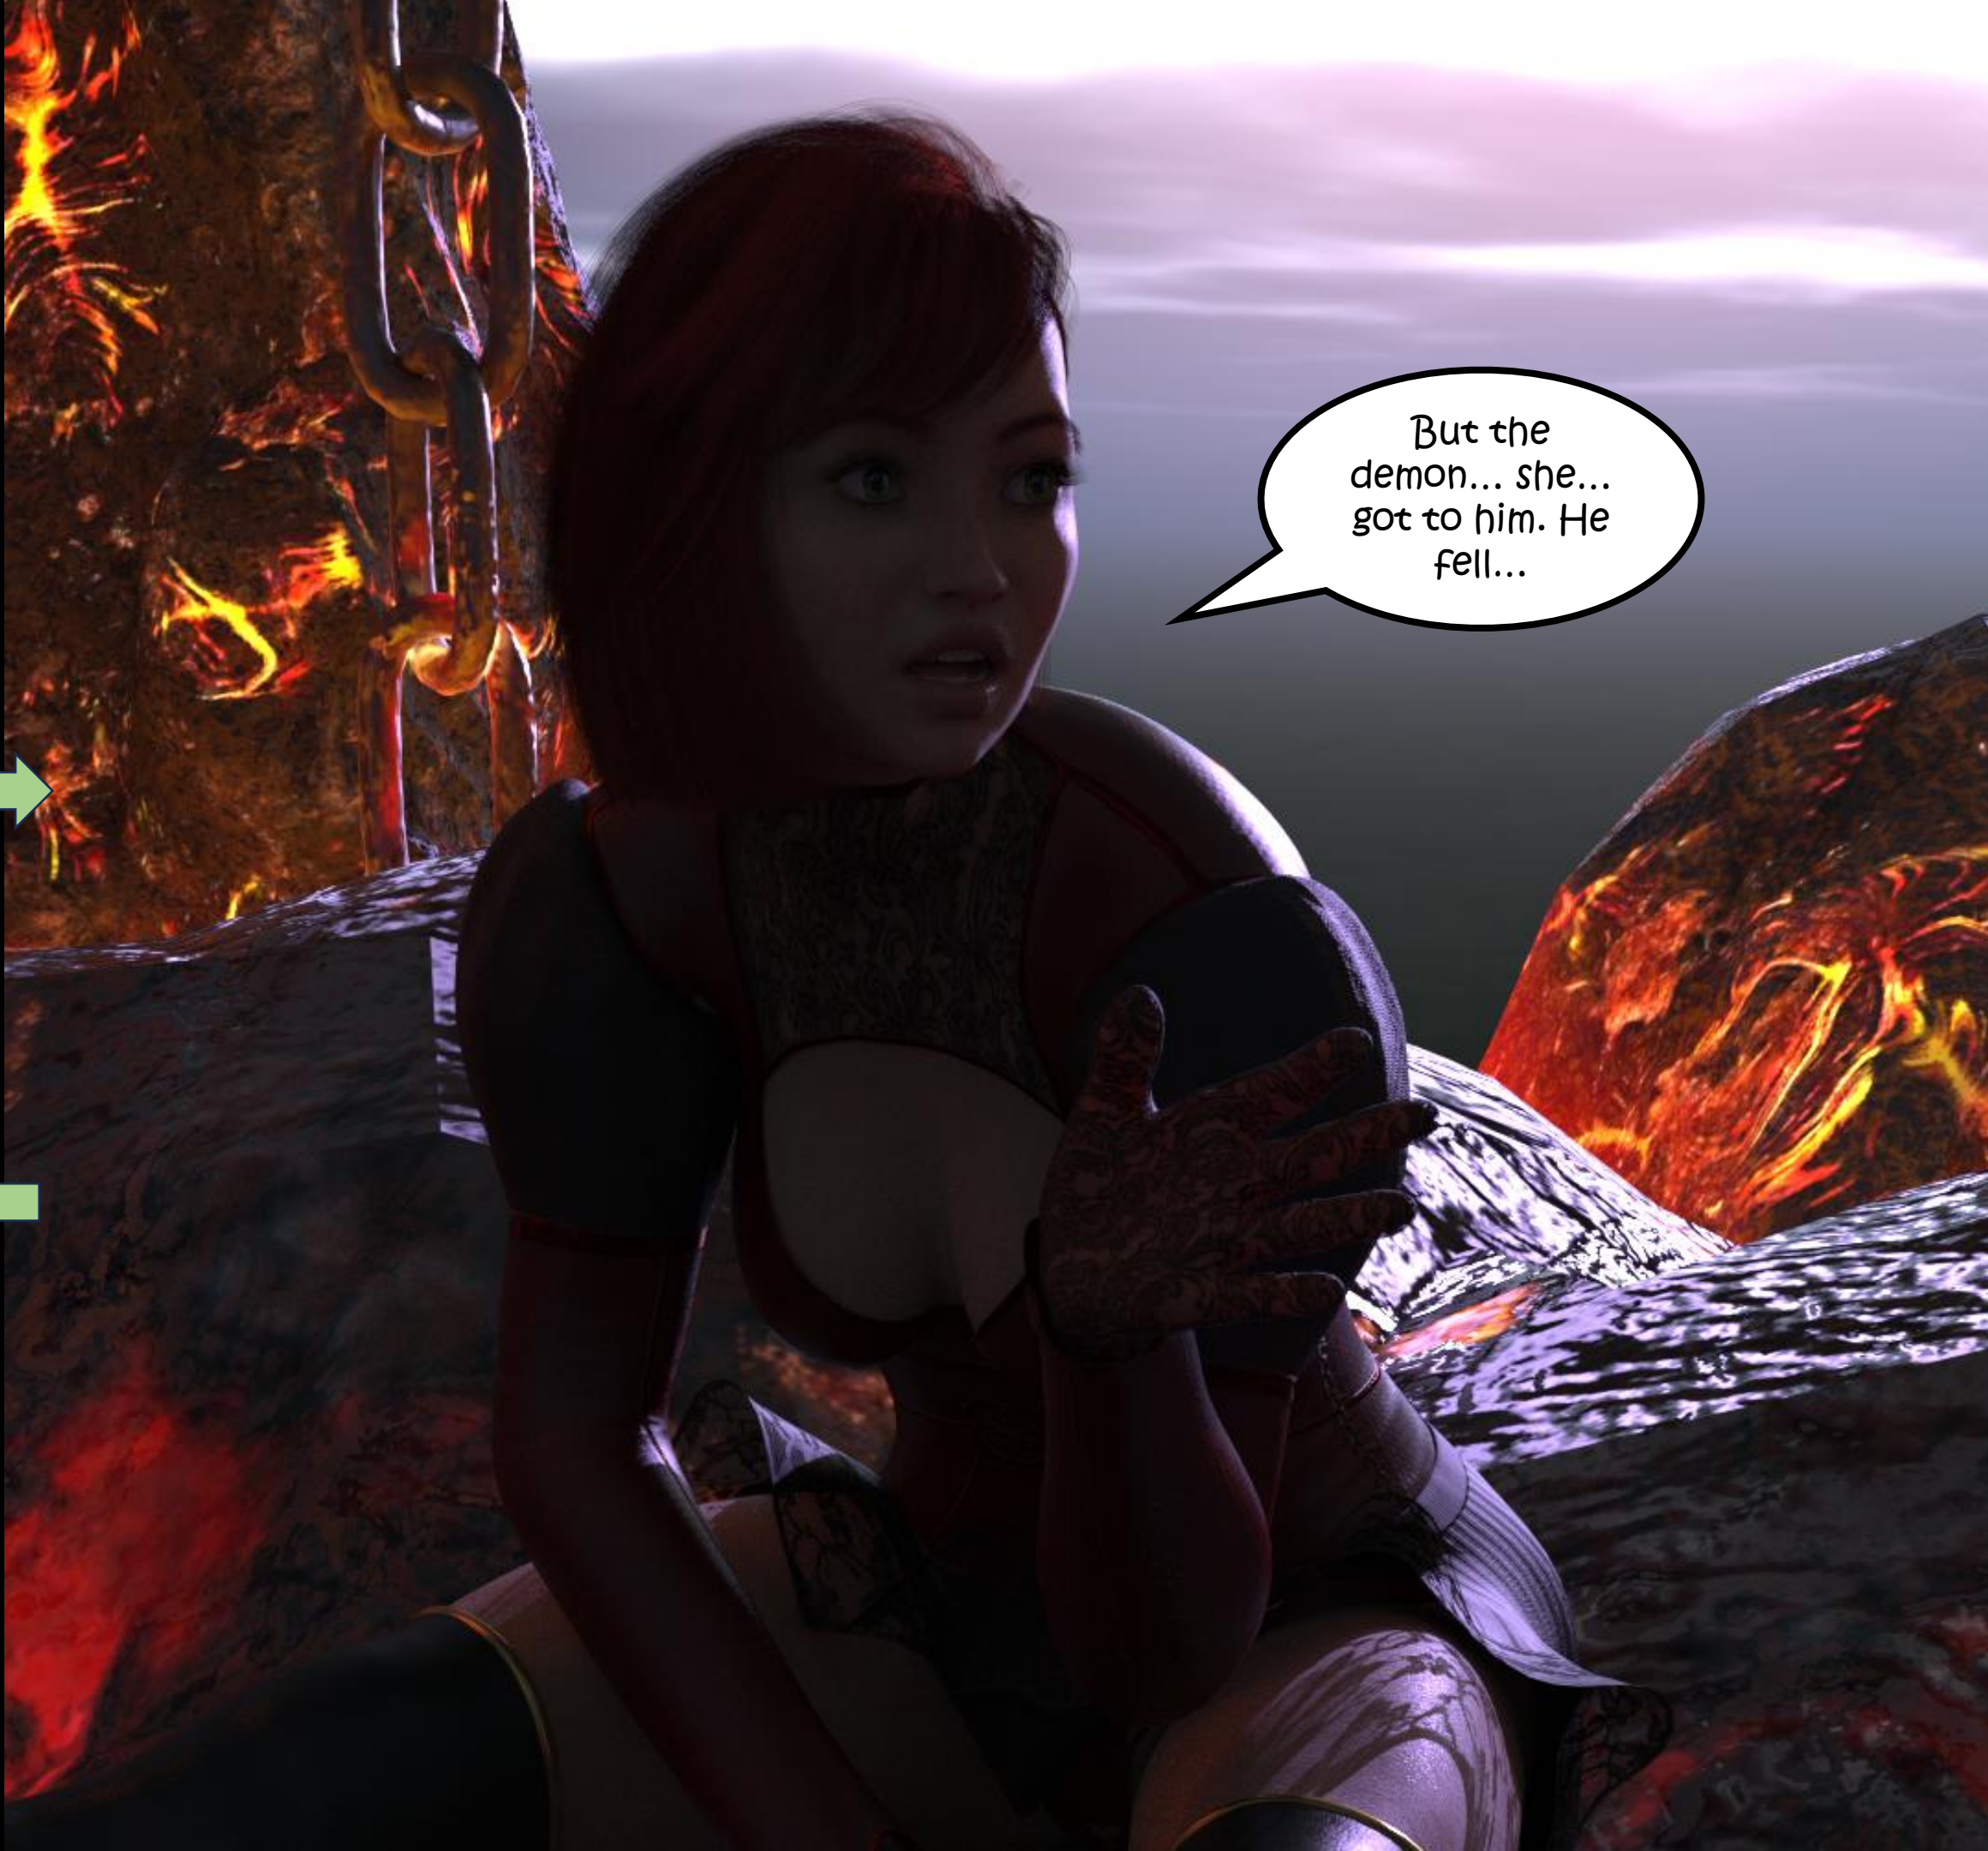

Lucy...

You need to be  
very strong...

Is she going mad?  
Did my spell fry  
her brain after all?

Lucy...  
seriously...

*giggle*

No... Lucy. He  
really fell... down  
there...

I'm sure  
he is fine,  
guys.

*giggle*

Vadim can  
take a  
punch.

Vadim?!

Yo, guys.  
What did I  
miss?

Vadim!

Man! I  
thought you  
were dead!

And I  
thought you  
were a goner  
for sure!

Oh, god. I'm  
so glad you  
are fine,  
Vadim!

I had Victoria meet us at the outskirts of the woods, so my personal MILF police officer could handle the abductees' reappearance. Their Ocavum spell would run out in a few days anyway.

Victoria got a medal and a nice article in the newspaper. For a few days, she was this town's hero – and that was keeping us out of publicity. So, everybody won.

# Officer Victoria Rosto Honored for Rescuing Missing Residents

*Award presented for heroic efforts that brought a month of fear to an end*

By Michael Thompson  
Staff Writer

In a ceremony held yesterday at the Garouse Police Department, Officer Victoria Rosto was presented with the Chief's Commendation Award for her outstanding bravery, dedication, and unwavering commitment to the community.

Over the past month, the town of Garouse has been gripped by a series of mysterious disappearances that left families desperate for answers. Thanks to Officer Rosto's tireless efforts and sharp investigative skills, all missing persons were located and rescued in a dramatic operation last week.

"Officer Rosto went above and beyond the call of duty," said Police Chief Daniel Mercer during the presentation. "Her courage and determination made all the difference. She is a true hero."

According to officials, Officer Rosto worked countless hours, following leads, interviewing witnesses, and coordinating with

multiple agencies. Her persistence led to the safe rescue of all missing individuals.

Humbled by the recognition, Officer Rosto stated, "I just did

what anyone in this department would do. I'm just glad everyone is safe and back with their families."

The community has praised Officer Rosto not only for her heroism but also for the compassion and care she showed to the victims and their families throughout the ordeal.

Of course, we kept Velia's sister around. She kinda knew about magic anyway through her sister...

*Medeo  
Mens.*

And I was able to free her from the spell with what little Ether I had generated in the meantime.

When we returned to camp, Asher was pretty pleased with our results... though I don't believe any of that fake surprise of his!

Stella was pretty mad for a few days. But secretly she was also proud of what we had achieved, I think.

Wow!  
You really did it?

What a surprise!

Amazing!

Well done, Mika!

Did he just wink at me?

Anyway, the presence of a half-activated demon gate that could connect our worlds at any moment kinda loomed over the whole victory parade...

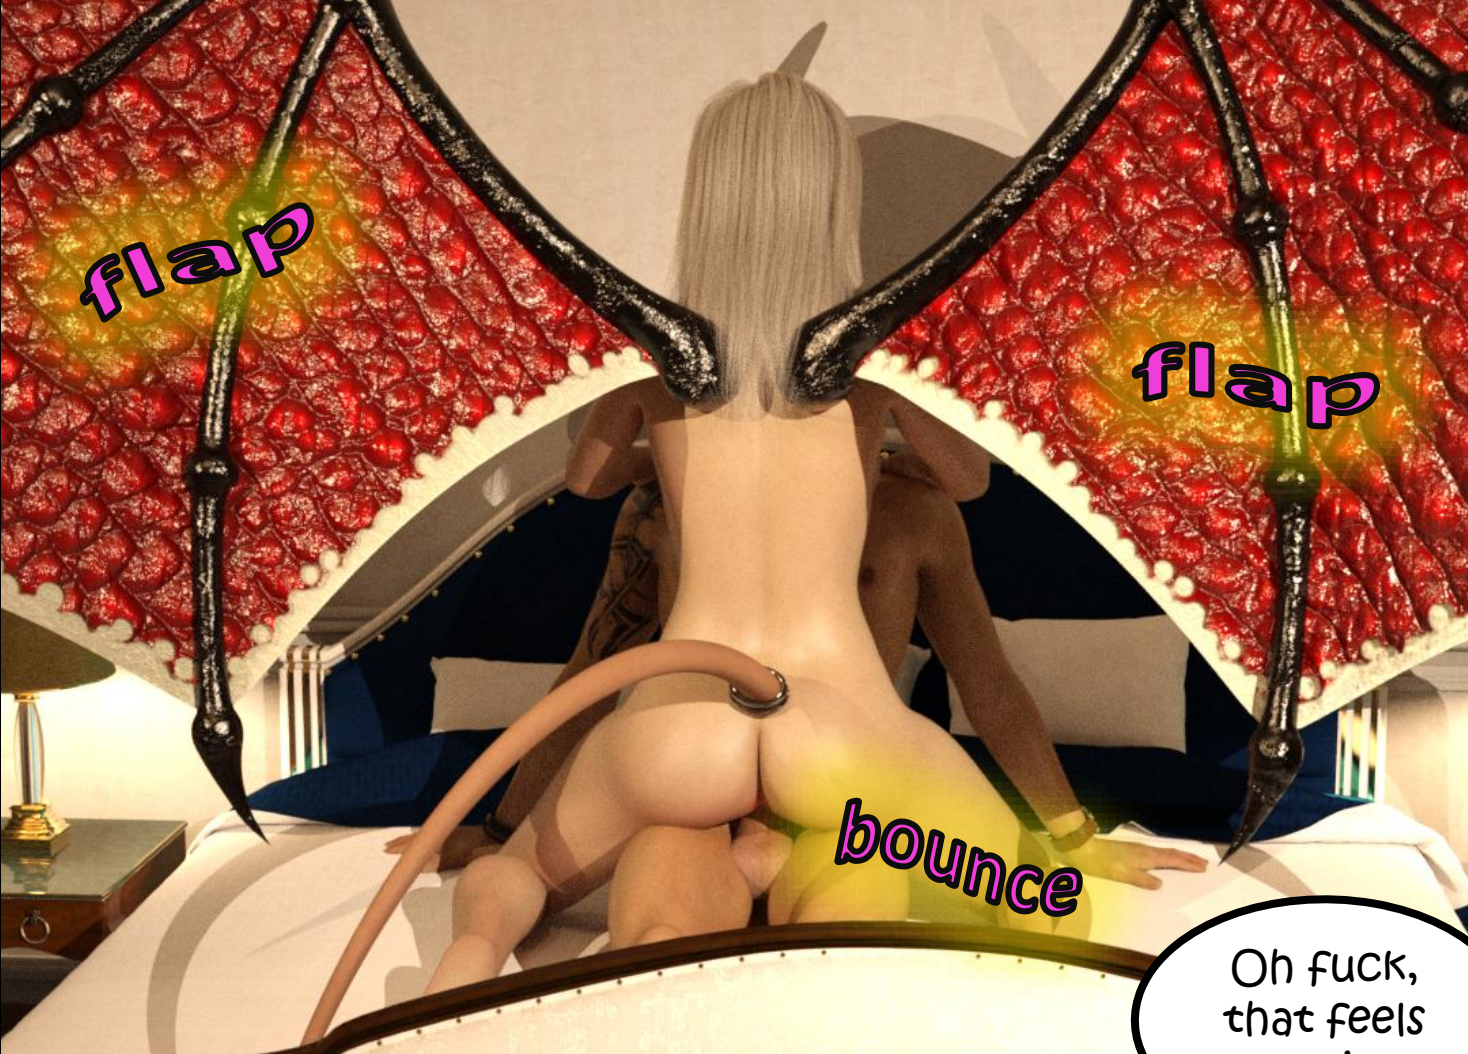

But surely there is some time for relaxation, right?

Do that thing with your wings again.

Yes, Master!

Oh fuck, that feels amazing!

I had acquired a powerful and pleasurable new ally today!

End of Chapter.

# Thank you for reading!

Hello, Hexxet here,

The Situation around Lies has taken up more pages than planned – especially seeing that I wanted to speed up progression – but I really like how this and the last chapter turned out. It's almost exactly as I had imagined it the first time I came up with this story, and I think the controlling lies scene turned out pretty hot. I hope you think so too.

If you like my comics, on my homepage, a universe of magic, transformations, and control awaits. Over **300 comic chapters** (20.000+ pages) are available in the archive, and **8 new comic chapters** (300-500 pages) come out each month! Join me on Patreon or Subscribestar.art and dive in! 😊
