Episode III

DON HARA:
**Why do you glare at me like
I wronged you in another life.**

DON HARA:

All I do is admire you. The way you fight. The way you humiliated those two lamebrains. Funny!

DON HARA:
The truth?! I want you!
I swore I'd never love a
woman. But you?!

DON HARA:
What is it about
you that's so
appealing to me!

DON HARA:
I'll have you know that
I'm not the bonehead
you take me for!

DON HARA:
I'm in command here!
I run this operation!

DON HARA:
You, my beautiful
blonde without speech,

DON HARA:
will surrender to me!

**DON HARA:
Yes! You will!**

DON HARA:
With each passing moment!

DON HARA:
**Can I tempt you with a
hard cock every night?**

DON HARA:
I ask only for the sake
of sounding polite.

DON HARA:
I fuck you when I want!

DON HARA:
Anytime!

DON HARA:
How about that? You
just milked my cock!

For the next couple of days, the blonde and the horned head fucked day and night with little rest in between sessions.

**The once upon a time desert
warrior now mounted the
cock of a horned beast.**

**What choice did she have?
Her escape attempt failed. Her
life was at risk. Surrendering
seemed like her only option.**

**To this horned brute, she would
succumb and serve with no
reluctance.**

So he would think.

**The warrior inside
awakened a new
strategy.**

Remembering his very own words, she fated to break his promise of never loving a woman.

**No matter the cost, no matter
the consequences, she knew,
she had already won.**

Meanwhile..

Thal was busy getting himself into trouble.

**Once again, he couldn't resist his
lust for these attractive slaves.**

A scene from a video game showing two shirtless, bald men in a stone arena. The man on the left is looking towards the man on the right, who has his hand to his chin in a thoughtful pose. The background consists of stone walls and a wooden fence.

MAN 1:
**I'd like to see the
blonde face Vicious
Vera.**

MAN 2:
**Yes, but it would be
a shame to lose either
one of them.**

MAN 1:
I wonder if he really
cares who lives or dies.

THAL:
Go get eaten.

THAL:
Beautiful.

THAL:
Ahh.. this is heaven!

[Sound of door unlocking]

TEAL:
Oh no.

DON HARA:
Ah! My sweets!

DON HARA:
I brought a new friend.

A screenshot from the video game Mortal Kombat 11. On the left, Don Hara, a character with a skull mask and a muscular physique, stands in a stone-walled room. He is gesturing towards a blonde woman in the center, who is wearing a bikini and high-heeled sandals. To the right, two other women are visible from behind, also in bikinis. The scene is lit with warm, low-key lighting, and a torch is visible on the wall in the background.

DON HARA:
I'd like you both to
meet, **Bridget.**

DON HARA:
She doesn't speak so
I needed to give her a name.
I went with Bridget. Like
a bridge, she is, between
a slave and a warrior.

DON HARA:
I'm sure we can
all get along.

DON HARA:
How about we
start now?

**THAT:
Great.**
