Almost forgot, there’s also a little slave hanging on the side of the high heels

"Wow, your body is so flexible, if eaten, it would definitely taste good"

“But I’ ll still test your body first”

"Didn't expect it, but your little body is actually pretty sturdy, haha"

"Oh no, it looks like you got a little hurt, but the test is not over yet."

“How about this?”

“Let’s try rubbing his whole body”

"Ahh, it looks like the skin of this toy is broken."

"If you beg loudly, I might let you live."

"Please! I'm a real person, don't hurt me anymore, turn me back, I beg you."

"Let's play hide and seek, the winner I'll let you go"

“Run faster, little ones! 20、19、18、17、16、15、14、13...”

"As the little person got stepped on, the girl lightly bit her lip, feeling excited."

Suddenly, she stopped, feeling her fingers touch a tiny little body.

The little slave’s body is already completely flattened; it looks like he won’t survive.

"Oh no, I completely forgot about my little slave"
