

So you were just interested in my money?

Don't worry, I'll provide for you

But for that, you'll have to become my boywife!

S-sorry!
I promise I'll never try to manipulate any woman again!

Of course you won't, darling

I'm going to train you very well for that

Are you getting used to wearing high heels, darling?

Yes, mistress!

That's good, because you'll never wear regular shoes again

Can you please let me rest for a bit?

Don't worry, darling, you just need to hold out for a few more hours without falling

And then I'll let you go

Now, to spice things up, I'm going to turn on your anal plug

No, no, pleasssee

Grr Ahhhh

So, do you like your new body, darling?

If mistress likes it, then I love it!

My breasts are so heavy, and it's hard to keep my balance

But I'll do my best for mistress!

Good girl!
