To be or to have. 1

by Ron512, Kami1

Dude, are you
sure this works?

Sure, I saw the
video on youtube.

I know what I'm doing, besides, we summon an angel, not a demon.

I don't know, I think we're just making fools of ourselves. Besides, isn't it dangerous to summon demons?

There was a link to the spell under the video.

What are you actually reading there?

Uhhhhhhhhh.
It can't work.

Easy for you to say, you are not 50 kilos overweight.

Besides, since when are angels summoned? Maybe we'll give it up and clean up.

It's enough for the whole school to discover our secret. now your overweight does not interest anyone.

Yes, and she told the whole school that we were "otaku", maybe no one would believe it, but after she stole our pictures, no one had any doubts.

Don't even say anything. I trusted her.

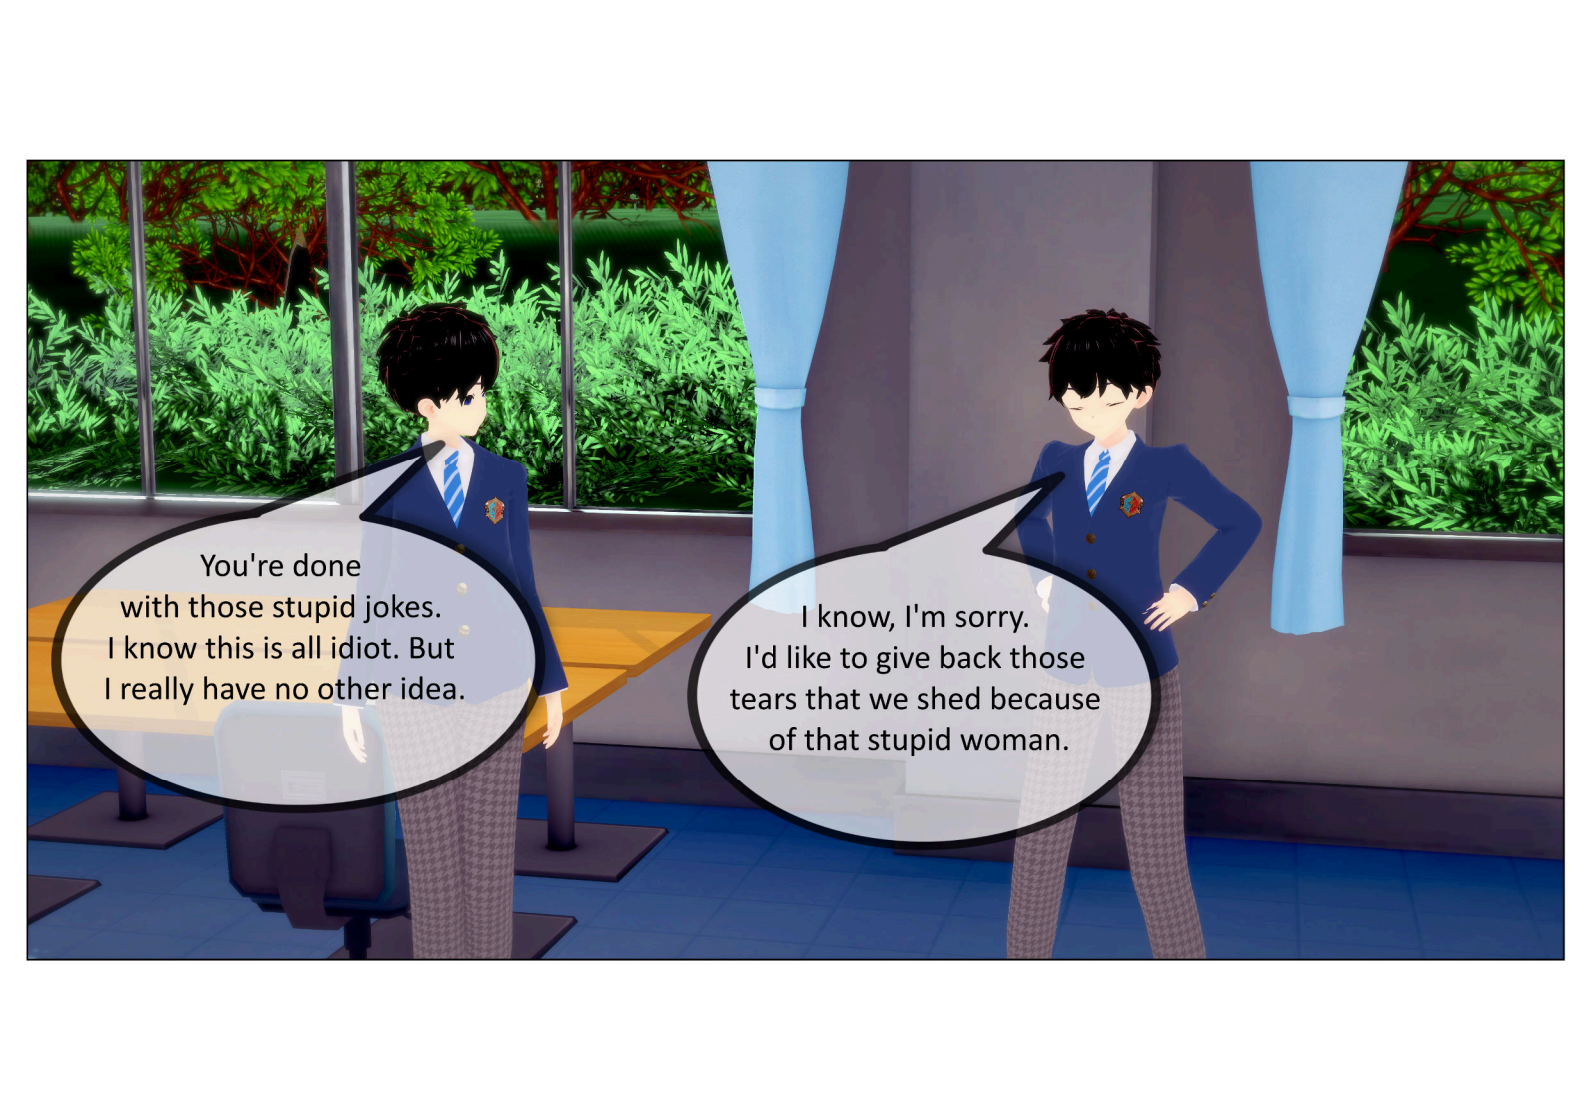

Let's start this ritual.

Very funny. According to the description, we should make a sacrifice.

And what now? Are we beginning to pray or cry?

You could have spoken before because you see I don't have any cat on hand. Hehe.

You're done
with those stupid jokes.
I know this is all idiot. But
I really have no other idea.

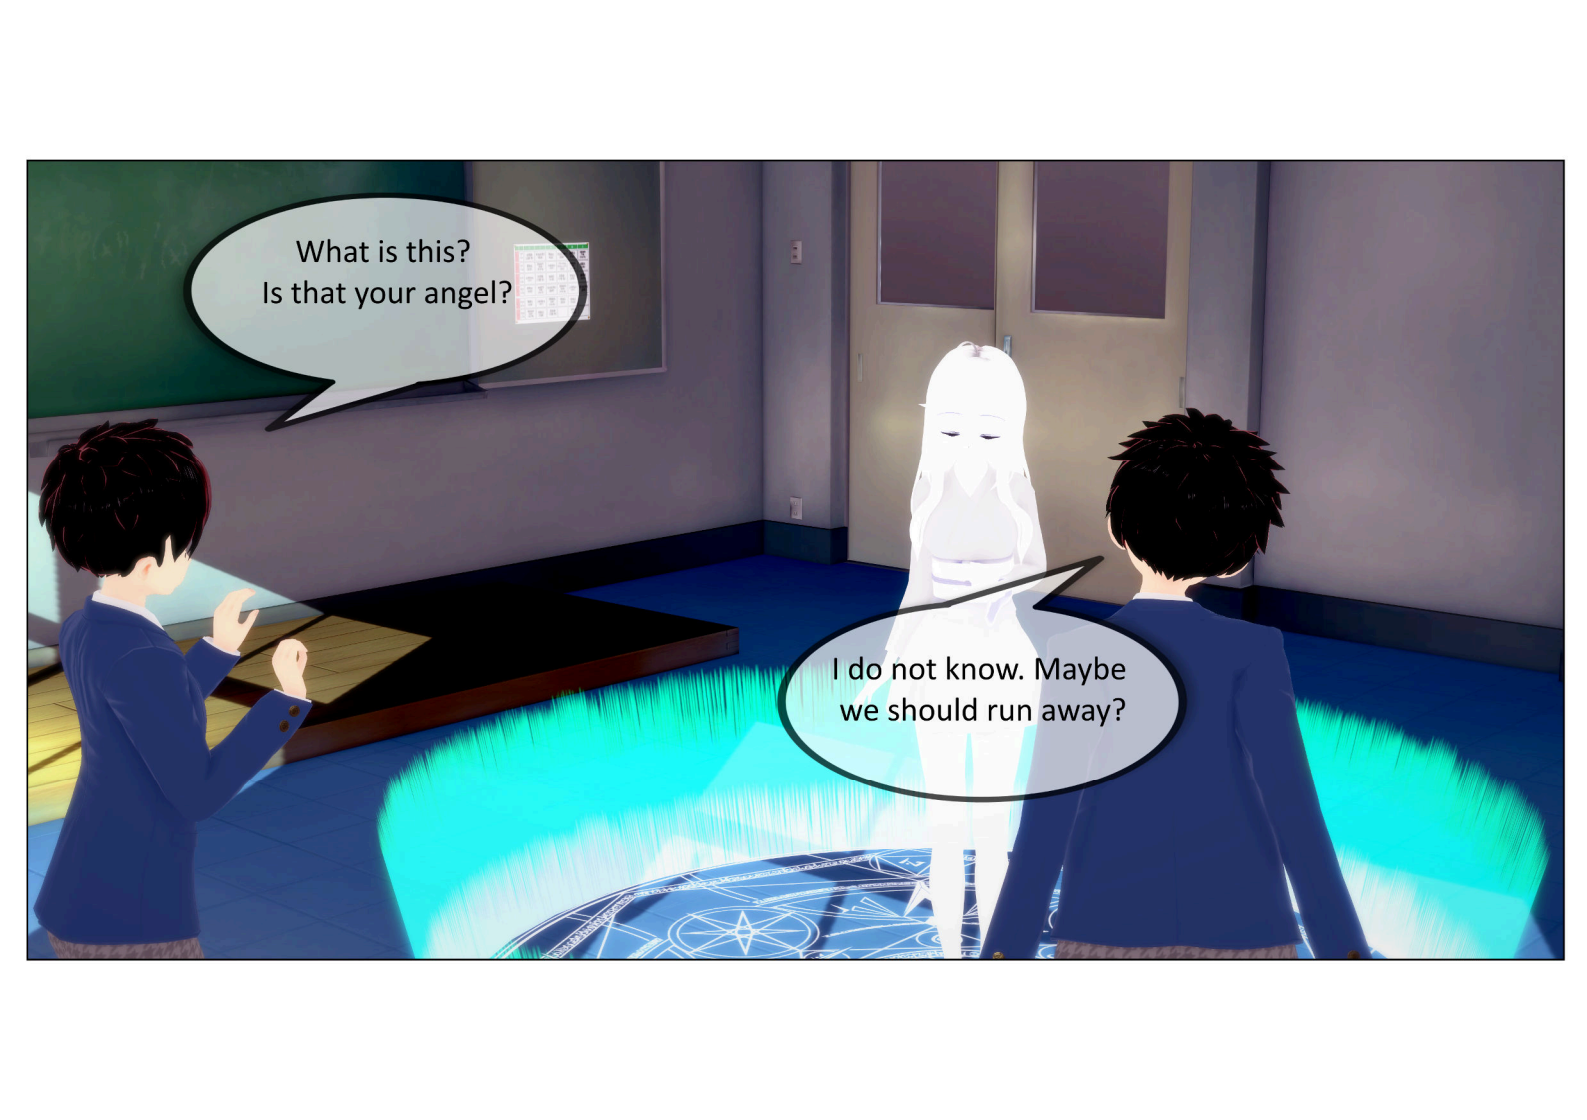

I know, I'm sorry.
I'd like to give back those
tears that we shed because
of that stupid woman.

What is this!!!

I thought it wouldn't work.

You're the specialist here. I knew it would end badly, now we are both going to die !!!

What is this?
Is that your angel?

I do not know. Maybe
we should run away?

I hope he does it painlessly.

Mighty specter, I am sorry to call you. We wanted to ask you for help. Would you be kind to help us?

I am happy to help you guys. Just don't call me ghosts please.

But this look, you look like a ghost.

This is just a Halloween costume. Sorry for scaring you.

Costume?
So you're not a ghost?

Yes please.

No I am not. if you want,
I can change my appearance
if this bothers you.

Maybe appearing
in a ghost costume
wasn't a good idea?

It's nice talking to you guys.
But you probably want something
if you summoned me, right?

It's a long
story.

Some time later...

Now you know
why we called you.

Yes, but you understand
that I can't hurt anyone?

I know, that's why I have a better idea. I'd like you to create two perfect girls for us. Whoever, no matter what, will always be on our side. Of course, give them a story too, they must live somewhere. And before I forget, I want them to be our types.

?

But you know I'll have
to take something
away from you to do it?

And you Mer, what do
you think about the
idea of Mar?

As long as it's not
our souls, take
what you want.

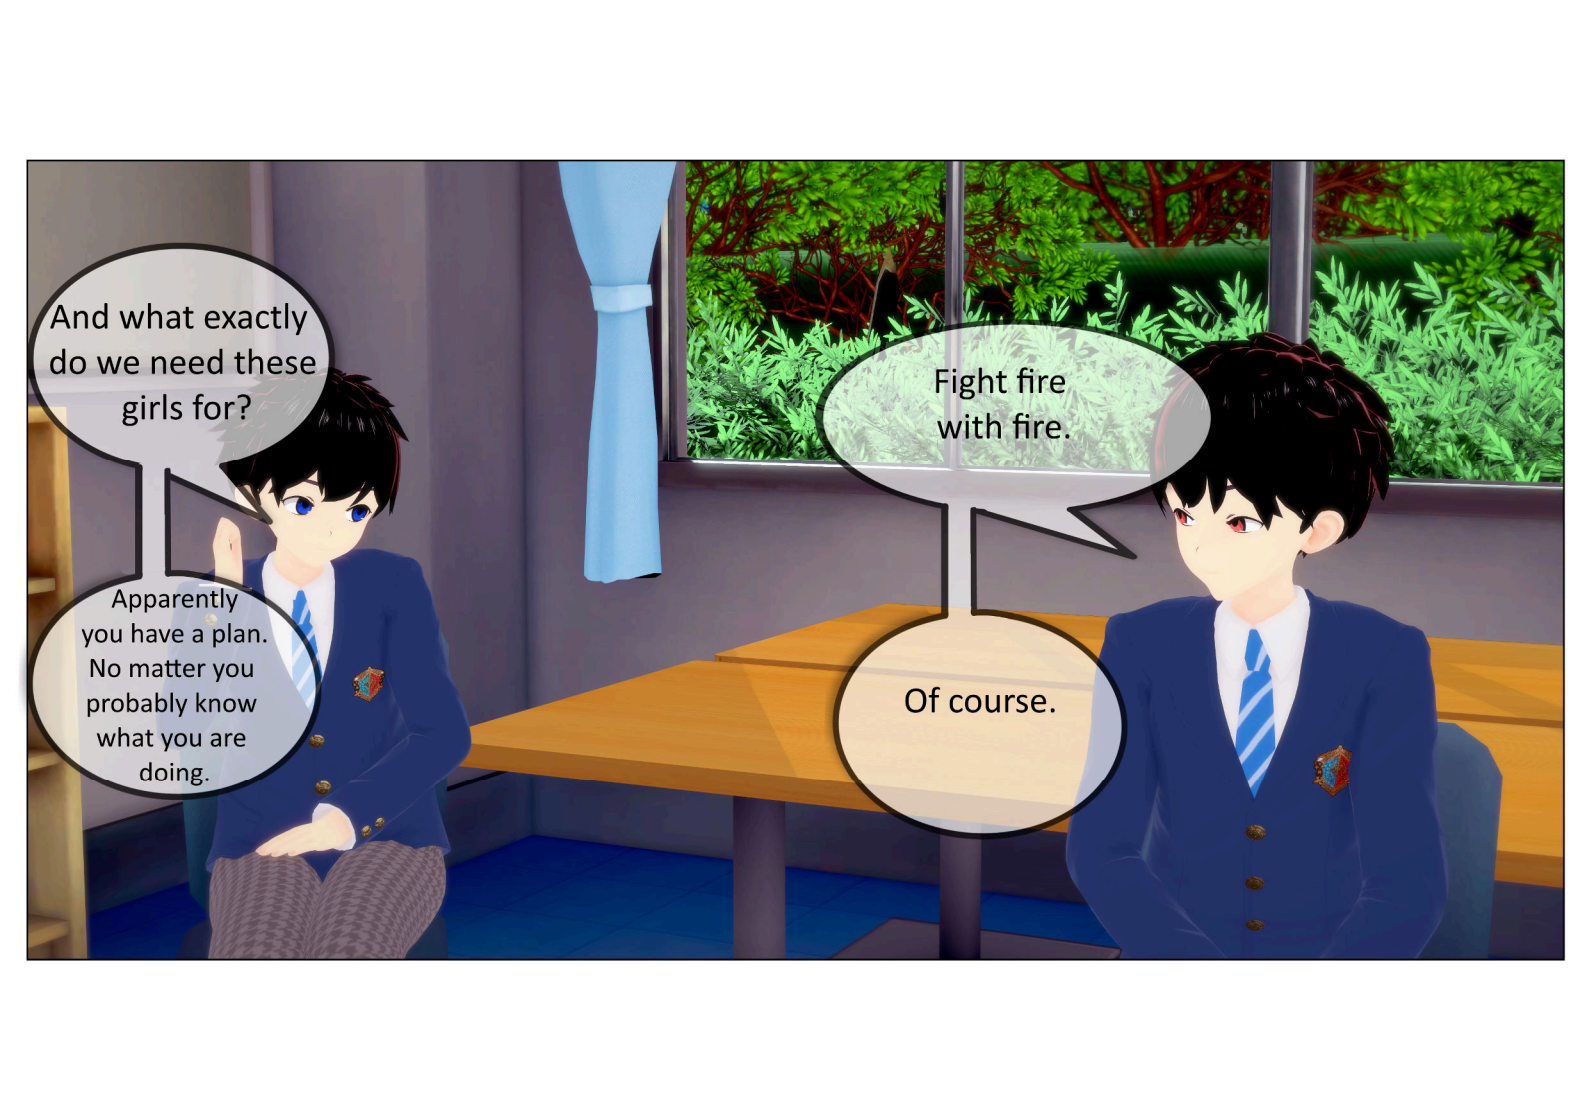

I fully agree with him,
take whatever you want.

So if you can,
do it. nothing
else interests us.

Eeeee You don't even want to know what I'm talking about?

No

And what exactly do we need these girls for?

Apparently you have a plan. No matter you probably know what you are doing.

Fight fire with fire.

Of course.

So, when can we expect, so to speak, changes in our lives?

I thought they wanted girls, but I got it wrong, and they really want to be girls? If that's what they want.

Tomorrow, around noon, everything should be ready. Besides, next year I will visit you to check if everything is okay.

I'm already looking forward to tomorrow.

I guess he really wants to be a girl? I have to try to make them perfect.

No, they probably want girlfriends.
And not be girls. I have to confirm it.

He's probably
talking about
payment.

Are you sure you want
me to do this to you?

Yes we are sure.

Why would
we not want it?

If you want it.
Of course, it will seem to your
parents that it has always been so.

All in all good. There
will be no need to introduce them.

Did she misunderstand
something, perhaps not,
Mer would have noticed.

Well, since everything is agreed,
wait until tomorrow and your wish will come true.
Of course, I will only take what I need to fulfill it.

Great thanks
for your help!

Great thanks!

Next morning...

Rem, Ram wake up
time for school !!!

Just five more
minutes!

No five minutes,
wake up!

Okay, okay,
I'm getting up!

What a strange
dream it was.

Aaaaaaaaaaaa....

I guess I really should
watch less anime?

.....

Moment. Did mom
call us Rem and Ram?

No,
it's impossible, she probably
slipped her tongue, and besides,
it was just a dream, right?

This, this, it is impossible.
It's just a dream, it can't
be true ...

I'm probably still asleep.
After all, I can't be a girl.

Besides, if I were to be a girl I would definitely have long hair. There is nothing more beautiful than a girl with long hair, Mer also always says he loves characters with long hair. Hehe

It is a pity that we do not agree on the size of the breast. In my opinion, the small ones are better.

Yes definitely girls with small breasts and long hair are the best. Just pure cute.

Odd. I have something on my eye, I think rubbed too much. Never mind better not rub more.

I want to laugh at me,
I really thought it was all true.
I should seriously cut down on
sitting at night, especially watching
anime ... Okay, let's start
by sitting at night.

The strange door handle
is above. Umm. Probably
my imagination again.

Besides, in a dream,
we asked for girls not to be
girls. So that even in this case
would be impossible.

Aaaaaaaaaaaaaa.....

Meanwhile, in another room ...

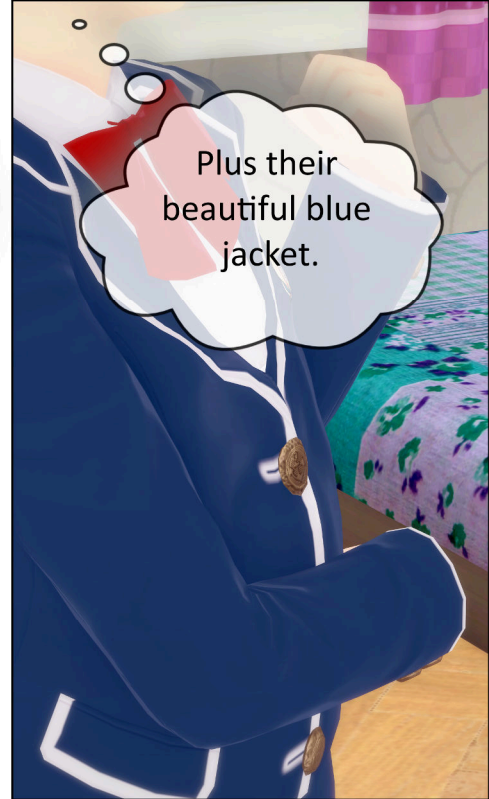

I promised myself, no more reading manga at night. And what do I do, I go to bed at 3 am.

I still don't understand what Mar was talking about yesterday after school. That I should try to make my room more masculine now?

I think it's okay.

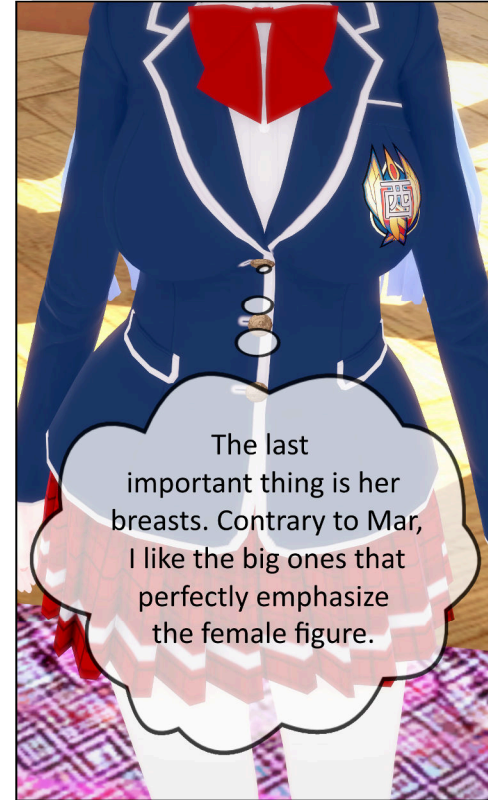

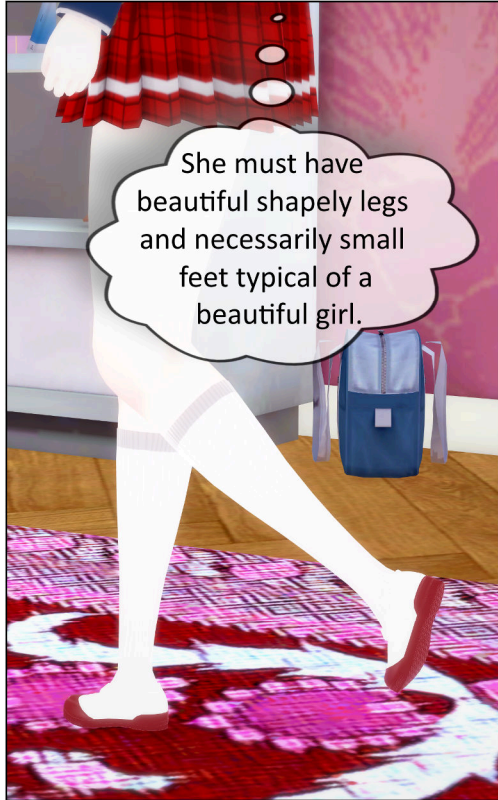

I wonder what they will be.
I just hope my girlfriend will
love school uniforms too.

Yes, I can't wait to see her.

Of course, the uniform alone is not enough. She should also have a suitable body.

This is how I imagine
the perfect girl. Not
a cutting board.

If she also loved Anime, she would be perfect in every way.

Ohhhhh, I can't wait to finally meet her.

Oops. I forgot to hide it yesterday. I'm glad mom didn't come here. In my life, I couldn't explain why I need this skirt. Better if she didn't know that I like school uniforms so much. Hehe.

I wish I could wear one of these uniforms one day without worrying about someone calling me a pervert. ufffff

In the kitchen....

Oh, I can see Mer's girl is already here. I thought I wouldn't see her until school.

I wonder what Mar's girlfriend will be like?

Remember, today I come back later, so the house is supposed to be tidy while I'm away, understood !!!

Yes mum!

Eeeeeeeee
Eeeeeeeee.....

And remember
Rem, honey. Take care of
yourself, so much is said now
about different perverts.

Moments later,
after mom left ...

Can I ask you
a really stupid
question?

Yes.

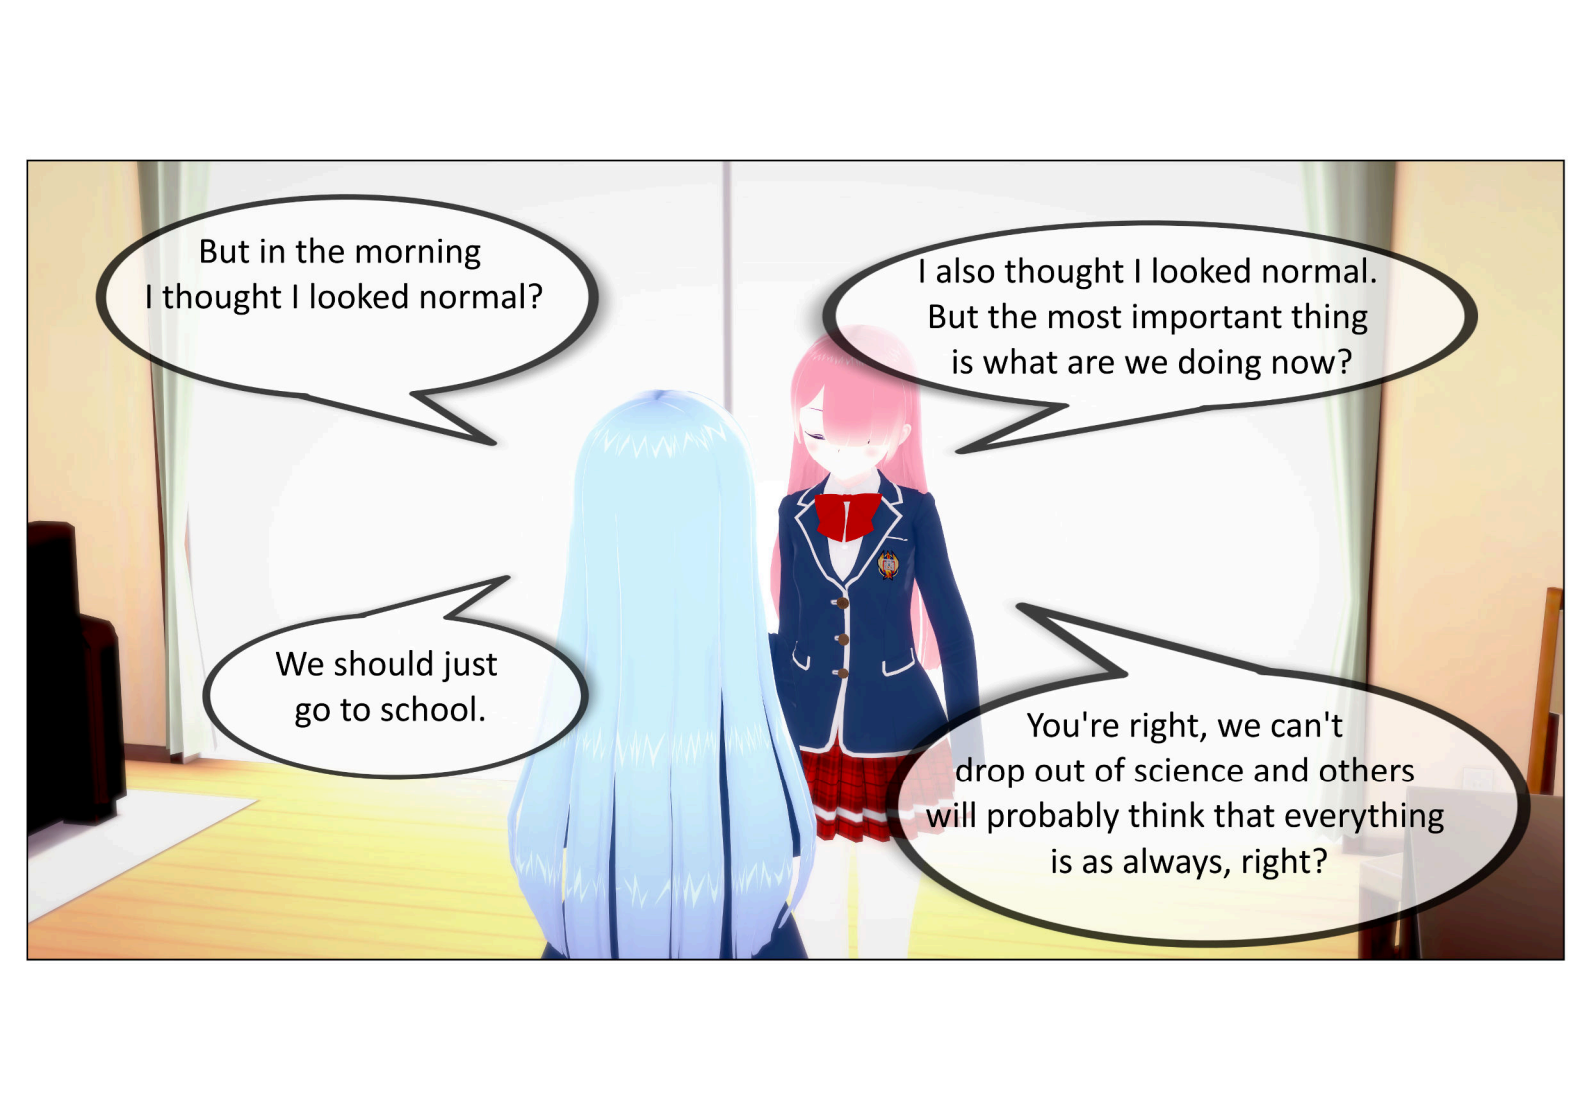

Is that you
Mer?

Yes, that's me, so
you must be Mar.

It is correct. This twisted
angel actually gave us girls, or more
precisely, the lives of girls, and took our
lives. What are we going to do now?
Are we supposed to live
like this?

But in the morning
I thought I looked normal?

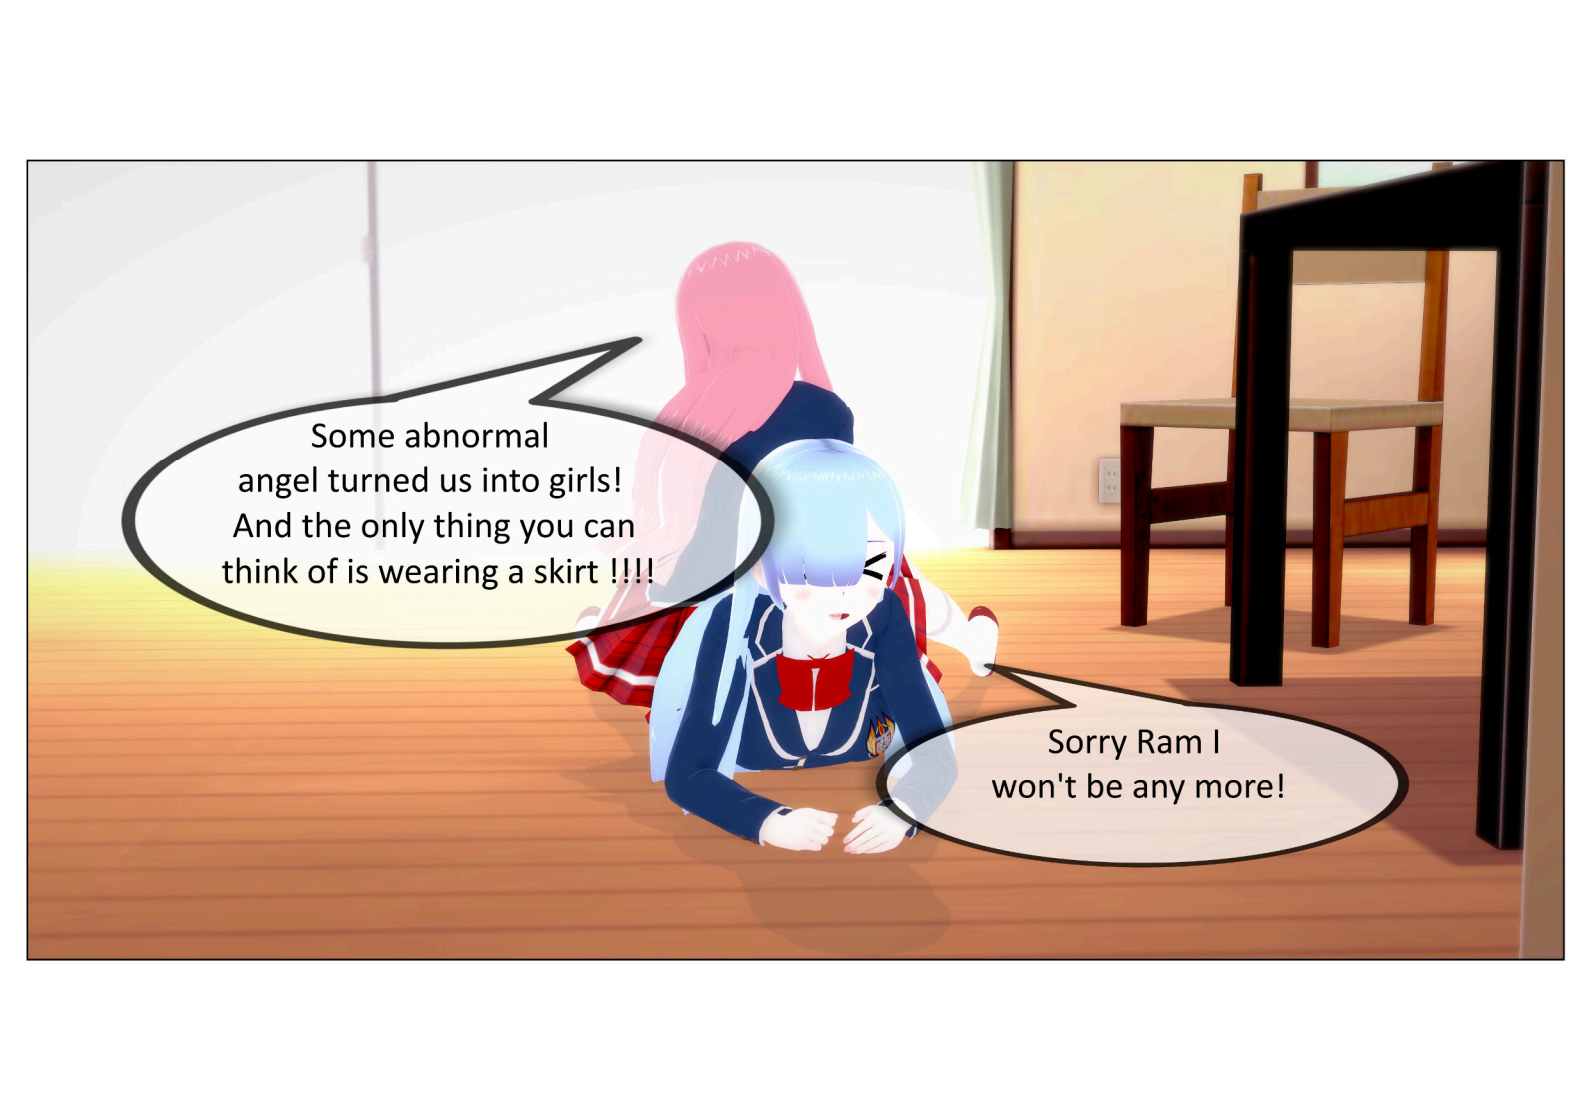

I also thought I looked normal.
But the most important thing
is what are we doing now?

We should just
go to school.

You're right, we can't
drop out of science and others
will probably think that everything
is as always, right?

Actually, I just wanted to enjoy walking in a female uniform.

Some abnormal
angel turned us into girls!
And the only thing you can
think of is wearing a skirt !!!!

Sorry Ram I
won't be any more!

Call me Ram again and
I'll really break your leg.

Why are you so nervous
today is because you don't
have breasts?

Breasts !!!! Some angel
with a hearing defect turned us into girls and you
either about skirts or about breasts !!!

Sorry, sorry, sorry !!!

Besides, it's not that bad.
Yes they are small but ..

I'll kill this angel
if I get him.

Maybe they
will grow?

I am sure they will
grow, believe me.

I don't care
about that.

Milk.

Whatever you say,
whatever you say.

To be continued...
