To be or to have **10** by Ron512 and Kami1 **EN**

It is, It was and It will be

Okay, girls it was fun but it's time to end this.

I have to go home now.

Besides, your mom can't see me now.

What? Why?

Why, am I sure she would like you?

Surely, after all,
who doesn't like their
children?

Oops,
I forgot about it.

One more moment.

Okay, but you can choose not to undo one change.

Okay, Rami-chan, it's time to take this back.

No way. I have to take it back before anyone sees us.

There you are, sweetheart.

I've been looking for you everywhere.

Ymm ...
Did something
happen?

Mom...

I'm fine.
You don't have
to worry.

No, I just
wanted to see
how you feel.

By the way, I can see you have a visitor.

Tell girl, what's your name?

Yes, what's your name?

Her name is Naomi and she is my friend from school.

!?

Weird. You remind me of someone ...

Never mind

It's been so many years since we last saw each other.

I wish you could remember me.

Nevertheless, I am glad that I was able to fulfill your wish then.

After Rem's
and Ram's mom
left and the girls went
back to normal.

Never
again!!!

I agree.

Although actually, it was even funny.

Okay, and now I will restore your memory and go home.

Relax, it will be over soon.

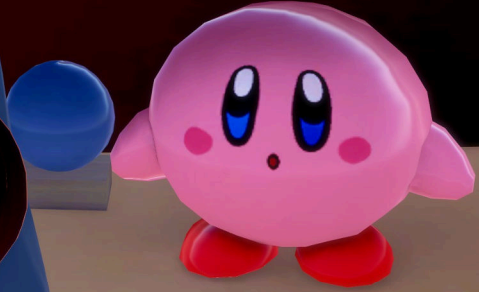

What?

Could you please not give me back my memory yet?

Hold on,
because I think
I heard it wrong.

You don't
want to recover your
memory?

Hmmm ...
Now I understand
everything.

Okay, if
you change your
mind, tell me.

I want to
but ... not yet.

Sure
thanks.

Late at night...

She probably liked the way it turned out and that was why she didn't want to regain her memories.

Finally Onee-san found her happiness.

Actually, I wonder if she could get these changed now.

ZZZZ...

Morning...?

Aaaaa....

It's morning,
weird why didn't
mom wake us to
school?

Never mind,
it's too late to go to
school anyway.

I just hope nothing happened.

Weird, I thought I sold these manga a long time ago.

Maybe not?

In the kitchen...

Onee-san?

What have you
done with your hair?

Why did you
cut them?

I don't know what you were taking, but I want to too.

Since I can remember our hair is so cut.

Wait a minute, remember?

Yes, what's weird about that?

Has she regained her memory?

And you don't eat breakfast?

Because we're going to town soon, to this new beauty salon.

What did some new ones open?

Yes, today the opening of "Sakura beauty", forgot?

Of course I haven't forgotten.

They opened this salon five years ago.

It all makes sense now. I went back in time five years.

But why are we both girls?

In the beauty salon ...

Great! This is what I meant.

It doesn't matter, I don't like makeup that is too strong.

Say you have membership cards?

I'm glad you like it, but it's a set for kids.

Of course.

Just as I thought.

This is our alternate past, if we were always girls.

Interestingly, Onee-san seems much happier.

I don't know why I'm suddenly in the past, but who cares?

I don't know why I'm suddenly in the past, but who cares?

As long as I'm with onee-san, I can be anywhere.

Sakura beauty

Tell me, this is really our past.

Onee-san would really be so happy then?

Yes.

If you were born girls.

You mean, would it be better if you were born boys or girls?

Well...

Sakura beauty

Yes

Do you want to know my honest answer?

I do not know.

Who?

But I know who knows.

Then please take me to her.

I can not say. But if you want, I lead you to that person?

Are you sure? There will be no turning back later.

I have long dreamed of being a girl.

When I became her, it was the happiest day of my life.

But for Onee-san, I'm ready to give it back.

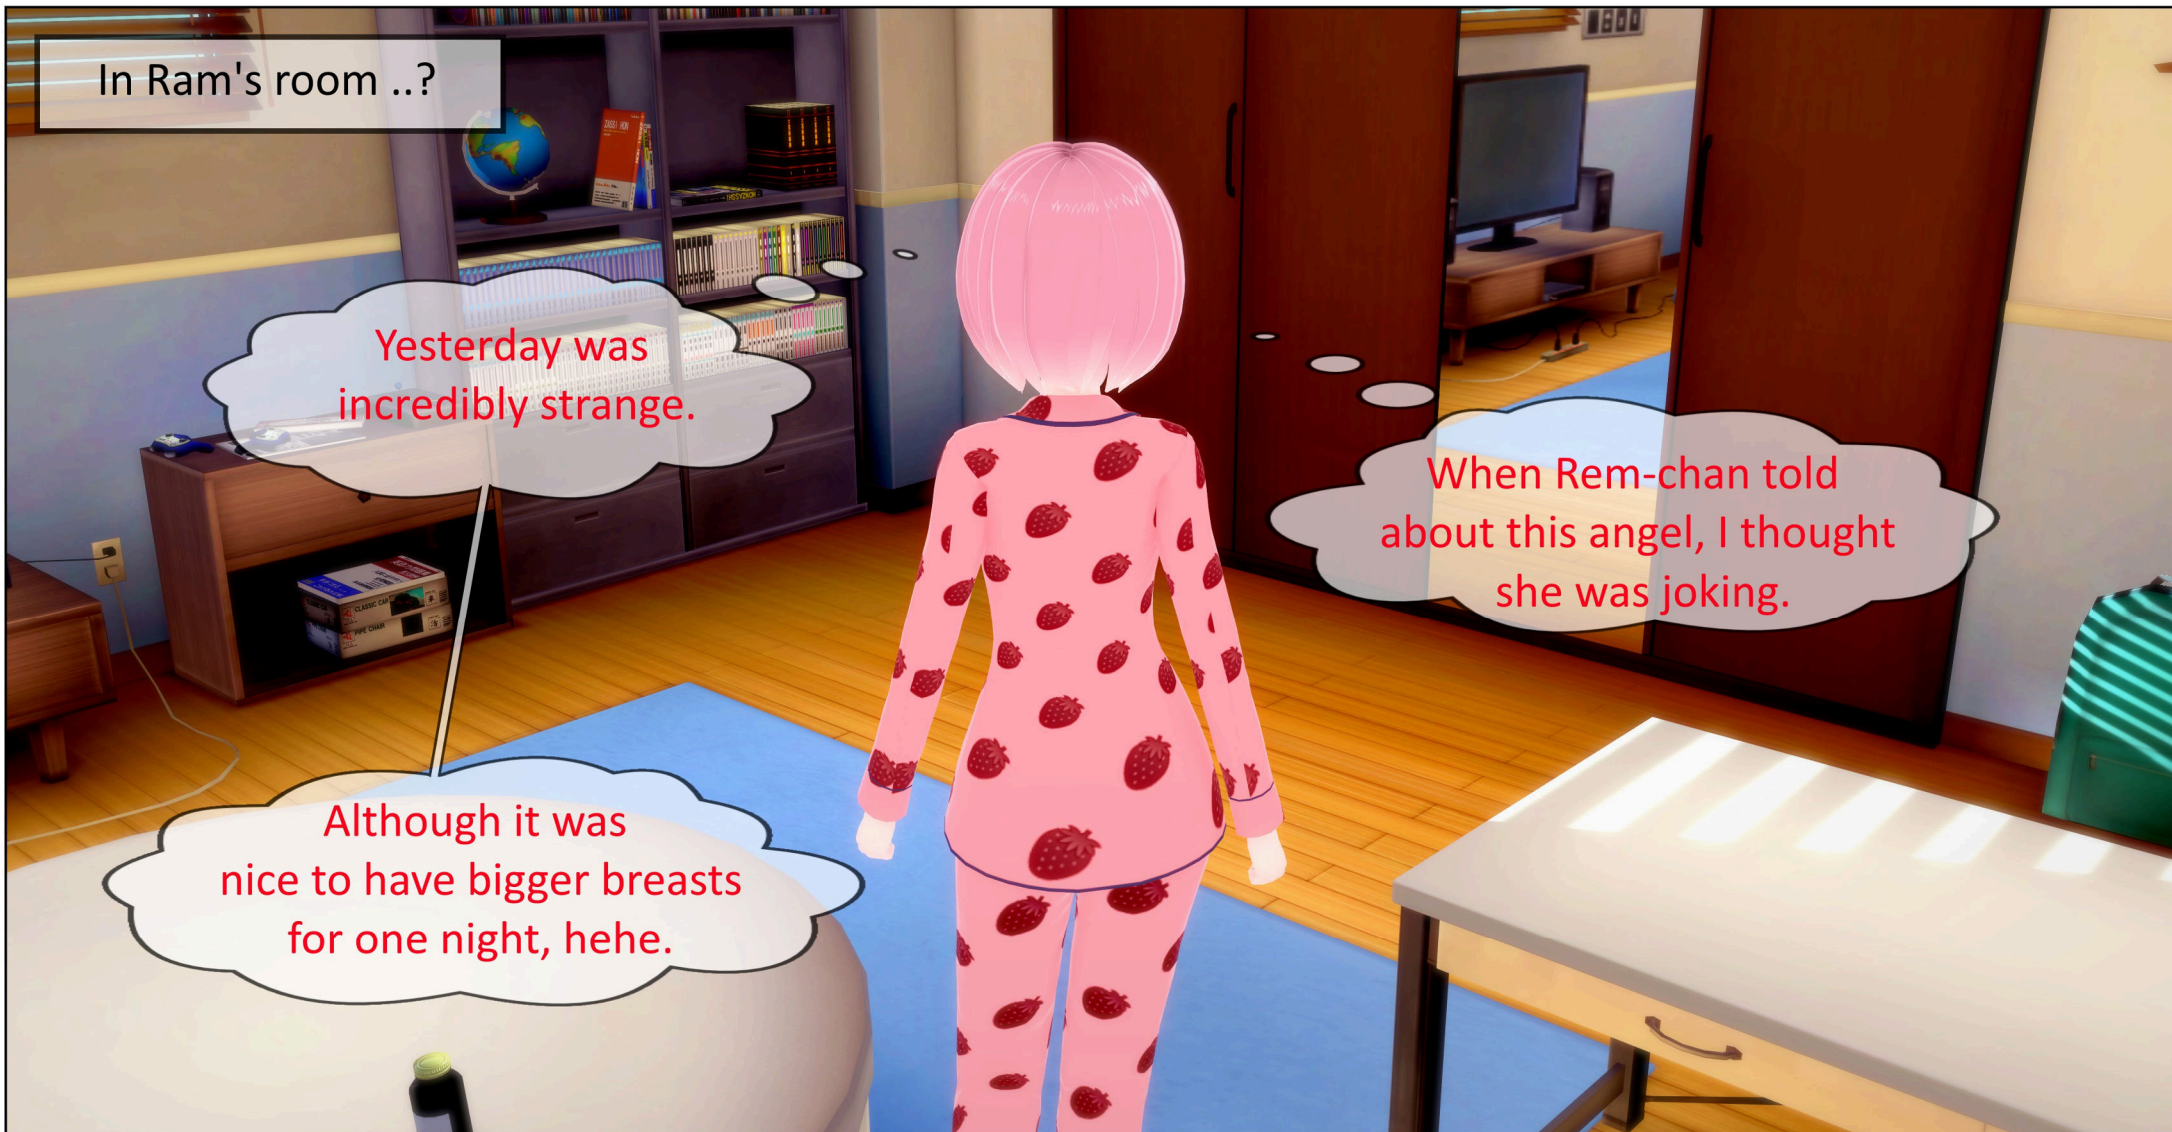

I think it's time for the final.

In Ram's room ..?

Yesterday was
incredibly strange.

Although it was
nice to have bigger breasts
for one night, hehe.

When Rem-chan told
about this angel, I thought
she was joking.

But for now I have to wash up, get dressed and go to school.

My hair is probably so greasy that ...

...?

What happened
to my hair?

No, that can't
be true.

It must be
a nightmare.

No, this is too much!

Why am I suddenly a guy !!!

This can't be true, it's just a nightmare for sure !!!

It's not a nightmare, it's your past.

Now yes, but it wasn't always like that.

Yes, what you started to remember was not a movie but your own life.

What, but I'm a girl.

So it's true.

I don't think
I can run from it
anymore.

Please give
me back my
memories.

No, I want the
real ones, no matter
what they are.

Are you sure?
I can also give you false
memories to keep those
memories from coming
back.

Why, it would
be easier that way.

But that would only be a lie.

Besides, I would have forgotten the many times I had with Rem-chan.

So please give them back to me.

?????????

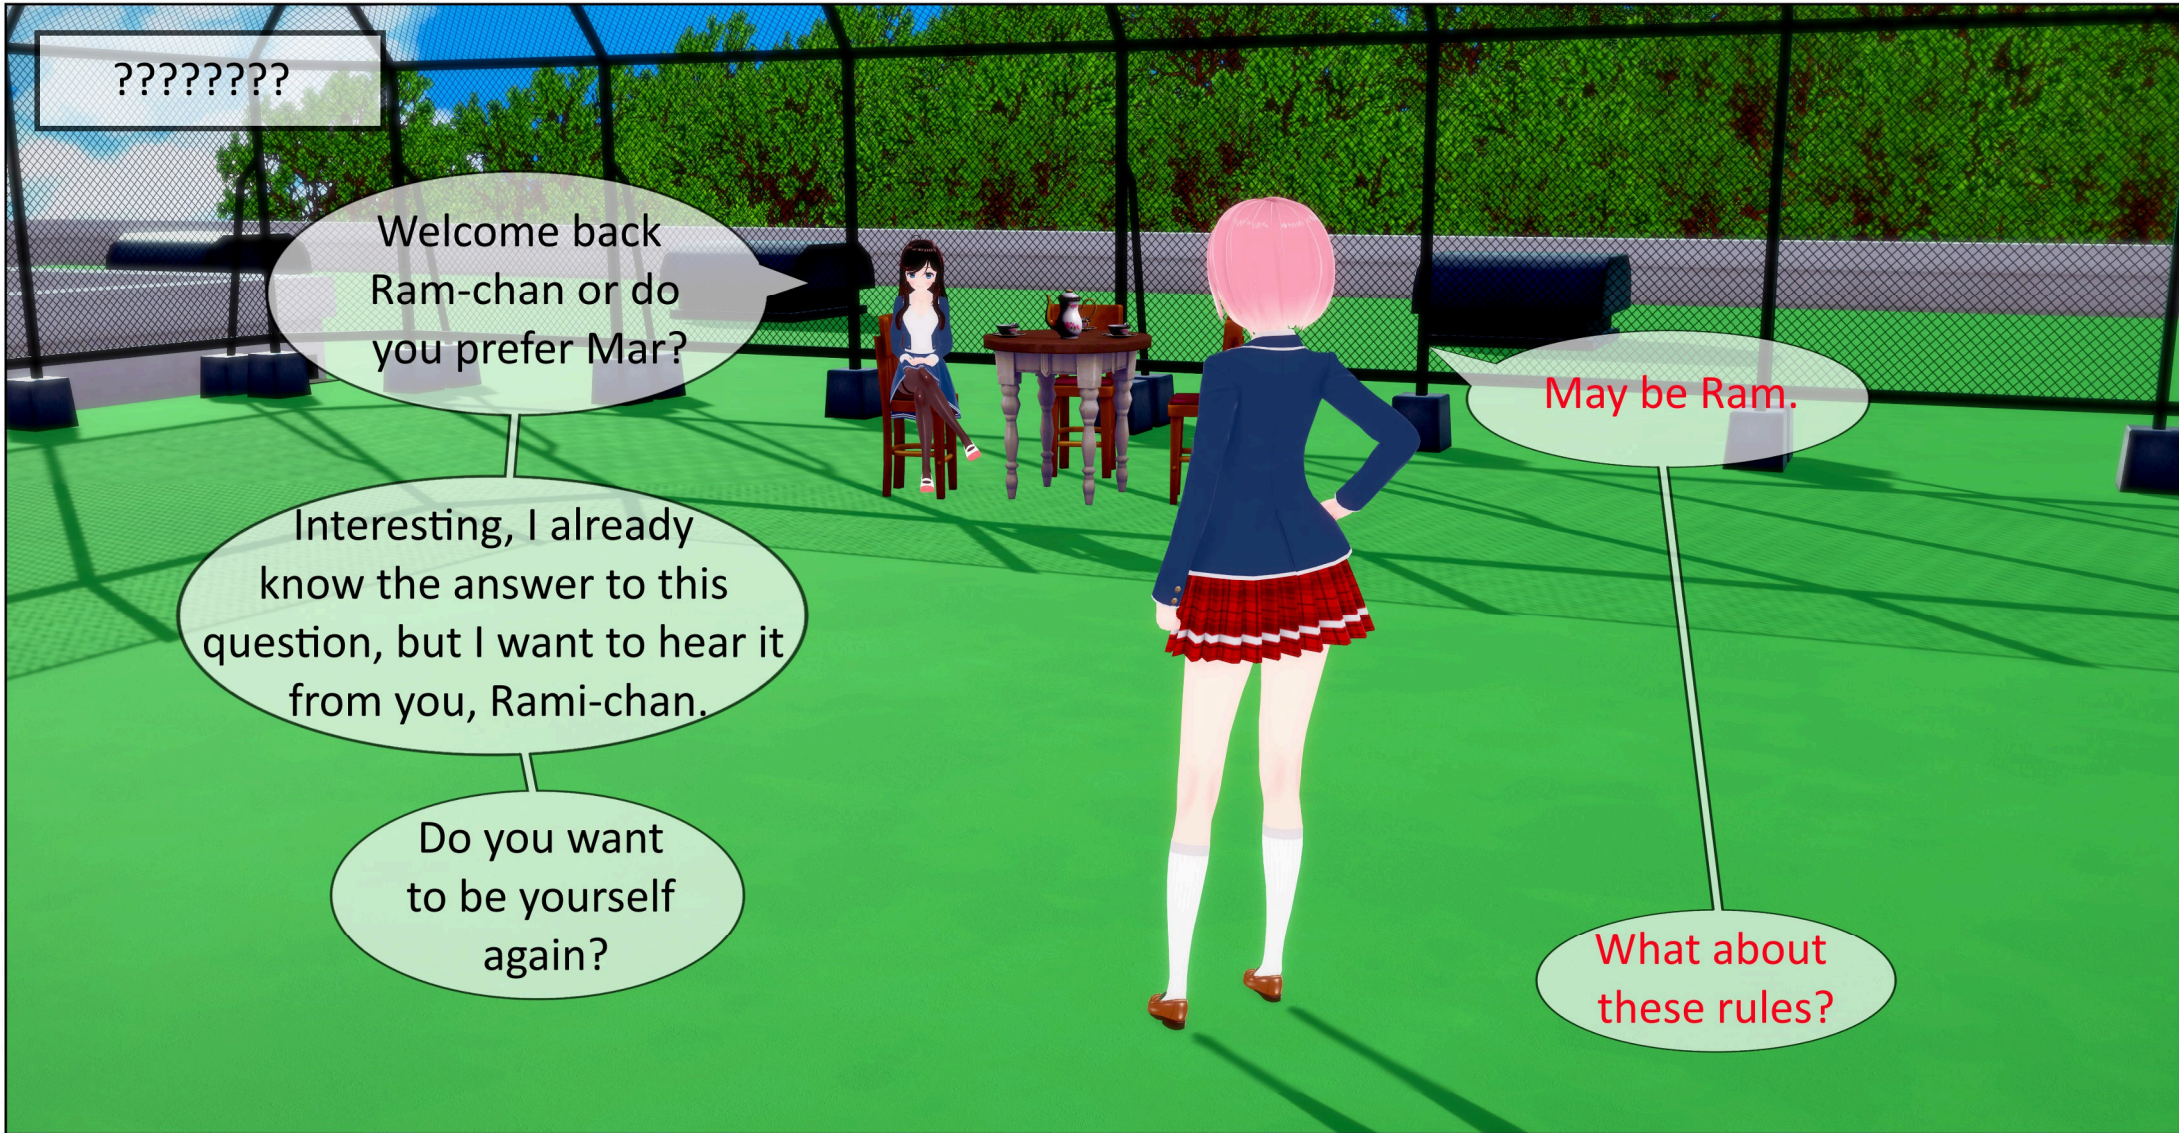

Welcome back
Ram-chan or do
you prefer Mar?

Interesting, I already
know the answer to this
question, but I want to hear it
from you, Rami-chan.

Do you want
to be yourself
again?

May be Ram.

What about
these rules?

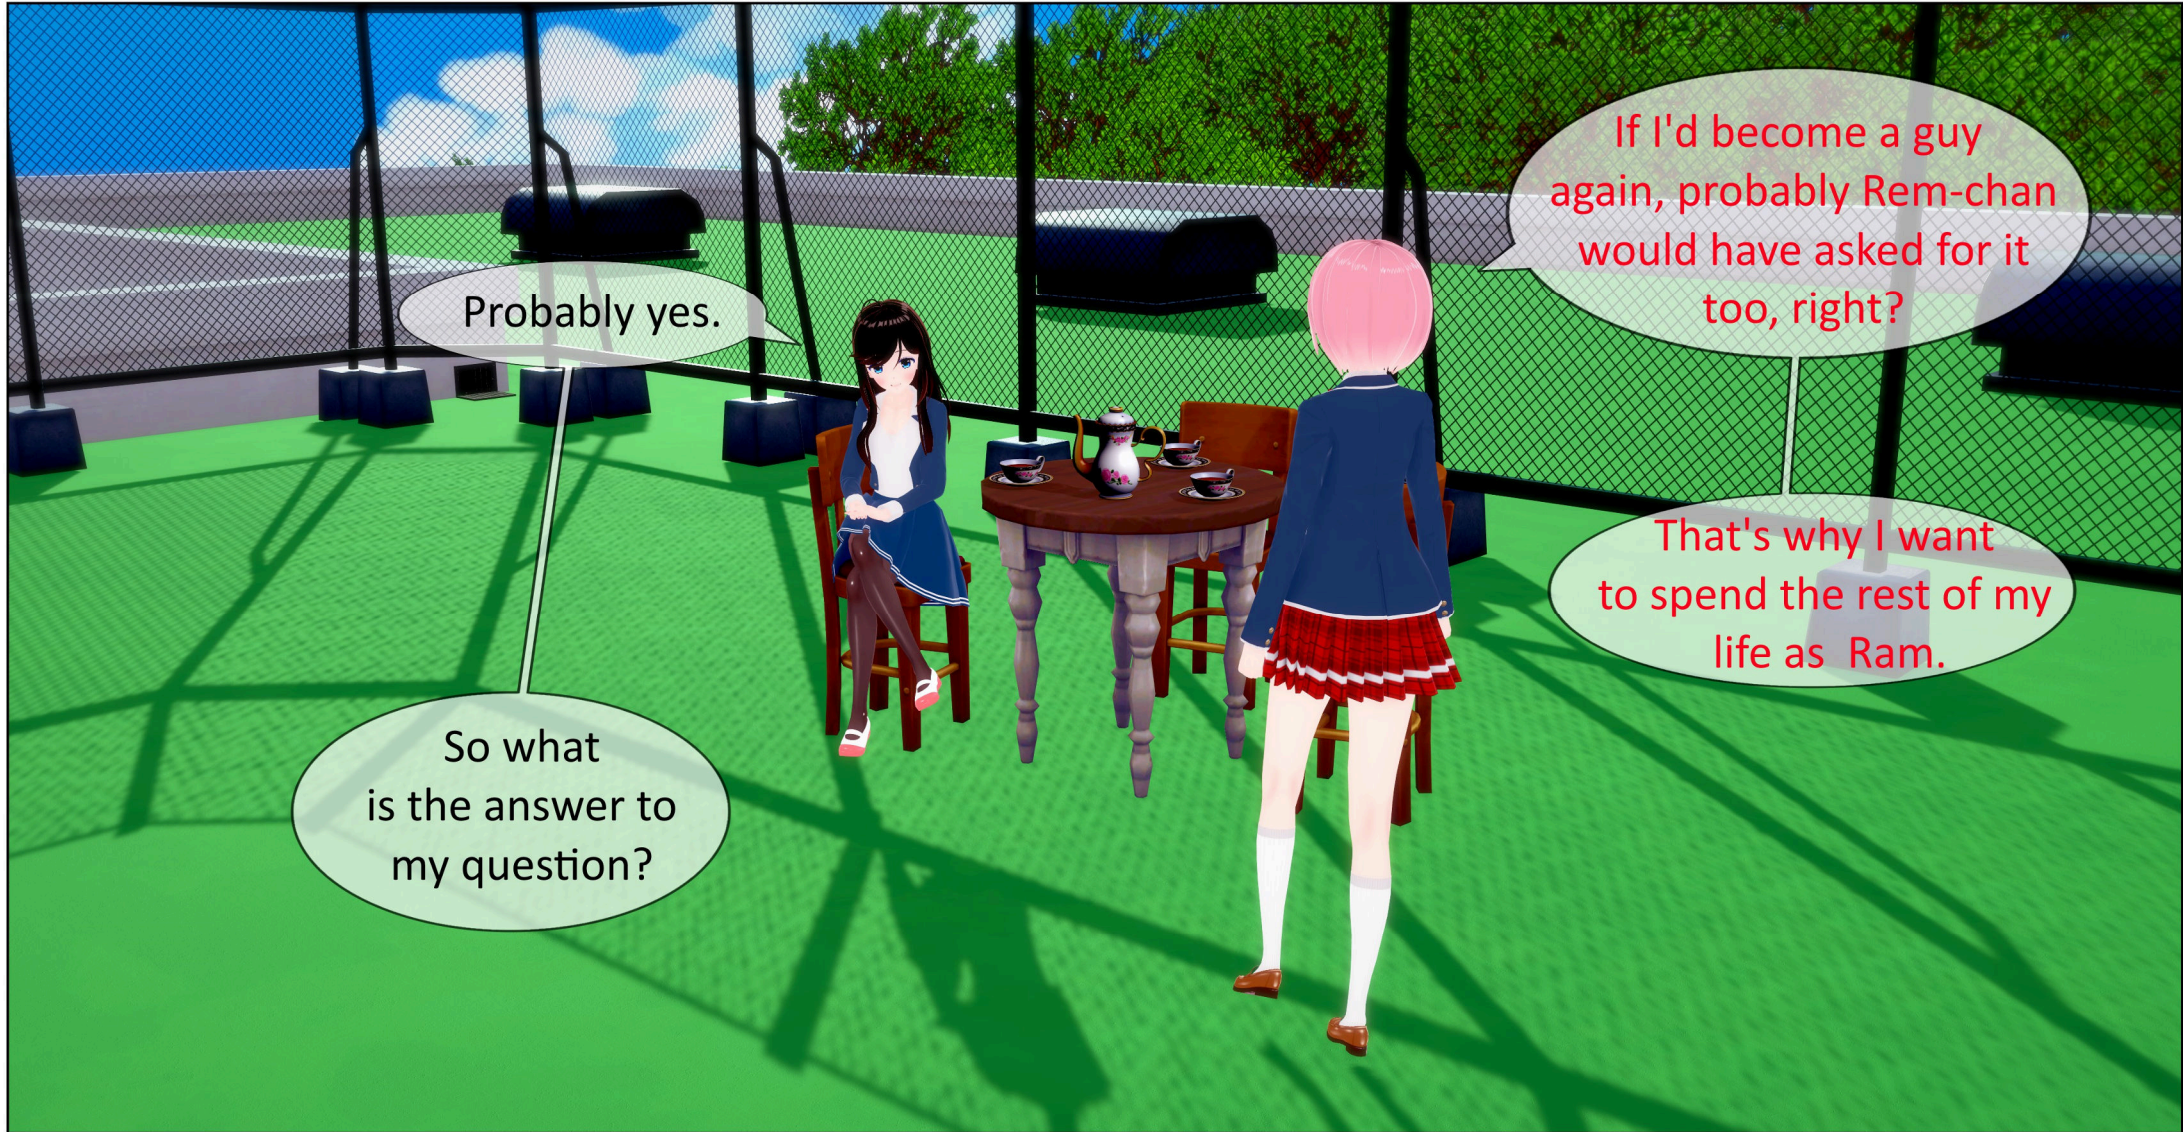

I made them
up to give you time
to think.

So?

Now that you
know the truth what
is your answer.

Probably yes.

So what is the answer to my question?

If I'd become a guy again, probably Rem-chan would have asked for it too, right?

That's why I want to spend the rest of my life as Ram.

I am already myself.

Or at least the person I want to be.

I know it took me a while but I know this is what I want.

Besides, I would never forgive myself for destroying Rem-chan's dreams.

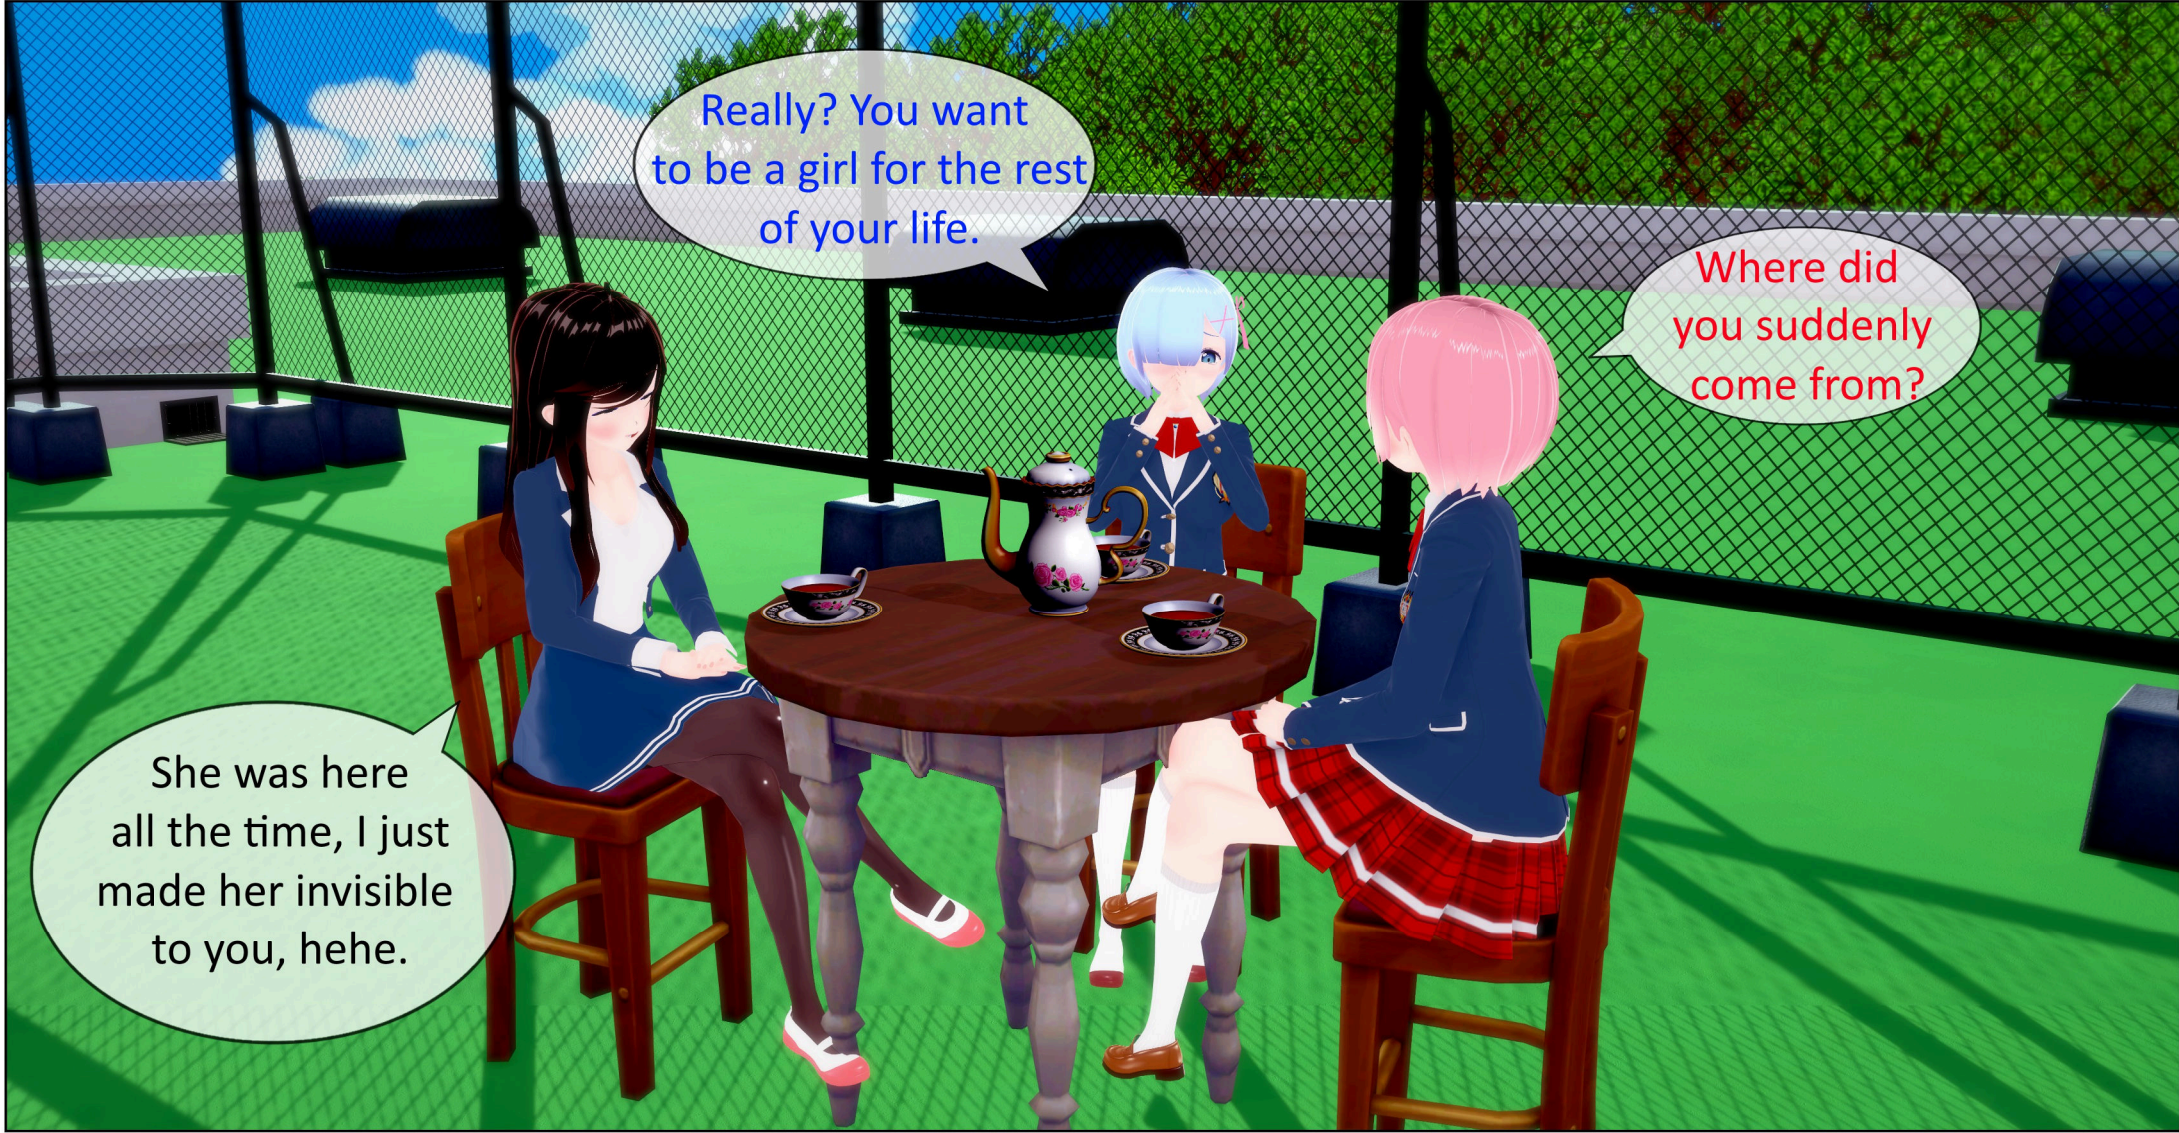

By the way.

What is this empty chair for?

It is not empty.

And Remi-chan. Do you already know the answers?

Really? You want to be a girl for the rest of your life.

Where did you suddenly come from?

She was here all the time, I just made her invisible to you, hehe.

It's not like
I want to.

Ram...

Uh....

Yes, I want to
be Ram forever.

Not only because now
I really started to feel
like myself.

But I also want
you to be you happy

Funny.

I had to fall on my head and lose my memory.

To find out who I am and that I am not the only one who matters.

Onee-san!

It's okay,
don't cry
Remi-chan.

I don't think
I'm needed here
anymore.

You don't want to stay here?

Thank you for everything you've done for us.

Can you take us back home now?

What?

We went back in time five years.

You can stay here and live the last five years again, but this time as girls.

What do you think about it?

A 3D-rendered scene of two anime-style girls in school uniforms standing on a green tennis court. The girl on the left has short, light blue hair and is wearing a dark blue blazer with a red bow tie and a red plaid skirt. The girl on the right has short, pink hair and is wearing a similar dark blue blazer with a red bow tie and a red plaid skirt. They are both looking at each other. The background shows a chain-link fence, a blue bench, and a clear blue sky. There are five speech bubbles containing text.

What?

Yes...

Then we stay.

We are graduating from high school this year, right?

But I want you to be able to make your dream come true.

Thanks again for everything, we will never forget it.

Hope to meet again soon.

Sure.

Go now because you're about to be late for the lesson, hehe.

Sorry.

But you
won't keep that
promise.

I also thought that someone was here.

Strange, I thought someone was behind us.

Rem and Ram remembered who they used to be and that they went back in time. But they no longer remembered anything about the angel who visited them.

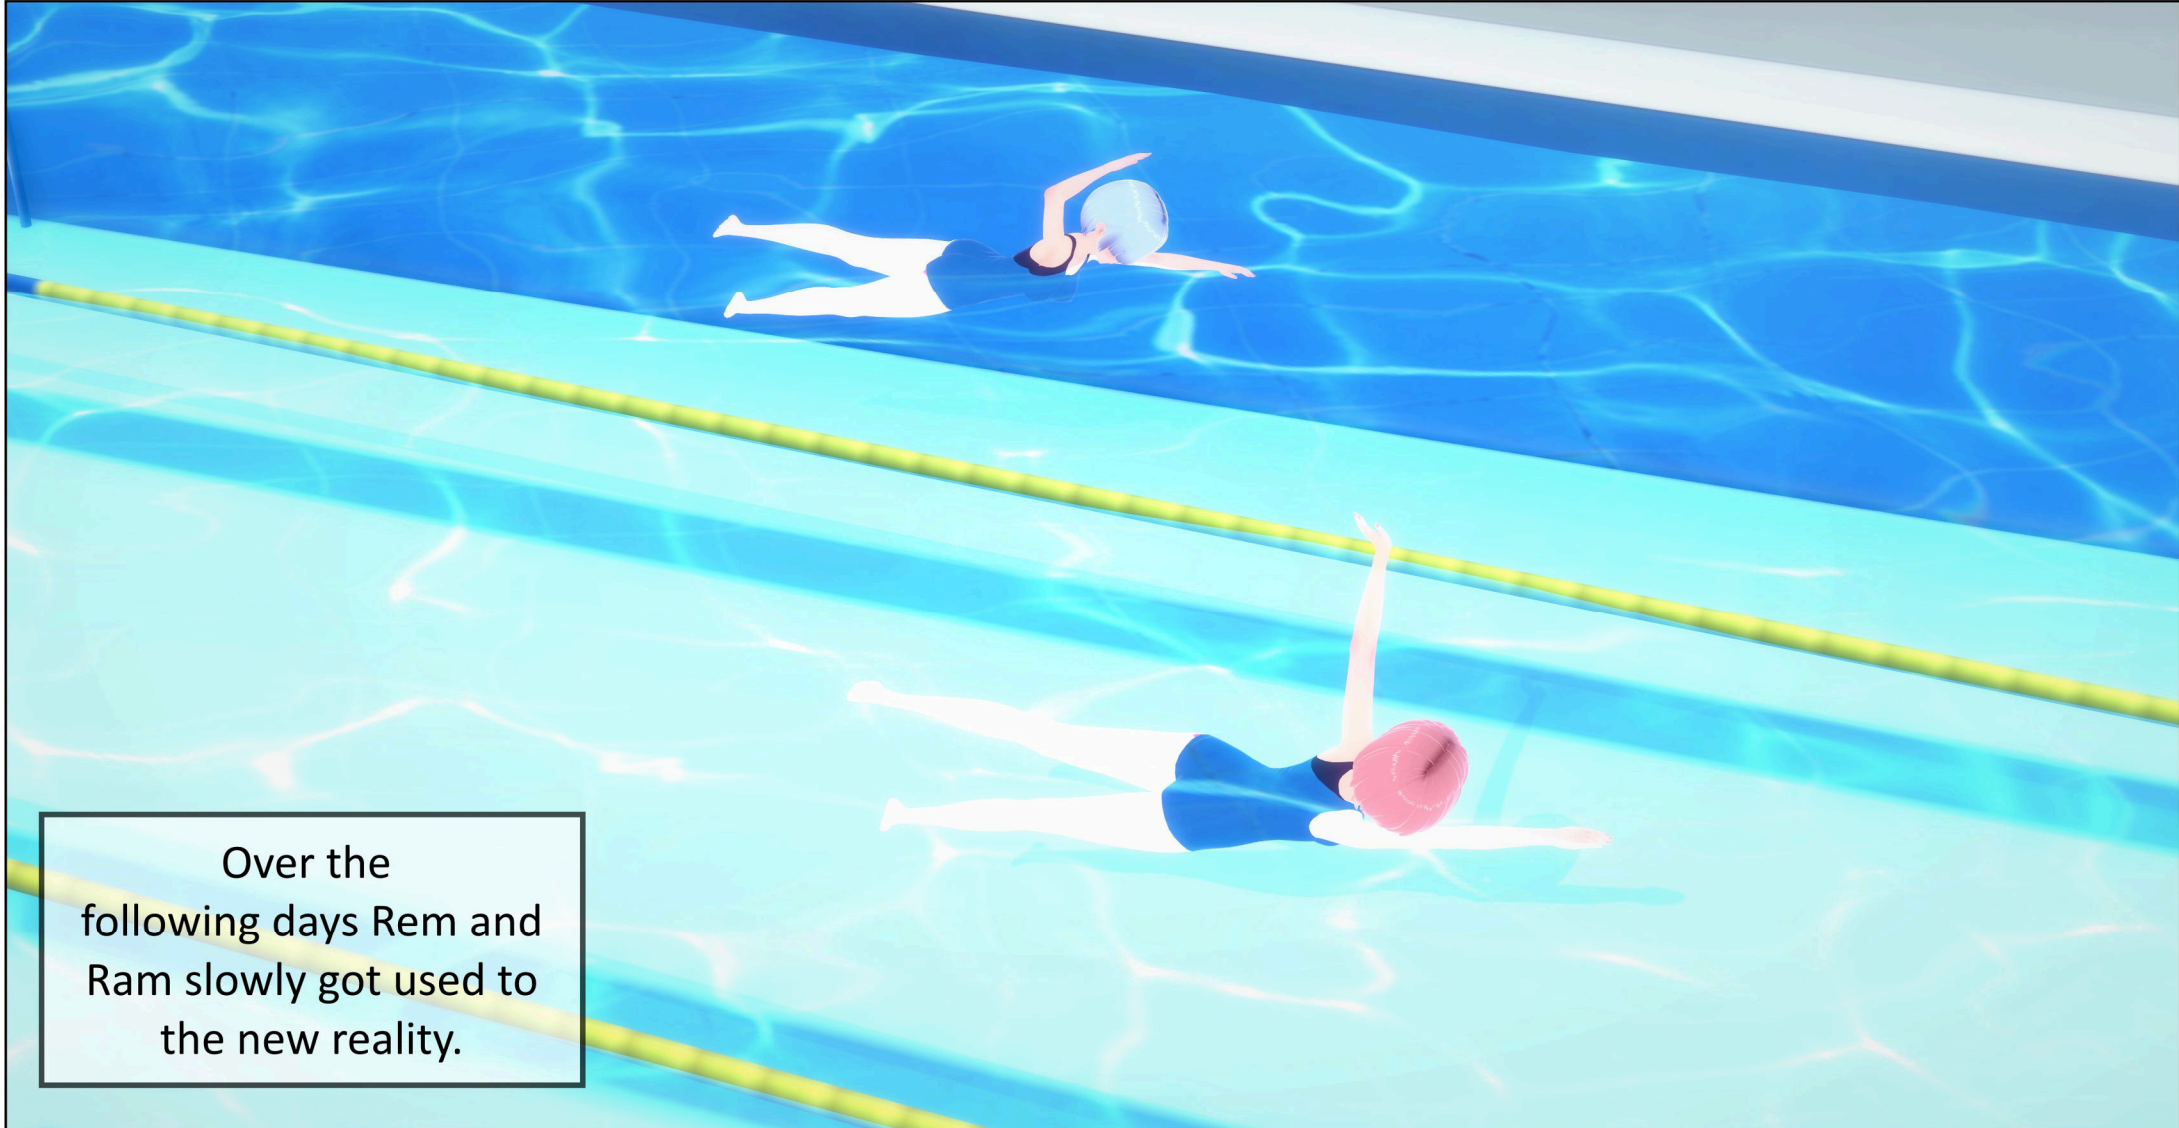

A 3D-rendered scene of two anime-style girls in school uniforms standing on a rooftop. The girl on the left has short pink hair and a blue 'X' on her forehead. The girl on the right has short light blue hair and a pink 'X' on her forehead. They are both wearing dark blue jackets with white trim and red plaid skirts. The background shows a white wall, a glass door, and a chain-link fence overlooking a blue sky with white clouds.

Never mind.

I think
since we are in the
past we should take
advantage of it.

What do you think,
Rem-chan?

Great idea
Onee-san!

Over the following days Rem and Ram slowly got used to the new reality.

I guess I lost again.

You're just too fast.

I'm not too fast, you're just too slow.

I told you to practice with me.

I guess I'll
have to start.

Although because of
your figure, I'll never stand
a chance with you anyway.

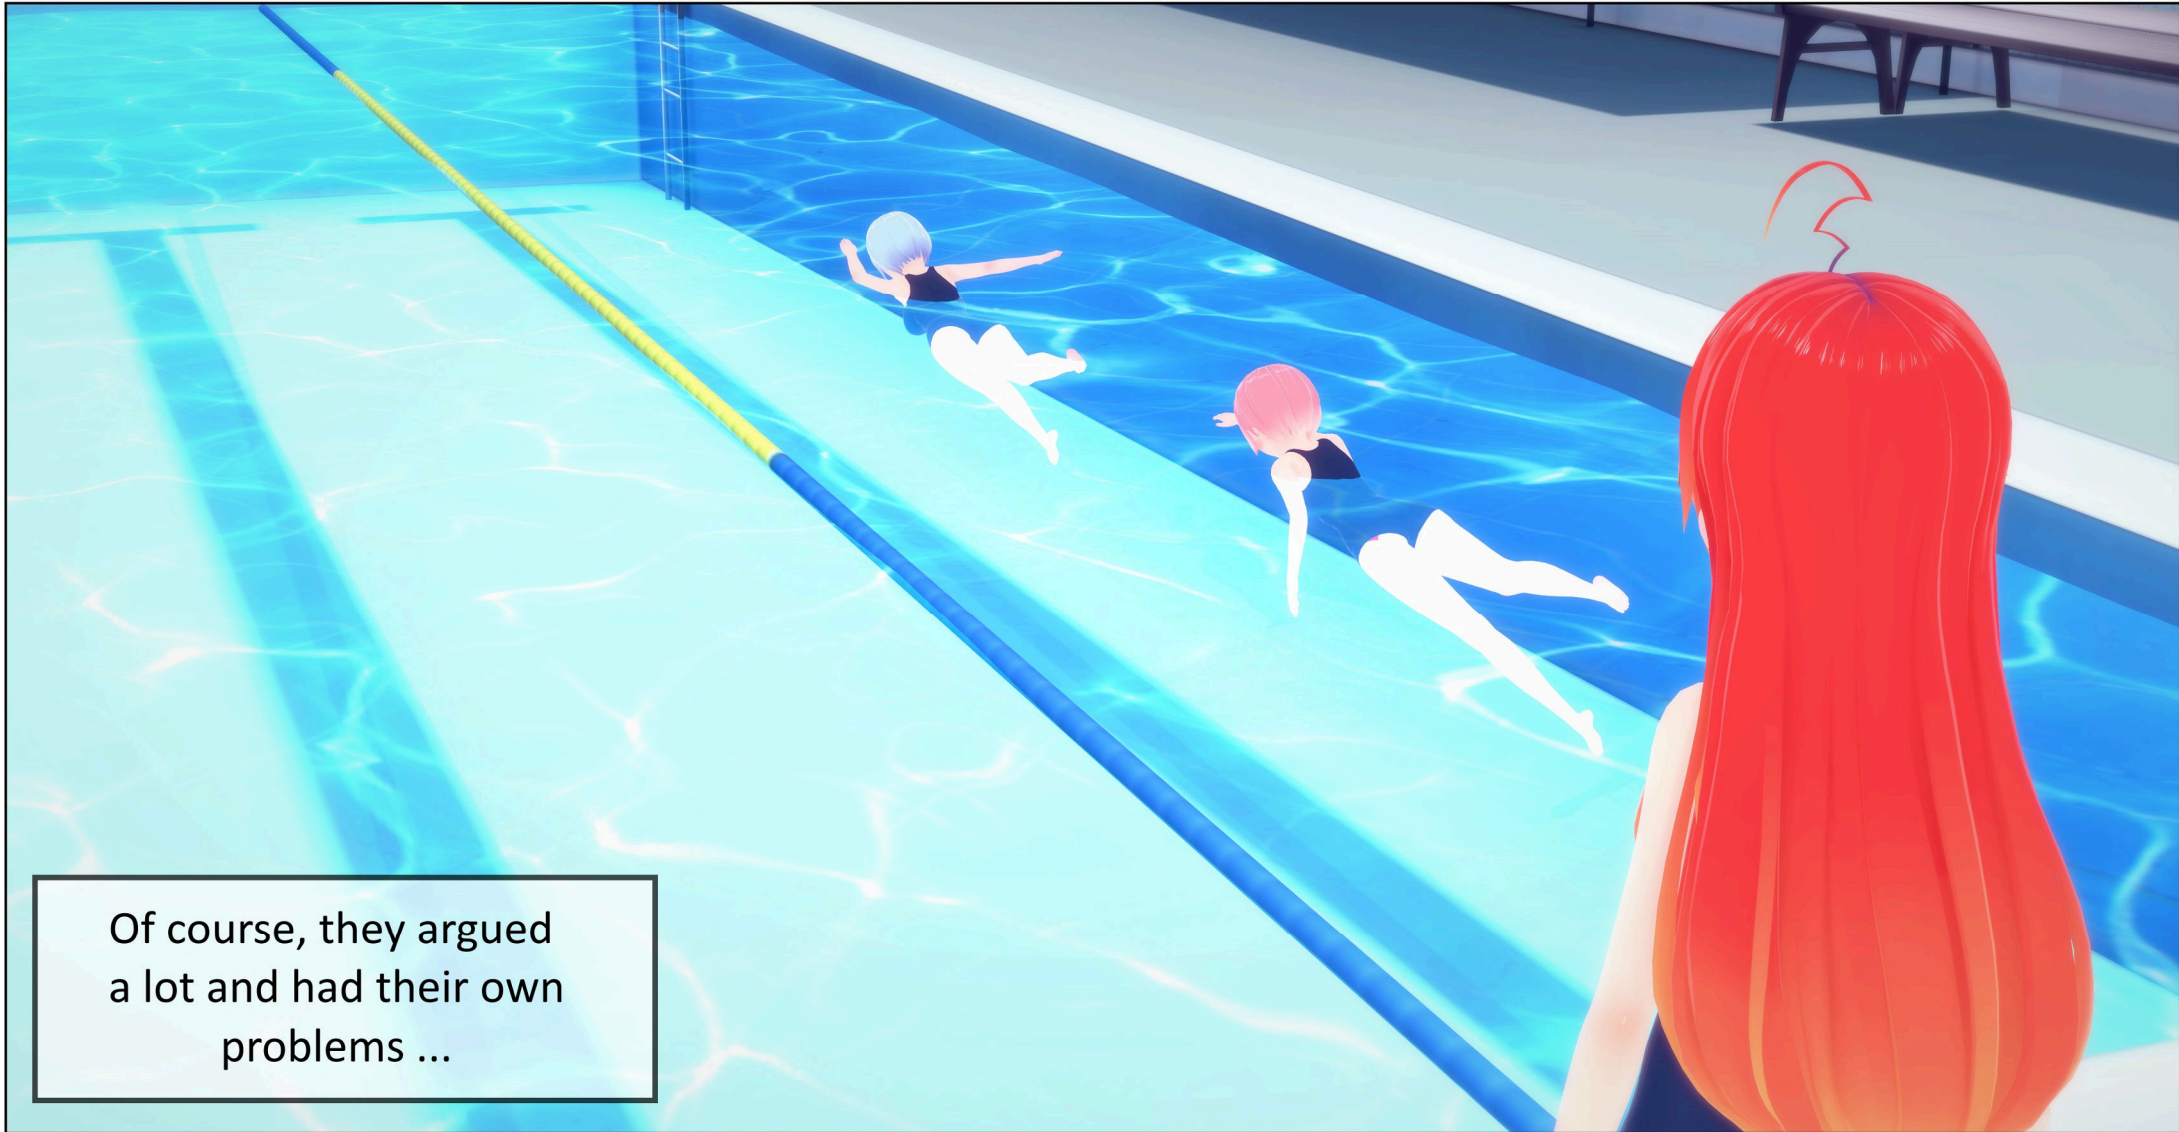

ymmm ...
no ...

What!!!

So you say I swim
faster because my
breasts are smaller!

I'm gonna teach
you to swim fast.

Of course, they argued
a lot and had their own
problems ...

See, I said
I would teach you to
swim fast, hehe.

Okay and
now back.

I made it?

But they always
remembered they
were sisters.

And so days quickly became months. However, many things happened much earlier.

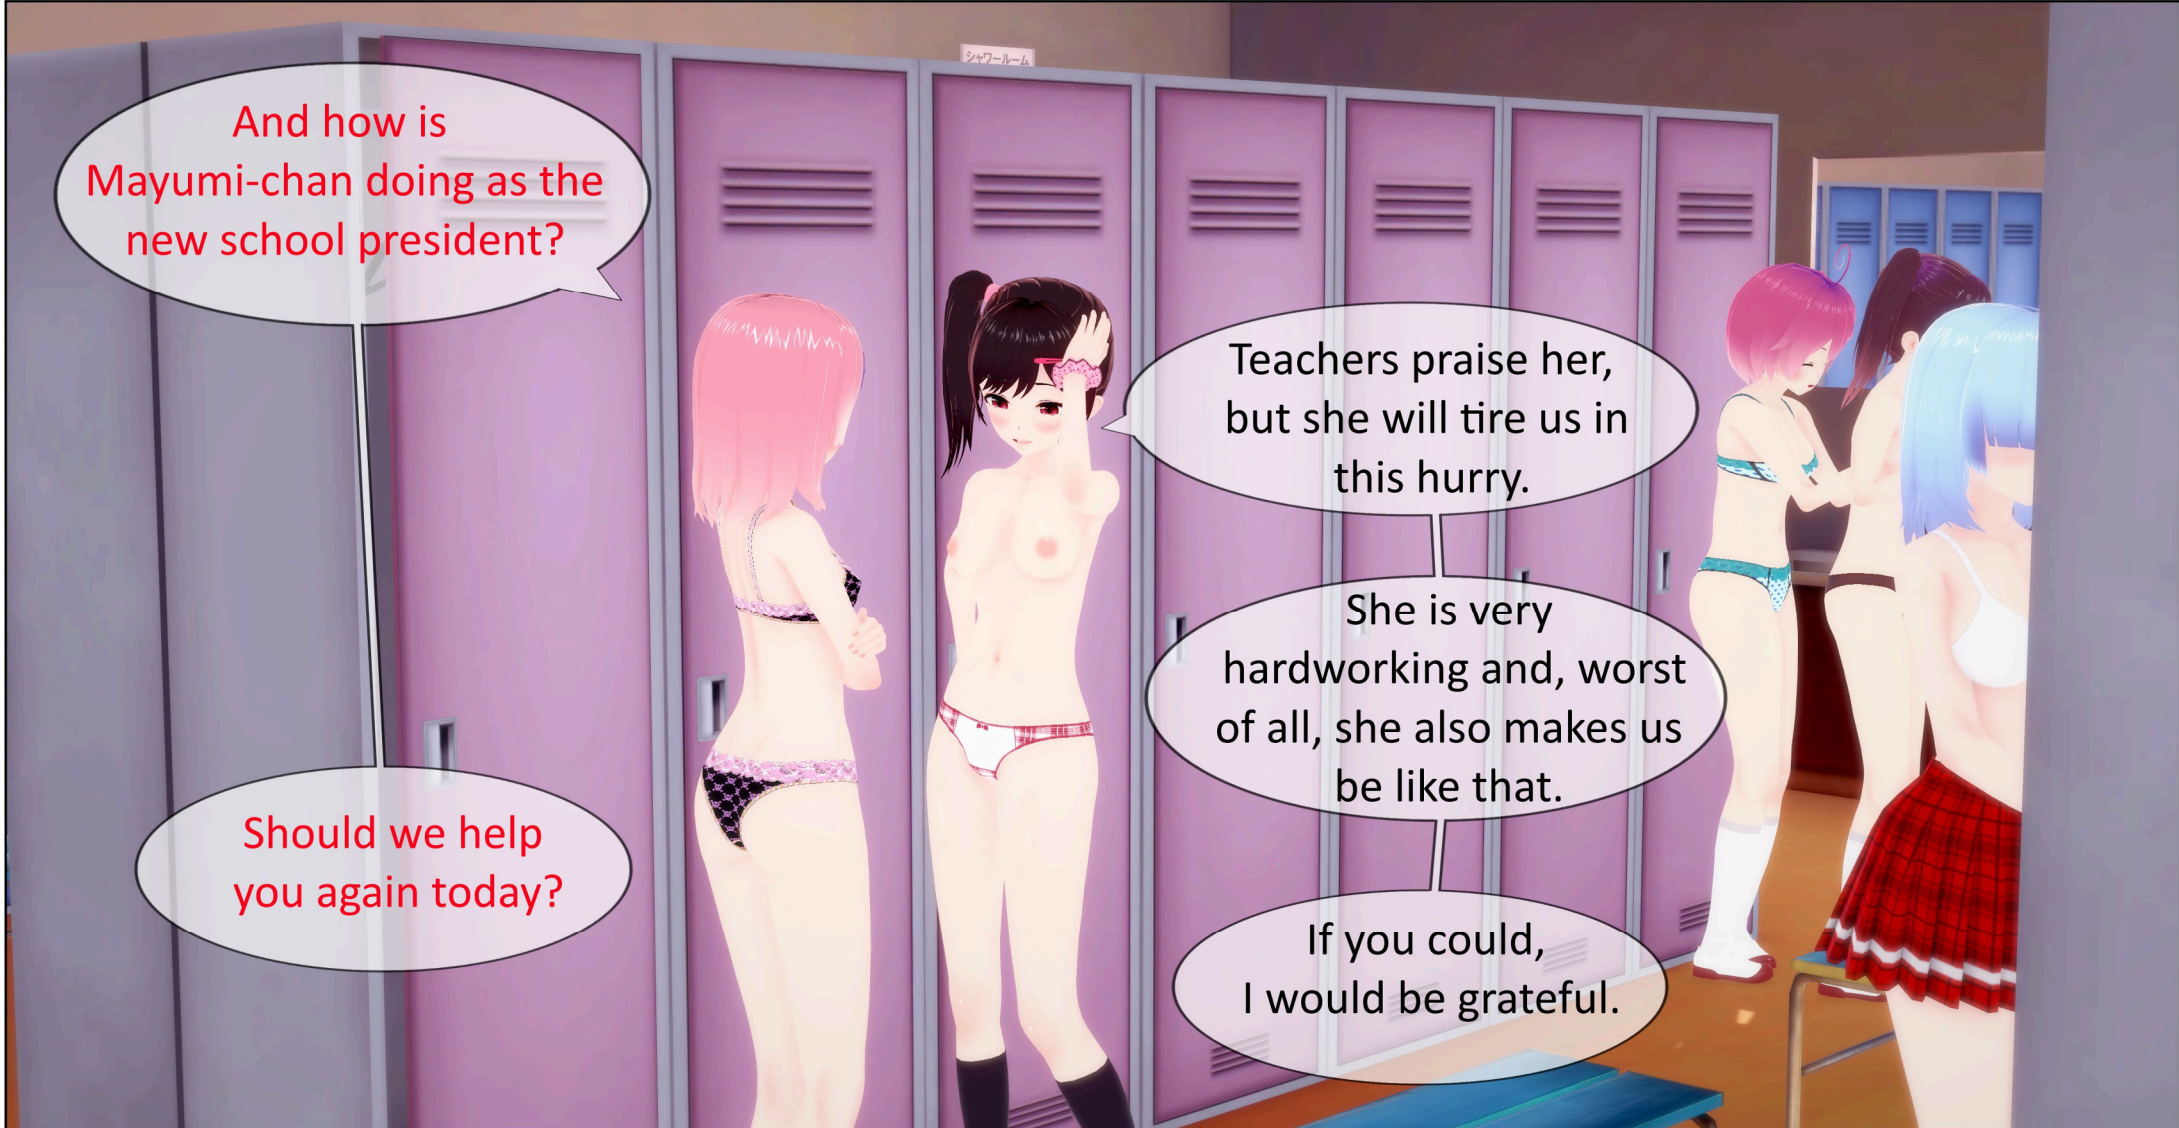

Of course, there were many differences. But the main thing was that both girls enjoyed their fate this time.

Over time, Ram also got used to the frequent sight of girls in the dressing room.

You're welcome.

Thanks as always.

And how is
Mayumi-chan doing as the
new school president?

Should we help
you again today?

Teachers praise her,
but she will tire us in
this hurry.

She is very
hardworking and, worst
of all, she also makes us
be like that.

If you could,
I would be grateful.

Rem and Ram also helped Mayumi-chan a lot, until she finally invited them to the school board.

No problem, we had to join some club anyway, hehe.

Thanks again for agreeing.

Thanks anyway.

And so four years passed in the blink of an eye.

Of course, for creatures that live outside of time, such as angels, it makes no difference.

It's a pity that Rem-chan and Ram-chan don't remember me anymore.

But it's better this way.

A 3D-rendered scene of a rooftop garden. In the foreground, a woman with long, dark, wavy hair is seen from behind, wearing a black, form-fitting dress. She stands on a wooden deck. To her left is a fountain with water spraying upwards. The background features lush green trees and a city skyline under a blue sky with white clouds. Two speech bubbles are overlaid on the scene.

I guess it's time to
go back to heaven.

It is a pity that I did
not even have the opportunity
to say goodbye to the girls.

Yes, it will probably be the best decision.

And we have a repeat of years ago.

But this time I'm not coming back. It's too much for me to go through it every time.

Naomi does not leave!

Rem, Ram?

What are you
doing here?

And why
do you remember
my name?

How could we forget about you, you did so much for us after all.

You gave them to us, and a few days ago they flashed and reminded us of you.

Because I have erased your memories of me.

Hmm ... What are these necklaces?

????

Yes. What did you send them to us by mistake?

Wait, these necklaces ...

You say they were in this package what I sent you?

No, I understand everything now.

So you stay?

Great, then let's go.

You know what, I'm hungry, you're going to eat with me. I pay.

Of course I'm staying, in the end I promised to visit you.

And so in the end,
everyone found
their happiness.

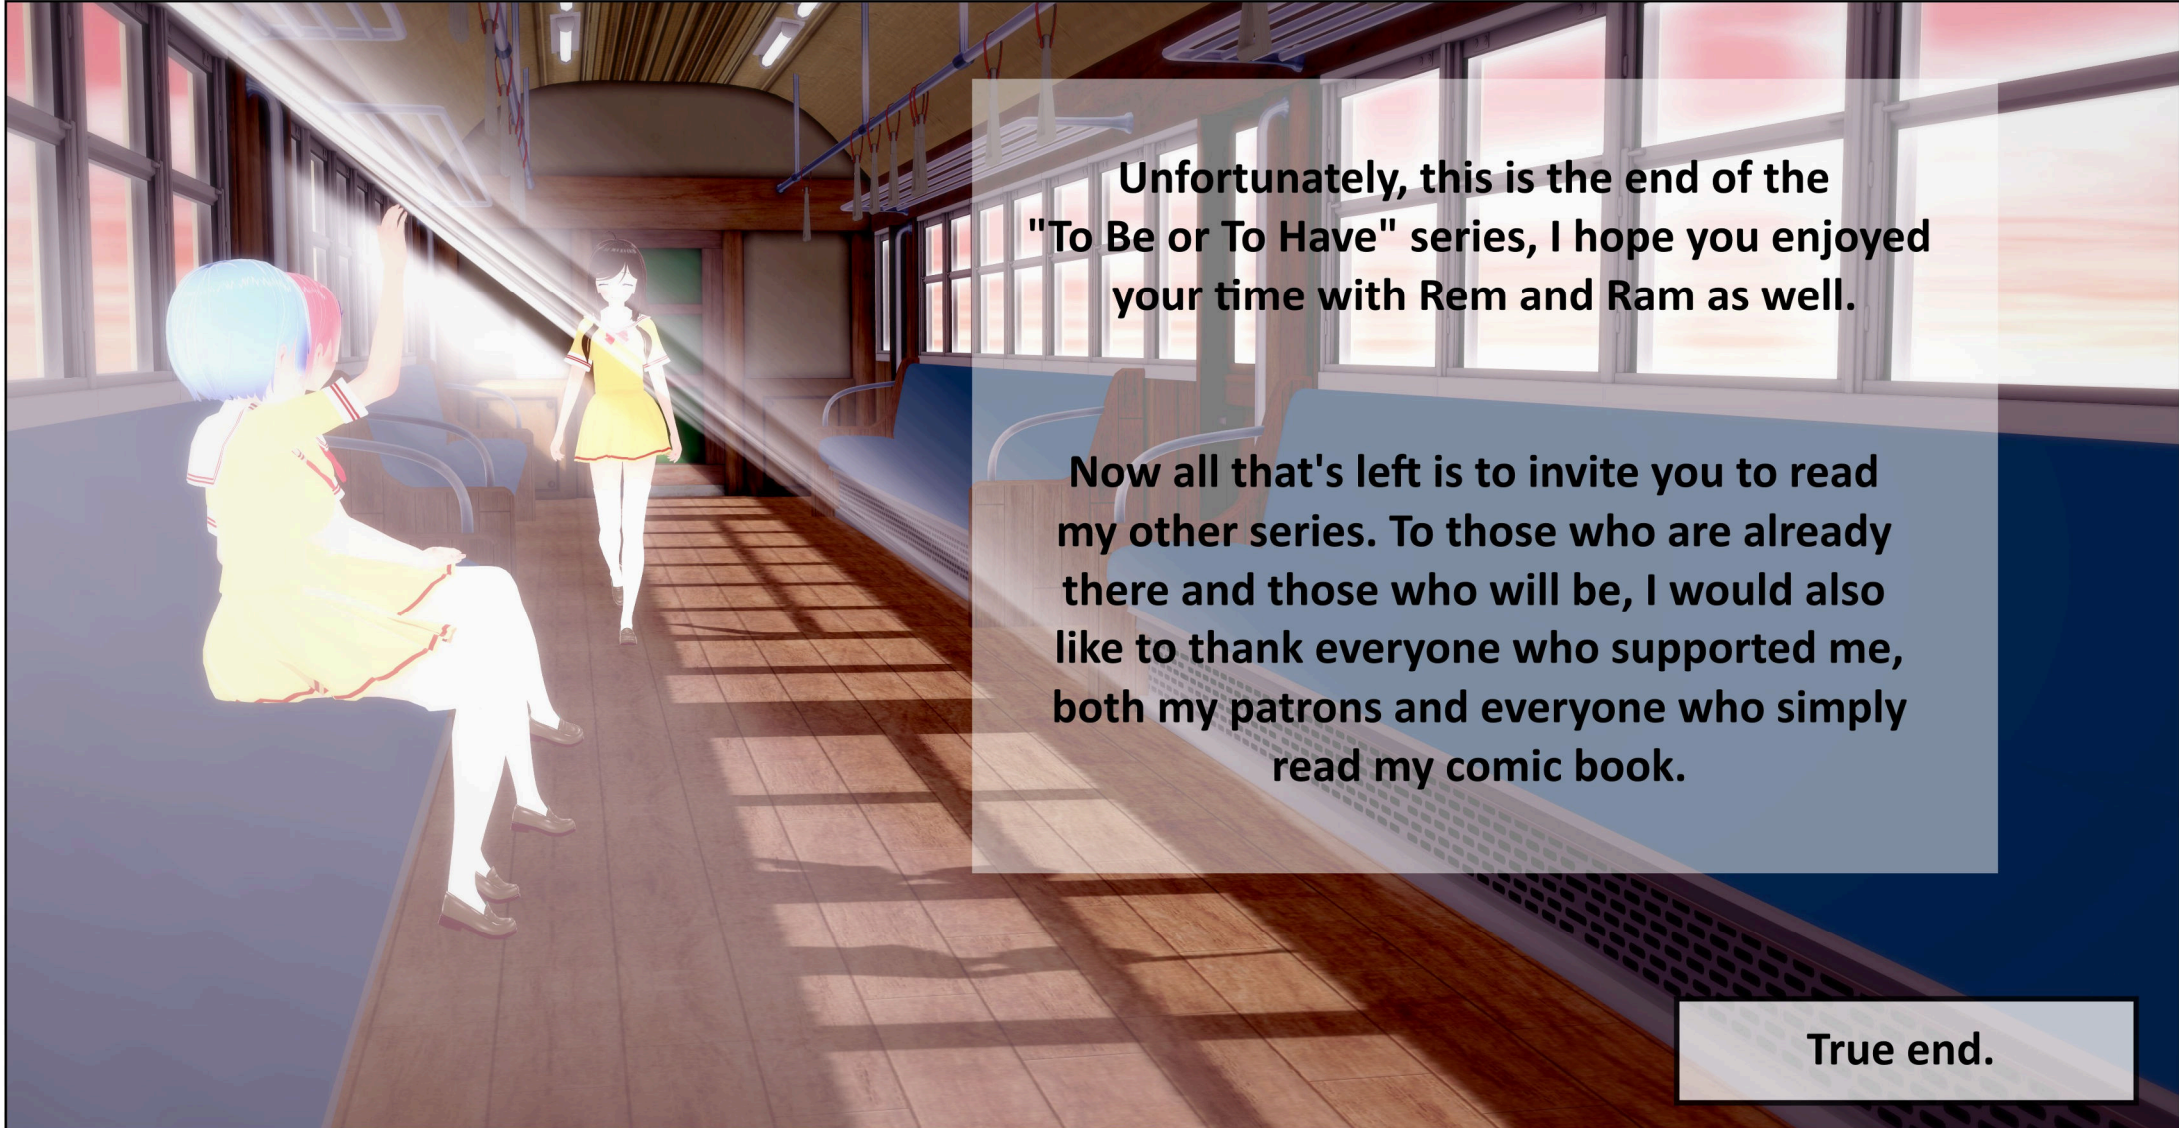

She may be an adult now, but for me she will always be my little imouto.

The end.

Unfortunately, this is the end of the "To Be or To Have" series, I hope you enjoyed your time with Rem and Ram as well.

Now all that's left is to invite you to read my other series. To those who are already there and those who will be, I would also like to thank everyone who supported me, both my patrons and everyone who simply read my comic book.

True end.
