

Eeeee.

Ohayou?

Actually, why are you dressed up as a maid and what's going on with that greeting.

Where did you get this costume at all?

Eeee
What costume, what
greeting. You must
have thought
something.

It must be that
angel's doing. You're
starting to see me
in weird clothes.

Could he really do something like that?

I'm sure what I just saw. But you would never really dress like that, so maybe it's just an illusion.

Incredibly, he believed me it was an illusion.

Tell me did you cosplay?

Will you also
let me try on?

Sure.

If you tell anyone about
it, I promise you will regret it.

I can even give it to
you, I have another the
same, as long as you
don't tell anyone.

And happy?

I don't understand, how to come to terms with the fact that you are now a girl so quickly?

Yes, thanks, I'll owe you something.

You see ...

I've never really been happy with who I am.

What?

Are you talking about your overweight?

That too, but ... Have you ever thought what would happen if you were someone else?

How can I explain this to you?
Remember when I said girls have
cute clothes?

What do you mean when
you say someone else?

I remember, but every guy
likes girls in nice outfits.

Hmmm ... Yeah, but let's
just say I liked their clothes more.

A 3D-rendered scene featuring two anime-style characters in maid outfits. The character on the left has short, vibrant blue hair and is wearing a white and black maid dress with a large white collar and a black bow at the neck. She is looking towards the camera with a slight smile. The character on the right has long, straight pink hair and is wearing a similar white and black maid dress. She is looking towards the camera with a neutral expression. They are standing in a room with light-colored, patterned wallpaper. In the background, there is a window with white frames, a bed with a green and purple patterned coverlet, and a small potted plant on a table. A blue armchair is partially visible in the bottom right corner. A large, semi-transparent speech bubble is overlaid on the scene, containing text.

In my case, it even went a little too far. And before I knew it, I had half a wardrobe of these clothes. Unfortunately, I could never wear them outside of my room.

A 3D-rendered scene featuring two anime-style characters in maid outfits. The character on the left has long, vibrant blue hair and a pink 'X' on her forehead. The character on the right has long, vibrant pink hair and a blue 'X' on her forehead. Both are wearing black and white maid dresses with white ruffled collars and black bows. They are standing in a room with patterned wallpaper, a window with pink curtains, and a bed with a green and white patterned coverlet. A framed picture of a woman hangs on the wall behind them.

And what happened to us allowed me to stop hiding it. And finally be who I want to be.

I know you probably think I'm a perv now but only now do I feel really free.

Actually no, but as a girl I can do what I want. So I started to like, to be Rem.

Say, from the beginning you wanted to be a girl?

It doesn't bother you that I want to stay like this?

Don't you wanna be a boy again?

What do I have with you.

Why would it? After all, it's your choice.

Now that we're on the topic,
why don't we call him back to fix it?

You didn't think
about it, did you?

In fact, not much. I just need these notes from the Internet, what then and we can repeat it.

Let's skip it. What do you need to bring it back?

Great, I want to fix this now. And go to school as normal in pants.

In Ram's room ...

Incredible, I'll be a boy
again in a moment.
And I was afraid that
I would be like that for the
rest of my life, hehe.

You really want it,
maybe think about
it again?

Besides, what if something goes wrong this time too?

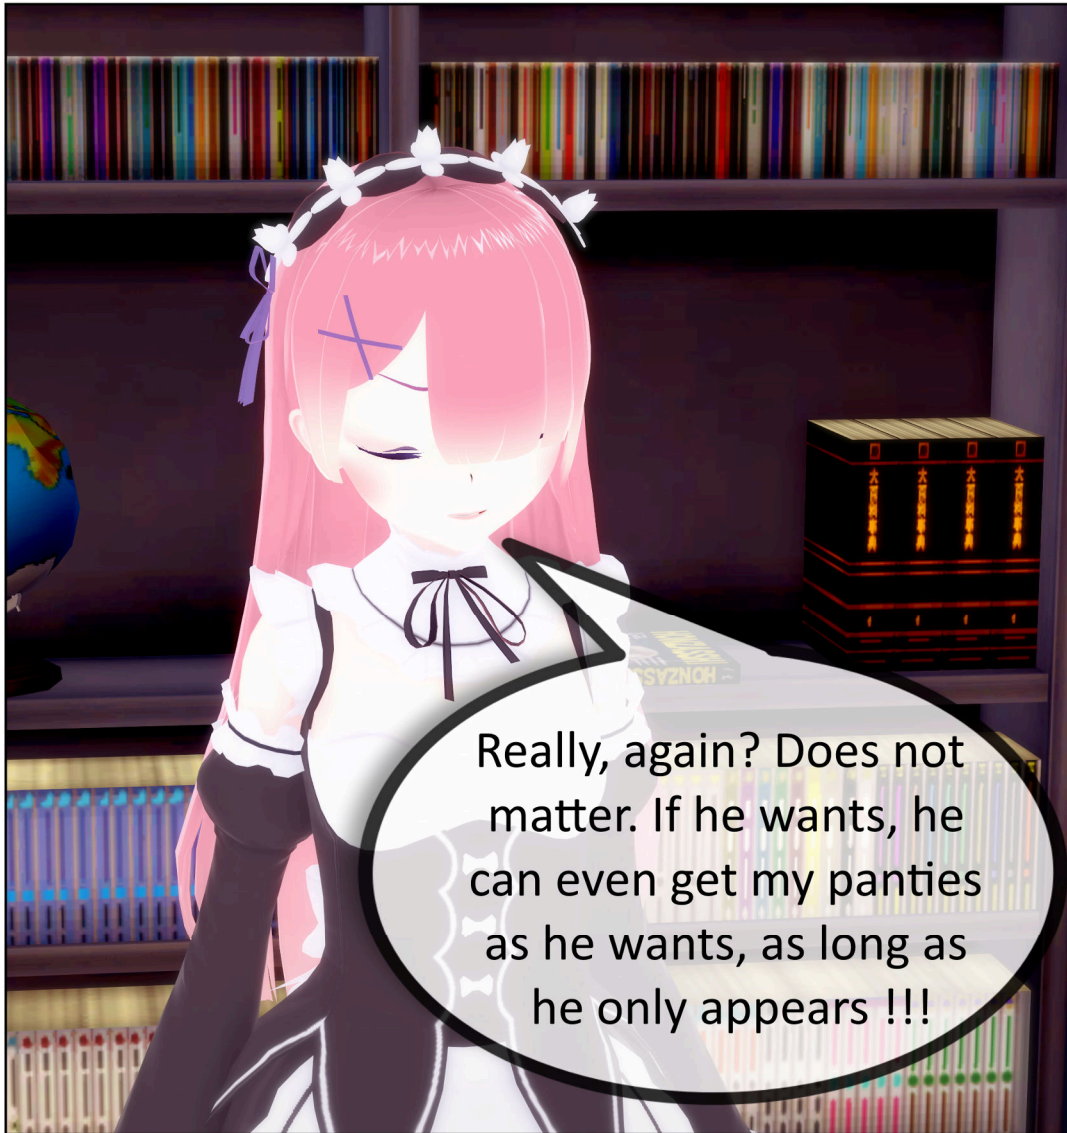

Take it easy this time I have a plan. I will talk to him as if he was a severely handicapped child. Besides, I will ask him at the end if he has understood.

The image shows two anime-style characters in maid uniforms standing in a room. The character on the left has long pink hair and is wearing a black and white maid outfit with a white apron and a white collar. She has a small white flower in her hair. The character on the right has long blue hair and is wearing a similar black and white maid outfit with a white apron and a white collar. She also has a small white flower in her hair. They are standing in a room with dark wood paneling. In the background, there is a doorway leading to another room with a blue carpet and a white table. On the floor in the foreground, there is a glowing yellow circle with intricate patterns, resembling a magical circle or a spell. A bookshelf is visible on the left side of the room.

Okay, now what, why doesn't he appear?

We probably have to offer him something again, as we did then.

Really, again? Does not matter. If he wants, he can even get my panties as he wants, as long as he only appears !!!

You know, girls. I've had
strange victims. But panties
are new to me.

Incredible she really
took your panties, hehe.
Nice start.

Could you give them back to
me? I promise I'll give you
something else.

You
don't have to give
me anything, just
take it.

Anyway, why have
you called me again?

Thanks.

I think Ram is just
messing up again.

I will say slowly and clearly.
I want to be a boy again,
nothing more.

Ummm. I
understand, I must have
misunderstood you then.

But I want to stay that way.
So you don't turn me back
into a boy too.

What? Why?

Exactly why did you say this time?

There are three conditions if one of them is true, I can't do anything.

In brief. It can't be more than two months since your transformation, you must really want to be the guy again. But the last is the most important. No one can sincerely love you, except your family, of course.

Unfortunately, I don't know exactly which condition is met, I just know I can't.

Are you
sure you want to
be a boy again?

What is this question
anyway? Yes of course!

It means someone
has fallen in love with
Ram.

Looks like it,
provided Ram really wants
to be a boy again.

Of course I want, So
I have to find this Romeo and get this
love out of his head, right?

Umm ... Yes.

Right, if two months pass,
your transformation will
be permanent.

Don't forget
you have to hurry.

In fact, it doesn't even have a clear prohibition.

Actually, why is the transformation permanent later? Will there be any side effects or is that just a rule?

So why do you say it's permanent afterwards?

Do you know why, although it is so easy to summon an angel, nobody knows about it?

Because after two months you forget everything.

I do not know

What!!!

Can you do something about it?

Yes, but if I do, there will be side effects.

Do whatever you want to keep me from getting stuck like that.

And the side effects?

I will survive them somehow, just do it!

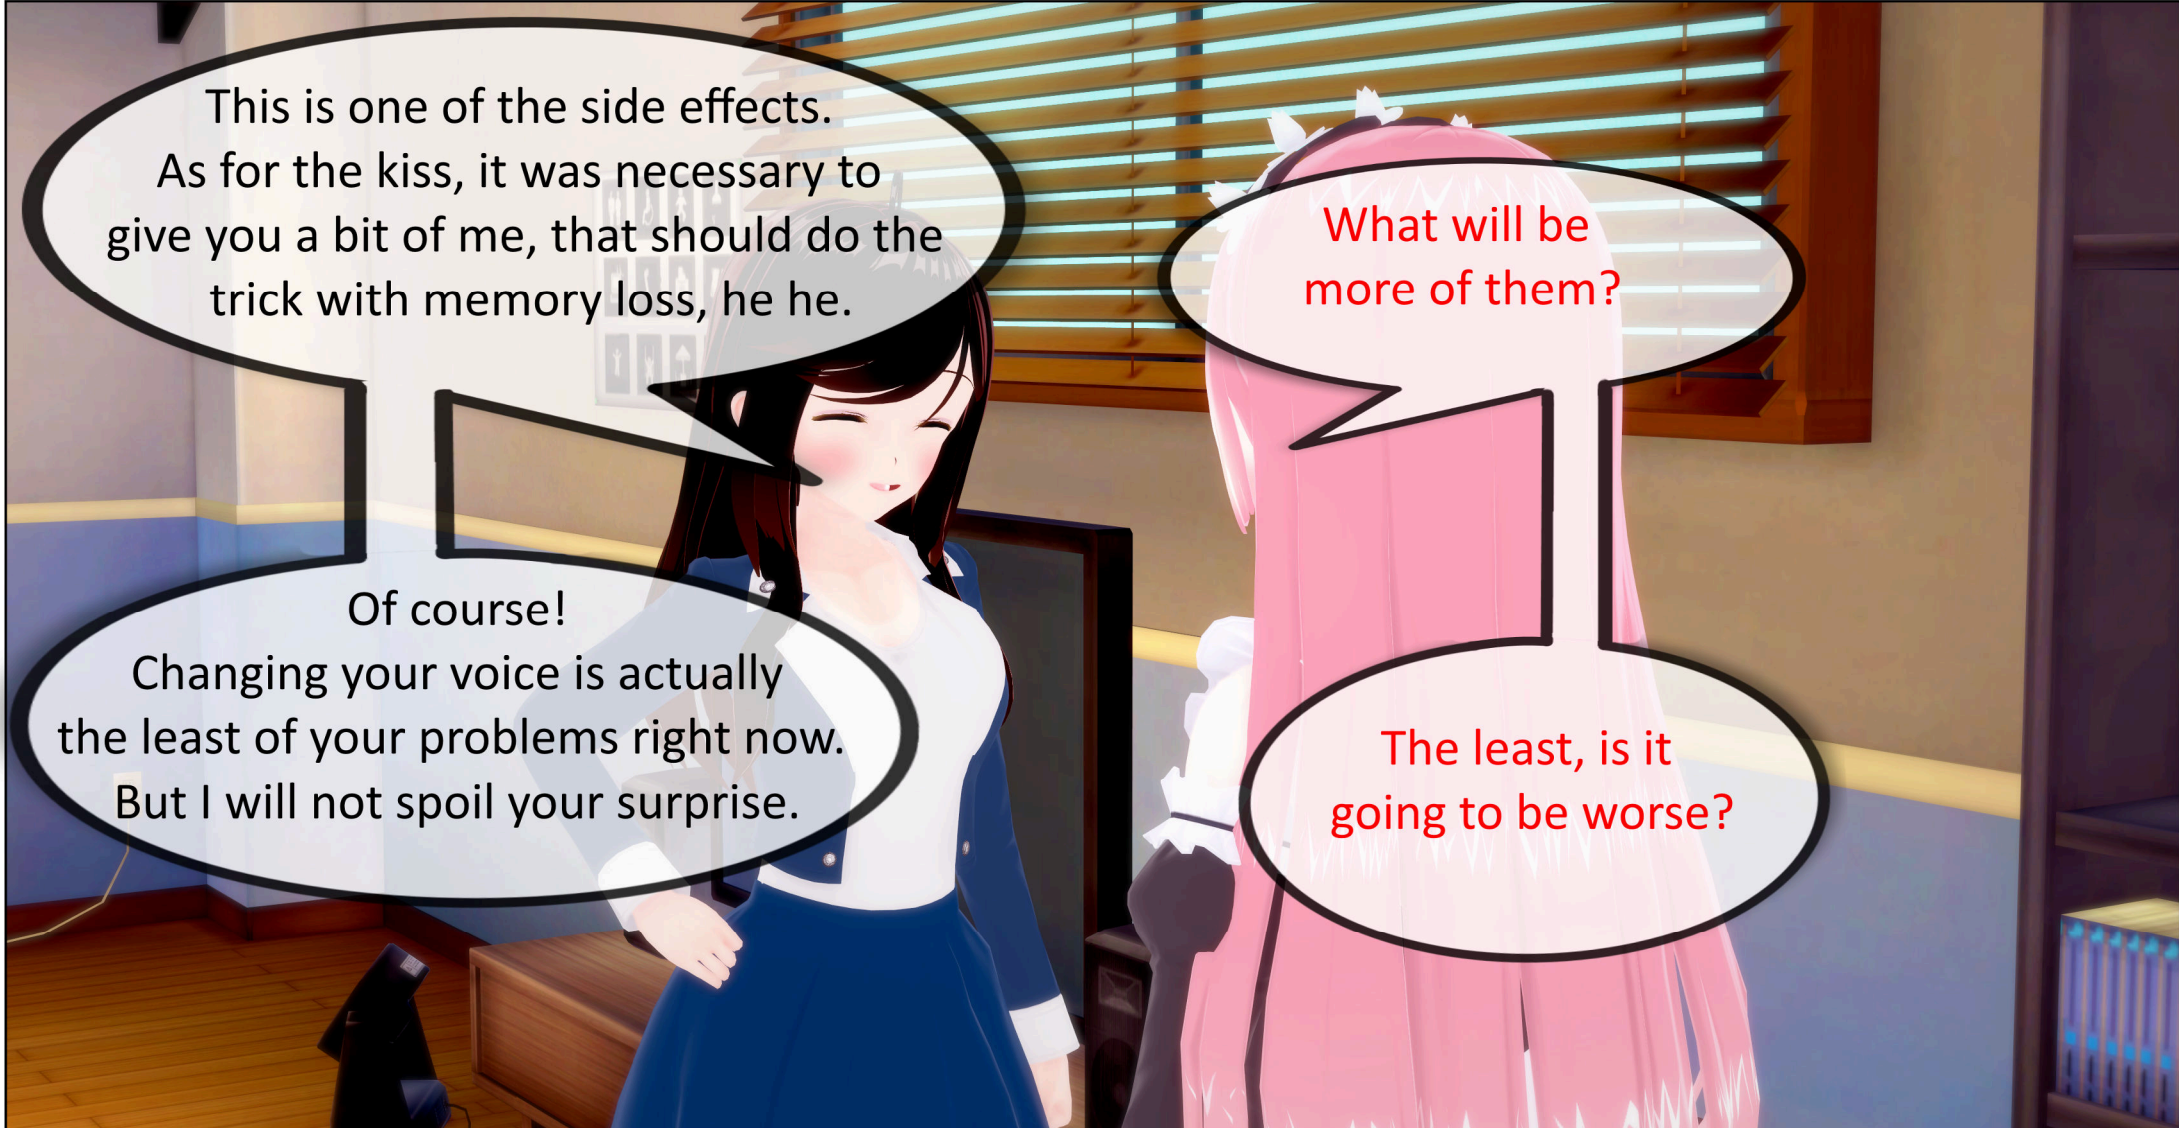

Don't you want to know what these side effects are or even what I'm going to do?

You have a hearing problem, No !!!

This is one of the side effects.
As for the kiss, it was necessary to
give you a bit of me, that should do the
trick with memory loss, he he.

Of course!
Changing your voice is actually
the least of your problems right now.
But I will not spoil your surprise.

What will be
more of them?

The least, is it
going to be worse?

Depends on how you look at it, right, Rem?

Hmmmm?

Rem, what was that?

What, why should you have all the fun all to yourself?

But you never even had a girlfriend?

I'm sorry, but I couldn't hold back anymore ..

Ymmmm, you know I'd give you that kiss anyway?

I think it's time for me.

Thanks for reading
