

To be or to have. 4

EN

by Ron512 and Kami1

The next day at school ...

But what do you mean?
Is it from yesterday?

I still can't believe
what happened.

This as well. But how
could anyone fall in love with me
so quickly, it's impossible?

Of course. But back to you. Why are you saying it's impossible?

What is the reason?

There is one simple reason.

I'm a man. And a man cannot fall in love with another man.

You look
like a typical girl to me.
I would even say that you are
more girly than most of
the girls in our class.

You're kidding
me, aren't you?

And to think
that I let you so easily.
I guess I'm really slowly
becoming a girl?

I didn't say that. And I'm
never going to accept it. To be clear, I have
always been, am and will be a guy. And nothing w
ill change it. Especially some Yuri angel
with hearing impairment.

So are you
going to accept that
you're a girl now?

If you
say so.

At the other end of the corridor ...

This school
sucks. There is nothing
interesting to do here.

Man, how
many years do we
know each other?

And you still don't know
I can have any girl. And who
enjoys easy prey?

And you're complaining
again. You don't have a
girlfriend or something?

What is that
question? I don't know
since elementary
school.

Are you
sure?

What do you mean?

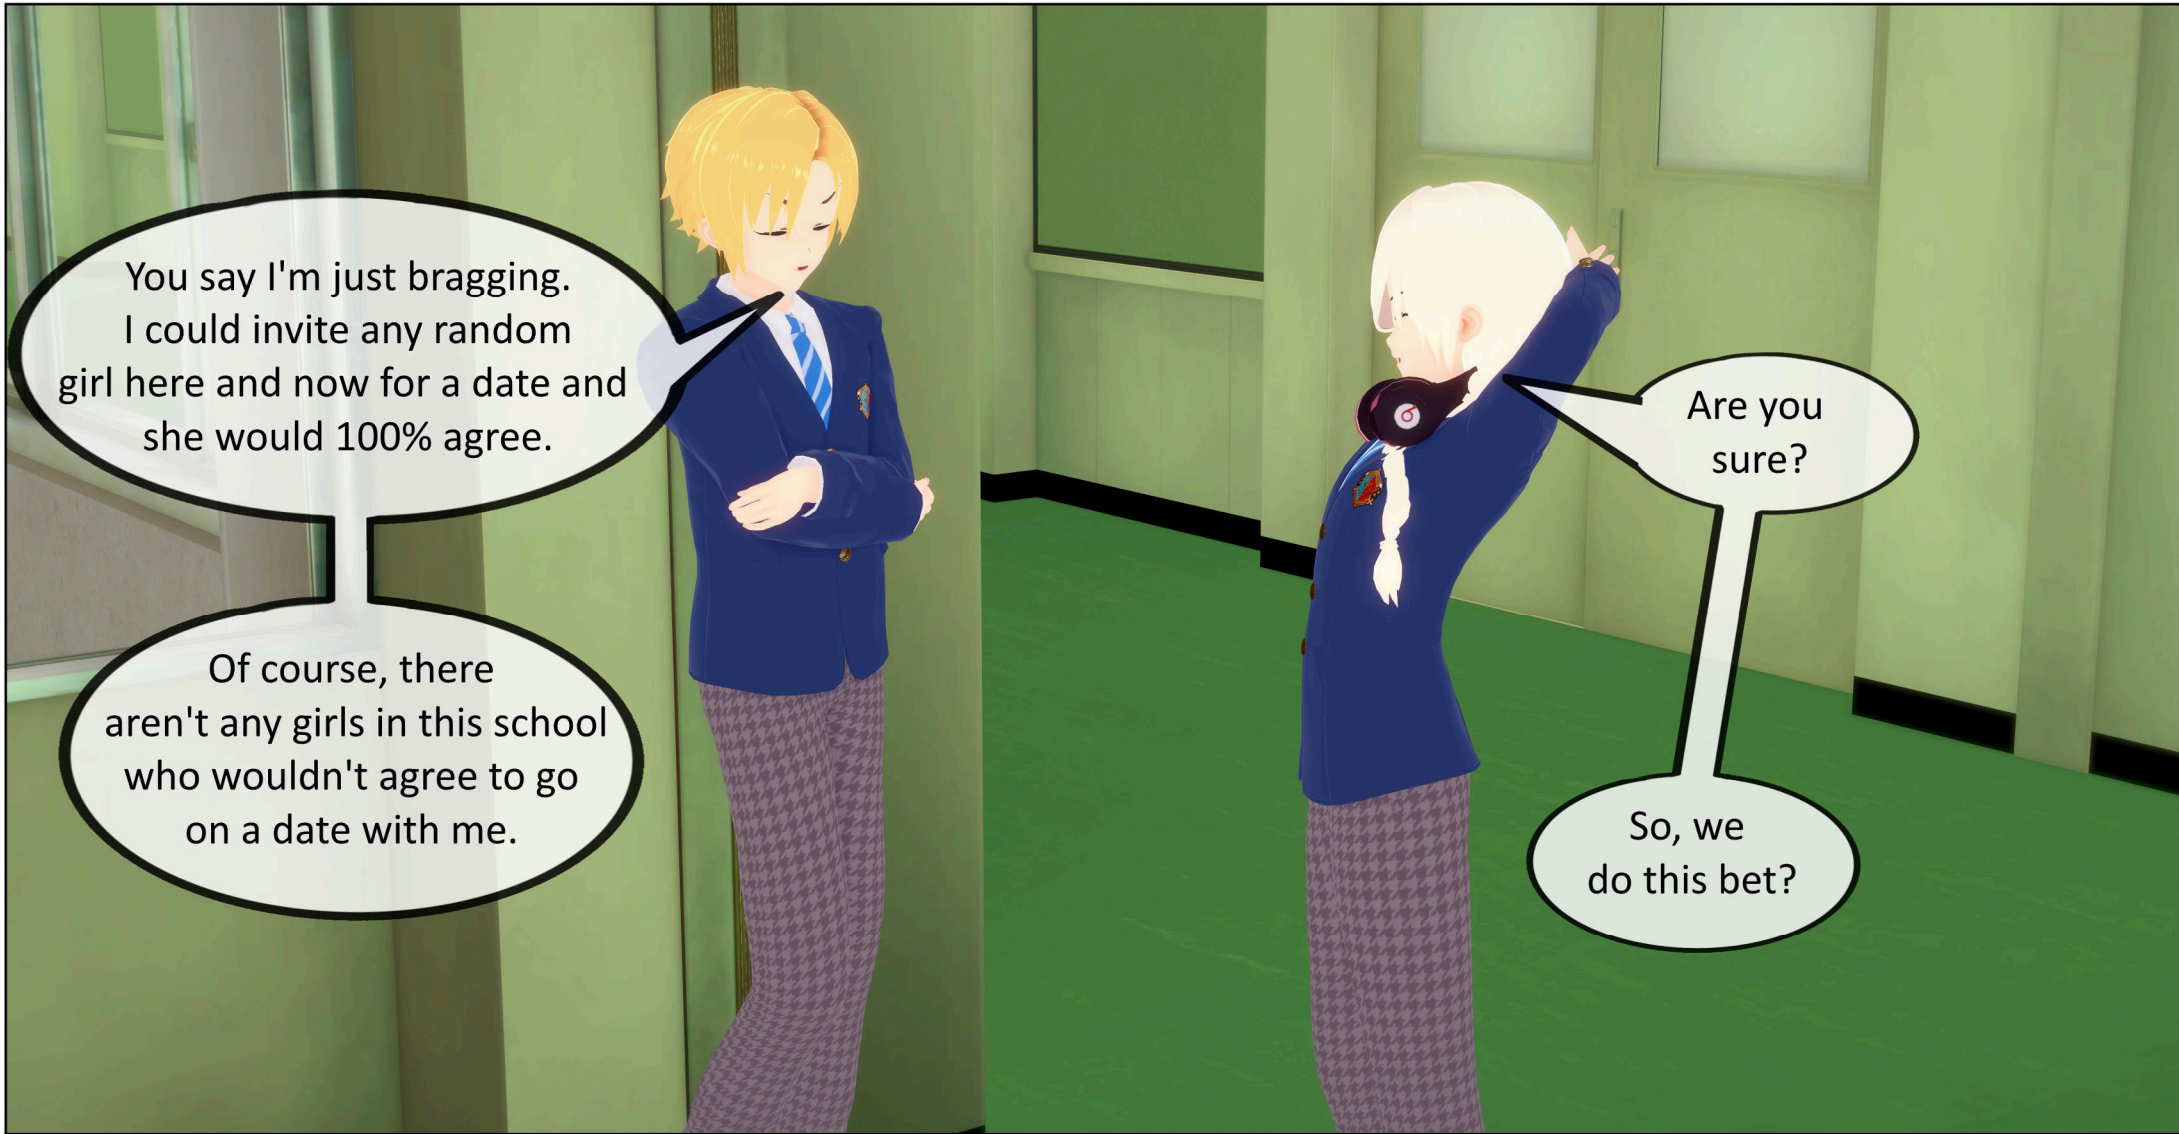

Not at all. I can really have any girl in school. And it is without much trouble.

You know I'm not betting.

And that you only think so.

If you're so sure why don't we make a small bet?

Where is your confidence suddenly going.

You say I'm just bragging.
I could invite any random
girl here and now for a date and
she would 100% agree.

Of course, there
aren't any girls in this school
who wouldn't agree to go
on a date with me.

Are you
sure?

So, we
do this bet?

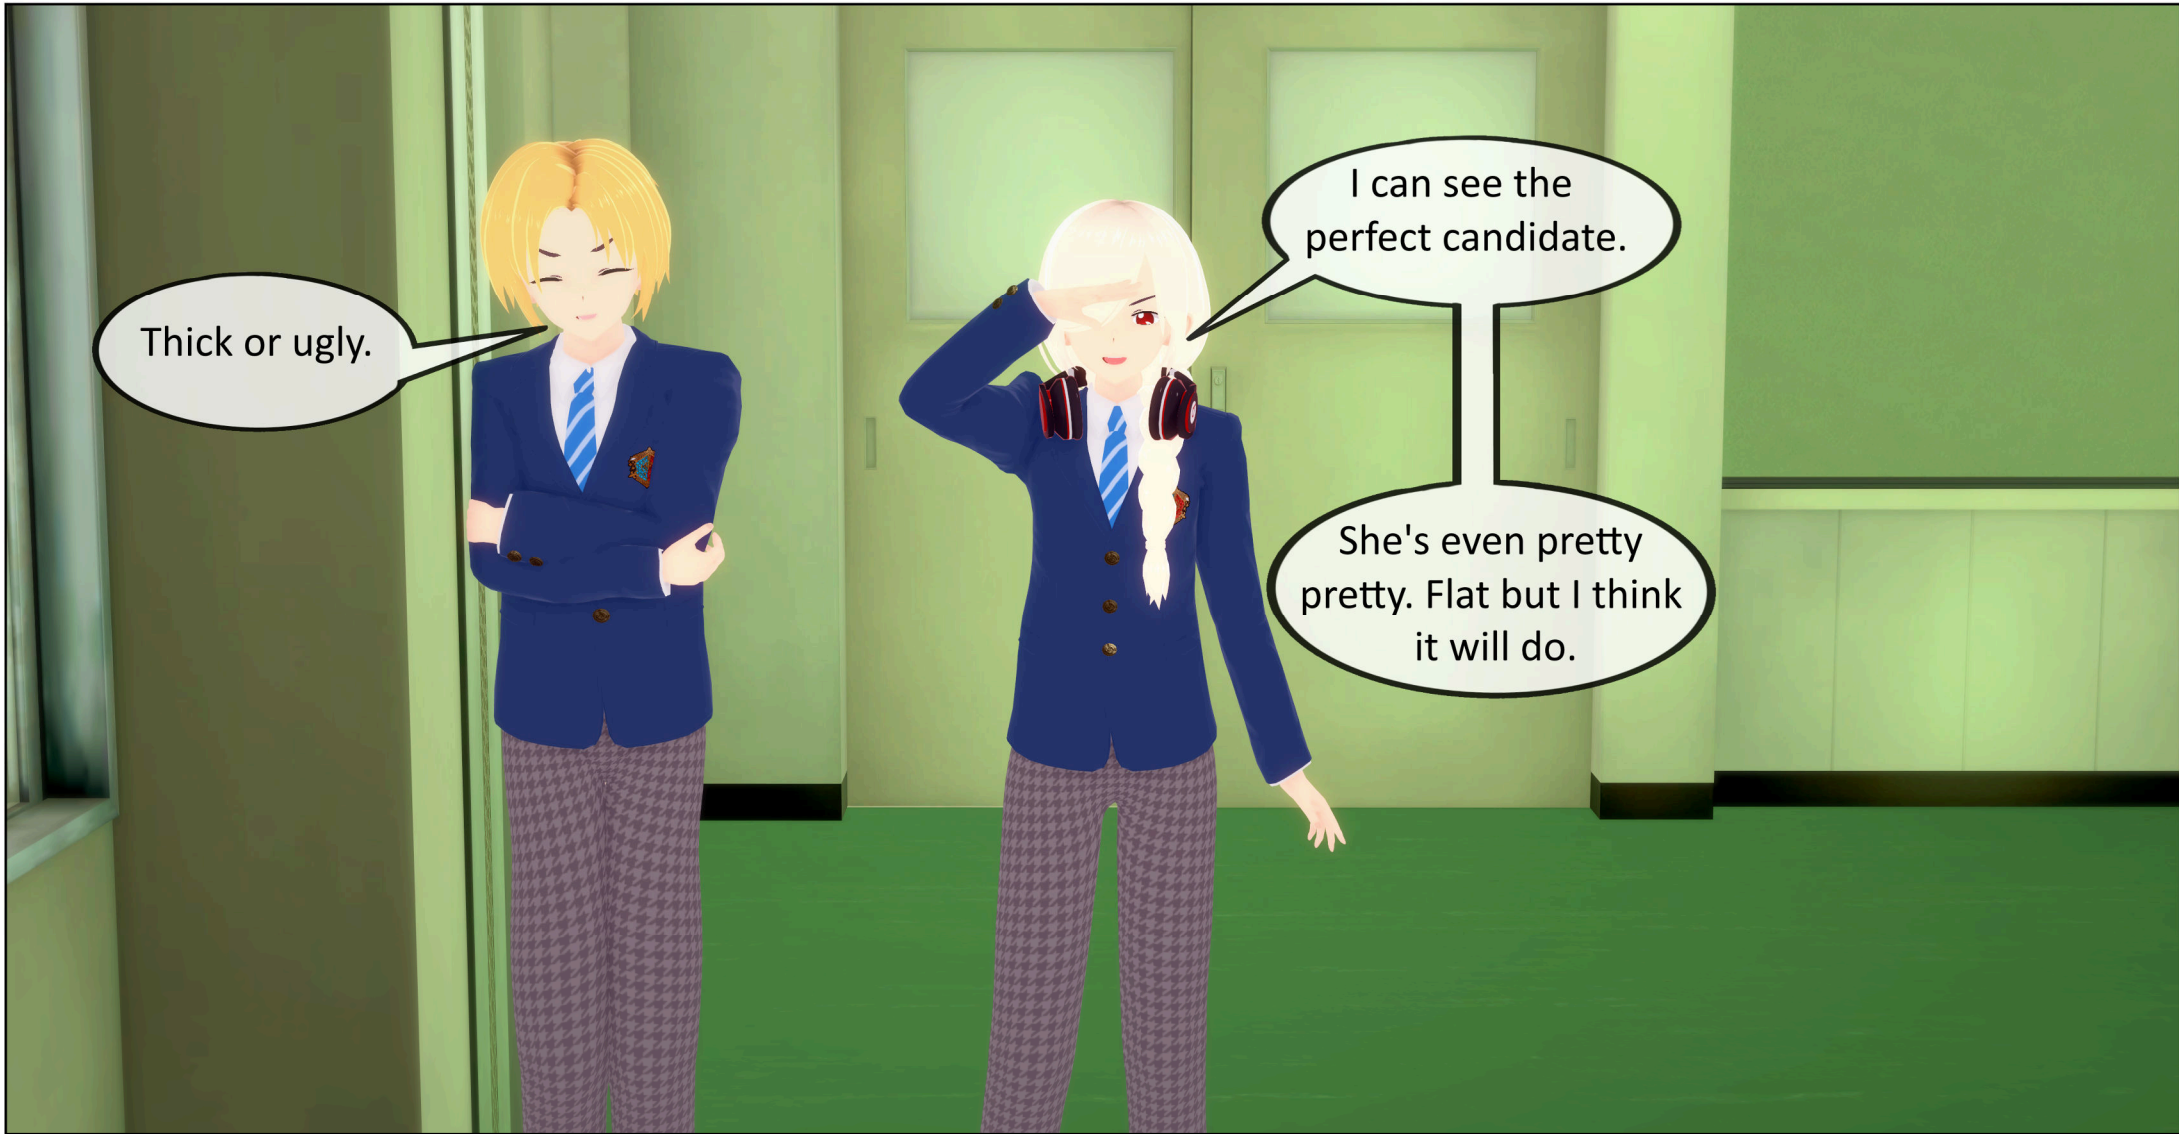

Okay, but the loser for the rest of the day wears a bra, what you say

Sure.

I'm not going.
And you better get your bra ready.

Agreed, but I choose a girl to invite, maybe?

Don't regret it later.

Thick or ugly.

I can see the
perfect candidate.

She's even pretty
pretty. Flat but I think
it will do.

When I'm done
with her, I'll invite the other
one on a date right away. Might
be fun with her, hehe.

We are talking,
do you see?

Hi girls, what
are you doing?

It's gonna
be too easy, hehe.

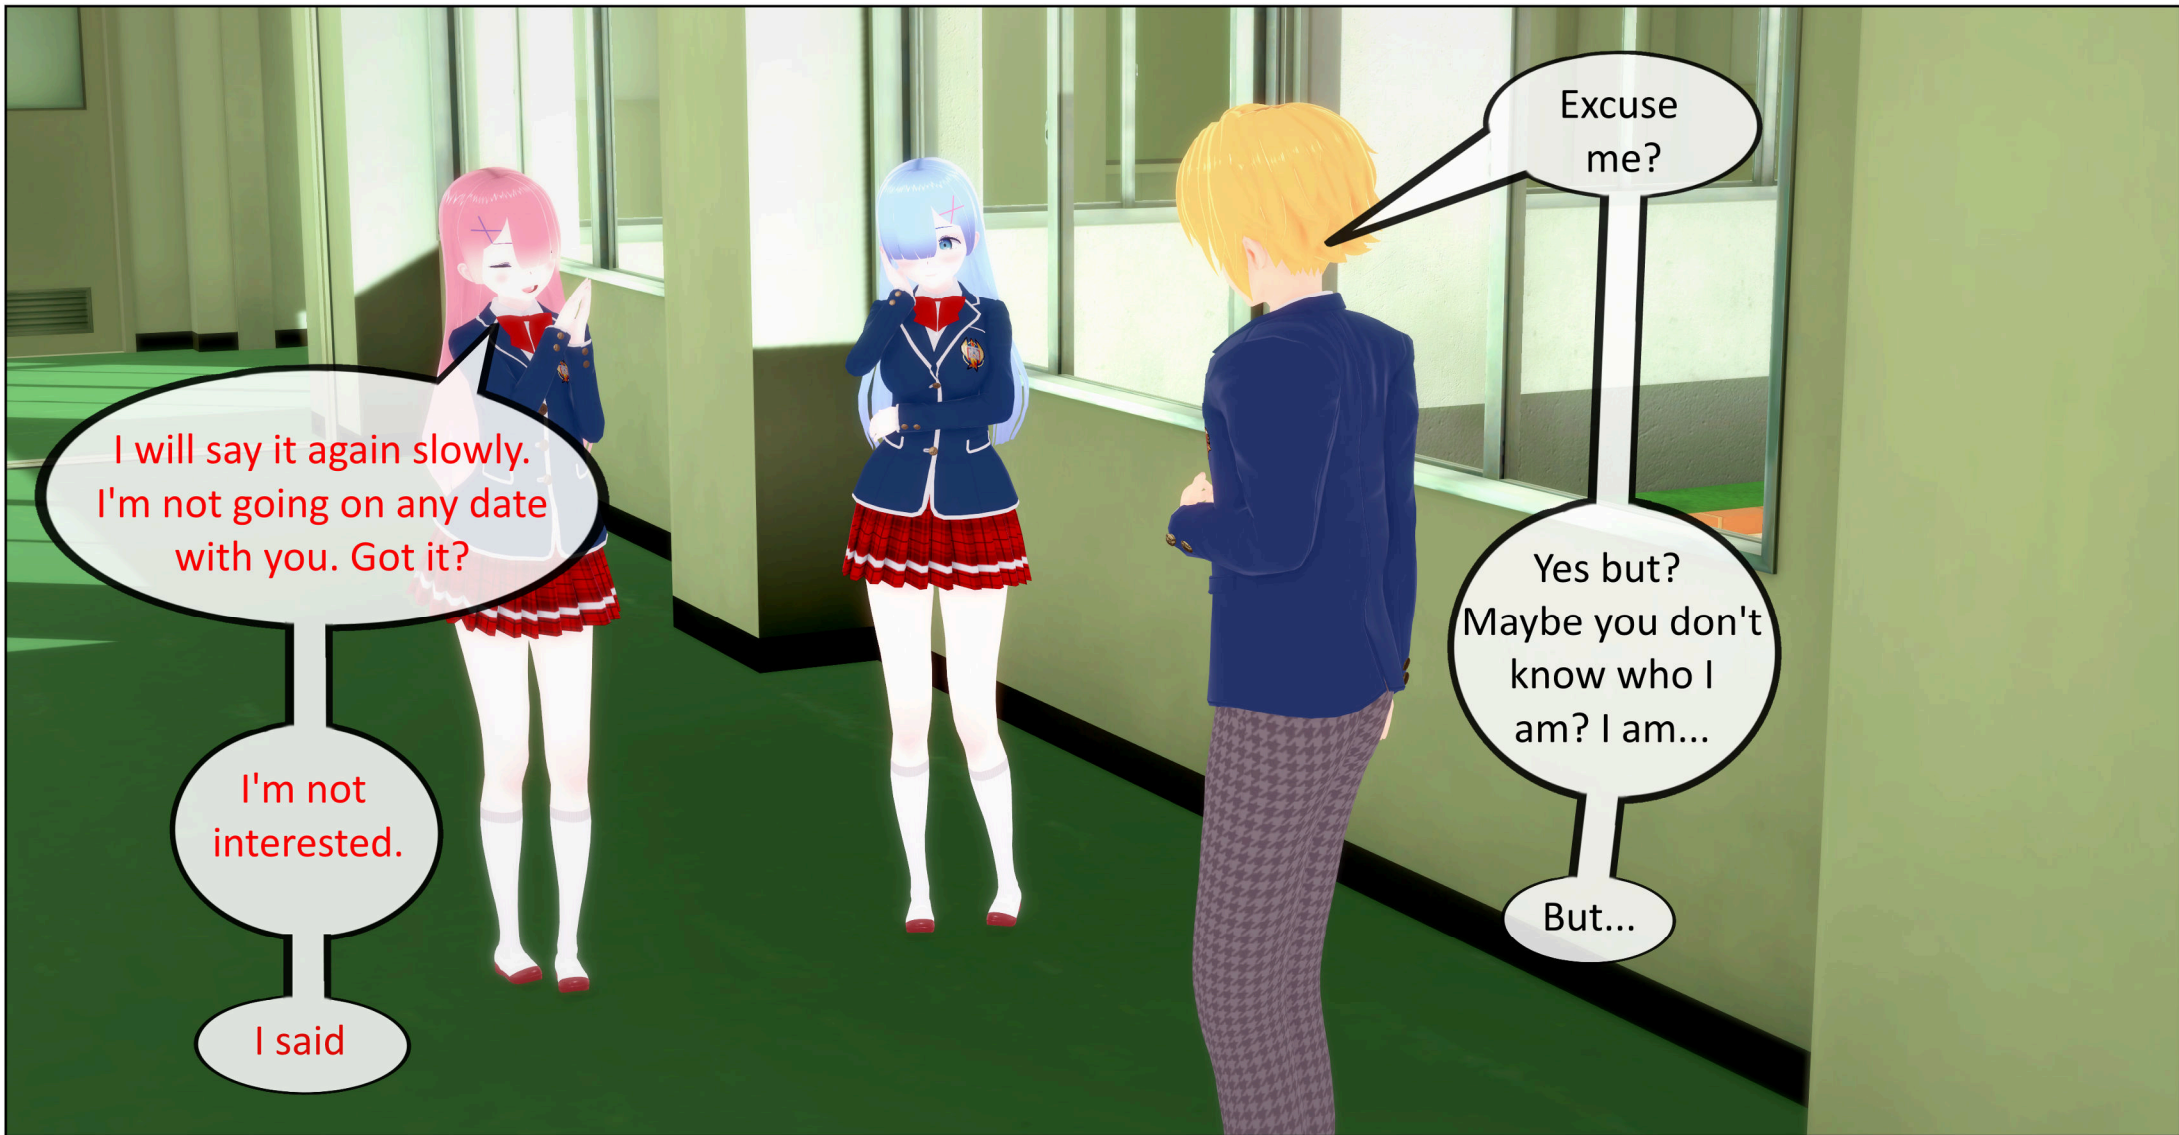

Ara, Ara

After all, there is no
chance with me

I will say it again slowly.
I'm not going on any date
with you. Got it?

I'm not
interested.

I said

Excuse
me?

Yes but?
Maybe you don't
know who I
am? I am...

But...

I just did it.
Now, can you
go away?

No. I just
want you to go
away.

No girl has
refused me yet.

I know, it's
just such a
game.

It is
definitely just
such a game.

I hope that's
enough. Being a girl is
enough for me, I don't need a
boyfriend to complete.

Hope he
listens and walks
away, Ram is really not
in a good mood
today.

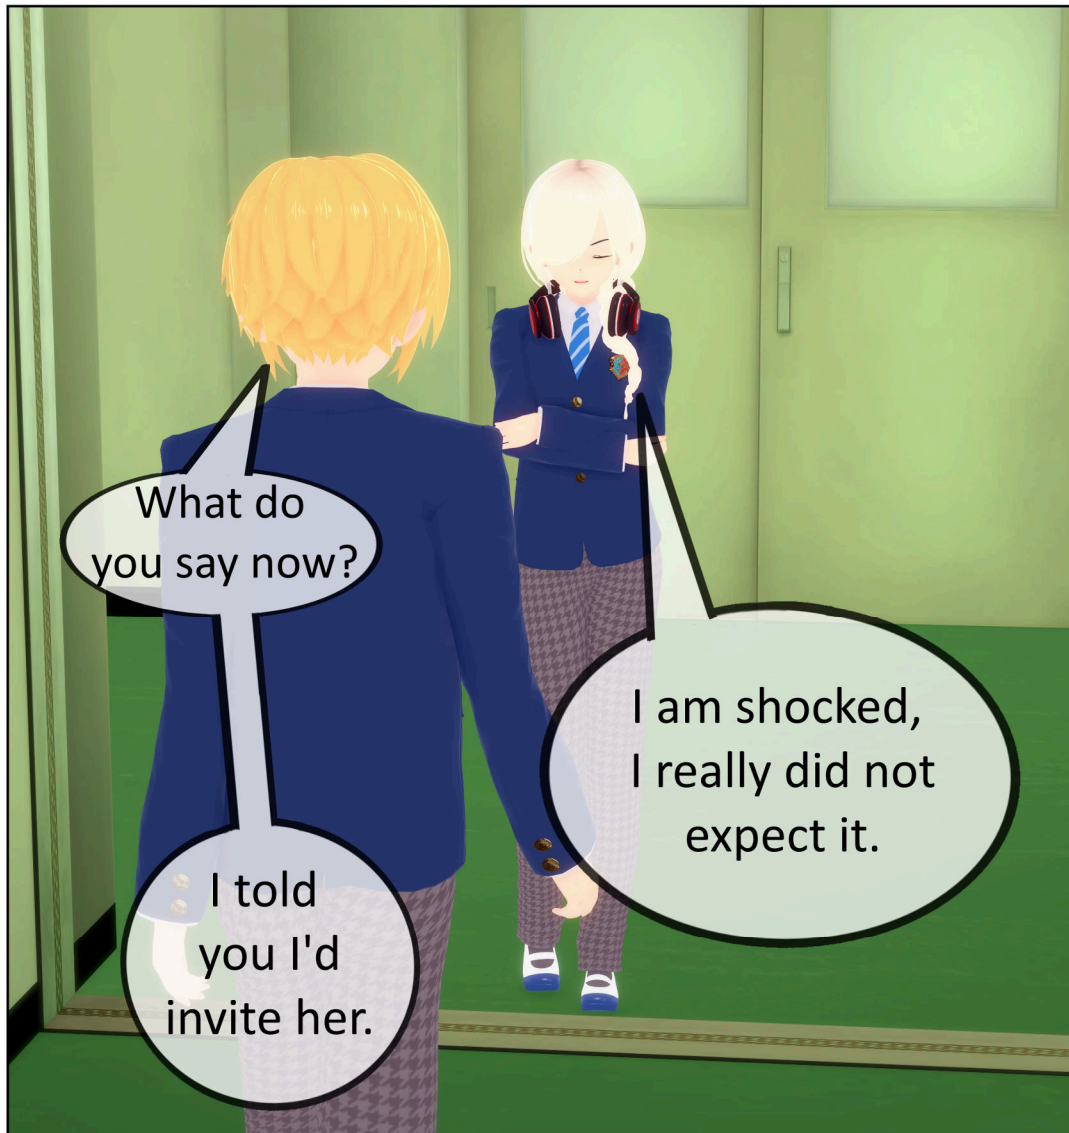

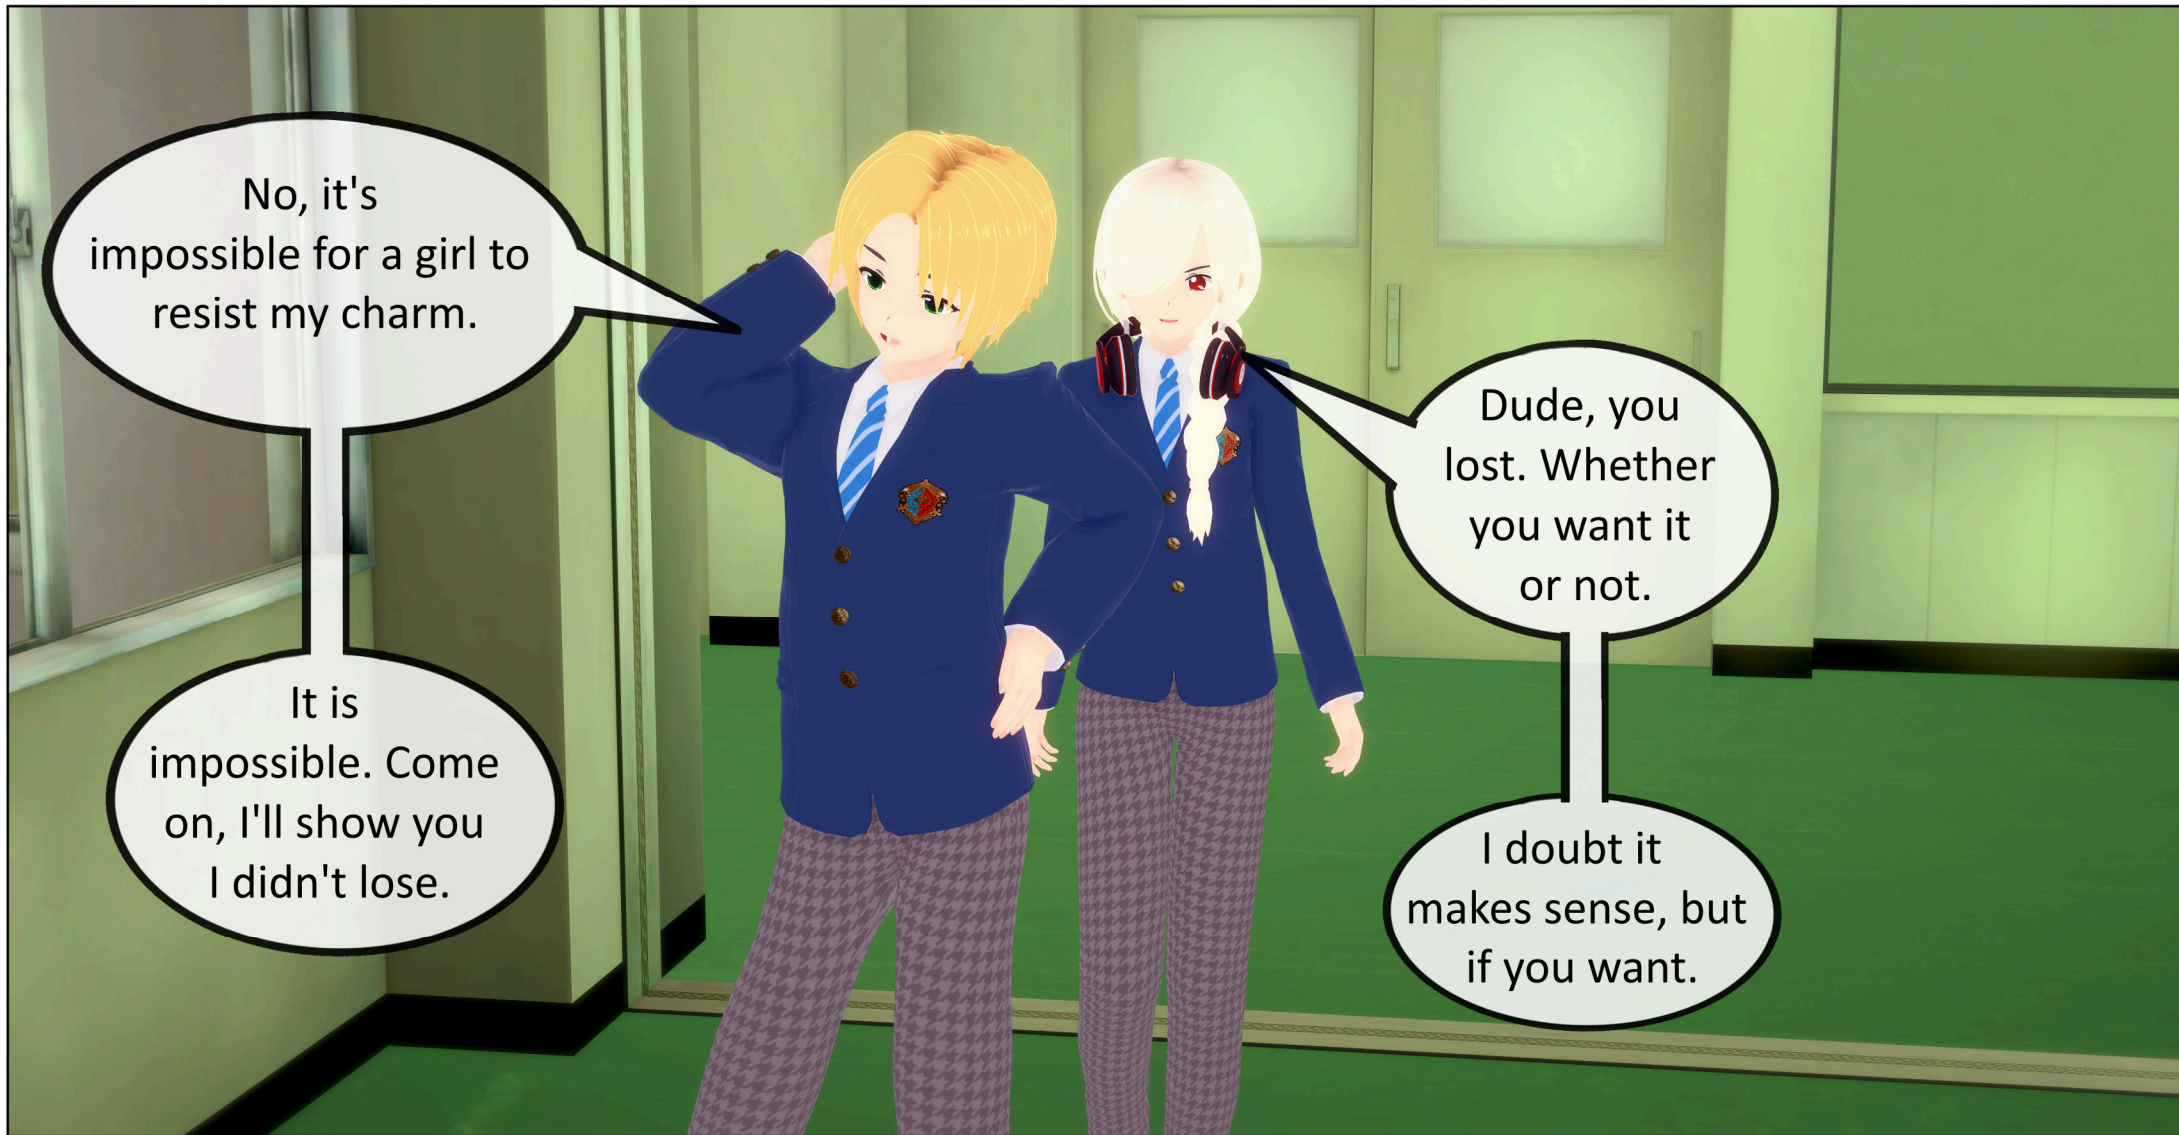

I didn't think
about it at all.

It can't
be, then the
culinary club is
definitely
out !!!

Besides, I once read
that girls are more
prone to overweight.

No, it's impossible for a girl to resist my charm.

It is impossible. Come on, I'll show you I didn't lose.

Dude, you lost. Whether you want it or not.

I doubt it makes sense, but if you want.

Now what are
you back with
your friend?

So what
are you talking for?
And you? what do
you want again

But
what do you
mean?

See,
there must be a
misunderstanding.

See, I really asked
you on a date, it wasn't
an illusion.

Relax,
I'm just an
observer.

Did he
start to stutter?
What's wrong with
him?

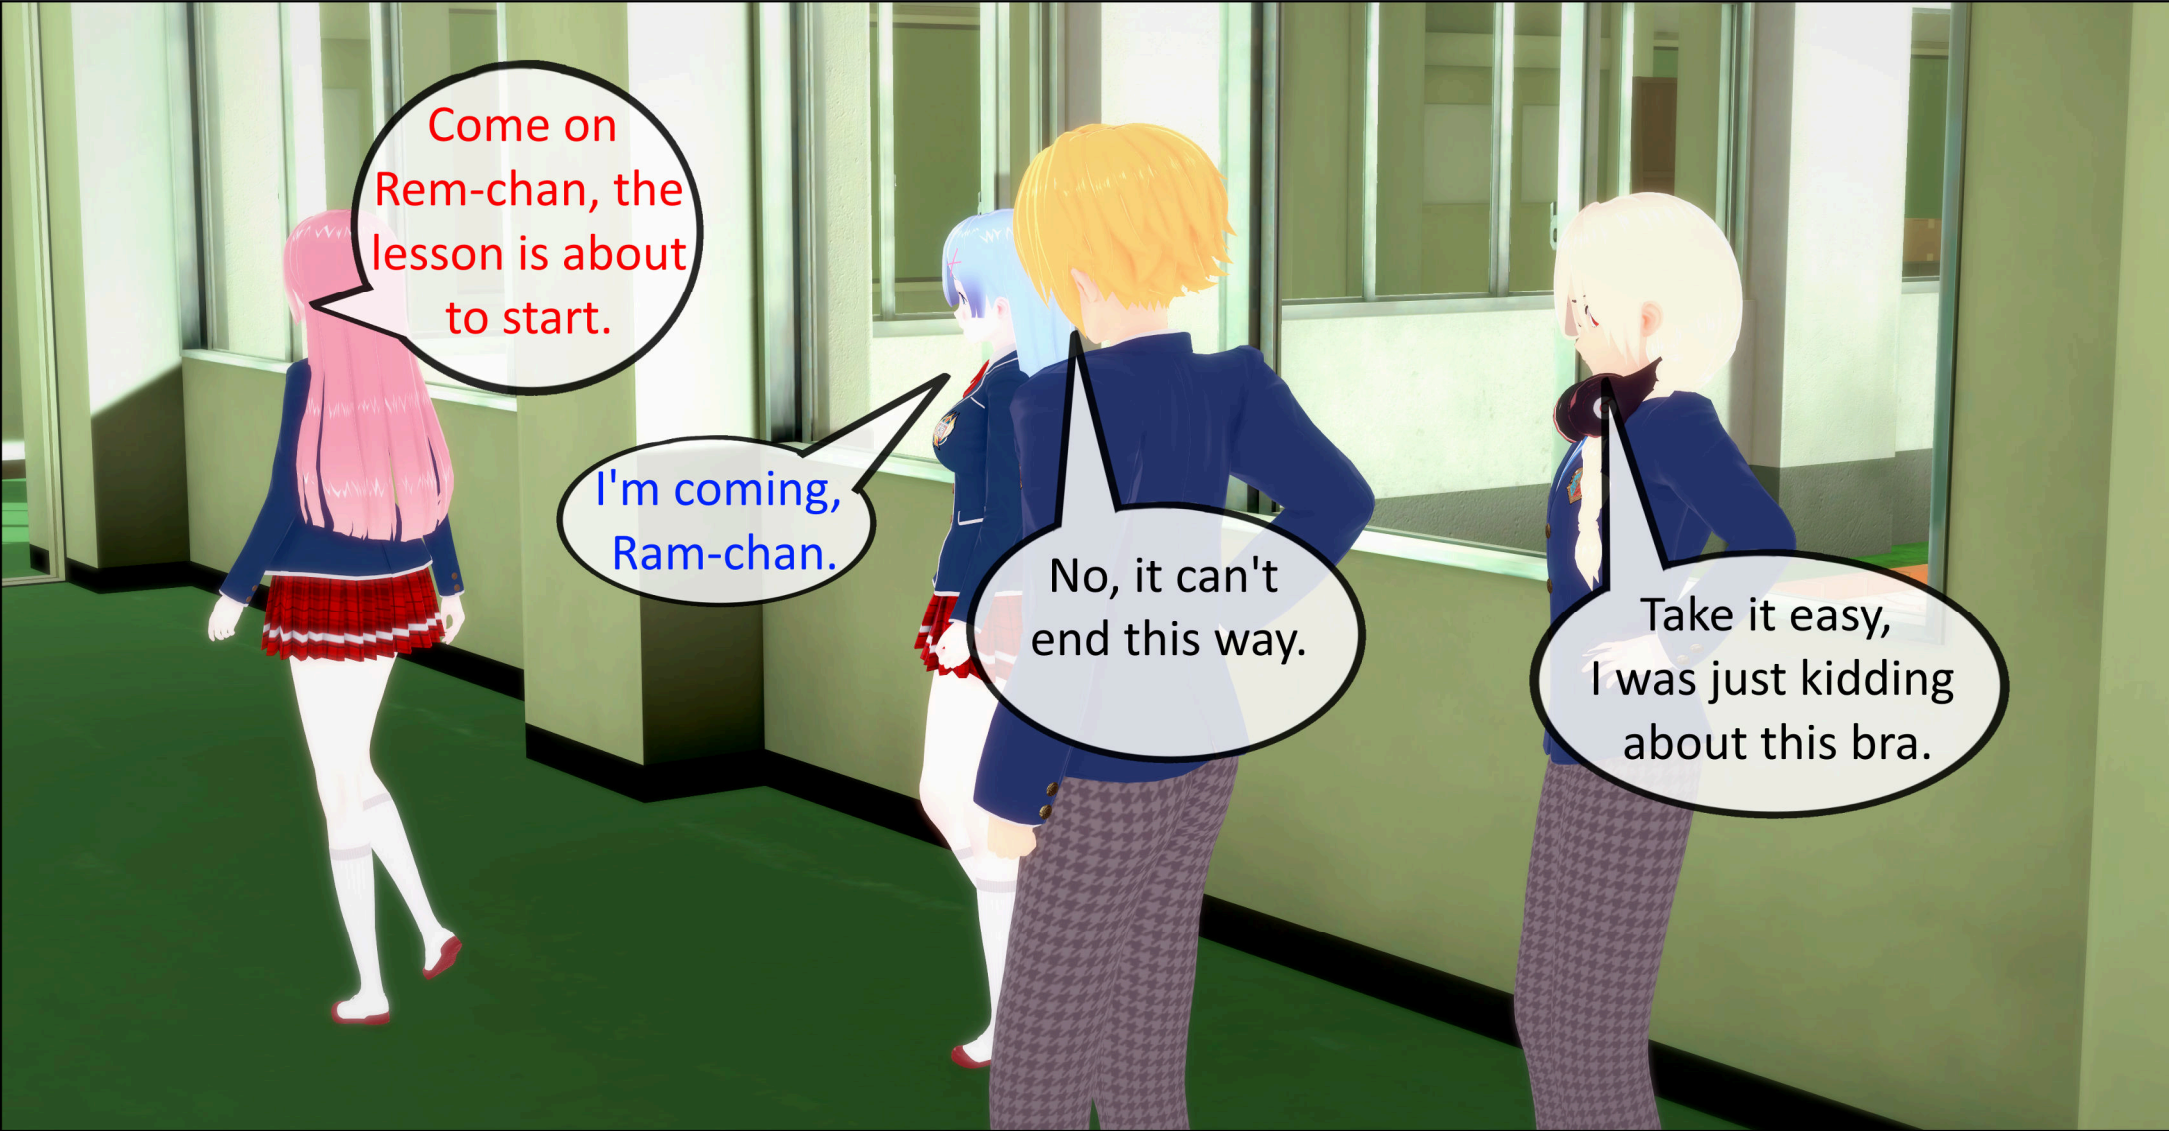

Well, I am
the leader of the
school football team and
I am popular and I said that
I the leader of the school
football team?

Yes
twice.

Are you going to stutter long? Look, I don't give a shit who you are, the lesson is about to start so do me a favor and don't follow me, understood?

Onee-san is so amazing. He talks to the most popular boy in school as if he were garbage.

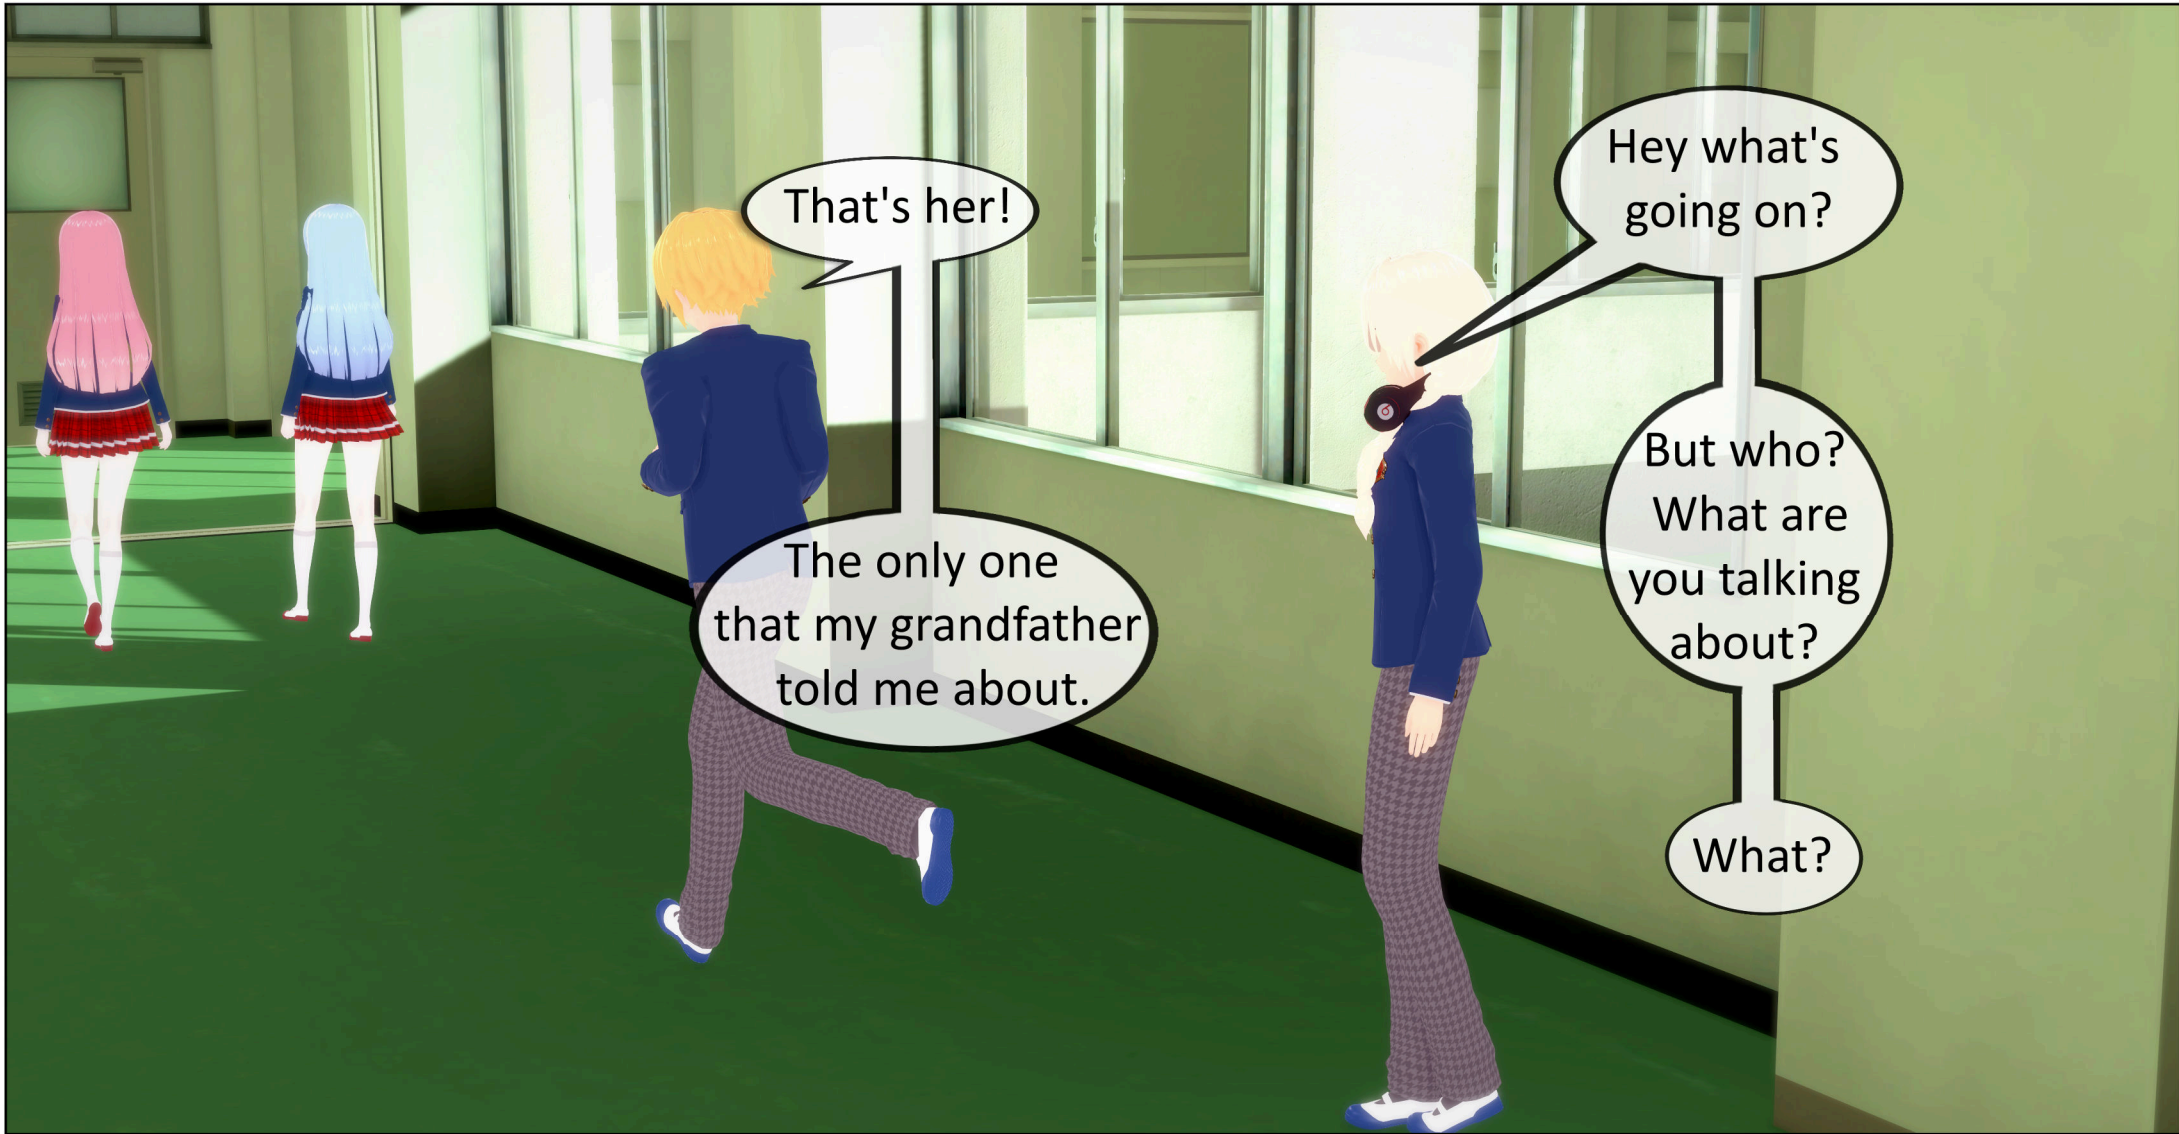

Come on
Rem-chan, the
lesson is about
to start.

I'm coming,
Ram-chan.

No, it can't
end this way.

Take it easy,
I was just kidding
about this bra.

That's her!

The only one
that my grandfather
told me about.

Hey what's
going on?

But who?
What are
you talking
about?

What?

Wait, I have
to ask you
something.

Yes, but I need to
talk to you about
something!

I already
told you to
leave me !!!

But I don't
need to talk
to you.

You could let
me go, I'm really
in a bad mood
today.

Please,
this is really
important.

Just show me
your thigh and I'll let you
go right away, I
promise.

Oops. I said
it wrong.

Whatttt!!!

And you are surprised they kicked you out of karate.

Time for punishment !!!

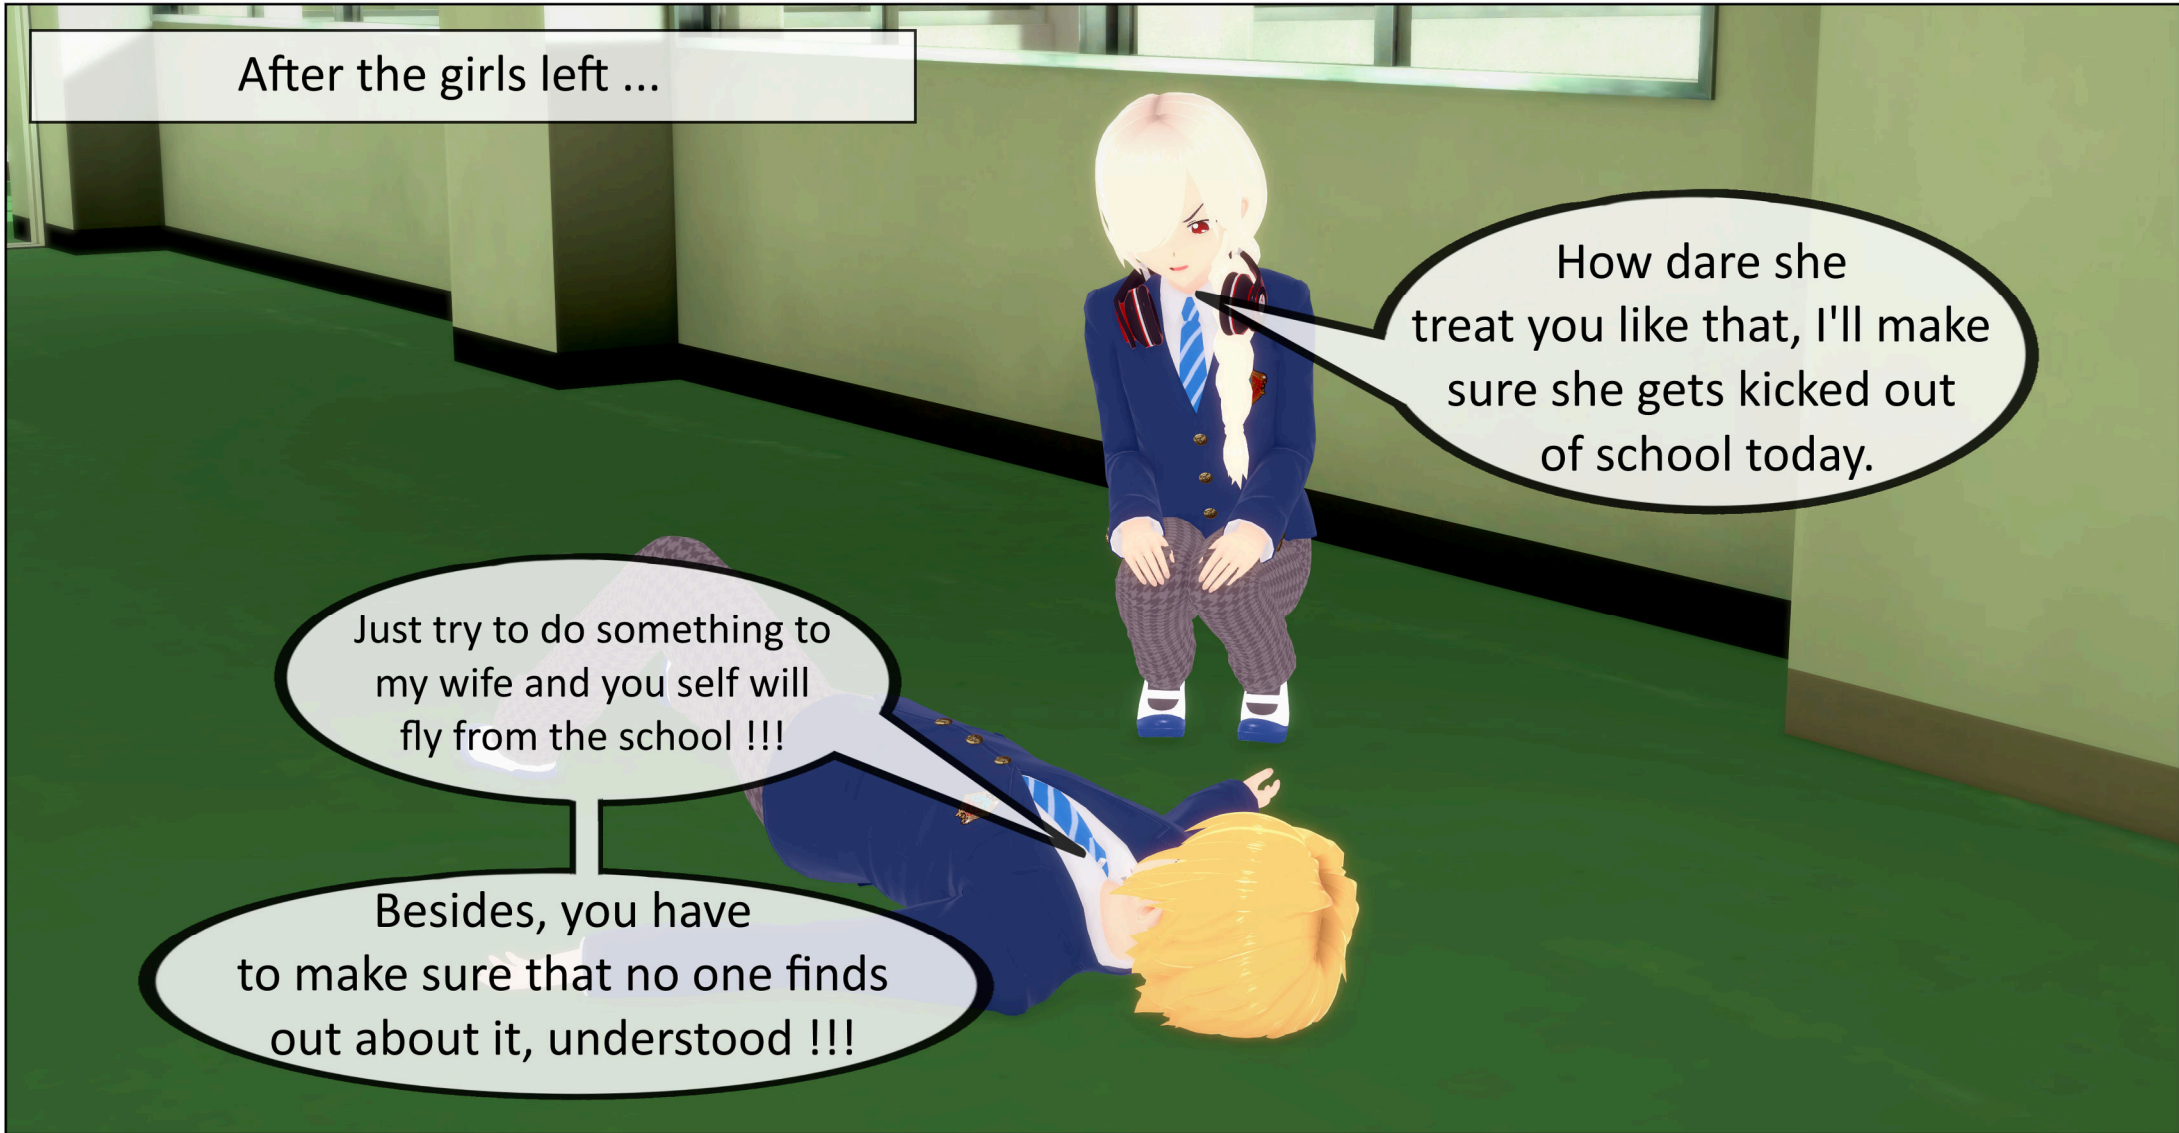

Now Ram will be taught
from school for sure. And
I was hoping that as a girl
he would be calmer.

After the girls left ...

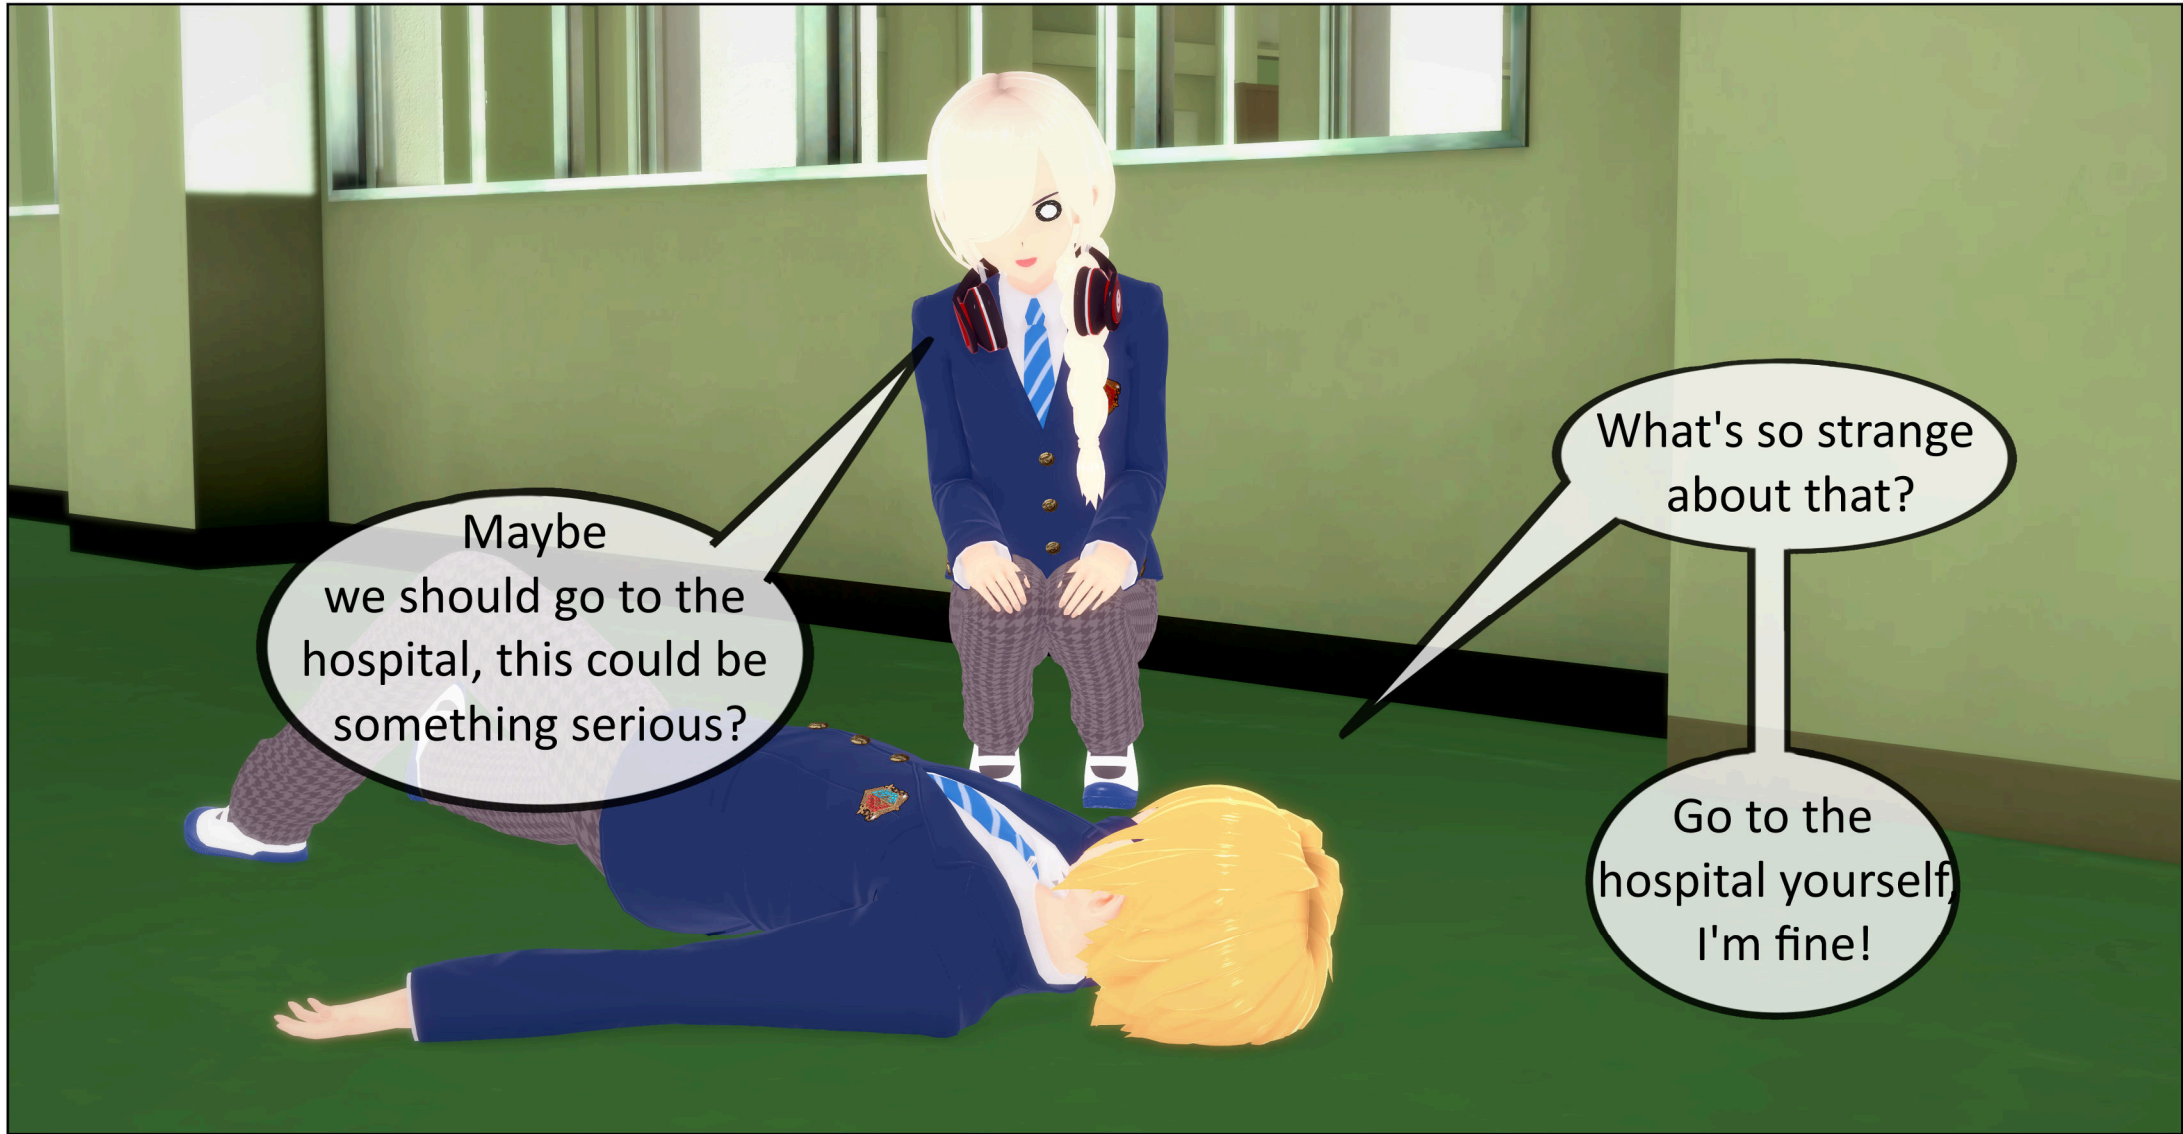

How dare she
treat you like that, I'll make
sure she gets kicked out
of school today.

Just try to do something to
my wife and you self will
fly from the school !!!

Besides, you have
to make sure that no one finds
out about it, understood !!!

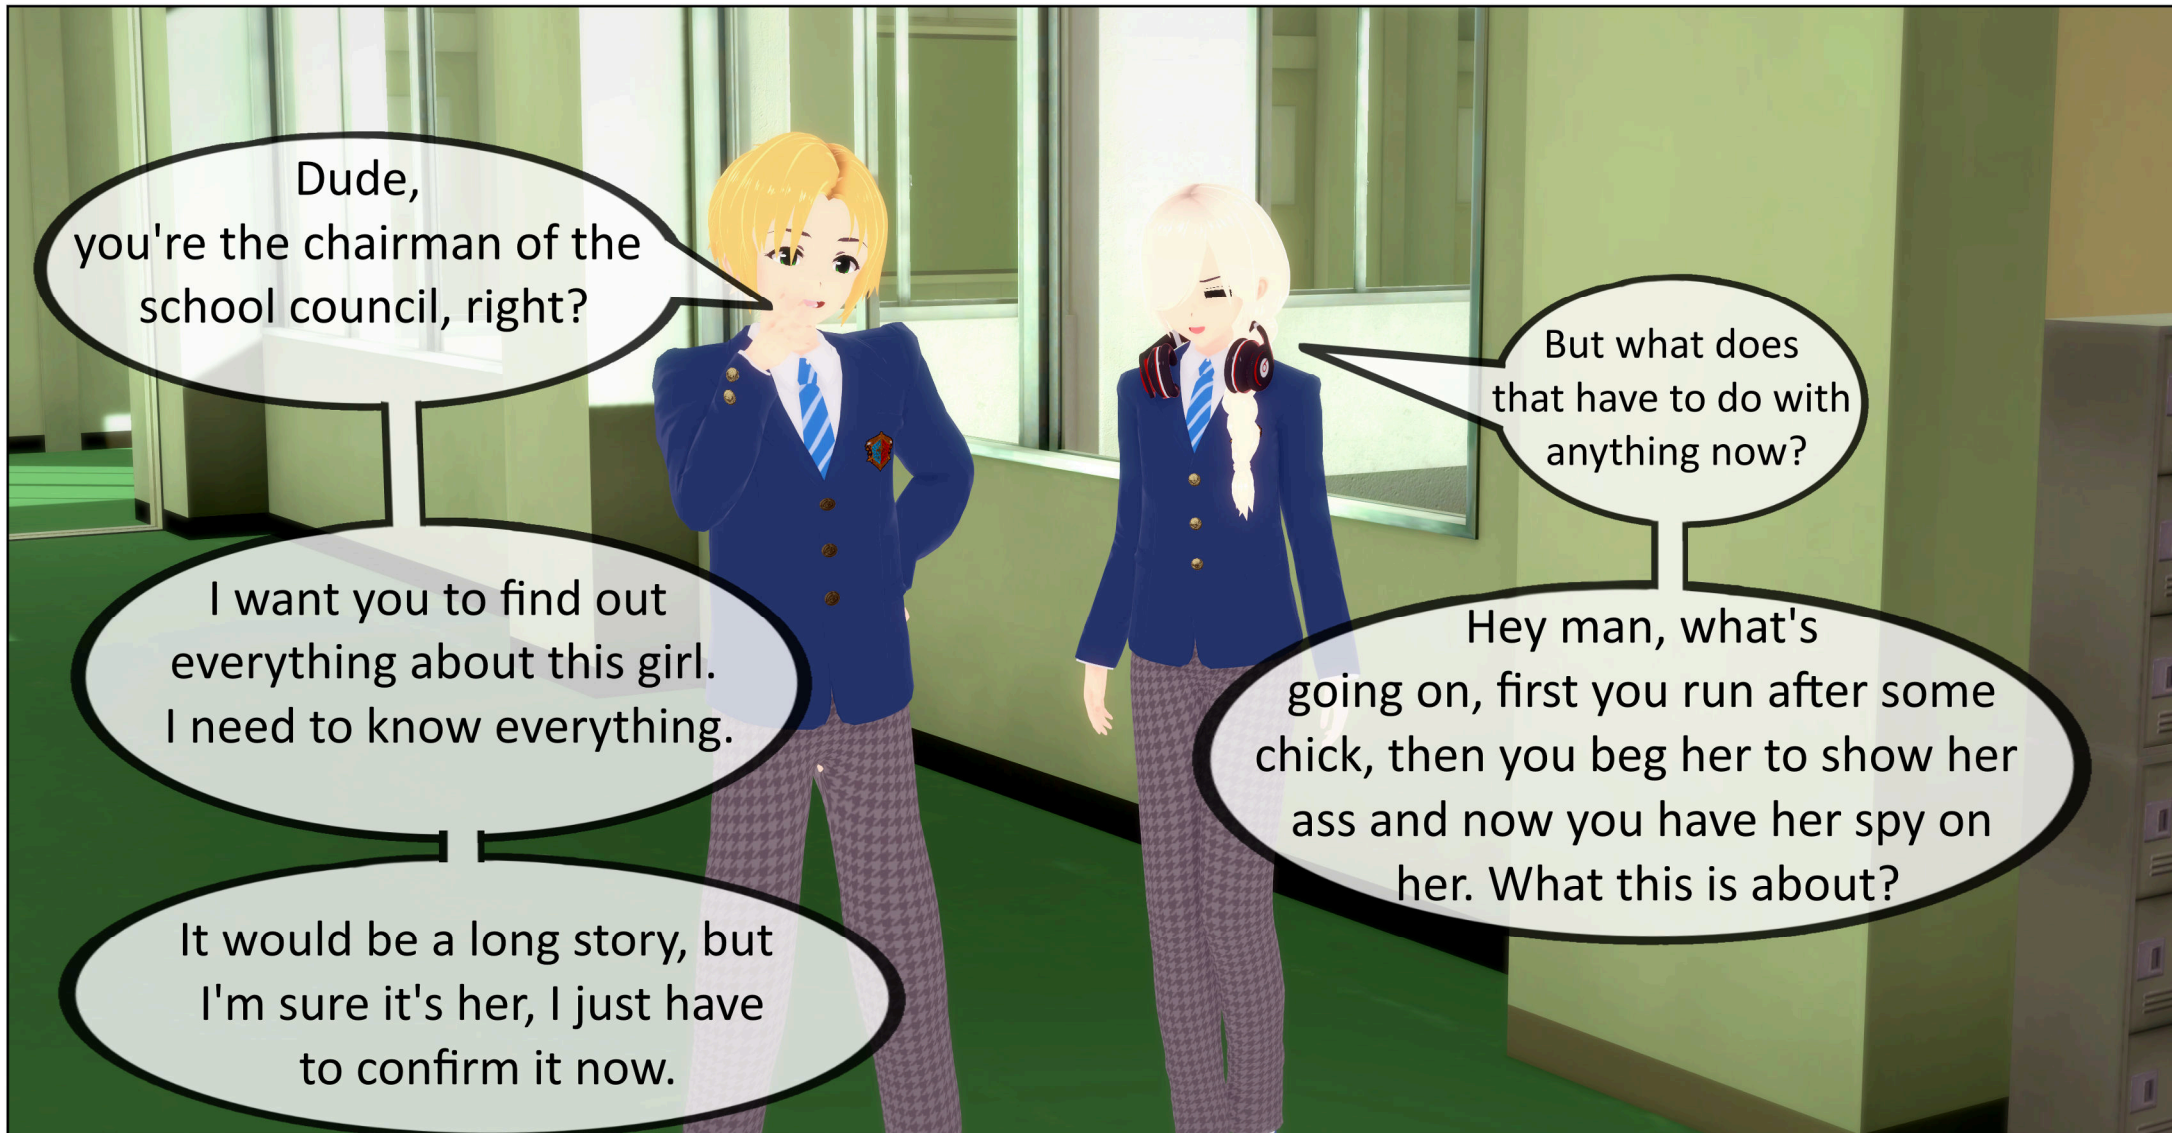

Maybe
we should go to the
hospital, this could be
something serious?

What's so strange
about that?

Go to the
hospital yourself,
I'm fine!

Dude,
you're the chairman of the
school council, right?

I want you to find out
everything about this girl.
I need to know everything.

It would be a long story, but
I'm sure it's her, I just have
to confirm it now.

But what does
that have to do with
anything now?

Hey man, what's
going on, first you run after some
chick, then you beg her to show her
ass and now you have her spy on
her. What this is about?

Find out if she
has any birthmarks
on her thigh

Okay but you
know this is gonna
take a while, what
should I focus on?

I don't know what this is all
about but I hope you know
what you are doing.

In the women's locker room ...

You're right.
what was I even
thinking about?

See, real girls
are definitely not like
that. They are serious,
composed

You can finally
stop playing with
my breasts !!!!

One-san,
everyone is looking
at us.

What's the
problem ? There
aren't any boys
here.

What are you so nervous?

This will become the school pervert. Relax, no guy will come in here.

Girls, stop fooling around!!

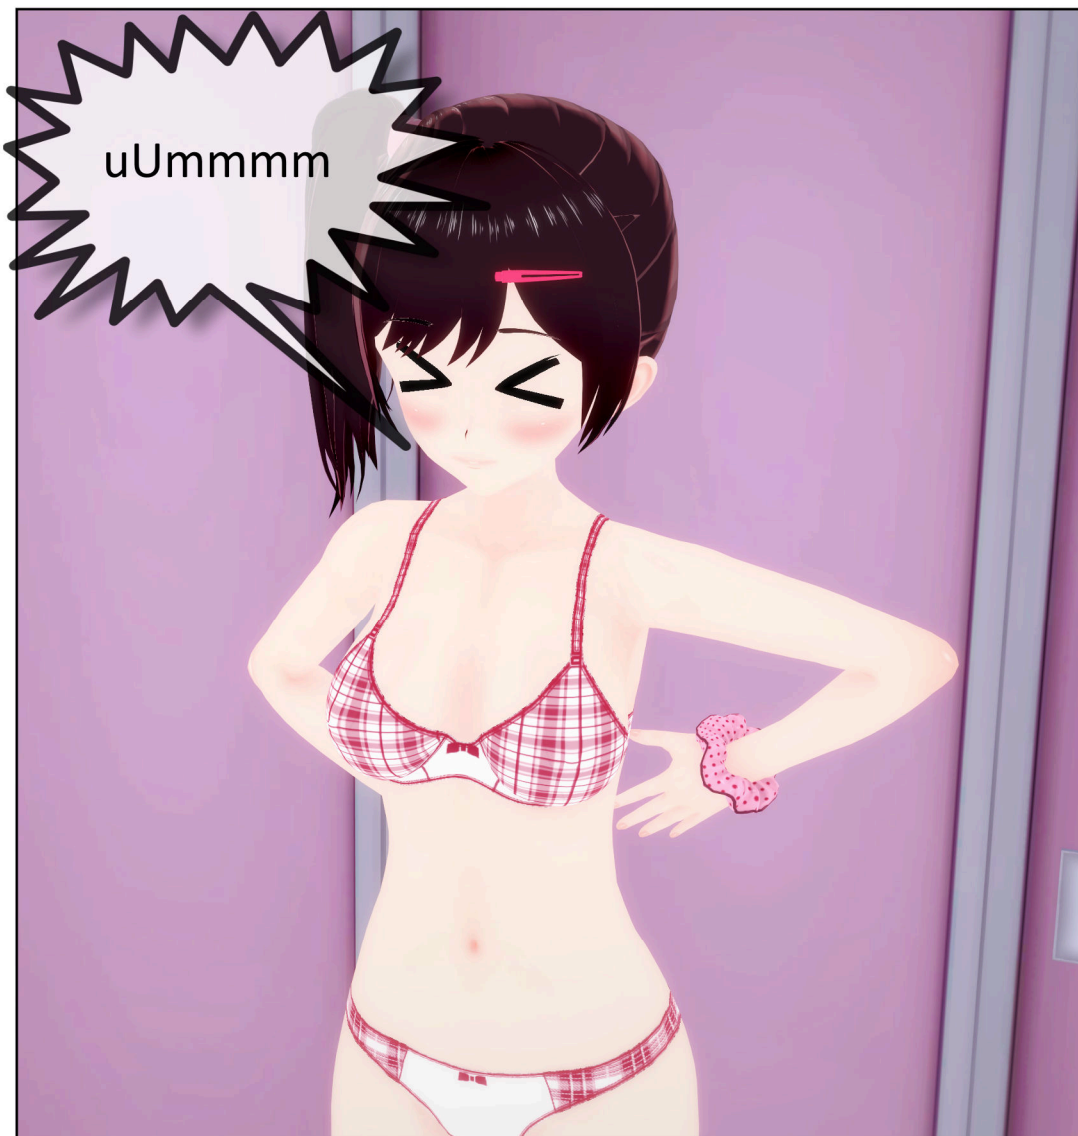

Because if a boy comes in and sees it ...

May you be right.

So all these
rumors are true.
Hmmm.

What's going
on here? I always
thought girls didn't
do things like that.

What should
I do to you?

What's going
on here?

What the
president does,
of course.

Unbutton my
bra, what's so
strange about
that?

But what
do you mean?

I don't know
what's so strange about it,
she always acts that way.

moment later...

So you say
it's always like
this here?

I do what
I can.

I don't quite
understand where this question
comes from, but yes. And by the
way, you will finally undo my bra,
you have been struggling with
it for a good 5 minutes.

You're
welcome.

Finally!
Thanks again.

No, nothing.
Do not worry .

Ymmm ...
I'm a little
ashamed.

If you say so.
What about you, you
don't change your
clothes?

There is nothing
to be ashamed of
after all, we're
all girls.

In the evening in the Ram room ...

I'm exhausted. I wish it were
all over and that I would be
myself again.

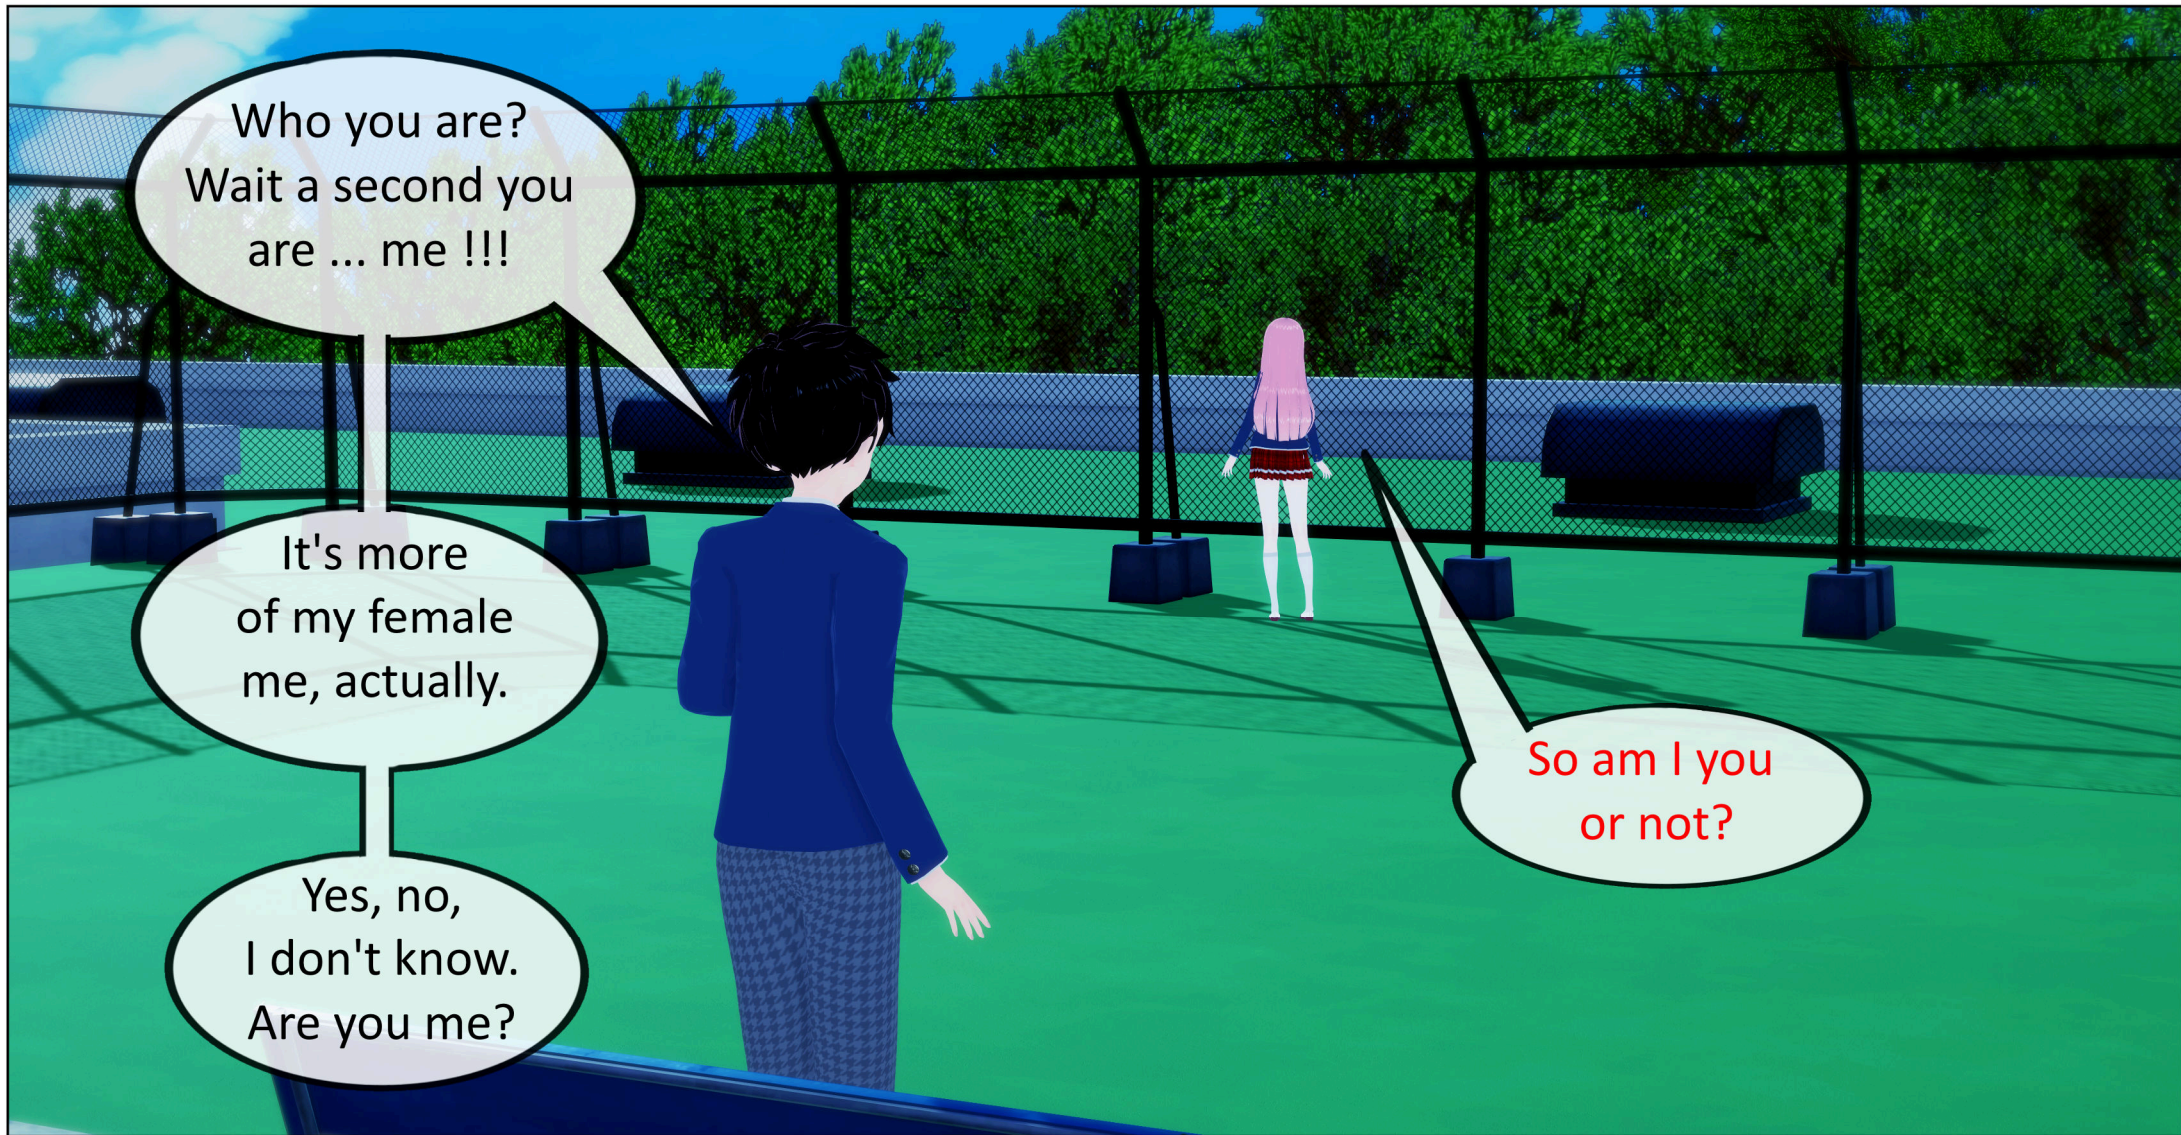

???????

Who you are?
Wait a second you
are ... me !!!

It's more
of my female
me, actually.

Yes, no,
I don't know.
Are you me?

So am I you
or not?

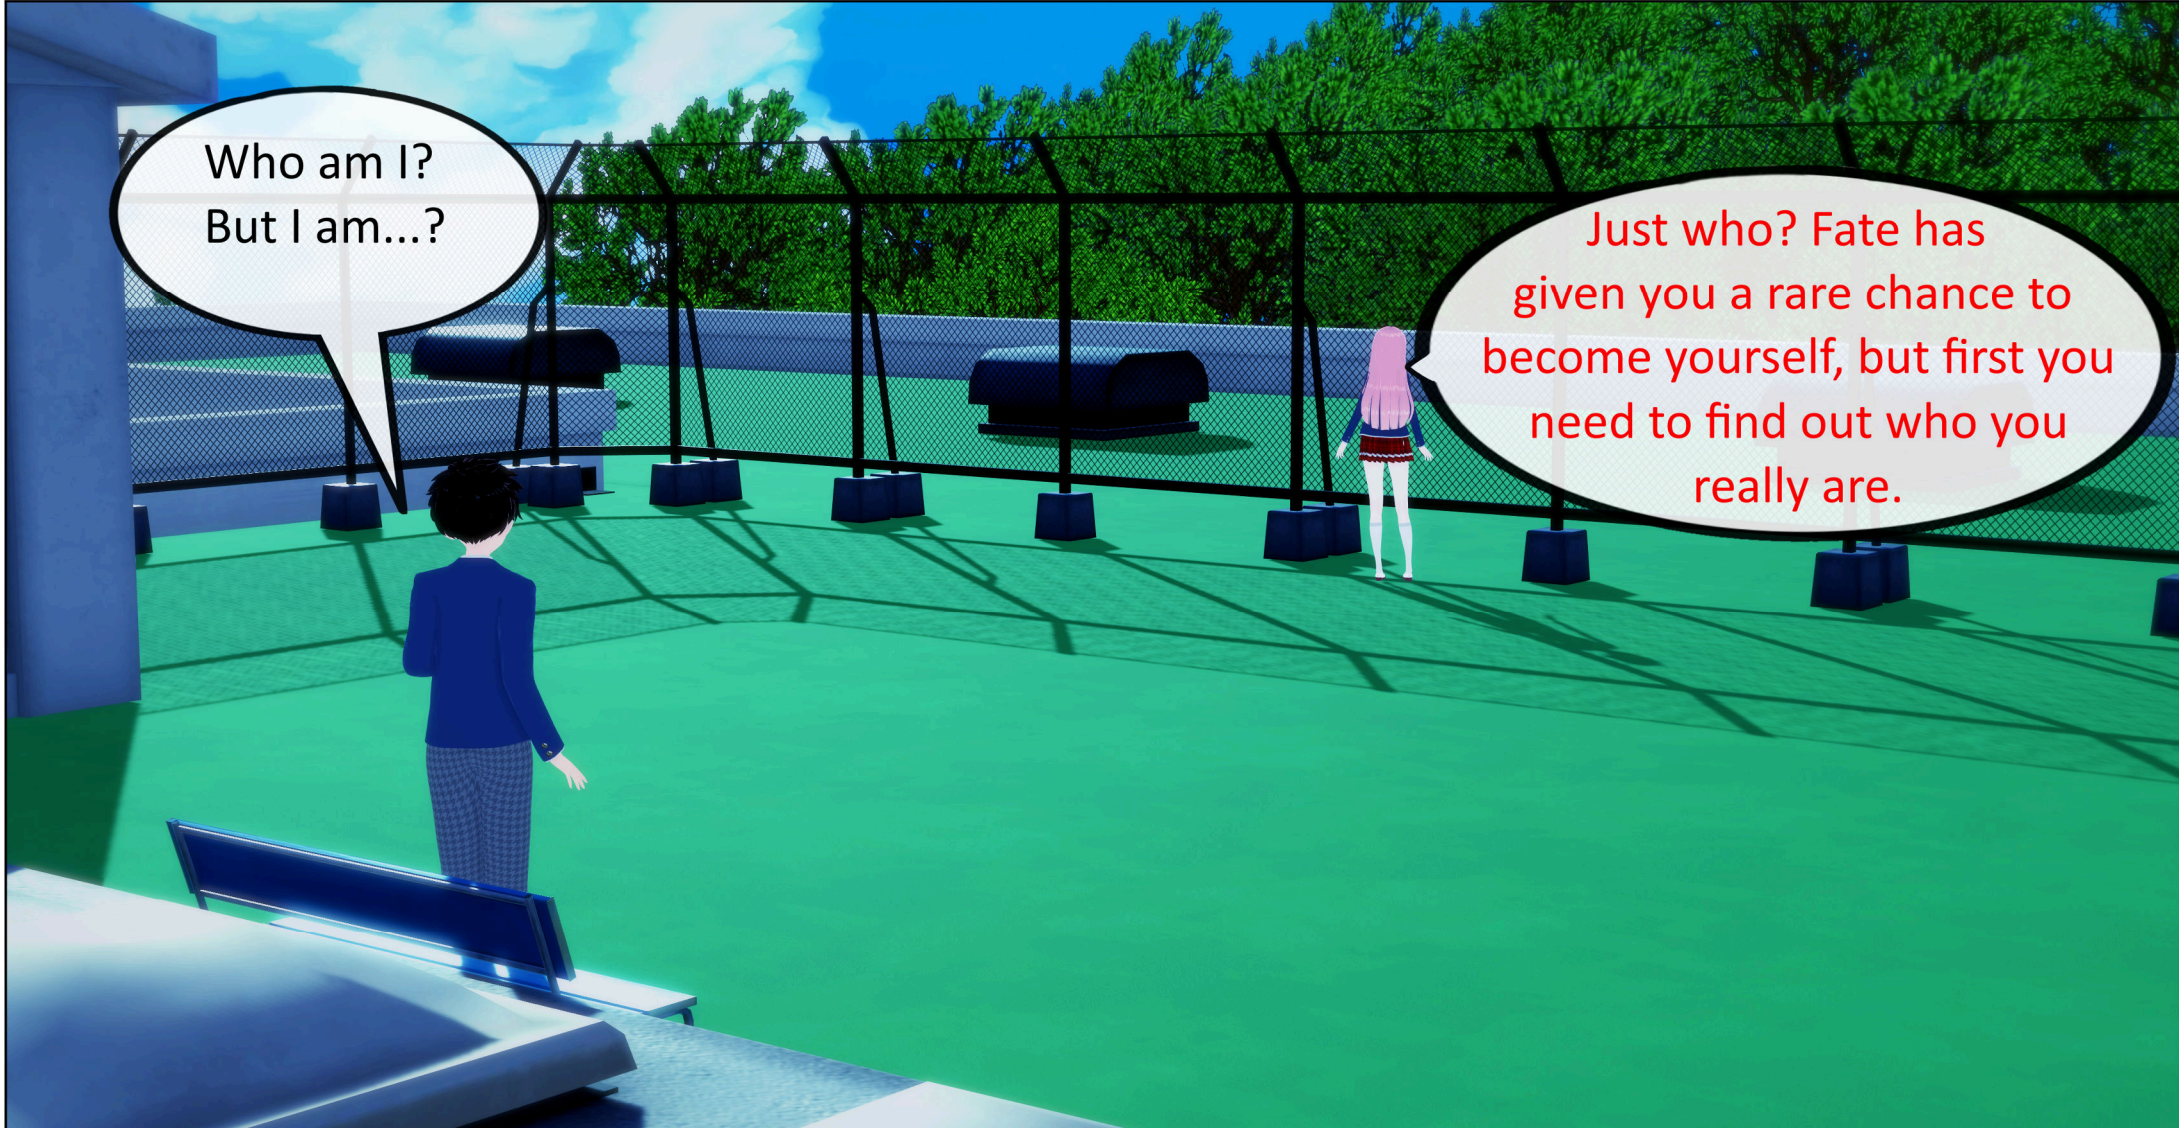

I think so,
I don't know?

Well, I was
born a man so I
am a man.

You're asking me,
you should know who
you are, right?

How then do you
want to be yourself
again when you don't
know who you are?

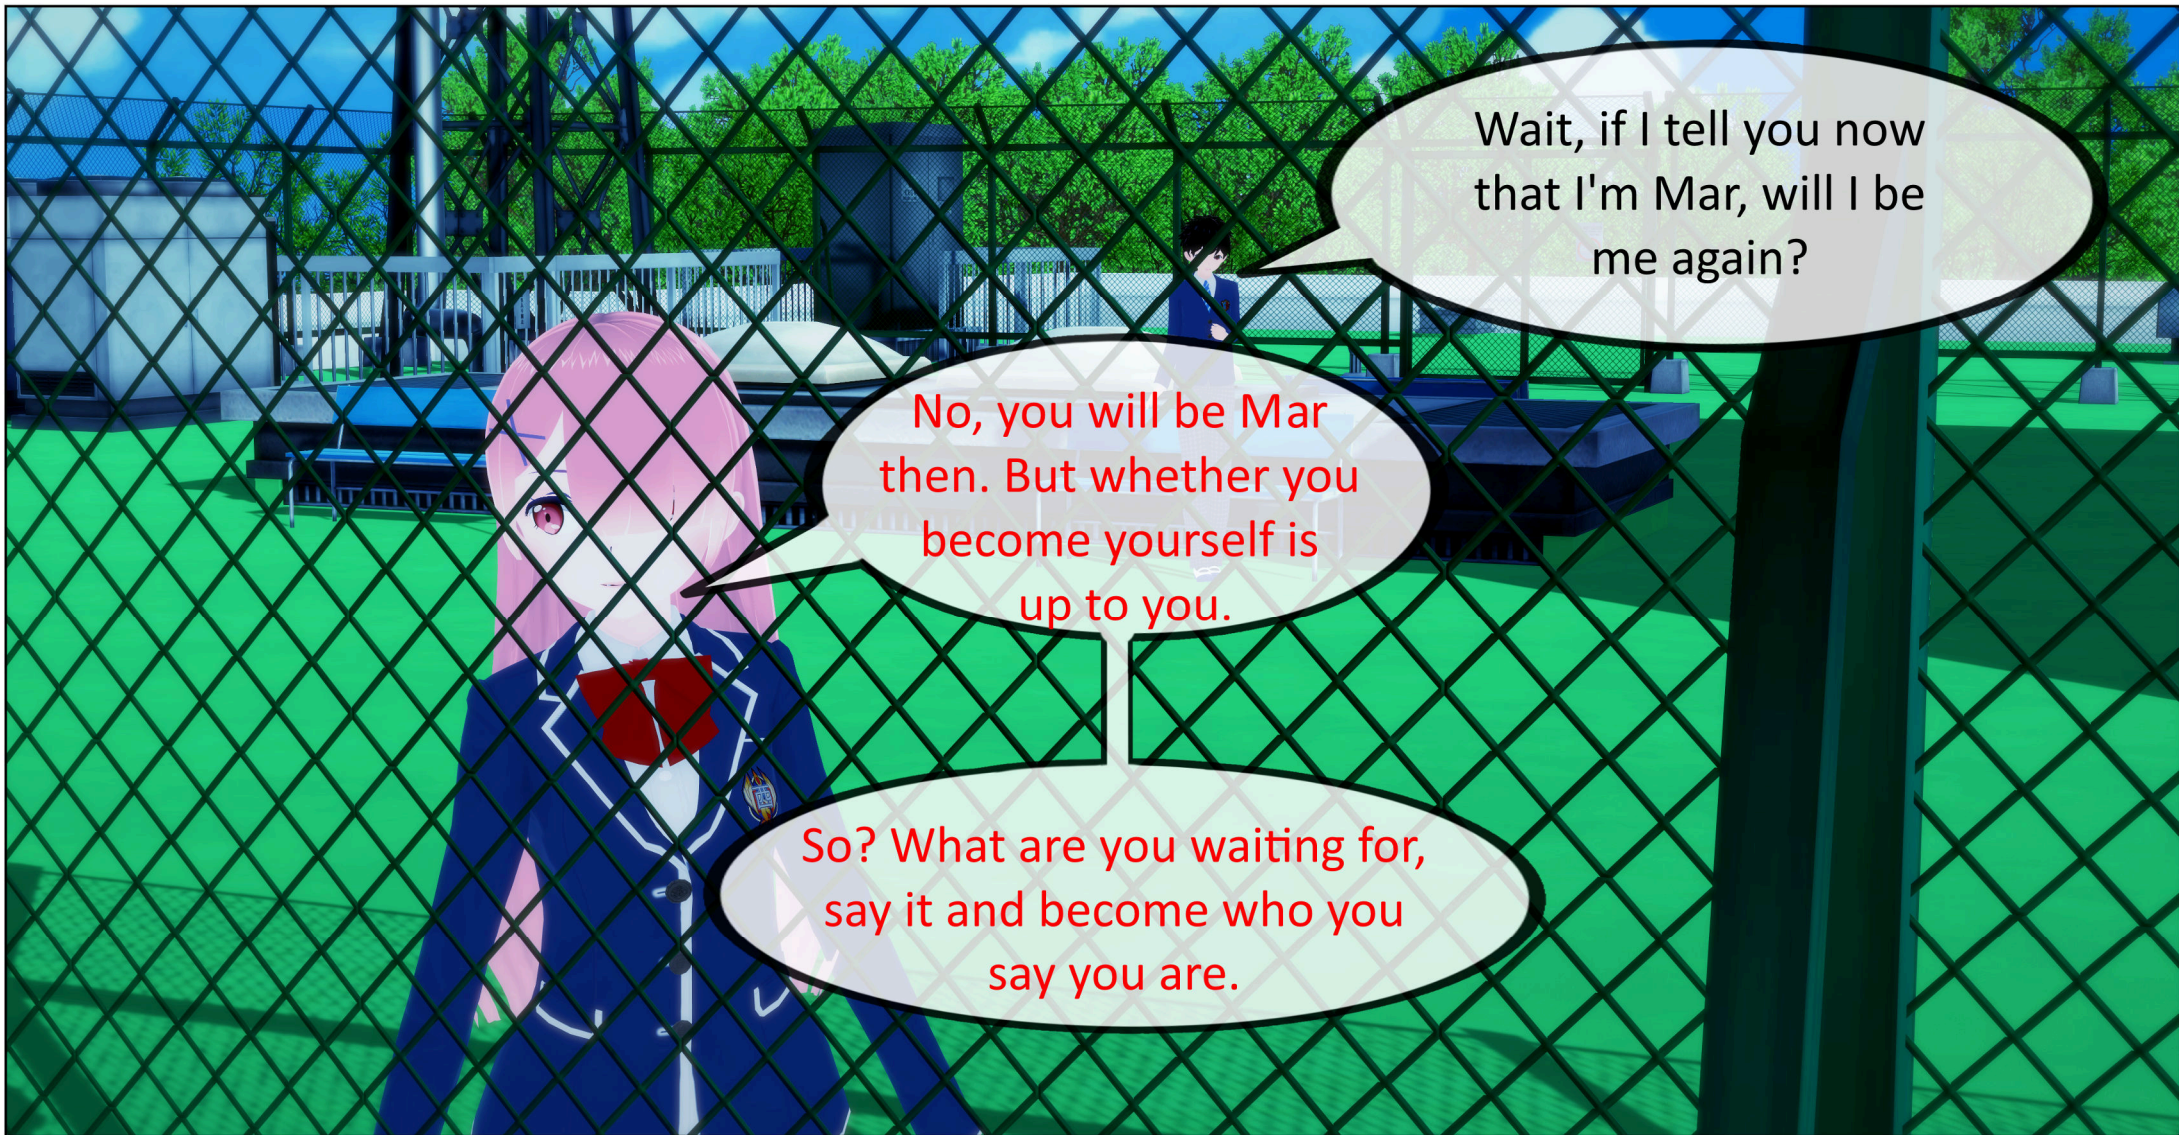

This is really the only reason?
Understand, it doesn't matter now
who you were born, but who
you are.

Who am I?
But I am...?

A 3D-rendered scene of a tennis court. In the foreground, a boy with black hair, wearing a blue jacket and grey patterned pants, stands with his back to the camera, looking towards a girl in the distance. The girl has long pink hair and is wearing a blue and white outfit with a red skirt. She is standing near a black fence that surrounds the court. The court has a green surface and black lines. In the background, there are green trees and a blue sky with white clouds. A blue bench is visible in the bottom left corner. Two speech bubbles contain text.

Just who? Fate has
given you a rare chance to
become yourself, but first you
need to find out who you
really are.

Wait, if I tell you now that I'm Mar, will I be me again?

No, you will be Mar then. But whether you become yourself is up to you.

So? What are you waiting for, say it and become who you say you are.

You know very well
that nothing forced you to
do it then. You just stop
limiting yourself.

It doesn't get anywhere.
Remember one thing before
you want to be yourself again
first be sure who you are.

I stop limiting
myself?

In Ram's room ...

What am I doing, I could be a man again
and I missed my chance. But she was right,
do I really want this? I still have to think about it.

To be continued....
