To be or to have

7
EN

by ron512 and Kami1

What is this?
She's making
fun of me.

Nice of her, But the question remains, what did she even send?
After all, she is an angel.

So she just sent two packages, one for me, one for Remchan.

All that's left for me to do is open up and find out for myself.

Weird did she
send me some bras? I have a
whole drawer of it.

No matter,
I'll check what that means
later on my phone.

But there are some weird ...
and what does "push up"
mean?

But I can see there's
something at the
bottom.

Body cream, use
after each bath, no worries
Rem got too.

I will try,
but one thing
surprises me.

I may be wrong, but is it a gold chain?

Besides, if I had one in the package, Rem-chan probably has one too.

Maybe in heaven, gold isn't worth much? It would be rude not to wear it.

The next day at school ...

I still can't believe it,
I got a gold chain.

Apparently so, but I still
feel a bit silly with him, it's
quite an expensive gift.

You should
enjoy.

Why? You didn't ask for
it. She gave it to you of
her own free will.

Nothing special.

No, from a friend.

Hi girls, what are you guys talking about?

Nice necklaces, are they gifts from boys?

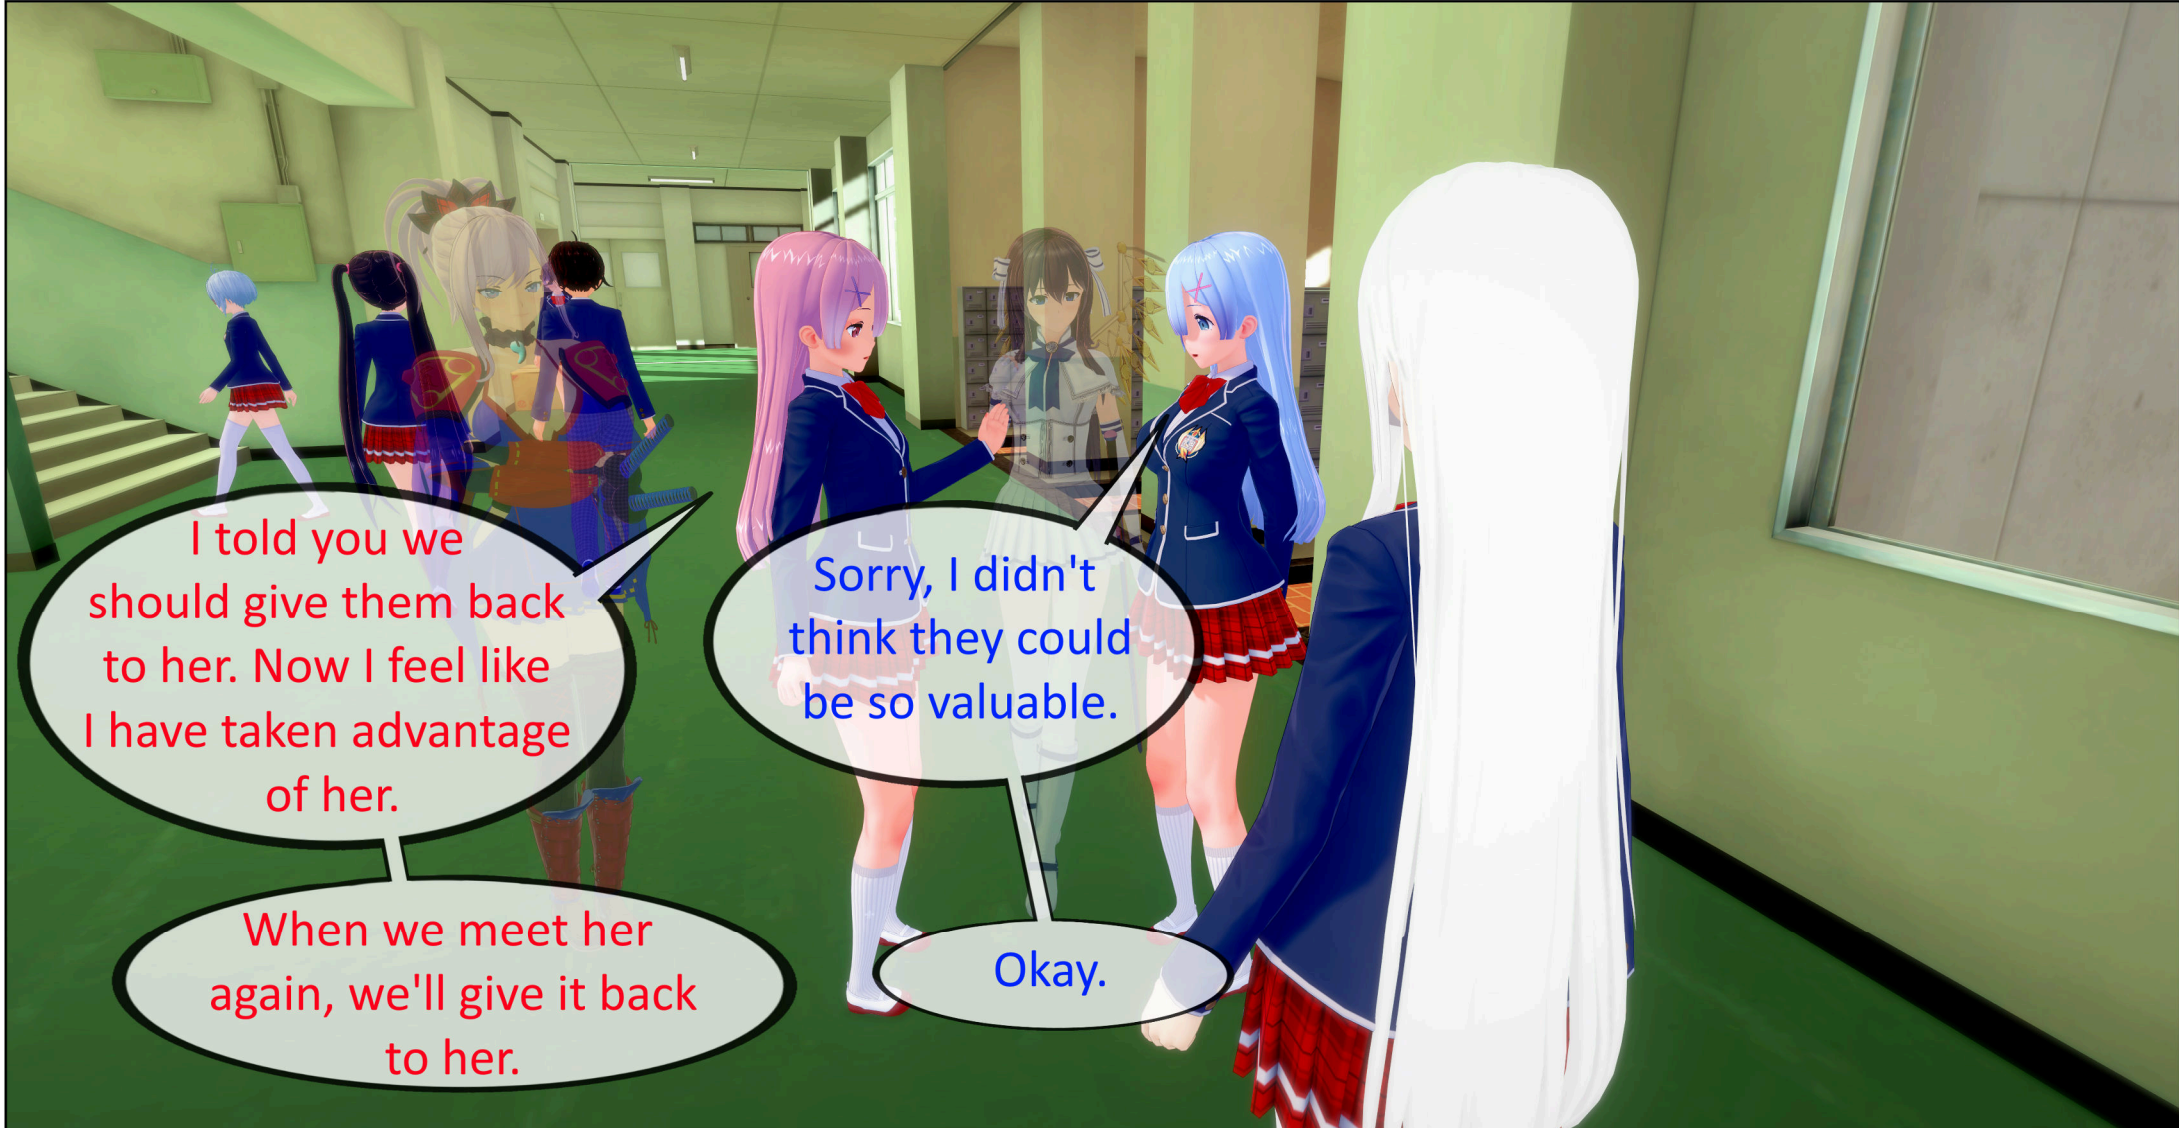

From a friend ...?

I would also like to have such a friend who gives such valuable gifts.

I wonder if she even knows how precious these necklaces are.

Maybe she thinks it's just any trinkets.

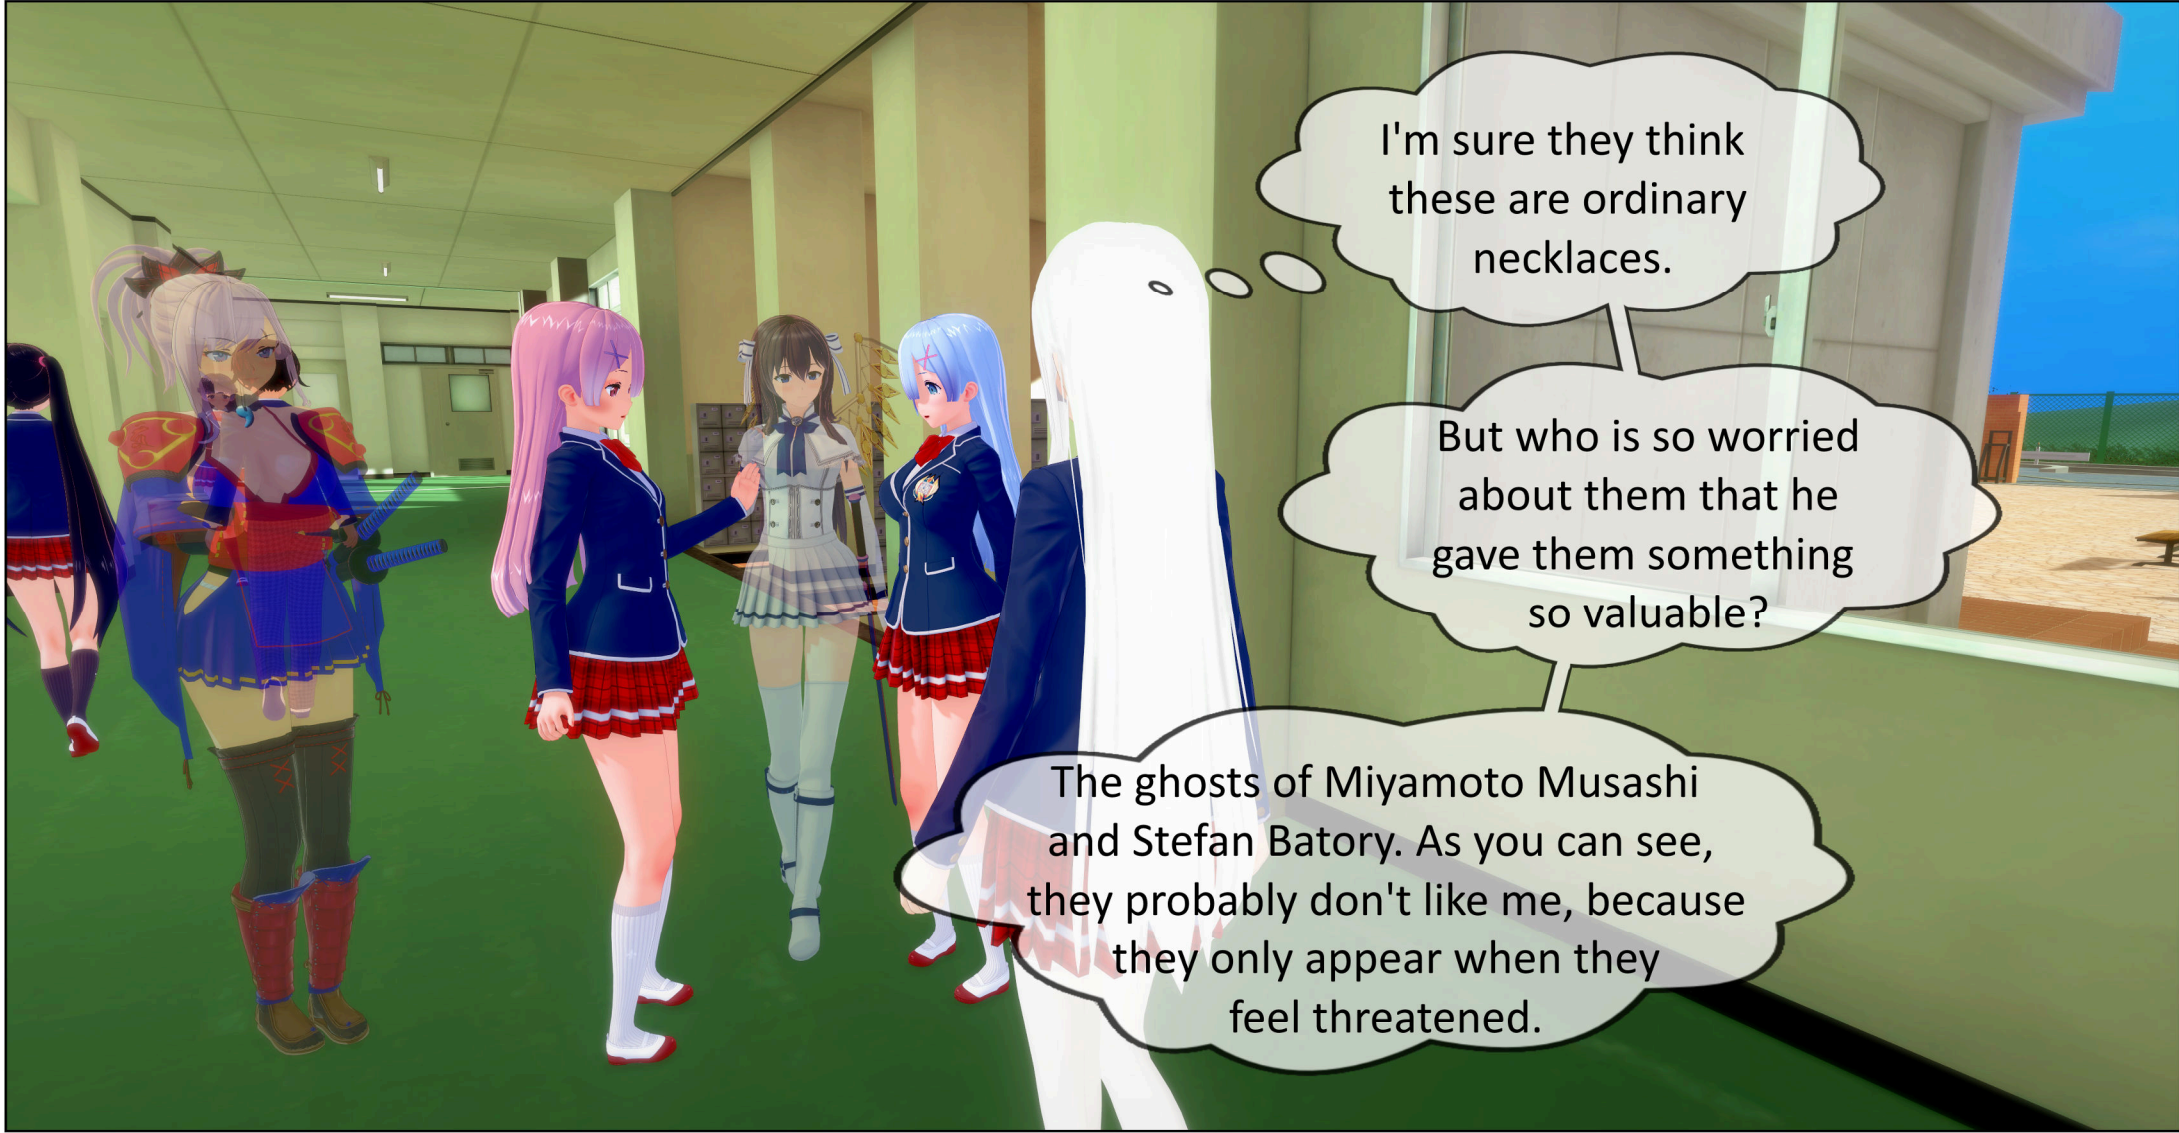

I told you we should give them back to her. Now I feel like I have taken advantage of her.

When we meet her again, we'll give it back to her.

Sorry, I didn't think they could be so valuable.

Okay.

I'm sure they think these are ordinary necklaces.

But who is so worried about them that he gave them something so valuable?

The ghosts of Miyamoto Musashi and Stefan Batory. As you can see, they probably don't like me, because they only appear when they feel threatened.

Surely Rem and Ram, like the others, cannot see them.

It's best not to upset these ghosts. But I need to know more about their secret friend.

It certainly threatens my plans, but the question is, how much?

Or maybe on the contrary, it can help me implement them?

Hmm .. Something happened, you don't say anything?

You paled, maybe you should go to the nurse.

Relax, girls, I'm fine. But it's time for me to see you later.

Yeah, sure, mindful of yourself, you look really pale.

Weird, she doesn't usually act like that.

Indeed, weird.

But she always does something weird, so it's normal for her.

Maybe she has a boyfriend, hehe.

You know, somehow
I can't believe she could
have a boyfriend.

Maybe it's
true love.

Maybe. You
know, I have a strange
feeling that someone
is watching me.

We're at school, it's
obvious that someone
is watching you.

Some time later, in the school's council room ...

So?

You can tell us now what's the urgent matter.

Of course

You see, there are new clubs constantly emerging in the school, right? Therefore, those that do not meet the specified requirements are liquidated.

That there was space and funds for new ones.

The problem is that we currently have two clubs that do not meet these requirements.

You just have to take care of them and what you do is up to you.

You want Rem and me to close these clubs, right?

What are these clubs?

It was brilliant
Mayumi-chan.

The principal's
niece belongs to
the art club.

And the gaming
club is the pride of the
school, faded but the principal
still has hope for him.

Game club and
painting club.

月の日程

もの

If the girls try
to close these clubs,
the principal will throw
them out of school.

Most importantly,
Mayumi-chan will
have no competition
then. Just brilliant.

Game club, hmm

They were the only ones who didn't laugh at me when it turned out that I am an Otaku.

I think it's time to pay off the debt. I will try to help them, in the end, apart from them, the whole school laughed at me.

I never thought I'd have to do something like this.

I know they are not doing very well, but you can't take his passion away from anyone.

I have to help them somehow.

Of course, if you don't want to, I'll take care of it myself.

I take the game club.

I take the painting club.

They are now in a hopeless situation. When these clubs close, they will be kicked out

And if they try to help, part of the blame for the poor performance of these clubs will fall on them.

Great, just try to be gentle.

A 3D-rendered scene of two anime-style girls in school uniforms walking down a hallway. The girl on the left has light blue hair and a pink star-shaped hair clip. The girl on the right has light purple hair and a blue cross-shaped hair clip. They are both wearing dark blue blazers with white trim and red plaid skirts. In the background, other students in similar uniforms are walking away. The hallway has green carpeting and white walls with windows on the left.

Tell me
why did you choose
the gaming club?

I know what it's like, how you
can't do what you like. That's
why I want to help them.

Let's say I owe
them something, how
was it with you?

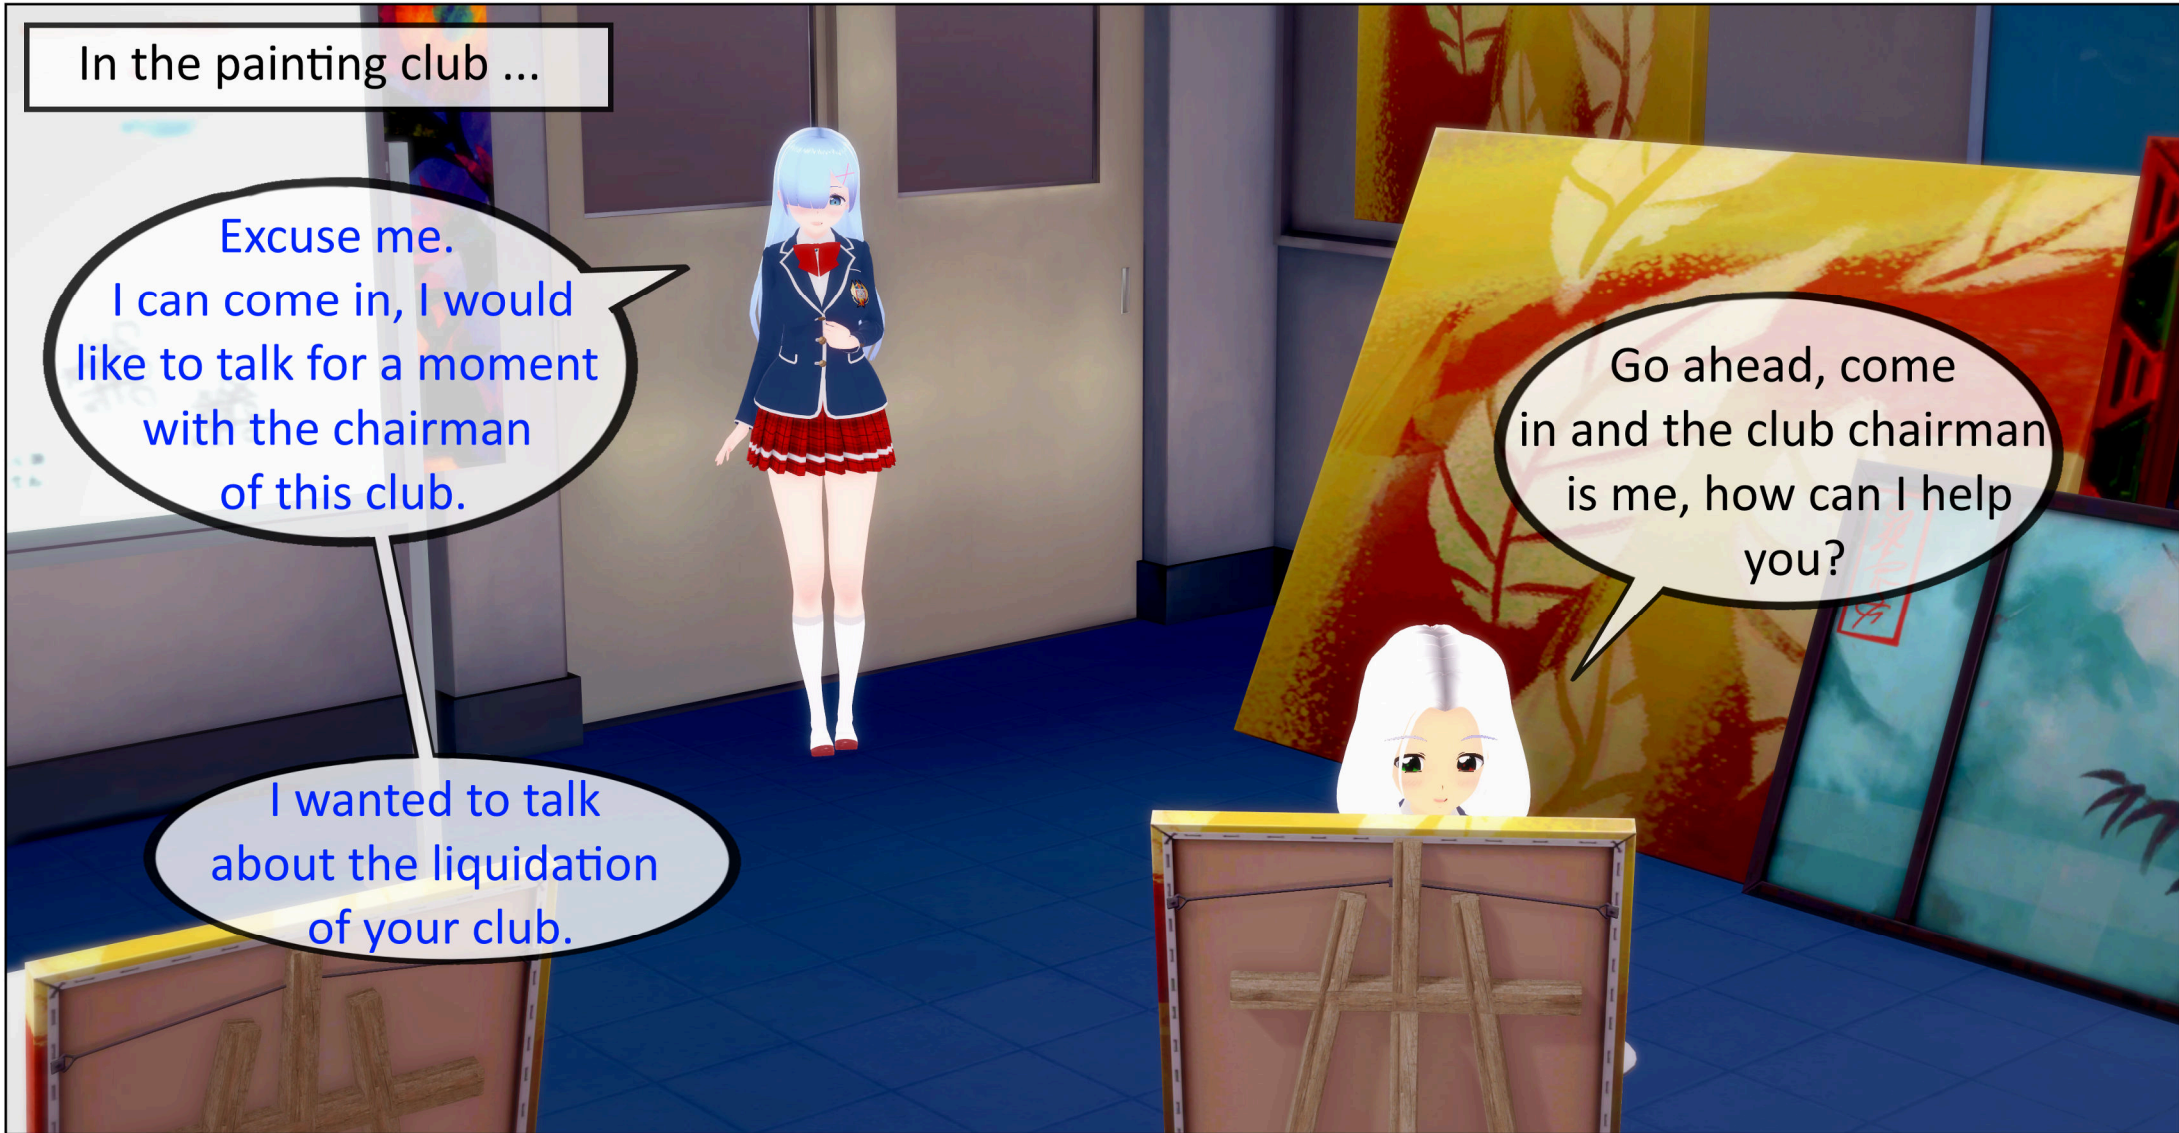

I just hope we
can help them.

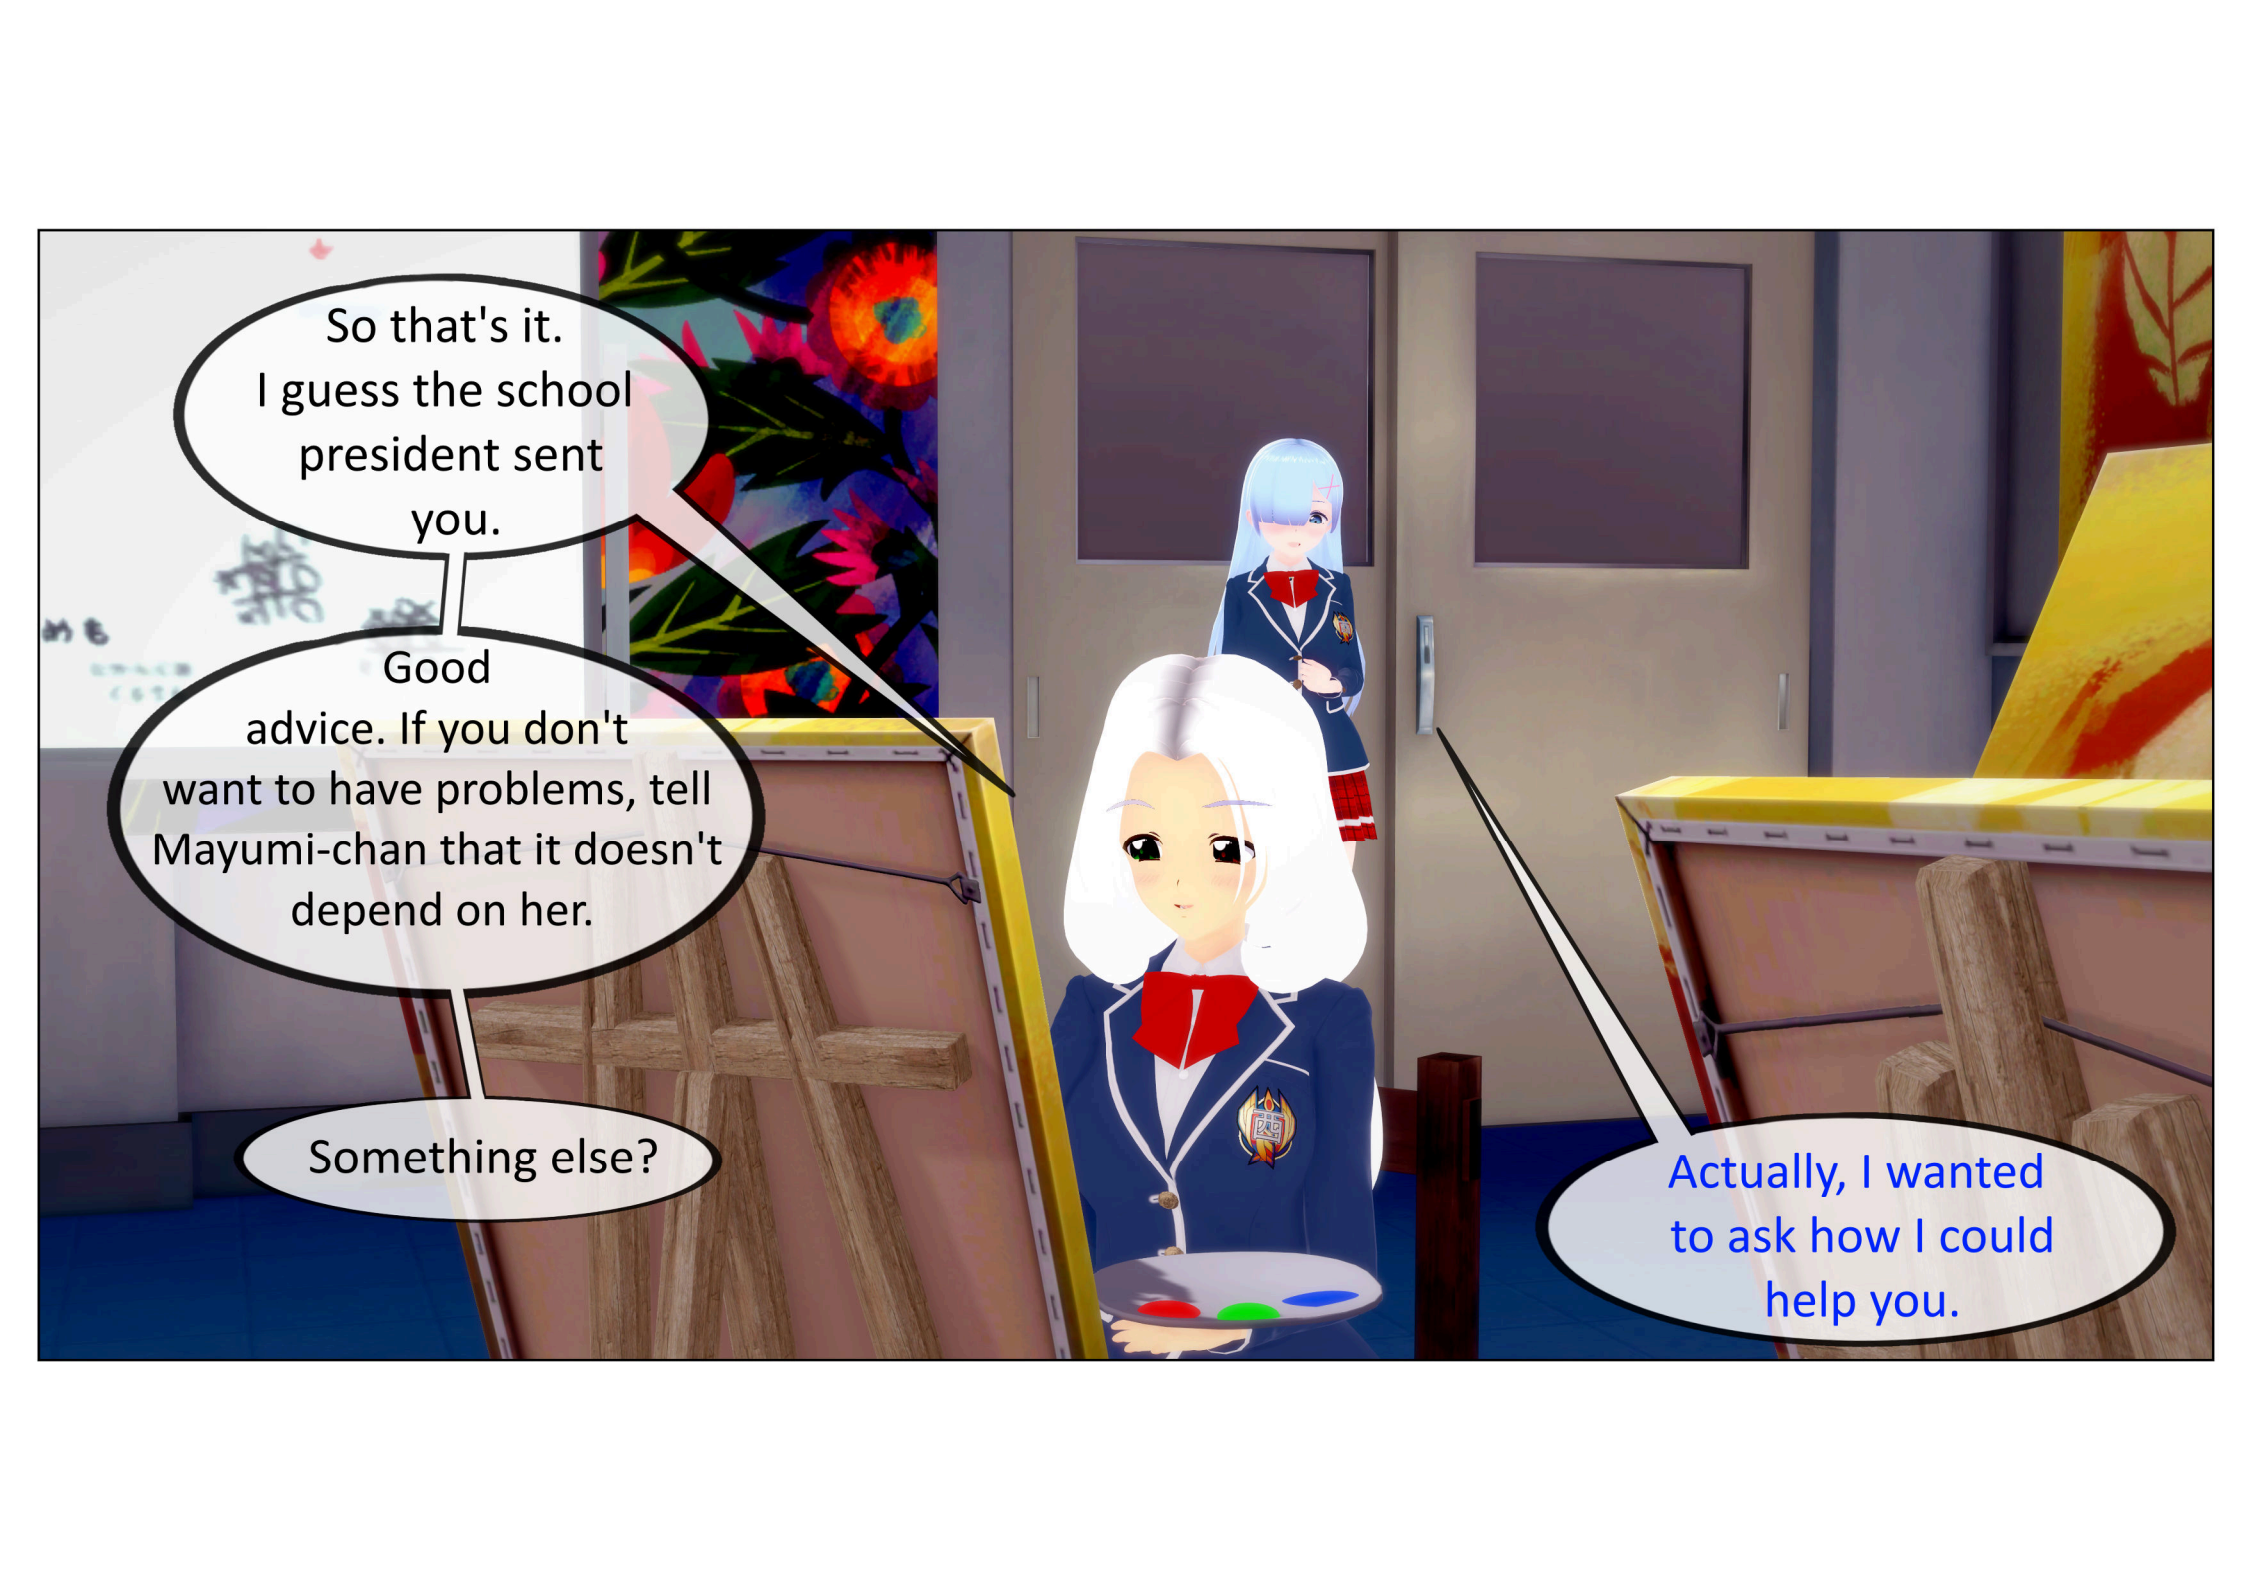

In the painting club ...

Excuse me.
I can come in, I would
like to talk for a moment
with the chairman
of this club.

I wanted to talk
about the liquidation
of your club.

Go ahead, come
in and the club chairman
is me, how can I help
you?

So that's it.
I guess the school
president sent
you.

Good
advice. If you don't
want to have problems, tell
Mayumi-chan that it doesn't
depend on her.

Something else?

Actually, I wanted
to ask how I could
help you.

Why do you want to help us?

I can see that you are different from Mayumi-chan and her friend. Okay, take a seat and I'll tell you what the problem is.

Because that's what the school council is for, right?

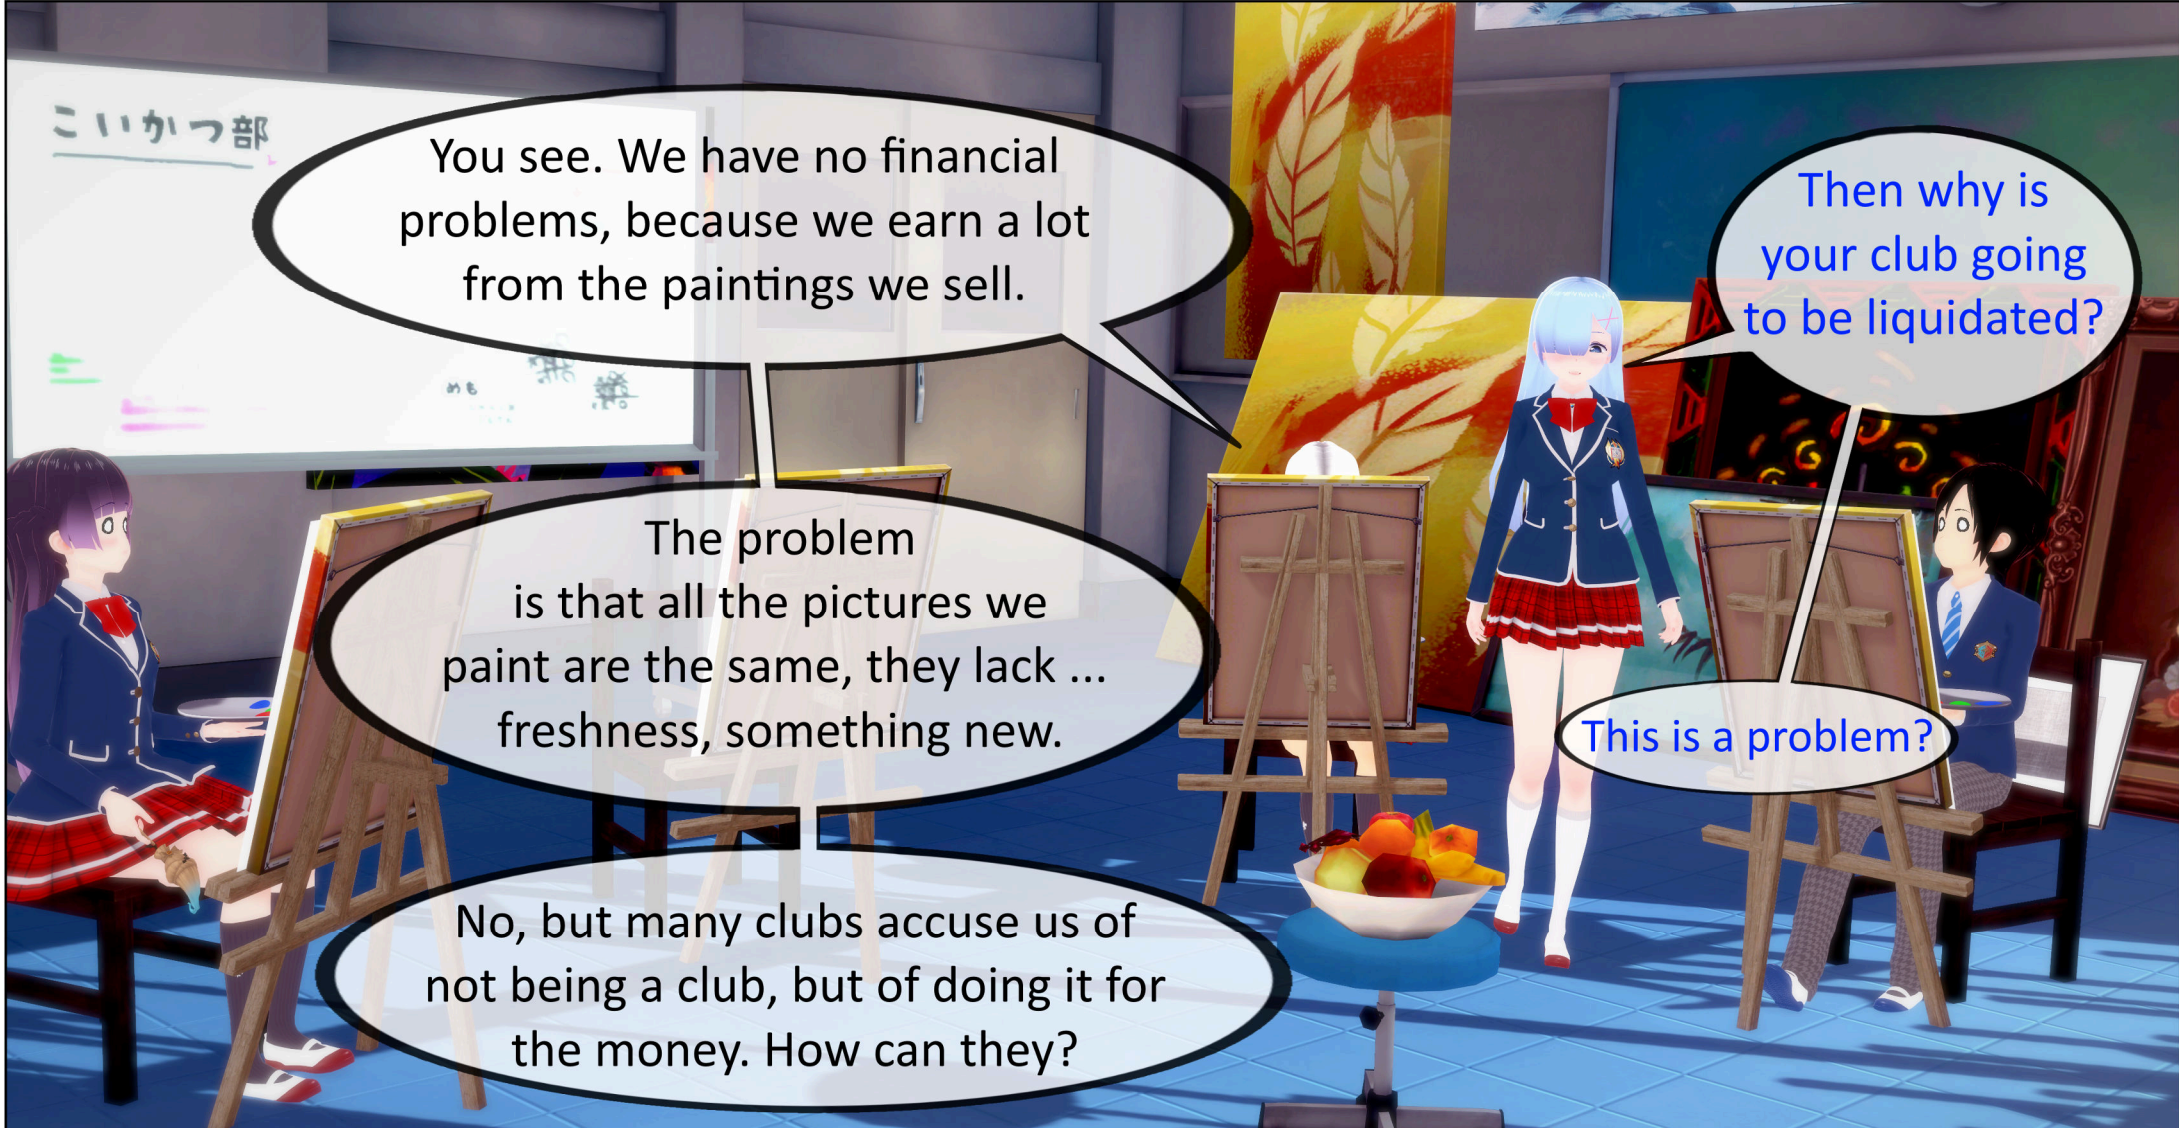

Thank!!!

Excuse me, can you help yourself?

What? A ... so go ahead and help yourself.

You see. We have no financial problems, because we earn a lot from the paintings we sell.

The problem is that all the pictures we paint are the same, they lack ... freshness, something new.

No, but many clubs accuse us of not being a club, but of doing it for the money. How can they?

Then why is your club going to be liquidated?

This is a problem?

In my opinion, they are just jealous of your success.

I think so too, but they are right, we lack new ideas.

She will eat us models.

Hmm ...
I have an idea.

What? Ah yes, do what you want.

What if you tried to paint something new?

Excuse me, can I paint you?

This could theoretically solve the problem. But what are we supposed to paint?

Clever, well
I can do that too.

Excuse me,
can I too?

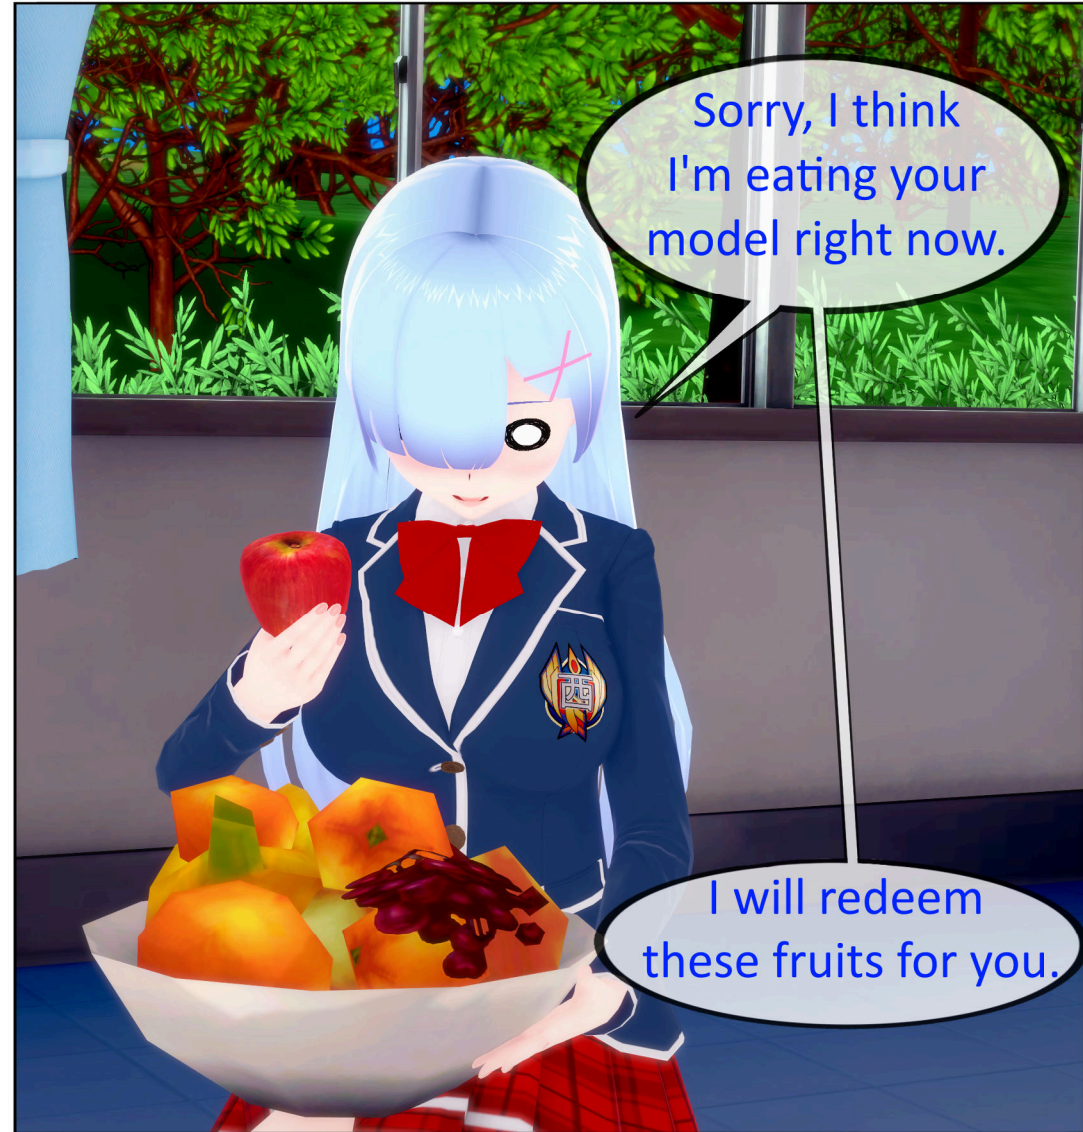

Sure.

Hmm ... What are
you painting now?

A bowl
of fruit.

Or what's left
of her, hehe.

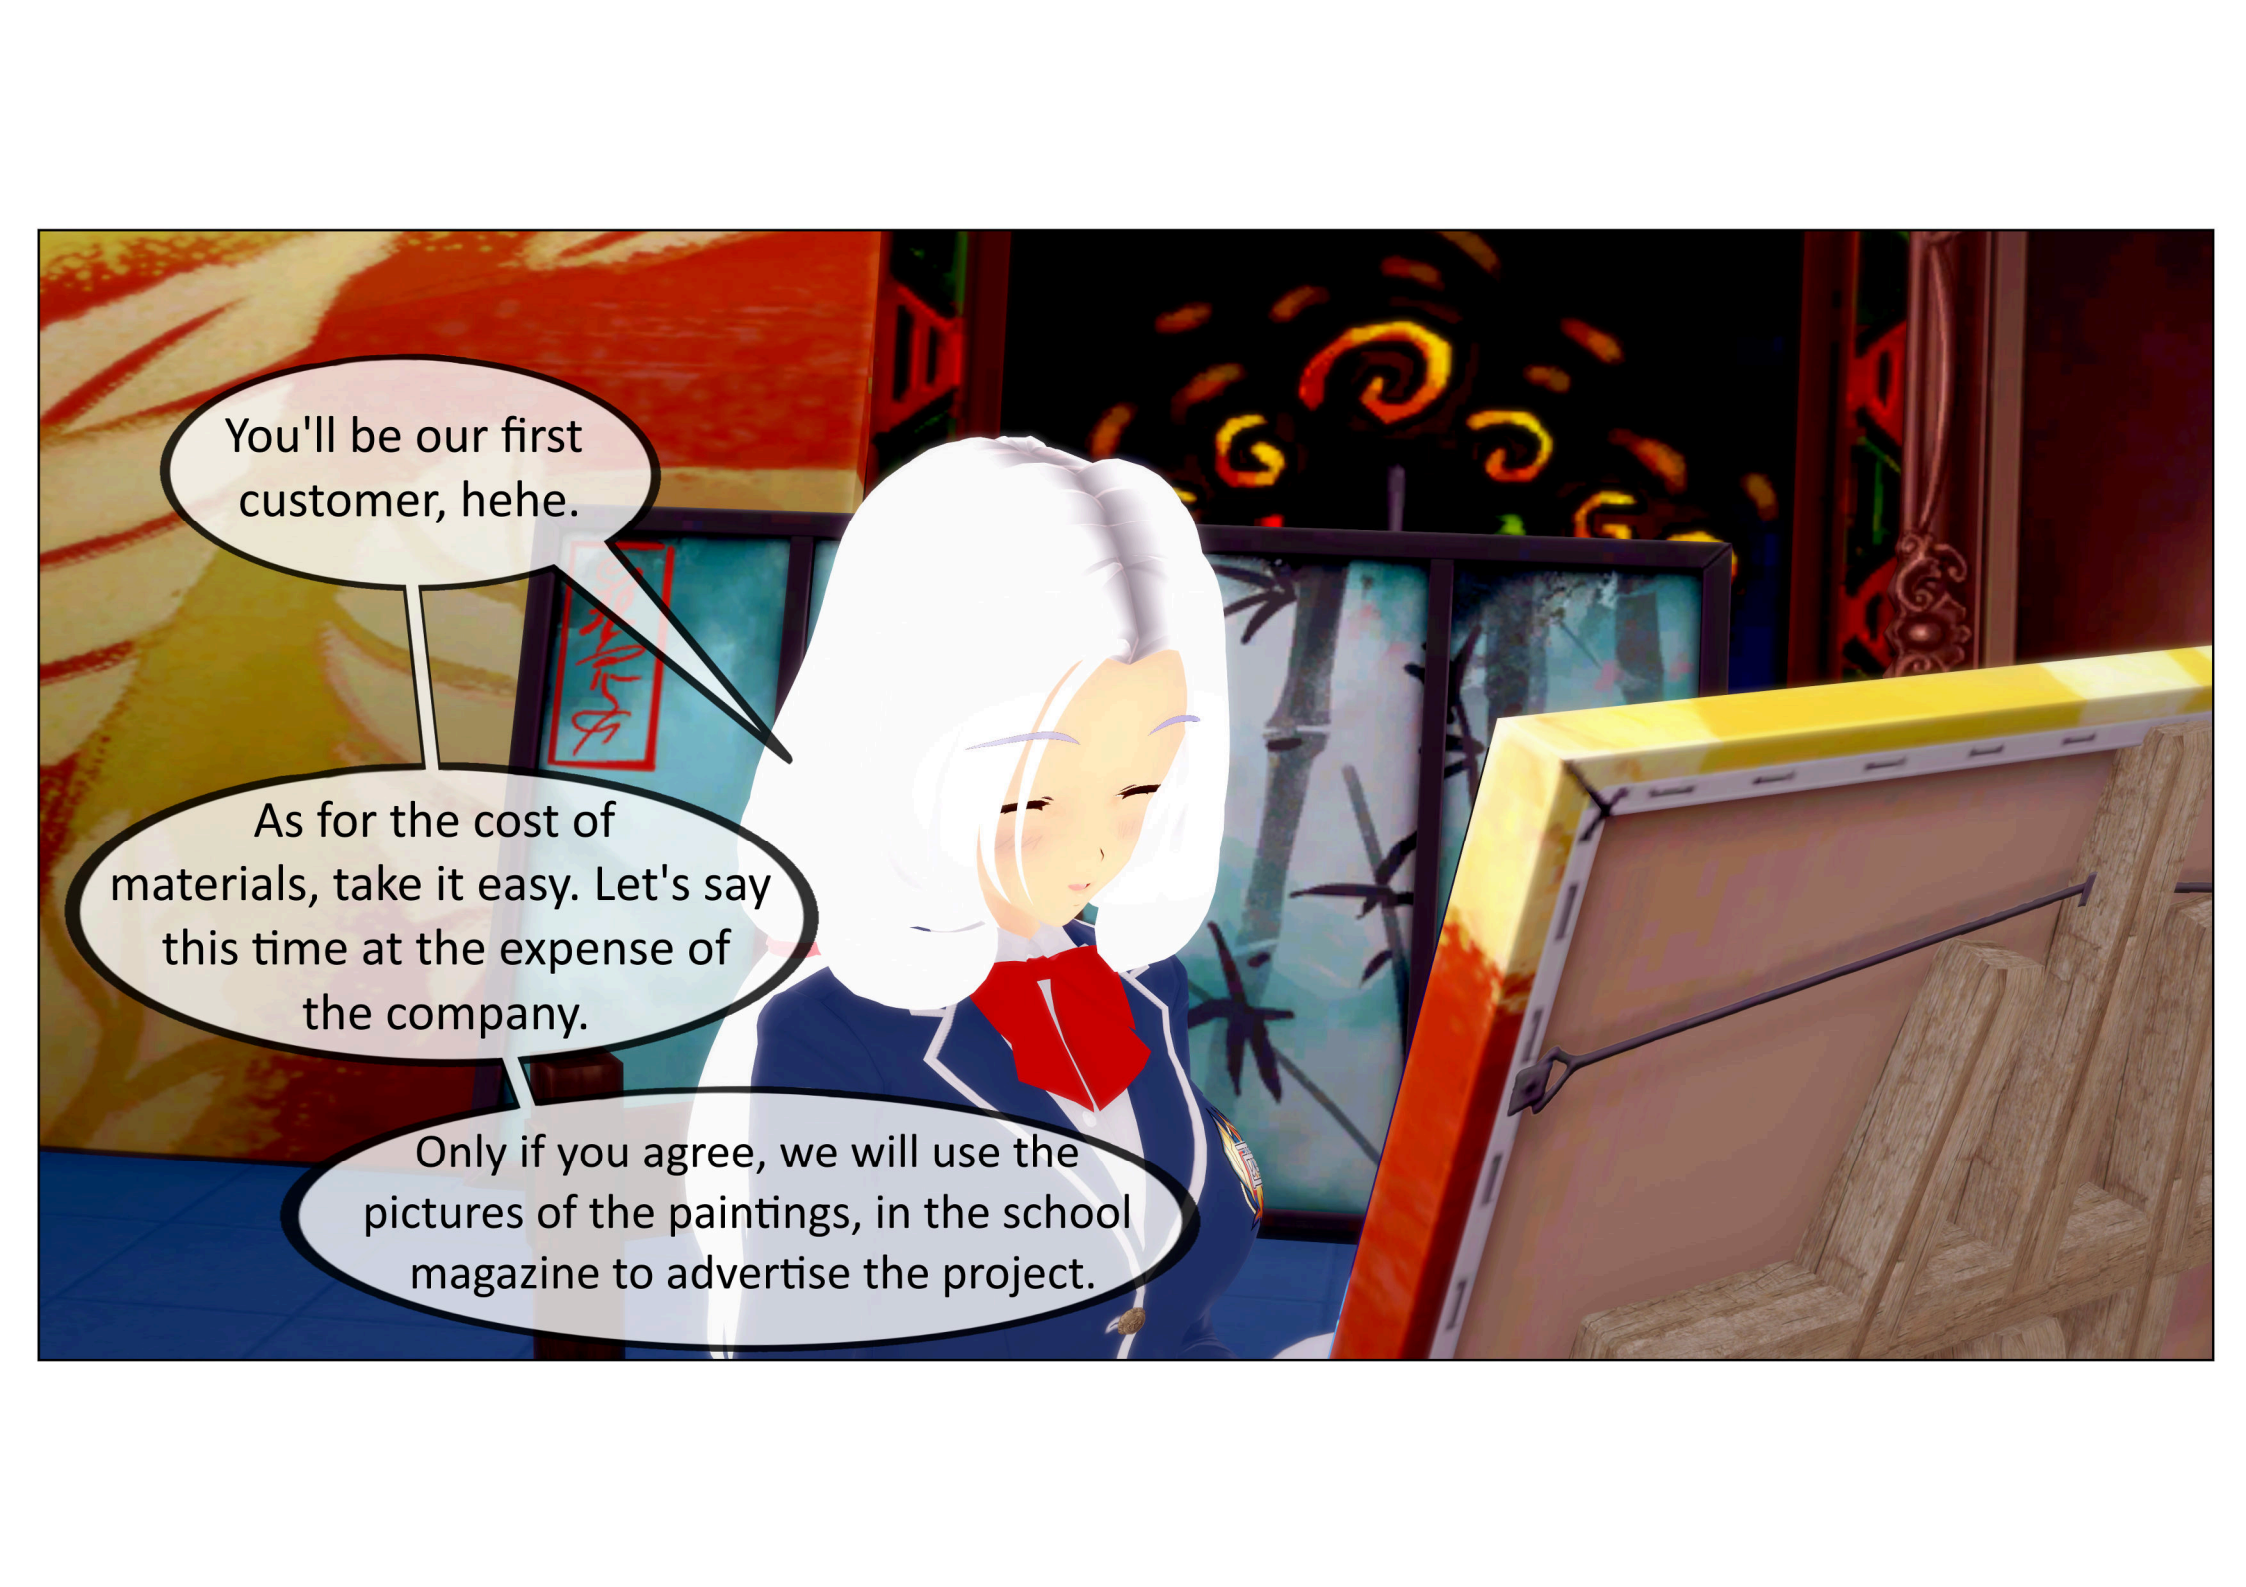

There's no need.
But could you just sit for a
while longer instead?

Sure, but
what for?

You gave me an idea. After
all, we can make portraits of students
in return for the reimbursement
of materials.

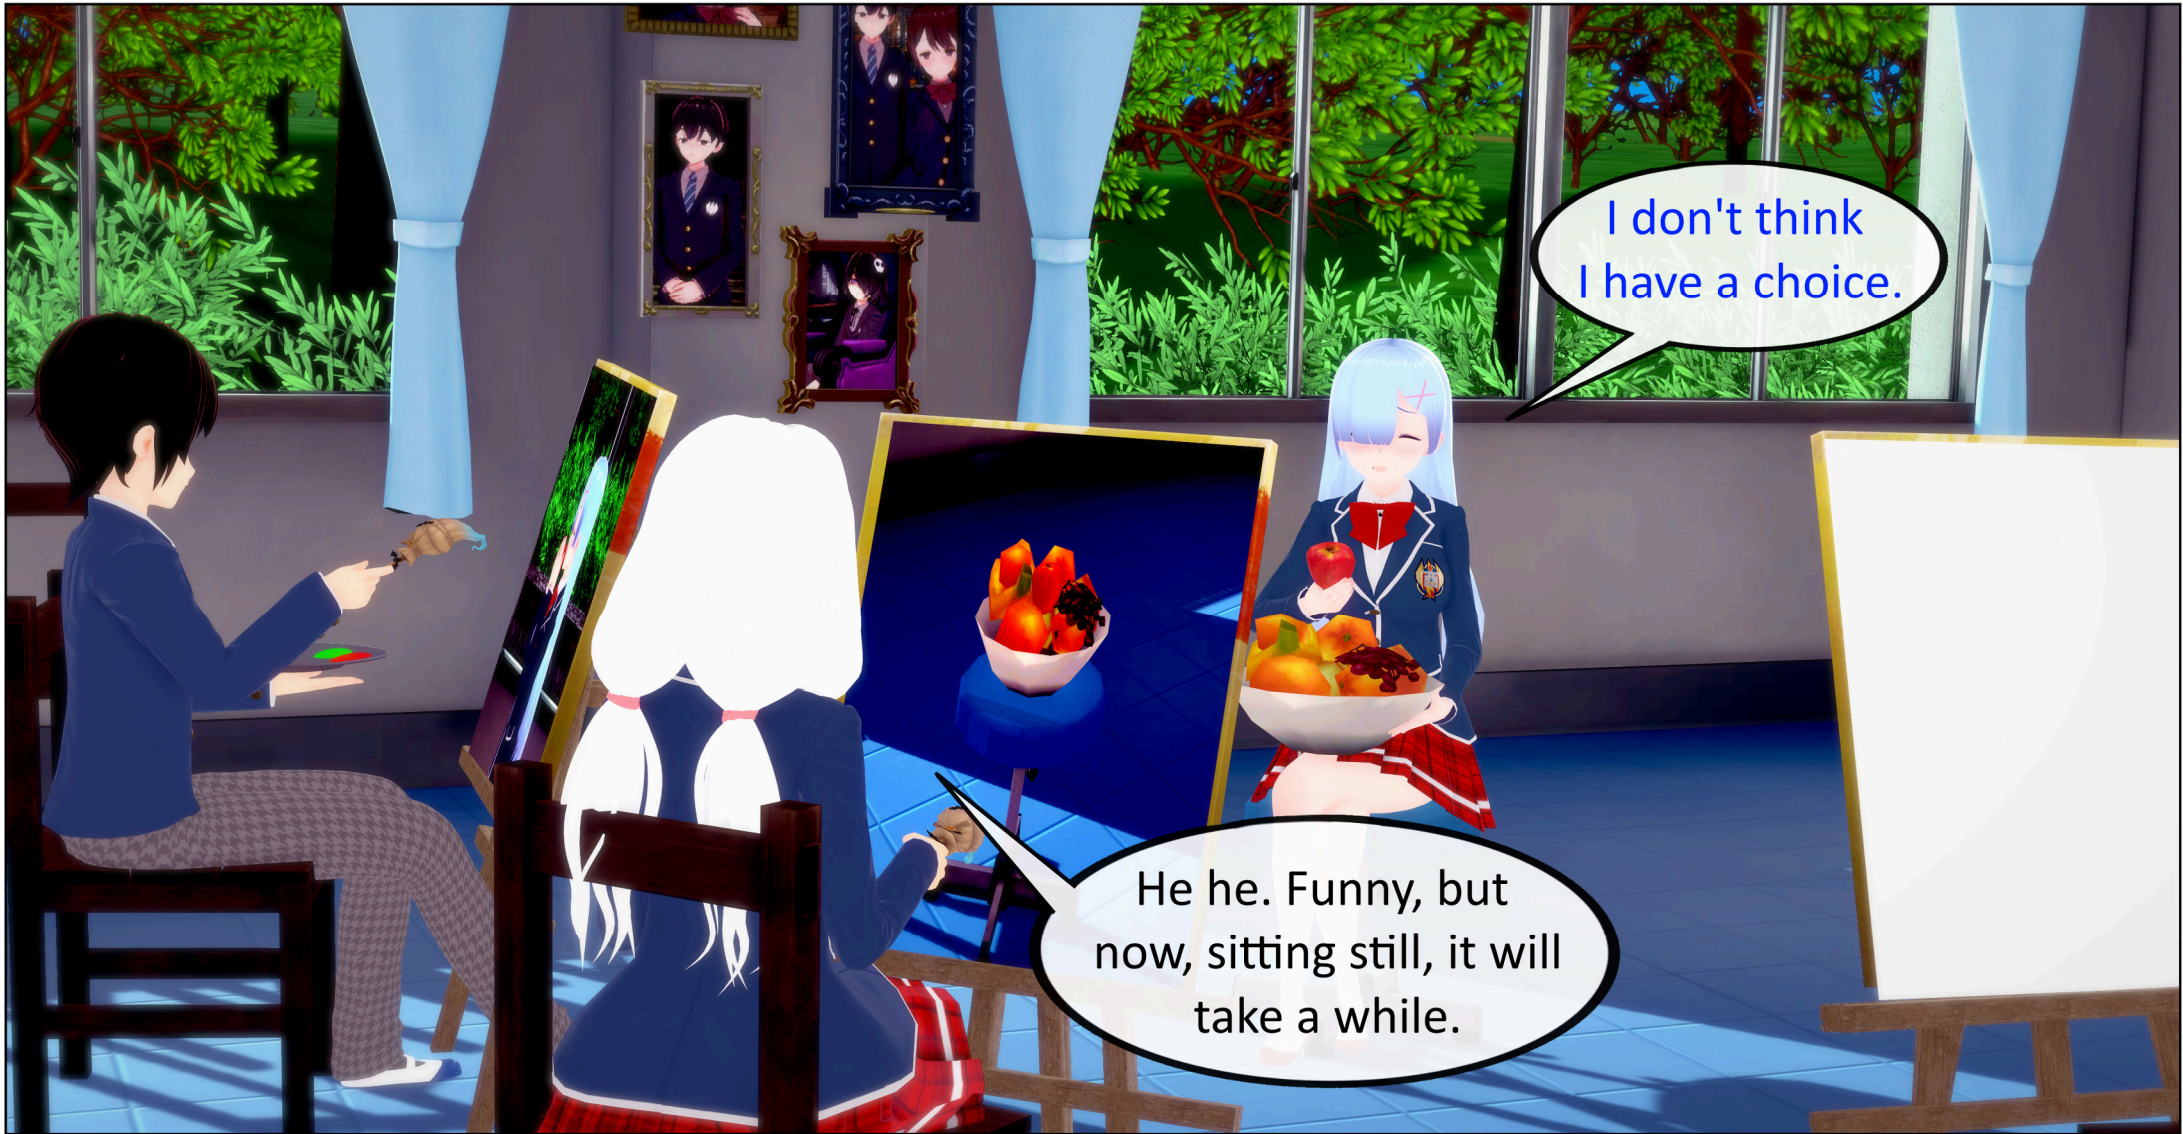

Nice idea,
but what do you
need me for?

You'll be our first customer, hehe.

As for the cost of materials, take it easy. Let's say this time at the expense of the company.

Only if you agree, we will use the pictures of the paintings, in the school magazine to advertise the project.

I don't think I have a choice.

He he. Funny, but now, sitting still, it will take a while.

At the same time in
the gaming club.

Maybe you should
try to persuade him to
come back again?

So as you can see.
Since TK left, our club
is practically a shadow
of what it was.

I tried, but he keeps saying
there is no need to be in this
club anymore.

It's worth at least a try, maybe.

I can take you to him, but I don't know if it'll do any good.

If you think so, I've tried many times with no effect, maybe you'll be more fortunate.

Strange until now,
Mayumi-chan did her best
to close our club.

Did she suddenly
change her mind
or what?

On the roof of the school ...

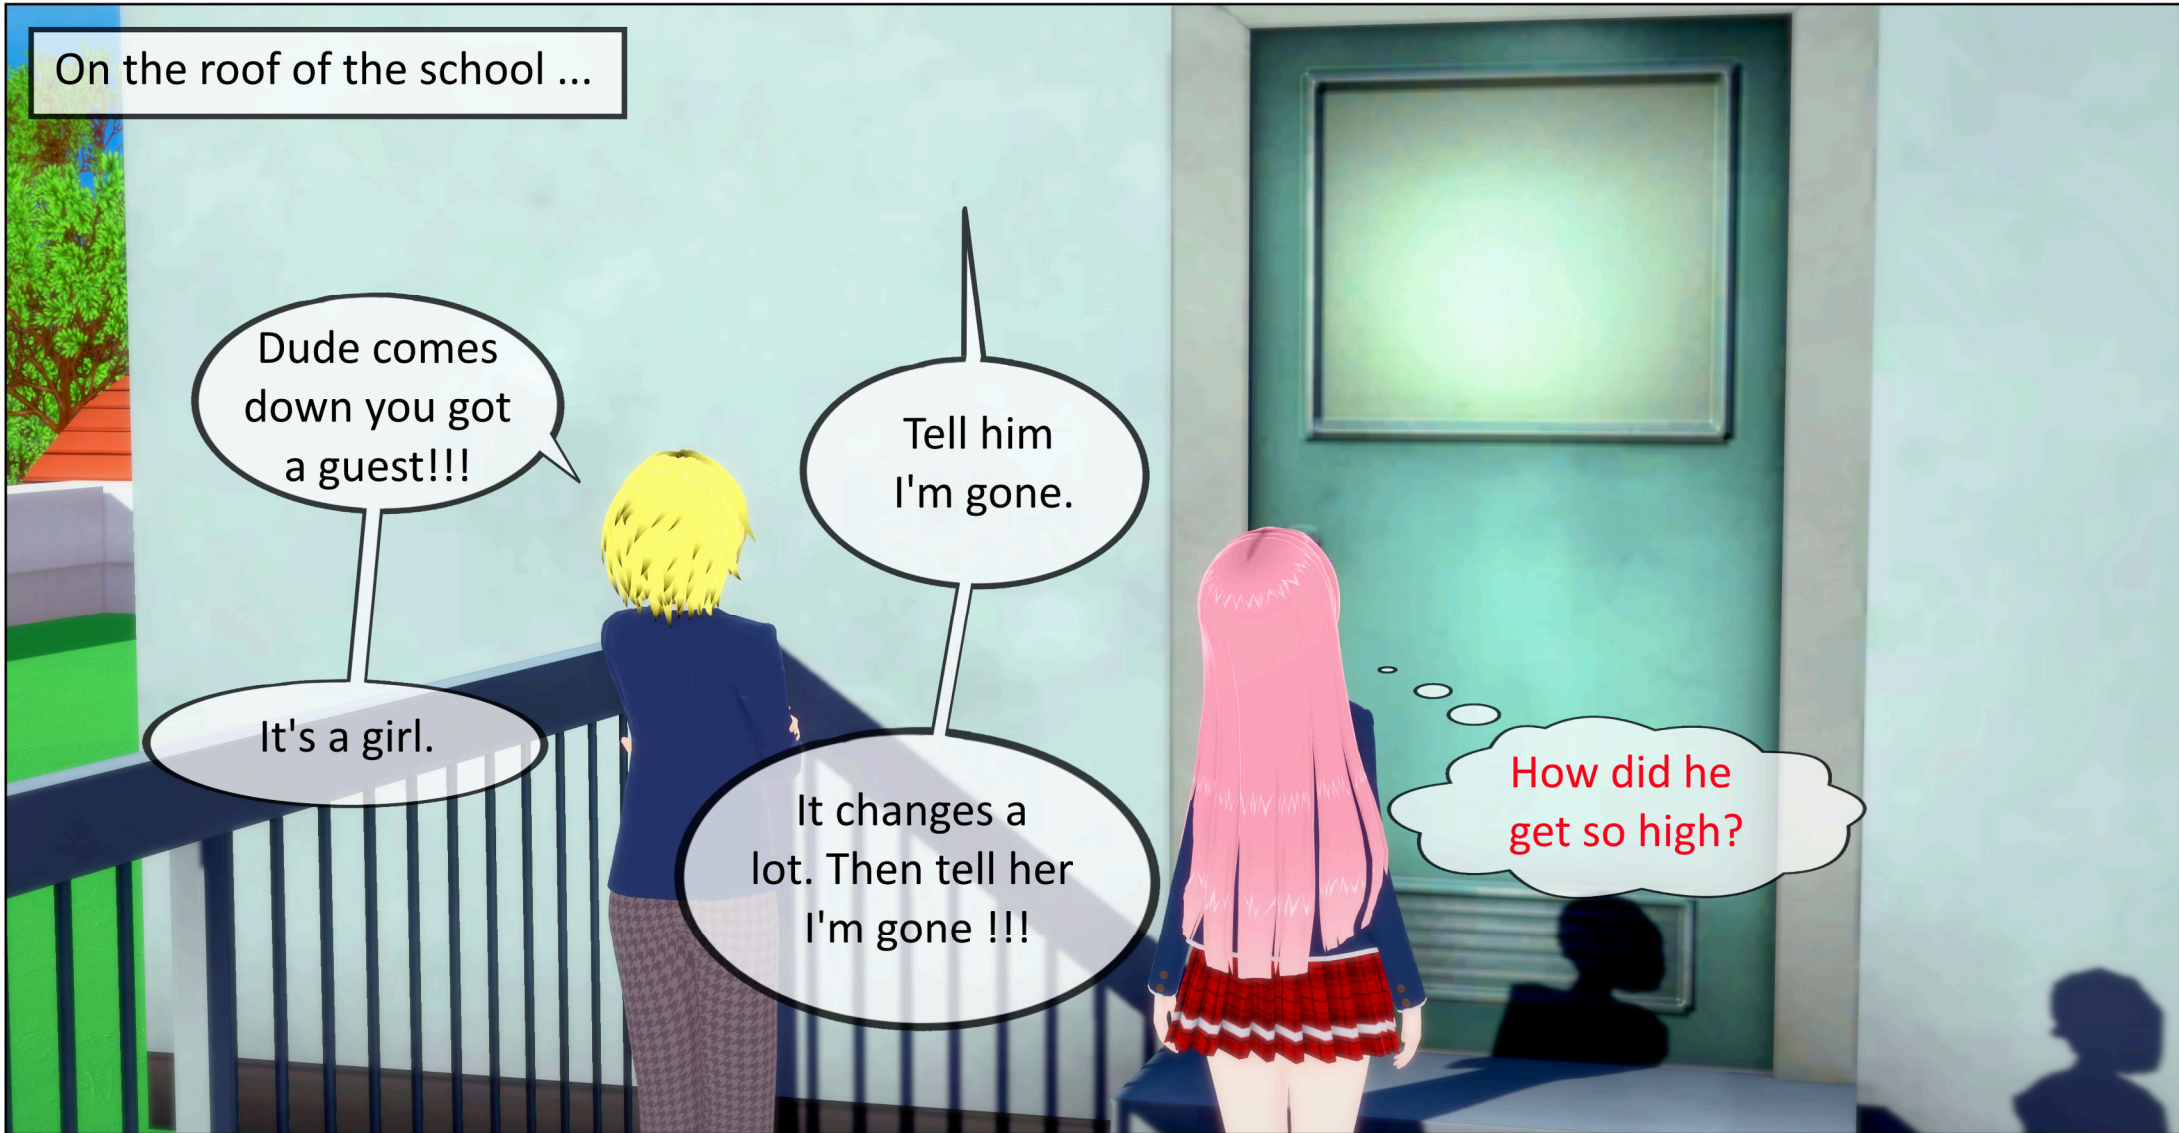

Dude comes
down you got
a guest!!!

It's a girl.

Tell him
I'm gone.

It changes a
lot. Then tell her
I'm gone !!!

How did he
get so high?

I'm from the school council, I wanted to talk to you for a while.

Would you please come down?

I wanted to talk to you, get you back to the game club.

Because without you they are in danger of liquidation, they need you.

What does the school council want from me?

Why should I do this?

What is going on? Until now, Mayumi-chan has been doing her best to shut down the game club, and now she's sending someone to save him?

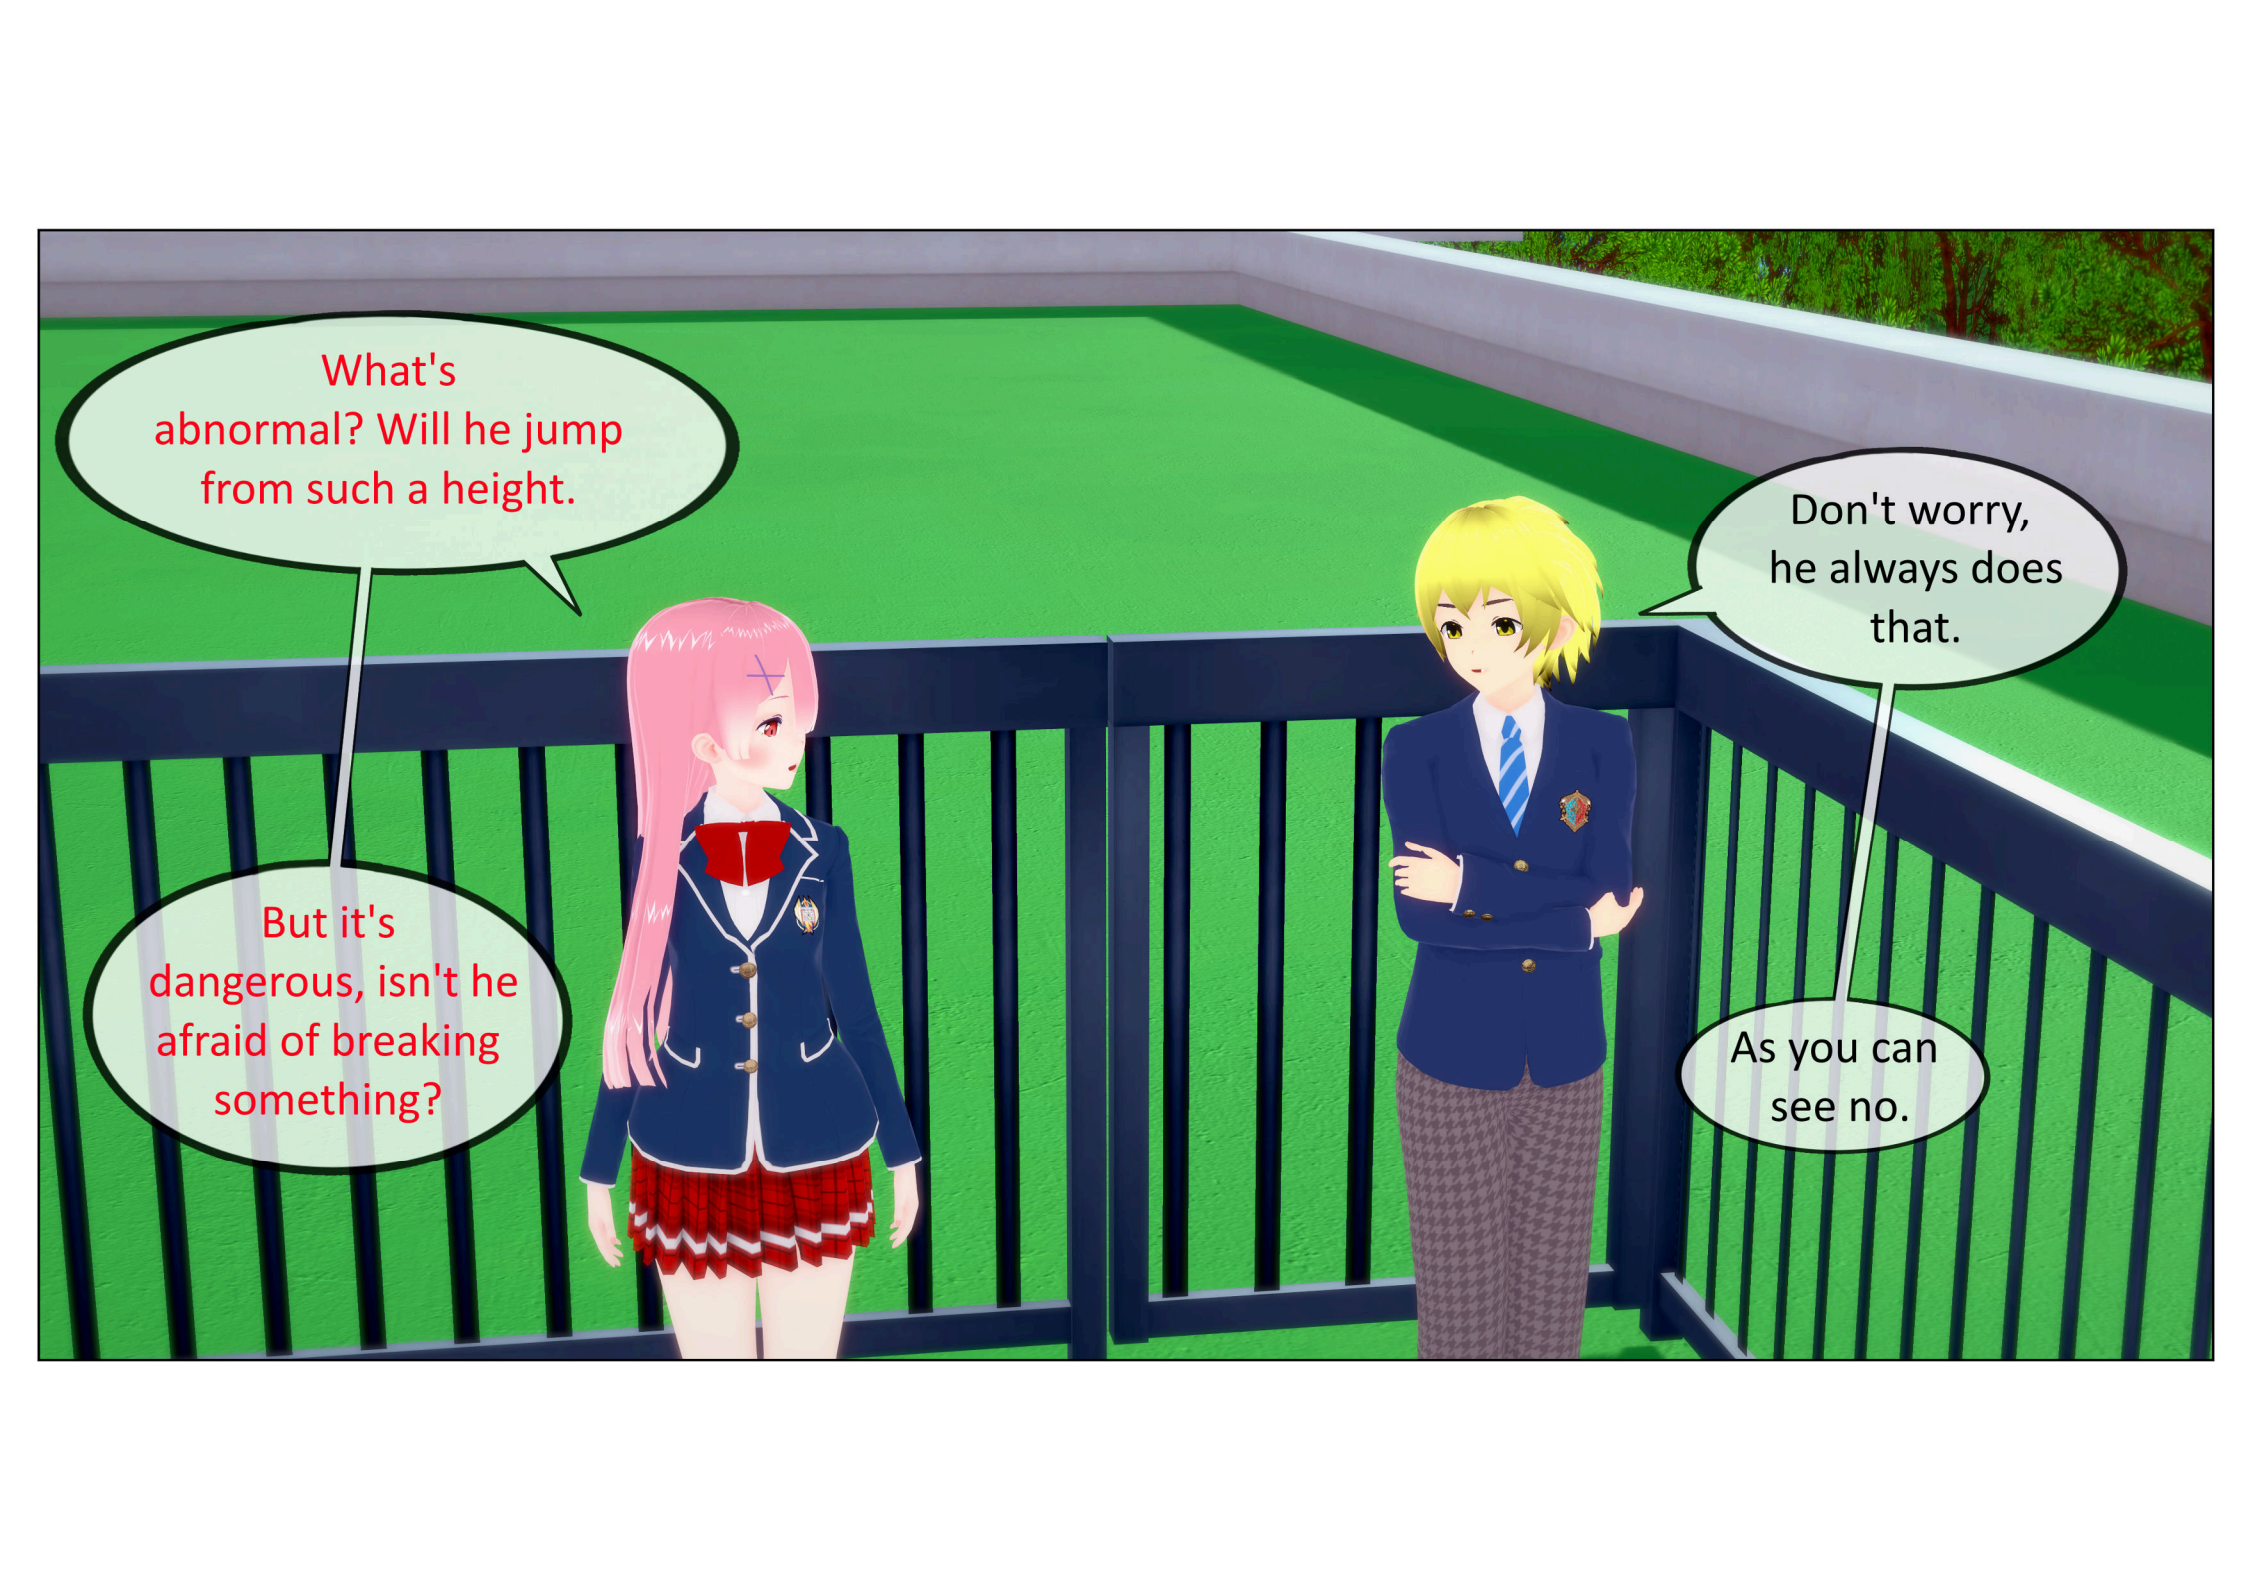

Is this some kind of trick?

I do not know. But I have to do something with this girl, because she will follow me until I agree.

Stand back,
I'm going down.

I'll get rid of her in
a moment. I'm not so naive
as to be so easily fooled.

What's abnormal? Will he jump from such a height.

But it's dangerous, isn't he afraid of breaking something?

Don't worry, he always does that.

As you can see no.

Tall. He is much taller even than me in male form.

Thanks for your concern, but such a jump is really no big deal.

So you want me back to the gaming club, okay.

We'll play a game if you win, I'll do what you want, but if I win, you go on a date with me and pay for everything.

I agree.

Stupid girl,
TK is the best player
around. phew

Hehe. Well. So let's
go and get it over with.

Moments later at
the gaming club ...

Wait, what if
that was her plan?

Maybe she knew from
the beginning that she would
not win and what would I
want when I win?

Hmmmm ... So an easy victory
is getting ready, because then she
would prefer to lose.

But why would she want to date me? With a regular guy like me, has she lost a bet?

Because I can't believe she really wants to save the game club. This viper Mayumi-chan wants to get rid of us from the very beginning.

But for now I will beat the girl quickly, she will probably lose on purpose anyway.

I was also a little surprised that she has played Elsword. She probably created an account yesterday and bought some items.

Yes, accept it and let's get started.

Is that an invitation from you?

Do you know that if you lose you will fall in the ranking?

I know, that's why I'm not going to lose.

During the game...

This girl is a monster,
I can barely avoid her
attacks.

She's doing her best
to beat me, but if she wins it will
save the game club in theory?

But it does not
make sense. Unless
she really wants to
save him.

I think I just found
a reason to stay at
this club.

I wish I could do
it again sometime.

You won

Moment later...

As agreed, I am going back to the club.

At the end, I could only ask you, what is your name because you haven't introduced yourself?

Aaaaaaaa, great because I really didn't want them to shut down this club. I like him.

In fact, I forgot.

Who didn't turn off the lamp again?

I am Ram.

After Ram came out ...

Probably yes. But tell me what it was in the end, you let her win.

Okay.

I wonder if she will visit us again soon?

Don't tell her that, okay.

A few days later...

What?!!!!

But how?

This is not a joke?
Should I praise my
rivals?

What you hear.
They did it .

I don't know, but the
principal told you to
praise them.

This is not the
end of bad news.

What else?

Why am I not surprised?

What about Yuma-kun?

It seems Kaguya-chan liked Rem, and TK became friends with Ram.

And your prince. When he found out about Ram, he almost boiled with rage.

What we gonna do now?

I hope he doesn't do anything stupid.

I don't know, as long as these two keep an eye on them, we have to be careful.

It's just impossible, what I won't do, nothing works. Is some angel guarding them or what?

?????????

sneeze

Thank you.

Bless you.

And what decision?

Ummm ... I was hoping for a little more but still good, Thanks Ara-chan.

I know, I'll apologize later, thanks again.

You have a permit but a maximum 5 years.

Do you know that when your sister comes back, she'll be mad at you for it?

After the last lesson ...

Hey !!! Stop!

It's true, you
are cheating on me with
someone else!

I already told you, I'm
not your wife or girlfriend or
whatever you can think of.

And stop
following me !!!

So it's true !!!

How will you
explain this to our
children one day?

You leave me
no choice.

I told you
get off me.

I do not have children,
and even if I had, it wouldn't
be with you.

What are you going to do?

What are you saying, you are totally crazy.

What is necessary, you will thank me for it one day.

What? but I was just talking to my w ... umm, I mean girlfriend.

Maybe you will try your hand at someone equal to you?

I believe you.

Believe?

And now you have to believe me.

Yes.

Hee...?

I believe.

Hee....?

You have to believe me.
That if you get close to her again,
I won't be as nice as I am now.

So? What
decision?

That's good because
I don't want to get my
hands dirty.

That should be enough for him.

How do you feel he did something to you?

Hey, can you hear me?

Some time later in the
school monitoring room

Sorry, I had
to show you
this.

So this is the
real you?

You don't have to
apologize, I'm grateful to you
for showing me this.

And to you... I will
not forgive this....
Darling...

To be continued...

Thanks for reading.
