To be or to have **9**
by Ron512 and Kami1 **EN**

One week later...

Maybe
it's too early to go
back to school?

Yes, but how does
something happen?
Maybe I should wait
a little longer.

You remember
what the doctor said. That
you will recover faster by
doing what you always
do.

You don't have
to worry, I'm here
with you.

Do you really believe that I can handle it?

Even though I hardly remember anything?

Why are you so sure about this?

Of course.

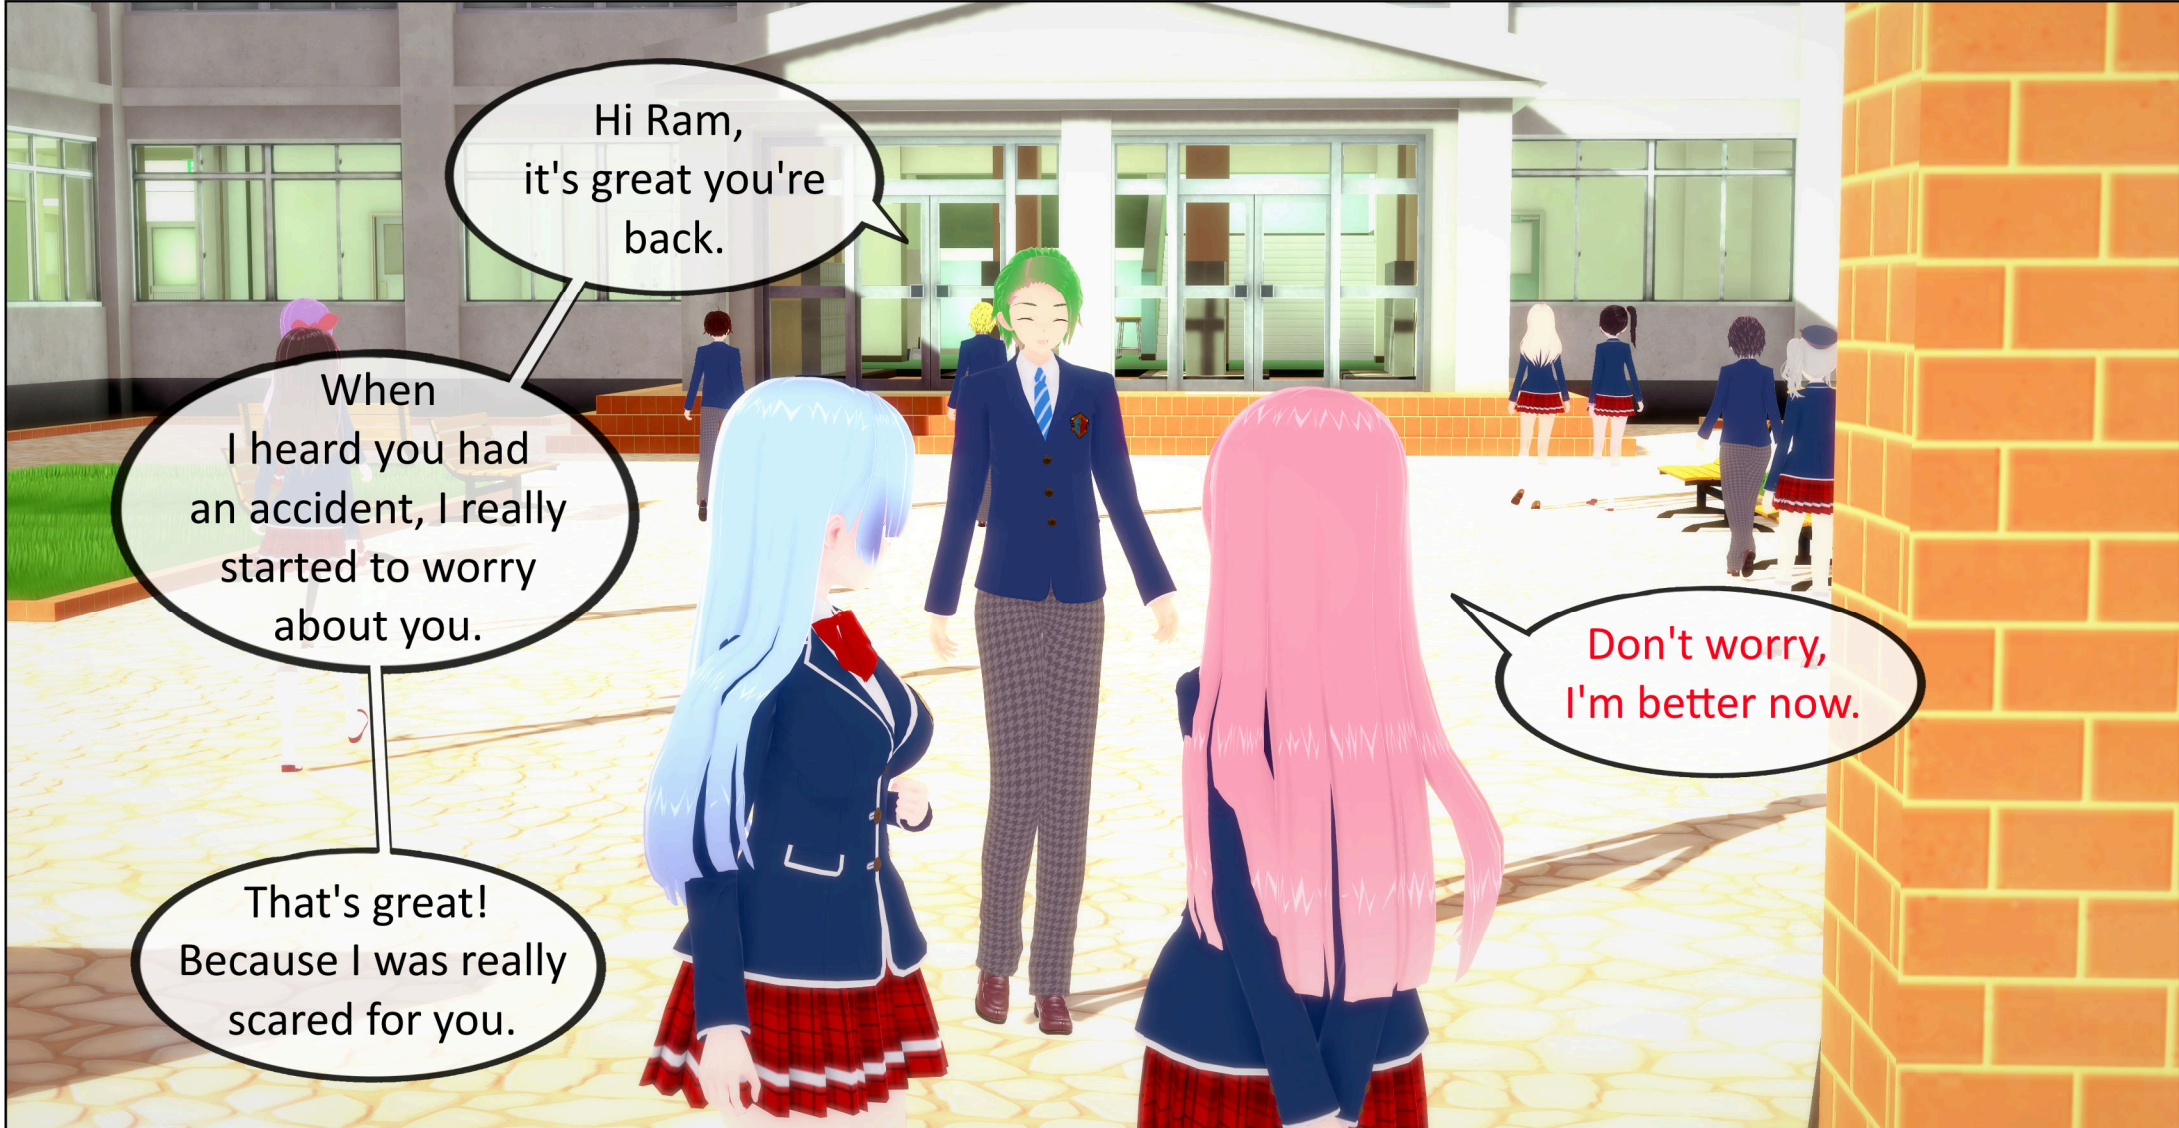

Because I am your
Imouto and I will always
believe in you.

You are right
somehow it will be!

Right, even
though I won't be asked,
it's better not to upset
the teachers.

Exactly, but let's go
because we're going to
be late for class.

Hi Ram,
it's great you're
back.

When
I heard you had
an accident, I really
started to worry
about you.

That's great!
Because I was really
scared for you.

Don't worry,
I'm better now.

But if you feel worse, tell me right now.

Relax, I'm really better now.

Even so, you should be careful now.

You sound exactly like my mom

Because I'm worried about you.

I know you are my
boyfriend and you are
worried about me.

But you do
not have to.

You know, I'm a
big girl, I self tie my own
shoes. Although I'm glad
you think about me.

I guess it's worse than I thought.

She started to think I was her boyfriend.

You know
Mayumi-chan, I had a
very strange dream
lately.

But
promise me you
won't laugh.

I dreamed that
you were dressing
up as a boy.

What did
you dream about?

Is it that
weird? But okay,
I promise.

If I tell you that
I had a similar dream,
would you believe it?

And he has
been ignoring you
for years?

I think
we had the exact
same dream.

What?

Yes, how did
you know?

Do you know what
I think about it?

The image shows two anime-style girls in school uniforms walking on a stone path. The girl on the left has dark hair in pigtails and is wearing a blue jacket with a red bow and a red plaid skirt. The girl on the right has long blonde hair and is wearing a similar uniform. In the background, there are other people in school uniforms, a brick wall, and a grassy area. A speech bubble from the girl on the left says, "Right, you would never dress up as a guy after all." A speech bubble from the girl on the right says, "We are already going to the lesson."

Right, you would never dress up as a guy after all.

We are already going to the lesson.

Later, during
the break ...

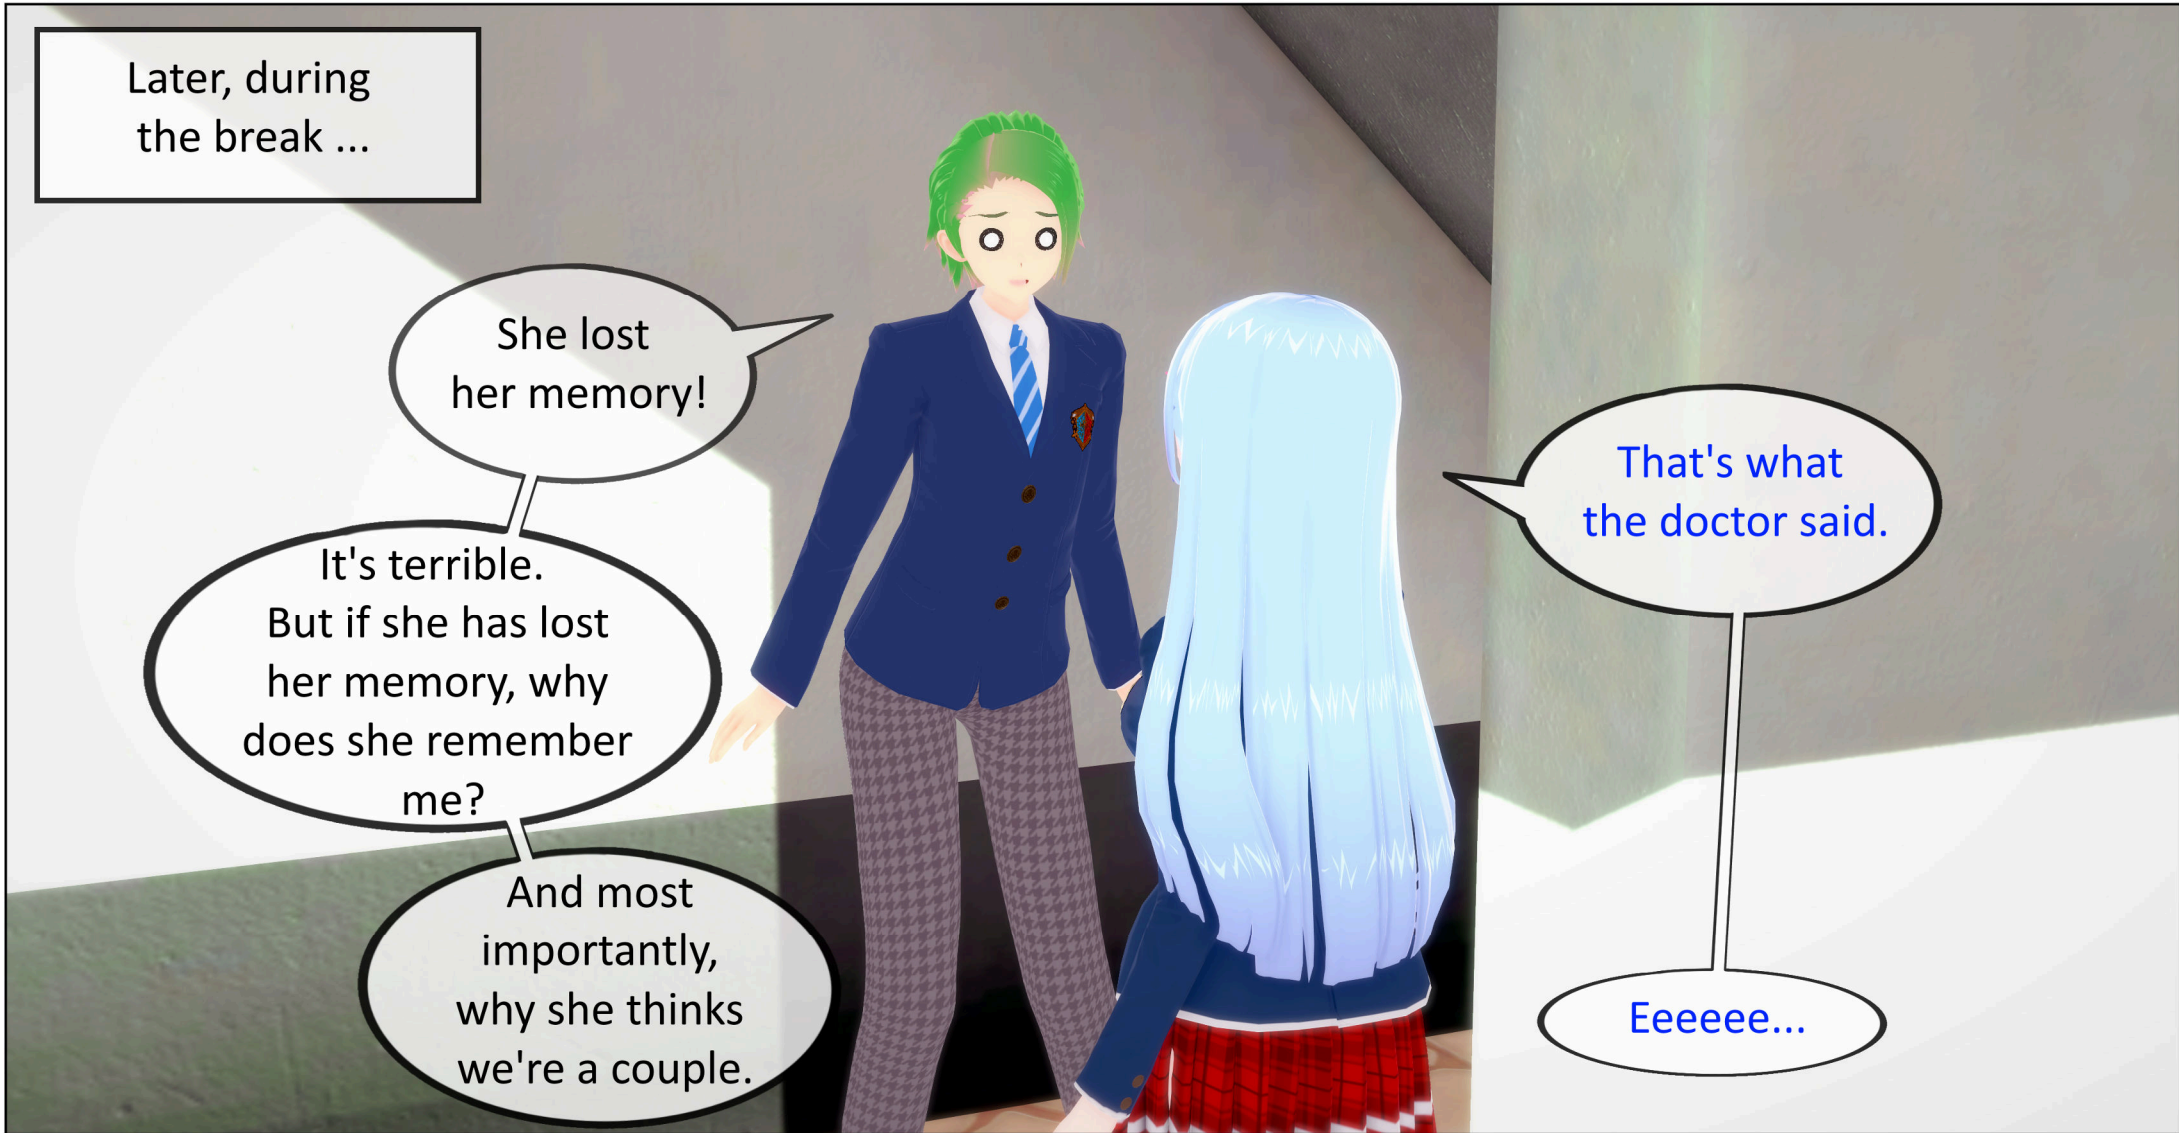

She lost
her memory!

It's terrible.
But if she has lost
her memory, why
does she remember
me?

And most
importantly,
why she thinks
we're a couple.

That's what
the doctor said.

Eeeeeee...

Because I told her about you.

And then I said you were her boyfriend.

I don't know what you were planning, but I'm not going to be part of it.

To tell Ram the truth.

Because I want it to be her choice who will be her boyfriend. And not my use of her disease.

What are you going to do?

Why?

But it wasn't you, you lied to her.

Yes, but
I would feel
guilty anyway.

Well, where is she
now, I'd like to tell her the
truth and apologize.

I was right about him.
He puts onee-san's welfare
above his own.

She said she was
going to the store
to buy something.

She went alone,
she will not get lost
since she remembers
nothing now.

I completely
forgot about it.

I just hope
we can find her before
something happens.

I shouldn't
have left her
alone.

I will not forgive
myself if something
happens to her!

A moment later...

Wait, it's
her!

You there,
leave her
alone !!!

Where can she be?
We've been looking
almost everywhere.

Fortunately,
but who is this boy?

Strange,
this boy looks
familiar.

If this guy
did something
to her, I'm
gonna kill
him.

Who did you expect?

I just showed her where the food vending machine was.

It's you?

I thought you were someone who tried to take advantage of Ram disease.

I understand sorry.

Cool, nothing happened. Actually, I should apologize to you.

Because by mistake I told Ram the whole truth about your relationship.

Why?

So we've never been a couple?

So I'm sorry.

No, we've never been a couple.

But don't be angry with Rem-chan for lying to you.

It's my fault I didn't tell you the truth right away, sorry.

He took all the blame on himself?

I'd rather this than cheat on her.

Hope Onee-san doesn't hit him too hard.

Your friend told
me how you protected
me then.

How much
time do we spend
together.

I don't
understand
any of this.

But that
doesn't mean
anything yet.

Rem-chan told me.

That when I was in the hospital, you called several times every day.

And once you even wanted to visit me.

I was just passing that way.

Who are you trying to lie to?

You were worrying about me all this time, even you said it yourself.

It seems to me that our relationship is more than just friendship.

We are friends after all.

You're not talking about love.

About what?

But take
your time.

Think about it all and decide
if you too decided to accept
our relationship.

Do not even try. My answer is no.

I've already done it.

You know Rem. Maybe since TK and Ram are a couple now, maybe we too ...

Maybe you should still think about it?

And what decision?

Still
no.

I can't tell
him I already
have someone.

And I had
hope.

A moment later...

I'm so glad your relationship has finally grown.

But one thing amazes me why you did it.

You knew I was lying, and you weren't a couple.

The image shows two anime-style girls standing on a walkway. The girl on the left has long, light blue hair and is wearing a dark blue school jacket with a red bow and a red plaid skirt. The girl on the right has long, pink hair and is wearing the same school uniform. They are both looking towards each other. The background shows a modern building with large windows and a paved walkway.

Besides,
I thought you didn't
remember anything, so
you should just
get upset?

Because I
don't remember
anything.

But for some reason
I want to be with him,
I don't know why.

Stupid right?
Confess love to someone
for such a reason.

In the evening
in Rem's room.

Congratulations
Ram-chan.

You finally
made up your
mind to accept
your feelings.

Why?

Thanks.

Honestly, I had mixed feelings when Rem-chan told me about you.

You know, it's a little strange that an angel visits us from time to time.

Sure, Remi-chan
go ahead and ask.

Sure

Can I ask
you something?

But promise
you won't be
offended, okay?

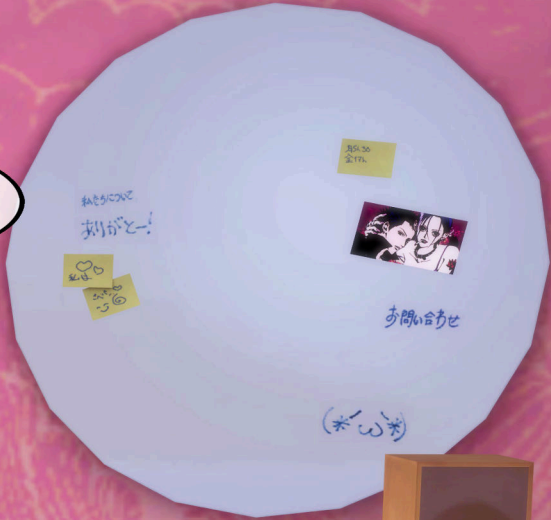

You're one of those weaker angels, aren't you?

I mean, every now and then you say that you can't do something.

Hee?

I'm not weak!

I'm telling you I'm not weak and I'll prove it.

I'm sorry for offending you. But take it easy, you don't have to be ashamed of being weak.

You really don't have to, I believe you, hehe.

No. Did I really ask for this?

I'm not leaving it at that.

Rami-chan, you asked me to enlarge your breasts before, remember?

Yes, but I said I couldn't do it.

Really?

Of course I want.

Although when I think about it now, I can make you have bigger breasts for one night

Yes. Provided you want, of course.

Should I close my eyes?

But it won't hurt?

There's no need.

No worries. I would never hurt you.

There is something I don't understand.

Why couldn't you do it before and now you can?

I can't still, but there is a trick to get around it.

I'm just going to make a temporary exchange with Ram-chan.

Swap?

Yes, but only for a while.

That's all?

I don't feel
any difference

Now my
favorite part.

Heartbeat

Heartbeat

See Rem-chan,
I'm not weak.

I can see, but actually
I just wanted to argue with
you for a moment.

You know, a
little quarrel between
friends.

I didn't know this
was your tender point,
sorry for offending
you.

As usual,
I was too
worried.

Ups..

Sorry, Rami-chan,
I'll take it back soon.

Amazing they are so big now.

It's at least a c cup

Plus they are so springy and heavy now.

I guess you don't have to rush to undo it.

What is this spell anyway?

I understand. But don't you feel sorry for the fact that you have small breasts now?

I see.

Exchange. Lists physical characteristics between two people.

No, because the spell only lasts an hour and then everything returns to normal.

Unbelievable!

They are almost as big as Rem-chan's breasts.

Hey! Remember
it's mine!

I should have
thought about it
beforehand.

Ara ara.

What would
you say for a
full swap.

Heee?

Never in
my life.

No.

Why not?
I promise it will
be fun.

5 minutes later...

Don't worry,
everyone has a
weak point.

I am a powerful angel.
I have defeated many
demons, even a few
dragons.

But with those
puppy eyes I didn't
stand a chance.

Great, but there is one more thing left to replace.

Take off your clothes.

A moment later...

Don't worry,
nothing happened.

Besides, it
was even fun.

I'm sorry for the
swap game, I got a little
carried away.

So you're not
mad at me?

Of course I'm not mad at you.

I liked you girls too much to be angry with you for a long time.

Of course, you are my friends after all.

You really liked us.

Strange, I remember that Naomi made a wish for us once.

But I can't remember what we wished for.

To be continued...
