Day 3: 166cm 5'5"  
Day 5: 189cm 6'2"  
Day 7: 211cm 6'11"  
Day 8: 224cm 7'4"  
Day 9: 243cm 8'  
Day 10: 265cm 8'8"

Another day for our lovely protagonist...

...and a new day always brings along new things...

... a new size for example

Oh wow...

The furniture is really small now...

Tonight must have been a big spurt then,  
even the underwear is so tight!

To think that I was once able to sit at this desk...

...I can even step right over it now

I must have also grown enough to fit into the new clothes then

Hehe, new clothes ~ new clothes

~ I wonder how Yamada is going to react

Another day back in school

He's been awfully quiet  
ever since Lisa yeeted him  
across the room...

...

...

He is almost like a  
different person

I wonder what  
he is thinking? ♡

Lisa is definitely going to be taller again today - wanna bet?!

Heh, why would I bet against that?  
Just look at the past few days

Fair enough

Oh god - no...

Damn, my legs don't really fit  
at these desks anymore, Ella

Hehe, grow, catch Lisa!

As if...

What the-

Good morning Zoey!

...g-...

g-good morning  
legs- uh no, Lisa...

Surely you can't be that far apart

You think so?

You look both giant  
to me anyway

Are you saying you can't tell  
the difference from your POV?

Hm talking about me? Let's intrude a little then

I don't know but she can't be much taller?

Yeah maybe...

As I was sayin-

WOW...

THIGHS!

*I'm sorry, "tall" girl coming through!*

You were saying?

nevermind  
actually...

THUD

Good morning Amelia

On the ot-

morning...

Good morning Nirra

Hey Lisa, I see you are taller than ever

Indeed she is

So you girls need my help?

Yeah we want to play later again

They are extremely cocky so we still have one more chance since not all of us were there yesterday

But first, you might want to wake up your boyfriend

Yeah, I see... one sec.

Nice panties by the way

Oh my, Lisa. Don't tell me...

Nope, nope, I can't hear you

hmm?

Someone is causing a ruckus, I guess that can only mean one thing ;)

GROW

Good morning Li-

Grow

Oh my god, you are absolutely stunning!

No! I'm- wait what?!

Lisa? Are you alright?  
You are blushing

Ah-eh, oh yeah

Is there something on your mind?  
You can always tell me, no problem

pfffftt...

Ah, it's nothing... I'm just really happy right now

I hope Amelia didn't see it

A scene from a game showing a girl in a purple dress asking a boy in a blue school uniform about a dream. The boy is sitting at a desk, looking slightly nervous. The girl is leaning in from the left. The background shows a window with a view of trees and a blue sky.

So what were you dreaming  
about sleepy boy?

I wasn't sleeping, I was just  
thinking about ... things ...

Oh, what kind of things?

..tall and wild things

As tall and wild as me?

No uh- you are better than anything I could imagine

Did you hear that? Just get a room already you wet giant

AMELIAAAAA!

Hey don't blame me, blame the raincloud that flew over me ;)

NOOOOO

~pfft haha

SNACK!

**\*clank\***

**\*clunk\***

WOW

Ouch!

That could have  
been our bed

What force...

Today's casualty: 1 Desk-kun

Oh dear...

A few hours later...

Come on, cheer up

Don't worry, we'll do this. I'm here after all

I know - but...

I mean come on Nirra...

Just look at me

There is no way we can loose this

Heh, I guess you are right

Lisa?!?

Heyho!

Nirra looks like a toddler next to her and she is a rather tall girl already, taller than me. Wait...! Is Lisa taller than the building?!

I could have sworn you were a lot shorter on Saturday

What can I say, It's been 4 days since we first met...

...and I'm a growing girl you know

Heeey! How are you doing?

Are you better now?

Come on, don't just ignore me Lisa

I'm sorry alright...

HMPF

You can be a real  
tsundere sometimes...

A scene from an anime-style game showing two young women in swimsuits sitting under a dark blue beach umbrella. The woman on the left has brown hair and eyes, looking surprised. The woman on the right has light purple hair and eyes, looking calm. The background is a bright blue sky and ocean.

Did something happen  
between you two?

Let's talk about something else...

Don't get me wrong, I'm just doing this for Nirra's sake...

Heh, I guess they  
learned their place

...after all their talk yesterday on getting a rematch

Haha, what a shame

Suddenly Nirra started panicking

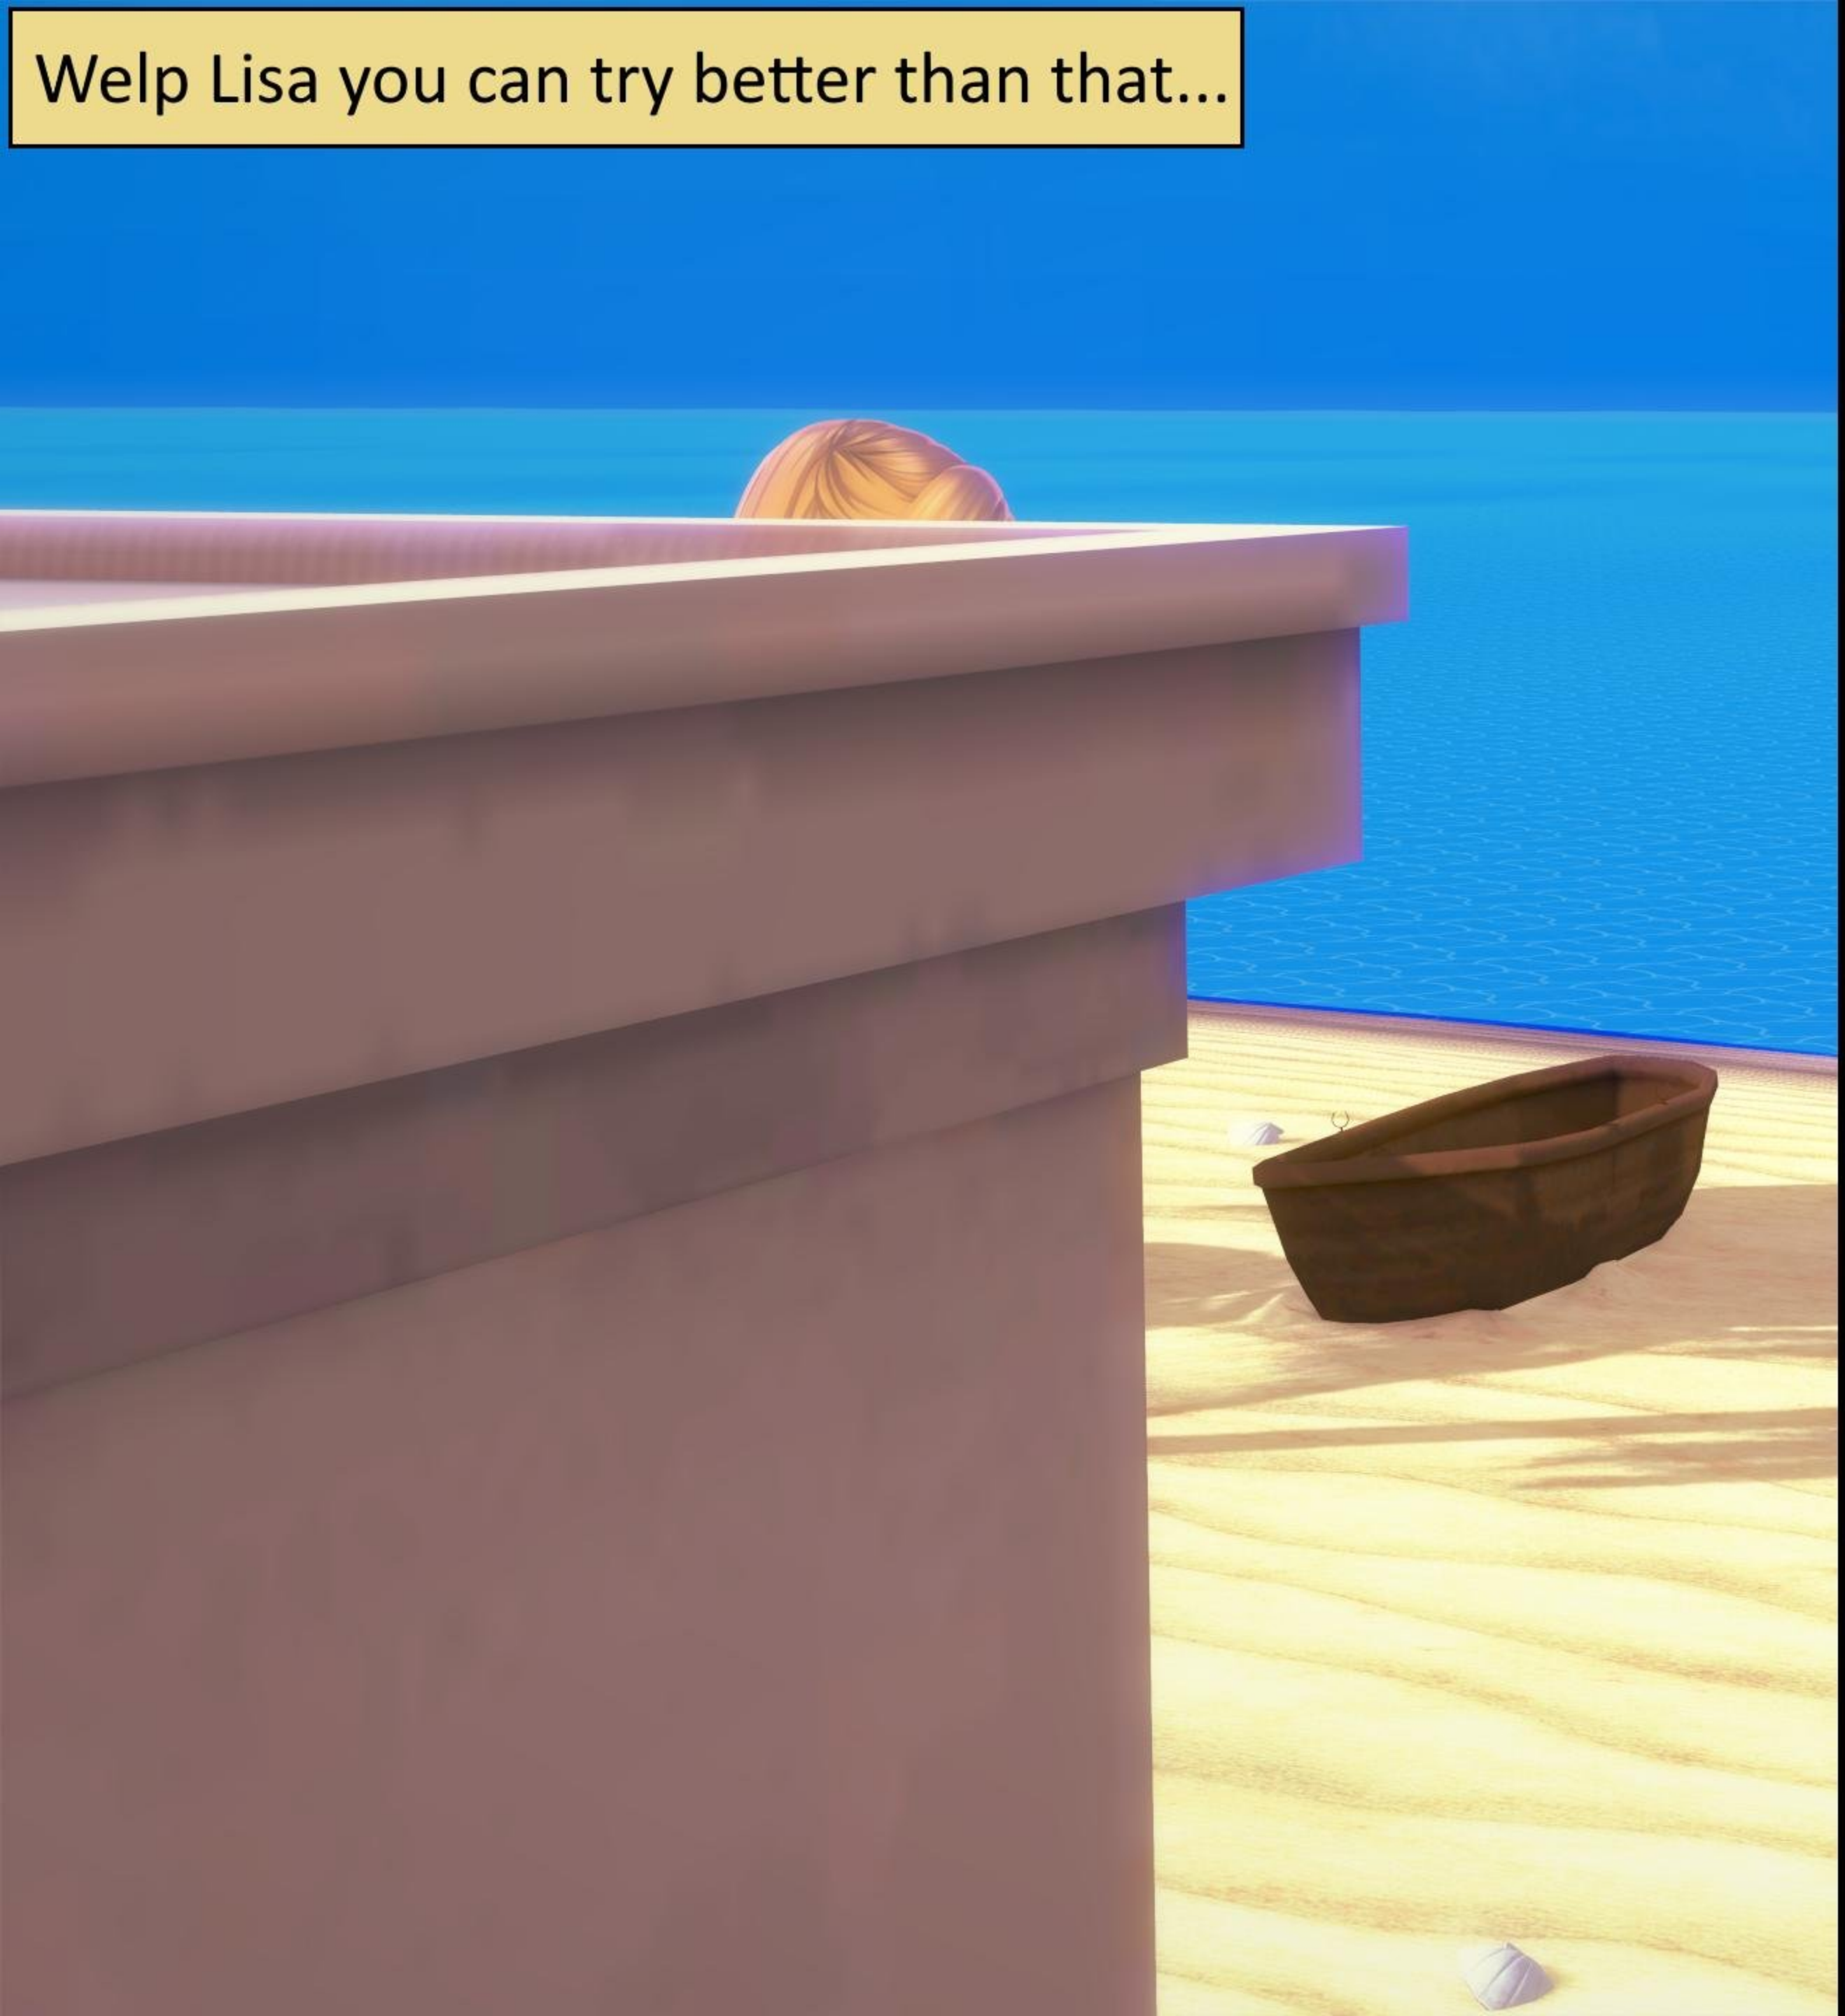

Ah I can hear them! Lisa! Quickly, hide!

Hm? Why?

Just please, trust me!

Welp Lisa you can try better than that...

Why should I hide?  
What is their plan?...

Let's see what they are up to.  
A little sneak peek can't hurt

Girls it reeks again. Must be those losers

Cut the crap and let's have a rematch!

Pfft. Why should we? Just leave!

Not this bullshit again...

We've come to have a rematch with Vici!

You'll never see us again if we loose

An anime-style illustration of two young women in swimsuits. The woman on the left has long, dark brown hair and is wearing a red one-shoulder swimsuit. She has a slight, confident smile. The woman on the right has short, light brown hair and is wearing a blue one-shoulder swimsuit. She has a more serious expression. They are standing outdoors with a building and trees in the background. Two speech bubbles are present: one from the woman in blue and one from the woman in red.

What makes you worms think you have the right to challenge her?

She has better things to do than to breath in your stench!

Oh so she isn't here? Let's change up the conditions then! One of us vs all of you!

PFFFTT!!!! Have you lost your mind?

Heh, we accept if that is what it takes to make you leave faster

I think you might regret those words

U-uhm g-girls? There... ah-

So who is my opponent? All 3?

While all of that is going on, Yamada is running errands for his girlfriend

Hehe, high heels ~, high heels ~

Good afternoon!

Ah, I just want to  
measure them again...

I've come to pick up a pair of shoes for my girlfriend

Sight - Like I just know everyone. Name please?...

Oh yeah, sorry. I'm sure you wouldn't forget a person with legs longer than you though

Wait? What? Lisa?!!  
She has a boyfriend!

I guess so? Hehe

Wait, how do you- ? No, wait... actually nevermind

One second, hng!

Here they are, I've never made heels even remotely close to that size in my life...

Oh my god, the size of these

Stunning, I know right?

Let me show you something

Here, see this? It's absolutely nuts

Maan, seeing this difference makes me so sad. Why did you have to come?

Because of you I can't see her wear them now ahhhh!!!

Uhm... sorry? I guess?

Nono, it's okay, don't mind me

On the bright side, Lisa is growing really fast.  
You see, she is always in need of new stuff...

o.o

So yeah... I think you might see  
her soon again, don't worry

That's wonderful news! So I get to see even bigger fee-, make larger shoes!

I'll even make them then and there for free if she picks them up herself

Wait for real?

Yep, I'm serious

Well anyway, I'll package them up and-

-and I-, I....

... I think I need a moving box instead

WOW

...

Uhm...girls?  
Any strategies?

Honestly, I'm clueless

Come on, let's play for real already!

Don't think you've won already you overgrown b\*

I'll be right back  
pft\* says the 2m hoe  
GO LISA!

To the girls discomfort, Lisa blocked absolutely everything

And no matter what they tried...

She continued to block it ...

Keep it up!

She isn't even trying

...in one way or another

Hehe, boob block!

What the \*\*\*\*\*!!!

Come on, can't you even get the ball past my boobs?

I just want to eat dinner already!

Let's cuddle!

Phew, finally! This box is just way to big and inconvenient

**DING DONG**

Ooh, that must be Yamada  
with the heels! Finally!

Hehe, I can't wait to try them on!

Come on in honey,  
how are you doing?

Hello there, beautiful!  
I'm sorry it took so long

Your stuff was tough to carry

My stuff? Is it what I think it is?

Are my high heels in there?

Yes indeed

Holy badonkas! I can feel her on all sides

Let's open them then!

I think thi-

**WOW LISA!**

I think you are taller than me while kneeling!!!

Oh yeah, that could be! I was over 2.7 meters tall when measured earlier. (8'10")

...but who cares about some little growth, let's widen the gap with these new shoes!

...little growth?

Oh my, they are beautiful!

They used to look so big in my hands

Come on, let's go outside. The ceiling is already too low without any high heels

They are a bit big, but nothing I can't grow into. So what do you think?

Where do I even begin? I think I am the luckiest person alive right now for going out with the most attractive person in the whole wide universe and I can't even begin to describe how I feel right now

Awww, you are so sweet

So where do you want to go?

Somewhere else...

Tanya! Great timing, try out the new custom sized furniture ;)

I think I'll pass...

You look down, what is bothering you?

You see... Nirra was again at the beach...

...and I know we are all really tall now...

Aaand - you showed that traitor her place, right?

Not quite - you see, she brought this friend...

...and this friend - she was around your height, if not taller and I swear... she grew right in front of me

**WHAT!?!**

shatter

Are you sure?

Yeah, 100%! The other two say they didn't see it, though.

Oh no - young mistress  
weird obsession kicks in  
again

Alright, alright...

...leave me alone you two.  
There is something I  
need to do now real quick

Just give me a break ahh!

We'll go bankrupt like this

Mhm, good morning

A close-up illustration of a young woman with long, flowing blonde hair and large, expressive green eyes. She has a surprised or questioning expression on her face, with her mouth slightly open. Her hands are visible near her face, as if she is touching her hair or looking at something off-camera. The background is a warm, reddish-brown color.

Morning? It's still night time.

There are still some things we wanted to do

Hm wait, wha- when did we get home?

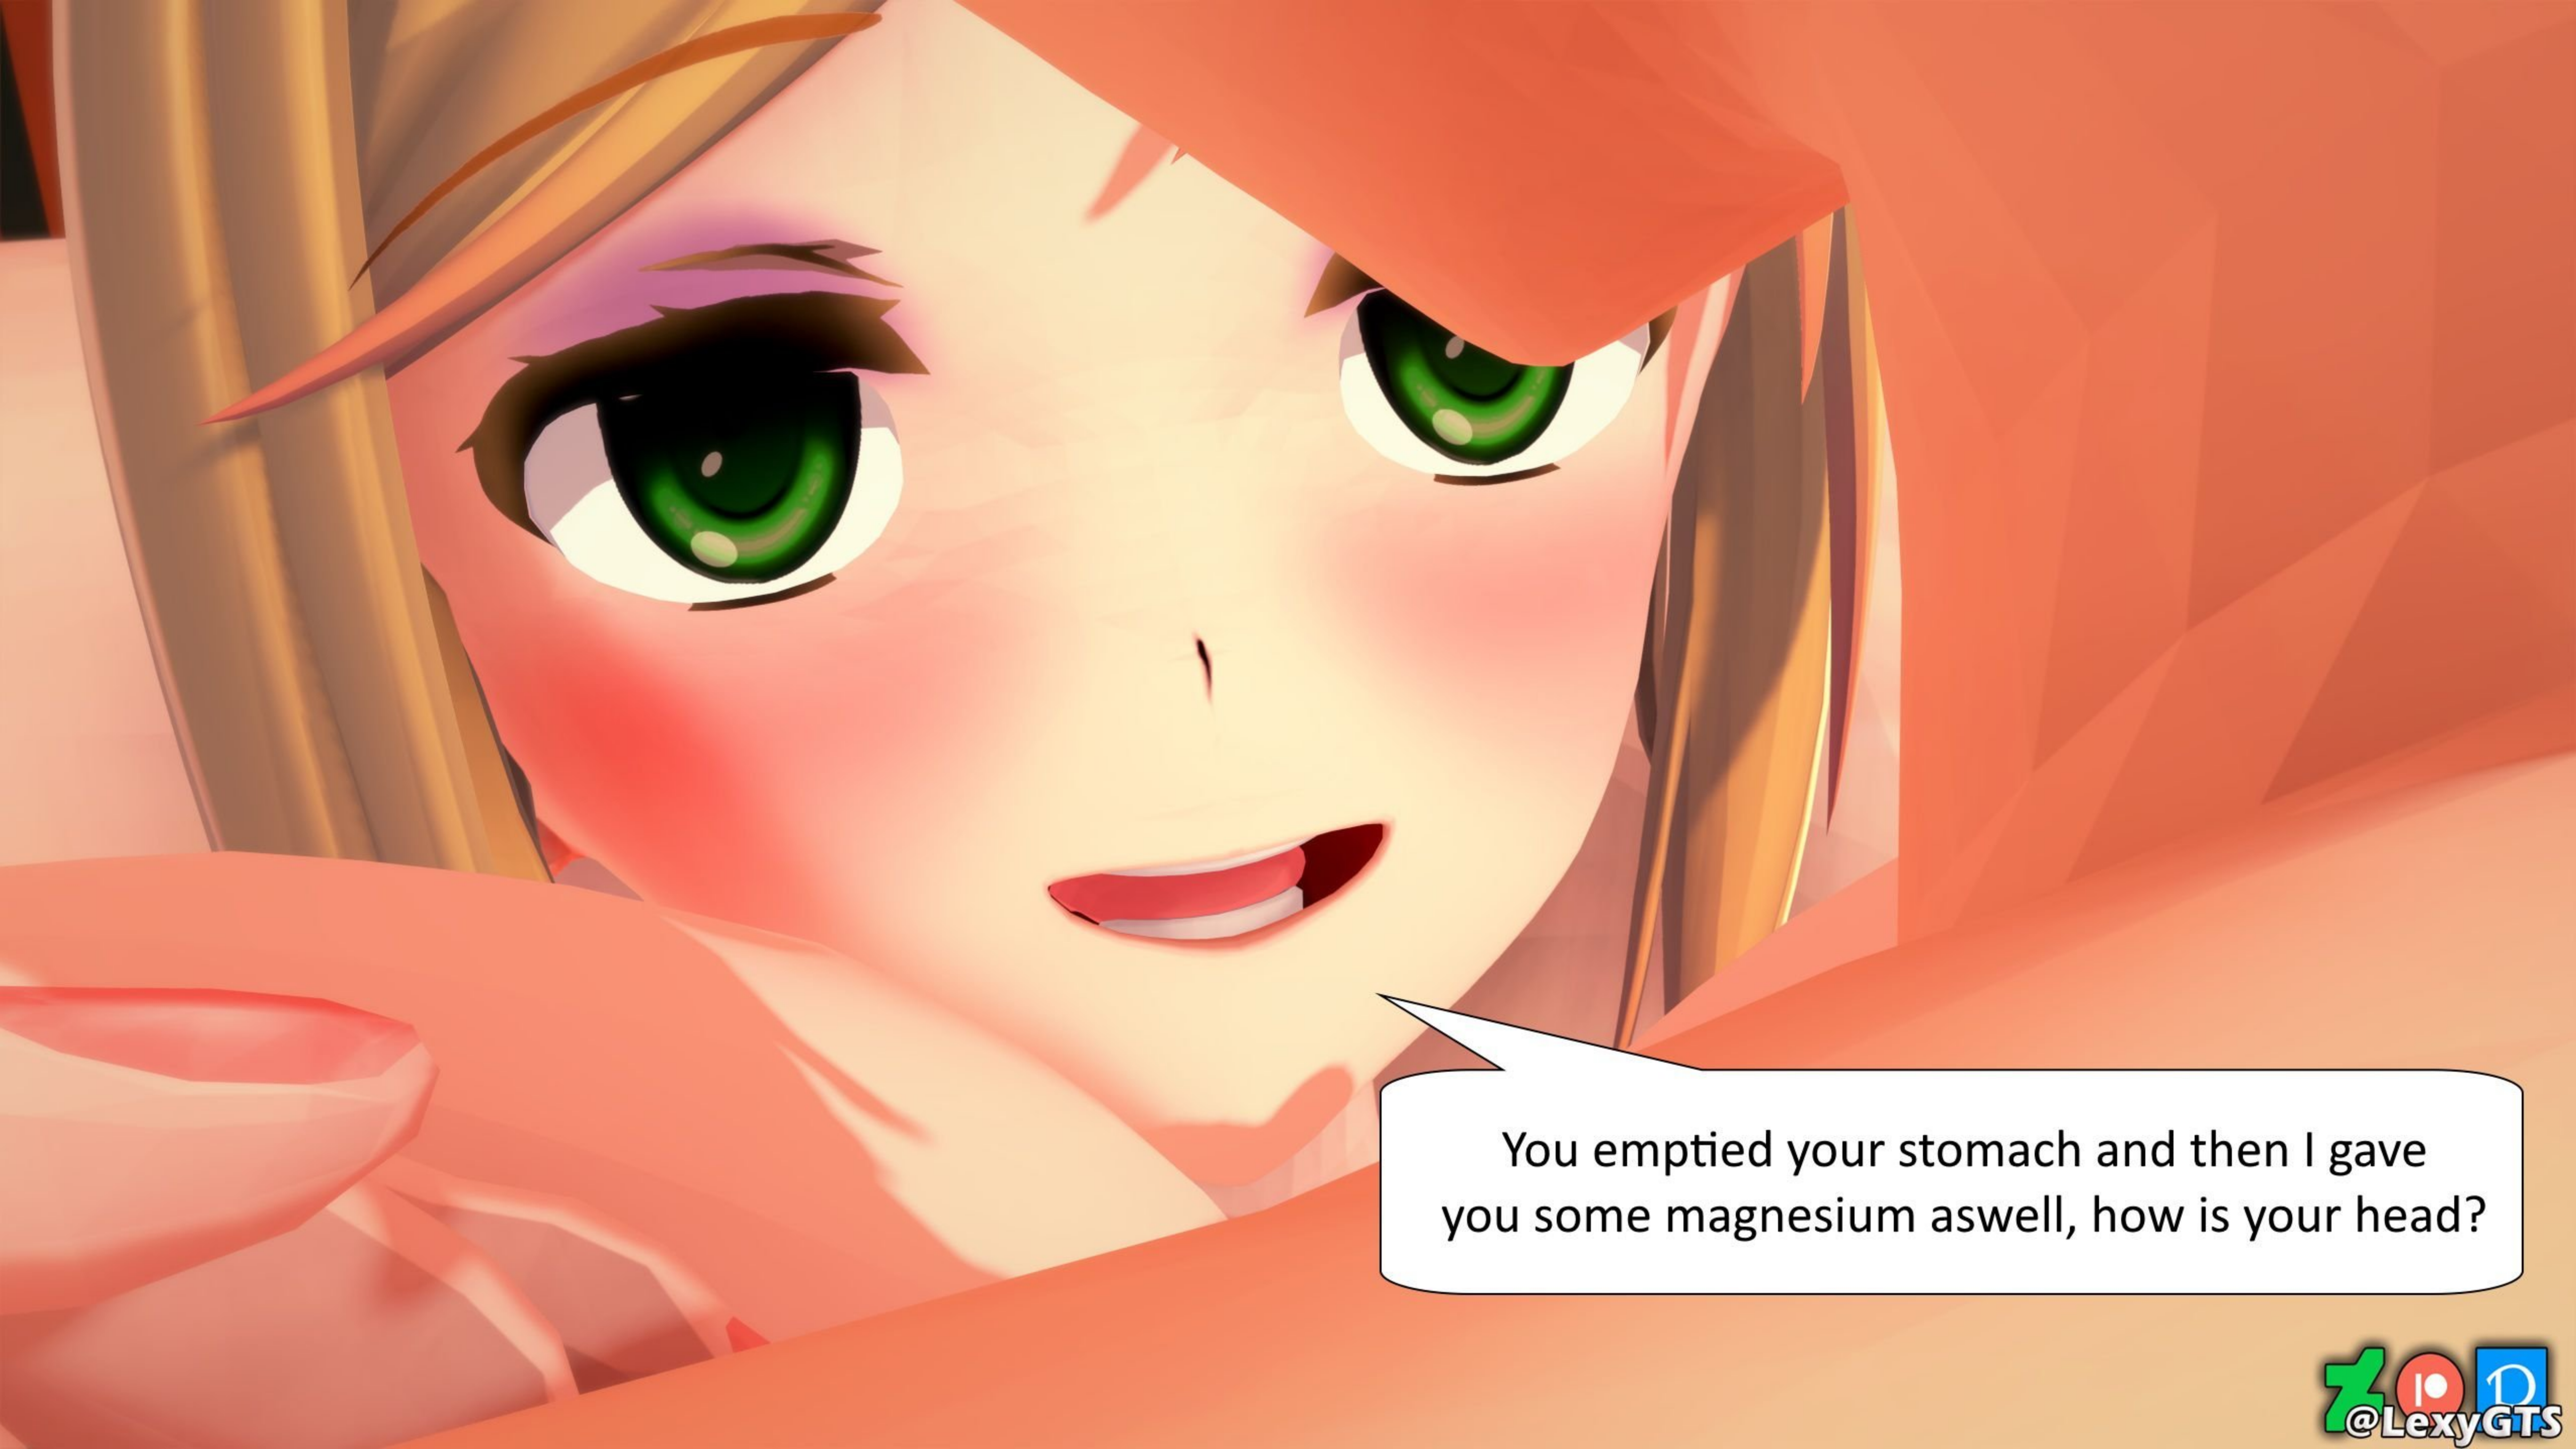

**I had to carry  
you back home**

When I was younger I used to  
carry this baby boy like that, hihi

You emptied your stomach and then I gave you some magnesium aswell, how is your head?

Alright I guess, could be better  
but I've been worse in the past

I guess it can't be that bad... I can feel  
your dick pressing into me after all ;)

Your beauty is at fault after all

So how about we do something naughty?

I've just gotten wasted and you want sex. What a naughty little bugger ;

Oh, I'm little? Who is sitting on top of me ;))? Let's stand up then!

The "little" girl wishes to be pleased right now!

As you wish...

aaand in you go!

oo~

You like that, don't you?

yeah~

scratch

Careful with your head...

Lisa, I just had an idea...

Ooh, I like where this is going

There, that's better now!

Now that height is what  
I call "just right" ;)

Now I can do multitasking

**lick**

Mh, please give me something  
that goes deeper, Yamada

One forearm coming right up then!

There is so much space, it's  
swallowing my entire forearm...

MOAN ~

**BREAK**

Woah, Lisa!?! Are you okay?

Okay??? I never felt this good in my life!

Now suck my nipple, please!

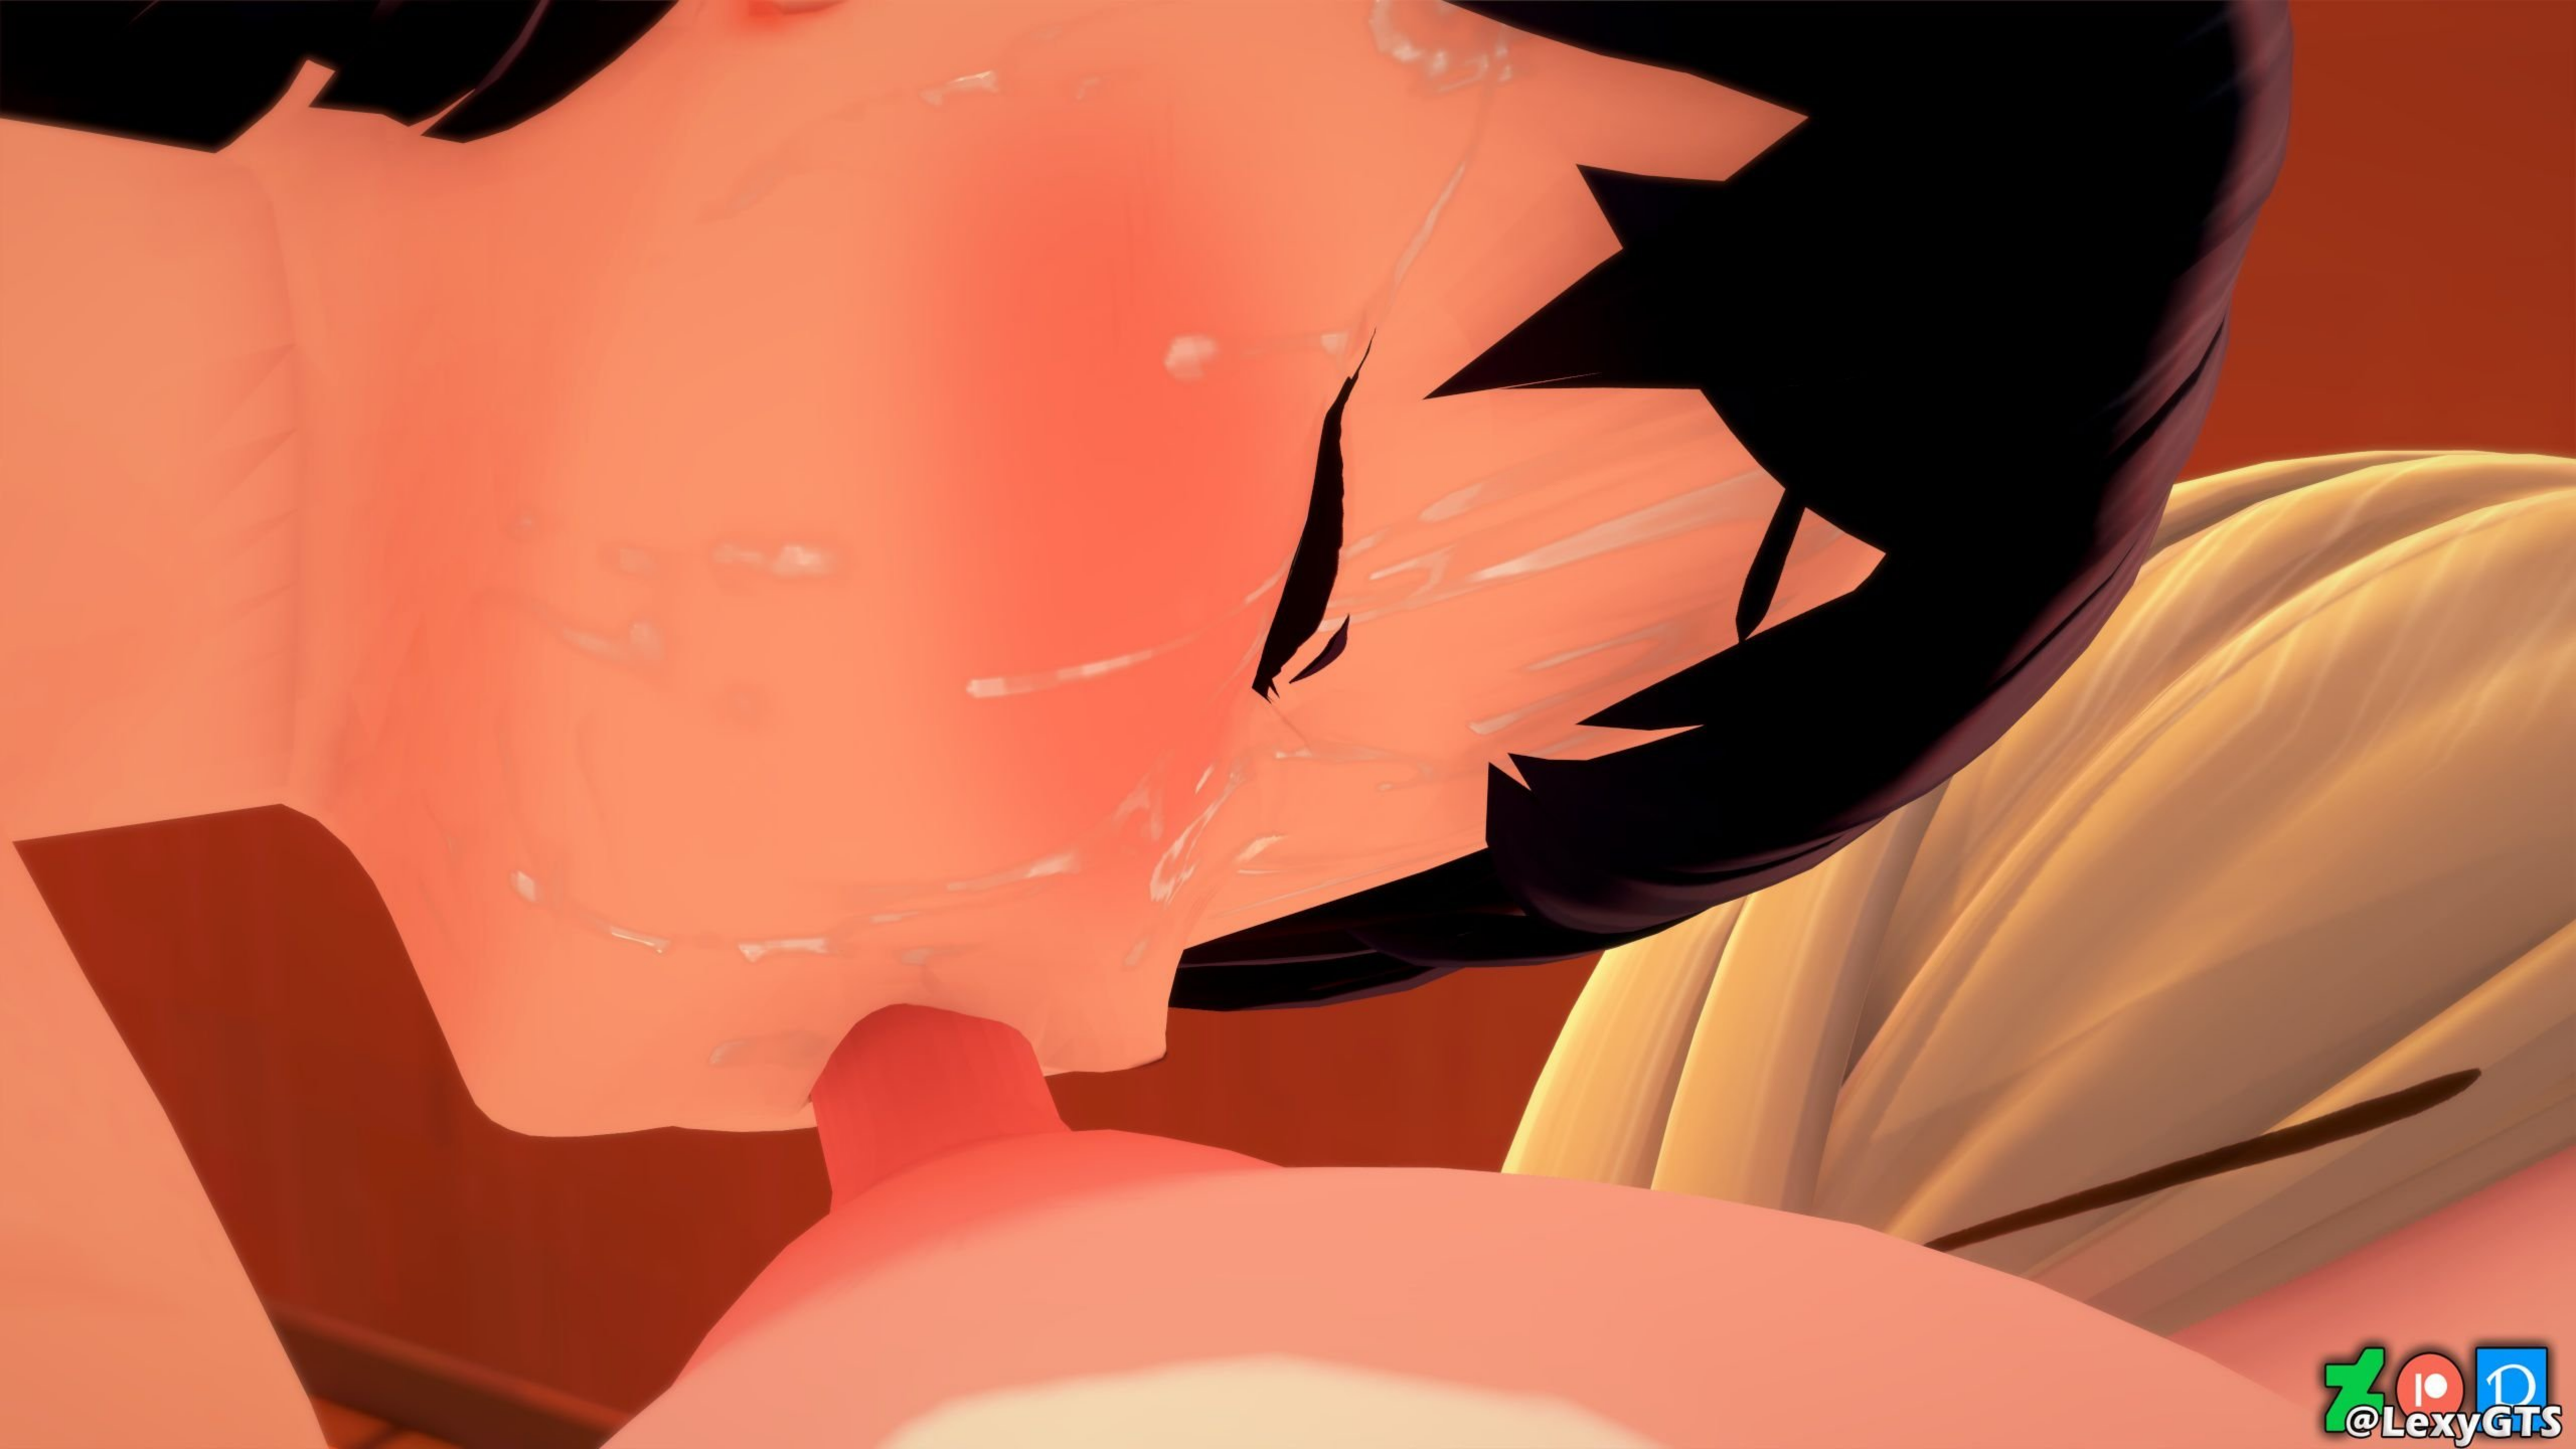

A 3D rendered scene featuring a character with a large, rounded head and a small body, looking down at a large, smooth, light-colored object. The character has a surprised expression. The background is a warm, orange-toned environment with a window showing a bright, hazy sky. A speech bubble is positioned near the character's mouth.

Wow, its huge...

It could fill my whole mouth!

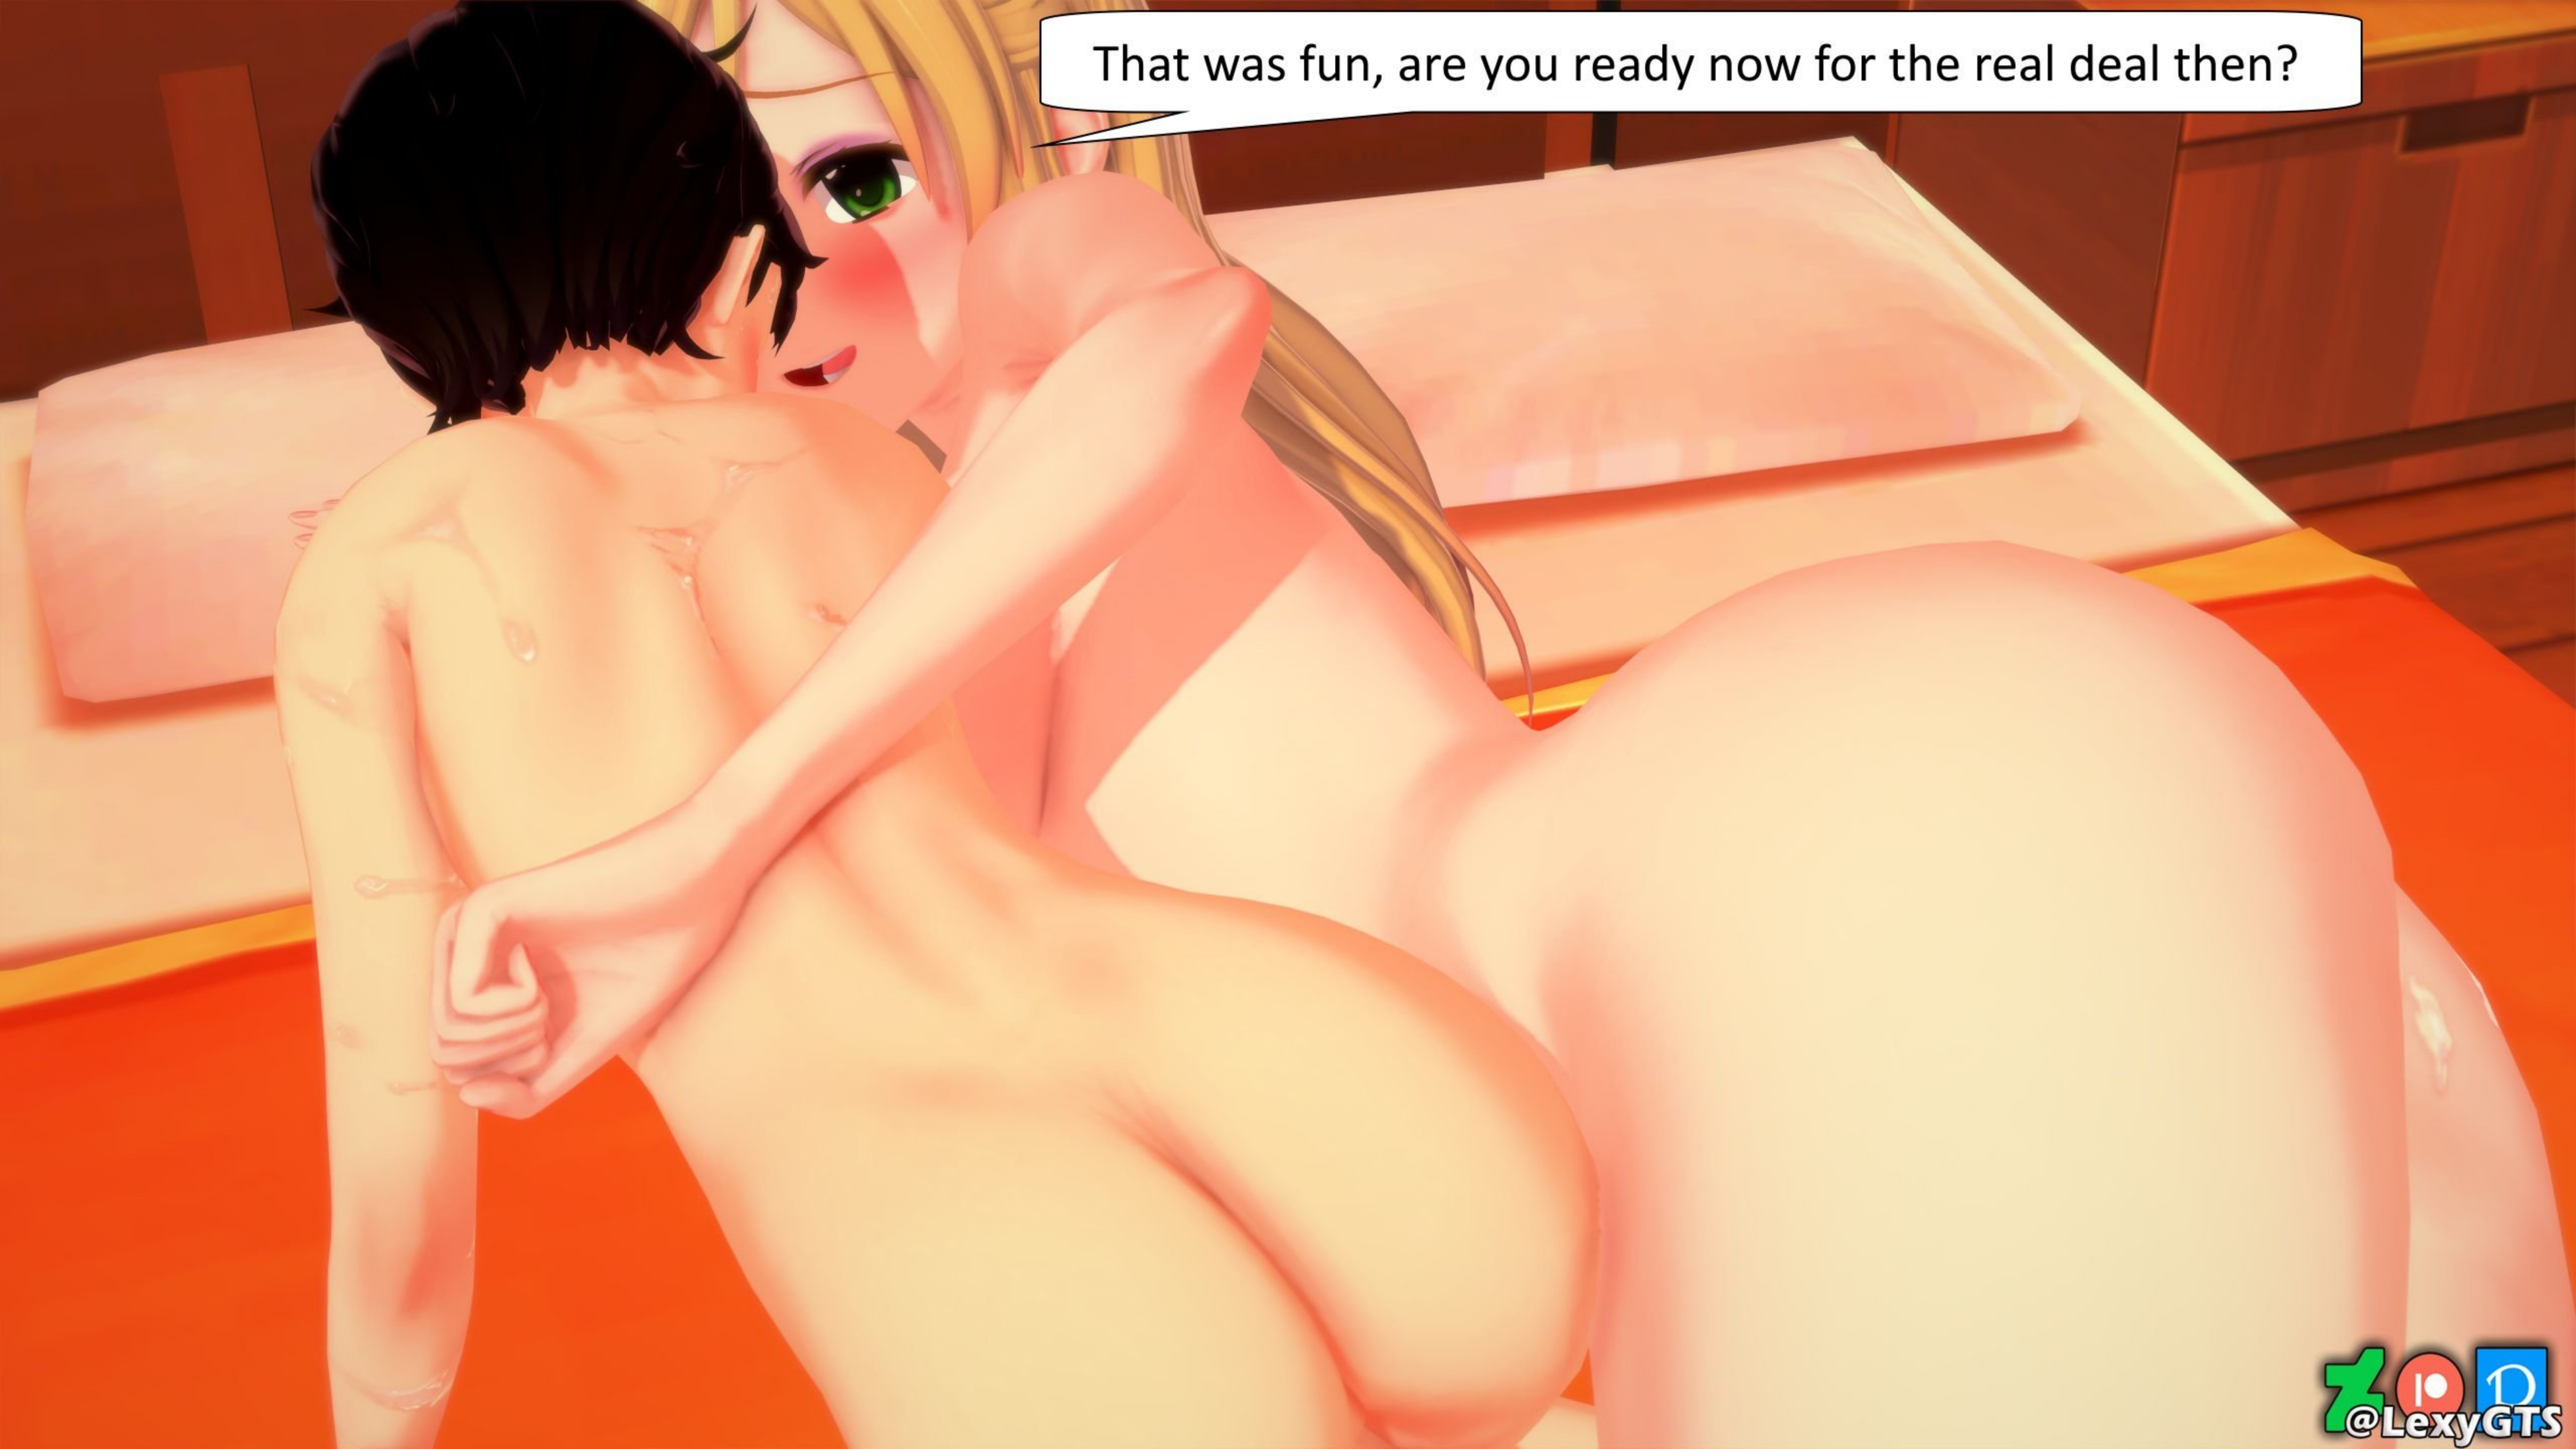

ooh, that's good!

That was fun, are you ready now for the real deal then?

Ooh, you bet. I'm going to fuck the shit out of you, alright!

That sounds promising - mhh,  
let me get into position

**CREEEAAAAAK**

**Shift**

Oh yeah, baby

I need you inside me... now

Yami~

Some Doggy, please!

Phew~ sure, let's  
switch, phew, it up

OH, I love your size. I can't even reach you at all anymore!

Stand up then!

Dear, can you go a bit higher then, please?

Like this?

Yeah...

That's better!

Ooh, I'm cuming!

EEEH? ALREADY?  
HOW? PULL OUT!

That was amazing!

That was way too quick!

Phew, I'm spent

No, this can't be over

...Not until I'm satisfied!

You had your fun...

Now it's my turn!

Oh my...

I'm going to flatten you like a pancake.

Death by SNU SNU!

I'll try to be careful here

I don't care, just do it!

Yes, yes I know...

I haven't forgotten about my debt.

Oh really, it lost its effect again?

Sure, I have something new instead.

Tomorrow? Alright!

Gosh, I'm absolutely fucked

**The End of  
Chapter 10**

I think we need a different place for these soon...
