

This is too much.

Umm... Laura, don't be shocked. William and I share wild fantasies to keep our passion blazing.

Oooh... You're the one we crave, Laura. Imagine William ahaaa submitting to you, eager for your every command.

Submitting to Laura? Adrianna's words are sparking something wild I never knew I wanted.

MMMN

This is wrong,
you're family.

That was a
mistake, a
moment.

I don't know
what I want.
Stop pushing me.

Her feet, that
moment...
Adrianna's right,
I want to kneel
for Laura again.

Mmmh... You felt
it when he kissed
your feet, Laura.
That spark ohhh...
of power.

SLURP

I can't handle this, it's too intense. I'm not ready.

You're twisting my head.

Ahaaa... No mistake, Laura. You want mmh him to kneel again.

That spark in you is ready, sweetheart. Let it burn.

Laura, Adrianna's opened my eyes. I'm craving to be yours, to submit.

What...?!??

Uhh... H-His hungry eyes... They haunt me. This old pervert will never stop chasing me.

Yeah, I mean it.

Adrianna's unleashed this need in me... Being Laura's submissive feels so right. Wow! What a hot fantasy to do.

Picture William
begging for you,
Laura. I'll guide
every moment.

My mind says
no, this is crazy.
I should leave.

HAH

Laura, I want
this, to be at
your mercy.

I'm not
that kind
of person.

Wouh! William is
into that! Yes,
William. Push her!

I keep picturing him
at my feet. Why?? I
can't give in, it's not
right. I'm not sure.

Yeah, but... Uh...

D-Deep inside me,
It was so
tempting when he
kissed my feet.

Please, give it a
try. I'm ready to
bow down again.

Laura,
please!

Trust us, Laura.
We'll unlock your
sexual power.
AAAAHHHH...

*Gosh....
Haaa...*

*How is Mom orchestrating
this so effortlessly? Her
dominance commands
everyone, surpassing
anything I ever expected.
She's weaving this sinful web
with such power, pulling us all
into her control.*

Okay... I admit it, I'm curious. I want that power over Uncle, just like what Adrianna has over Uncle and Lucas.

I know it's taboo and so wrong, but... Look what they are doing over there... The son is sucking his mother's tits and the father is watching... This family is already living in sin, Laura.
