

Um... Uncle, kneel
before me, okay? I
want you to... S-suck
my toes slowly, like
they're special.

Yes, Laura,
I'll do as you
say.

Finally! She will
join in!

Her hesitant
command is
thrilling. I'm eager
to submit and see
where this leads.

This feels so strange,
giving orders...? I'm
nervous, but there's a
spark of power
stirring inside me.

Make it slow and...
careful, like
you're savoring it,
U-Uncle...

I'm savoring
every moment,
Laura.

A man with a beard and short dark hair is shirtless, looking down at a woman's back. He is holding her arm with both hands. The woman is wearing a green bikini top. The background is a gym with various equipment. There are three thought bubbles above the man's head. The first bubble contains the text "I'm not sure if this is me, but the way he obeys is waking something bold inside." The second bubble contains the text "Her taste, her control—it's intoxicating. I love losing myself in this submission." The third bubble contains three dots. There is also a small yellow text "*GULP*" near the man's mouth.

I'm not sure if this is
me, but the way he
obeys is waking
something bold inside.

Her taste, her
control—it's
intoxicating. I love
losing myself in this
submission.

GULP

Um... S... Stay
kneeling... I... I'm
going to hover my
foot over your head.
Don't touch it yet.

I'm trembling, but
teasing him like this
feels like I'm
tapping into a
hidden strength.

I'm still for
you, Laura,
waiting.

F... Feel it, Uncle,
but don't... Um... M-
Move until I say.
Keep waiting
under my foot.

I'm trying so
hard to please
you, Laura.

Oh Gosh... Oh!!

This teasing is
making me bolder...
Am I really capable
of this kind of
control?

I love this
submissive thrill
fantasy.

Uncle, stand up while
I sit over there on
the couch... then
kneel again and lick
my arches.

Of course!

Each shaky command
feels like a step into a
new me... Uh, still
unsure, but I'm
starting to... Like it??

Her orders, her
power... It's
captivating. I'm
hooked on
submitting to her.

Laura's commanding William with such confidence now, and he doesn't say no... Wow!! Haha. I'm shocked at her natural dominance. She's woven him into her spell so effortlessly, it's breathtaking.

Laura's dominating Dad with such ease... It's unreal. Mom's influence has sparked this fierce control, and I can't believe what I'm watching... One of Dad's fantasies is to be submissive???

Lick slowly, William,
make it... Um... W-
Worshipful while I
watch you.

Wouho! Did she just
call him by his name,
not uncle? *Giggle*

Adrianna

Watching him obey
is building my
confidence. I'm
discovering a side I
never knew about
myself.
