

And calling him William
feels daring, like I'm
embracing this
power... It's thrilling.

Her shift to my
name, her
dominance... I'm
loving this new
dynamic of
surrender.

HAH

Laura's intensity is stunning!! She's wielding power I never expected from her. Watching William surrender so completely under her command is my best chance! Maybe it would work this time.

I'm growing bolder, feeling this strength take root, it's like I'm becoming myself.

William, honey...
Let Lucas slip
inside me now.
I'm wet and
aching for him.

Hm?
What?

We... We said
we'd wait until
later, Adrianna.
This feels too
sudden.

I can't do it
without your
permission.

Oh, come on...
Later never
comes.

Adrianna...

Laura, sweetie, tell
your uncle to let
our son fuck me.
Make him say it.

What is she
doing?? This
isn't the right
time for that...

Hold on, what's
going on? Are they
setting me up or
something? I'm
confused. Are they
teasing me? Or is
it real?

Or... Oh wait! Are
they testing my
control?!?

William, let
Lucas take
Adrianna.

You said you'd
follow my
lead, now
prove it.

Huh? Laura, I...
I'm not sure.
This is another
topic.

Maybe we
should discuss
it later.

Now I see it. They
are challenging
me to prove how
dominant I am.
Okay!

No more
delays,
William.

OUMM

You're mine to command. Give Lucas permission to fuck her.

Woauh! Her boobs are so soft against my face... It's heaven. I could stay buried here forever.

Say it.
Now!

Could it be that
Adrianna was genuinely
serious when she said if
she had full sex with
Lucas, she would let me
to...? Maybe?

Y-yes... Lucas,
take Adrianna
and... Fill her.

Ooooh! Thanks,
William. I love you!
Haha.

Come on,
Lucas! Let's
start, sweetie!

Wait... did Dad just
say fill her??? I
can't believe it.

OH,
yeeeeeah...
Ummm.

Finally, I'm getting
my dripping cunt
pounded raw with
my husband's full
conceit. YES!
