

Don't be shocked, Laura. Just remember, we're the queens of this place.

I'm curious if he can do more than just kiss Laura's hand. Let's find out.

William, bow down and kiss her foot.

Holy God...! H... He's
actually doing
exactly what
Adrianna just said??

Wow... What
a twist...

MUAH

Seriously, Dad??
You're willing to do
anything just to
get with a girl my
age??

I thought William
would put a stop to
this or get mad...
But he didn't! Should
I push it further?

Huh? What else
should I do?

What are you
waiting for,
Laura?

Just act like a
true queen! Show
me, come on!!

Uh, k... K-Kiss
the other one.

With
pleasure.

Wait, what?

Jeez... This
iss... This can't
be real...

What a blessed
marriage it is when a
wife truly understands
her husband's unique
sexual desires. I love
you, Adrianna!

Come here,
Lucas.

MUAH

Get down
on your
knees.

I said, on
your knees!!

Mom, what are you
doing? Haven't you
learned from your past
mistakes? Dad will-

What? Mom!
Please, stop it.
This isn't the right
time to play the
dominant role...
Dad might-

Damn...

William reached for Laura's hip,
but she quickly pulled away.

Hey, Uncle!

Oh, my bad,
my bad.

This creepy
old man...
SIGH.

Huh... Oh no... Oh
no, no, no, no...!

SLURP

Uncle, do you
see... Wha...

What a
stunning view,
don't you think?

Oh my gosh...
Incest SEX?!?! Is
that what
Adrianna was
talking about...??
