

WOOOAAAHHH...

Well... Mom likes eye contact regardless of the sex position.

No-No-No... No way he could have figured that out unless... Unless... Oh...

...

You haven't answered the question yet Caroline.

Caroline?
Hello?

She must be in shock after discovering that her son was probably peeking on her and her husband during sex. Haha.

Yeah, he must have been doing that. It's horrible, but why was Martin watching me having sex with his father?

HEY!!

I'm saying you haven't typed your answer. So, you need to confirm if what Martin said is correct or not.

We trusted her before and will do so again. Yeah, tell us Caroline.

Martin, explain your answer, but with more detail.

Huh?

It's... It's...

Mom likes communication between partners during sex. That's why she always wanted D... Ehem, Dad, to maintain eye contact with her during sex. It implies that he appreciates her feelings without verbalizing them.

He knows what exactly I want in sex too?!?!? I'm like an open book to him.

Damn it! Hey Caroline, I'm a mother and I wish I had a son like Martin. You are very lucky to have a son that adores you that MUCH!!!

Caroline?

If you don't give me an answer, I will take your silence as yes.

Ummm...

It's a YES!

WOAH!! YOU ARE THE MAN, MARTIN!

Congratulations, Martin! You are the first winner in this game and you won the big prize which is-

Margaret, can I talk to you for a second in private, please?

Caroline and Margaret had a small conversation for a few minutes.

Hehehe. He is SHOCKED! HAHA.

Okay, Martin, back to your big prize. You are going to get one of our best spa sessions for free!

Were you expecting something else?

SPA????

Poor Martin. He is disappointed now. HAHA.

What the fuck
was that?
Spa?!?! Are you
guys serious?

That's
ridiculous.

Sigh
Nonsense.

You will like
that spa. I'm
sure.

Stop being
reckless and
be patient.

I thought your game was only for sexual entertaining purpose, but now I understand what you were trying to show me.

I get it.

Thank you for your participation in the game, Caroline.

Enjoy your life with the one who genuinely loves you. Life is too short. Don't waste it. And don't give a damn about what society would say.

Wish you the best of luck.

*Thank you,
