*Okay.

A woman with long, wavy hair, wearing a white towel with yellow and orange stripes, stands in a shower. She is looking at a man whose back is to the camera. The man has short, dark hair. The scene is set in a modern shower with wood-paneled walls and recessed lighting. Three speech bubbles are overlaid on the image, containing text.

What happened?

You may hurt your back. Let me make it easier for you.

Oh... I've missed it so much when she cares about me.

Indeed.

Wouldn't it be better this way for you?

Alright. So... where were we?
