

Martin?
Helloo??

Are we going
to go on with
the challenge
or not?

How did Mom know
about Alesha? I've
never seduced
Alesha either in our
house or in front
of her.

How??? Did
Mom...

Mom, please tell
me, how did you
find out about
my relationship
with Alesha?

Why do you want to
talk about it now,
Martin? Let's do it
another time. Don't
ruin this moment.

The curiosity is
killing me, Mom.
I can't let it go.
Please, tell me.

Uhhh... Okay,
Martin... It was
Alesha who told
me about it.

That was my
arrangement
with her, to take
care of you.

Alesha?
When? Why?

To take care of
me? What
arrangement?
What are you
talking about?

In the past.

Caroline

*You know how I was,
after I found out
about your father
cheating on me. I
was upset and
confused.*

Martin

*I remember those
terrible days. You had
changed completely
after that incident.
You then began to
mistreat me and
were cruel.*

In the present.

Because at that time, I... I loved you more than a mother loves her son.

Just like your feelings towards me, Martin, I know how much you longed for me as more than a mother.

WHAT? You had feelings for me for that long a time?

Then, why did you choose to distance yourself from me, Mom?

In the past.

Caroline

I felt frightened and the idea of being unfaithful to your father crossed my mind multiple times. However, each time I considered it, you would appear in my thoughts.

There was a time when I would sneak into your bedroom late at night, just to watch you sleep and imagine us being together intimately. Nevertheless,...

In the present.

*But you decided
to push me
away instead?*

*Back then, I was
strongly opposed to
taboo relationships.
It made me feel
repulsed whenever
it crossed my mind.
However, I couldn't
help but think about
you, constantly.*

In the past.

Caroline

That's why I had no other option. I had to raise my voice at you, scream at you, treat you poorly, and occasionally offend you. All I desired was for you to despise me.

But every time I did that to you, it shattered my heart into tiny pieces.

In the past.

Caroline

I had concerns about the possibility of you jeopardizing your future, losing your manners, and developing aggression towards others. That's why I reached out to Alesha for assistance. Alesha has always been a delightful and supportive neighbor and friend.

I shared all the details with her, and she graciously agreed to lend a hand, look after you, and inform me if you encounter any major difficulties.

And one time, Alesha informed me that you both liked each other, and asked for my permission for you both to have sex together.

In the present.

And you agreed.

And... Did that hurt you somehow?

Mom, I have to be honest with you. Being apart from you was unbearable, especially after discovering that... Uhhh... You had cheated on Dad multiple times. I just couldn't find happiness in that situation.

Yeah.

It was awful and really hard, but I'm a mother, the only person on Earth who is happy when she sees her son happy. That's a mother's unconditional love.
