

Martin, even though I gave you reasons to hate me, you never did. I wonder why you never gave up on me or left me alone.

Do you realize the pain that this caused me? To think and imagine other men touching and fucking you?"

I gave it my all, but I couldn't make it happen, Mom. I attempted to move on and find joy with someone else, but it just wasn't possible for me.

Let's forget about the past, Mom. Let's have a fresh start, please!

What is it?

Uhhh... Martin...

Martin, you should know that... Ehh...

*A L-Lie??*

*Mo...Mom...*

*Everything about  
me cheating on  
your father was  
a lie.*

*Despite my best efforts to  
push you away from me,  
you just kept coming back.  
Your love for me was  
unbreakable, and I couldn't  
resist it anymore. As a last  
resort I pretended to be  
unfaithful to make you  
believe that I wasn't  
worthy of your love.*

I decided to play the role of an unfaithful wife and intentionally sent you some signals of cheating. Surprisingly, one day, I caught you sneaking under my bed. It was the perfect opportunity for me to put an end to your love for me once and for all. Can you recall what I told you on that day?

From chapter 3

Yes! Yes! Forget Steven! I want to cum for you, my love! I miss your touch...

Martin! Are  
you  
alright?

Oh my God...  
Oh my... GOD!  
Ssss...

Oh my...  
Don't,  
baby!

I never did, sweetheart. It was all a lie. I was going to do it for the first time with Henry, but my guardian angel stopped me.

Seriously MOM??  
You didn't have sex  
with anybody  
else??? You haven't  
cheated on Dad?!?!!

*\*CRYING\**

WHY MOM??? Why  
have you hurt me  
so deeply and  
caused me so much  
pain. You tried to  
shatter my heart  
and destroy my love  
for you. You were so  
CRUEL!

*\*CRYING\**

Uhhh... I'm  
sorry, Martin.  
I'm so sorry.

*I'm fully aware that  
what I did was absolutely  
unforgivable. I can't even  
begin to comprehend the  
amount of pain and  
suffering I caused you.*

*I want you to  
understand that it  
wasn't a walk in the  
park for me either. It  
was incredibly difficult  
to cause pain to  
someone you deeply  
love and care about.*

*Forgive me,  
Martin. Forgive  
me, please.*

I love you,  
Mom!

I love you too,  
Martin. I'll make  
it up for you... ,  
my love!
