Later. In the evening.

Wow, this outfit is absolutely stunning! It gives off such an expensive vibe. I can't help but wonder why Mom decided to buy it for me.

Tonight she has shown such kindness, liveliness and support. Could her encounter with Martin have completely transformed her? The real question is, will she continue to embody that delightful persona? Or will she be back to her old self tomorrow?

Incredible!

My, my, Emma.
You've blossomed
into such a stunning
young lady. I can't
help but feel sorry
for the boys who
are completely
captivated by your
extraordinary
beauty.

Hey, Mom.

Oh... Mom,
is this all
because
of me?

Haha. You're right.

Absolutely! It's true what they say, the apple doesn't fall far from the tree!

Come on, let's take a seat and have a chat.

Huh? Mom,
I'm not a
little girl to sit
like this.

Huh? I
simply don't
have the
desire to.

You will
forever be
my beautiful
little girl,
sweetheart.

Anyway, tell
me, Emma.
Why have you
stopped
dating?

Hmm...

Unless
what?

What kind of
alternative
ideas or
intentions?

Your response
doesn't give me
the information
I'm looking for. I
really want to
know the reason
why.

I understand that
you had a bad
experience
previously, but it's
not the end of
everything, dear.
Unless...

Unless you have
alternative ideas
or intentions.

W-What?? N-
No way.

Oh no! Does she
know about me
and Dad?

Whew... Thank
goodness!

Could it be an
incestuous
relationship?

Are you certain?
I thought you
were interested
in Martin.

Well, then how do you explain what I saw in his room? You were practically half-naked, touching his face with your chest... and so on.

This is perfect! It'll make it easier for me to make my moves on Martin. But I still need to make her believe that I find it strange.

No way, Mom! I have zero interest in that kind of thing. And Martin is definitely not someone I'm interested in.

Oh, that was just us goofing around. I guess I'm just a free-spirited girl. I don't mind being comfortable around my little brother, like being naked or playfully touching each other, but it's definitely not sexual.

Emma, what
you're saying
sounds a bit
strange to me. Are
you saying that
you're okay with
seeing me or
Martin naked in
the house?

Hmm... Something
doesn't feel right. I think
Mom is trying to create
an environment where
she can have more
intimate moments with
Martin without feeling
judged by me. Well, I
suppose this could be
my opportunity too.

A woman with dark hair, wearing a red lace bodysuit, stands in a bedroom and gestures with her hands while talking to her mother. Her mother, with long blonde hair, is seen from behind, wearing a black lace top and sitting on the edge of a bed. The room has a blue dresser and a bed with a blue pillow.

Absolutely, Mom! I absolutely love the idea of having a nude beach concept in our own home. It would be such a unique and exciting experience!

Oh, really? That answer took me by surprise. I wonder what she's thinking.
