

Did I hear that  
correctly,  
Emma? Nudity  
in our home?

That's... absurd.  
Do you really  
want to involve  
your father in  
this too?

Yes, that's right.  
You, me, Martin,  
and even Dad  
being naked  
around the  
house.

*\*giggle\** Isn't he also part of our family, Mom?

I've got you exactly where I want you, Mom. Hehe.

I'm totally shocked.

Are you crazy? Being naked in front of your father?

Excuse me?

*I expected you to discuss your nudity in front of Martin, not just focus on Dad. So, does this mean you're comfortable being naked in front of Martin?*

*Huh?  
Umm...*

*Oh no! What should I say in response to that?*

N-No!  
Absolutely  
not!

You're  
talking  
bullshit,  
Emma.

Oh my goodness...  
You actually want to  
be unclothed in  
front of him! Haha.

Come on, Mom.  
Don't try to deny it.  
I'm a female and I  
can comprehend  
how females think.

A scene from a video game featuring two women in a dimly lit room. The woman on the left, with short dark hair, is seen from behind, wearing a red lace bodysuit. She is gesturing with her right hand towards the other woman. The woman on the right, with long blonde hair, is wearing a black lace bodysuit and looking back at her. The background shows a modern interior with a blue chair and some plants.

Really? Mom, it's been quite clear that you've had feelings for Martin for a while now. I remember how you used to get angry at Dad and even compare him to Martin. I bet if Dad hadn't cheated on you, you would have definitely cheated on him with Martin.

Haha, see, I knew it, Mom. You're totally into Martin.

That wouldn't have been considered cheating. He is my SON, and I have the freedom to do whatever I please with him. Understand?

Perhaps that's what Mom wants to get thrilled about? To have sex with Martin right in front of me? Right in front of her own daughter? Maybe that arouses her even more?

Oh my God... Emma has tricked me into admitting it... I feel so damn dumb..

Mom, it's fine if  
you have feelings  
for Martin. It's not  
considered  
strange anymore  
to have a romantic  
relationship  
between a mother  
and son.

Who gives a  
damn, Mom?  
We only live  
once. We should  
do what brings  
us happiness.

But it's still  
considered  
unusual in our  
state, Emma.

Margaret said  
the exact same  
thing to me.

And what if I do  
in front of  
Martin?

*\*giggle\** Are  
you going to  
be jealous?

So you're  
just being  
selfish.

Let's test your  
reaction then.

However, I still feel  
uncomfortable with  
you undressing in  
front of your father.

Well...

That's  
ridiculous!

Be careful  
how you  
speak,  
young lady.

*So? What do  
you think?*

*Oh, come on,  
Mom. Life's too  
short! Ditch  
the undies.*

*UGRRR...  
Emma....*

Emma...  
Martin will be  
here soon.

Take off your bra  
and panties Mom.  
When he comes  
back, you must  
make him go  
crazy with your  
irresistible,  
seductive charm.  
Hehe.
