

LISA'S

Growing
Journey 15

I know she's grown taller...

A massive, pale-skinned leg of an anime-style girl, wearing a dark purple skirt, dominates the left side of the frame. She is standing on a city street, with her leg towering over a city skyline. In the background, there are snow-capped mountains and a power line tower. A small anime girl with long blonde pigtails, wearing a white shirt and black skirt, stands on a bridge railing in the foreground, looking up at the giant leg. A speech bubble points to her.

...but isn't this growth going a bit
out of control these days???

I'm still waiting to surprise my boyfriend
with another growth spurt...

I'm not too short for him, right?

I should better grow some more before our date...

In what world are you
too short, little sist-

GROWL~

Ugh, I'm still starving but there
is nothing made for my size...

Wait, aren't trees just big broccoli?
Big sis always used to say: "eat
your greens to grow big and strong!"

Ooh~ That's a great idea. I'll just grow big and strong that way!

Wait, that's not how growth works! I meant this-

Yeah! That's genius! I'll just grow more now and then even more later!

Big sis is so smart!

Eeehh?!!

I love this feeling~
Becoming taller and taller!

GROW

GROW

Too bad it's already over but
that was a fun little growth spurt!

W-what in the world is little
about this growth spurt?!?

Let's go!

SHAKE

SHAKE

This should be
a nice forest!

Is this really going to work?
Do vegetables really make...

GROW

GROW

Oh my god!

Woops, maybe that was a bit much forest~

A giant pink hand is holding a girl with blonde hair and a purple top. The girl is looking down at the city below. The city has many tall buildings and is surrounded by green fields and snow-capped mountains in the background. The sky is blue with white clouds.

Ah, Clara! What do you think? Is this big enough?

EH?!! Now she notices me?!!

Clara? Can you hear me? Hello?

Are you there? Clara? Big sis?

Can you talk to me? Hello?

D-don't tell me you don't like my size?

Clara?

D-do you think I have
grown too much, big sis?

A close-up of a character's hand, with fingers slightly curled, reaching out towards the viewer. The character has light skin and is wearing a dark purple jacket over a black and white top. The background is a bright blue sky with soft, white clouds. A speech bubble is positioned above the hand.

Should I stop growing?

You? Stop growing?

No...

I love how tall my
big sis makes me feel!

A blonde anime girl with purple eye makeup is looking at a woman in a black lace outfit. The woman is lying down, and the girl is leaning over her. The girl has a speech bubble above her head.

It's so cute how she wraps around
a boob that is almost her size!

No...

I love how small you
make me feel... zzz

?

Grow for me~

A 3D anime-style illustration of a young woman with long, flowing blonde hair in a high ponytail. She has large green eyes and a pinkish-red face with a slight blush. She is wearing a white blazer over a black top with white polka dots. She is looking down and to the right with a slight smile. The background is a bright blue sky with fluffy white clouds.

I want you to grow more and
make me feel even smaller~

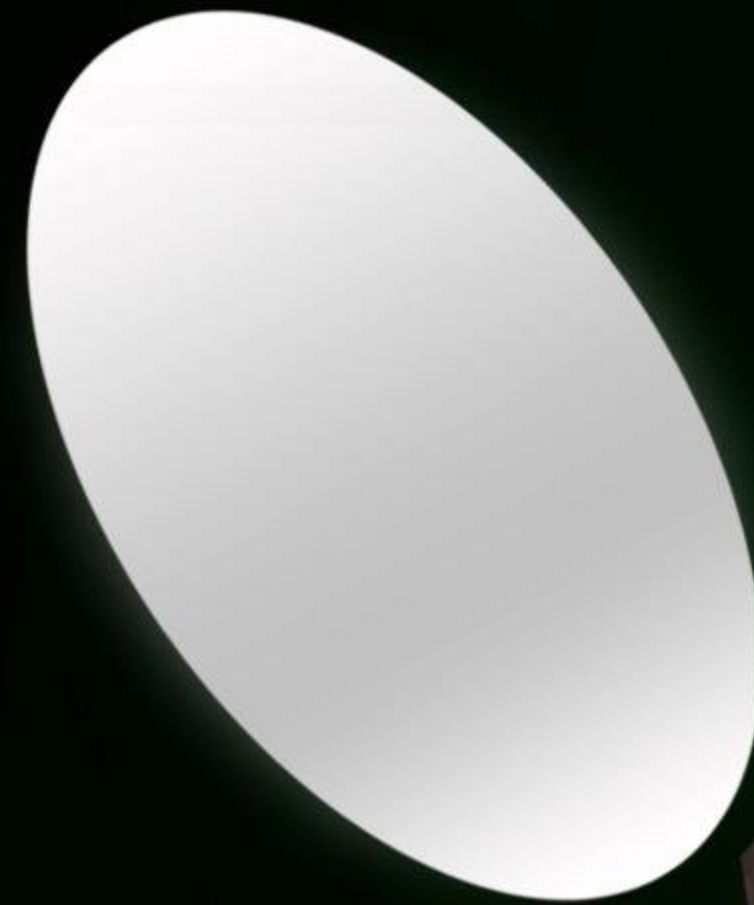

Clara - Lisa's older sister
A full blown masochist

So you don't think I'm too tall?

An eye filling the sky?
...could be bigger...

Oh my~ "Big sis", you really want
me to grow more, don't you?

Mountain sized just isn't
enough for you then?

Hehehehe

I never knew about this side of your...

hmm?

So you love how small
I make you feel?

You like to cuddle
with my boobs?

Hehe

I'm doomed...

I'll gladly grow more for you
"Big Sister" x3

Why did she have
to hear that?!!

Just imagine how much bigger I'll
be than you in a few days~

My siblings are the last people
I want to know about this!!!

My boobs could become bigger than you, you know~

AHH, how did I even
end up in her room!?!

Let's put on some clothes, "big" sis~

It's all over!!!

She's so adorable <3

Just end me
already!!! AHHH!!

A few embarrassing moments later...

creak

creak

"Big" sis, do you like being small enough
to sit between my boobs on my lap?

Do you enjoy having thighs around
that are both longer and wider than you?~

You want me to grow some more,
isn't that right "big" sis?

Mind sharing your portion then
since I'm still a growing girl?~

Y-you can h-have it Lisa.
You n-need it more than me...

Thank you Clara!

Ah, I'm glad to finally see you all getting along!

You three would always argue about who had more to eat!

...but that's just big brothers
fault, mom, nom nom...

You two missies are just as guilty
as he is. Especially you Lisa!

She can grab the
whole stack...

Yeah, yeah... he is your favorite
for going to an elite university...

Lisa, you know that isn't true!

Mhm... and that's why
you are constantly weeks away
working to pay for him...

I don't even know how he is
doing. He doesn't respond...

Will this make her grow?

She won't grow like
in my dream, right?!

Grow

Grow

I can feel her
expand around me!

By the way mom, why aren't
you wearing a shirt today?

Ahh, I hoped you
wouldn't ask...

I must have gained some weight because nothing fits! This is the bra from when I was last pregnant!

Wait, I have an idea!

Who turned off the lights?!

Sigh, what are you doing Lisa?

Try standing next to each other, mom!

Enough with your
childish games, Lisa...

Would you look at that Clara,
not even touching the ground~

T-t-t-taller...!!!!

I should really go and work out later today!

Ah, that should be my boyfriend!

*Ring
Ring*

THUD

See you later mom!

Have fun in school!

Good Morning~

Wow Luna, you are taller than ever...

Kitty...Kitty...Kitty...

Yes, taller than ever with
perfect long and slender
legs right on my level!

Well, of course I'm taller than ever.
I'm still a growing girl after all~

Anyway...Is everything alright?
Amelia looks devastated!

Uhm, she brought her cat
to school and lost it earlier...

Kitty...Kitty...Kitty

CRUCK

I could stare at
her legs all day!

They are like pillars
or tree trunks!

I really felt so humiliated yesterday...

It reminded me of how I felt when everyone was way taller than me...

It made me want to grow so much more now...

Do you guys feel similar when I show off
my new height? Is it imposing?

Size comparisons always make me
excited so I forget about your side...

What are you talking about!

Eh? I mean I'm so much taller now...

A tall blonde girl with her hair in a ponytail, wearing a blue long-sleeved shirt and black pants, is looking down at a small boy. The boy is wearing a school uniform with a blue jacket, white shirt, and grey skirt. They are standing on a blue stone path next to a red brick wall and a stone wall. The girl's shadow is cast on the stone wall behind her.

I'm just not used to being taller than somebody, let alone all of you...

I don't mind you flaunting around your height~

I love how your confidence grows right with you! It's all fine as long as you are yourself!

Really?

So you wouldn't mind if I outgrew her?

N-no, why would I?!
I'll always be by your side!

Or rather
below your side...

I'm glad you think so. Hopefully I beat her soon...

If she grows just like
in the past 2 weeks...

She'd tower over her like she towers over me right now!

You know, I only wanted to be a bit taller than everyone at first...

Now I'm almost taller than the whole entrance...

Well, I think you better start getting used to crouching...

Oh... yeah. Sigh, not even the high ceilings here will be enough.

Maybe we can help
you find the cat together?

The doors are so low...

EH? Why are you that shocked?
I'm not going to hurt the cat?!

...and I'm just on my knees. I was nowhere
near this tall last Friday.

Ah... She is behind me.
That is why, isn't it?

NOD

BUMP

Ah, I'm sorry...

I'm a bit too much for this crowded aisle, could you let me through please?

Ah, uh... sure!

Giga thighs...

Thank you!

An anime-style illustration of a school hallway. In the center, a blonde girl with a ponytail, wearing a blue button-down shirt and a dark skirt, is smiling and looking towards the viewer. She has a speech bubble above her head that says "Thank you!". To her left, a girl with dark hair in a purple tank top is seen from the back. To her right, a girl with dark hair and a white bow, wearing a white crop top, is looking down. In the bottom left corner, a small boy in a blue suit is looking up. The background features rows of green lockers on the right and a bright blue sky visible through a window on the left.

Lisa is way taller
than last week!

It's as if her growth
is accelerating!

CREAK

Oh dear, this is a problem...

My desk isn't even touching
the floor anymore...

It's absolutely tiny, as if
it was made for toddlers...

I severely underestimated my
own growth because of Lisa...

It must be way worse at her size...
How does she even manage?

The answer to Luna's question is quite simple...

My god, you are tall...

She doesn't...

Uhm, can someone help me please?

An anime-style illustration from a high-angle perspective. A person with long, slender legs is sitting in a wooden school desk. They are wearing a dark blue jacket and have short, dark hair. Their legs are stretched out far in front of them, reaching towards the front of the desk. A thought bubble originates from their head. The background shows the interior of a classroom with other desks and a grey wall.

Her long legs reach all the way into the front row...

I can even feel the warmth of
her enormous body here...

It really makes
her omnipresent!

Did she double in size since I last
saw her?! I'm like nothing next to her!

Since she managed to grow
so much since last week...

...would she double her height
again by the end of the week?!!

Come on in, you can join us!

Her body would fill the whole room...

In order to not block any students view, she would have to let her legs dangle on the outside...

...but what if she grows even faster???

GROW

GROW

What do you do
to grow this much?

I don't know, I guess I am
just a late bloomer...

This is getting
out of hand!

Should I call her
parents?

Yup, all negative. Lisa isn't pregnant after all.

Phew, I'm glad. I really panicked after that whole milk ordeal...

Yeah, mhm. Oooh you did that?
Ahh, I see. Alright!

I'll call you later then! I'm
getting our car repaired now!

Phew, when I'm done with all of this
I would love to treat myself something...

...but I really shouldn't. I'm already wearing Lisa's old clothes now because mine no longer fit!

I really have to get back
into shape again...

...just what would I give to
grow taller instead of wider...

GROW

GROW

GROWL~

Oh dear...

GROWL~

I'm starving <.< Shouldn't lunch brea-

RING
RING

Yay, the lesson is over!

Come on, let's have lunch!

One second Lisa...

Miss Herzs Schloss?
Is something the matter?

Nevermind... you can go!

Ah, I can't wait any longer!

Today's menu has
curry rice again...

She is so huge!

...and I can get endless refills!
This is going to be so awesome!

I'm still not getting used to
these tiny doorframes...

Even while crouching my eyes
are way above them...

A blonde anime-style girl with green eyes and a blue shirt is sitting on a train. She is looking up and to the right with a slight smile. Her right arm is raised, holding onto a dark brown vertical pole. The background shows the interior of a train with a tiled floor and a window with a view of a city.

...but despite their inconvenience,
they possess a certain charm.

A few more spurts and
she has to crawl...

A 3D anime-style scene. In the foreground, the back of a person wearing a blue long-sleeved shirt and dark pants is visible. In the background, a character with short pink hair and blue eyes, wearing a white long-sleeved shirt under a black dress, stands behind a long, curved, light-brown counter. The character has their hand near their mouth in a surprised expression. A speech bubble above them contains the text "Goodness, you are so tall!!". The background features a wall with large, rectangular, light-brown panels and a red-tiled floor.

Goodness, you are
so tall!!

Heh, thanks I get that
a lot lately...

...lately?

A blonde anime-style girl with long hair in a ponytail, wearing a blue short-sleeved shirt, is pointing her right index finger at a red sign on a wall. The sign has Japanese text. She has a surprised or pleading expression. In the background, there are glass doors and a person in a white uniform is partially visible.

I'm starving right now, could I perhaps have 10 curry rice bowls as a starter?

...uh

WOBBLE

I'm sorry dear but I'm only allowed to give
each student a single serving...

I-is this a new rule?
Why is that? :_c

It's a new rule by the school administration
because of what happened last week.

A single student refilled 20 times in a day...

B-but I'm still a growing girl and I need
to eat that much at this size now...

ランチ・カレー

I'm sorry...

A blonde anime-style girl with long hair and green eyes is shown from the chest up. She has a sad expression on her face, with her mouth slightly open and her eyes looking down. She is holding a wooden tray with both hands. On the tray, there is a small black bowl of food and a larger plate with a white base and a brown topping. She is wearing a blue jacket. The background is a warm, yellowish-orange color with vertical lines, suggesting a window or a wall. A speech bubble is positioned to the left of her face, containing the text "This is so sad...".

This is so sad...

My hand alone is almost the size of the tray...

It's so tiny...

It can't even be considered an
appetizer. I'd swallow it in 2 bites.

Being at that size
must be tough, huh?

Yeah, no kidding...

Hey Luna, I think you keep
stepping on my toes...

Oh, I'm sorry!

I have a hard time fitting my long legs under the table...

Well, at least Luna's thighs
aren't wider than the table
height like Lisa's...

Don't worry Lisa! We can try getting you all the food in the world after school.

I can also share my meal with you
if you need. Come on, let's dig in!

I'm gonna go to the toilet
real quick. Be right back

Ouh, this might be the perfect opportunity
to put the new growth stuff into Ella's food
without anybody noticing!

This should give you a couple of inches~

Welcome back Ella, your food is getting cold so you should better eat up!

Unfortunately my small body can't eat that much. I think I'm already full...

So you aren't going to finish that?

Yeah, you can have it if you want.
You need it way more than me!

This is bad!
What do I do?!!

Thank you so much Ella!
You are amazing!

Uh, uhm ugh!

It's no big deal, you are
a growing girl after all!

Quick! I have to take
it before she does!

WHAM

Huh? Luna?

Uhm... since your boyfriend is already sharing
with you and I'm a growing girl too...

M-maybe I should have it instead?

Eh? But that isn't fair, you are tiny! I have many times more mass to move and need a lot more energy...

I'm not even sitting on a chair like you.

I don't think it's a fair comparison,
I'm hungry and I really need this...

I'm sorry Luna but Lisa
has a point there~

Still... you shouldn't eat it because... because...

She did something to it, didn't she?

JIGGLE

Uhh- you shouldn't...

HUH?!

Okay, let's split it up fairly then!

N-no sharing, it's best if
you don't have any-

Wow, that's greedy...

Let's make it a game then! If you reach it, it's yours. If not, it's mine!

You know, I'm even on my knees for you but I'm still winning!

Lisa is overpowering
Luna like it's
nothing!

I guess that settles it!

Goddess! Someone, please! Stop
Lisa from obtaining that power!

Kitty, stop!

is Lisa growing so much?

And what is your connection
with that blue haired chick?

I-I can tell you but promise me...

Don't let anybody know!
Especially not Lisa!

What if I can't promise that?
