

Later.

Hmmm. Some
peace at last.

A few minutes later.

Hey! Tanning your skin?

I took some massage courses and can massage your body with tanned lotion. I do it for Alice sometimes.

Hello?

You know it's rude when you ignore someone like this.

Gosh... Can't I ever have a break?? I know, he's that kind of kid who wants to have sex with as many girls as possible. He could be so annoying.

Here he goes...

...

A young man with dark hair, wearing dark blue swim trunks with yellow and green stripes on the side, stands on the deck of a yacht. He is looking towards a woman who is reclining on a white lounge chair. The woman has long dark hair, is wearing a black swimsuit with red and white polka dots, and has a confident, slightly smug expression. She is holding a cigarette in her right hand. The background shows the yacht's deck and a swimming pool.

Hey... Do you know how many women who ignored me, then went on later to have sex with me? Many!

What the...???

HEY!! UGHHH.

Hmmm... I had no idea that women's standards became that low.

A son needs help to fuck his mother. You are pathetic Max. Why a woman would have sex with one as useless as you.

Truth hurts,
I know.

Then don't
bother me.
Go to Ann and
fuck her.

Loser.

You're just
talking
bullshit

I tried before,
and it didn't
work out. That's
why you are
here to give me
some lessons.

**Sigh*.... Could
you stop
being rude
and mean?!?!*

Leave me
alone, and
I'll stop.

Haha. I like you,
Margaret. Auntie and
I slept with some
ladies with the same
arrogant attitude
like yours! That
makes the sex
hotter! We should
start our lessons
tonight. Okay? See
you later. Hehe.

Haha.
Nevermind. Are
you always that
sweet, Lisa?

By the way,
you look so
cute in this
Bikini! It's very
stylish.

Is something
wrong, Margaret?
Did Max bother
you? Please don't
worry about it. I
told you he was a
pervert.

Hehe. Well...
It depends.

I had it,
thanks to
Eric.

He did. He
purchases some
outfits and
accessories for
me and Alice from
time to time.

He is. Also, Mom
likes and trusts
him a lot! He is
almost the man
of the house.

Did Eric buy
it for you?

And Is he a
nice guy? I
mean, polite
with you.

That's nice.
Ann is a very
lucky
woman.

Poor Ann. He is
a professional
con man...

What do you mean?

Ah! I see it now. Lisa, I told you I would think about it.

We can't do that in an open area!

So, what now?

You and I are here, dressed in swimsuits...
So...

Just a tiny hint or advice or teach me a move? Anything, pleeeaaasee!

A woman with short dark hair, wearing a red and white striped bikini, stands on the left. She is looking towards the right. A woman with long dark hair, wearing a black mesh bikini with a colorful dot pattern, stands on the right, seen from the back. The background is a tropical outdoor setting with a palm tree and a swimming pool.

Mmm... Okay...
How about my
room? No-No.
Max may
interrupt us.

Oh yeah! We
can do it in
your bedroom!

I don't mind
Mia being
there. Come
on!

But Mia may
interrupt us
too.

We will be right back, Mom!

That's right.

Aaa. Lisa has asked me to help her with her studies until Richard comes back, instead of wasting time sunbathing.

Where are you taking Margaret to, Lisa?!

Now? Why don't you let Margaret take some rest first?

No time, Mom! The exam date is soon, and I don't want to get punished again.

You, Liar girl!

Hehe.
