

Lisa asked Margaret to help her with her studies until Richard returns. Good to see her trying her best to pass the next exam.

Oh! Has she been rude to you too?

Where are they going?

Haha. Yeah-Yeah. She is into Margaret that fast?!?!

Aaa, please, Ann. I want to ask you about Alice.

Well... I'm trying to find common ground for a better friendship with her.

Thanks. So can you tell me about her hobbies, favorite colors, movies...etc.? I'm sure I can find something familiar between us.

The more I know about her personal life, the more I can predict what the passwords for her other accounts are.

Hey, Mia!

That's sweet of you, Mia!

Of course! With pleasure.

Hey, Max.

Haha. That's nice of you.

Unfortunately, I had some work to do on my laptop.

You look so hot in this outfit.

I thought that you would like to sunbathe with Margaret.

So how about now?
If you're not busy,
you can sunbathe
and I will massage
your back with
tanning lotion. I
always do this for
Alice.

Max! Where
are you?

Yeah, Max is
an expert
masseur.
He does it
for me
sometimes
too.

I'm here.

Sure! I'll be there in a minute.

Come with me. I need you to put some lotion on my back. Hurry.

Don't make me wait too long, and stop with the chit chat with the blondie. Haha.

Sigh Be patient, MIAAAA... I hope Richard knows what he's doing because I can't stand her anymore!

Meanwhile...

Here we are,
alone now.
Please teach
me.

I know! Auntie
told me the
same thing.

It's...
It's...

Lisa, you can't
learn everything
in one single
session. That
takes time.

Speaking of Kira,
why weren't you
interested in
learning from her?
Kira is an expert. No
one could compete
against her.

If you want
me to teach,
you've got to
trust me.

I do! Well, the truth is that Auntie wanted me to work on my sexual desires for Max.

She is in a relationship with Max. I know they have sex together.

Yes. I saw Max sneaking out of the bedroom several times and having sex with Auntie in the living room.

One time, I heard them talking about me. Max wants to have sex with me too. He just can't figure out how to bring me in. That's why he asked for Auntie's help.

Oh! Do you?

And that's why you didn't let Kira teach you.

Looks like you've been struggling with your urges for some time.

Who else knows about that relationship between Max and Kira?

And Eric doesn't know?

She doesn't know everything, then. But Richard can use that info for his benefit in his plan.

That's right. When she spoke about you and your expertise, I found it an excellent chance to be taught by someone trusted by Auntie.

I'm, and I'm tired of it.

It's only me.

I don't think so.

Can we stop
wasting any
more time,
please?

I like you too.

Uhhh... To be
honest, I've no
idea anymore.

All that time, I've
thought I'm a
straight girl.
Everything has
changed when I
saw Mia... I don't
know...

Haha. I like you,
Lisa. Innocent
girl trying to be
a naughty one.

Tell me,
are you
straight?

What does
that supposed
to mean?

Haha. Wow.
You are into
Mia! But you
still like males,
too, don't you?

Okay. You are
bisexual,
then.

Being bisexual or
lesbian would
make the lessons
more
straightforward
and faster.

How about
we start with
a small kiss.

Yeah. That's
right.

Does it make
any
difference?

Great! So,
what's the
first lesson?
