

In the evening. In Alice's bedroom, after dinner.

sigh What the fuck is wrong with this piece of shit?? I can't sign in to my account.

I don't want to be disturbed right now!"

Leave me alone. I'm not in the mood for any of your nonsense.

KNOCK KNOCK

It's Max.

It's urgent, Sis. I
couldn't wait
any longer.

Your webcam
account has
been hacked.

Are you deaf?
I said I don't
want to talk to
anybody now!

What the
fuck is it?

Sigh* So it
was you, you
bastard!!

Who did it then?
And how the hell
did you know?
Who told you that
I have a webcam
account?

Who the fuck
is Mia??

No-No. You
got it wrong.
Not me...

I knew it a
couple of
weeks ago, but
It wasn't me
who hacked it.
It was Mia.

Our guest Mia.

*She told me
about it.*

*She said she wants you
to do something for her,
and in return, she will
give you the password to
unlock your account. If
you don't do what she
says or tell anybody
about what she did, you
will lose the account,
your followers, and your
money forever.*

sigh That brat!!
And how did you
know she was
the one?*

What the hell...?

*FUCK YOU,
MIAAAAAA....*

*And what does
she want
from me?*

HELL NOO!!! And why, did she choose you?!

Get OUT!

OUT!

She wants me to take a photo of you fully naked. And then another one of your ass.

I have no idea.

But...

Fuck! It didn't work...

Five minutes later, in the living room.

How did it go?

*giggle** Don't worry, she will call you back.

She can't afford to lose that business and that money.

Hey!

She kicked me out.

She won't.

O...Okaaay...

*Max, I need
to talk to you
for a second
in my room.*

*I'm unsure whether
to follow Richard's
plan or pursue my
own. I don't have a
lot of patience.*

Good luck! And let
it be four photos
instead of 2. Hehe.

sigh Then Max
told me the truth...
You'll pay for this
sooner than you
think, Mia. I know
someone who will
help me.

Back to Alice's bedroom.

Yeah-Yeah. I will.
Actually, I don't
like what Mia
did, and I'm
thinking of a
way to end this.

You delete
these photos
once you show
them to Mia. Do
you get it?

You do?

*I'm your brother,
Alice. Indeed, I
don't like anybody
to blackmail you.*

*What a hot
body, Alice!*
