

You look sexy, Sis.

Shut up and finish this fast!

*I was wrong  
about Richard.  
He is absolutely  
a good dude.*

Now it's done.  
Make that bitch  
give me the  
password.

But I heard  
Mia saying  
four photo  
shots instead  
of two.

No! The deal  
was for  
only two  
photos.

I agree!

*I don't think you are in a position to tell me what to do, sweetie.*

*Woah! Be mindful of your words, sweetie.*

*Anyhow, here is your password.*

*How dare you come into my room without knocking first.*

*\*sigh\* I'm not your sweetie, BITCH!*

*Wait here while I test it.*

The password worked, but Alice was surprised when she saw a poll in her account.

What the hell is this poll? The end date was an hour ago... And it says...

WHAT THE FUCK!!!!

You are DEAD,  
MIA! You are  
fucking DEAD!!

This BITCH... She used  
my account and  
made a poll to see if  
fans were interested  
in me posting blowjob  
pics... And the poll  
result was "Yes" and  
I need to post the  
pics in less than an  
hour...

Hold on,  
Alice! What  
happened?

HEHE

What is the reason for your distress? That suggestion has the potential to increase your earnings. It would be most appropriate if you expressed gratitude towards me for this exceptional idea.

Hand me the camera, Max. And, take your shorts off.

GRRHHH...

Are you out of your mind? I won't suck Max's cock!

Don't forget, you need to send the pictures within an hour. This is your one and only opportunity.

Take your shorts off, Max!

Alice is confused and has no clue what to do... You are genius, Richard!!

*Come on, Alice. Sit on the bed, and you, Max, stand before her.*

*Hurry up, guys! Time is ticking.*

*Gotcha, Alice! I've got to admit that Richard's plan was much better than mine.*
