

The next morning, Lucas and Adrianna caught the train to Toraky City.

Yeah. Earlier this morning, the organization sent me a message suggesting some areas to find and rent a studio apartment.

Thank you, Kristen...

We headed straight to this residential area from the train station. Do you have some idea where we are going?

That's good, at least. I was worried we'd have to spend most of the day searching for one.

Good thinking! Did the organization already transfer the money into your account?

I came here prepared also. I looked up and called some apartment owners.

Yeah, this morning.

Hello! Good morning, Ma'am. Yeah, we are almost there. Fine. See you there in 15 minutes.

An hour later, Adrianna and Lucas liked the apartment they saw and had rented it.

I'm confirming on the app that we got the apartment and sending them the address.

I don't know. They said they would send you an explanation of why.

It's a sweet apartment. I like it! What are you doing, Lucas?

What for?

Let me get out my phone, then.

What does it say?

Here. They sent it...

It says, "Our dear beautiful lady, according to the tasks you and Lucas have done together so far, we see that you and Lucas are doing so well together, and we don't know yet if you have a crush on Lucas, but we are sure that he has a crush on you. If that's true, we wonder if..."

What is it?

"We wonder if he would get jealous if you got attention from other guys. That's why we need you both to go to a coffee shop, and you try to pretend that you are seeking attention from other men."

We are unsure if you have with you some clothes that would be appropriate for the task so we are sending some suitable clothes over to you, that should be on the way right now. Be sure not tell Lucas about the task.

Huh? Oh my God! It's as if they have been reading my mind... I always wanted to play a teasing game with William, too, but he always said, what if we met some people, we already know... Is that why the organization asked Lucas to go to another city? Smart people!

They wonder if what, Mom?

HAHA. Liar!
HAHA. It worked.

Hmm... So,
no new task?

I see. Sooo...
What are we going to do now, then?

Huh? T-They wonder... If-If I have a crush on you too. Also, they mentioned they are sending me a new outfit as a gift for what we've done so far.

Nope. It was just a note.

We will wait for the outfit to be delivered, then maybe we will go to some coffee shop nearby, then go home.

I agree. We shall see. Maybe they will send a task later.

I don't know why I'm looking forward to seeing Lucas being jealous! I thought I would have no passion about doing the next tasks.

I don't understand. They made us come all the way here to rent the apartment, receive the outfit, and then go home? It doesn't make any sense.

Exactly!
Hehe.

An hour later. The outfit was delivered, and Adrianna went to the bedroom to try it on.

giggle I'll bet she is pretty shocked right now.

Adrianna

What on Earth is this...???

Are they expecting me to put this on?!?!?

EHEMM

Wo-ho! Hey,
young girl!
Haha.

D-Do you
like it?

It's
adorable,
Mom.

A woman with short brown hair, wearing a yellow and white striped crop top, black shorts, and multiple necklaces, stands in a kitchen. She is looking towards a man whose profile is visible on the left. A speech bubble is next to her, and a thought bubble is next to the man.

You think so? I feel a bit weird wearing this. It isn't for someone my age and doesn't quite fit. What would people say about me wearing something like this?

I need to play it smart and reverse psychology her.
