

And why do you care about what people would say?

Umm...
Well...

First, we are strangers here in this city. No one know us. Secondly, even if they do, how you see yourself matters.

But I'm an old saggy woman and-

MOM!!

Okay-Okay.
Sorry. I forgot
that pisses you
off. Hmm... I
don't know...

If you see
yourself as not
sexy enough to
go out wearing
that outfit,
don't, then.

I didn't say I don't look sexy. I said it doesn't fit me!!

Hehe. She is triggered.

Okay. Do what makes you feel comfortable, Mom. Anyway, why are we arguing? There is no task forcing you to put that outfit on, right?

Okay. Then, change your clothes and let's go to a coffee shop.

N-No. No tasks to do.

What am I to do now? The task includes me wearing this outfit...

Also, the task is to make Lucas jealous. And to do that, I would need to seduce other guys, and I'm not that kind of woman.

I always wanted to play a teasing game with William in public, not seducing others.

What to do? What to do...?

Uhhh, Lucas,
may I ask you
a question?

Would you be
okay with me
going out
wearing this
outfit?

Wouldn't
you get
jealous?

Is something
wrong, Mom?

Shoot.

Sure! Why
not?

Jealous?
Why would I
be? That's
nonsense.

Giggle She will
get upset now
and insist on
going out with
the outfit on.

To do what exactly?

Huh? What's she talking about?

I don't get what you mean. Can you clarify it a bit more, please?

And?

I was just wondering if I could do whatever I want in the coffee shop.

To show my feminine beauty.

Well, I would go to the cashier and wait in the queue.

And once It's my turn to order, I would bend over like this.

You always said that I have a sexy butt, didn't you?

Instead of having people wait in a tedious queue, they can enjoy the view!

And... W-Why would you bend over like that?

Y-Yeah... So...?

What the fuck?!?!

What else?

Why?
What are you tr-

That's not all.

Come here and stand behind me.

Stand behind me, please.

Get closer.

No, place your dick between my ass cheeks.

And grab my ass cheeks.

Alright, I'm here.

Like this?

My what??

What's going on???

See, A guy and I may enjoy it while waiting.

Me? Kidding? Why would I? I'm a sexy woman and this outfit makes me look hot!

Of course!

M-Mom... You are kidding me, right?

Y-You would do this with a stranger at the coffee shop?

TOUCHING

Th...This can't be true...
