

Sigh
MOM...

And then that
guy could move
his hands down
to my thighs...

TOUCHING

Please tell me this is just some bad joke.

You can't be serious?!?

What's wrong, honey? You are looking annoyed.

It's no joke.

Giggle

And then I may
turn around
and give the guy
a nice, sweet
smile.

What do you
mean shit?
It's just a bit
of fun.

Stop with
this shit,
Mom!

NO! It's NOT...

Okay-Okay. Forget about the queue thing. What the hell was I thinking... The queue might be too crowded, and I wouldn't be comfortable.

Phew... Good.

**SIGH*...
What's gotten
into her??*

*Maybe it's
better to try
and seduce
some guy
sitting next to
our table.*

NO!

Do you think I'll be able to seduce some guy by sitting in this position? Are me legs sexy enough to draw a guy's attention?

Giggle

Oh, come on! Be fair. You know I can draw the attention of any guy I want to!

I can't stand this anyyyM000RRREE....

What now?

Doesn't show what???

What's with this?

The way this top is set, doesn't show my boobs properly.

...

There. Doesn't that look much better?

Are you quiet because you like my boobs or because you don't like the idea?

We won't go out to any DAMN coffee shop, MOM.

Let's go back HOME!

HAHA! That's enough for now. Lucas is about to blow up with jealousy.
