

Strange Express

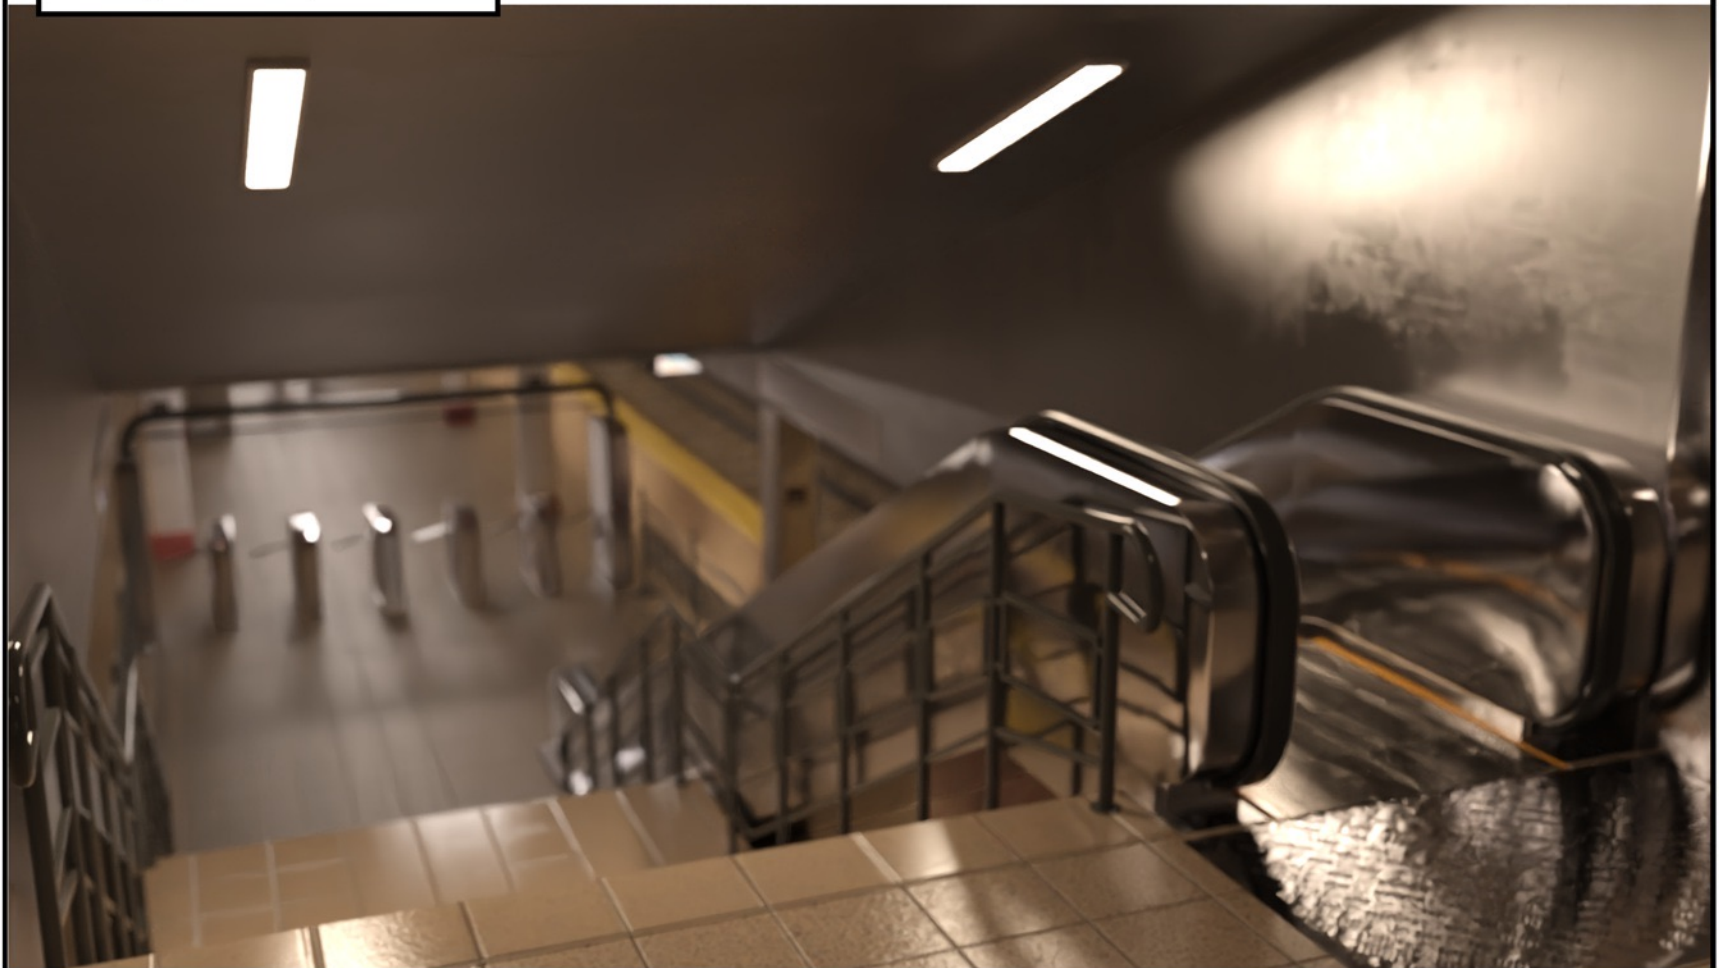

- PART.1 -

*The story is entirely fictional, and all characters in it are adults

Night, a subway station

小林緑子
KOBAYASHI

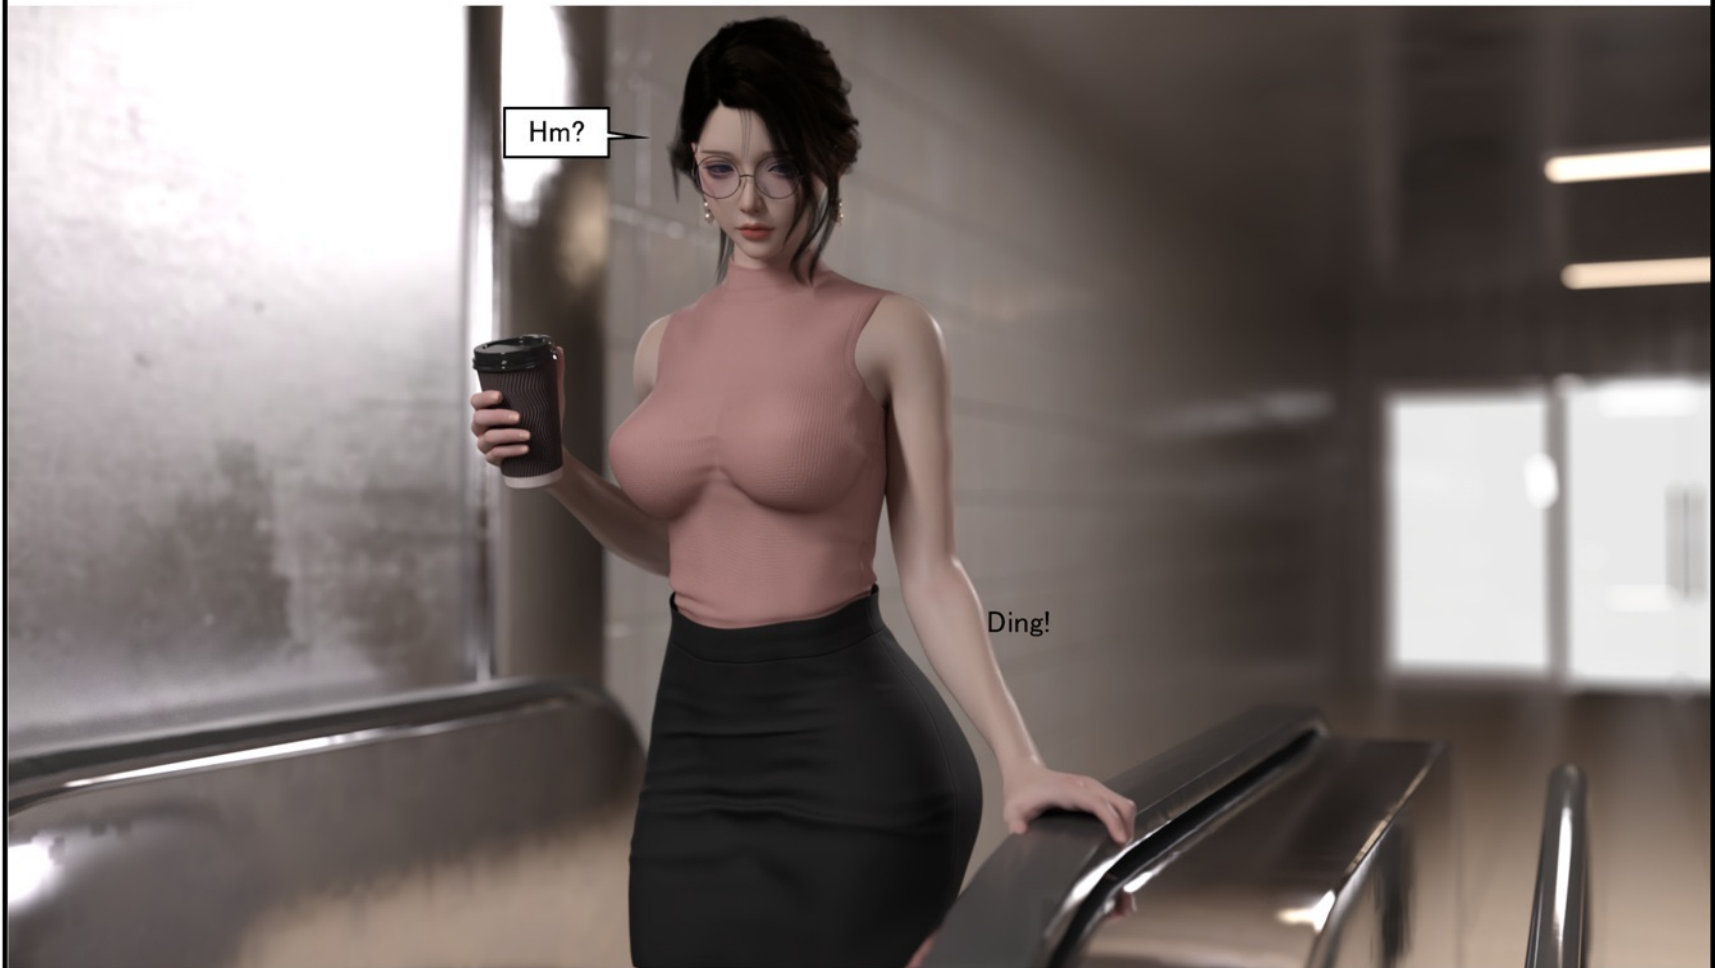

Pixiv: www.pixiv.net/users/100328105

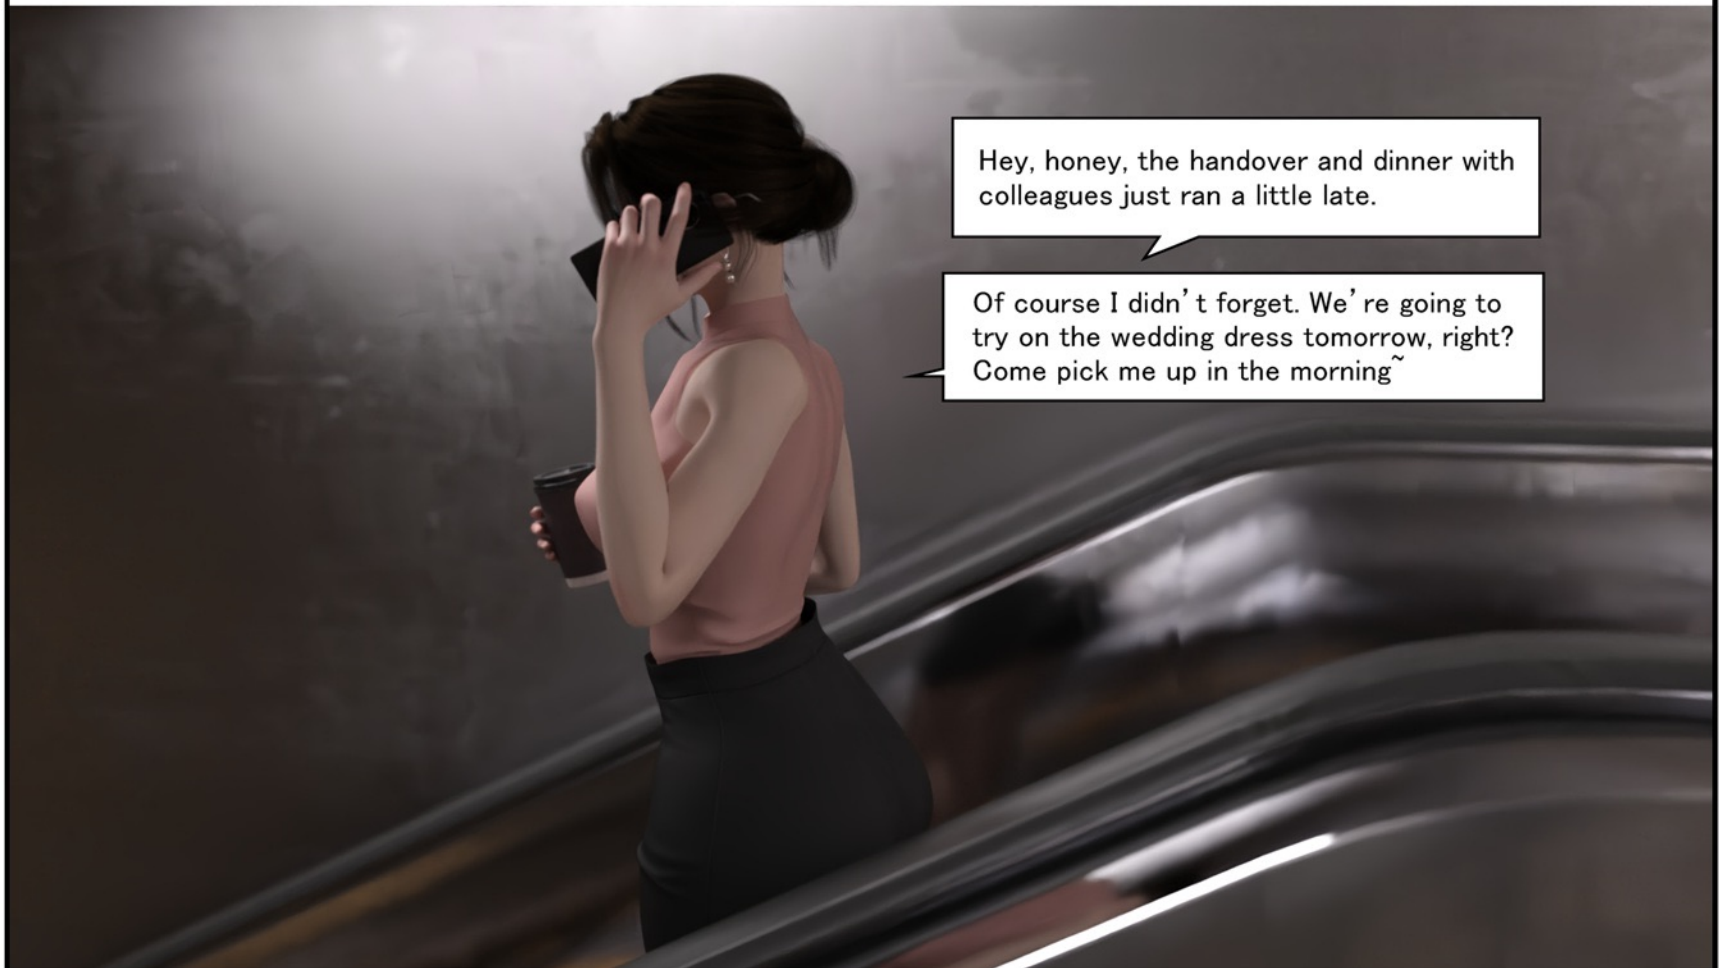

Station broadcast: Dear passengers, the next train will arrive at 12:40. This is the last train of the day...

Almost missed it

Hey, honey, the handover and dinner with colleagues just ran a little late.

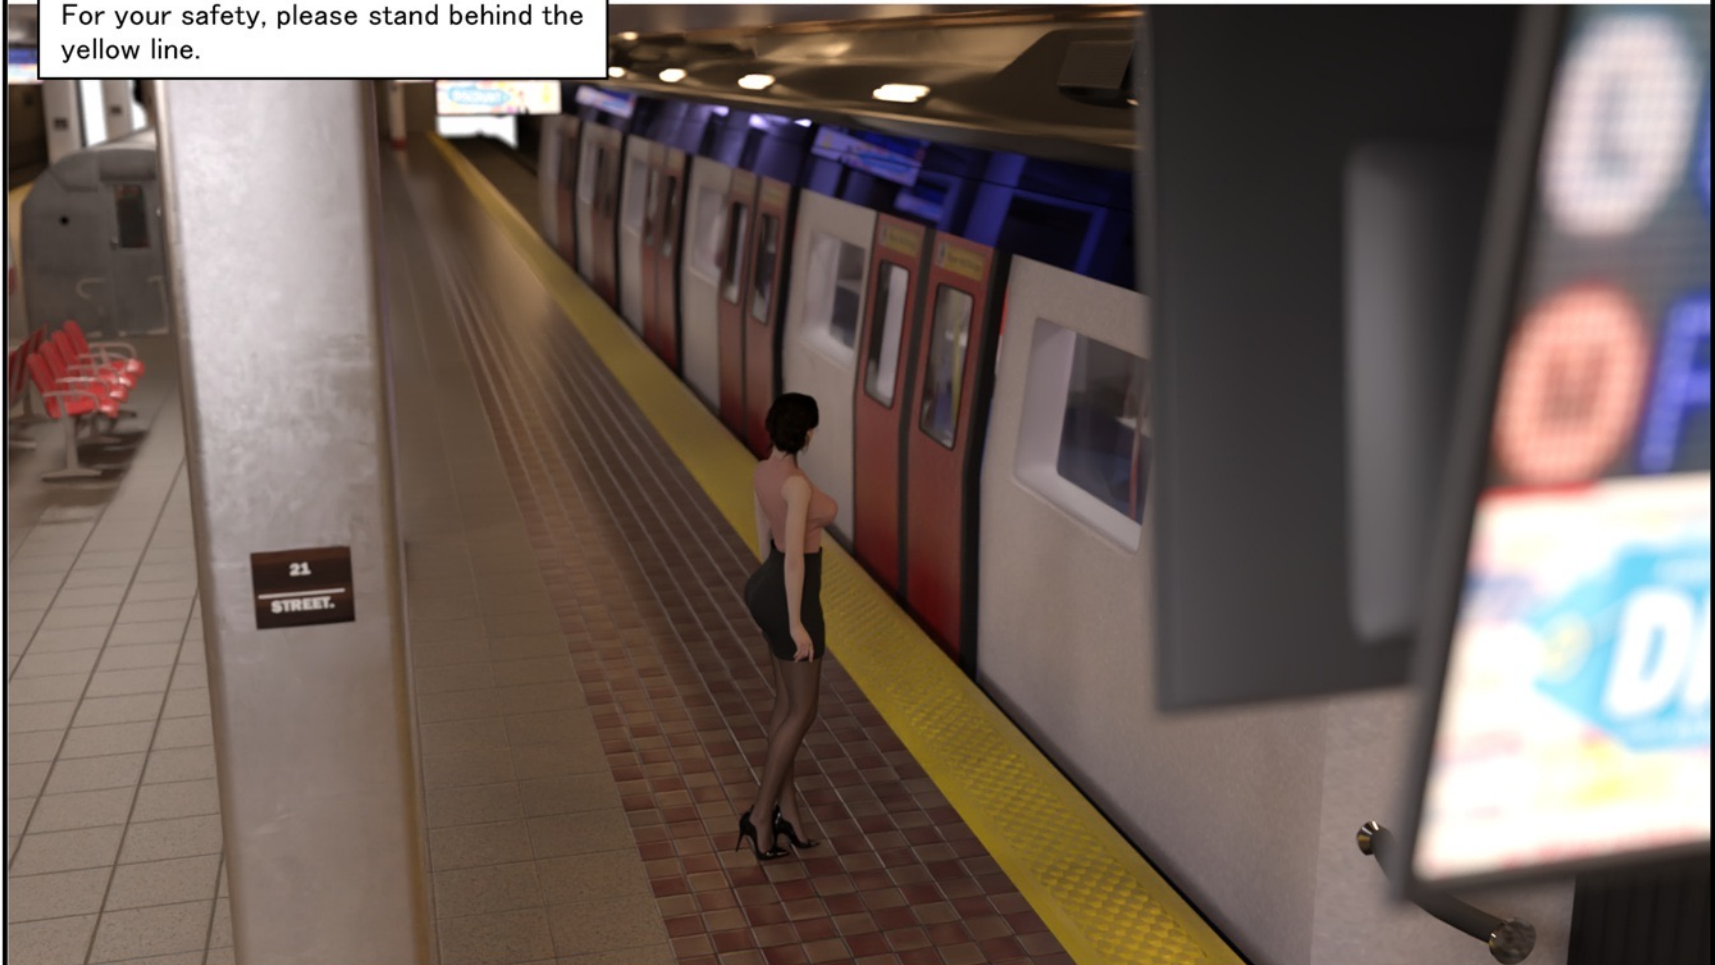

Of course I didn't forget. We're going to try on the wedding dress tomorrow, right? Come pick me up in the morning~

Today is Lin Yue's last day at work. Her wedding with her boyfriend is next month. Until now, everything still feels unreal to her. As an ordinary office worker, she somehow landed such an outstanding fiancé. She's full of hope for the future.

Ding!

Station broadcast: The train has arrived.
For your safety, please stand behind the
yellow line.

The last train is as empty as usual. Only a few drunk office workers and people like Lin Yue who got held up.

(...Another drunk uncle again)

Sitting across from the uncle is a plain-looking female college student heading back to her dorm.

(Finally I can sit down. I'm exhausted.
I knew I shouldn't have worn heels today.)

After sitting, Lin Yue glances around and notices two more passengers farther down the same car.

One is a yellow-haired guy who looks like a delinquent, and farther away sits a pregnant woman.

(Whoa, a female college student at this hour. She's pretty cute. Maybe I'll ask for her number before we get off.)

Baby, the doctor said you're very healthy today. In two more months you'll finally meet Mommy.

Weird. Would a pregnant woman really be riding the subway alone at this time?

Why isn't it moving yet?
Didn't we already pass the departure time?

For some reason, Lin Yue feels an
indescribable, strange atmosphere filling
the car.

Station broadcast: Doors are closing...

Hah... hah...

Lin Yue looks at the guy in front of her with slight displeasure. He looks like a university sports student—crew cut, rugby team uniform, deeply tanned skin. He probably spent the whole day training; he reeks of sweat and doesn't match her idea of handsome at all. She's never liked athletic types. She prefers clean, refined guys like her fiancé.

Sorry, sorry

Once he catches his breath, the guy realizes he made too much noise and draws everyone's attention. He quickly apologizes.

小林緑子
KOBAYASHI

He steals a glance and only then notices how beautiful the woman in front of him is. It makes him even more flustered—he's barely talked to girls before.

As if deliberately waiting, the doors slowly close only after the last person boards.

As the train leaves the platform, everyone
sits quietly, waiting to reach their stop...

Train broadcast: Welcome aboard. This train
departs from ○○ Station. The next stop is...

In addition, cars 1 through 8 are exchange cars. Passengers' bodies will be exchanged. Please take note...

Train broadcast: Please complete the body exchange with your chosen partner before exiting the train...

Huh? What the hell is this? Some kind of crew prank?

Lin Yue looks around and sees the other passengers are just as confused.

Ah, what does that mean?

What is this even talking about?

Right after the broadcast ends, something strange happens. Passengers in the next car start making weird noises.

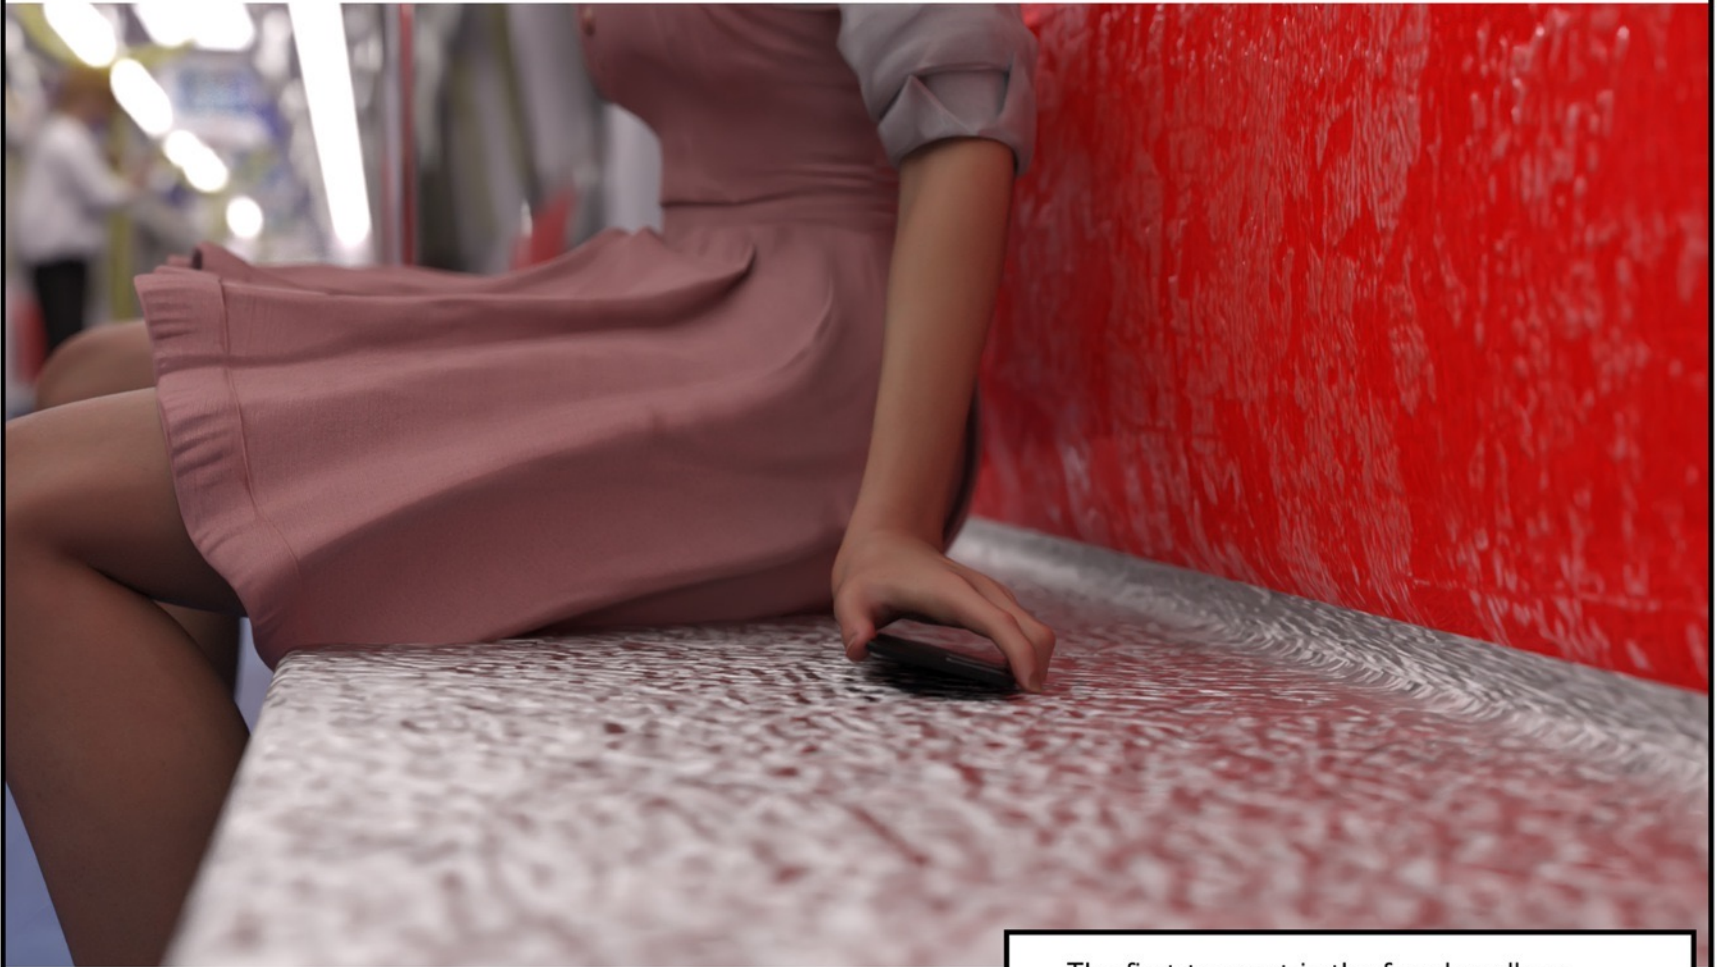

What's going on? Why's it so noisy next door?

The panting sounds roll closer like a wave,
reaching Lin Yue's car.

Hey, you... what are you doing...

The first to react is the female college student sitting across from the drunk uncle.

Ahaha, body exchange? How interesting.

Uncle, looks like you're my swap partner.

Don't you want a girl's body?

No way... what is she doing? Is that broadcast for real?

Little handsome guy... we have to swap too,
right?

What the fuck, auntie, what do you mean by that...

I don't know either, but suddenly I think
you're really hot... and your body looks so
strong...

No way, auntie, how old are you even...
Swapping with you or whatever...

Besides... you're pregnant...

The delinquent is still resisting, but his tone toward the married woman gradually softens and turns almost gentle.

But deep down you're looking forward to it, aren't you? Graduating from being a delinquent and becoming a gentle mom instead. Right?

I can't take it anymore...

You're already a pregnant mom... yet you're still so sexy...

Ah~

What the hell is going on...?!

Do I really have to...

The other passengers' actions leave Lin Yue frozen. She can't believe the ridiculous broadcast actually made complete strangers start doing this.

小林緑子
KOBAYASHI

When she comes back to her senses, the sports student is already standing in front of her, breathing heavily.

You... what's wrong with you?

Ah?

He looks like an honest guy who wouldn't have the guts to do something like this, yet he's already grabbed her wrist.

Hah... hah...
Sis... I... I want it too...

The guy in front of her has a plain, somewhat tacky face and clearly hasn't had a girlfriend, but right now Lin Yue finds him far more attractive than her fiancé.

Even just his hand on her shoulder sends a wave of pleasure up her spine. Her whole body grows strangely excited.

Seeing her reaction, the guy takes it as permission. He pulls her into a hug, his hands sliding down toward her ass.

Even through her clothes, the places he touches feel burning hot, as if he's touching her bare skin. The pleasure mixed with unease leaves her flustered.

(Everyone else has already started.
If we don't do this... we probably can't
get off.)

Lin Yue glances around, trying to reassure
herself.

The two cling to each other like lovers reunited after ten years, waves of deep affection and intense pleasure surging from inside their bodies.

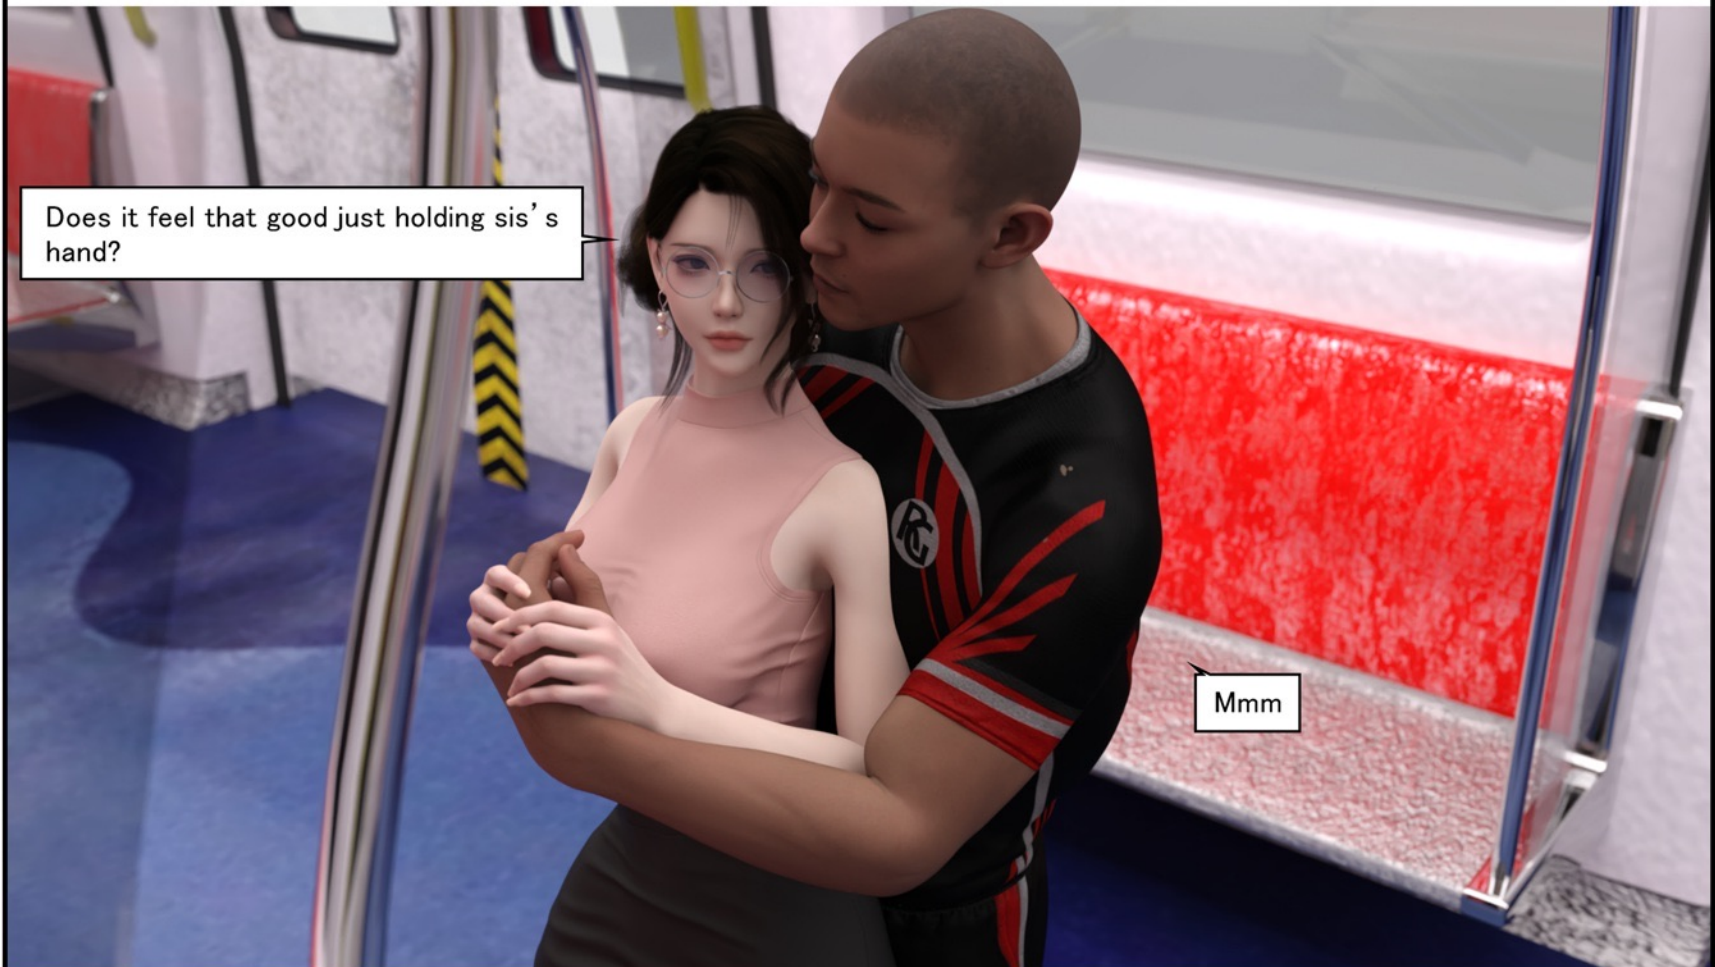

With the train's sway, Lin Yue naturally falls into his arms...

She gently holds his broad, slightly rough hand. Just that small touch makes something hard press against her hips and grow larger.

His reaction is so cute that Lin Yue can't help wanting to tease him more.

The moment her tongue touches his finger, a faint salty taste spreads in her mouth. Yet instead of disgust, Lin Yue only feels more aroused.

Licking a stranger's finger on the train while her body grows more and more excited—how is this possible? The numbing pleasure spreads from her tongue straight to her brain.

The excited sports student is already rubbing his erection against her tight skirt. Lin Yue starts unconsciously rocking her hips, savoring the hard bulge in his pants.

While she passionately licks his thick fingers as if giving oral, his other hand slowly reaches up to cup her breast.

The virgin sports student has no idea how to touch her properly. Yet compared to her fiancé's caresses, the clumsy groping sends even stronger pleasure through Lin Yue's mind.

At some point she notices he's quietly pulled his cock out of his underwear. The shaft, bigger than her fiancé's, is now pressed tightly against her crotch.

Lin Yue doesn't refuse. She squeezes her thighs together, feeling his cock through her panties and stockings with her pussy.

She sees her reflection in the window and realizes she looks exactly like some perverted slut from an AV. When did she become so lewd? She's always acted like a pure office lady in front of her fiancé.

She suddenly wants that cock inside her so badly. Just imagining gripping and stroking it makes her completely soaked.

Mmm ah~

When her fingernail lightly brushes the glans, the sports student immediately cums.

Ah, sis, I'm gonna cum!

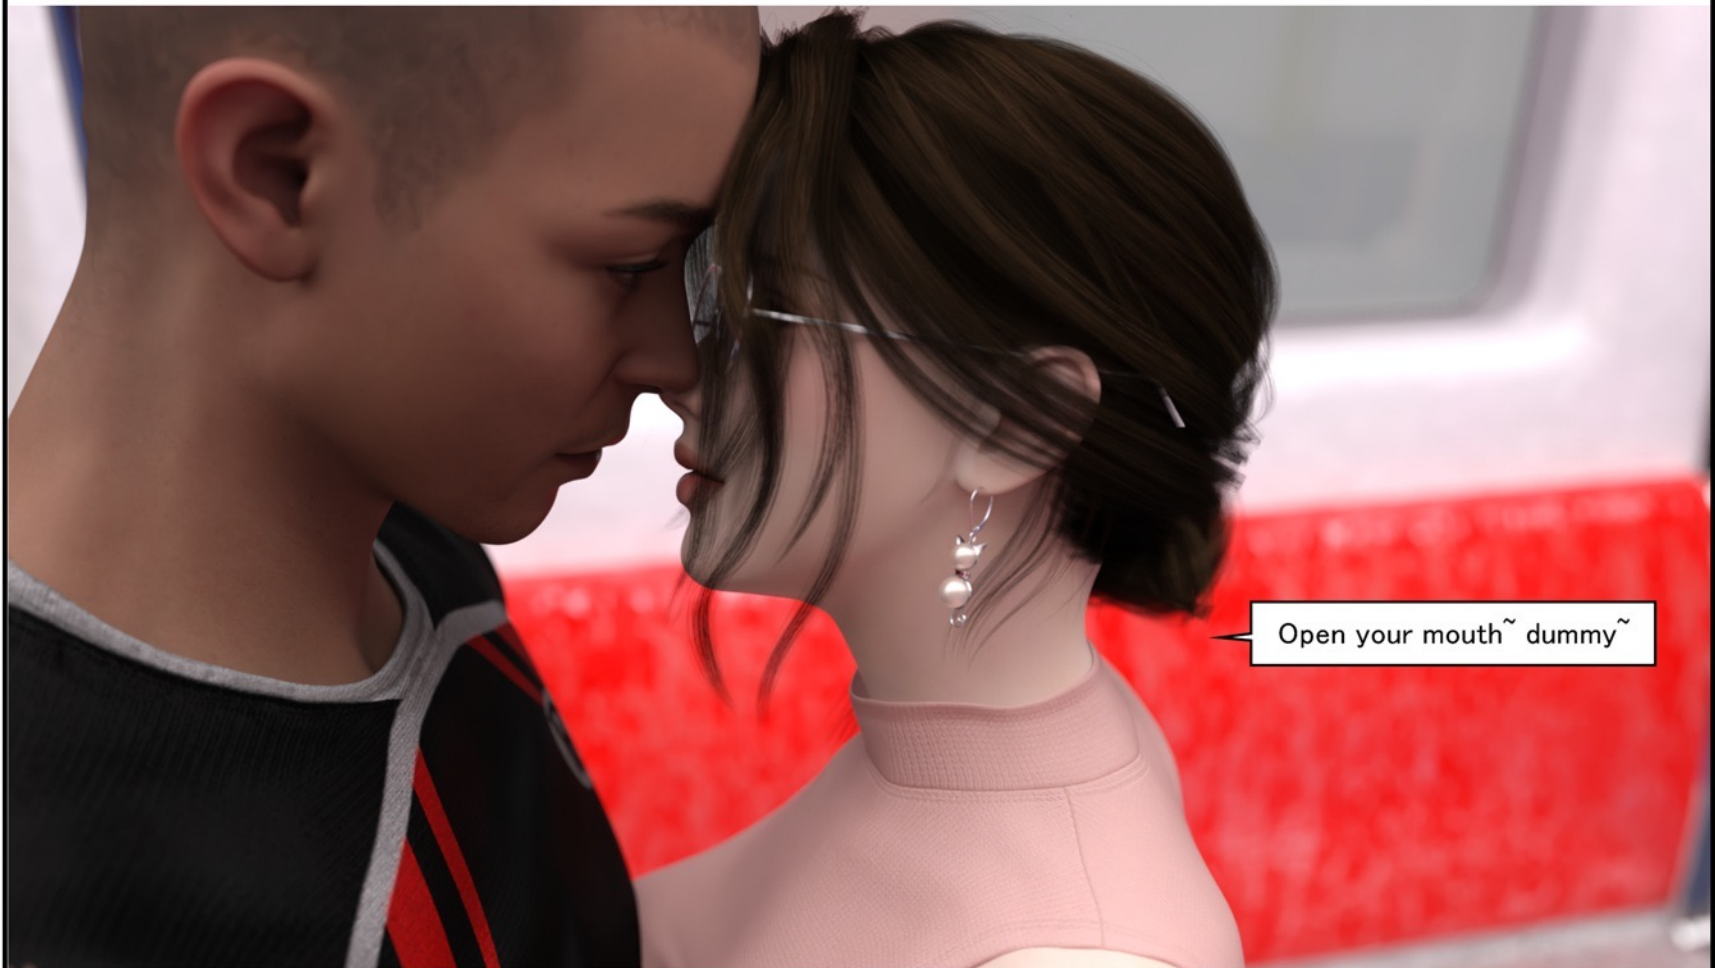

Even after climax, their desire doesn't fade. Instead, another strange impulse surges through their bodies.

Sis... I...

Shh... I understand~

小林緑子
KOBAYASHI

Lin Yue slides her tongue between his thick lips and guides him into a deep kiss.

She hugs the somewhat clumsy guy tightly, pressing her breasts against his uniform while their tongues keep entwining.

It's his first kiss with a girl. He breathes excitedly; his masculine breath hits her face. Both their heads start to burn and their minds grow hazy.

(I want to become one with him...
I want to become "him")

Lin Yue doesn't know why she's having such a strange thought. The inexplicable urge slowly imprints itself on her mind like a brand.

Hm?

The moment their lips part, Lin Yue realizes her body feels different—lighter than before.

She looks down and sees the breasts she should have are gone. In their place are firm, masculine pecs.

She looks up and sees the sports student's chest swelling under his clothes, clearly forming the shape of breasts, nipples visible through the fabric.

小林緑子
KOBAYASI

She stares around in shock and sees the same bizarre scene happening to everyone else in the car.

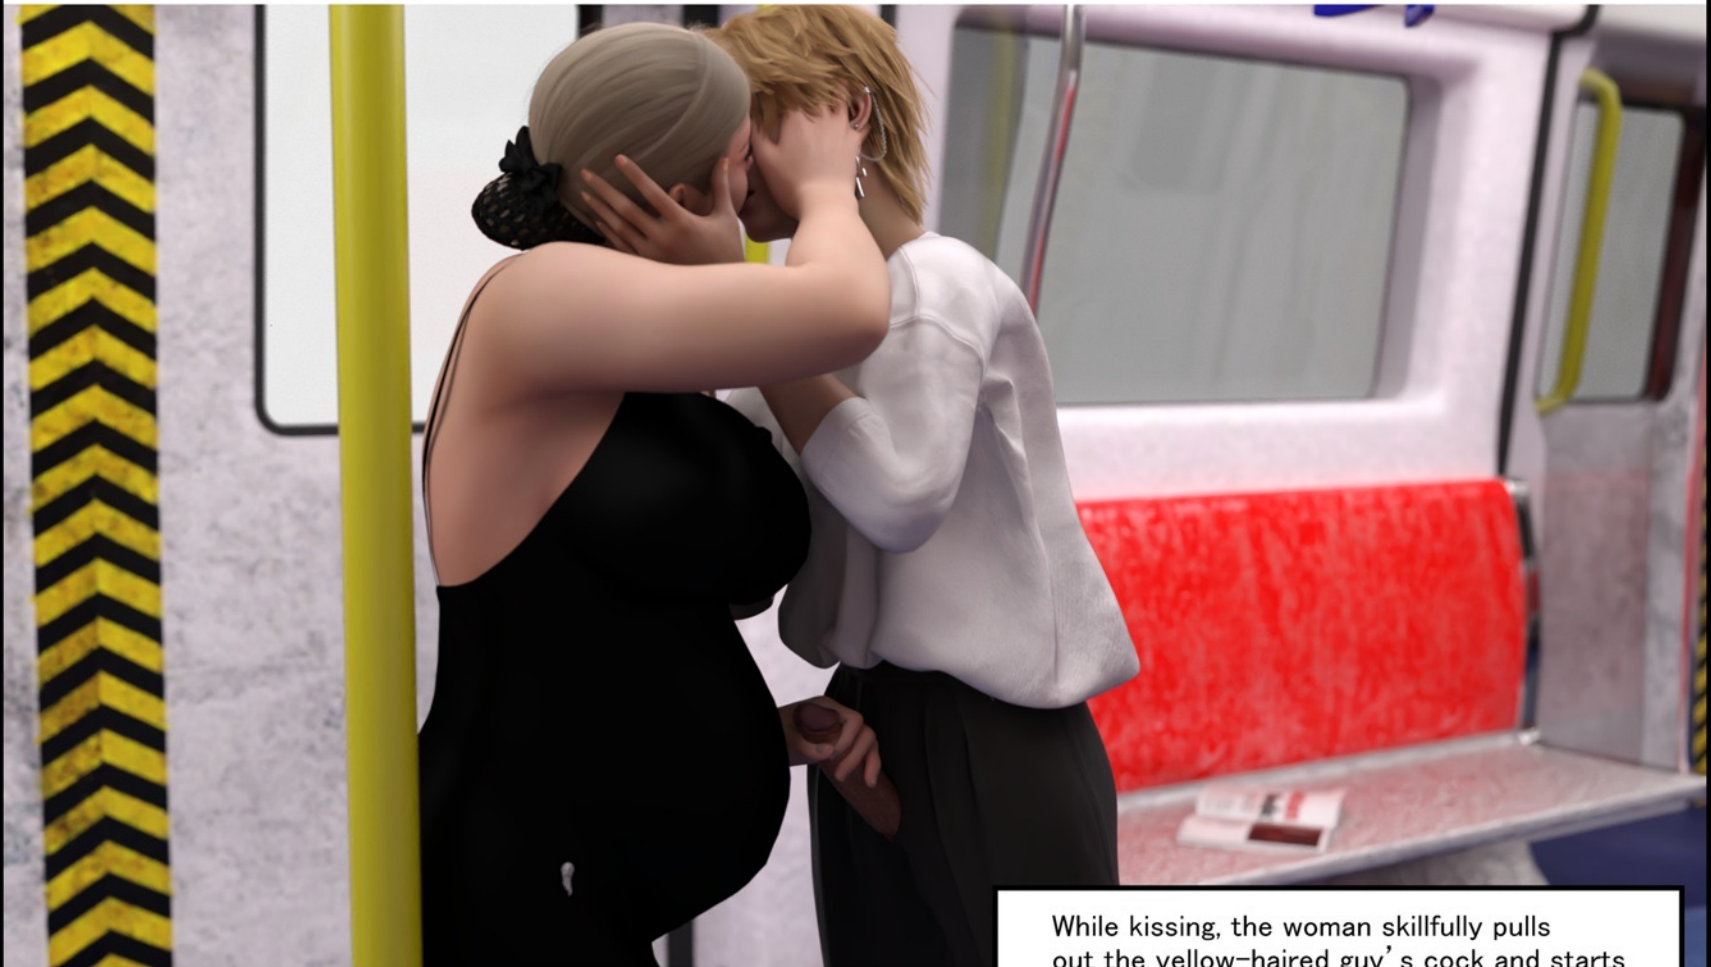

Farther away, the delinquent and the pregnant woman are also passionately kissing.

Auntie, your tits are so big and soft.

While kissing, the woman skillfully pulls out the yellow-haired guy's cock and starts stroking it.

Overwhelmed by the double pleasure, the delinquent quickly cums.

You're such a slut, auntie.
Jerking me off felt so good.
I really can't hold back anymore.

Mmm, little handsome guy, auntie can't wait anymore.

Ah, my lower body... suddenly feels so uncomfortable.

Suddenly the woman leans back, her face twisting in pain.

D-don't scare me, auntie.
You're not about to give birth, are you?

N-no... not my stomach...
it's... down there...

Aaaah~

As he speaks, something begins to bulge beneath the pregnant woman's dress, pushing the fabric into a small tent.

The delinquent also notices the abnormality in his own lower body.

No! My dick... feels so... weird

Even as he desperately tried to hold on, some mysterious force was making his cock smaller and smaller.

小林緑子
KOBAYASHI

Pixiv: www.pixiv.net/users/100328105

Ahh, ahh

With the changes finally over, the young woman let out a long sigh of relief.

Looks like your cock really has become mine now,
little stud. It's so eager it's tenting my dress this high.

You already know your body can't
fuck me anymore, don't you?

I... I...

Enough stalling.
Let's keep going.

I' m putting it in.

Hah! Hah! Mmm...!
A man's body feels so damn good...

Ah! My own cock is hitting my G-spot!
Lady, hurry up and creampie me!

Shit, I'm gonna cum!

As the cum slowly poured into the delinquent's body, his belly began to swell.

Aaaah~ It's filling my belly...
I think... I'm really becoming a mom...

Incredible. A few minutes ago you were a pregnant woman, and now you're already a futanari. You must feel it too, don't you, pregnant little stud?

My... my belly feels so heavy...

But it feels so safe...
I'm this baby's mother now.

That face on a pregnant belly is so fucking hot...

Keep going. Become me completely. Become this child's mother and feed her with my milk.

My cock's rock hard again. Come on, let's go another round!

The elegant lady, fresh from the most intense orgasm of her life, was already desperate for another round.

Yaa~ Don't be so rough. Be gentle,
I've still got a baby in here.

The delinquent had suddenly taken on the gentle personality of the elegant lady, while the lady's movements had turned rough and crude, flashing the same lewd grin the delinquent once wore.

On the other side of the car, the college girl was already happily sucking off the greasy middle-aged man.

The uncle was enjoying the girl's blowjob with a blissful look,
but at some point his receding oily hair had turned into cute twin-tails.

Haha, feels so good

Meanwhile, the original owner of those twin-tails now had a bald head and was happily sucking the cock in front of her.

Your tongue feels way too good! I can't hold it!

What delicious cum, uncle.

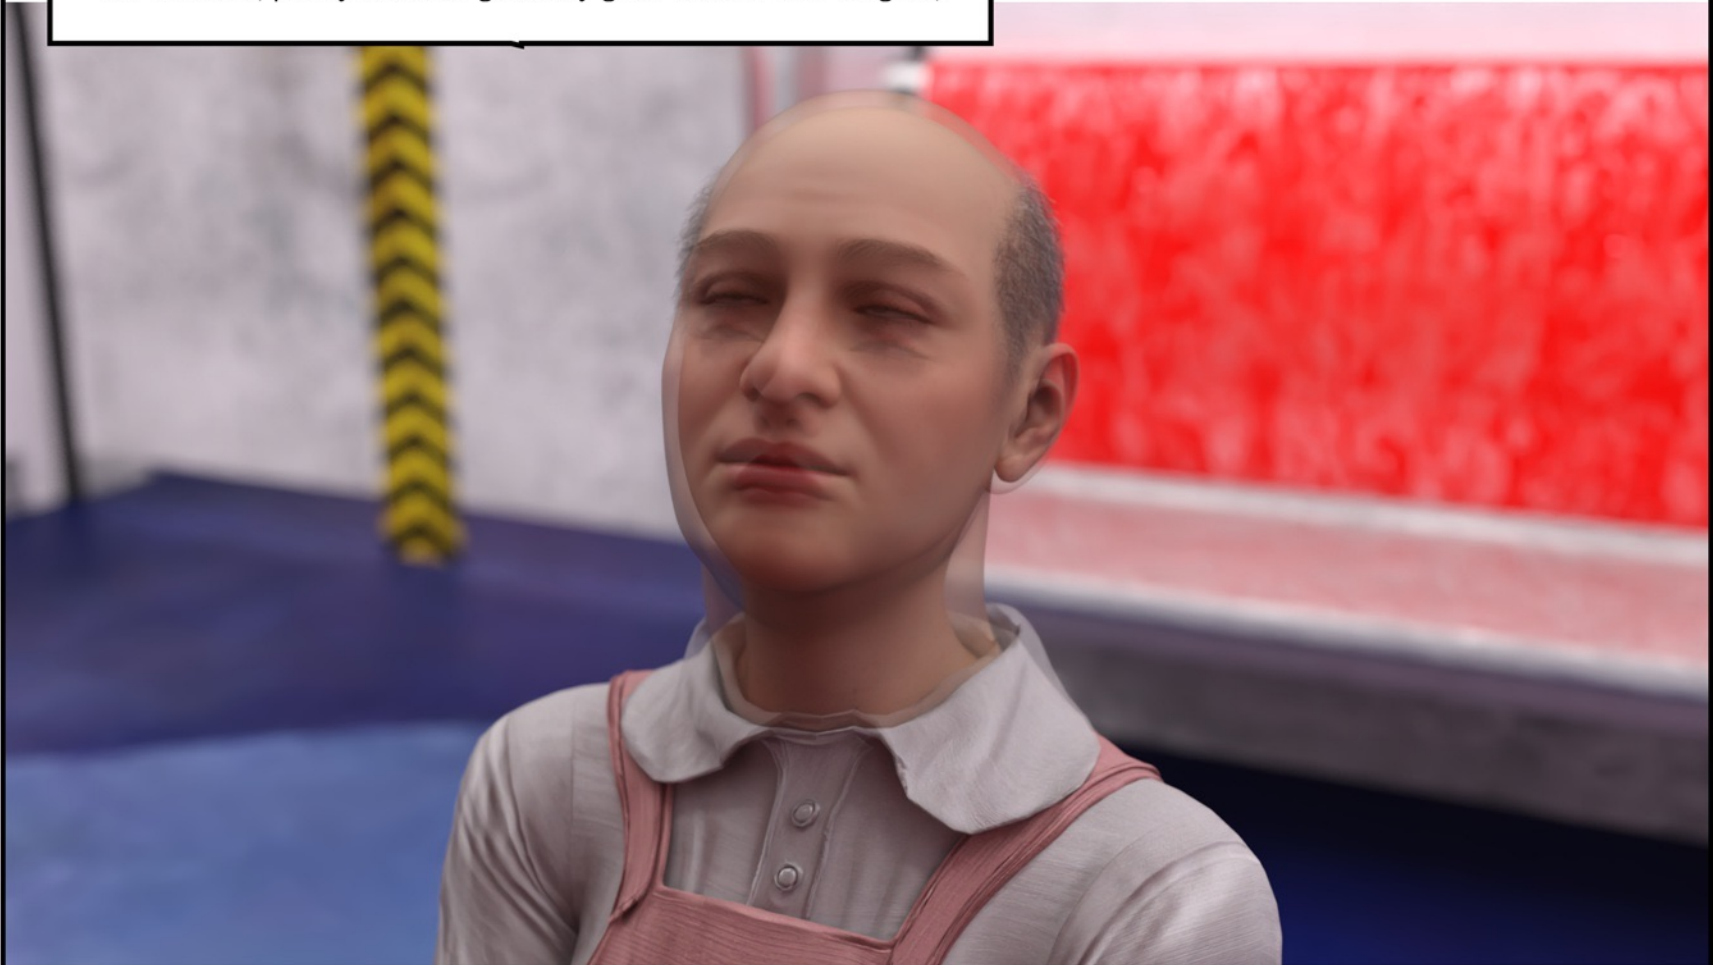

With that, the college girl greedily swallowed every drop.

As she licked him clean,
her face began to change in strange ways.

Her delicate, pretty features gradually grew broader and rougher,

Until it had completely become the uncle's face.

Whoa, my face...

Staring at her reflection in the window, head mismatched with her body, she felt no distress—only a strange, growing excitement.

This is wild. I really turned into an uncle.

Now in the uncle's body, she quickly stripped off her top, leaving the head that now belonged to her staring in shock. For some reason, their swap had started from the head.

小林緑子
KOBAYASHI

Her movements had become just as
sleazy as any middle-aged man's.

This is my own body, so why does it feel so strangely good?
Heh, I really wanna taste my own pussy.

Uncle, I finally get how you felt when you first saw me.

Just like that, uncle!

Ah~ It's going in~

Ooooohhh! Nooo!
I feel like I'm not myself anymore...

Hurry! I want to become a
pure college girl!

Hurry up, uncle! Use my cock and cum inside me!

Watching the scene around her, Lin Yue's rational mind began sounding frantic alarms.

小林緑子
KOBAYASHI

(I'm getting married next month. If this keeps going,
I'll turn into a male college athlete. Is that really going to happen?)

While she was still lost in thought, the guy behind her grabbed her shoulders again, breathing hard.

Sorry, sister!
I want to become you as soon as possible!

He had already taken off his shorts,
his cock now fully exposed.

Wait, hold on! I'm getting married next month!
If I turn into you now...

It's fine. I'll marry him in your place!

Ah! That's not what I meant...

But as the athlete's broad shoulders wrapped around her, Lin Yue's reason melted away under the overwhelming pleasure.

Unlike before, the athlete's strong chest had become Lin Yue's soft breasts, now pressed against her own flat, masculine chest.

(What is this feeling? My tits used to feel this good?)

She savored the softness of her chest. In this reversed-gender situation, pleasure surged straight to her head. With every wave of sensation, her body changed bit by bit.

Her muscles grew firm, her ass turning into a tight, masculine shape, while the athlete's ass became a soft, feminine peach.

You're so hard. Let's change positions.

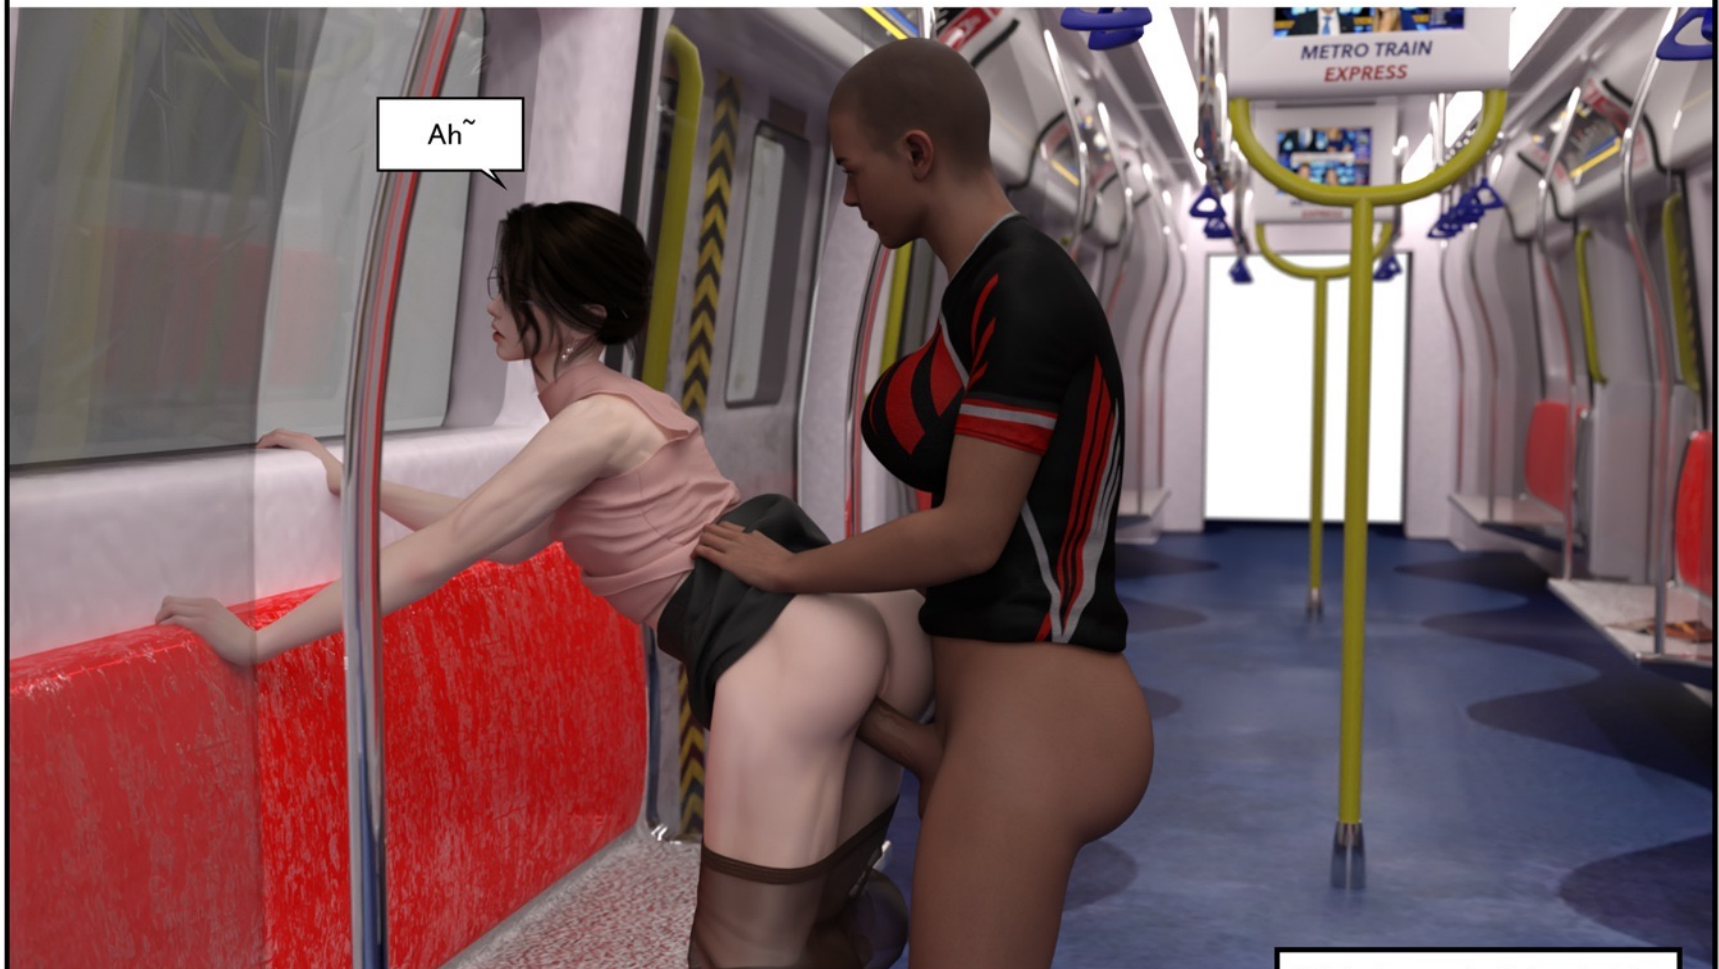

Taking Lin Yue's consent as permission, the athlete yanked down her black stockings, trying to push his cock into her pussy.

I'm putting it in, sister!
I want more of your body!

Lin Yue kept growing stronger, her muscles taking on a trained look, her abs becoming hard and defined.

As her body changed, her clothes stretched and distorted.
The figure that was supposed to wear a wedding dress next month
was gradually turning into a sloppy sports guy.

Meanwhile, the athlete's body grew slimmer and slimmer, the gap between their physiques reversing.

This is great! I'm looking more and more like sister!
I want to be even more like you!

He sped up his thrusts. Lin Yue couldn't speak anymore, only letting out conquered moans.

Slowly, her once-pale skin darkened from outdoor training, and body hair began to appear.

Her slender, manicured fingers were replaced by thick, burdock-like ones.
Her carefully maintained nails became wide, dirt-stained, and unkempt.

Even as she noticed these changes, Lin Yue found herself smiling. When she realized it, it felt like her mind had flipped over.

(It's so strange. Why did I hate this guy
just a moment ago?)

(If I stayed an OL, playing rugby would be impossible.
Wouldn't it be more practical to play after swapping bodies?)

(Maybe I could even go pro.)

(Rugby? Have I always liked rugby?)

She finally realized her thoughts had swapped with the person behind her. Recipes she used to know were gone. Her favorite idols had changed from male actors to cute female ones. Her interests, personality, and fetishes had been completely overwritten by the sweaty baseball player. The fiancé she had loved minutes ago now meant nothing. Of course—it only made sense. She liked girls now. Feeling nothing for men was normal.

Yet Lin Yue felt strangely happy,
a pleasure like finally becoming her true self.

Aaaah, sister, I' m gonna cum.

Oooohhh~

I hadn't even dated anyone yet, and now
I already have a wonderful fiancé.
Next month I'll become a beautiful bride.

Lin Yue noticed their faces had completely swapped too.
"His" face had become her former beautiful woman's face...
even their hair had exchanged at some point.

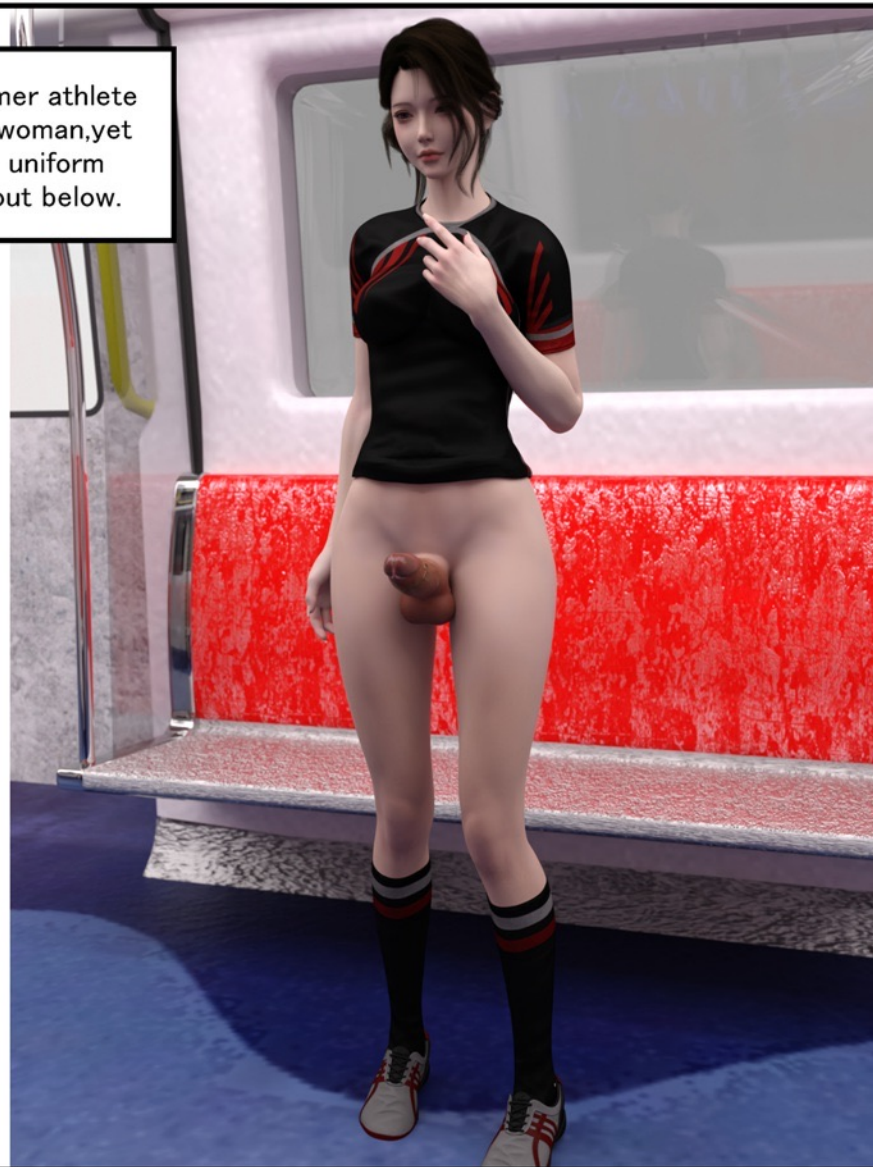

Looks like we've swapped everything except our genitals...

Lin Yue looked at the person in front of her—the former athlete—and for a moment didn't know how to address him.

Still flustered by the beauty before her, she
unconsciously touched her own short,
clean-cut hair.

From the outside, the former athlete
now looked like a young woman,yet
wore a university rugby uniform
with a stiff cock poking out below.

Lin Yue, meanwhile, was a guy in an OL suit,
her pussy wet and excited.

You're still a virgin, right?
I was you until just now,
so I know everything.

Sister will help you later... but first,
let's swap the last parts too.

Ooooh! Really?

Using her now muscular body, Lin Yue slowly sat down in her high heels. The cock slid into her pussy—her last remaining female organ.

Relax. Sister will guide you.

You're actually pretty cute...

The pussy of Lin Yue, now in the athlete's body, tightly wrapped around the cock that would soon be his, rhythmically penetrated.

Ah~

My cock... feels incredible too!
I'm glad I can say goodbye to being a virgin like this...
I'm gonna cum!

Please, sister, cum inside me.
I want to become a man completely.

Lin Yue felt a warm rush enter her body, the final female orgasm overwhelming her.

Aaaah, it feels so swollen down there!

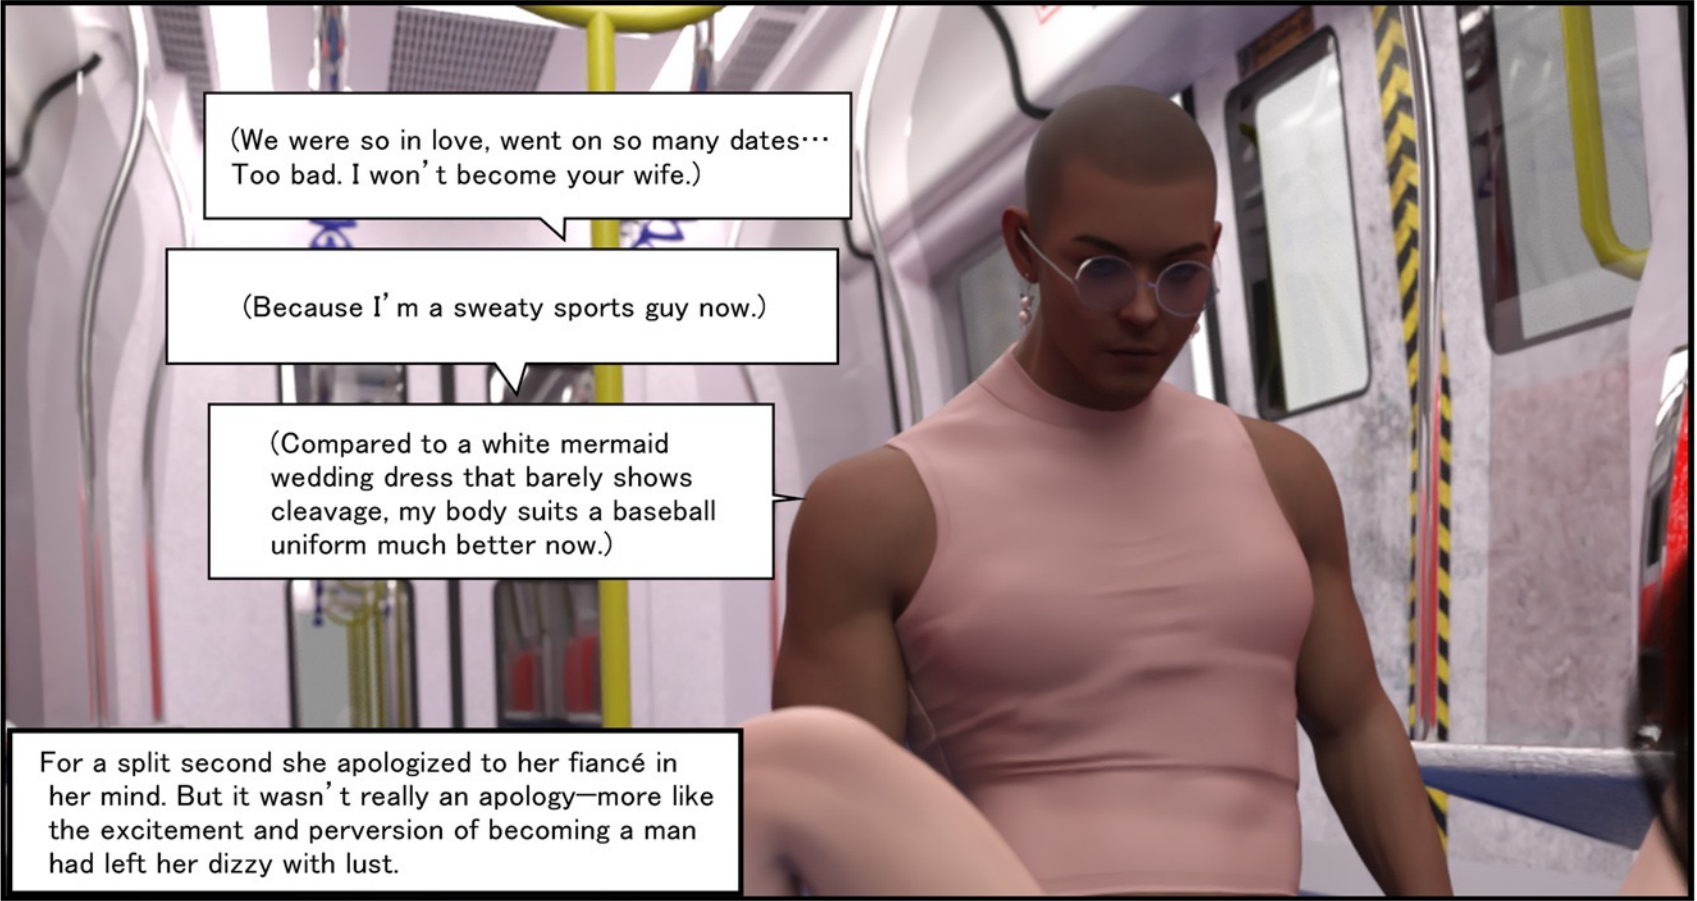

Finally, with the injection of cum, Lin Yue's original clit began to swell, gradually turning into her virgin cock.

(Ah, no—for me now, that guy isn't my fiancé at all.
He's just a good buddy who fucked the same woman.)

Hah... my cock... it's growing out.

(Yesterday my fiancé's big cock was
still inside me,
and today I have my own.)

She had finally become the athlete completely,
leaving behind the alluring woman who was about to be a bride.

A man with a shaved head, wearing round glasses and a pink tank top, stands in a subway car. He is looking down with a serious expression. The background shows the interior of a subway car with yellow handrails and a window.

(We were so in love, went on so many dates...
Too bad. I won't become your wife.)

(Because I'm a sweaty sports guy now.)

(Compared to a white mermaid
wedding dress that barely shows
cleavage, my body suits a baseball
uniform much better now.)

For a split second she apologized to her fiancé in
her mind. But it wasn't really an apology—more like
the excitement and perversion of becoming a man
had left her dizzy with lust.

Huh? Sister...

She looked up and saw a sight that
made her new body throb with excitement.

The big sister who had just been a sloppy athlete was now lying in an M-shape in front of her, gazing at her with loving eyes. The pink pussy that had once belonged to her was completely exposed.

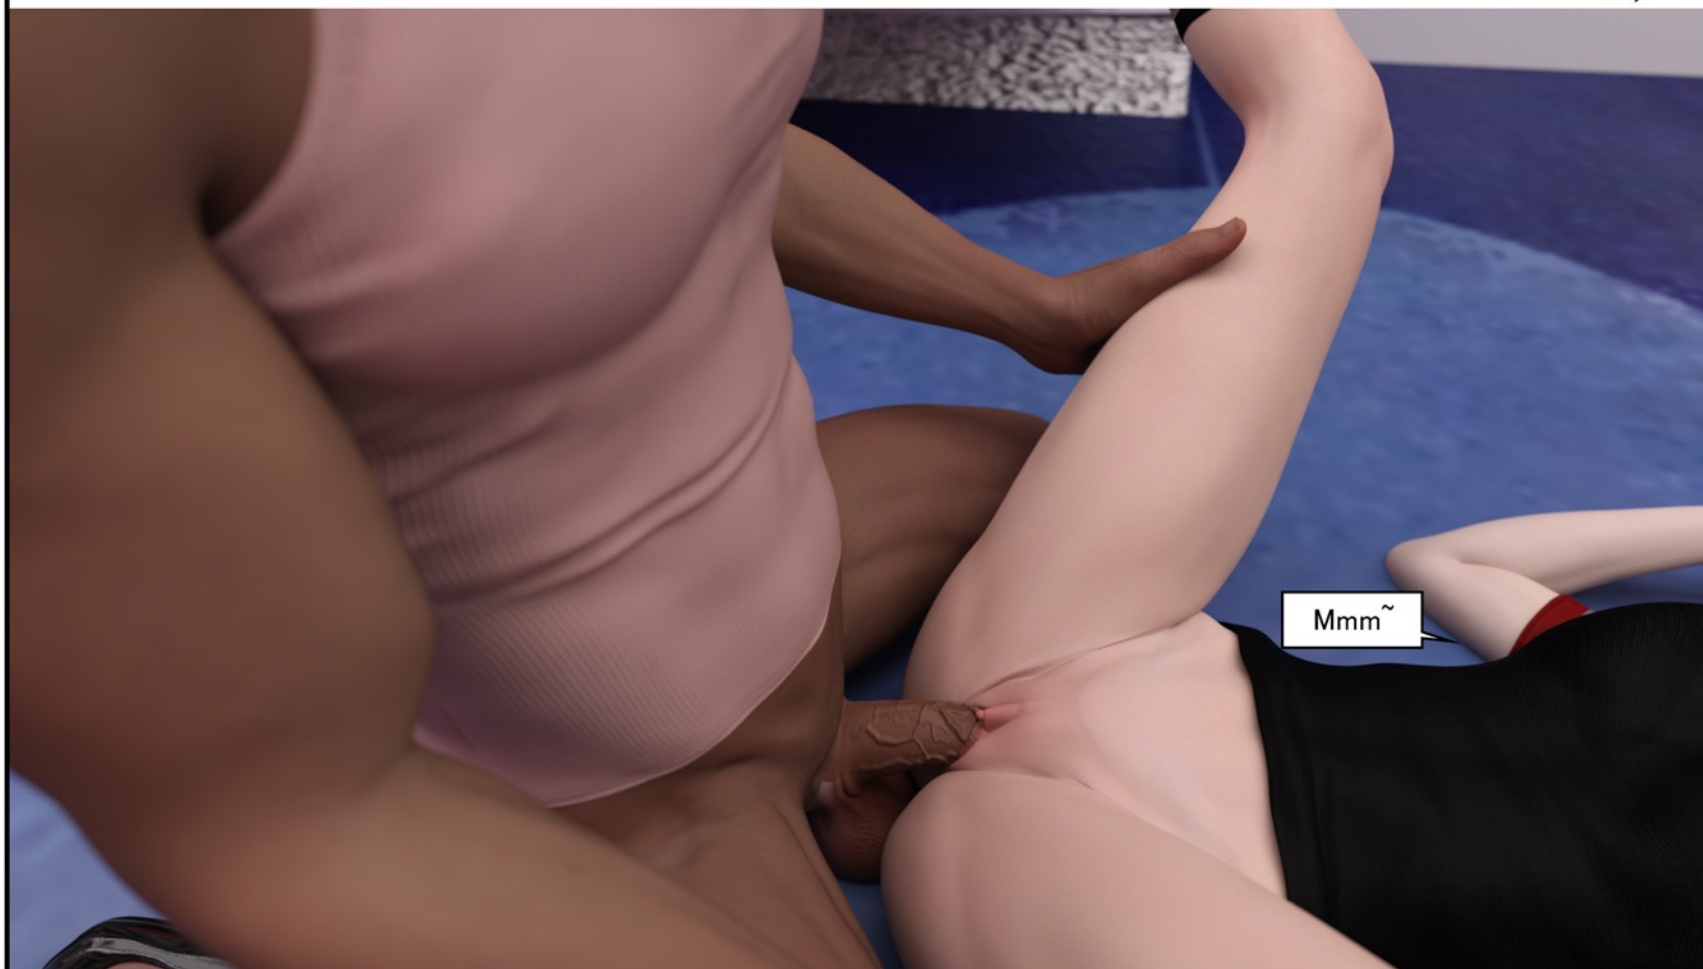

Sister, I really want to fuck you...!
Please take my virginity!

Mmm...

She approached the pussy with her thick cock. The sister shyly looked away, wearing an adorable expression.

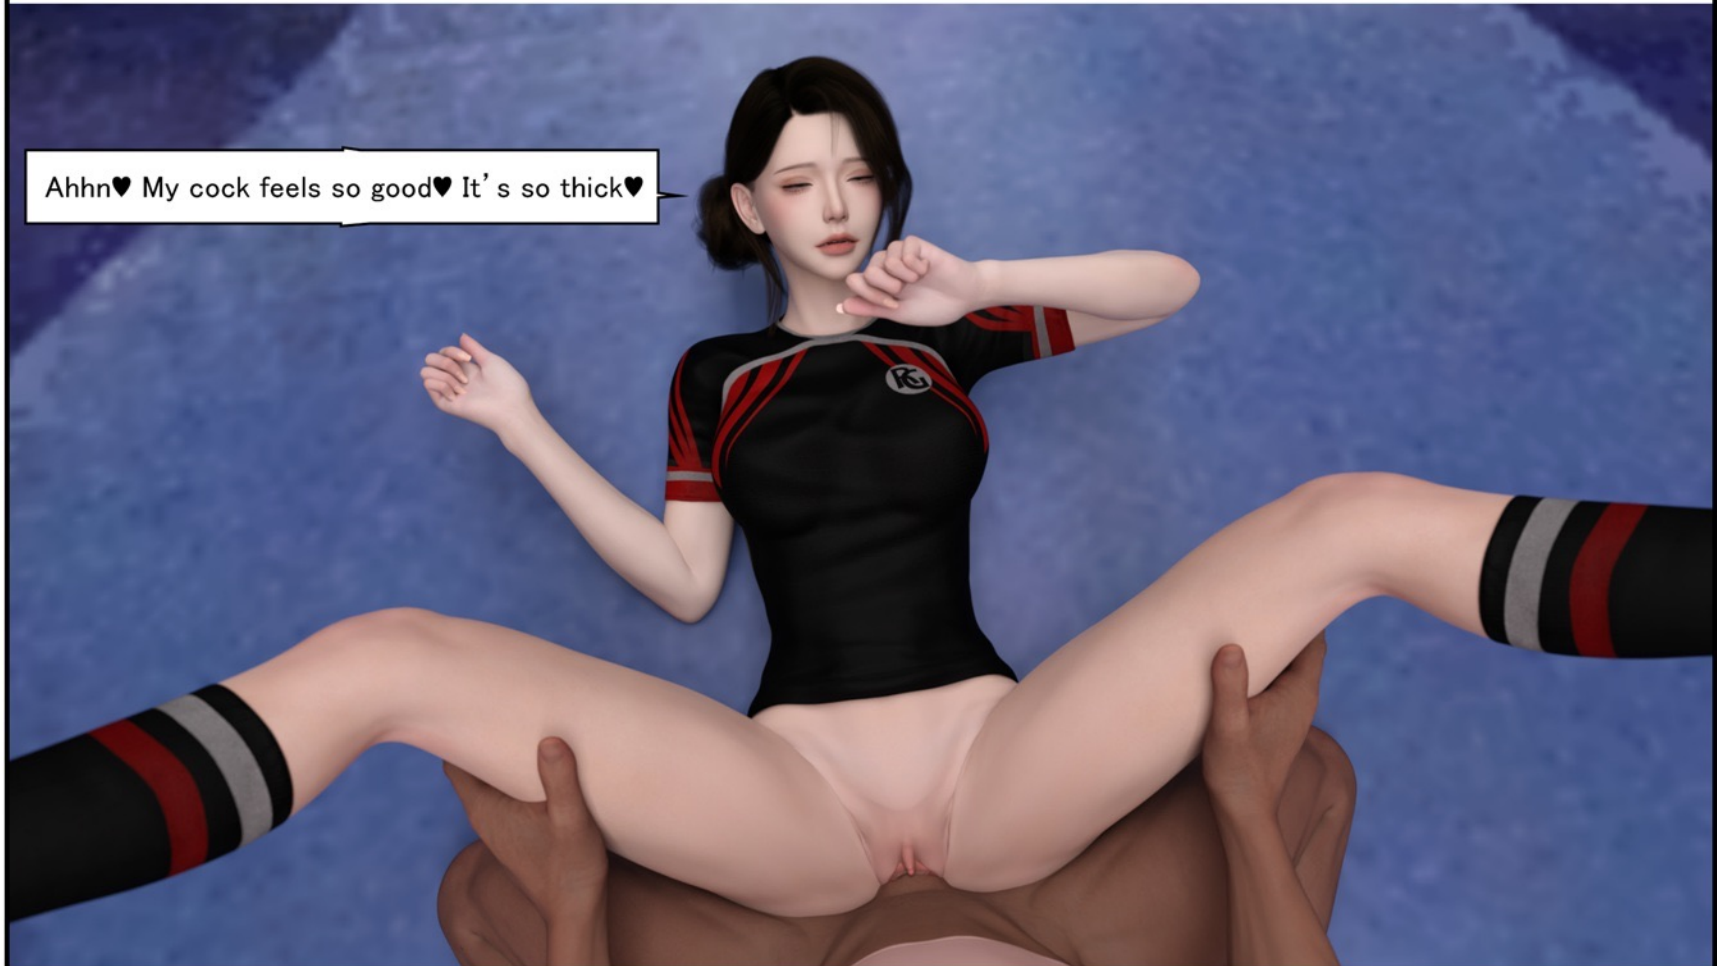

Yaa~ It's so thick

If I'd stayed a woman forever,
I never could've fucked my own
pussy with a cock.

Ahhn♥ My cock feels so good♥ It's so thick♥

What's happening? Something's coming out!
I'm gonna cum!

Lin Yue's male cum poured straight into the
vagina that had belonged to her just moments ago.

And just like that, she gave her virginity
to the beautiful sister she had only met that morning.

♥Hahh♥ I' m so full♥
♥Being a woman feels so good♥

The passengers' swaps were gradually coming to an end,
and the train pulled into the station.

What an amazing body, young and full of energy.
Finally no more waddling around with a big belly.

How could that be? Pregnancy is such a happy thing.
Feeling the little life growing inside me,
I'm really looking forward to the baby's birth.

Um... we can still meet again, right?
When my husband isn't home...

The young pregnant woman, who was a delinquent youth until recently,
said shyly.

Of course, auntie. You're so pretty. Hit me up when your husband goes to work and I'll come take good care of you.

No way~

For the married woman now in the delinquent youth's body, having such a young and pretty regular hookup was exactly what she wanted.

That last round felt so damn good.

By the way, I know money's tight while you're studying alone in this city. If you need cash, come find uncle. Just spend one night with me.

Okay, I'll contact you when I need money.

Yeah, you're that uncle from earlier, right?

After swapping like this, I think you
look really cute now.
Don't you think this setup is perfect for
us to start dating or something?

Ah, it's you. You're that pregnant woman
from before.

Before getting off, Lin Yue and the sports guy swapped clothes. Lin Yue put on his sweaty sports outfit while he wore her OL suit, looking just as pretty as when she boarded.

小林緑子
KOBAYASHI

Let's meet again this weekend. I still
have a lot I want to say to you.

The woman leaning in suddenly brought a soft
fragrance that contrasted with the sweat smell
Lin Yue was giving off now.

Pixiv: www.pixiv.net/users/100328105

Looking at the delicate face in front of her,
Lin Yue felt her cock twitch again and quickly
agreed.

Oh yeah, no problem at all, sis!

Don't be so nervous, you little dummy.
We're not strangers, right?

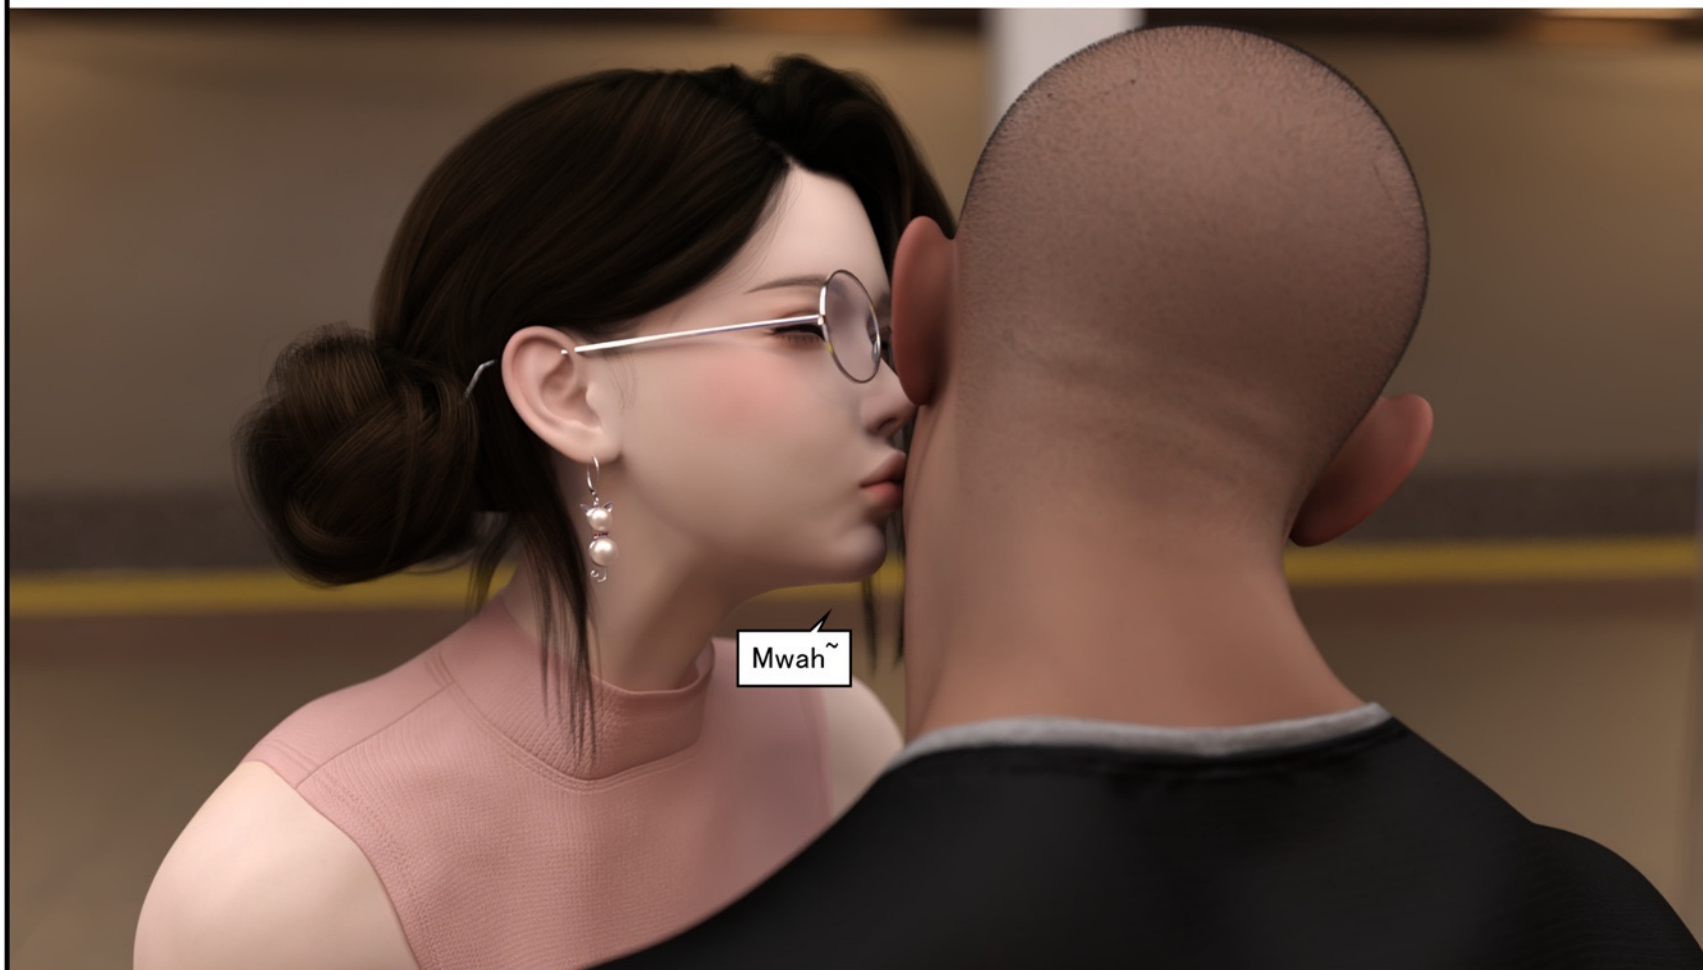

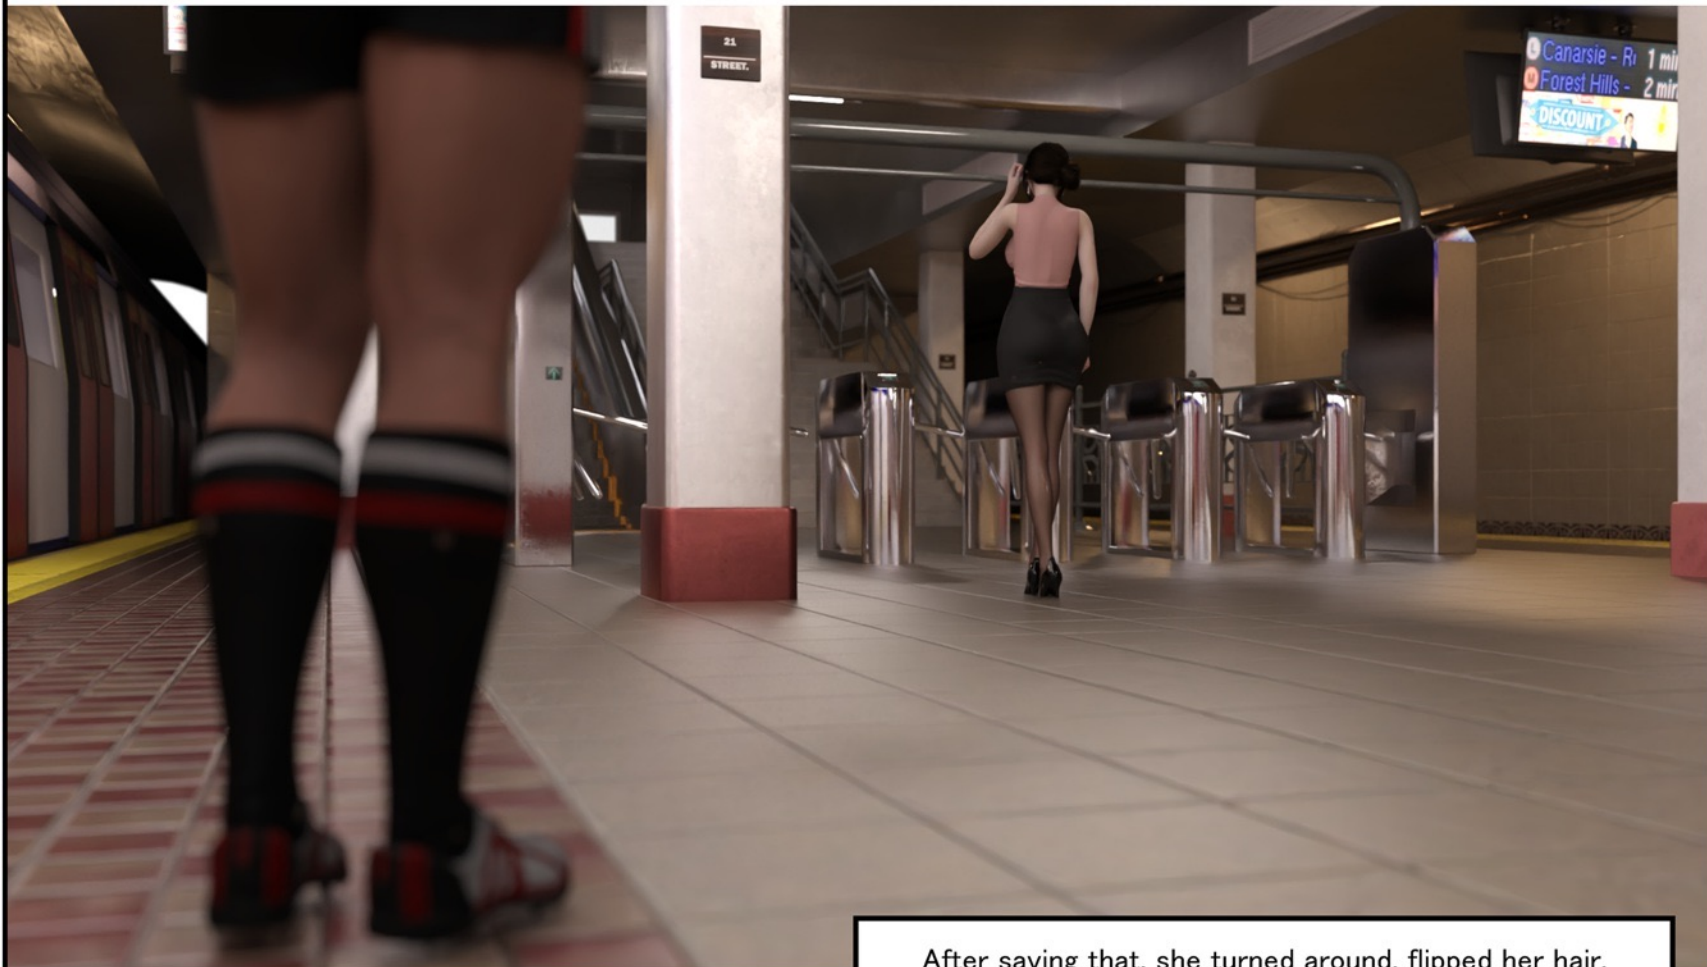

This is...

Oh right, take this.

Sis's panties~ Use them when you go home and masturbate tonight.

After saying that, she turned around, flipped her hair, and walked confidently toward the ticket gate.
