

Nothing is ever easy

PRODUCTION DEPARTMENT
NEW PREDATORS INC.

I UNDERSTOOD
HOW THE SERUM WORKS
ON HERBIVORE
BEASTMAN.

A hand is holding a dark blue, cylindrical bottle of Predator serum. The bottle has a label with a Predator's face and the word "PREDATOR" printed on it. The hand is shown from the side, with fingers gripping the bottle. A speech bubble is positioned above the hand, containing the text "BUT HOW DOES THE SERUM WORK ON PEOPLE?".

BUT HOW DOES
THE SERUM WORK ON
PEOPLE?
