

GTSX-3D PRESENTS...

# CHRISTMAS WEIGHT GAIN

IT'S THE HUNGRIEST TIME OF THE YEAR!

TEXT AND DIALOG VERSION

NUDITY  
STRONG LANGUAGE

**The coziest holiday of the year is right around the corner ! Everyone was racing to get the best Christmas tree decorations for the highest discounts, while others decided to get their own personal little santa toys as well.**

**This, is the story of a woman named Ruby, who decided to purchase her own little santa toy and put it in a tiny cookie doll-house.**

**The catch is, this santa toy was no regular toy. It could speak, it could talk and engage in conversations as if it was a tiny little human.**

**Hmm?**

**Good morning, Santa!**

**Ho ho ho! Good morning  
Ruby! You look gorgeous  
today!**

**You might be thinking "Chosen for what?"... As mentioned before, this tiny little "toy" is no regular one, and that doesn't mean all the other toys are like this, just this specific one, as if a spell was cast upon it, bringing it to life.**

**For the past few days leading to Christmas, Santa convinced Ruby that if she removes any restraints from her diet, and if she eats as much sweets as she possibly can, she might be seen as worthy by the queen of the world where he comes from, and she'll be able to meet her and get her every wish granted.**

**It sure sounds like it! Keep up the energy and you might just be chosen!**

**Awww thank you! I woke up quite hungry..**

**Come on out, let me show you  
what I've made for breakfast!**

**Your fingers are a bit sticky,  
and they smell like chocolate!**

**Ruby always loved Christmas a bit more than everyone else, she never grew out of the childhood love she had for Santa, and for waking up to gifts for being a "good girl". That's why she took all of this very seriously, and always ended up going the extra mile in order to properly decorate her room. And that includes a beautiful tree, cute little cookie house decorations, Christmas themed toys, candies and baked goodies, and even clothes/lingerie!**

**2**

**Y-You think so? I'd love to meet the queen, I have so many things I'd like to wish for... I haven't told anyone about this, or about you, because they'd think I'm crazy, to say that my toy happened to be a tiny little real Santa... hahaha**

**1**

**You seem to be doing very well, Ruby! The queen might just invite you if you keep going at this rate!**

**1**  
Look what I have here, I made this super big cup of hot chocolate, candy canes, marshmallows and a caramel bar, must be at least a thousand calories in this alone, and I'm just getting started for the day!

**2**  
Oh wow! That's a really good start. Remember that today is the last day, and Christmas is tomorrow, so you really have to push yourself today to impress the queen

**When she first saw that her little toy could talk, she thought she was crazy, until she filmed it and shared the footage anonymously, only to be met with comments of people saying it's CGI, and that it's clearly edited. After that, she knew what happened was a true miracle, and while Santa's intentions weren't really clear on why he keeps pushing her to gain weight and over-indulge in food, she didn't really seem to question the things he said and believed his every claim, trusting his intentions and furiously chasing her dream of getting every wish granted by this mysterious queen.**

**Muaaaah**

**Hohoho! Your lips  
are so cushiony!**

**It was December 24th, Christmas Eve, the night in which the queen will make up her mind on inviting Ruby back to her world, or not. So, without any time to be wasted, Ruby chugged that hot chocolate, all while thinking what she was going to have next.**

**\*GuLp GuLP\***

**That's right, Ruby, drink up!**

**Mmmmmmmmm**

**Lately, Ruby's appetite has been off the charts, almost as if she was cursed with an insatiable appetite. Ever since she knew about the awards that awaited her if she's chosen, she has been constantly eating and snacking, and her body seemed to mysteriously put on weight, at an astonishing rate.**

**Mmmmmm it tastes so good...**

**Her already massive ass would randomly and almost instantly start to swell and fatten up as she consumed things around her**

W-why am I so hungry all the time?

**Mmmmmm I need to have  
a refill..**

**Right after finishing the first mug, she immediately went to the kitchen for a second refill, with even more sweets, marshmallows and chocolate bars inside!**

**To no one's surprise, her ass wasn't the only thing that kept expanding, but so was her busty chest and her round, soft belly.**

**She was slowly but surely shrinking out of her wardrobe, but she didn't care. She was truly dedicated to getting what she wants, and if it means putting on a few pounds that she could later burn off at the gym, then why not?**

Little did she know what was awaiting her...

**The day seemed to go by fast. Between the constant eating and snacking, Ruby found herself in a spiral of food comas, truly stepping out of her comfort zone and living the life of a gluttonous pig.**

Then evening came, the moment she was so eagerly looking forward to...

**1**  
So tell me, Santa, how does it work?  
Will a bunch of deer fly by the window  
and take me to the queen? Or is she  
personally going to visit me? I wonder...

**2**  
It could happen anytime now, I can't  
really explain it for you... You're gonna  
have to see it for yourself if the queen  
ends up inviting you

A close-up shot of a hand holding a tiny Santa Claus figurine over a pregnant woman's belly. The woman is lying down, and her face is partially visible on the right side of the frame. The background is a soft, out-of-focus pinkish-purple.

**2**

**Yes! Yes there is. The queen has sent many little Santas like me all over the world**

**1**

**I'm so nervous, I really hope she's going to choose me... Are there other girls participating in this competition?**

**1**  
Oh wow, she must be so powerful,  
to manage all of that on her own...  
like some sort of Goddess!

**3**  
Wow... that sounds so cool,  
what do you mean by recruiting, though?

**2**  
Indeed! She does however need our help,  
by sending us to your planet and recruiti-  
I'm sorry, I mean motivating some of you to  
impress her and get what you want in return!  
She also has fairies that help her with many  
tasks back where I'm from... Think of it as  
a scenario where she's a goddess and we,  
alongside the fairies are her little angels!

**4**  
Uhhhhh, hahaha, I meant-

**\*POUUUUUVSHH\***

**1**  
**What the-**

**2**  
**OH GOODNESS! IS IT THE PORTAL?!**  
**LET ME SEE!**

**2**  
**THE QUEEN DECIDED TO INVITE YOU!**  
**YOU WON! YOU HAVE BEEN CHOSEN, RUBY!**

**1**  
**What... is that?**

**3**  
**REALLY?!**

A woman with large breasts and a small figure on her chest. She is wearing a green and white patterned bikini top with a white fringed edge and a black bikini bottom. She has long red hair and is looking upwards. The background is a bright, colorful, abstract environment with green and blue light rays. A small figure in a red and white outfit is standing on her chest.

**1**  
This portal, h-how do I  
get through it?

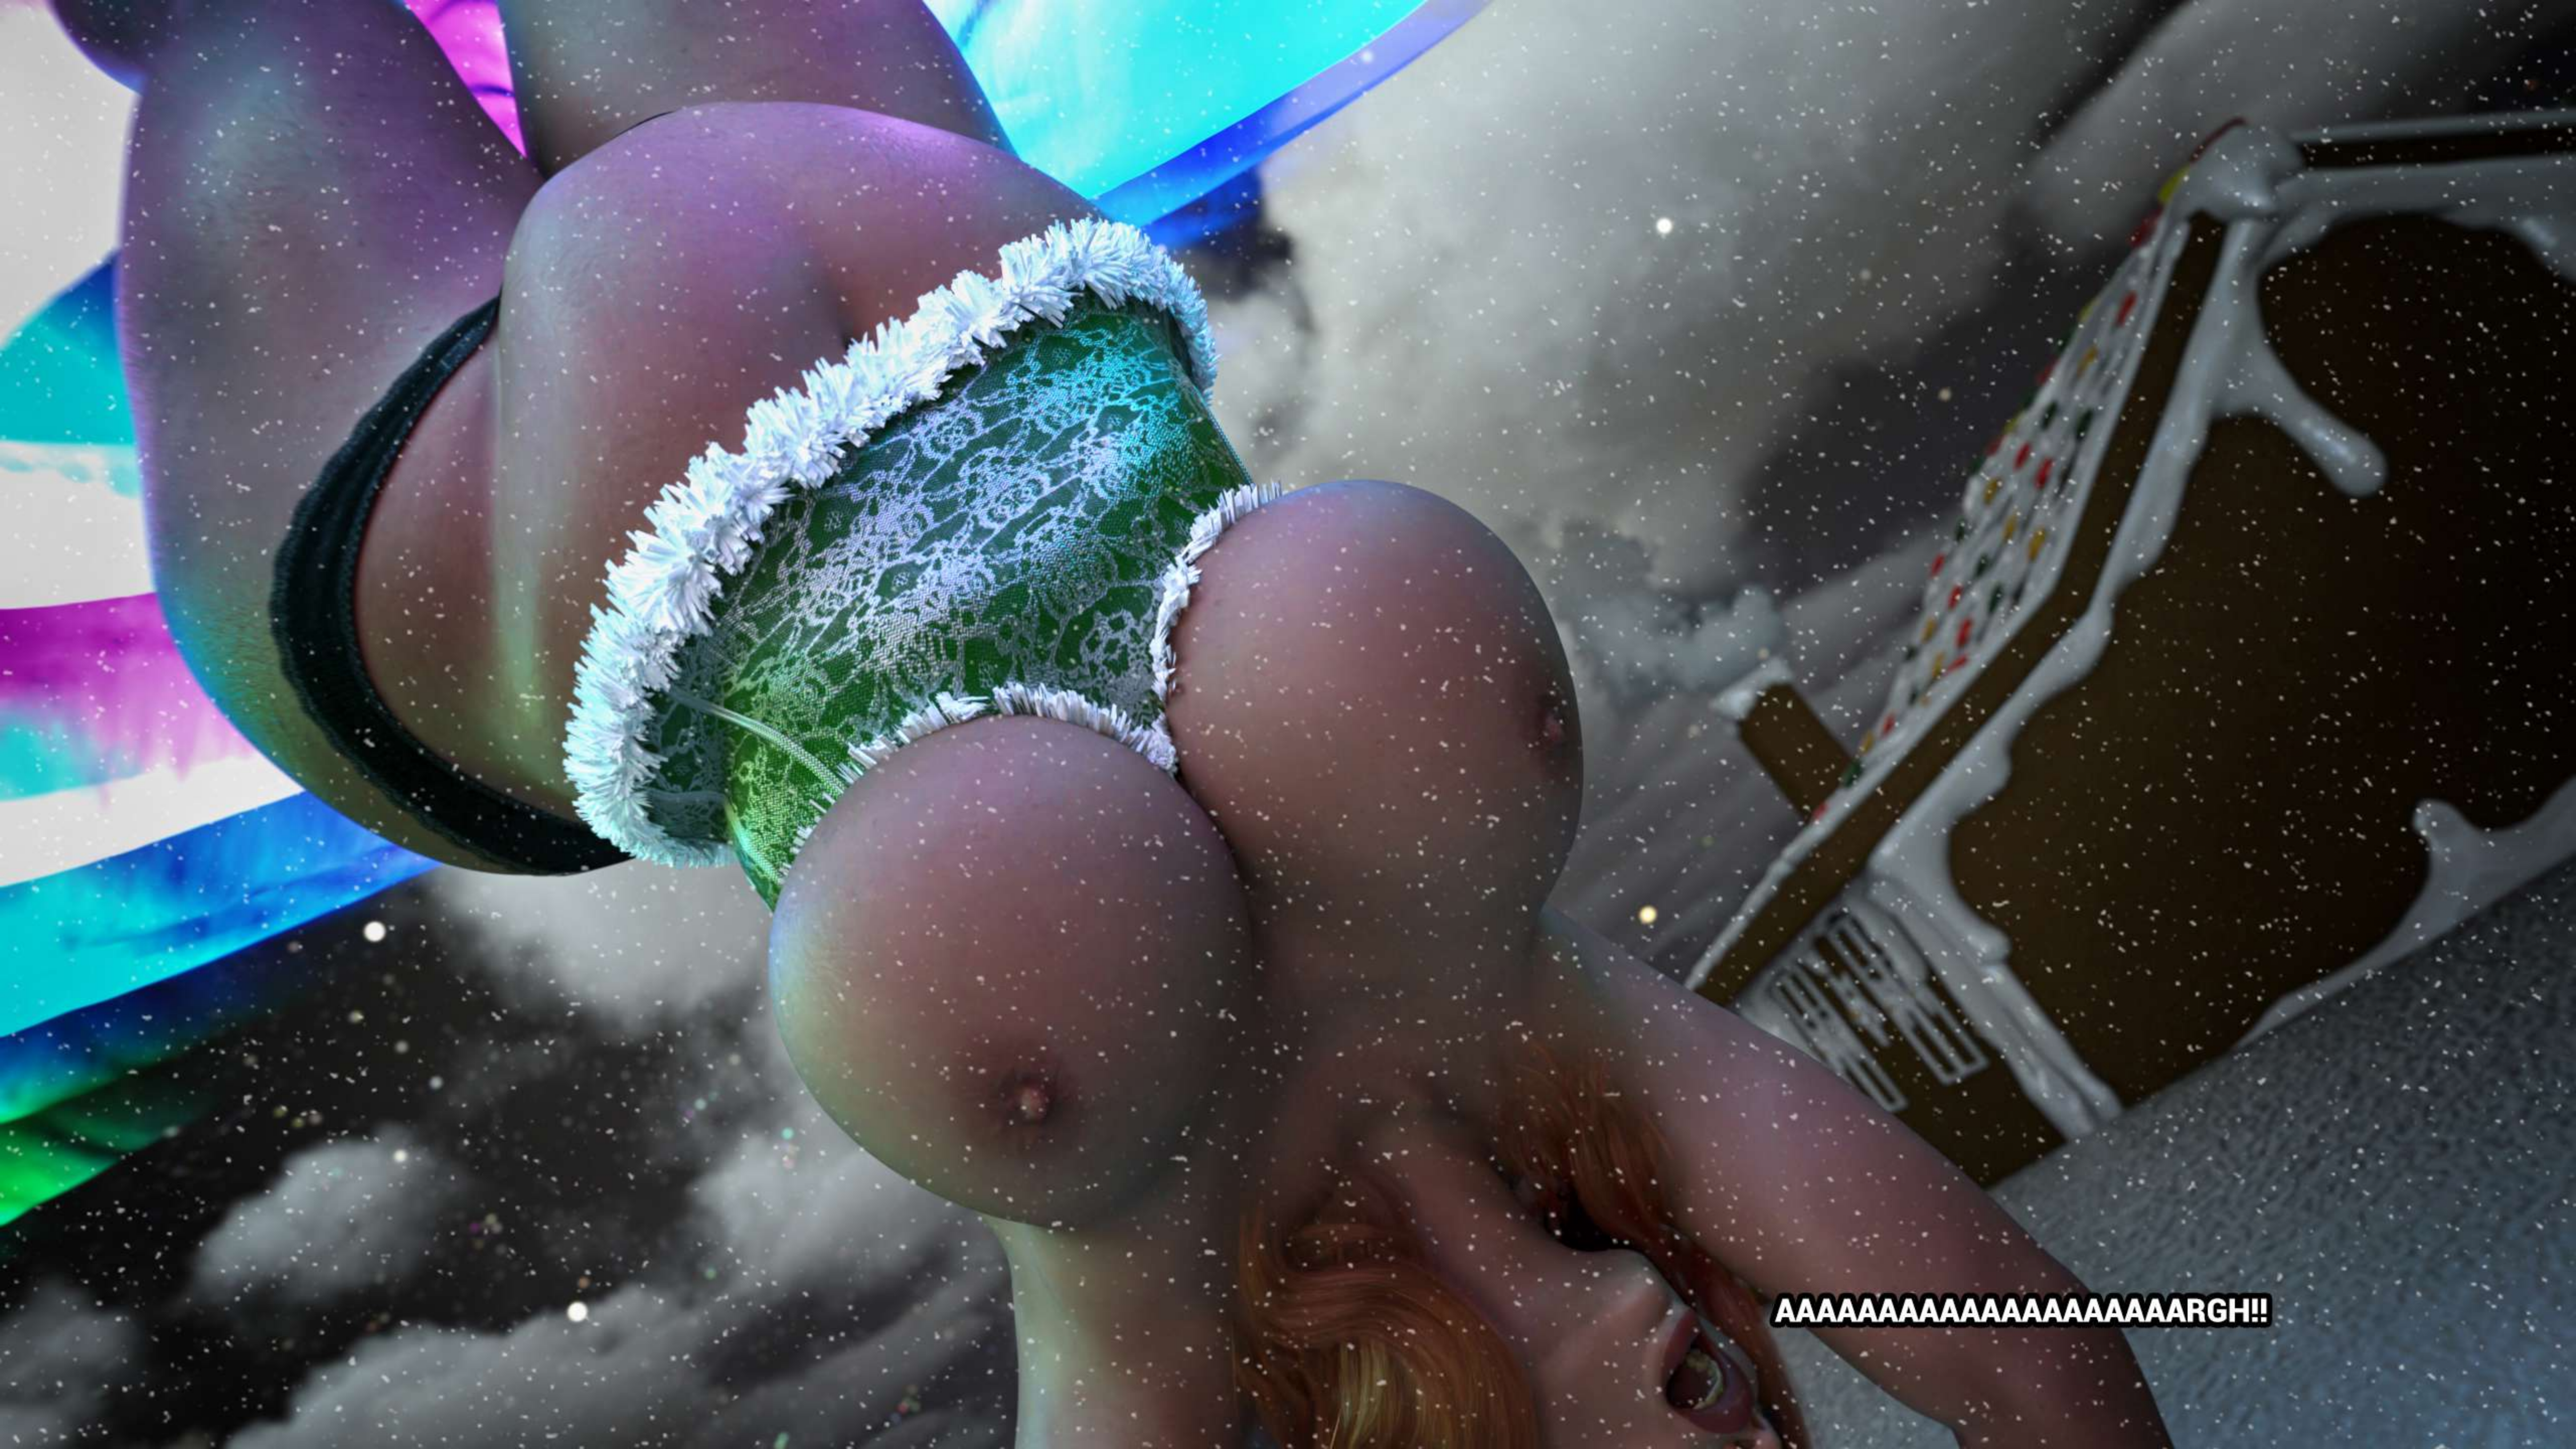

**3**  
Like a wormhole?

**2**  
Just touch it! It will automatically  
suck you in! It's going to take us to  
my homeland, far away from here

**4**  
CORRECT!

**WHOOAAAAAAAAAAAAAAAAAH**

**AAAAAAAAAAAAAAAAAAAAARGH!!**

**W-What is this? W-Where am I? How  
did I get here s-so... fast?!**

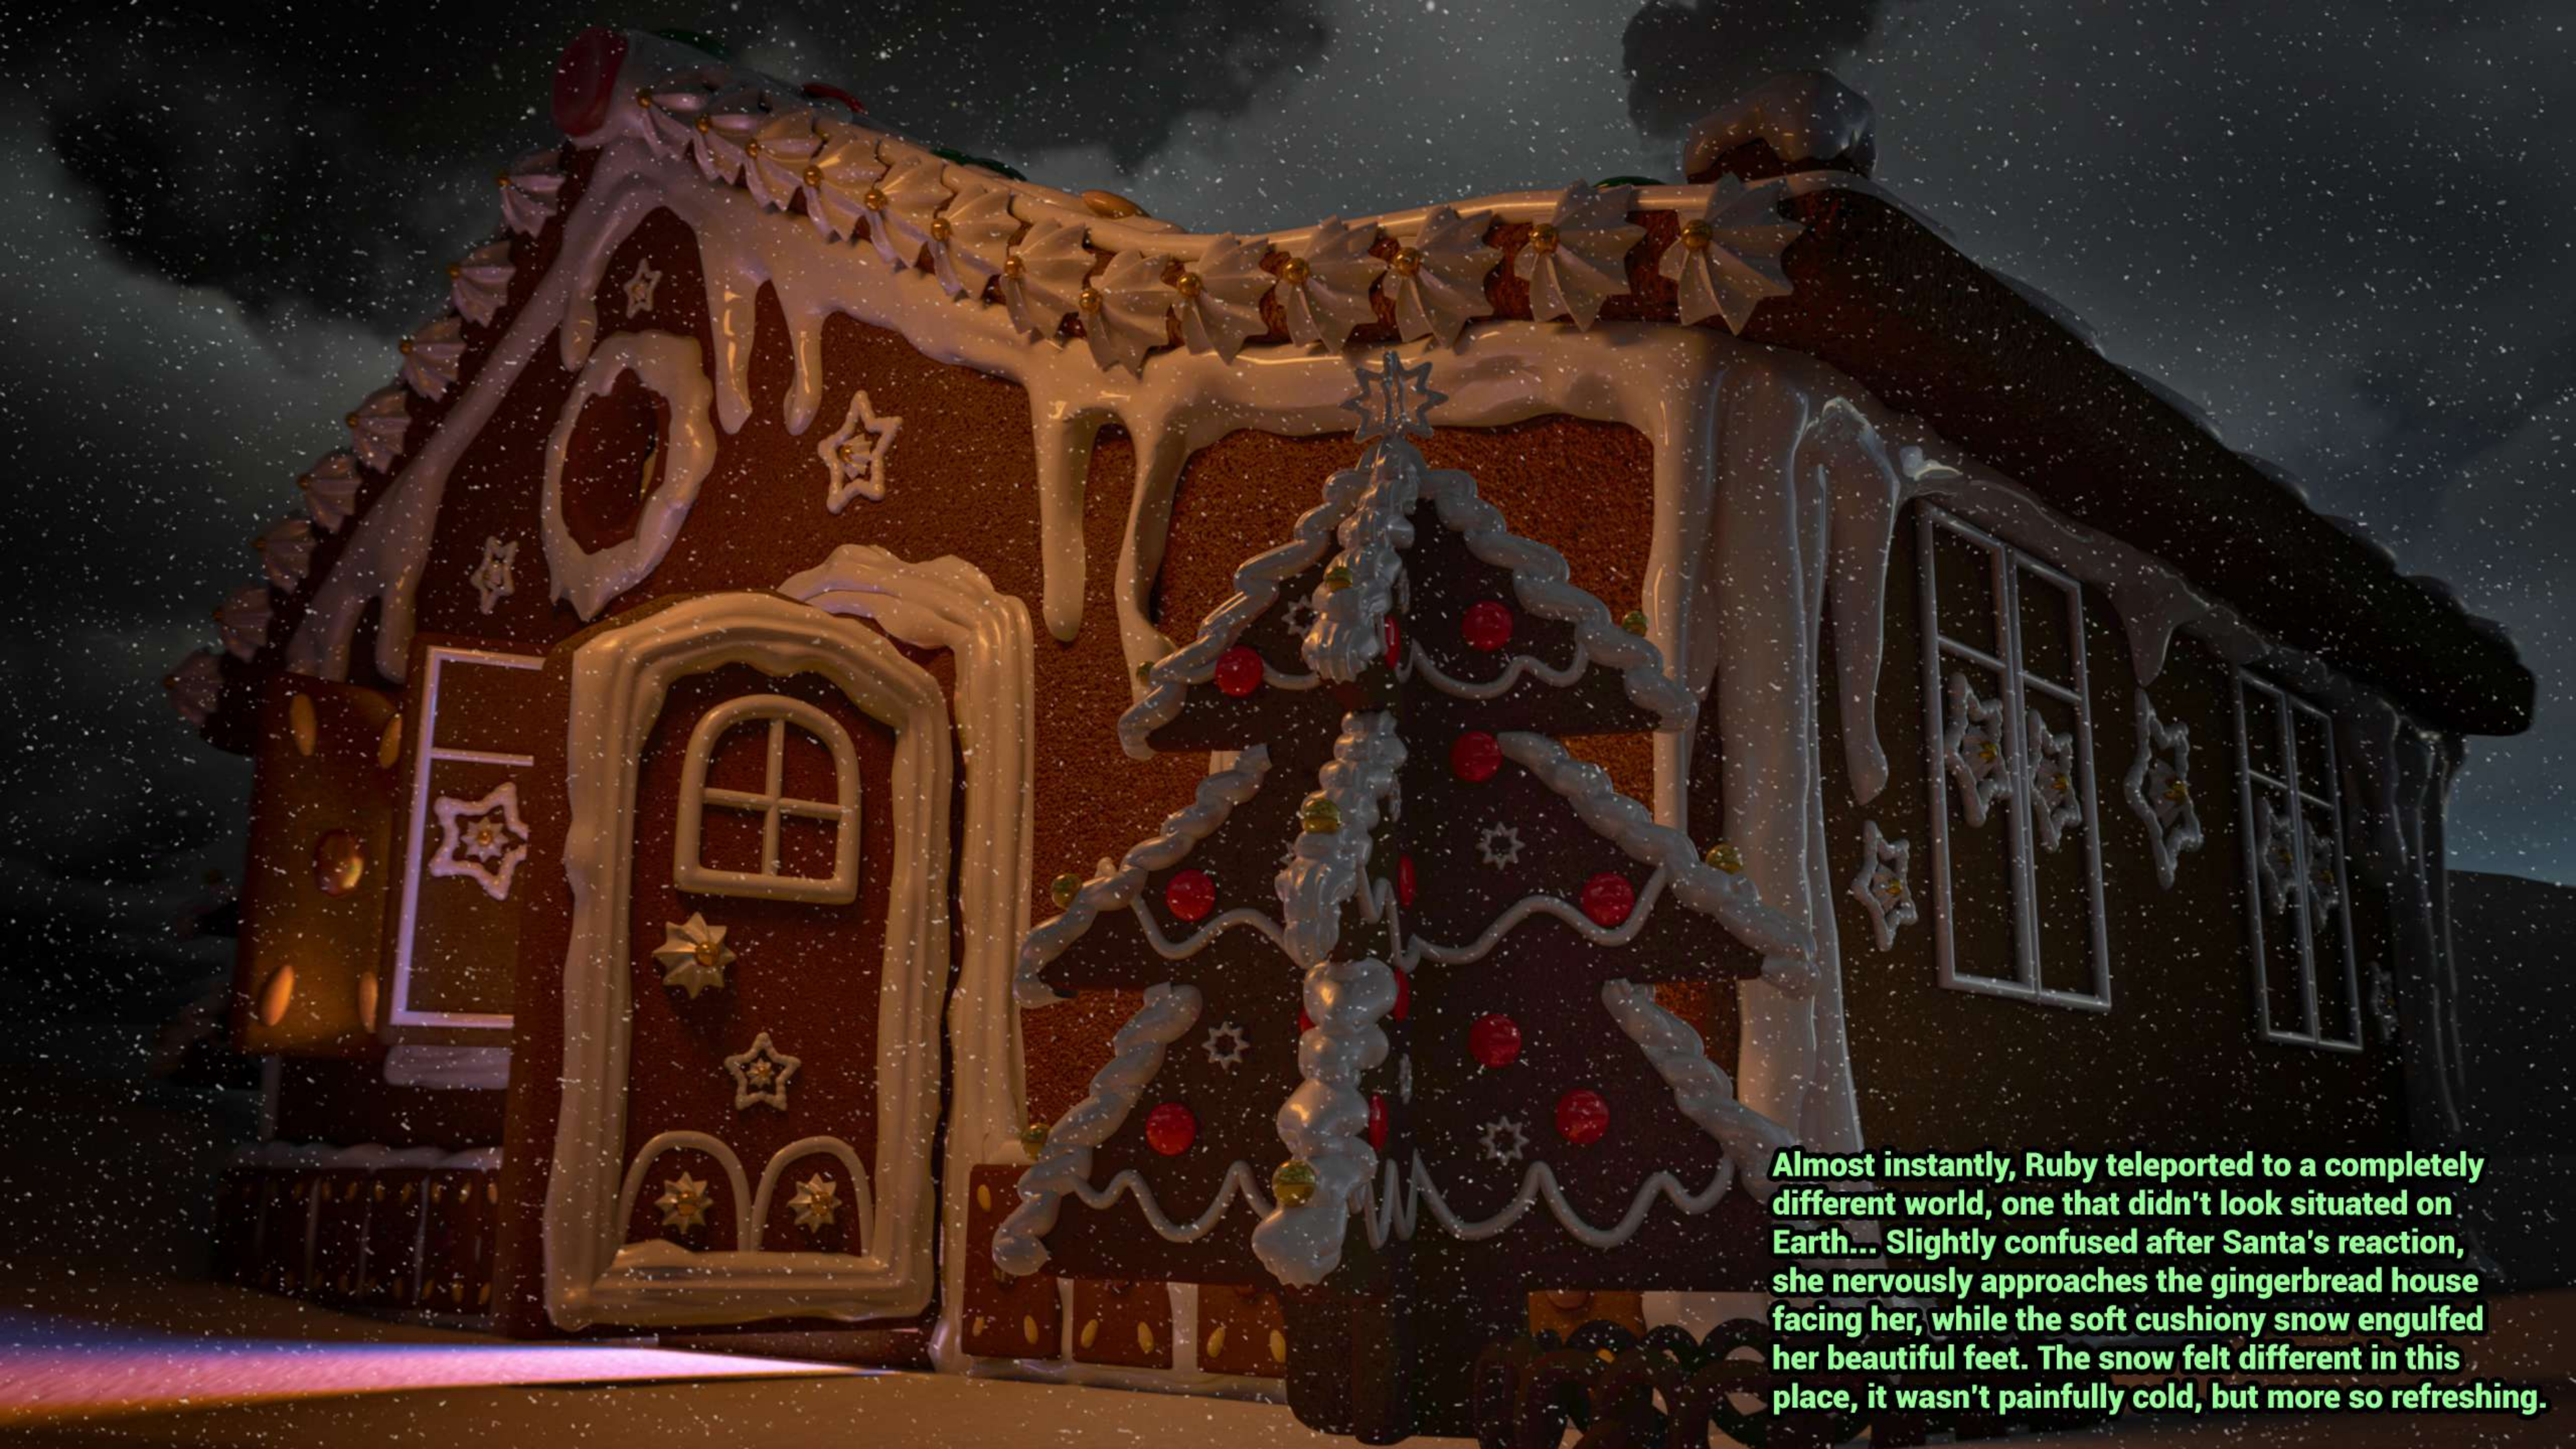

**2**  
**What do you mean? Am I not  
going to meet the queen?**

**1**  
**Oh no, this isn't what I thought  
it was going to be..**

**3**  
**Not... yet.. but you will! Don't worry!  
Let's go inside that cabin and I'll explain  
everything once we're out of this cold**

**Almost instantly, Ruby teleported to a completely different world, one that didn't look situated on Earth... Slightly confused after Santa's reaction, she nervously approaches the gingerbread house facing her, while the soft cushiony snow engulfed her beautiful feet. The snow felt different in this place, it wasn't painfully cold, but more so refreshing.**

**1**  
**What the hell is this place?**

**2**  
**Close the door behind you,  
I'll explain everything**

Oh wow, more food?

Ruby walked inside a cozy Christmas cabin filled up with plates of giant, fattening candy and pasteries. Still unable to tell what's going on, her glare caught something she never saw before...

A curvy fairy with blonde hair styled in a braid, wearing a silver, shimmering two-piece outfit and high-heeled shoes. She has large, translucent wings and is floating in the air. The background is a Christmas tree decorated with colorful lights and ornaments. The scene is lit with warm, golden light from the tree's lights.

**Hello Ruby! Welcome! I would like to first of all congratulate you for being chosen by our queen, your dedication was remarkable!**

**A gorgeous, curvy fairy, suddenly flying out of the Christmas tree, and warmly welcoming Ruby.**

**2**  
And you look even more  
gorgeous than I imagined!  
I can see that Santa really  
did a good job at praising  
your weight gain journey

**1**  
Hi! You're a fairy! Santa  
told me about you! You  
look so cute!

**1**  
He's been such a cute little sweetheart!  
However, if I may ask, wasn't I supposed  
to meet the queen and get all my wishes  
fulfilled? No offense to you of course, I  
am honored to meet a cute little fairy  
such as yourself

**2**  
I know you have a lot of questions,  
but rest assured that you will  
eventually meet the queen

**1**  
Usually, when some of our candidates are not big enough, but have immense potential to grow, the queen hires the like of me to give you one final challenge before all of this is over

**2**  
I-I'm not big enough? I put on over 50 lbs since the beginning of this month!

A 3D-rendered fairy character with white wings and a silver skirt, standing in a festive room. The room is decorated with a Christmas tree, colorful lights, and tables of food. The fairy is looking towards the camera with a slight smile. The background is filled with warm, golden light from the lights and the tree.

**And it wasn't for nothing! Your dedication and appetite were certainly the reason why you're here instead of the portal never showing up in the first place... Do you see all these plates of pasteries and candy? The challenge is, if you manage to finish all of it before sunrise, you will win those gifts by the christmas tree... and it's going to be even better than what you've hoped for this whole time**

A miniature Santa Claus in a red suit with white trim and a white beard stands on a white tray. The tray is filled with several large, rectangular cookies. One prominent cookie is pink with white icing and sprinkles. Other cookies are chocolate with white icing and nuts. The background is a blurred Christmas scene with warm lights and a string of colorful lights.

**I know how scary it must be, seeing candy this large... But it is no ordinary candy! As you eat more of it, your appetite will grow even stronger, and you will certainly grow bigger, allowing more room for the remaining plates**

**After the fairy explained everything to Ruby, the red-haired beauty sat down on a comfy chair and was served the first plate, consisting of pasteries filled with icing, nuts and nougat. She was feeling very full after everything she ate that day, but knew that she was so close to getting her wishes granted and had no choice but to go all the way in.**

**3**  
**Ah I see...**

**2**  
**Oh, I forgot to mention that our fairies  
can make things... float**

**1**  
**And don't worry about lifting the plates! I  
will handle it for now, until you're big  
enough to hold it on your own**

**1**  
Hahahaha, this is freakishly large! I wonder how big I'm going to be by the end of the night...

**3**  
I never asked, Santa, but why does the queen want to make us, the candidates.. all big and fat?

**5**  
I see, a chubby chaser then, hahaha

**2**  
I'm excited to see where this will go! I have no doubt that you'll complete this challenge!

**4**  
She finds joy in seeing big people overly indulge in food, I assume

Well, here we go then!

**Upon taking her very first bite, Ruby's body started once again swelling up everywhere as her panties held on to dear life...**

**Mmmmmmmmmmm fuck  
h-how is this so good?**

**The pasteries tasted impossibly delicious,  
so delicious in fact that she started unintentionally  
moaning as she chewed...**

**Ohhhh... M-my body feels w-weird...  
This is amazing**

1  
If I feel so... HUNGRY

2  
Let it take over! I promise you  
won't regret it

**First place is already finished,  
Great job!!!! Which one do you  
want next?**

Oh wow! That was  
impressively loud, hehehe

**\*BUAAAAARRPPPP\***

**1**  
That was so fucking delicious,  
do all the plates taste this good?

**2**  
The taste keeps getting  
better and better as you eat,  
that's how it works!

**1**  
**Never thought I'd feel this way...**  
**Gifts or not, I still want to eat!**  
**It makes me feel so hungry, in a good way**

**2**  
**That's impressive, to think**  
**you want to do this without**  
**any expectations makes you**  
**so worthy of gifts in the eyes**  
**of our queen!**

**3**  
**She's truly a natural!**

**I want the croissants plate next, they look so warm and stuffed with chocolate..**

**The food was changing Ruby's brain, and body. A sudden urge to grow fatter as she loses herself in the sweetness of those baked sweets took over her mind, clouding her thoughts with nothing more than an aimless desire to devour it all...**

**1**  
Coming right away!

**2**  
Hey, Santa? Can you do something for me?

**4**  
I- I feel really horny and I want to touch myself but my belly's starting to get in the way...

**3**  
Anything!

**5**  
Oh wow, someone's feeling extra naughty tonight! Ho ho ho

**Oh wow...**

**Ruby put Santa down between her massive thighs.  
He then stood there for a moment, admiring the view  
in front of him**

**How am I gonna climb  
up there?**

**The growing beauty grabbed a giant croissant from the floating plate and started eating it, struggling to fit it entirely in her mouth but still trying to do so...**

**And so began her second growth spurt,  
both in size and in appetite...**

Mmmmmmmmm...

**Mmmmmmm oh god...**

**Uhhhh Ruby? I need you to  
pick me up..**

**Come here... Mmmmm..**

**Ferociously devouring one croissant after another, Ruby started feeling very hot and horny, so she grabbed Santa aggressively in an attempt to use him as her own little micro dildo...**

**2**  
**Mhmmmmmm....**

**1**  
**Whoaaaah!! Hohoho, you  
really want this don't you?**

**Mmmmmmmmmmmmmmmmmmmmmmmmmmmmmmm**  
**Oh my fucking god it feels even better**  
**than I imagined... Oh I'm so wet..**

Ij-just wanna get bigger...

And bigger....

And... Mmmmm...

Fatter...

**Ruby then continued to masturbate using Santa's tiny little body while she cleared up multiple plates. Continuously expanding and bulging out of her chair, she felt hungrier with every bite she took, slipping into a euphoric state where she could think of nothing else but constantly filling her mouth...**

**Her nipples exploded in size, and grew puffier and softer. Her breasts filled up with so much milk that it started becoming impossible to contain it all, forcing its way out like a volcano erupting.**

A woman with extremely large, exaggerated breasts is the central focus of the image. She is wearing a pink top and has a pink frosted donut with sprinkles on her chest. The background is a festive indoor setting with warm lighting, a brick wall, and a Christmas tree. The text "Deeper, Santa, Deeper!" is overlaid at the top.

**Deeper, Santa, Deeper!**

**She was truly blowing up, ballooning beyond recognition. She was so lost in her self-decadence that she forgot what she was doing this for in the first place.**

**I want to fucking eat everything...  
BuAAARGHP ugh... it's starting to  
feel nice, having this fat gut get  
even rounder..**

**\*donuts falling\***

**Mmmmmmmmm ouuuhh god  
I can't seem to stop myself, I feel  
so stuffed but I just can't help  
feeling like such a fucking greedy  
pig..**

A gluttonous giantess in the making, she was...

As the hours passed on this far little planet, the rate at which the dishes were being cleared out started accelerating...

**The food's starting to fit in my hands,  
hahahahaha! This is so fucking good**

The fairy was finally starting to see that the queen made the right choice with Ruby.

Mmmmmmmmm...

1  
I've never seen someone enjoy  
the eating like her, I thought she  
was gonna quick after finishing  
the first pastry!

2  
Clearly not, she's the one!

**1**  
Oh dear, she just can't seem to stop!

**2**  
What if she grows too big for this cabin?

**3**  
Don't worry, if she manages to finish all the food, which I think she will, she'll still be able to fit inside here... barely..

**Mmmmmmm yes, I love the taste  
of nougat on these!!!**

**WHAT THE-**

**Watch out!!!**

**\*CRACKING NOISE\***

**1**  
She grew too heavy for that chair,  
Maybe I should've installed one  
made of iron instead... Sorry, Ruby!

**2**  
It's okay! I'm okay, hahahaha...  
Sooner or later that chair was gonna  
give up under my crushing weight

There wasn't much left at this point...

To think that she walked into this cabin with food that was bigger than her entire torso, and to see how big she is now, was incomprehensible.

**\*Chewing\* \*heavy breathing\***

**1  
You're so close to finishing it all  
honey!**

**2  
You can do it, Ruby!**

**1**  
Oh wow, the food really sucked her  
in! She's growing really really fast..

**2**  
Okay maybe I miscalculated her  
final size..

**BBUUUUAAAARPP**  
**Bring it ON!**

**Last plate!**

**Despite growing big enough to hold the plates and the food on her own, she was a little too big to do so. Her monstrously large behemoth of a gut prevented her from even seeing her tree trunk legs.**

**She actually did it...**

**The queen is going to be so pleased with her...**

**Mmmpphmm..**

**Ruby's titanic belly was stuffed to the brim, she was so full that it was becoming hard to breathe or talk. It was a spectacular depiction of pure, utter gluttony, as she sat there drowning in her fat, pinned down to the ground.**

God I feel like I'm gonna pop...

One more donut...

**1**  
**\*Chewing\* And i-it's done... phew..**  
**my tummy hurts..**

**2**  
**Congratulations for proving yourself**  
**once again, and for real this time, to**  
**the queen! You shall now receive**  
**your gifts!!!**

**2**  
**Wow, it looks gorgeous**

**1**  
**First of all, here's a crown, a special gift handed to you directly from the queen, as a mark that you have passed her challenges and proved yourself worthy**

**I feel like a spoiled princess  
and I love it...**

**That's so sweet of you!!!!**

**And the second gift, is a gift from us! A beautiful necklace with ruby stones, fits your name!**

**1**  
I feel so much prettier with  
it, I'll never take it off!

**2**  
W-wait, there's more growth?

**1**  
And don't worry! If you end up growing bigger, they'll grow with you and will always fit you! Which leads us to the final gift, the main one..

**2**  
We're not hiding anything from you,  
you said that you wanted every wish  
you had to be granted, right?

**3**  
Drink this and everyone will  
obey your every wish back home,  
and don't worry, the queen will  
visit you soon, it's confirmed

**1**  
W-what is this? I thought I was  
supposed to meet up with the queen...  
I feel like you're hiding something  
from me..

**4**  
What's that supposed to mean?!  
Am I supposed to drink this?

**2**  
After you drink it and teleport back to your world, we will go to the queen and report back just how good you were this whole night, we'll put in a very good word with her before she comes to your world and meet up with you

**1**  
We can't tell you what it's going to do, you'll have to see for yourself... All we can tell you is drinking it will send you back to your world, and don't worry, the queen is far from done with you

**2**  
**Trust me, after drinking that, you  
will have a ton of your own little  
toys...**

**1**  
**W-What about you, do I get  
to keep you?**

**3**  
**What's that supposed to mean?**

**4**  
**Drink and you will find out,  
you are going to be a goddess  
back in your world, show gratefulness  
to the queen for giving you such  
power**

**2**  
The queen will see you  
soon, Ruby!

**1**  
Slowly chug it down and close your eyes...  
you will slowly drift into sleep

**So many questions left unanswered... Ruby was so full and barely keeping herself awake instead of slipping into a food coma, so tricking her with vague answers was very easy. So she obeyed the instructions and started chugging down the potion.**

December 25th, Christmas Day.

**2**  
Got some chocolate for your parents!

**1**  
What's inside those boxes, babe?

A cinematic scene from a video game showing a man and a woman in a car at night. The man, on the left, is wearing a blue button-down shirt and glasses, looking at a gift box. The woman, on the right, is wearing a plaid shirt and glasses, holding the gift box. The background shows the interior of the car with a window looking out at a building with many windows.

**1**  
Oh that's lovely! They're really gonna appreciate it, it looks expensive too!

**3**  
They will absolutely love you

**2**  
It was expensive, but hey, I'm really excited to meet your parents! I hope they'll like me as much as you claim they will

**\*ZZERRRRRROOOOOWWWWNNGGGG\***

**1** What the hell was that?!

**2** W-WHAT'S HAPPENING?!

**2**  
It's like... some sort  
of Aurora..

**1**  
ARE YOU SEEING WHAT  
I'M SEEING?!

**1**  
JESUS FUCKING CHRIST!

**2**  
OH MY GOD!

**2**  
Is that... Ruby?

**4**  
O-our n-neighbor... I think we  
should run...

**1**  
WHO IS THAT?! WHY IS  
SHE SO FUCKING BIG?!!!

**3**  
WHO THE FUCK IS RUBY?!

**After drinking that mysterious potion, Ruby had no recollection of what followed next and simply found herself teleported back to her hometown, in the middle of the city...**

Looking absolutely fucking humongous.

**Mmmmmm my head's spinning,  
where am I? I feel so dizzy...**

**Mmmmmmm...**

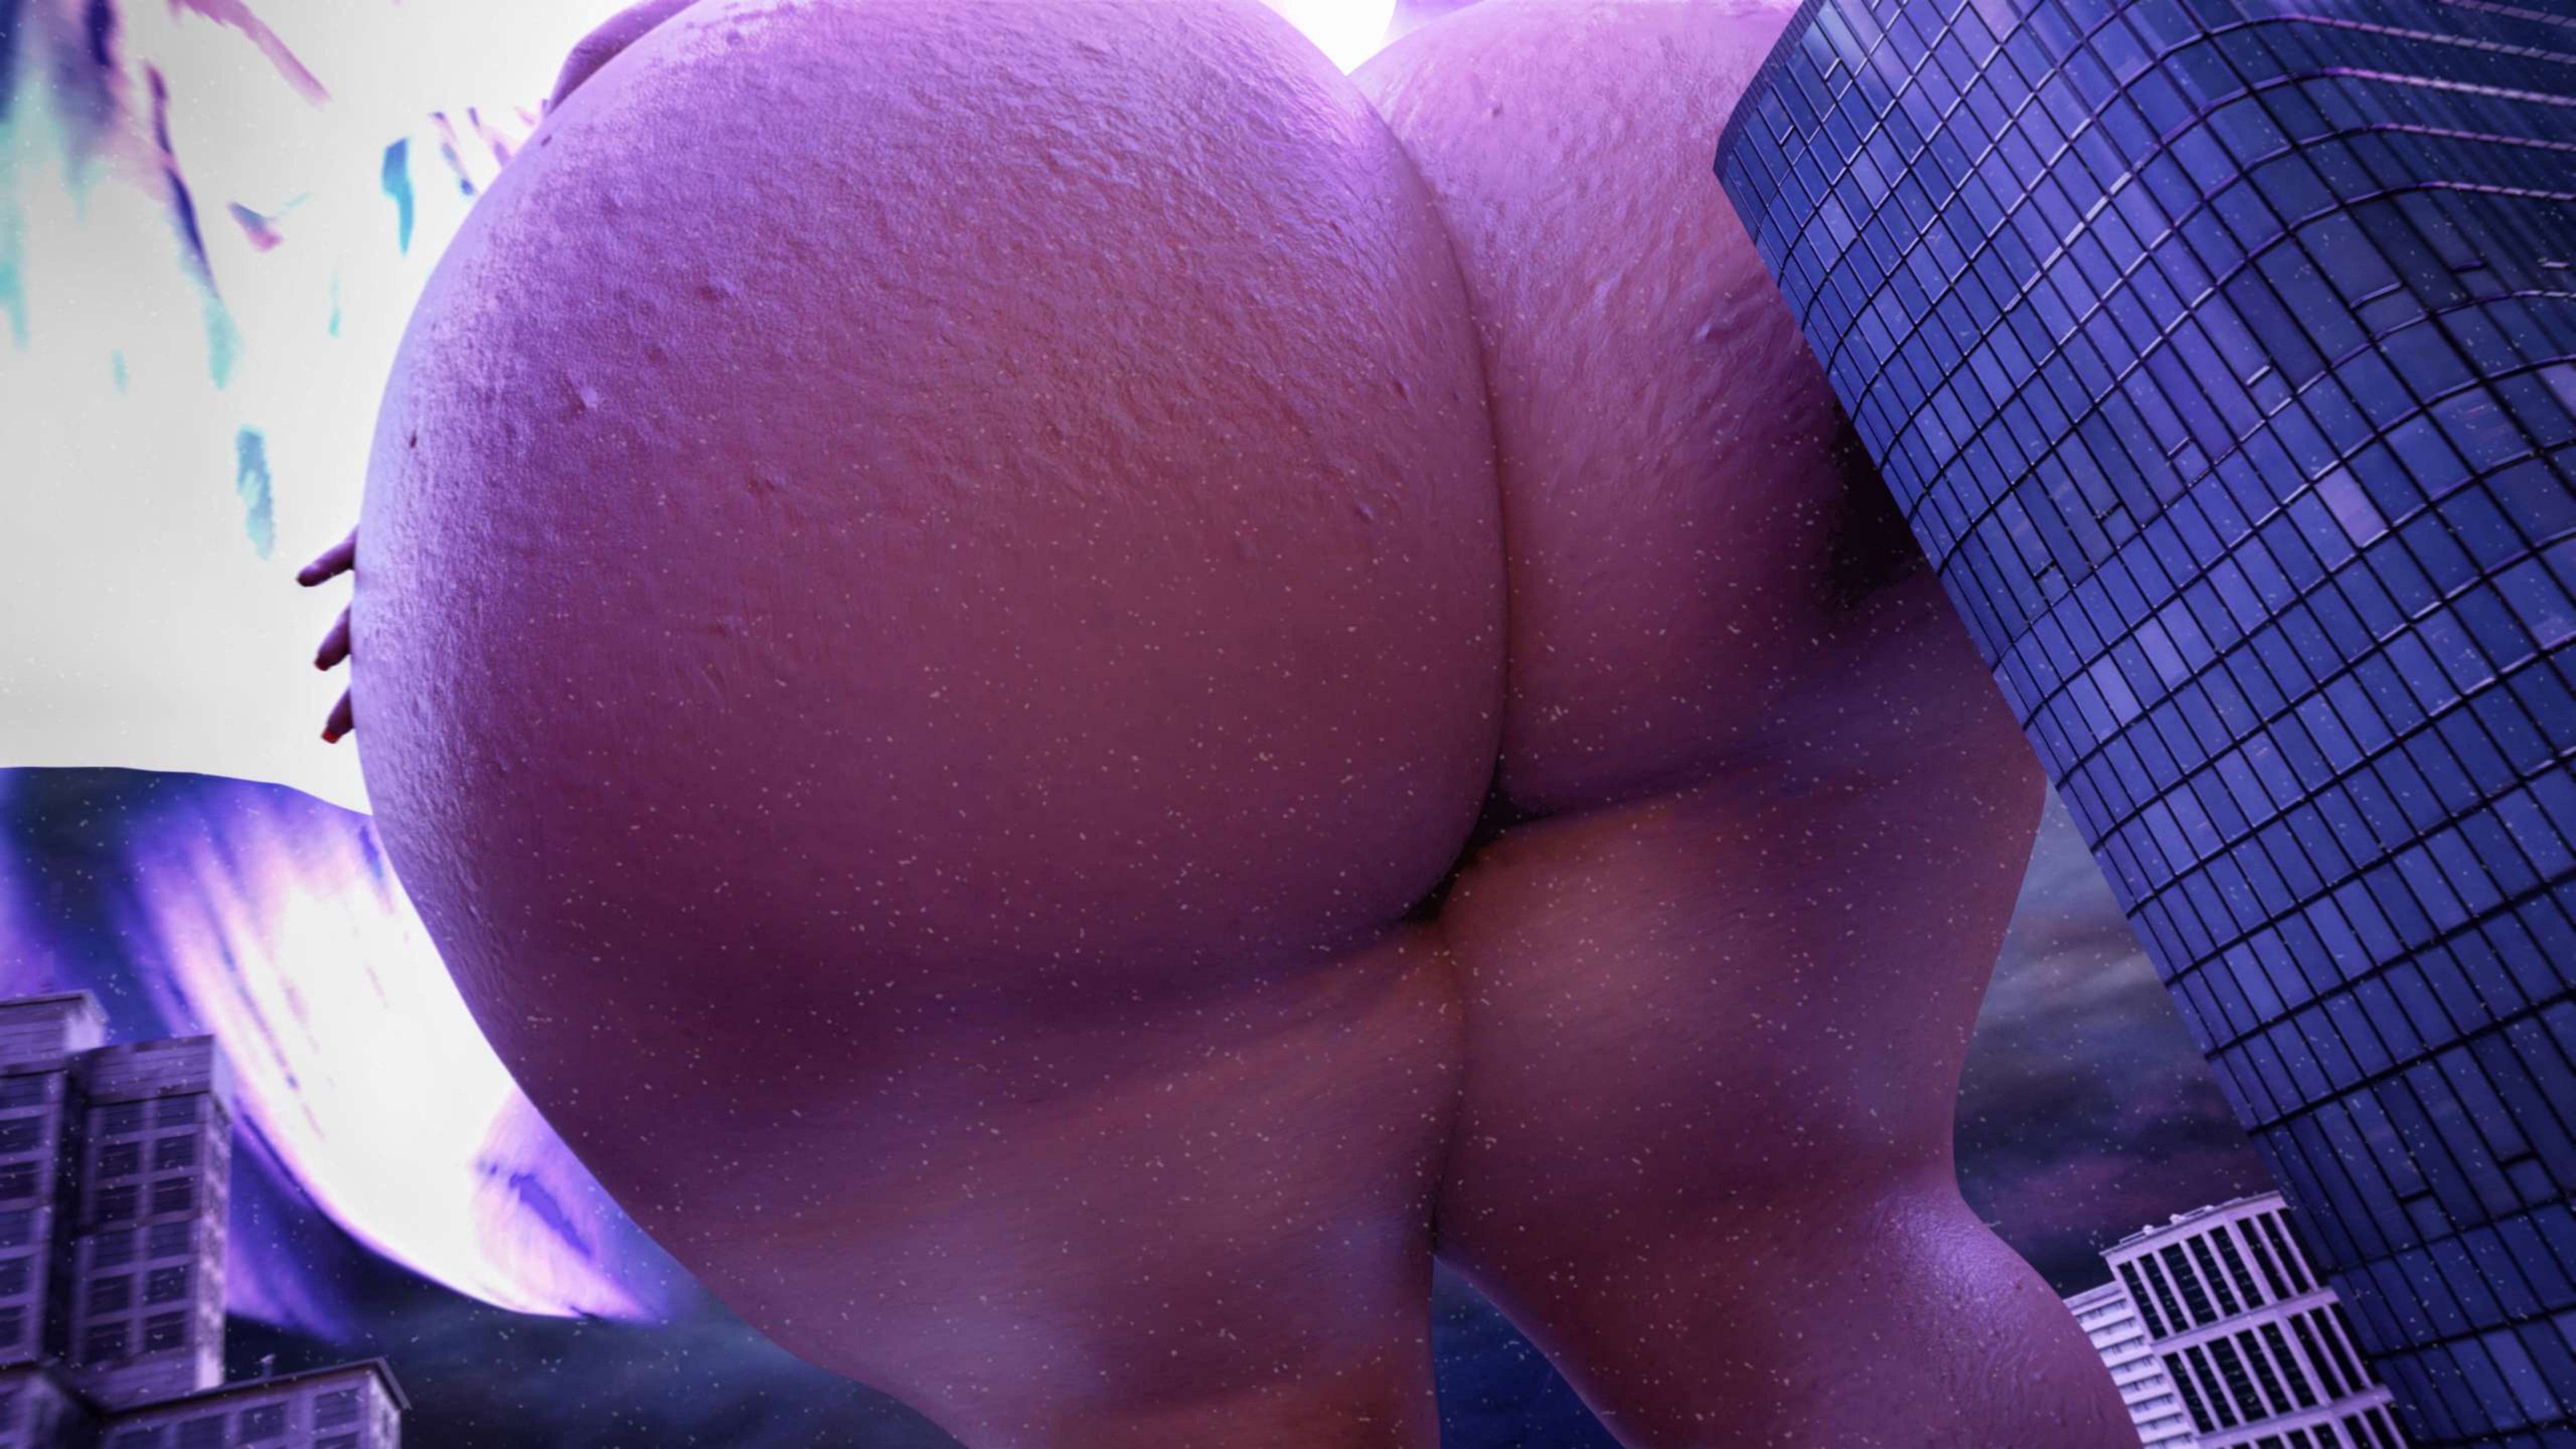

**And whatever was inside that potion, didn't only make her teleport back in an absolutely gigantic size, but caused her to continue growing even further...**

**I can feel myself getting bigger  
still... It feels...**

...so... explosive...

**Am I... a giantess?!**

**Military aircraft was immediately deployed, as Ruby's titanicly fat body waddled around the city in confusion, crushing people, cars and buildings. It was a national emergency.**

**I can't seem to stop growing...**

**BUAAAAAAAAAAAAARPPPP...  
I feel so... I feel so fucking fat...**

**And so hungry... I just want to eat something...**

**Are those... aircrafts?**

**Mmmmmmm oh god...  
Why am I still growing?!!**

**WHAT ARE YOU DOING?!**

**Ruby was quite confused, one moment she was in that cabin, enjoying delicious food, and the next instant she's ridiculously massive and waddling around in the city. Seeing those aircrafts fly towards her freaked her out. She had no intention of harming anyone, yet. Her body was simply too big to stand in the middle of that city without causing absolute chaos.**

**JESUS FUCKING CHRIST!  
THAT BURP IS MAKING MY  
FLIGHT SHAKE!**

**ALPHA-234 WATCH OUT!**

**HER MOUTH IS TOO  
BIG! I WON'T MOVE  
THE AIRCRAFT IN  
TIME!**

**BUAAAAAAAAAAAAAAAAAAAAARRRRRR**

**Feeling overwhelmed with the intense growth her body was going through without her control, Ruby also felt extremely gassy, and couldn't stop burping. At one instant, she ended up accidentally burping, causing her gigantic mouth to open up and...**

**THIS IS ALPHA-235, ALPHA-234  
IS DOWN, I REPEAT, ALPHA-234  
IS DOWN, SEND BACKUP, OVER**

**Hmm?!**

A woman with long brown hair and a floral crown lies on a purple, textured surface. She is wearing a purple top and a purple skirt. The background shows a cityscape at night with buildings and a street. The scene is lit with a purple glow. The text "I... I didn't mean to swallow it.." is displayed in the center of the image.

**I... I didn't mean to swallow it..**

Oh no... It's happening again...

**Mmmmm fuck... I...  
I can't stop it...**

**It f-feels... amazing...  
I c-can't help myself..**

**As the giantess whale kept expanding through the sky, the fairy and Santa teleported back to Ruby's home to witness the events of her explosive growth unfold...**

**1 Truly a sight to behold... Do you think she remembers what happened to her?**

**2 I highly doubt it, none of the previous giantesses who drank that potion were ever able to bounce back from the hunger spell... I'm sure she'll be an unstoppable killing machine**

**I just want to eat... more...  
feed me more... Grow me bigger...**

**1** Missions succesful, she'll wipe this city in no time! The queen has once again, added a valuable asset to our kingdom..

**3** As soon as she proves herself one last time, and wipes out the entire city... or eat it

**5** Good choice, Christmas seems to be her favorite holiday, I'm sure your other colleagues were able to convince people around the world with things that portray more to them... What matters is.. it worked, and we have now another gluttonous monstrosity, ready to defend our kingdom and serve the queen

**2** I have no doubt that she will be one of the best soldiers back home... Her potential is amazing! When do you think the queen will bring her back to our realm?

**4** Good... Can't believe I was able to fool her with this stupid fucking Santa costume...

**I-... T-They look so delicious...**

**All this time, Ruby was tricked. Slowly lured into a trap, to become a slave soldier for this mysterious queen from a different realm, a fat, gluttonous, giant hungry killing machine.**

**Ruby wasn't the only victim, many women around the world were lured into all of this, conditioned to give in completely to their gluttonous side, and uncontrollably eat until they fill up entire rooms, then cities.**

**All t-these tinies around my feet..**

**Each woman was lured differently, depending on what would impact her the most, but the general idea was more or less the same, eat like a pig and you shall be granted anything you wish, and many, many girls fell for it.**

**Ruby was now stuck in a dilemma of her own morals, struggling to resist her newly emerged desires of wanting to eat everything and everyone in front of her...**

A close-up, low-angle shot of a woman's face, looking upwards. Her eyes are wide and dark, and her mouth is slightly open, showing her teeth. The foreground is dominated by a large, dark, textured surface, possibly a piece of fabric or a wall, which is illuminated from above, creating a strong contrast and highlighting the texture. The overall mood is dramatic and intense.

**And this growing gut has its needs...  
mmmmmmm...**

**TO BE CONTINUED**
