

Brother Tian, tonight the gang heard that Yan is ruthless, are you ready?

What's the matter? It's embarrassing to hear what you mean?

What are you talking about, Brother Tian, how often have I not been at the front?

That's all right, just the people in the school, no matter how ruthless they are, how ruthless can they be?

Today we have to let them know that in the twenty-three years, the dragon must be coiled and the tiger must lie down!

This is not from your class...

Well, ahem,
what's wrong?

Well, classmate Ji Tian, the teacher said that I would take pictures in the afternoon physical education class. I'll ask you, the education committee member, to talk to the physical education teacher.

OK,
Got it.

What are you doing? Is there anything else going on?

That..that.

Please, don't smoke...smoking in school. \I won't tell the teacher this time.

Brother Tian, why are you blushing?

Fuck you! What are you talking about?

Classmate Li Tian obviously has such a good face, why doesn't he study hard and become a gangster? They are not the only boys.

lunch
break

Let's go after the childbirth class in the afternoon. They must die after school tonight.

It's over. I promised to help the teacher count people at noon, but I almost forgot.

Damn it!

Yeah!

What's the matter? Are you in such a hurry?

Li...Classmate Li,
Tian, I'm sorry.

I'm rushing to the teacher's place. I'm sorry, I'm leaving now.

Wrong? Do you want my help or something?

"Forget it, I can't help you much from the Chinese teacher. However, Zhang Jing smells so good. Damn... I just had this bump, and my lower abdomen hurt so much.

(Ah?! No, what the hell is going on. ·Such a thing can happen to me? How can I become a woman?!

Wuwuming, this... what is this. Isn't this a boy's penis? Why do people grow this thing?

sports talk

Now that we've finished running, let's disband the church and move around freely in the rest of the time.

张静怎么一直心不在焉神色慌张的样子。该不会,我变成了这样是中午和她撞的那一下有关吧。 Forget it, I'll ask her later.

What should I do? If it becomes like this,
how can I tell my mother when I go
back? And, it feels so strange. , Will I
always be like this? Why on earth.

What's wrong with you today?
You seem to be so restless?

Classmate Li Tian?!
I. I can't use it now..

Wrong? What does it mean?

As expected, you also...go, let's find a place where no one is around to talk.

Ever since we bumped into each other at noon, I realized something was wrong with my body. Look at you, I'm not the only one like this.

Ah...yes...what's the problem.

Just, I... squirt, it's not easy
to say it out loud. Forget it,
I'll show it to you directly.
Anyway, you are a girl.

Ininlal

Wrong?!

This... this is...
for a girl...

I don't know why, but it suddenly
became like this at noon. It feels like
it has something to do with the time
you hit it.

I can't figure it out, so I want to ask you if there is anything strange about you.

Actually...I also encountered something very strange at noon...that is...

A person wearing a purple jacket is pulling down a pair of blue pants. The pants are being pulled down to the ankles, revealing white lace underwear. The person's hands are visible, holding the fabric of the pants. The background is a simple, dark-colored wall.

Starting from noon... my lower body
also became a boy's lower body.
Moreover, since classmate Ji Tian just
took off his pants, they have become
bigger...

Ah, come to think of it, the lower part of classmate Li Tian looks familiar...

Wait, your dick... isn't it exactly the same as Li Wo's!

So, our organs
were exchanged?

But anyway, Li Tianxue, do you have a way to make it smaller? If it is so big, the underwear will not be able to cover it at all. If it is seen by classmates, it will be over.

Why would I expect classmate Ji Tian to do something for me? It's so weird.

A young man with short, straight blonde hair and white-rimmed glasses. He has a neutral, slightly thoughtful expression. He is wearing a light blue t-shirt under a dark jacket. The background is a simple grey wall with a red diagonal beam. Two speech bubbles are present: one on the left and one on the right.

Well, I'll give it a try.

It will become smaller after ejaculation, but do I want to masturbate her? It's obviously my own penis, but why don't I feel disgusted at all, but I really want to...

What are you going to do?

Help you masturbate...

No pain...so comfortable.

Does it hurt?

The touch of the inner cup is still the same as before. But my body couldn't feel it at all. Instead, I felt the emptiness in my vagina.

The lower part was held by classmate Li Tian's hand. It felt so comfortable, hot and tight that my cock could not help but beat.

This is the first time I have observed my own cock at such a close distance. Why do I want to hold it in my mouth? Although it is my own, if I hold it in my mouth, I feel like an AV actress.

Never mind!

Don't lick there, classmate Ji Tian! It's dirty there. I've already used it to pee today.

My cock is covered by Luba! His tongue feels so comfortable

My breasts became so hot that my nipples stood up.

The double stimulation of the cock and the breasts! Yeah! I can't help it anymore! Something is coming out.

It's all on my clothes, so I'd better take off my clothes.

Classmate Li Tian, you...your breasts...

This...when?

Zhang Jing... It seems you are too, please take off your clothes and take a look.

Breasts...gone.

Well, it seems so.

It seems that as long as we have an orgasm, we will exchange parts.

It seems that we have completely exchanged the following, you see, even intramuscularly.

What should we do? We can't always be half-masculine and half-female like this.

How about we continue with the last step. What will happen next in Xiang?

This is all we can do.

So, my wife went in?

Well, lighter.

So tight.

In!

It feels so comfortable for boys too!

It feels so comfortable for girls too!

Why didn't I understand boys before? How cool would it be to have a bunch of brothers who hang out outside all day long? In comparison, the life of being a good girl and attending school all day long is really boring. I can't remember what was taught in class today. I seemed to have secretly watched a whole section of AVL in class today. Who cares, from now on, go to hell with classes and everything else.

Me, I want to become more like Zhang Jing!

Li. Classmate Li Jitian! The people tonight are amazing. Classmate Li Tian wants to defeat them all.

Yuan? I, Li Tian, ah, yes, haha. Thank you, Zhang Jing, because of your words, I will kill them all tonight!

Like I fuck you now, my little cutie.

Ah ah ah, classmate Li Tian, I'm going.

I cum too!

Ah haha, I have to go, I like classmate Li Tian the most!

some day after

No, I have already locked the door to the rooftop.

You Qianmala will be seen by others.

I hope you've been thinking about it all morning.

Don't let others fool you. It's dangerous.

Even though I say so, my lower body is already so wet.

That...then because...

Yeah, I'm in

Who told you not to disclose your relationship in front of everyone? I have no choice but to take advantage of noon to make out with you.

If the people in the student union knew that I was in a relationship with you, they would definitely expel me. It's not like you don't know that they have held my position as president for a long time.

Eyes, come and see, the noble student council president and the number one delinquent in the school are having sex on the rooftop.

Disgusting..disgusting

You're not going to class in the afternoon, right? Can't you smoke less? Don't you know that stuff is bad for your health?

Yes, yes, can you stop smoking this one?
But I won't go to the afternoon class. I'm
going to play billiards with my brothers.

Did you hear me, Young Master, outside? If you get injured in a fight, I won't go to your house to take care of you like I did last time!
