Did you see this honey? Super Senior saved a bus of orphans in Brazil from going off a cliff.

Big fucking deal! Should have left them all to die... fucking useless orphans...

Really? Well it sounds like she's got a big fan.

Oh hey mom. Did you hear the latest about Super Senior? She saved some orphans in Brazil... isn't she just incredible!

CLATTER!

CLATTER!

Oh shut the fuck up about her already.

Super Senior this... Super Senior that... Give me a fucking break! I'm leaving for work now. I hope a certain someone is gone when I get home tonight.

She didn't mean me, did she?

No dear... it's been two weeks... I'm going back home today, remember?

lalodeguzman1488@proton.me

Oh right... seems like you just got here. Well I hope you enjoyed your stay... huh... you know I just thought of something...

What's that dear?

Super Senior showed up about the same time you did... and she even looks a lot like you... except bigger of course.

Well uh...

What a crazy world we live in... YIKES I gotta get to work... I'll be home early tonight so I can help you pack.

Oh... thanks.

That was close... Honestly I'm surprised no one has noticed the resemblance before now.

Mmm, I do like a glass of orange juice in the morning. Of course ever since taking that vitamin I haven't been hungry, thirsty or even slept for that matter... still I like the taste.

POUR

Almost forgot my fucking phone... Where did I leave it? Maybe in the kitchen...

Ahhh that hit the spot. Well...

Time to save the world!

What the fuck is she doing?

Home at last.
What a busy day... that flood in Australia was especially tricky... but I managed to save everyone.

I always wanted to see the world, I just didn't...

Hello.

Oh uh...
this isn't my house... I'm terribly sorry... I'll just be going then...

Oh drop the fucking act... HELEN.

I saw you change this morning... in the kitchen.

I see... so what now?

Now? Now you're going to tell me your secret... how the fuck you got super powers.

No... I don't think so... frankly... I don't know what my daughter sees in you but... you're an evil bitch.

Yes, I am... and once I have powers like you I'll be a super evil bitch!

Oh really? Do you know where Kingsley is right now? No? Well I locked him away some place where no one will ever find him. He's probably getting hungry by now.

That's not going to happen. There's nothing you can do to make me tell you.

What?!?

Tell me where he is right now or...

Hurt me and you'll never see him again. Now put me down... bitch.

That's better... now then... tell me the secret to your power. How do I become like you?

It's easier if I show you...

Fine but don't try... Oh you're back already...

Here. This is what did it. I took one of these and became like this.

Seriously... you want me to believe one of these vitamins turned you into a super woman?

It's the truth... just try it.

This better not be some kind of fucking trick.
