My name's Mark, I love Resident Evil and enjoy cosplaying as Leon. Today, a girl cosplaying Ashley asked me online to take a set of photos together.

But the thing is, this Ashley is a bit too tall...

The camera man asked us to pose in a classic “Leon holding Ashley” pose.

I'm not a short guy,I'm actually pretty strong, but I had to use all my strength just to pick her up.

My back almost broken!

This Ashley's name is Lisa. She's a naughty girl and lifted me up quite easily.

She just held me and took a bunch of photos.

I didn't notice, her expression became very strange when she was holding me.

I feel a bit embarrassed and annoyed.

Today's photo shoot finally ended, Lisa invited the cameraman to her house to continue

She also invited me to her house, hoping to try on more outfits with me.

She was disappointed, but oh, I like her natural hairstyle, it's kind of cute.

Because I was a bit angry, I directly rejected her suggestion.

She reached her hand straight towards my face, and I had no idea what would happen.

I don't believe in magic at all, but...

My head is dizzy, I feel like she's getting bigger and bigger.

Right before I passed out, the last thing I saw was her playfull expression.

Don't know how much time has passed, I woke up in a big red box.

Covered by some huge women's underwear...

What exactly is going on? This room is huge, and I feel like someone's behind me.

Oh my god, it's Lisa, she's huge! and she's not wearing any panties!

Ignoring my screams, she held me like she was holding a doll.

She started playing with my body with her huge hands

I can't struggle at all

No matter how much I resist, it's useless; she's too strong.

"Look at yourself," she said.

SEXY

Oh my god, compared to her, I seem so small.

She put me down, and then took off her clothes.

Her feet are really big too.

Just like that, she started playing with me with her huge feet

I feel like I am a lowly slave...

I also don't know why I did this, licking my owner's feet

I can't breathe, it feels like my bones are being crushed.

“Hey, you're too weak. We still have a lot of things to do together.”

“Did you forget? I still have a lot of clothes I want to try with you.”

"Hey little Mark, we still have a lot of fun photos to take together."

“Wait for me, I'm going to put on some nice clothes.”

I found out that her phone has been recording everything happening in this room.

She...she is really gorgeous...

“Smile, let's keep taking photos together.”

I was thinking that if I follow her orders, she may not hurt me.

So, I followed what she said and started climbing her leg.

I was wrong, she was just simply treating me like a toy.

She changed into a cute school uniform.

And me, I'm still her photography toy.

What should I do, little bug? I'm a bit hungry now, how about I eat you?

“But you're so obedient, I think I'll keep you as my little toy.”

So the cameraman were shrunk too, and placed in a cup.Maybe they'll take my place and become the huge girl's snack.

Usually, a cat will play with a mouse before eating it.

The tiny's body simply cannot withstand the teasing of giant fingers.

You're really too weak. I didn't even use strength, and you were about to break.

“Broken toys no longer have a reason to exist.”

“Tastes good, don’t be afraid, it’ll be over soon, becoming my food is your honor.”

I was freaked out, if she even slightly moved her foot, I'd get crushed by those huge high heels.

I feel like a lowly worm, while she’s a goddess.

I tried my best to lick her high heels, hoping she would spare me.
